CHAPTER SB AMERICAN SADDLEBRED HORSE DIVISION

SUBCHAPTER SB-1 GENERAL QUALIFICATIONS

SB101 Eligibility

1. In order to compete, all horses must be registered with the American Saddlebred Registry or the Canadian Livestock Records Corporation. They must be entered in their full registered names with registration numbers and under the names of the owner(s) of record with the A.S.R. or the C.L.R.C.

2. A copy of the registration papers showing recorded ownership, or a copy of the registration papers with a Certificate of Eligibility to Show issued by the American Saddlebred Registry must be submitted with entry form at the time of making entry or presented to competition office before competition number will be released unless the competition, at their discretion, confirms registration electronically with the American Saddlebred Registry or the Canadian Livestock Records Corporation; competition management is responsible for notifying exhibitors of this requirement. See GR1308.2a(5). Exception: Horses shown in any USEF Regular Competition prior to December 31, 1979, and American Saddlebred-type ponies. A copy of the registration papers will be returned when exhibitors pick up their numbers, if requested.

3. Owners, riders, drivers, handlers and trainers of horses competing at Federation licensed competitions in all American Saddlebred sections must be current competing members in good standing with the American Saddlebred Horse Association, Inc. or the American Saddlebred Horse Association of Canada and provide an original or copy of the ASHA or ASHA of Canada membership card unless the competition, at their discretion, confirms membership electronically with the ASHA or the ASHA of Canada office. Lessees are considered owners in connection with this membership requirement. In the event of an entry under multiple ownership, only one owner need be a member. Exception: Owners, riders and trainers of horses competing in American Saddlebred restricted walk/trot classes are exempt from ASHA and ASHA of Canada membership.

If the ASHA competing membership card is not available, the exhibitor, or his or her agent, must sign the ASHA membership affidavit giving his or her name, address, the fact that he or she is in possession of the proper credentials and the reason the information is not available.

SB102 Type and Conformation

1. The American Saddlebred is the epitome of the show horse. He carries himself with an attitude that is elusive of description—some call it “class”, presence, quality, style, or charm. This superior air distinguishes his every movement.

2. The ideal American Saddlebred is well-proportioned and presents a beautiful overall picture. The animal should be in good flesh, with good muscle tone and a smooth, glossy coat. Masculinity in stallions and femininity in mares are important and should be taken into consideration. The average height is 15 to 16 hands and the weight 1,000-1,200 pounds. Any color is acceptable; the most prominent are chestnut, bay, brown and black with some gray, roan, Palomino and Pinto. HEAD—well-shaped with large, wide-set expressive eyes, gracefully shaped ears set close together on top of the head and carried alertly; a straight face line with a relatively fine muzzle and large nostrils and a clean and smooth jaw line. NECK—long, arched and well-flexed at the poll with a fine, clean throat latch. WITHERS - well defined and prominent. SHOULDERS—deep and sloping. BACK—strong and level with well sprung ribs. CROUP—level with a well carried tail coming out high. LEGS—The front leg should set well forward under the shoulder. The line of the hind leg, in a natural stance, should be vertical from the point of the buttock to the back edge of the cannon bone. The forearms and hindquarters are well muscled to the knees and hocks. Legs are straight with broad flat bones, sharply defined tendons and sloping pasterns. HOOVES—good and sound, open at the heel, neither toed in or toed out. TO BE PENALIZED: lack of American Saddlebred type, coarse or plain head, roman nose, round jaws, lop ears, wide ears, small eyes (pig eyes), short neck, straight neck,
ewe neck, thick throatlatch, flat withers, sway-back, roached back, hollow chest, straight shoulders, crooked legs, calved knees, over at the knee, bow legs, rough joints, round bones, straight pasterns, splay feet or pigeon toes, contracted heels, base stance too wide or too narrow, sickle hocks, cow hocks, dished feet, lack of muscle tone, thinness, obesity, rough coat or overall lack of conditioning. These and any other defects attributable to heredity must be penalized. With the natural variations of type within the breed, some horses do not conform to the ideal but are perfectly suitable for various kinds of competition. If they meet all other requirements for a particular event, they should not be penalized too severely, except in stripped classes, Harness classes and In-Hand classes where extremely low backed horses must be severely penalized. Horses with crooked tails must be penalized and horses with extremely crooked tails must be severely penalized.

**SB103 General**

1. The American Saddlebred has clean, rhythmic and fluid action which is straight and true. Winging, interfering, traveling wide behind, mixing of gaits and loss of form are undesirable.

2. All horses must be serviceably sound. In In-Hand classes for sires and dams or prospective sires and dams, transmissible unsoundness only shall be considered. Horses must not show evidence of lameness, broken wind or complete loss of sight in both eyes.

3. Horses may be shown with unset tails in any class without penalty.

4. All horses must be worked both ways of the ring at all required gaits as directed by the judge(s). Workouts will be judged as a separate class and horses must be tied for placings being considered in that workout. Workouts may be called for by the judge(s) for any or all placings. All horses chosen for a workout must be worked both ways of the ring at any or all gaits listed in the class specifications that are requested by the judge(s). An exhibitor choosing to not complete the workout for any reason has the option of lining up and receiving the last ribbon awarded in the workout. An exhibitor is entitled to request only one five minute time out per class including workout. (See GR833).

5. A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, driver, handler, other exhibitors or their entries. (See GR1033.11)

6. A judge must order from the ring any rider, driver, or handler who exhibits inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any exhibitor, their entries or the safety of class officials. (See GR1033.12)

7. To be penalized: Mixed gaits; unbalanced action; pulling; fighting the bit; tossing the head; carrying head to one side or going sideways; leaving hocks behind; strung out; wrong lead or cross-cantering; breaking of gait; winging; interfering; traveling wide behind; loss of form due to excessive speed; bad manners; exaggerated opening of mouth; carrying sour ears.

8. Definition of Maiden/Novice/Limit for riders/drivers. Maiden/Novice/Limit classes are open to riders/drivers who have not won one/three/six first place ribbons respectively, at Regular and Local Competitions of this Federation in any under saddle/driving class of any Breed and/or Discipline. First place ribbons won by a rider in any under saddle class do not affect the status of a driver in any driving class. First place ribbons won by a driver in any driving class do not affect the status of a rider in any under saddle class. Ribbons won in leadline classes and in classes where entries are not required to canter will not affect Maiden, Novice and Limit Status.

9. Attention getting devices &/or other noisemakers (including but not limited to tape measures, blow horns, bamboo poles, explosives, fire extinguishers, baby powder, whips longer than 6’, etc.) are not allowed in and around the make up and competition rings during scheduled competition sessions. All such items will be confiscated and offenders will be reported to the USEF. (See also GR839.4i)

10. Master classes are restricted to amateur rider/drivers age 50 years and older. Classes are to be judged according to amateur class specifications. Master classes are never to be stripped for conformation judging.
SB - SADDLEBRED DIVISION

SB104 Appointments

1. Horses shall be shown without artificial appliances (e.g., wired ears) and nontraditional tack. Anything that alters the intended use of equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance. All artificial appliances other than those permitted are prohibited. Bandages, tail sets, chains or other training devices are prohibited in the competition ring.

2. Inconspicuously applied hair in mane or tail, a tail brace and mouth controls are permitted. Exceptions: See Pleasure sections.

3. In the event a horse has lost the sight in one eye, it must appear to have vision and may be shown with an artificial eye or contact lens. Use of contact lenses or eye prosthesis for any other use than stated is prohibited. For loss of sight in both eyes see SB103.2.

4. Quarter boots and bell boots are permitted in Five-Gaited, Fine Harness and Roadster Classes.

5. In case of inclement weather, the use of polo boots or bandages may be permitted provided competition management publicly announces it before a class. Extremes of temperature of climatic conditions may modify dress requirements at the judge’s discretion.

6. Any artificial change of color or markings (other than mane or tail) is prohibited.

7. Electronic communication devices used for purposes of coaching, etc., between competitors and individuals outside the ring shall be prohibited in all classes in the American Saddlebred Division.
   a. Exhibitors with a permanent hearing impairment are permitted to use an electronic communication device upon submission of a written certification from a treating medical professional’s office certifying the permanent hearing impairment and certifying the requirement of an electronic communication device. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.
   b. An exhibitor with a disability (other than hearing) will be provided reasonable accommodation upon submission of a written certification from a treating medical professional’s office certifying the disability and identifying the accommodation necessary for the exhibitor to compete safely. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.

8. A competitor may carry or use a whip not exceeding 6’ including lash; the lash shall not have been altered in any way. It must be a standard whip of suitable style. Failure to comply will result in disqualification from further competition. (Exception: In-Hand. Refer to SB174.)

9. Whips longer than 6’, including snapper or lash, are not allowed in the warm-up area.

SB105 Stripping

The stripping of horses for conformation judging is mandatory in Under Saddle Championship Classes in all sections at the Kentucky State Fair World’s Championship Horse Show and The UPHA/American Royal National Championship Horse Show (Exception: Park Horse, Pleasure Horse, Three Gaited Junior Exhibitor, and Five Gaited Junior Exhibitor sections and all Kentucky County Fair Championship classes) and in all American Saddlebred Registry signature classes for horses three years old and under (i.e. ASR Futurities, ASR Sweepstakes). Stripping is also mandatory in all Three Gaited and Five Gaited Open Championship classes except one horse classes. The above excepted classes and other classes may not be stripped unless it is so stated in the prize list. In any stripped class, horses may be presented individually for conformation judging. Horses with extremely low backs must be severely penalized in all stripped performance classes. Only two attendants, suitably attired, per animal are permitted in the ring. In classes where manners are paramount (i.e. Ladies, Junior Exhibitors, Amateurs, and Owners), riders must remount and return to the line up before the judges will be allowed to turn in their cards.
SB106 Judging Criteria

The specific type of class being judged determines the importance of each criterion in the final judging outcome. The order in which each is listed in the class specifications determines where the emphasis should be placed. For example: A horse placed first in a class judged on performance, presence, quality, manners and conformation could justifiably be unplaced against the same horses if the class were judged on manners, presence, quality, performance and conformation. The criteria considered are: performance, manners, presence, quality and conformation.

SB107 Line Up

1. In American Saddlebred performance classes when the judge calls for the line up exhibitors must continue in a clockwise direction to bring their entries to the line up. Judge(s) to penalize entries that do not comply.
2. In American Saddlebred performance classes requiring entries to back, the judge(s) must walk the line up (exception: judge(s), at their discretion, may instruct the ringmaster to walk the line up during the back).

SB108 Qualifying Classes and Specifications

1. OPEN, JUNIOR, THREE-YEAR-OLD, TWO-YEAR-OLD, MAIDEN, NOVICE AND LIMIT. The OPEN horse should be the ultimate representative of the breed. It should be as nearly perfect as possible; performing all gaits with animation, brilliance and extreme action at both ends. Performance is paramount in these classes. Classes are judged on performance, presence, quality, manners, and conformation.
2. LADIES, JUNIOR EXHIBITORS, AMATEURS, MASTERS AND OWNERS. Manners are paramount in these classes but there is a difference in the way in which horses are judged in each.
   c. LADIES. A Lady’s horse should be outstanding in refinement and elegance with suitability of horse to rider taken into consideration. Expression is important and quality is a prime consideration. The execution of gaits should be performed with brilliance on command. The horse should walk and stand quietly. Classes are judged on manners, quality, presence, performance, and conformation.
   d. JUNIOR EXHIBITORS. The Junior Exhibitor’s horse should be mannerly, willing, and expressive with balanced action. The execution of gaits should be performed with brilliance on command. The horse should walk and stand quietly. Classes are judged on manners, performance, presence, quality, and conformation.
   e. AMATEURS, MASTERS AND OWNERS. The Amateur’s, Master’s and Owner’s horses can be a bit stronger and perform in a bolder manner. More action and animation are desired and less emphasis can be put on manners than in Ladies or Junior Exhibitor classes. Classes are judged on manners, performance, presence, quality, and conformation.

SB109 Championships

1. Management must designate all qualifying classes for championships in the prize list per GR809.1. Management may state in the prize list that only certain classes qualify for the Championships, i.e., Amateur Classes qualify for Amateur Championships, Ladies Classes qualify for Ladies Championship, etc. Horses to be stripped and judged on conformation in accordance with SB105. In stripped classes, Harness classes and In-Hand classes extremely low backed horses must be severely penalized.
2. Eligibility for all Championships must be uniform with all sections offered within each competition. Exception: competition management may limit the number of entries returning in the championships from the qualifying classes.
3. Nominations to be made on entry blank; or horses need not be nominated until _ hours (time to be determined by competition management) before scheduled time for class. Names and descriptions of entries must be made in writing, signed by the exhibitor or his agent and given to the competition secretary.

SB110 Stakes

A stake class may either be a qualifying class for the championship or the final competition for a particular section. If
run as the final competition for a particular section, competition management must indicate in the prize list if exhibitors are required to “qualify” in order to compete by listing all eligible qualifying classes.

SB111 Division of Classes
1. It is required that under saddle classes of 25 or more entries and harness classes of 16 or more entries be divided into separate sections. It is recommended that under saddle classes of 21 or more entries be divided into separate sections. Classes should be divided by selecting every other number on the list of entries, sex, size of horse, or age of rider. If the class is divided by any other method than those listed above, such method must have been previously stated in the prize list. Both the method used to divide classes and the division of entries must be posted in the horse show office and announced over the PA system, or printed in the program.
2. If Junior Exhibitor classes are not offered, then junior exhibitors may enter Amateur or Ladies classes unless specifically prohibited in the prize list.
3. In a divided class, the prize money must be doubled and separate trophies and ribbons awarded. Notification of intent to divide must be made to exhibitors one hour prior to the start of the session.
4. ASR Kentucky Futurity and Kentucky Amateur Futurity In-Hand classes with 41 or more declared entries shall be divided as equally as possible into two sections. The division of entries must be posted in the competition office and announced over the public address system. No more than 12 entries from the sections shall be selected by the judges to return for a final class to be held at a morning, afternoon or evening performance, at least two days following the preliminary sections. All prize money will be awarded in the final class.
5. ASR National Three-Year-Old Futurity Five Gaited, Three Gaited and Three Gaited Park Pleasure classes with 25 or more declared entries shall be divided as equally as possible into two sections. The division of entries must be posted in the competition office and announced over the public address system. No more than 20 entries from the sections shall be selected by the judges to return for a final class to be held at a morning, afternoon or evening performance, at least two days following the preliminary sections. All prize money will be awarded in the final class.
6. ASR National Three-Year-Old Futurity and ASR Kentucky Futurity Fine Harness classes with 12 or more declared entries shall be divided as equally as possible into two sections. The division of entries must be posted in the competition office and announced over the public address system. No more than 12 entries from the sections shall be selected by the judges to return for a final class to be held at a morning, afternoon or evening performance, at least two days following the preliminary sections. All prize money will be awarded in the final class.

SB112 Scratches
It is the responsibility of each exhibitor to officially scratch entries in any event in which they do not participate. Exhibitors who fail to officially scratch an entry two hours prior to the start of the session from a class that is subsequently divided shall be fined up to $100 per horse per class, payable to the competition.

SUBCHAPTER SB-2 DESCRIPTION OF GAITS

SB113 General
1. The standard of excellence of the American Saddlebred is beauty, symmetry and balance. Balance features coordinated motion, with straight true folding action of the front legs with flexing hocks carried close together, producing a clean, rhythmic and fluid way of going. In addition, the American Saddlebred possesses animation, brilliance and extreme grace of movement.
2. UNDESIRABLE: Winging, interfering, traveling wide behind, mixing of gaits, shackled look and loss of form.

SB114 Walk
Judging at the walk is based on manners, quality and natural action; it is not used as a rest period.
1. FLAT WALK: The flat walk should be an elastic, ground covering and collected four beat gait maintaining proper form and consistency in stride. It should be executed in a brisk manner that is compatible with the type of class. It should display the horse’s good manners, type of stride and attitude. The flat walk is relaxed.

2. ANIMATED WALK: The animated walk is a highly collected gait, exhibiting much “primp” at a slow, regulated speed, with good action and animation. It should have snap and easy control. It can be either a two beat or four beat gait. It is performed with great style, elegance and airiness of motion.

3. WALK (FOR HUNTERS). A four beat gait, straight, true and flat-footed. Regular and unconstrained with good reach.

SB115 Trot

1. The trot is a natural, two beat diagonal gait in which the front foot and the opposite hind foot take off from the ground in unison and land simultaneously. A balanced trot features coordinated motion with straight, true, shoulder motion of front legs, with flexing hocks carried close together. It is executed in a highly collected manner and should display the horse’s athletic ability.

2. PARK TROT: The park trot in Three-Gaited and Fine Harness classes is executed in a highly collected manner, speed to be penalized. The horse’s energy should be directed toward animation rather than speed.

3. PARADE GAIT: The parade gait is a collected trot at a maximum speed of five miles per hour. It displays the horse’s athletic ability and animation.

4. ROADSTER JOG-TROT: The jog-trot is called to display the purity of the horse’s gait. It is executed in a highly collected manner. The horse’s energy should be directed toward animation rather than speed.

5. WESTERN JOG-TROT: The jog is primarily a Western Pleasure gait used for long distance riding. It should generate very little motion in the saddle with a minimum of control from the rider. A free, easy, two beat diagonal gait without a tendency to mix gaits.

6. TROT (FOR HUNTERS): A two beat gait, straight and regular. The trot should be mannerly, cadenced and balanced. It is to be performed at a medium speed with a free-moving, ground-covering stride, with the rider posting.

7. GAITED TROT: The trot of the Five-Gaited horse should show speed in form. The desired speed is the maximum rate at which the horse can trot while still maintaining proper form, control and balance.

8. EXTENDED TROT: The extended trot is faster, stronger and bolder; with a fuller extension of stride to obtain desired speed. It is executed in a highly collected manner.

9. EXTENDED TROT (FOR HUNTERS): A two beat gait that is bold, energetic, balanced and ground covering with definite lengthening of stride. This should result in an increase in speed without a sense of racing or scurrying. The mouth must remain light and the horse must demonstrate complete acceptance of control without resistance at all times.

10. “SHOW YOUR HORSE”: At this command the driver has the privilege of showing the Fine Harness horse to its best advantage at the trot but speed will be penalized.

11. ROAD GAIT: The road gait trot is executed in a highly collected manner. It is faster, stronger and bolder than the jog-trot; with a fuller extension of stride to obtain desired speed.

12. DRIVE ON: When asked to drive on in Roadster classes the horse must show speed in form. The desired speed is the maximum rate at which a horse can trot while still maintaining proper form, control and balance.

SB116 Canter

1. Criteria.

   a. Canter is relatively slow, lofty and fluid with a definite three beat cadence. High action, a good way of going and proper collection are paramount. It is a restrained gallop in which two diagonal legs are paired, the single beat falls between the successive beats of the other two unpaired legs. The unpaired legs act independently—the foreleg with which the horse leads and its diagonal hind. The propulsion is in the hindquarters with the leading foreleg sustaining the concussion of the final third beat. There is a brief interval when all four feet are off the
ground. It is an ambidextrous gait, executed on the lead which is toward the center of the ring to relieve stress and aid in balance (A lead is determined by which foreleg—right or left—sustains the concussion of the final third beat, after its diagonal hind leg started the propulsion of the first beat).

b. It is acceptable, although not encouraged, for the horse to have a bolder, strong canter in those classes where manners are not paramount or where speed at a qualifying gait is desired. Ease of control, rate of speed and collection may vary according to the class specifications.

c. Where manners are paramount, a slow, consistent rate of speed must be maintained with little obvious effort from the rider.

d. CANTER (FOR HUNTERS): A three beat gait, even, smooth, unhurried, correct and straight on both leads.

e. HAND GALLOP: The hand gallop is performed with a long, free, ground-covering stride. The amount of ground covered may vary between and among horses due to difference in natural length of stride. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads. The hand gallop is not a fast collected canter.

2. LOPE: The lope is the western version of the canter. It should be easy riding with good motion that is consistent and steady; neither too slow nor too fast and performed equally well on either lead. It should give the appearance of being a comfortable gait with a definite three beat cadence that avoids trotting behind.

SB117 Slow Gait
1. The slow gait was developed from the pace to be a four beat gait with each of the four feet contacting the ground separately. In the takeoff, the lateral front and hind feet start almost together but the hind foot contacts the ground slightly before its lateral forefoot.

2. The slow gait is a highly collected gait with most of the propulsion coming from the hindquarters, while the forequarters assist in the pull of the final beats. The slow gait is not a medium rack.

3. The slow gait is a restrained four beat gait, executed slowly but with true and distinct precision. Speed is to be penalized. It is high, lofty, brilliant and restrained denoting the style, grace and polish of the horse.

SB118 Rack
1. The rack is a four beat gait in which each foot meets the ground at equal, separate intervals. It is smooth and highly animated, performed with great action and speed, in a slightly unrestrained manner. Desired speed and collection are determined by the maximum rate at which a horse can rack in form. Racking in form should include the horse remaining with a good set head. It should be performed by the horse in an effortless manner from the slow gait, at which point all strides become equally rapid and regular.

2. TO BE PENALIZED: Any tendency to become “trotty”, “pacey” or “hitchy gaited”.

3. In Pleasure classes, there is more emphasis on the way of going as a pleasure gait with only moderate speed required. Where manners are paramount, there is more emphasis on the ease by which it is performed by the rider.

SUBCHAPTER SB-3 PERFORMANCE, FINE HARNESS

SB119 General
The Fine Harness horse should possess all of the elegance and refinement of the ideal American Saddlebred and its energy should be directed toward animation rather than speed. It is shown with a full mane and tail.

SB120 Appointments
Shown to an appropriate vehicle, preferably a small buggy with four wire wheels but without top. Light harness with blinkers, martingale, snaffle bit and overcheck are required.
SB121 Gait Requirements
Horses are to enter ring at park trot. Qualifying gaits are animated walk, park trot, “show your horse”. Exception: “show your horse” is not called for in Ladies, Junior Exhibitor, Amateur, Masters, Owners and Amateur Owners classes.

SB122 Line Up
Entries are to stand quietly but shall not be required to back. They may be unchecked while lined up. An attendant may stand the entry on its feet but must remain at least two paces from the head when that entry is being judged. Only one standard riding crop is permissible for an attendant to carry.

SB123 Ring Attendants
One attendant will be permitted to stand quietly inside the gate during any Ladies, Amateur, Masters, Owners, Amateur Owners or Junior Exhibitor class but must take no action that will affect the performance of any horse.

SB124 Awards
Awards must be made from the line-up; entries must not be asked to retire to the end of the ring.

SB125 Classes Offered and Specifications

Manners and suitability as a pleasure mount are paramount. Transitions from one gait to another should be smooth and effortless. Horses must be obedient with prompt transitions. Special emphasis is placed on a true, flat walk. Entries must be asked both ways of the ring to halt and stand quietly on the rail. Horses must stand quietly and back readily in the line-up. TO BE PENALIZED: Pulling, head tossing, laboring action, going sideways and tail-switching.

SUBCHAPTER SB-10 WESTERN

SB157 General

1. In Western Equipment and Trail classes, a less elevated head carriage should not be penalized. The Western Equipment horse should have more substance, especially in the quarters, be close-coupled and have well-defined withers. As in all American Saddlebred divisions, the best quality specimens of the breed should prevail.

2. Western Country Pleasure horses must be plain shod or unshod. Permissible as plain shod shall be a shoe (inclusive of caulks), which may be thicker at the heel and may include toe clips and side clips. Also permissible is an eggbar shoe. Not permissible as plain shod: bands, bars, pads of any kind, wedges, lead, springs, any attachment that extends below the bottom of the shoe, and any foreign substance not specified as permissible. The sole and entire frog of the foot must be visible. Any animal with prohibited shoeing must be disqualified from further competition at that competition and forfeit all entry fees and winnings.

3. Entries must be shown with full mane and tail. Tails must not be gingered or put in any device (i.e., tailset, bustle or brace) which alters their carriage while on the grounds. The fact that a horse’s tail has once been set does not exclude participation. Braids and artificial manes are prohibited. Inconspicuously applied hair in the tail is permitted.

4. If bridles are to be checked, it is the sole responsibility of the judge(s) to do so. The judge may designate the steward to check bridles at the out gate. Riders must dismount.

5. Notwithstanding SB139, professionals may compete in a Western Country Pleasure Prospect Class. In addition, professionals may compete in one designated Open Western Country Pleasure class provided two additional Western classes restricted to amateurs are offered at the same competition. Any such designated class must be scheduled prior to classes restricted to amateurs.

SB158 Appointments

Entries must be penalized for incomplete appointments but not necessarily disqualified.

1. Western Equipment. Inconspicuously applied rubber bands may be used to keep the forelock in place. Riders
shall wear Western hat, long sleeved shirt and/or jacket with a collar and a necktie, kerchief or bolo tie, bow tie, peddle-tie, rosette-tie, or pin used as a tie; trousers or pants (or one piece equitation suit is acceptable provided it includes a collar and cuffs). Chaps, shotgun chaps or chinks and boots are required. A vest, coat or sweater may be worn. Protective headgear with harness is optional in all classes (refer to GR801), not required to be of Western style. Spurs are optional. Whips are prohibited except for riders riding side saddle.

a. A side saddle rider must wear an apron of closed or button type with belt under loops. It is suggested that an apron with waistband cut the same as chaps and double thickness is used in classes where chaps are required.

b. Entries shall be shown with stock saddle but silver equipment will not count over a good working outfit. A side saddle shall be considered legal equipment. Tapaderos are prohibited. Hobbles and riata are not required.

c. There shall be no discrimination against any standard Western bit. A standard Western bit is defined as having a shank with a maximum length overall of 8 1/2”. The mouthpiece will consist of a metal bar 5/16” to 3/4” in diameter as measured one inch in from the shank. The bars may be inlaid but must be smooth or latex wrapped. Nothing may protrude below the mouthpiece (bar) such as extensions, prongs or rivets designed to intimidate the horse. Rollers attached to the center of the bit are acceptable, and may extend below the bar. Jointed mouthpieces are acceptable and may consist of two or three pieces and may have one or two joints. A three-piece mouthpiece may include a connecting ring of 1 1/4” or less in diameter or a connecting flat bar of 3/8” to 3/4” (measured top to bottom with a maximum length of 2”), which lies flat in the mouth, or a roller or port as described herein. The port must be no higher than 3 1/2” maximum with roller(s) and covers acceptable. Jointed mouthpieces, half-breeds and spade bits are standard. Slip or gag bits, rigid donut mouthpieces and flat polo mouthpieces are prohibited. Roping bits with both reins connected to a single rein at center of cross bar shall not be used. Reins must be attached to each shank. Any rein design or other device which increases the effective length and thereby the leverage of the shank of a standard western bit is prohibited. Anything that alters the intended use of the equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance.

d. Standard snaffle bits are permitted in any class on horses four years old and under that have never been shown in any Western event in a curb bit bridle. A standard snaffle bit is defined as a center jointed single, rounded, unwrapped smooth mouthpiece of 5/16” to 3/4” diameter metal as measured from ring to 1” in from the ring with a gradual decreased to the center of the snaffle. The rings may be from 2” to 4” outside diameter of either the loose type, eggbutt, dee or center mounted without cheeks. If a curb strap is used it must be attached below the reins.

e. Hackamores are permitted in any class on horses four years old and under that have never been shown in any Western event in a curb bit bridle. A hackamore includes a bosal rounded in shape and constructed of braided rawhide or leather and must have a flexible nonmetallic core attached to a suitable headstall. Attached reins may be of hair, rope or leather. No other material of any kind is to be used in conjunction with a bosal, i.e., steel, metal or chains (Exception: smooth plastic electrical tape is acceptable)

f. Curb chains and leather chinstraps may be used but must be flat and at least 1/2” in width and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the leather chinstrap, or curb chains. Rounded, rolled, braided or rawhide curb straps are prohibited. A light lip strap is permissible. Hackamore bits, bosals, cavesson type nosebands, martingales and tiedowns are prohibited. A judge does not have the authority to add or to remove any of the standard equipment as specified above.

g. A snaffle or hackamore horse is not more than four years old and must never have been shown in any western event in a bridle. Rider may use both hands. Both hands must be visible to the Judge. Horses may not switch from a curb bit to a snaffle or hackamore.
SB - SADDLEBRED DIVISION

SB159 Gait Requirements

To be shown at a flat walk, jog-trot, and lope on a reasonably loose rein without undue restraint (ridden with one hand on reins, refer to SB161.1 and SB158).

SB160 Judging

Manners and suitability as a pleasure mount are paramount. Transitions from one gait to another should be smooth and effortless. Horses must be obedient with prompt transitions. Special emphasis is placed on a true, flat walk. Entries must be asked both ways of the ring to halt and stand quietly on the rail. Horses must stand quietly and back readily in the line-up. TO BE PENALIZED: Pulling, head tossing, laboring action, going sideways and tail-switching.

SB161 Classes Offered and Specifications

1. WESTERN COUNTRY PLEASURE. (Open, Amateur, Masters, Maiden, Novice, Limit, Mares, Geldings, Junior Horse, OTR, Ladies, Gentlemen, Junior Exhibitor.) To be shown at a flat walk, jog-trot, lope. To stand quietly and back readily. Only one hand may be used on reins and hands must not be changed except to negotiate an obstacle in a Trail Horse Class. The rider’s hand is to be around reins. When end of split reins fall on side of reining hand, one finger between reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger between reins is allowed. Rider may hold romal or end of spilt reins to keep them from swinging and to adjust the position of the reins provided it is held with at least 16” of rein between the hands. To be judged on manners, performance, quality and conformation.

2. WESTERN COUNTRY PLEASURE WALK /JOG. For riders 12 years of age and under. Horses to be shown and judged in accordance with other Western Country Pleasure classes with the exception that horses will not be asked to halt on the rail or back. Riders must never have been judged in a class at a licensed or non-licensed competition that required a canter or lope. Headers will be permitted in the lineup and will be called in by the announcer after the class has lined up and before they are judged. One attendant without whip will be permitted to head each horse during the lineup.

3. WESTERN COUNTRY PLEASURE PROSPECT. Open only to horses competing during their first or second competition years as Western Country Pleasure horses, according to the records of the American Saddlebred Horse Association. May be shown by a professional, amateur, or junior exhibitor. Hackamores and snaffle bits are permitted. To be shown at a flat walk, jog-trot, and lope. To stand quietly and back readily. Only one hand may be used on reins (two hands are permitted for Hackamores and snaffle bits) and hands must not be changed. The rider’s hand is to be around reins. When end of split reins fall on side of reining hand, one finger between reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger between reins is allowed. Rider may hold romal or end of spilt reins to keep them from swinging and to adjust the position of the reins provided it is held with at least 16” of rein between the hands. To be judged on manners, performance, quality and conformation.

4. WESTERN COUNTRY PLEASURE CHAMPIONSHIP (Open, Amateur, Masters, Junior Exhibitor). To be eligible, horse must have been entered, shown and judged in a designated qualifying class. To be shown at a flat walk, jog-trot and lope on a reasonably loose rein without undue restraint (ridden with one hand on reins, refer to SB161.1 and SB158). To stand quietly and back readily. To be judged on manners, performance, quality and conformation.

5. WESTERN SHOW PLEASURE. Shown at a flat walk, jog-trot and lope and ridden with one hand on the reins. (See SB161.1 and SB158). Judged 75% on manners, performance, presence and quality; 25% on total conformation.

6. SADDLE & BRIDLE’S SHATNER WESTERN PLEASURE CLASS. For permission to offer this class and complete details, contact “Saddle & Bridle Magazine,” 375 North Jackson Avenue, St. Louis, MO 63130. www.saddleandbridle.com.

   a. Saddle & Bridle’s Shatner Western Pleasure. Open to amateur riders of any age. Shown at a flat walk, jog trot
and lope on a reasonably loose rein without undue restraint (ridden with one hand on reins, refer to SB161.1 and SB158). Judged 75% on manners, performance, presence and quality; 25% on total conformation. A minimum of three horses must be entered, shown, and judged in order to be an official Shatner qualifying class for the finals. The Show committee must previously state in the prize list, if they intend to use Saddle & Bridle’s Shatner Western Pleasure Class as a qualifier and this class cannot be the sole qualifying class for the competition’s championship. One Shatner qualifying class first place ribbon eliminates that horse from further competition in qualifying classes that season.

b. Saddle & Bridle’s Shatner Western Pleasure National Championship. The Finals will be divided into amateur and Junior Exhibitor classes. Horses are qualified not the rider. Qualified horses may show in their respective finals with an adult or juvenile rider, but horses may not compete in both finals. The class is open to amateur riders of any age; therefore a junior exhibitor may compete in both finals. In order to compete in the Junior Exhibitor final the horse must have received a ribbon in any Saddle & Bridle Shatner Western Pleasure qualifying class when shown by a junior exhibitor.

7. SADDLE & BRIDLE’S WORKING WESTERN PLEASURE CLASS. For permission to offer this class and complete details, contact “Saddle & Bridle Magazine,” 375 North Jackson Avenue, St. Louis, MO 63130. www.saddleandbridle.com.

a. Saddle & Bridle’s Working Western Pleasure. To be shown at a flat walk, jog trot and lope on a reasonably loose rein without undue restraint. Only one hand may be used on reins and hands must not be changed except to negotiate an obstacle in a Trail Horse Class (two hands are permitted for Hackamores and snaffle bits.) Judged 40% on manners, presence, conformation and quality while working on the rail, 60% on ability to complete the working portion of the class. The working portion of this class shall consist of four or five obstacles (See WS122 and WS126 for obstacles) to be traversed as a course. After three refusals an entry must skip to the next obstacle. At all times entry must exhibit appropriate manners and horsemanship. A minimum of three horses must be entered, shown, and judged in order to be an official Working Shatner qualifying class. The top three ribbon winners in a qualifying class during the qualifying season are eligible to compete at the finals. There is no limit to the number of times an entry may qualify for the finals.

b. Saddle & Bridle’s Working Western Pleasure Finals. The top three ribbon winners in a qualifying class during the qualifying season are eligible to compete at the finals. Horses may be ridden by a different rider at the finals. Individual workouts may be required in the finals to demonstrate versatility and reinsmanship.

8. WESTERN TRAIL. Shown over and through a minimum of five obstacles and at a flat walk, jog-trot and lope on a reasonably loose rein without undue restraint. Only one hand may be used on reins and hands must not be changed except to negotiate an obstacle in a Trial Horse Class (two hands are permitted for Hackamores and snaffle bits.) Judged 75% on manners, performance, presence and quality; 25% on total conformation.

9. WESTERN PAIRS. Shown at a flat walk, jog-trot and lope (ridden with one hand on reins, refer to SB161.1 and SB158). Judged 75% on manners, performance, presence, quality and conformation; 25% on uniformity and neatness of attire.

10. VERSATILITY. Shown with Western Equipment at a flat walk, jog-trot and lope both ways of the ring. Then shown with English Equipment at a flat walk, trot, extended trot and canter both ways of the ring. Change of equipment for both horse and rider to be made in the ring. Each phase of the competition to count 50%. Prize list to specify whether riders must be the same in both phases of the class.

SOME ACCEPTABLE CURB CHAINS

CORRECT METHOD OF MEASURING
OVERALL BIT LENGTH. A VERTICAL LINE
FROM THE UPPER MOST PART OF HEADSTALL
 SLOT TO THE REIN RING.
SB162 General
1. The American Saddlebred Hunter Country Pleasure Horse must give the distinct appearance of being a pleasure to ride and display a pleasurable and relaxed attitude. It should be in a generally longer frame than that of other American Saddlebred Country Pleasure Horses. The neck should be carried lower and the head should be carried in a more relaxed manner with less bend at the poll. High headed horses and horses behind the vertical must be penalized. As in all American Saddlebred divisions, the best quality specimens of the breed should prevail.
2. Hunter Country Pleasure horses must be plain shod or unshod. Permissible as plain shod shall be a shoe (inclusive of caulks), which may be thicker at the heel and may include toe clips and side clips. Also permissible is an eggbar shoe. Not permissible as plain shod: bands, bars, pads of any kind, wedges, lead, springs, any attachment that extends below the bottom of the shoe, and any foreign substance not specified as permissible. The sole and entire frog of the foot must be visible. Any animal with prohibited shoeing must be disqualified from further competition at that competition and forfeit all entry fees and winnings.
3. Horses may show with a braided mane and tail. Horses may not be penalized for showing with a full, unbraided mane and tail. Tails must not be gingered or put in any device (i.e., tailset, bustle or brace) which alters their carriage while on the grounds. The fact that a horse’s tail has once been set does not exclude participation. Artificial manes are prohibited. Inconspicuously applied hair in the tail is permitted.
4. Professionals may compete in the American Saddlebred division in Hunter Country Pleasure Prospect or Hunter Country Pleasure classes designated as open, provided two additional Hunter classes restricted to amateurs are offered at the same competition.

SB163 Appointments
Entries must be penalized for incomplete appointments but not necessarily disqualified.
1. Hunter pleasure horses shall be shown with hunter-style equipment, including a forward or balance seat saddle.
   Exception: an appropriate style side saddle is permitted. A snaffle bridle, pelham with two reins, kimberwicke bits or a full bridle (curb and snaffle). If a full bridle is used, it must be of hunter style with curb shanks not exceeding five inches (5”). Curb shanks exceeding five inches (5”) will be penalized. Breast plates are permissible, but martingales are prohibited.
2. Attire shall be traditional hunter-style jacket, breeches or hunter jodhpurs, dark hunting cap, derby or protective headgear and appropriate boots. Tall dress or tall field boots are preferred as traditional. Paddock or jodhpur boots with matching half chaps are permitted, although not considered as traditional. A stock, choker or four in hand with any color shirt is correct. Shadbellies are prohibited. Exception: a side saddle rider may wear a skirt, divided skirt, or apron.
3. In all classes, gloves, hunter crop or bat, spurs and appointments are optional. Junior riders shall wear headgear with protective harness attached when mounted.

SB164 Gait Requirements
To be shown at a walk, trot, extended trot, canter and hand gallop both ways of the ring. For safety reasons the judge may limit the number of horses to hand gallop at one time. Entries must be asked both ways of the ring to halt and stand quietly on the rail.

SB165 Judging
Manners and suitability as a pleasure mount are paramount. Transitions from one gait to another should be smooth and effortless. Horses must be obedient with prompt transitions. Special emphasis is placed on a true, flat walk. Entries must be asked both ways of the ring to halt and stand quietly on the rail. Horses must stand quietly (Hunter horses are not to be stretched) and back readily in the line-up. TO BE PENALIZED: Pulling, head tossing, laboring action,

going sideways, tail-switching and excessive speed at the hand gallop. For Hunter Country Pleasure Horses, competitors enter the ring in a counterclockwise direction at the trot. Light contact with the horse’s mouth must be maintained at all gaits. Judges must consider the performance at each gait equally in adjudicating the class. Horses may show with a braided mane and tail. Horses may not be penalized for showing with a full, unbraided mane and tail.
