GR1 - DEFINITIONS

of the Federation's rule change process, subject to review and approval by the Board of Directors. Rule Change Categories: Standard, Clarification, Extraordinary, and FEI.

1. Standard Rule Changes. Individual Federation members, Federation Staff, Federation Committees, and Recognized Affiliate Associations (Recognized Associations and International Discipline Associations) may propose standard rule changes.
 - a. Standard rule changes must be submitted to the Federation in writing on the USEF official form within the following deadlines in order to be considered within the current rule change year.
 1. Individual Federation members June 1
 2. Federation Senior Staff June 1
 3. Federation Committees September 1
 4. Affiliated Entities (Bylaw 221) September 1
 5. Recognized Affiliate Associations (Bylaw 222) September 1
 - b. The proponent's name must be clearly listed on the official rule change form. When the proponent is other than an individual, such submissions shall be accompanied by minutes or certification signed by the Committee Chair or Recognized Affiliate Association's President that document the review and action taken at a meeting.
 - c. The Legislative Committee may reject a proposal for:
 1. failure to comply with the requirements of the official form;
 2. lateness;
 3. incompleteness;
 4. inexact or confusing language;
 5. a proposal that was disapproved the prior year;
 6. attempts to amend a rule or rules in effect for less than a year;
 7. proposing to change a rule that is solely within the Federation's purview
 8. any other specified reason in the Committee's discretion.
 - d. In the event the Legislative Committee rejects a proposal, the proponent must be notified in writing. Proponents of a rejected proposal may revise and resubmit a proposal.  - e. The Legislative Committee will designate review of the proposed rule change by any and all standing Federation Committees and each assigned entity deemed appropriate.
2. Rule Clarifications:
 - a. Contradictory language, missing or incorrect phrasing, and other wording or punctuation errors that cause inconsistent interpretations of the intent of a rule, may be clarified via a Federation Official Rule Clarification form. This form will be submitted to the Rule Change Coordinator, who will obtain comments from relevant Federation Departments and Committees.
 - b. The General Counsel, with the approval of the Legislative Committee, may approve clarifications and post them on the USEF website and include them in the next available Federation Rule Book. The General Counsel may immediately correct misspelled words, minor punctuation errors, missing or incorrect references and other similar clarifications deemed minor.
3. Extraordinary Rule Changes.
 - a. An Extraordinary rule change is defined as: (i) one that, unless expedited, would create or continue a severe hardship or a gross unfairness to the Federation, its members or their horses, its Licensed Competitions, or its Recognized Affiliate Associations; or (ii) one that is certified by a Recognized Affiliate Association Board or Executive Committee by a formal vote that without passage would disadvantage the membership of the Recognized Affiliate Association. The rule change proposal form MUST contain a statement describing clearly how the proposed change meets the above criteria. The Rule Change Coordinator must then get certification that the

proposed extraordinary rule change in fact, does meet the necessary criteria to bypass the normal rule change process. Such certification will come from the Legislative Committee in conjunction with the General Counsel, or at least two USEF Officers.

- b. Once the proposal is certified, and with a required minimum five business days notice, the Board of Directors at any meeting may entertain and take immediate action on such an Extraordinary Rule Change. However, the five-day notice requirement may be waived upon the affirmative vote of a majority of the Board present with the reasons for the waiver stated in their meeting minutes.
 - c. Extraordinary Rule Changes shall be effective as specified by the Board and if not specified, shall be effective immediately upon passage.

2. For the 2009 competition year, any competition that did not hold a license for the 2006 competition year, but received a license for the 2007 and/or 2008 competition year, will have priority over new competitions requesting dates. However, competitions with licenses for the 2006 competition year will have priority over any of the above mentioned competitions.

GR304 Competition Sale and Issuance of a New License

1. A Federation Competition License is the Federation document giving a Licensee permission to conduct a Federation event on a given date, at a given venue, and at a given rating and/or level.
2. Competition Sale. A Licensee does not own the Competition License. A Federation Competition License is a governance tool and not a commodity. As such, a sale of a competition should be contingent on Federation approval and issuance of a new license.
3. Issuance of a New Competition License. The granting of a new license to a Purchaser Licensee will not be unreasonably denied, subject to certain conditions or criteria including date, venue, rating, and/or level of the competition and completion of applicable forms and submission of a fee. The Purchaser Licensee will retain the applicable Priority Date Holder protections of the Seller Licensee. The Issuance of a new Competition License is subject to the following terms and conditions:
 - a. The issuance of a new Competition License due to a competition sale is subject to the approval of the Federation, following consultation with the applicable Recognized Affiliate;
 - b. The final decision to approve or deny the issuance of a new Competition License is at the sole discretion of the Federation;
 - c. In considering the approval or disapproval of the issuance of a new Competition License, the Federation shall consider the best interest of the sport including consideration of the growth and development of the sport. The Federation may consider concentration of dates in the control of a single Licensee or group of related Licensees when determining the appropriateness of the issuance of a new competition license;
 - d. The Purchaser Licensee must have demonstrated an ability to comply with rules, requirements, and standards that are in effect or established for the Competition Rating and/or Level at the time the issuance of a new Competition License;
 - e. Both the Seller and the Purchaser of the competition must disclose all proposed terms of the competition sale and must apply and obtain Federation approval before the issuance of a new license can be completed. All information will be considered confidential. Prior to any such approval or denial by the Federation, the Recognized National or FEI Affiliate, if any, may be consulted in regard to the request for issuance of a new license. The Federation may share, on a confidential basis, with the Recognized National or FEI Affiliate all of the terms or conditions of the issuance of a new Competition License, and all special conditions or other considerations.

Such approval or denial by the Federation shall not subject the Federation to any liability or obligate it to any third party. Both Seller and Purchaser of the competition must agree to indemnify and hold harmless both the Federation and the Recognized National or FEI Affiliate from any liability or legal expense arising from approval or denial of the agreement. Failure to completely disclose terms and conditions of a competition sale may result in termination of the License by the Federation and any sanctions, penalties, or other remedies available to the Federation.

4. The Seller Licensee shall remain financially responsible until the following conditions are met:
 - a. Payment of the applicable fees;
 - b. The Federation issues written approval of the issuance of a new competition license; and

GR305 Cancellation of Competitions

1. A Licensee may cancel an existing Licensed competition by notifying the Federation of the cancellation and returning the License to the Federation not less than 300 calendar days prior to next competition date under the License.
 - a. When a Cancellation is received more than 90 calendar days but less than 300 calendar days prior to the first day of the competition date under the License, 75% of competition dues will be refunded, subject to a minimum processing fee.
 - b. If written notice of a cancellation is received less than 90 calendar days prior to the first day of the competition, the Licensee will forfeit the application fee and will also be assessed a penalty fee equal to that of the minimum competition dues, unless the cancellation is due to an Act of God under GR305.4.
2. If a licensed competition is cancelled for two consecutive years for a reason other than an act of God, or due to extenuating circumstances approved by the CEO or his Designee, the applicable license will not be eligible for renewal.
3. Cancellation of 50% or more of Open Dressage classes as listed in the prize list by any Recognized competition for two consecutive years for any reason other than Acts of God shall constitute relinquishment of comparable dates and loss of priority date status.
4. Competitions declaring cancellation due to an Act of God must provide written documentation, such as newspaper articles or photographs of the extenuating circumstances. Absent severe and unusual circumstances, such as hurricane winds, floods, tornadoes, or blizzards, weather conditions shall not be considered Acts of God. The CEO or his designee shall decide whether a cancellation is due to an Act of God. Any Licensee that cancels three or more competitions in a competition year shall not have priority for comparable dates for the cancelled competitions for the following competition year. However, this provision shall not be applicable to a competition cancelled due to an Act of God, loss of a facility, or due to extenuating circumstances, based upon a review by the CEO or his designee.

GR306 Inactive Competitions

1. Any Licensed Competition held the previous year that notifies the Federation at least 120 days prior to its competition date that it will not hold a competition that year, may retain Inactive status for a fee in addition to the application and/or competition fees. In such cases, the renewal license application will be subject to the current fees.
2. An Inactive Competition will be listed as "Inactive" on the Federation website and other Federation competition lists, and will retain its date priority for the following year, provided it meets the applicable date and competition requirements of the Federation.
3. If an Inactive Competition cancels the following year, that cancellation will constitute a second cancellation in a row per GR305, and the applicable license will be revoked and not eligible for renewal. This provision shall not be applicable to a competition cancelled due to an Act of God or due to extenuating circumstances approved by the CEO or his designee.

GR312 Determining Ratings

1. A division or section rating or classification is determined from the number of classes, amount of cash premiums offered in these classes and the holding of required classes in certain divisions. A competition may not offer the minimum requirements for a rating higher than the rating approved by the Federation. See Ratings Charts.
2. A competition may qualify for several different ratings. Some competitions will earn an "A" or "B" rating in all divisions and sections; others may earn a combination of ratings. If more than the minimum number of classes is offered, prize money should be increased proportionately.
3. The Paso Fino Division is rated "C" regardless of the number of classes or amount of prize money offered. A competition may apply for an "A" rating if offering a minimum of \$2,000 and prior year competition had more than 250 horses. The PFHA National show shall be an "A" rated Federation Licensed Competition as per PF152.1i. Exception: the Paso Fino Division may be offered at Local Competitions.

5. The Connemara and Half-bred Connemara is "C" rated, regardless of the number of classes or amount of prize money offered. Exception: the Connemara and Half-bred Connemara Division may be offered at local competitions.
6. The following are rated "C" regardless of the number of classes or amount of prize money offered: Small Hunter, Hunter Breeding, Ladies Side Saddle Hunter, Adult Amateur Hunter, Children's Hunter, USHJA Hunter 2'0", 2'3", 2'6", 2'9", 3'0" and Thoroughbred Hunter.

2. The following classes do not count toward the minimum number of classes nor toward the minimum prize money required for any division or section rating; these following classes do not count toward HOTA awards unless included in the specific division award rules:
 - a. Breeding;

SUBCHAPTER 3-C COMPETITION MILEAGE

GR314 Mileage

1. Determining Applicable Mileage.
 - a. Mileage is applied Division by Division as defined in the Federation rule book.
 - b. To determine a mile radius, the distance shall be measured using mapping software to measure the distance between the locations where the competitions are being conducted. (i.e. address of the facility where each of the

- competitions will be held or the longitude and latitude if an exact address does not exist), except between Long Island and the mainland. Application of this process will not adversely affect the license rights of competitions already licensed.
- c. In any instance where the shortest road mileage distance between the competition facility locations is greater than one and one half (1 1/2) times the radial mileage between the competition facility locations, the required mileage distances between competitions shall be based upon the road mileage distance rather than radial mileage.
 - d. Mileage between competitions within Zones or Regions utilizing different mileage will be subjected to the higher of the mileage requirements.
 - e. Long Island, N.Y. The distances between competitions held on Long Island, NY, and competitions held on the mainland shall be determined by measuring a straight line distance from the point at which Interstate Highway 278 (across the Triborough Bridge) intersects the shore of Long Island, to the location where the Long Island competition is being conducted. (i.e. address of the facility where each of the competitions will be held or the longitude and latitude if an exact address does not exist) and by measuring the mile radius from the bridge to the location where the other competition is being conducted. (i.e. address of the facility where each of the competitions will be held or the longitude and latitude if an exact address does not exist) Application of this process will not adversely affect the license rights of competitions already licensed.
 - f. If the mileage between competitions is less than the applicable distance specified by this rule, conflicting dates may be approved by USEF in accordance with GR308, and providing all other requirements for recognition are met.
 - g. New competitions offering Level 4, 5 or 6 (A or AA) rated hunter or jumper divisions or sections will not be licensed on dates conflicting with those of any other Licensed Competition within the applicable distance specified by this rule which offers Level 4, 5 or 6 (A or AA) rated hunter or jumper divisions or sections, regardless of class scheduling. In the case of a multi-breed or multi-discipline competition, a question of conflict shall be determined with reference only to those dates, inclusive, during which hunter or jumper divisions or sections are to be held. The mileage restrictions will not prevent two Hunter/Jumper competitions from being approved if the two competitions have different competition managements and the competition with priority gives written permission, to be renewed annually, and the mileage distance between competitions is at least 10 miles. (paragraph g.is eliminated effective 12/1/17)
 - h. The foregoing distance rules do not apply to events comprised exclusively of classes recognized by the FEI and the USOC. The National Championships for Dressage, and Dressage Competitions offering Federation High Performance qualifying or selection trials, or observation classes and National classes held in conjunction with a CDI are exempted from the mileage rule. When a CDI is approved on one or more days where another competition has date priority, national classes can only be held on the day of the FEI Jog and on days where at least one CDI class is held or is not held due to no entries. When CDI classes are not held on all approved CDI dates (except due to no entries) the competition might not be granted approval for those dates in subsequent years. Certain competitions held in conjunction with events also holding FEI competitions and/or selection trials for international competitions, at the discretion of the Board of Directors, may be exempted from the mileage rule.
 - i. Existing competition is a licensed competition that may or may not be within the mileage indicated of the new license applicant.
 - j. Proposals to change mileage rule or rules may be submitted for consideration by the Federation Board of Directors. Any such mileage rule change will have an effective date of December 1 of the following calendar year. In no event will changes to mileage become effective in less than 12 months from the date of the rule change approval. Proposals for mileage rule changes submitted by Affiliates may only be considered after they have been

GR3 - COMPETITION LICENSING

considered at the annual meeting of the appropriate recognized National Affiliate.

2. Mileage Boundaries. Mileage consideration may be applicable to more than one mileage provision.

GR315 Mileage Exemption

1. Federation Objective. One objective of the Federation is to provide a competition environment that is in the best interest of the sport of Equestrian and to provide for viable competitions to meet the needs of the sport at all levels within a geographic area. The Federation utilizes mileage as a method of managing the calendar and to assist in achieving an adequate base of competitors, thus enabling a competition to better meet the rules, requirements, and standards for a given rating or level. The licensing authority, licensing decisions, and calendar management rest solely with the Federation.
2. Mileage Exemption. When a competition license application is denied by the Federation due to a mileage conflict, the Applicant may seek a mileage exemption to allow the applying competition to occur. The Federation will send a Mileage Exemption Request Form along with the notification of denial to the Applicant.
3. The Federation may consider different circumstances in determining whether a mileage exemption is warranted. These include, but are not limited to, the following:
 - a. Competition Standards: Priority Date Holder’s adherence to competition standards.
 1. Whether the Applicant competition may alleviate concerns about the safety and welfare of horses, competitors, and/or spectators for a given rating and/or level at a Priority Date Holder’s competition;
 2. Whether the Applicant competition may enable a Priority Date Holder to better achieve the competition standards for a given rating and/or level;
 3. Whether the Applicant competition may alleviate overcrowding of horses and/or competitors in a given geographic area at a given venue.
 - b. Competition and Calendar Factors:
 1. Whether the Applicant competition provides access to competitors that may need a choice based on a Priority Date Holder’s costs to competitors or offered ratings and/or levels;
 2. Whether the Applicant competition serves a need that the Priority Date Holder does not serve as to the schedule of classes, sections, and divisions, which may be too limited;
 3. Whether the Applicant competition should be given an opportunity to enter the marketplace where a Priority Date Holder seemingly dominates the calendar in a given geographical area, which may create unilateral competition effects;
 4. Whether the Applicant competition alleviates the negative impact on competitors that may occur when the

number of consecutive competitions of the same rating and/or level in a given geographic area at a given venue creates unilateral competition effects.

c. Sport Growth and Visibility:

1. Whether the Applicant competition may create growth and visibility of the sport in one of the following ways, which is not exclusive:
2. The Applicant competition is warranted due to community support and/or involvement;
3. The Applicant competition may broaden access to competitors at all levels of the sport;
4. The Applicant competition is unique and provides exceptional promotional benefits to the sport.

In addition, the Federation will consider the following factors in determining whether a mileage exemption should be granted:

1. Geographic location and time of year with regard to concentration and migration of competitors;
2. Experience and expertise of competition management;
3. Competitions outside of boundary mileage of Priority Date Holder and Applicant Competition, which may affect density and competitive level of competitors;
4. Density and competitive level of competitors in a given geographic area at a given time of year.

4. Mileage Exemption Procedure

- a. An Applicant must first contact the Priority Date Holder(s) and seek cooperation in running the proposed event.
 1. If the Priority Date Holder(s) agree to the exemption request, then the terms and conditions of any agreement must be fully disclosed to the Federation in writing along with submission of the Mileage Exemption Response. Submission of these materials indicates that the parties agree that the Federation is not responsible for the enforcement or performance of the terms and conditions of the agreement between the competition organizer and those parties expressly waive any claim against the Federation for failure to perform.
 2. If the Priority Date Holder(s) does not agree to the exemption request, then the Applicant shall submit the Mileage Exemption Request Form to the Federation in accordance with these rules.
- b. Beginning with competitions conducted in the 2017 competition year, the Applicant shall submit the Mileage Exemption Request Form, fully completed, to the Federation no earlier than 360 calendar days and no later than 240 calendar days before the start date of the proposed competition. The fully completed Mileage Exemption Request Form must be accompanied with the non-refundable application fee of \$500.00. A mileage exemption request will not be accepted unless the Mileage Exemption Request Form is fully completed and the application fee is paid in full. Within 21 days of acceptance of a properly submitted request and application fee, the Federation will notify the Applicant that their request is being processed.
- c. Within 21 days of acceptance of a properly submitted request and application fee, the Federation will notify the Priority Date Holder(s) and provide the submitted Mileage Exemption Request Form. An Applicant is not permitted to advertise or promote the proposed competition until the competition has received final approval. Non-compliance with this requirement will disqualify the applicant and will result in disapproval of the application.
- d. The Priority Date Holder(s) has 21 calendar days from the date of the Notification letter and the Mileage Exemption Request Form to submit to the Federation a fully completed Mileage Exemption Response Form. The Priority Date Holder(s) must provide written comments justifying the denial of the mileage exemption request given the considerations in paragraph 3 above.
- e. Within 15 calendar days of receipt of a completed Mileage Exemption Response Form and the terms and conditions of an agreement, if such agreement was reached between the affected parties, the request will be reviewed by the Federation Internal Review Panel, which shall determine whether it is in the best interest of the sport to either deny or grant the approval and under what terms and conditions such approval shall be given. The Federation Internal Review Panel consists of the Federation Chief Executive Officer or his designee; the

GR3 - COMPETITION LICENSING

Director of Competitions; and a staff member from the relevant breed or discipline chosen by the Sport Director.

- f. Within 15 calendar days of receipt of a completed Mileage Exemption Response Form from Priority Date Holder(s) objecting to the request, or the expiration of the 21 day response period if no completed Mileage Exemption Response Form is submitted, the Federation will notify the applicable Recognized Breed/Discipline Affiliate and provide all documentation received in the process from any party. The applicable Recognized Breed/Discipline Affiliate has 30 calendar days from notification from the Federation to submit to the Federation Competitions Department, a recommendation to approve or disapprove the exemption request accompanied by a detailed explanation based on the considerations enumerated in paragraph 3 above.
 - g. Within 15 calendar days of receipt of written comments from the Recognized Affiliate, a Federation Internal Review Panel shall convene to review the recommendation of the Affiliate in light of all materials submitted and the considerations enumerated in paragraph 3 above. If this Panel agrees with the Recognized Affiliate's recommendation, then a decision letter will be issued to the affected parties accordingly. If this Panel disagrees with the Recognized Affiliate recommendation, or identifies further consideration that should be given, the Federation President has 30 days to appoint a Mileage Exemption Panel to review the request. If for any reason the President is unable to appoint this Panel, the Vice-President, if available, or the Secretary/Treasurer, if the Vice-President is unable, shall appoint the Panel.
 - h. The Federation Mileage Exemption Panel consists of the Federation Chief Executive Officer or his designee; a Senior Active Member with competition management experience; and a Senior Active Member who participated in the determination of the Affiliate. Together this Panel shall consider all materials received from all parties related to the request, the recommendation of the Recognized Affiliate, the comments of the Internal Review Panel, and the considerations in paragraph 3 above. Upon completion of its review, the Federation Mileage Exemption Panel shall determine whether it is in the best interest of the sport to either deny or grant the approval and under what terms and conditions such approval shall be given.
 - i. The identity of the Federation Mileage Exemption Panel members must be provided to the Applicant and Priority Date Holder(s). These parties have 5 days to submit a written objection to any Panel member. Objections must specifically articulate the basis of the objection and how the appointee cannot render a fair and unbiased decision. Objections will be evaluated and a determination will be made whether a replacement is warranted. Failure to timely object is deemed acceptance of the appointed panelists. At no time may the Applicant or the Priority Date Holder(s) contact any Panel member, directly or indirectly, concerning the request. Contacting a Panel member in any way may result in the imposition of penalties and/or an adverse decision of the request.
 - j. The Federation, through the Federation Internal Review and Federation Mileage Exemption Panels, shall have final decision-making authority on all exemption requests and will not delegate this responsibility. The Panel's decision will be provided to the Applicant, Priority Date Holder(s), and the Recognized Affiliate. The Panel's decision is provisional until such time that any dispute process under these rules has been exhausted. An Applicant shall not advertise or promote the proposed competition unless and until the competition has received final approval. Non-compliance with this requirement may result in withdrawal of the application.
5. Modifications or amendments to an approved exemption are not permitted unless approved by the Federation in writing. A modification to an approved Request for Mileage Exemption must be approved in writing by the Federation after review by the original Mileage Exemption Panel. If the original Mileage Exemption Panel is unable to convene, modification requests shall be reviewed by the Federation Internal Review Panel along with a representative appointed by the relevant breed/discipline affiliate. Modifications to an approved Request for Mileage Exemption must be received by the Federation at least 120 days prior to the start of competition. Competitions that would be impacted by the requested modification shall have the opportunity to submit written comments to the Federation prior to a determination. Comments must be received from the competitions impacted within 10 calendar days of receiving notification of the requested modification. The Federation decision will be rendered within 30 days from the date the modification

request is received in the Federation office.

6. Mileage Exemptions are granted for one year only. Approval in one year does not guarantee future approval of a mileage exemption request.

7. All Licensed Competitions operating under an approved mileage exemption shall have the applicable mileage protection against new competitions. This does not preclude the Federation from granting additional mileage exemption requests for new competitions to be held within any mileage boundary.

SUBCHAPTER 3-D COMPETITION LICENSE DISPUTES

GR 316 License Application Disputes and Resolution

1. Any competition license applicant may dispute the denial of a license application or renewal. In addition, a Mileage Exemption Request applicant and Priority Date Holder(s) may dispute a mileage exemption request decision. The initiation of a license dispute must be made in writing and received by the Federation within 10 calendar days of the date on the Federation notice of the approval or denial and must be accompanied by a fee of \$1,000.00. If the appealing party prevails, \$500.00 of the fee shall be refunded.

2. License disputes will be decided by the Federation Hearing Committee in accordance with the Federation rules and procedures. The Hearing Committee shall only determine if the mileage exemption process was conducted in accordance with the rules. The Hearing Committee shall provide the parties with the opportunity to be heard pursuant to written submissions and shall issue a written decision within 30 calendar days following receipt of the initiation of dispute and response(s) from affected parties. If the Hearing Committee finds a procedural defect, the exemption request will go back through the process beginning at the point where the defect occurred.

3. The Hearing Committee's decision is final and not appealable.

CHAPTER 4 DRUGS AND MEDICATIONS**GR401-408. Equine Drugs and Medications Provisions Applicable to All Breeds and/or Disciplines****GR401 Determining the Equine Drugs and Medications Designation for Each Breed or Discipline**

1. The Board of Directors shall designate every Breed, Discipline, and/or Group competing under Federation Rules as either a Prohibited Substance Group or a Therapeutic Substance Group, as outlined herein below.
2. At each Annual Meeting, each Division Committee shall determine by a majority vote and shall indicate to the Chief Administrator of the Equine Drugs and Medications Program its preference for its Breed or Discipline to be designated as (or to be part of) either a Prohibited Substance Group or a Therapeutic Substance Group. In any instance where more than one Division Committee is responsible for a Breed and/or Discipline Group, after each committee has determined its preference by a majority vote, unanimity between and/or among the Division Committees of the Group shall be required to invoke a recommendation to be designated a Prohibited Substance Group. Absent such concurrence, the joint recommendation of the Division Committees of the Group shall be construed as a recommendation in favor of designation as a Therapeutic Substance Group.
3. Each Division Committee shall have responsibility to recommend for its division.
4. At its meeting at the Federation's Annual Meeting, the Equine Drugs and Medications Committee shall take into consideration these recommendations and the written recommendations of the respective Affiliate Associations in this regard, and it shall enact the designation for each Breed, Discipline, and/or Group. The effective dates of these designations shall coincide with the effective dates of the newly published Rule Book.
5. These designations shall be reviewed by each Division Committee at the subsequent Rule Change Convention.
6. Every horse and/or pony competing at Federation competitions and/or events shall be subject to either the Prohibited Substance Provisions (GR409) or the Therapeutic Substance Provisions (GR410-412), depending upon its Breed's, Discipline's, and/or Group's designation, and it shall be required to compete in compliance therewith, whether competing in unrated or rated classes and/or divisions.
7. Any horse and/or pony that competes in more than one Breed, Discipline, and/or Group at a competition, one of which is a Prohibited Substance Group, shall be required to be in compliance with the Prohibited Substance Provisions at all times while competing in any and/or all classes and/or divisions at that competition.

GR402 Testing

1. Horses and/or ponies competing at a Licensed Competition are subject to examination by a licensed veterinarian who must be appointed by the Administrator of the Equine Drugs and Medications Program. Said appointed veterinarian, with the approval of the Administrator, may appoint a technician to perform certain duties under this Rule. The examination may include physical, urine, blood tests and/or any other test or procedure at the discretion of said veterinarian necessary to effectuate the purposes of this rule. Said veterinarian may examine any or all horses and/or ponies in a class or all classes in a competition or any horses and/or ponies entered in any class, whether in competition or not, if on the competition grounds, or any horse and/or pony withdrawn by any exhibitor within 24 hours prior to a class for which it has been entered.
2. Whether a horse and/or pony is in competition or not, refusal to submit the horse and/or pony for examination or to cooperate with the veterinarian or his agents constitutes a violation and subjects the responsible person to penalties under GR406.
3. Trainers who are not able to accompany Federation drug testing personnel and the horse and/or pony to the location where sample collection is to take place, to act as witness to the collection and sealing of blood and urine

samples, and to sign the drug collection documents in the appropriate places as witness, must appoint an agent to do so. The absence of such a witness shall constitute a waiver of any objection to the identification of the horse and/or pony tested and the manner of collection and sealing of the samples.

4. Upon the collection of a sufficient number of tubes of blood from the horse or pony, the tubes shall be divided into two groups. One group shall be labeled and identified as Blood Sample A and the other as Blood Sample B, and they shall be sealed accordingly. Upon the collection of a sufficient volume of urine from the horse or pony, a portion of the sample shall be poured into a second urine sample container. One container shall be labeled and identified as Urine Sample A and the other as Urine Sample B, and they shall be sealed accordingly. These procedures shall be performed whether or not the trainer or his/her appointed witness is present as provided for in Section 3 above.
5. In the event reasonable attempts at sample collections from the horse or pony do not provide a sufficient number of tubes of blood or a sufficient volume of urine to be divided, labeled, and identified as Samples A and B, as determined by the testing veterinarian and/or technician, the sample(s) obtained (if obtained) shall be labeled and identified as Sample(s) A only, and it shall be recorded in the records of the Equine Drugs and Medications Program that the corresponding Sample(s) B does (do) not exist, in which event the obtained Sample(s) shall be subject to testing.
6. A blood sample may be retested under these Rules at any time exclusively at the direction of the Federation. The retesting of a sample may lead to a violation only if the sample was retested within three (3) years from the sample collection date. In order to constitute a violation under these rules, the substance detected in the retested sample must (i) have been forbidden at the time of sample collection; and (ii) not a therapeutic substance, which for purposes of this rule includes only the Controlled Medications on the FEI Prohibited Substances List (available at <http://www.fei.org/fei/cleansport>) in effect on the sample collection date.
7. In the event that the retested sample proves positive, and the retest was conducted more than one (1) year since the date of collection, no prizes or awards will be required to be returned.

GR403 Cooperation

1. Cooperation with the veterinarian and/or his agent(s) includes:
 - a. Taking the horse and/or pony and the veterinarian and/or his agent(s) immediately to the location selected by said veterinarian and/or agent(s) for testing the horse and/or pony and presenting it for testing.
 - b. Assisting the veterinarian and/or his agent(s) in procuring the sample promptly, including but not limited to removing equipment from the horse and/or pony, leaving it quietly in the stall and avoiding any distractions to it. Schooling, lengthy cooling out, bandaging and other delays of this type shall be construed as noncooperation.
 - c. Polite attitude and actions toward the veterinarian and/or his agent(s).

GR404 Accountability of Trainers and Other Persons Responsible

1. Trainers and other Persons Responsible, in the absence of substantial evidence to the contrary, are responsible and accountable under the penalty provisions of these rules. The trainer and other Persons Responsible are not relieved from such responsibility as a result of the lack or insufficiency of stable security.
2. The Persons Responsible may include the individual who rides, vaults, or drives the horse and/or pony during a competition; the Owner; and/or Support Personnel.
3. Support Personnel is defined to include but is not limited to grooms, handlers, longeurs, and veterinarians may be regarded as additional Persons Responsible if they are present at the competition or have made a relevant decision about the horse and/or pony.
4. A trainer is defined as any adult or adults who has or shares the responsibility for the care, training, custody, condition, or performance of a horse and/or pony. Said person must sign the entry blank of any Licensed Competition

GR4 - DRUGS AND MEDICATIONS

whether said person be a trainer, owner, rider, agent and/or coach. Where a minor exhibitor has no trainer, then a parent, guardian or agent or representative thereof must sign the entry blank and assume responsibility as trainer. The name of the trainer must be designated as such on the entry blank. It is the responsibility of trainers as well as competition management to see that entry blanks contain all of the required information. The responsibilities of a trainer include, but are not limited to the following:

- a. for the condition of a horse or pony at a Licensed Competition (whether or not they have signed an entry blank),
 - b. to guard each horse and/or pony at, and sufficiently prior to, a Licensed Competition such as to prevent the administration by anyone of, or its exposure to, any forbidden substance, and
 - c. to know all of the provisions of this Chapter 4 (including any advisories or interpretations published in equestrian) and all other rules and regulations of the Federation and the penalty provisions of said rules. For purposes of this rule, substantial evidence means affirmative evidence of such a clear and definite nature as to establish that said trainer, or any employee or agent of the trainer, was, in fact, not responsible or accountable for the condition of the horse and/or pony. If any trainer is prevented from performing his or her duties, including responsibility for the condition of the horses and/or ponies in his or her care, by illness or other cause, or is absent from any Licensed Competition where horses and/or ponies under his or her care are entered and stabled, he or she must immediately notify the competition secretary and, at the same time, a substitute must be appointed by the trainer and such substitute must place his or her name on the entry blank forthwith. Such substitution does not relieve the regular trainer of his/her responsibility and accountability under this rule; however, the substitute trainer is equally responsible and accountable for the condition of such horses and/or ponies.
5. The trainer and owner acknowledge that the trainer represents the owner regarding horses and/or ponies being trained or managed, entries, scratches for any reason and any act performed on any horse and/or pony under the care and custody of the trainer.
 6. In the case of a horse and/or pony competing under the Therapeutic Substance Provisions, any trainer and/or Persons Responsible subject to these rules who actually administers, attempts to administer, instructs, aids, conspires with another to administer or employs anyone who administers or attempts to administer a forbidden substance to a horse and/or pony which might affect the performance of said horse and/or pony at a competition licensed by the Federation without complying with GR411, is subject to the penalties provided in GR406.
 7. Any trainer and/or Persons Responsible subject to these rules who administers, attempts to administer, instructs, aids, conspires with another to administer or employs anyone who administers or attempts to administer any substance to a horse and/or pony by injection or by any other route of administration, whether the substance is forbidden or permitted, in the competition ring of a competition licensed by the Federation during a scheduled class, is subject to the penalties provided in GR406.

GR405 Equine Drugs and Medications Testing in Connection with an Appeal Measurement

1. Each animal submitted for an appeal measurement is subject to the Drugs and Medications Chapter at the time of said measurement and/or concurrent examinations, and said animal must be in compliance therewith.
2. Each animal submitted for an appeal measurement must have drug testing samples collected at the time of said measurement and/or concurrent examinations. No sample is a drug testing sample unless it is collected by and/or under the direct supervision of Federation drug testing personnel, who must be appointed by the Administrator of the Equine Drugs and Medications Program to collect samples from the animal in question in connection with said measurement.
3. Each animal submitted for an appeal measurement must have both a urine sample and a blood sample collected at the time of said measurement and/or concurrent examinations. Both the urine sample and the blood sample must be of sufficient volume for drug testing purposes, as determined by the Administrator of the Equine Drugs and Medications Program. Said sample collections shall be conducted in accordance with procedures which are the sole

prerogative of the Federation drug testing personnel. As deemed necessary by the Federation testing veterinarian, the animal shall be administered furosemide to cause it to produce a urine sample in a timely manner.

4. Every blood sample and/or urine sample collected in connection with an appeal measurement and all portions thereof are the sole property of the Federation. Said samples and all portions thereof must remain in the sole custody of the Federation drug testing personnel at all times during said measurement and/or concurrent examinations, and subsequently they must be submitted to the Federation's laboratory for testing in accordance with the instructions of the Administrator of the Equine Drugs and Medications Program.
5. The entire cost of sample collections and testing conducted in connection with an appeal measurement, including the fees and expenses of Federation drug testing personnel, shipping costs for equipment and samples, laboratory charges, etc., as determined by the Administrator of the Equine Drugs and Medications Program, must be paid in full by the appellant within 30 days of the submission of an invoice, regardless of the outcome of said measurement, and regardless of the laboratory results. A deposit in cash or certified check equal to the costs of sampling and testing, as estimated by the Administrator of the Equine Drugs and Medications Program, may be required prior to the measurement.
6. No appeal measurement is valid absent written affirmation of the CEO or his designee confirming the receipt of negative drug testing results from the Federation's laboratory, indicating that both the urine and blood sample collected from the animal in question in connection with said measurement and/or concurrent examinations were found to contain no forbidden substance, said results having been issued to the Administrator of the Equine Drugs and Medications Program. Any instance involving a finding of forbidden substance shall additionally result in the issuance of a charge of violation of Chapter 4 for adjudication by the Hearing Committee in accordance with the provisions of Chapters 6 and 7.

GR406 Results, Confirmatory Analysis, and Retest

1. Blood and urine samples labeled and identified as Samples A shall be subjected to chemical analysis by the Federation Drug Testing Laboratory or by a laboratory with which the Federation has contracted for its services. Blood and urine samples labeled and identified as Samples B shall be stored securely, unopened, at the Federation Drug Testing Laboratory, to be used in the event of a confirmatory analysis, or in the event of a future analysis.
2. In the event the chemical analysis of Blood or Urine Sample A is negative, i.e., no forbidden substance or any metabolite or analogue thereof is found to be present in the sample, the corresponding Blood or Urine Sample B may be frozen and maintained, at the Federation Equine Drug Testing and Research Laboratory, for possible future chemical analysis.
3. In the event the chemical analysis of Blood or Urine Sample A is positive, i.e., a forbidden substance or any metabolite or analogue thereof is found to be present in the sample, this shall be prima facie evidence that the forbidden substance was administered in some manner to said horse or pony, whether intentionally or unintentionally, or otherwise was caused to be present in the tissues, body fluids or excreta of the horse or pony at the competition, whether intentionally or unintentionally, such that the trainer(s) deemed responsible and accountable for its condition is (are) liable under the provisions of GR404.
4. In the event the chemical analysis of Blood or Urine Sample A is positive, the Federation shall notify the Trainer, Persons Responsible (if applicable), and the Owner of the Horse of their right to promptly request the analysis of the B sample, or, failing such request, that the B sample analysis is deemed waived. The Trainer, Persons Responsible (if applicable), and the Owner of the Horse are deemed to have waived their right to a B Sample analysis if they do not submit the Confirmatory Analysis Request Form within the 15 business days. Within seven (7) days of receipt of the duly executed Confirmatory Analysis Request Form (B Sample), the Federation shall coordinate such analysis. The Trainer, Persons Responsible (if applicable), and Owner of the Horse may accept the A Sample

GR4 - DRUGS AND MEDICATIONS

analytical results by waiving the right to a B sample analysis.

5. The confirmatory analysis of the corresponding Blood or Urine Sample B shall be performed by a drug testing laboratory that is approved by the Federation and agreed upon by the person charged who requests the confirmatory analysis, which laboratory must have demonstrated proficiency in performing the necessary confirmatory analysis, provided the corresponding Blood or Urine Sample B exists and is of sufficient volume to permit a confirmatory analysis. In the event the drug testing laboratory that analyzed Sample A is the only laboratory that has demonstrated proficiency in performing the necessary confirmatory analysis, this laboratory shall be the only laboratory to perform the confirmatory analysis of the corresponding Sample B. Upon the completion of the confirmatory analysis, the laboratory performing the confirmatory analysis shall forward its findings and supporting data to all parties.
6. In the event no agreement is reached as to a laboratory as required in section 5 above, and the person charged who requests the confirmatory analysis does not revoke his/her request, the confirmatory analysis of the corresponding Blood or Urine Sample B shall be performed by the Federation Drug Testing Laboratory, or by a laboratory with which the Federation has contracted for its services, and shall forward its findings and supporting data to all parties. Both the results of the analysis of Sample A (and supporting data) and the results of the confirmatory analysis of the corresponding Sample B, if any (and supporting data, if any), shall be admissible as evidence in any hearing or proceeding pertaining to this matter.
7. In the event the corresponding Blood or Urine Sample B does not exist, or is of insufficient volume to permit a confirmatory analysis, and there exists a remaining aliquot of Blood or Urine Sample A which is of sufficient volume to permit a retest, as determined by the Federation, a person charged who requests the retest of Blood or Urine Sample A must make the request in writing to the Federation and it must be received within 7 days of the determination that the corresponding Blood or Urine Sample B does not exist or is of insufficient volume to permit a confirmatory analysis.
8. Any requested re-test of the remaining aliquot of Blood or Urine Sample A, provided it is of sufficient volume to permit a retest, shall be performed by the Federation Drug Testing Laboratory, or by a laboratory with which The Federation has contracted for its services.
9. The retest of the remaining aliquot of Blood or Urine Sample A may be witnessed by a Witnessing Analyst appointed by the person charged who requests such analysis at the same time as the retest is requested. The Witnessing Analyst must be a qualified analytical chemist employed by an equine drug testing laboratory. If no Witnessing Analyst is appointed by the person requesting the retest, or if the Witnessing Analyst is unavailable within a reasonable time, the requested retest of the remaining aliquot of Blood or Urine Sample A shall proceed without the Witnessing Analyst.
10. In the event the Witnessing Analyst appointed by the person requesting the retest of the remaining aliquot of Blood or Urine Sample A is satisfied that the positive result is correct, the Federation must be informed immediately by fax with confirmation by letter.
11. In the event the Witnessing Analyst is not satisfied that the result of the retest of the remaining aliquot of Blood or Urine Sample A is correct, the Federation must be informed immediately by fax followed by a written report setting forth the basis for the Witnessing Analyst's opinion. Copies of the original and subsequent results and supporting analytical data must be submitted to the Federation Hearing Committee as part of the hearing record in the case, for resolution by it of any and all issues regarding the original analysis of Blood or Urine Sample A and the retest of the remaining aliquot of Blood or Urine Sample A.
12. By requesting the confirmatory analysis of the corresponding Blood or Urine Sample B, or the retest of the remaining aliquot of Blood or Urine Sample A, or by requesting that the retest be witnessed by a Witnessing Analyst, the person charged who makes such request(s) agrees to and must pay any and all fees, costs and expenses relating to the confirmatory analysis or the retest, whether it is performed by a mutually agreed upon laboratory, by the Federation Drug Testing Laboratory, or by a laboratory with which The Federation has contracted for its services, upon

the presentation an invoice by the Federation, and any and all fees, costs, and expenses relating to the Witnessing Analyst.

13. After chemical analysis of the B sample, if the laboratory's confirmatory analysis:
 - a. Does not substantially confirm the Federation Equine Drug Testing and Research Laboratory's findings, then any allegations that the substance in question was present at the time that the samples were collected shall be dismissed; or
 - b. Substantially confirms the Federation Equine Drug Testing and Research Laboratory's findings, the finding shall be considered conclusive.
14. In the case of a horse and/or pony competing under the Therapeutic Substance Provisions, if the chemical analysis of the sample taken from such horse and/or pony indicates the presence of a forbidden substance or any metabolite or analogue thereof and all the requirements of GR411 have been fully complied with, the information contained in said Equine Drugs and Medications Report Form and any other relevant evidence will be considered by the Federation in determining whether a rule violation was committed by any person(s) responsible or accountable for the condition of the horse and/or pony under the provisions of this rule.
15. When a positive report is received from the chemist identifying a forbidden substance, or any metabolite or analogue thereof, a hearing will be held in accordance with Chapter 6, except as may otherwise be provided by GR412. No trainer, responsible or accountable for the condition of said horse and/or pony, will be suspended, or a horse and/or pony barred from competition, until after an administrative penalty has been assessed or after the conclusion of a hearing and a written ruling thereon has been made.
16. The owner or owners of a horse and/or pony found to contain a forbidden substance or any metabolite or analogue thereof may be required to forfeit all prize money, sweepstakes, added money and any trophies, ribbons and "points" won at said competition by said horse and/or pony and the same will be redistributed accordingly. The owner must pay a fee of \$300 to said competition. Points accumulated toward Horse of the Year Awards prior to said competition may be nullified and redistributed at the discretion of the Hearing Committee. If, prior to or at a hearing, the Federation as the charging party, determines that one or more persons, not previously charged as a trainer should also be charged as a trainer, then, upon application by the Federation, the Hearing Committee may, in its discretion, continue or adjourn the hearing, in whole or in part, to permit a new or amended charge to be issued (unless the person(s) to be charged waive notice).
17. A trainer of a horse and/or pony found to contain such forbidden substance or any metabolite or analogue thereof is subject to whatever penalty is assessed by the Hearing Committee, except for administrative penalties issued by the Chairman of the Equine Drugs and Medications Committee and accepted, as provided by GR412. Said trainer may be fined and may be suspended from all participation in Licensed Competitions for a period of one year for the first offense, and for a longer period for a second or later offense, said suspension to be served at any time at the discretion of the Hearing Committee.
 The horse and/or pony may be suspended for any period of time specified by the Hearing Committee. In determining an appropriate penalty under these rules, the Hearing Committee may take into account such factors and circumstances as it may deem relevant, including but not limited to
 - a. the pharmacology of the forbidden substance,
 - b. the credibility and good faith of the person charged or of other witnesses,
 - c. penalties determined in similar cases, and
 - d. past violations of any Federation rules (or the lack thereof).
 - e. reliance upon the professional ability or advice of a veterinarian who is a licensed graduate of an accredited veterinary school and who is in good standing in the state in which he/she primarily practices.
18. If the Hearing Committee determines that any violation or attempted violation of this Rule was willful and/or intentional, there shall not be any limit to the period of a suspension, and the Hearing Committee may impose other and

GR4 - DRUGS AND MEDICATIONS

significantly greater penalties than it would have in the absence of such a determination.

19. A blood sample may be retested under these Rules at any time exclusively at the direction of the Federation. The retesting of a sample may lead to a violation only if the sample was retested within three (3) years from the sample collection date. In order to constitute a violation under these rules, the substance detected in the retested sample must (i) have been forbidden at the time of sample collection; and (ii) not a therapeutic substance, which for purposes of this rule includes only the Controlled Medications on the FEI Prohibited Substances List (available at <http://www.fei.org/fei/cleansport>) in effect on the sample collection date.
20. In the event that the retested sample proves positive, and the retest was conducted more than one (1) year since the date of collection, no prizes or awards will be required to be returned.

GR407 Management Procedures

1. To provide funds for research, inspection and enforcement of rules regarding use of medications and drugs, each Licensed Competition, except where prohibited by law, must assess the exhibitors a fee of \$8 for each horse and/or pony entered in the competition, except the fee shall be \$25 for each horse entered in an FEI sanctioned competition. Participants in the following classes are exempted from payment:
 - a. leadline
 - b. exhibitions
 - c. games and races,
 - d. classes for 4-H members,
 - e. Academy classes (Academy classes are classes limited to horses used regularly in a lesson program)
 - f. Opportunity classes
 - g. Classes at Regular or Local Competitions restricted to breeds or disciplines whose rules are not included in the USEF rulebook.
 - h. However, these classes are not exempt from the Drugs and Medications Chapter itself. Within 10 days after a competition, competition management must forward to the Federation a sum representing the above fee times the number of horses and/or ponies entered in the nonexempt classes of the competition plus the number of horses and/or ponies scratched where the fee is not refunded, such sum to be held by the Federation in a separate fund for use to accomplish the purpose set forth above. *BOD 11/7/16 Effective 12/1/16*
2. It is a violation for a Licensee to assess and/or collect a drug enforcement fee in excess of or in addition to that specified and required by GR407.1 of these rules, unless said assessment is approved in writing by the Federation in advance, and then only under the terms and conditions set forth.
3. It is a violation for a Licensee to withhold from the Federation any or all of the drug fees collected in accordance with GR407.1, for any purpose, including to defray the expenses incurred providing stalls, passes, and other items to the Federation drug testing personnel, as required by GR407.4 and .5.
4. Each Licensed Competition shall, at its own cost and expense, set aside and make available to The Federation testing personnel upon request suitable facilities conveniently located for the veterinarian appointed by the Federation and his or her technicians to collect equine blood and urine samples. Suitable facilities means one or more stalls if available, as requested, that are well lit, clean, dry, freshly bedded, and having a door or gate that can be secured.
5. Each Licensed Competition, upon request, must furnish the veterinarian appointed by The Federation and/or the Administrator of the Equine Drugs and Medications Program by mail forthwith, with the requested number of official passes and parking passes for the veterinarians and technicians to have immediate and free access to all areas at said Licensed Competition.
6. Competition management must cooperate with and exhibit polite attitude and actions toward the veterinarian and/or

his agents.

GR408 Interpretations of the Federation Equine Drugs and Medications Chapter and its Application to Particular Substances

Any questions regarding the interpretation of this Chapter, including the application of this Chapter to particular substances, should be directed to the office of the Federation Equine Drugs and Medications Program, 956 King Avenue, Columbus, Ohio 43212-2655. (800) 633-2472, (614) 299-7707, FAX (614) 299-7706. Trainers and/or owners who seek advice concerning the interpretation and application of this rule should not rely solely upon interpretations or advice by private or competition veterinarians, competition officials, competition personnel, or other persons, but should also obtain verification of any such interpretations or advice from the Federation Equine Drugs and Medications Program office. GR411 Conditions For Therapeutic Administrations of Forbidden Substances

1. A horse and/or pony exhibiting at a Licensed Competition pursuant to the Therapeutic Substance Provisions that receives any medication which contains a forbidden substance is not eligible for competition unless all of the following requirements have been met and the facts are furnished in writing on a timely-submitted official Equine Drugs and Medications Report Form:
 - a. The medication must be therapeutic and necessary for the diagnosis or treatment of an existing illness or injury. Administration of a forbidden substance for non-therapeutic or optional purposes (such as, by way of example only, shipping, clipping, training, turning out, routine floating or cleaning of teeth, non-diagnostic nerve blocking, uncasting, mane pulling or non-emergency shoeing) is not considered to be therapeutic. Any trainer who is uncertain about whether a particular purpose is considered to be therapeutic would be well advised to consult the Federation Equine Drugs and Medications Program office.
 - b. The horse and/or pony must be withdrawn from competition for a period of not less than 24 hours after the medication is administered.
 - c. The medication must be administered by a licensed veterinarian, or, if a veterinarian is unavailable, only by the trainer pursuant to the advice and direction of a veterinarian.
 - d. Identification of medication—the amount, strength and mode of administration.
 - e. Date and time of administration.
 - f. Identification of horse and/or pony, its name, age, sex, color and entry number.

Equine Drugs and Medications Report Form filed with the Steward/Technical Delegate or Designated Competition Office Representative within one hour after administration or one hour after the Steward/Technical Delegate or Designated Competition Office Representative returns to duty if administration is at a time other than during competition hours.
 - j. The Steward, Technical Delegate, or Designated Competition Office Representative must sign and record the time of receipt on the Equine Drugs and Medications Report Form.
 - k. At selection trials for World Championships, and/or Olympic and/or Pan American Games, the requirement of subsection (b) above, that the horse or pony must be withdrawn from competition for a period of not less than 24 hours after the medication is administered will not apply, provided that:
 1. the competition is conducted pursuant to the written selection procedures as approved by the Federation Board of Directors;
 2. the written selection procedures specifically allow for therapeutic administrations of medications by a USEF-appointed veterinary panel within 24 hours preceding competition, and the written selection procedures are in no case less stringent in this regard than the FEI Veterinary Regulations (Articles 1006.7 and 1006.8) and guidelines pursuant thereto;
 3. all requirements of the written selection procedures regarding therapeutic administrations of medications have been met;
 4. all requirements of this Rule have been met except subsection GR411.1(b); and all persons competing in the competition are eligible and competing for selection.
2. Where all the requirements of GR411 have been fully complied with, the information contained in said Equine Drugs and Medications Report Form and any other relevant evidence will be considered by the Federation in determining whether a rule violation was committed by any person(s) responsible or accountable for the condition of the horse and/or pony under the provisions of this rule.

NOTE: The official Equine Drugs and Medications Report Form is available from the officiating Steward/Technical Delegate and/or Competition Secretary. All required information must be included when filing a report. Failure to satisfy and follow all the requirements of this Rule and to supply all of the information required by such Equine

GR4 - DRUGS AND MEDICATIONS

Drugs and Medications Report Form is a violation of the rules. The Steward/Technical Delegate must report any known violations of this Rule to the Federation for such further action as may be deemed appropriate.

3. Flunixin, in addition to one other substance listed in GR410 (a) through (g), may be found in the same plasma and/or urine sample of a horse under the following conditions and for the treatment of colic or an ophthalmic emergency only: (i) must comply with GR411.1; (ii) the flunixin must have been administered by a veterinarian; (iii) the required medication report form must be signed by the administering veterinarian; and (iv) the horse must be withdrawn from competition for 24 hours following the administration.

GR412 Administrative Penalties

1. The provisions for administrative penalties shall apply to any potential or alleged violation of the Equine Drugs and Medications Rule. The Federation shall hold in abeyance the issuance of charges of rule violation pending further determination by the Chairman of the Equine Drugs and Medications Committee, who shall take into consideration all pertinent information available, including the seriousness of the alleged violation(s), precedents in similar Federation drug cases, and any prior rule violation(s) by the individual(s). At all times while consideration is given as to a determination by the Chairman of the Equine Drugs and Medications Committee, the identity of the horse, rider, trainer, coach, and owner must not be known or disclosed to him.
2. The Chairman of the Equine Drugs and Medications Committee shall, upon consultation with staff, and within 60 days of receipt of laboratory results, make a determination in his or her discretion whether to recommend the issuance of charges by the Federation, whether to recommend a plea agreement, whether to impose administrative penalties, or whether to take no further action in the matter, and shall communicate that decision in writing to the Federation's CEO or his designee.
3. In the event the Chairman of the Equine Drugs and Medications Committee determines to impose administrative penalties in accordance with GR412.2, in lieu of a recommendation to issue charges, he or she shall be authorized to impose any or all of the penalties enumerated in Chapter 7, GR703, setting forth the terms and conditions for compliance. The trainer(s) and owner(s) shall after receiving written notice of the right to a hearing, after their written waiver of same, and written acceptance of an administrative penalty, be subject to any and all administrative penalties imposed by the Chairman of the Equine Drugs and Medications Committee.
4. The Federation shall give written notification to trainer(s) and owner(s) of administrative penalties determined pursuant to GR412.3 above, the terms and conditions of which shall not be subject to negotiation. An administrative penalty must be approved by the Hearing Committee Co-Chairs before it is offered to the Respondent(s). Once accepted by all parties and by the Hearing Committee, an administrative penalty shall have the same force and effect as would a finding of rule violation by the Hearing Committee following a hearing pursuant to Chapters 6 and 7, and will be published on the Federation's web site.
5. Any trainer(s), or owner(s), or both, who have received notice of an administrative penalty under GR412.4 and who have not accepted same in writing shall receive a hearing before the Hearing Committee, in accordance with Chapters 6 and 7. Administrative penalties accepted in accordance with this Rule shall be effective immediately, shall be final, and shall not be subject to further review under any circumstance(s).
6. In the event an administrative penalty is not accepted in writing, the Federation shall issue a written charge or charges pursuant to Chapter 6, and the Hearing Committee shall conduct a hearing pursuant to Chapters 6 and 7 upon said charge(s). In the event of a finding of a violation, the Hearing Committee shall not be limited in choice of penalties to those that might have been imposed in accordance with GR412.2 and .3, nor in any such instance shall the Hearing Committee be limited in any other way in exercising all of its prerogatives as set forth in the Bylaws and Rules.
7. A blood sample may be retested under these Rules at any time exclusively at the direction of the Federation. The retesting of a sample may lead to a violation only if the sample was retested within three (3) years from the sample

collection date. In order to constitute a violation under these rules, the substance detected in the retested sample must (i) have been forbidden at the time of sample collection; and (ii) not a therapeutic substance, which for purposes of this rule includes only the Controlled Medications on the FEI Prohibited Substances List (available at <http://www.fei.org/fei/cleansport>) in effect on the sample collection date.

8. In the event that the retested sample proves positive, and the retest was conducted more than one (1) year since the date of collection, no prizes or awards will be required to be returned.

GR413 Human Drug Testing

1. In accordance with the rules of the FEI and of the World Anti-Doping Agency (WADA), any Federation member shall comply with in-competition, no advance notice (NAN), and other out-of-competition drug testing conducted by the FEI, WADA, US Anti-Doping Agency (USADA) or by a WADA-authorized organization or USADA-authorized organization at any time without advanced notice. Failure to cooperate with such in-competition, NAN or other out-of-competition drug testing shall be a violation of Federation rules.
2. In conjunction with the above-described NAN or other out-of-competition drug testing, the Federation is required to submit the names, current addresses, telephone numbers, training times and training and competition locations for individuals and teams as requested by the FEI, WADA, or USADA to enable FEI, WADA, or USADA to conduct NAN or other out-of-competition drug testing. Notwithstanding the foregoing, compliance with anti-doping regulations rests with the individual subject to testing.
3. A finding of violation of human drug rules by USADA or WADA shall be deemed a violation of Federation rules, and the reciprocity provisions of GR615.2 shall be applied.

GR 414 Prohibited Practices

1. No injectable substances may be administered to any horse or pony within 12 hours prior to competing, with the following three exceptions subject to paragraph 2 below:
 - a. Therapeutic fluids, which amount must consist of a minimum of 1L of polyionic fluids per 100lb of body weight; and which must be used in accordance with the manufacturer's recommendations and guidelines. The fluids must not be supplemented with concentrated electrolytes, such as magnesium.
 - b. Antibiotics. Procaine penicillin G is prohibited under this exception.
 - c. Dexamethasone. This is permitted only for the treatment of acute urticaria –(hives). The dose must not exceed 0.5 mg per 100 lb (5.0 mg for 1000 lb horse) if administered more than 6 hours and less than 12 hours prior to entering the competition ring, and must not exceed 1.0 mg per 100 lb (10.0 mg for 1000lb horse) within any 24 hour period.
2. The above exceptions are permitted only when (i) the substance is administered by a licensed veterinarian and no less than 6 hours prior to competing; and (ii) the "Trainer" as defined under General Rule 404 properly files, or causes to be properly filed, an Equine Drugs and Medications Report Form with the Steward/Technical Delegate or competition office representative within one hour after the administration of the substance or one hour after the Steward/Technical Delegate or competition office representative returns to duty if the administration occurs at a time outside competition hours. The Steward/Technical Delegate or competition office representative shall sign and record the time of receipt on the Equine Drugs and Medications Report Form.
3. No horse may be injected with any substance, forbidden or permitted, into an intra-synovial space (joint, tendon sheath, or bursa) within the 4 days preceding competition. No horse less than two years of age may be treated with intrasynovial injections within the 30 days preceding competition.
4. Shockwave Therapy may only be administered by or on the order of a licensed veterinarian. If sedation is required for Shockwave Therapy, only sedation performed by a licensed veterinarian and administered at the same time as the Shockwave Therapy will be considered therapeutic and GR411 will apply. No sedation associated with

GR4 - DRUGS AND MEDICATIONS

Shockwave Therapy will be considered therapeutic if administered within 24 hours prior to competition. No horse may be treated with Shockwave Therapy within the 3 days preceding competition with the following exception:

- a. Shockwave Therapy may be administered by a licensed veterinarian within the 3 day prohibited period, but no closer than 12 hours prior to competing, and is limited to application to the back and dorsal pelvis areas. No Shockwave Therapy is permitted within the 12 hours prior to competing. This exception is permitted only when the "Trainer" as defined under GR404 properly files, or causes to be properly filed, an Equine Drugs and Medications Report Form with the Steward/Technical Delegate or competition office representative within one hour after the administration of Shockwave Therapy or one hour after the Steward/Technical Delegate or competition office representative returns to duty if the administration occurs at a time outside competition hours. The Steward/Technical Delegate or competition office representative shall sign and record the time of receipt on the Equine Drugs and Medications Report Form.
5. No kinesiotape or self-adhesive patches may be used on any horse while mounted at any time during competition. Kinesiotape and self-adhesive patches are permitted exclusively while the horse is unmounted in the stabling area. Nasal strips are permitted unless prohibited by specific division rules.

GR501 Other Measurement Rules

The rules in Chapter 5 do not apply to measurement of entries in Hunter, Jumper and Welsh Pony Divisions: refer to rules HU171-183. For all other measurements, see GR502-517. For Combined Driving, see DC930 Appendix A. For Dressage, see DR135.

GR502 General

1. Management shall not permit an animal to be shown in a performance class at a Federation Member competition in any division or section that requires a measurement card unless; a) the owner is in possession of a measurement card issued by the Federation or Equestrian Canada bearing the date of 1982 or later; or b) he possesses a copy of a valid measurement form; or c) or management confirms measurement electronically with the Federation Office; or d) For Shetlands the owner is in possession of a measurement card issued by ASPC. At Regular Competitions, management may not give out an exhibitor's number for an animal showing in a division or section that requires a measurement card before the above requirements have been complied with. (See GR1302.2b)
2. A Show Committee may require the measurement of all animals in any division in which height is a qualifying factor.
3. Animals in competition in any division or section that requires a measurement card are subject to measurement by a licensed veterinarian and Registered steward appointed by Federation. The Federation CEO or his designee may require the measurement of any animal competing at a Federation Licensed Competition in any division in which height is a qualifying factor.
4. Measurements must take place at a Licensed Competition in which the animal is entered to compete. The Federation Approved Measuring Stick must be used. The animal must be measured by an officiating steward and any one of the following officials officiating in the competition: a veterinarian, a judge or another steward. Heel and toe measurements, where applicable, must be done by an officiating steward.
5. The officials appointed to measure animals at a competition are responsible for their true measurement and must check the measurement devices for accuracy. The names of the measuring officials will be printed on the measurement card and they and other measuring officials will be subject to penalty under the provisions of Chapters 6 and 7 if it is determined that a measurement is incorrect.
6. Measurements are solely for the internal use of the Federation, its Licensed Competitions and its licensed officials in connection with competing for prizes, and do not constitute any representation or warranty regarding measurement information; accordingly, the Federation, its Licensed Competitions and its licensed officials make no representation and shall have no liability whatsoever for measurement errors.
7. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the animal's breed registration papers or a signed statement from a veterinarian certifying the animal's age.
8. Prior to presenting the pony for measurement it is the responsibility of the owner, and in his interest, to ensure that the pony is handled properly, accustomed to the application of a measuring stick, and correctly prepared for measurement.

GR503 Required Measurements and Re-measurements

1. An animal must be measured each competition year until it reaches the age of six. Animals five years and under will be issued a card designating the year measured. Animals six years and older will be issued a measurement card which does not have to be renewed. Those animals which are measured (and for which a valid measurement form is received by the Federation office) in the month of December immediately preceding the calendar year in which they turn six years of age will be issued a measurement card that does not have to be renewed. With the exception

GR5 - MEASUREMENT OF ENTRIES

- of animals under six years old, once an animal is issued a measurement card, a new card will not be issued unless the measurement is questioned or protested, an appeal is made or after an official measurement is performed.
2. All animals that have been assigned a card prior to March 1, 1982 must be re-measured. If the owner, either member or non-member, is in possession of a measurement card issued prior to the aforementioned date, there will be no fee for re-measurement.
 3. In the event an animal has been officially measured after December 1, 1982 and the owner does not have the measurement card or valid measurement form in his immediate possession, the animal must be re-measured for the purposes of competing in that particular competition only. Measurement forms are sent to the Federation office, but not given to the owner. If an owner fails to present a valid measurement card at a competition, the owner must have the animal re-measured at said competition. If an owner fails to present measurement card at more than one (1) competition he will be fined for each subsequent re-measurement necessary.
 4. If the shoeing status of an animal changes from that which is indicated on its measurement card (due to an injury causing corrective shoeing or the sale of animal, etc.) a new card reflecting the new shoeing status may be issued provided the animal is re-measured in accordance with GR504 and the original measurement card is surrendered to the Federation office.
 5. All Hackney Roadster and Roadster Ponies must be re-measured and issued new measurement cards prior to competing in licensed competitions for the year 2004 and beyond.
 6. Exception: GR503 does not apply to the Dressage Division. For Dressage and Dressage Sport Horse Breeding, see DR135.

SUBCHAPTER 5-B PROCEDURES

GR504 Membership Requirements

Before any animal is measured the person presenting the animal must have in his possession the owner's membership number, a signed statement signifying that membership has been applied for, or proof of Equestrian Canada membership.

GR505 Completing the Measurement Form

1. The measurement form must be filled out completely in duplicate and the number of the stick must be on the form. Measurement cards will not be issued if the form is not completely filled out and legible. Exhibitors are cautioned to make sure their measurement forms are filled out accurately and completely.
2. The form must include:
 - a. The name and date of the competition, the height of the animal, height of heel (except for **Arabian**, Dressage and Dressage Sport Horse Breeding), name, color and markings, sex, year foaled which must be verified at time of measurement and designate whether the animal is shod or unshod. (American Saddlebred measurements must be entered on left measurement box of form) *BOD 1/16/16 Effective 12/1/16*
 - b. The name and address of owner and Federation membership number must be given.
 - c. The form must be signed by the person furnishing the above information immediately before the animal is measured and then signed by the competition officials appointed to measure.
 - d. The person providing the information that appears on the measurement form must be 18 years or older and is responsible for the accuracy of such information and care should be taken that all is in order before signing. When this individual signs the form he/she is certifying that all information is complete and correct. If a measurement form is signed by a person under the age of 18 and submitted to the Federation office, the measurement will be invalid.
 - e. No changes can be made to such information once the form is signed. Any alterations, scratch outs, or rewrites to any part of the height, height of fore heels, or thickness of shoe/pad must be clearly indicated and initialed by

the measuring officials. Care should be taken that all information is in order before signing.

3. The white copy of the measurement form is given to the owner or trainer, the blue copy is returned to the Federation office and the pink copy should be retained by the steward.
4. The owner will retain the white copy which, when properly signed by the two measuring officials, is valid for 45 days from the time the animal is measured, regardless of age. Exception: Hackney, Roadster, and American Saddlebred ponies: the white copy which owners retain will remain valid for the remainder of the current competition year.

SUBCHAPTER 5-C MEASURING

GR506 Measurement Devices

Only the Federation Approved Measuring Stick may be used. The Federation Approved Measuring Stick is a straight, stiff, unbendable stick that is equipped with a plumb bob or spirit level to make sure that the stick is perpendicular to the ground and that the crosspiece or arm is parallel with the ground surface, and must be shod with metal. All Federation approved measuring sticks will be numbered, carry the Federation logo and the legend Federation Approved. A Federation Approved Measuring Stick with a metric scale must be used for Dressage, Dressage Sport Horse Breeding, and Driving measurements. See DR135 for specific requirements regarding Measurement Devices at Dressage Competitions.

GR507 Measurement Surface

1. The measurement surface must be level and under no circumstances should animals be measured on dirt or gravel. A concrete slab or other paved surface is most desirable but, when not available, a sheet of heavy plywood can be used. Exception: plywood may not be used for Dressage or Dressage Sport Horse Breeding measurements.
2. If a suitable surface is not available at a competition, animals without a measurement card issued after December 1, 1982 or a valid measurement form must be measured to compete in that competition, but no measurement form shall be given to the owner. See GR1210.2 and GR1210.3.

GR508 Position of Animal

1. The animal must stand squarely on all four feet in such a position that the front legs are vertical to the ground and the back of the hocks are in a vertical line with the point of the animal's quarters. The head must be held low enough to reveal the highest point of the withers and no lower. The animal must be free of all appliances. Handlers must not interfere with the animal in any way that will prevent it from standing in this position; blinkers may be allowed.
2. For the Hackney Division: The animal should be standing with his front legs perpendicular to the ground. Ideally his head should be lower than his withers. This easily locates the highest part of the withers where the measurement should take place. Handlers must not interfere with the animal in any way that will prevent it from standing in the correct position; blinkers may be allowed.

GR509 Method of Measurement

With the animal in the aforementioned position, measure the vertical distance from the highest point of the withers to the ground. The cross-piece, arm or bar of the measuring device must be placed over the highest point of the withers and no measurement taken at any other part of the animal's body will count. Additional pressure must not be applied to the cross-piece, arm or bar.

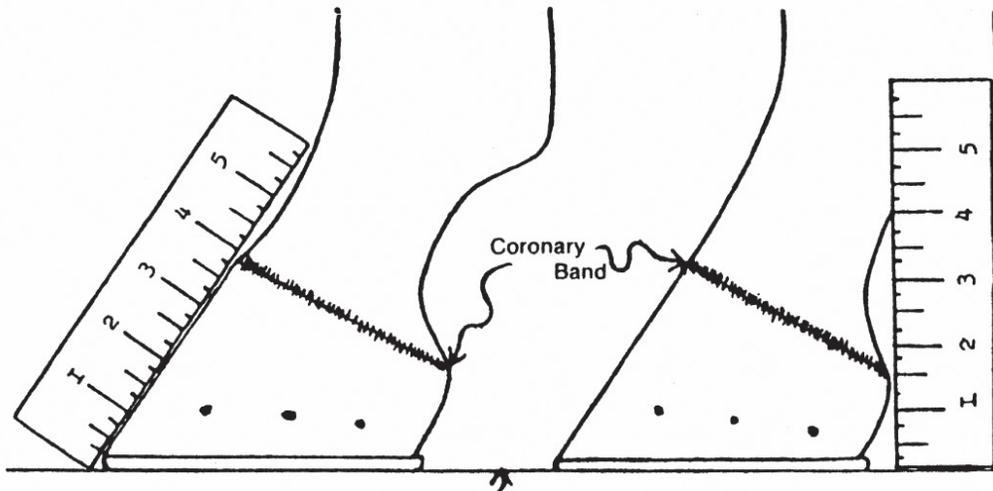

GR510 Method of Measuring Toe and Heel

Using a six (6) inch metal ruler, the length of the toe is determined by measuring the front of the hoof, in the center, from the skin line on the lower side of the coronary band to the ground. The skin line on the lower side of the coronary

GR5 - MEASUREMENT OF ENTRIES

band is to be defined by palpation. The thumb should be used to press on the horny hoof wall proceeding from the ground toward the hairline. The first compressible soft tissue palpated is the lower side of the coronary band. The hairline does not necessarily coincide with the lower side of the coronary band. The height of heel is determined by measuring from the skin line on the lower side of the coronary band to the ground, with the ruler perpendicular to the ground (See illustration).

METHOD OF MEASURING TOE AND HEEL

Smooth Flat Surface

GR511 Exceptions for Breed Measurements

1. American Saddlebred-

- Ponies five years of age and under are eligible to compete in classes restricted to American Saddlebred-type ponies. Ponies must be presented annually for measurement unshod (note: for purposes of protection a 1/4" pad or plate may be nailed to the foot and then deducted from the official measurement).
- In order to obtain a permanent USEF measurement card American Saddlebred-type ponies, six years of age and over must be presented for measurement unshod (note: for purposes of protection a 1/4" pad or plate may be nailed to the foot and then deducted from the official measurement).
- If an American Saddlebred-type pony (regardless of age) measures up to 1 inch over 14.2 hands the pony will be issued a measurement card reflecting its height and permitted to compete in American Saddlebred-type pony classes restricted to ponies 14.2 hands and under.

2. Shetland- The animal may be presented with or without shoes regardless of how shown.

3. Arabian - heel measurements are not required. *BOD 1/16/16 Effective 12/1/16*

SUBCHAPTER 5-D QUESTIONING AND PROTESTING

GR512 Height

- An owner or trainer may protest the height of only one animal competing in a class in which he is also competing. (See GR603) For Dressage protests, see DR135.9. If a protest is filed the animal's heel must be measured by the officiating steward immediately upon exiting the arena so that no change can be made by re-shoeing or the animal must be accompanied by an official until the measurement procedure is completed. The heel measurement will be taken from the skin line to the ground (see GR510), recorded by the competition Steward and signed by the exhibitor. The animal must be measured for height within one hour of the conclusion of the session, at an officially designated measurement location for that competition. If it is determined that the animal's shoeing has been

changed between the time of the measurement of the heel and the official measurement of the animal, the protest will be upheld and the owner will forfeit entry fees and winnings for the entire competition and the animal is barred from competing for the balance of the competition year. All points accumulated for Horse of the Year Awards are nullified. (Exception: Heel measurements are not required for Arabians. The animal will be measured for height per Chapter 5, Subchapter 5-B and 5-C)

2. Animals Five Years of Age or Under

- a. If it is determined that an animal five years of age or under is being shown with the same heel measurement as indicated on its measurement card or valid measurement form, or a lower heel measurement than as indicated on the measurement card or valid measurement form, said animal may continue to show at the height indicated and its height cannot be protested.
- b. If it is determined that the animal is being shown with a greater heel measurement than as indicated on its measurement card or valid measurement form, the animal must be measured in accordance with GR512.1
- c. (Exception: Heel measurements are not required for Arabians. The animal will be measured for height per Chapter 5, Subchapter 5-B and 5-C) *BOD 1/16/16 Effective 12/1/16*

GR513 Toe Length

1. An owner or trainer may protest the length of toe of any animal competing in a class in which he is competing.
2. If the length of toe of any animal is protested, the Show Committee must have the official veterinarian and a judge or steward officiating in the competition measure the toe immediately so that no change can be made by reshoeing.
3. If the limit for length of toe is exceeded, the animal must be disqualified for the balance of the competition and the owner of the animal forfeits entry fees and winnings for the entire competition.

GR514 Results of Questioning or Protesting

1. The measurement card or valid measurement form of any animal that is required to transfer into another division or section must be surrendered to the competition steward who must forward it to the Federation office with his report.
2. The name of any animal barred from showing due to its height exceeding the limit for the animal's section by more than one half inch (1/2") is listed in equestrian.

The decision of competition measuring(s) officials is final for the competition where the protesting occurred. An appeal may be filed with the Federation to cover future and prior competitions.

SUBCHAPTER 5-E MEASUREMENT APPEAL

GR515 Conditions

An owner or trainer of an animal declared ineligible for a division or section on account of height may appeal a measurement. The animal is barred from competing in the particular height division or section for which he was declared ineligible until the measurement is performed.

GR516 Procedures

1. The appeal must be made to the Federation office in writing within seven (7) days of the measurement and must be accompanied by the required deposit.
2. All expenses including veterinary fees must be paid by the appellant who must make a deposit with the Federation as an advance on anticipated costs prior to the measurement.
3. The Federation will select a location and time for the appeal measurement as convenient as possible. The owner or trainer must deliver the animal to the location at his own expense within 45 days of filing the appeal.
4. The measurement must be performed by at least two persons appointed by the Federation which shall include one veterinarian who is a member of the American Association of Equine Practitioners and one Registered steward or

GR5 - MEASUREMENT OF ENTRIES

Technical Delegate, as permitted by division rules. The officials whose measurement is being appealed cannot be part of the team conducting the measurement appeal.

5. Any animal submitted for an appeal measurement must show no evidence of lameness. If found to be lame by the examining veterinarian, the animal cannot be measured or remeasured for thirty (30) days and the appellant forfeits his deposit and any veterinary expenses incurred. Each animal submitted for an appeal measurement must be tested for drugs and medications in accordance with General Rules, Chapter 4, GR405.
6. If the appeal is not upheld or the appellant fails to submit the animal within 45 days, the animal is barred from showing for the balance of the competition year. The deposit is forfeited and all points accumulated for Horse of the Year Awards are nullified.
7. The measurement made under the terms of an Appeal is final.

SUBCHAPTER 5-F OFFICIAL MEASUREMENT

GR517 Conditions

An owner or trainer may request an official measurement for an animal six (6) years or over provided: a) the animal has never been shown in a Licensed Competition; or b) has never been declared ineligible for a division on account of height; or c) was declared ineligible for a division on account of height prior to December 1, 1982; or d) has had a bona fide transfer of ownership; e) except for those applied for prior to December 1, 1987.

GR518 Procedures

1. The request for an official measurement must be made to the Federation in writing and accompanied by a deposit which is not refundable.
2. All expenses including veterinary fees must be paid by the person requesting the measurement who shall make a deposit with the Federation, as an advance on anticipated costs, prior to the measurement. Both the owner and trainer are required to sign a waiver and consent on a form prepared by and acceptable to the Federation agreeing to the arrangements for the official measurement, agreeing to the administration of Lasix to the animal to aid in the collection of a urine sample for laboratory tests for Federation forbidden substances. (Exception: Hackney, Roadster, and American Saddlebred.)
3. The Federation will select a location and time for the official measurement as convenient as possible. The owner or trainer must deliver the animal to the location at his own expense.
4. The measurement must be performed by at least two persons appointed by the Federation which shall include a veterinarian who is a member of the American Association of Equine Practitioners and one Registered steward. The officials whose measurement is being appealed cannot be part of the team conducting the measurement appeal.
5. Any animal submitted for an official measurement must show no evidence of lameness.
6. An official measurement is final.

GR601 General

1. Fair notice and an opportunity for a hearing shall be accorded to any amateur athlete, coach, trainer, manager, administrator, or official before the Federation may declare such individual ineligible to participate in any amateur athletic competition. Exception: When a determination of violation has been made by WADA or USADA and the Federation is required to implement and enforce any FEI penalties imposed by WADA or USADA, further Federation proceedings are not required. (See GR615.2) Any hearing conducted hereunder shall be conducted in accordance with the provisions of Chapter 6.
2. Neither the Federation nor any member of the Federation may deny or threaten to deny any member athlete, coach, trainer, manager, administrator or other official the opportunity to compete in the Olympic or Pan American Games, World Championship competitions or such other "protected competition" as defined in the USOC BYLAWS; nor may the Federation, or any member of the Federation, subsequent to such competition, censure or otherwise penalize any such athlete who participates in any such competition.
3. Any individual identified in Section 1 above who alleges that he or she has been denied by the Federation or a member of the Federation a right established by Section 2 of this Rule shall immediately inform the president of the Federation and the USOC's AAC representative for equestrian who shall cause an investigation to be made and steps to be taken to settle the controversy. Notwithstanding any efforts taken by the Federation to settle the controversy informally or through the Federation's grievance procedures set forth in Bylaws 701-704 and GR605 of Chapter 6, the individual may refer the matter to the USOC for action, as appropriate, under Section 9 of the USOC Bylaws, which can be found at the USOC web site: www.teamusa.org, under the section entitled "Legal".
4. The construction and application of Federation rules are governed by the laws of the State of New York. It shall be the duty of the Federation Hearing Committee to hear protests and charges in connection with alleged violations of the rules, to hear appeals from the Licensed Officials Committee's non-renewal or revocation of a licensed official's license, and to hear athlete and other grievances pursuant to GR602.8 and GR605.
5. For the rules and procedures which govern hearings of grievances by athletes and others, see Bylaws 701-704, and Chapter 6, GR601-602 and GR605-615.

Subchapter 6-A FILING AND CONTENTS OF PROTESTS, CHARGES AND ATHLETE GRIEVANCES

GR602 Contents, etc

1. A protest, charge or grievance must state the full name and address (if known) of the accused, must list each Rule number alleged to have been violated and must contain a complete statement of the acts which constitute the alleged violation. The maker of the protest, charge or grievance must be prepared to substantiate the protest, charge or grievance by his or her own personal testimony at a hearing or by the testimony of at least one other witness with personal knowledge who is subject to cross-examination, and by additional evidence including but not limited to sworn statements, other witnesses. The Hearing Committee, at the request of a party or on its own motion may excuse the requirement of personal testimony in the hearing of a protest, charge or grievance as it deems appropriate, if the parties to the protest, charge or grievance stipulate to the relevant facts (with the exception of any charge, protest, or grievance which may possibly affect the opportunity of any individual identified in GR601 to participate in or attempt to qualify for selection to participate in "protected competition.") unless the respondent advises the Hearing Committee at least ten (10) days prior to the hearing that he or she will be present, in person or by representative, and that he or she wants the requirement of the maker's personal testimony not to

GR6 - PROTEST AND CHARGES

be excused. In that case, the Hearing Committee may not excuse the requirement of personal testimony by either the maker as eyewitness or one (1) other eyewitness. The notice of hearing of any such charge or protest shall advise the respondent of this provision.

2. A protest or charge against a Licensed Competition must be referred to the Federation by the steward, technical delegate, Show Committee, competition manager or competition secretary.
3. Protests or charges that a steward or technical delegate has failed to attend the competition, perform his duties, or has otherwise violated the Rules; or that a judge has failed to conduct a class in accordance with the specifications or has otherwise violated the Rules are made in accordance with GR603-605. Such protests or charges must be referred to the Federation. In the event the accused is found guilty, he or she may be subject to any of the penalties under GR703 and notification of any penalty imposed will be published on the Federation's web site.
4. The Federation may investigate any protest, charge or alleged violation, may intervene in any protest, charge or grievance and present evidence at a hearing concerning any protest, charge or alleged violation at its discretion. The Federation may also attempt to arrange a plea agreement or dismissal of a protest or charge in lieu of a hearing by reviewing all evidence and/or conducting interviews with the maker(s) and the respondent(s) to the protest or charge (see GR617).
5. The Chair(s) of the Hearing Committee, or if unavailable the Vice Chair(s), may designate one or more members of the Hearing Committee or any other individual to investigate any protest, charge or alleged violation, to conduct any necessary fact finding, to hear evidence, to review memoranda submitted by interested parties, and to make proposed factual findings to the Hearing Committee, provided, however, that this provision shall not apply to any matters heard pursuant to Chapter 6, Subchapter 6-C, GR611.2(i) or (ii).
6. Non-protestable Decisions.
 - a. The soundness of a horse, when determined by an official veterinarian of the competition or by a judge, is not protestable.
 - b. A judge's decision, representing his/her individual preference or opinion, is not protestable unless it is alleged to be in violation of Federation rules.
 - c. A protest questioning the height of a horse or the length of a horse's foot may only be made to the Show Committee. See GR512-514 and HU180.
7. Withdrawal of a Protest or Charge. If, prior to a hearing being held, the maker of a protest or charge wishes to withdraw it, he or she must make written application to the Hearing Committee, setting forth the reasons for the request. Following review of said application, the Hearing Committee will determine whether to allow the protest or charge to be withdrawn or whether to schedule the matter for hearing at a later date.
8. Any member of the Federation may file a protest or charge or grievance with the Hearing Committee pertaining to any matter within the cognizance of the Federation and alleging a violation of any provision of the Federation's Bylaws or Rules, the Amateur Sports Act of 1978, or the USOC's Constitution or By-Laws.

GR603 Protests

1. Any rider, driver, handler, vaulter, longeur, exhibitor, owner, agent, trainer or the parent of a junior exhibitor, or any Life, Senior, or Junior member present at the competition may file a protest with the Show Committee of a Licensed Competition or The Federation Hearing Committee alleging violation of any Federation rule(s). The protest must contain all information as specified in GR602.1 and must be:

GR605 Grievances

1. A grievance may be filed by any amateur athlete, or other eligible athlete, coach, trainer, manager, administrator or official regarding his/her opportunity to participate in, or to attempt to qualify for selection to participate in any equestrian event of the Pan American Games, Paralympic Games, the Olympic Games, World Championship competitions or any other protected competitions as that term is defined in Section 1.3 (w) of the USOC Bylaws, including any domestic amateur athletic competition or event organized and conducted as part of the selection procedure directly qualifying each successful competitor therein as an athlete representing the U.S. in such equestrian international competitions. Any grievance must be made in writing over the signatures of the person or persons presenting the same, and must state the full name(s) and address(es) of the athlete, coach, trainer, manager, administrator, official, the Federation, another organization which is an Affiliate Member of the Federation, a committee of the Federation or a committee of an Affiliate Member of the Federation against whom the grievance is made, and must include with specificity a complete statement of the acts which constitute such grievance, including the requested relief sought. The maker(s) must be prepared to substantiate the grievance at a hearing by a preponderance of the evidence by personal testimony of a witness or witnesses with personal knowledge subject to cross-examination and by sworn statements, other witnesses and by other competent evidence. The requirement of personal testimony may be excused by the Hearing Committee if the parties to the protest, charge or grievance stipulate to the relevant facts. The accused shall have the right to be assisted in the presentation of his/her case at the hearing, including the assistance of legal counsel, if desired; the right to call witnesses and present oral and written evidence and argument; the right to confront and cross-examine adverse witnesses; and the right to have a record made of the hearing if desired.

GR6 - PROTEST AND CHARGES

informally with the parties and the president of the Federation and the USOC's AAC representative for equestrian, or, in the event there is a conflict of interest, the AAC alternate representative and they shall make every effort to resolve the grievance to their and the parties' mutual satisfaction, and if unsuccessful, the CEO or his designee shall, without prejudice to the right of the complainant to pursue remedies available pursuant to the Amateur Sports Act of 1978 and the USOC Constitution, arrange for a prompt hearing of the grievance by the Hearing Committee.

3. Any person, committee, association or organization, including the Federation or any affiliate, member or member organization, against whom a grievance has been filed pursuant to either GR602 or GR605 of the Rules is entitled to a hearing. Such hearing shall be after advance written notice of the specific charges or alleged violations, and of the time, place and opportunity to participate in person and/or by counsel or other representative given to the person(s) presenting the grievance, the accused and all other possibly affected parties. Notices of hearing must be accompanied by a copy of the written grievance and shall set forth the possible consequences if the charges are found to be true.
4. 5. The hearing shall take place no earlier than 20 days after receipt of notice by the person charged and not later than 60 days from such receipt so as to ensure that the person charged has sufficient time to prepare a defense.
6. The pre- and post-hearing procedures set forth in Subchapter 6-B and Subchapter 6-D and the hearing procedures set forth in Subchapter 6-C, GR611, shall apply with the exception that hearings pursuant to GR602, GR605.1 and GR611.2 may not be heard by a Hearing Officer and that temporary suspensions pursuant to GR609 may not be imposed prior to a hearing by the Hearing Committee.

Subchapter 6-B PRE-HEARING PROCEDURES

GR606 Notice

1. Any person, group of persons or competition against whom a protest or charge is filed are entitled to a hearing. Such hearing shall be after at least twenty (20) days' written notice to the accused except that a Show Committee may hold a hearing during or within 48 hours of a competition after 24 hours' written notice to the accused unless this notice requirement is waived in writing by the accused. Notice of hearing must contain a brief statement of the facts constituting the alleged violation, the Federation rules allegedly violated and must specify the time and place at which the hearing is to be held.
2. Initial written notice of a protest or charge must be sent to the accused within sixty (60) days from the date the protest or charge is received in the Federation office or from the date a charge is issued by the CEO, his designee or National Officer of the Federation. This initial notice may either specify a time and place at which the hearing is to be held or state that the hearing will be held at a date to be determined. If the initial notice does not specify a date and place, a subsequent notice of hearing specifying the date and place of the hearing will be sent at least twenty (20) days prior to the hearing date.
3. Any notice sent to the last known address on file with the Federation shall be deemed sufficient notice.

GR607 Continuances & Emergency Postponements

1. A respondent, protester or charging party may request a continuance of a scheduled hearing. A motion for continuance must be made in writing prior to the hearing and received by the Federation at the address designated in the Notice of Hearing as soon as the need for a continuance is known, but in any event at least 21 days prior to the time set for the hearing. A first continuance motion must be accompanied by a \$750 fee which will be refunded if the continuance is not granted. Any second or subsequent application for continuance will only be considered upon receipt of a written continuance motion and \$1500 fee which will be refunded if the continuance is not granted.

Motions for continuance will only be granted at the discretion of the Hearing Committee upon good cause shown. Prior engagements of counsel may or may not be considered good cause. A second request or repeated requests by defense counsel for continuances due to counsel's unavailability on a scheduled hearing date or dates may in the discretion of the committee's co-chairs be grounds for the denial of a continuance request. In that event, the respondent must promptly arrange to proceed with or without substitute counsel. (Note: When the Federation, as charging party or its representative(s) requests a continuance, there will be no fee.)

2. An emergency postponement of a scheduled hearing will be granted to a respondent, protester or charging party in case of severe illness, natural catastrophe or other emergency circumstances that would prevent the individual's attendance at the hearing. Such a motion must be in writing, setting forth the reasons and providing proof, if available, and must be received by the Federation at the address designated in the Notice of Hearing as soon as the need for continuance is known. A first motion for an emergency postponement must be accompanied by a fee of \$250 and any second or subsequent motion for an emergency postponement must be accompanied by a fee of \$1,000. These fees may be waived or refunded at the discretion of the Hearing Committee
3. Motions for a continuance or emergency postponement received prior to a scheduled hearing will be ruled upon by the Co-Chairs, or at least a quorum, of the Hearing Committee.

GR608 Evidence

1. Accused persons may attend their hearing at their option, with or without counsel, and may bring witnesses, submit sworn statements or other evidence on their behalf.
2. The proponent of a protest, charge or grievance has the burden of proof by a preponderance of the evidence.
3. Upon the written request of an accused or accuser or of a representative of the Federation when it is a party to the proceeding, there shall be furnished to the requesting party reasonably in advance of the hearing copies of any evidence proposed to be introduced into evidence at the hearing, the names of witnesses and the substance of their testimony and the notice of hearing shall so advise. When the Federation is not a party to the matter, such exchange must take place between the parties to the matter.
4. The parties are required to copy one another on all documents and evidence sent to the Federation.
5. In connection with charges brought by a steward, TD or competition official when they are not themselves eyewitnesses to the matters addressed in the charge, they may participate at the hearing by teleconference call unless the Hearing Committee determines otherwise in its discretion.

GR609 Temporary Suspension

In connection with any protest, charge, or any other matter which may properly fall within the jurisdiction of the Hearing Committee, and upon a finding that considerations involving the health, safety or welfare of Federation members and/or their horses, or the best interests of horse showing generally, warrant prompt action pending consideration of the matter by the Hearing Committee, the CEO or his designee may, by giving written notice of such action, temporarily suspend any person from participating in any manner in the affairs of the Federation or participating in or attending all Licensed Competitions until the Hearing Committee can hear the protest, charge or other matter and take such further temporary or other disciplinary action as it deems appropriate under these Rules, including temporarily suspending any person from participating in any manner in the affairs of the Federation or participating in or attending all Licensed Competitions, until the Hearing Committee can hear or determine the protest, charge or other matter, provided, however, that in instances involving GR605 and GR611.2(i) or (ii) where the USOC Bylaws apply, a hearing by the Hearing Committee shall be held on notice before any suspension is imposed.

A party to a protest or charge desiring to appeal a decision of the Show Committee to the Hearing Committee shall file an appeal in writing with the Hearing Committee at the Federation's office within thirty (30) days of the initial decision. The Hearing Committee will not review findings of fact; but will determine whether the rules were properly interpreted and applied.

GR611 Proceedings Before Hearing Committee

1. The Hearing Committee will hear grievances as provided in Bylaws 701-704, and will hear protests and charges in connection with alleged violations of Federation rules, in accordance with the powers and duties referred to below.
2. The Hearing Committee shall provide fair notice and an opportunity to expeditiously hear grievances regarding the opportunity of any amateur athlete, rider, driver, handler, vaulter, longeur, owner, lessee, agent or trainer, riding

coach or driving coach, coach, trainer, manager, administrator or official to participate in, or to attempt to qualify for selection to participate in, the Pan American Games, Paralympic Games, the Olympic Games, World Championship competitions or any other “protected competitions” as that term is defined in Section 1.3 (w) of the USOC Bylaws whether such grievances be against a competition, athlete, coach, trainer, manager, administrator or official of The Federation, another organization which is an affiliate member of The Federation, a committee of The Federation, or a committee of an affiliate association or a committee of The Federation. In (i) hearing grievances and (ii) hearing any protest or charge within the jurisdiction of the Hearing Committee arising out of a “protected competition,” affecting the opportunity or ability of any amateur athlete, rider, driver, handler, vaulter, longeur, owner, lessee, agent or trainer, riding coach or driving coach, coach, trainer, manager, administrator or official to compete or participate, five members of the Hearing Committee shall be appointed by the co-chairs of the Hearing Committee, after consultation with the President, to constitute the hearing panel, of whom at least two shall be Athlete members of the Committee, who are not competing in the discipline which is involved in the dispute. The Hearing Committee shall promptly issue its findings in accordance with the Federation’s Bylaws and Chapter 6, which findings shall be final, except where otherwise provided in the Constitution and Bylaws of the USOC.

3. The functions of any member of the Hearing Committee or any other presiding person participating in any decision shall be conducted in an impartial manner, subject to the published Rules of the Federation and within its powers. The Hearing Committee and other persons presiding on pre-hearing motions and at hearings shall give all parties a fair hearing and act as authorized by Federation rules. All members of a hearing panel must be present during the entire hearing to hear and consider all the evidence, as well as to deliberate and decide the outcome of the matter, except as may be otherwise agreed by all parties to the proceedings.
4. Any member of the Hearing Committee or any presiding or participating person may at any time disqualify himself or herself. Upon request of a party or in matters heard pursuant to GR611.2(i) or (ii) the identity of the persons who will preside and participate at a hearing shall be disclosed reasonably in advance of the hearing. On the submission in good faith, of a timely and sufficient affidavit of personal bias or other grounds for disqualification of a presiding or participating person, the presiding person, persons or Hearing Committee will consider and decide the matters raised as a part of the record and decision in the case.
5. The Hearing Committee or any person or persons presiding at any pre-hearing proceedings, the reception of evidence and any review or appeal of a decision shall prepare a written record of the proceedings which shall include the evidence considered in the proceeding, each finding of fact based on the evidence, the conclusions and decisions regarding alleged rule violations and a statement of penalties, if any, imposed and of other relief granted or denied. This written record constitutes the official record and decision of the Hearing Committee, or any presiding person or persons, and all decisions, including initial recommended and final decisions are a part of the official record. In order to expedite the issuance of a written ruling or rulings the written record may be issued in abbreviated form in the discretion of the presiding person(s), but in such event the presiding person(s) shall retain the option of replacing the abbreviated ruling with a complete written record at any time, and shall do so if requested in writing by a party to the matter or by the Federation Board of Directors. The written record shall be issued within 10 business days of the hearing of a grievance or other matter heard pursuant to GR611.2(i) or (ii) and may be issued in abbreviated form.
6. Opening and closing statements may be made by the parties to the protest, charge or grievance or their representative, but the Hearing Committee reserves the right to limit the length of such statements.
7. The Federation will not require a verbatim stenographic transcript of the hearing to be made, but parties to the hearing may arrange for one through the Federation in advance of the hearing and one will be ordered for them and the Federation at the expense of the party or parties requesting the transcript. If a transcript is ordered, it becomes part of the official record of the proceeding, cannot be canceled after the hearing is held, and must be paid for by the requesting party or parties. If the Federation itself requests and arranges for the transcript, copies will be provided

GR6 - PROTEST AND CHARGES

to the respondent(s) by the Federation only upon payment by the respondent(s) to the Federation of one-half (1/2) the cost to the Federation of the transcript. If another party requests the transcript, a copy will be provided to Federation upon payment by Federation of one-half (1/2) the cost to the party of the transcript.

8. Upon the consent of the parties to a protest, charge or grievance, the co-Chairs of the Hearing Committee may direct that the matter be summarily heard and decided on an expedited basis upon such notice acceptable to the parties as time and circumstances allow for justice to be done. Even absent the consent of the parties, the co-Chairs of the Hearing Committee may in their discretion direct that a hearing of any grievance heard pursuant to either GR602.8 or GR605 of the Rules shall be expedited whenever in their opinion by majority vote it is necessary to expedite the matter in order to resolve it and produce a sufficiently early decision to do justice to the affected parties. Upon the request of an athlete or other party that it is necessary to expedite such hearing in order to resolve a matter relating to a competition which is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the hearing shall be so expedited to be concluded prior to the competition. The hearing may be conducted at the site of athletic competition or by telephone conference if necessary. The notice of hearing may be oral, or in writing, and shall in every instance contain the following: the party filing the charge, protest or grievance; any other party involved; identification of the person or persons subject to the charge, protest or grievance; the Federation bylaw or rule allegedly violated or about to be violated; a concise statement of facts surrounding the alleged violation; and the action that the party filing the charge, protest or grievance wants taken. The decision of the hearing panel may be rendered orally, shall be final and may be made effective immediately, but shall be reduced to writing at the earliest possible time, shall include findings of fact and conclusions based upon such findings, and shall be promptly provided to all of the parties involved.
9. Whether or not the same are specifically provided for elsewhere in the Rules, in all hearings conducted pursuant to GR611.2(i) or (ii), above, the parties shall be accorded:
 - a. Notice of the specific charges or alleged violations in writing, and possible consequences if the charges are found to be true;
 - b. Reasonable time between receipt of the notice of charges and the hearing within which to prepare a defense;
 - c. The right to have the hearing conducted at such a time so as to make it practicable for the person charged to attend;
 - d. A hearing before a disinterested and impartial body of fact finders wherein the proponent of the charge must substantiate the charge by a preponderance of the evidence;
 - e. The right to be assisted in the presentation of one's case at the hearing, including the assistance of legal counsel, if desired;
 - f. The right to call witnesses and present oral and written evidence and argument; The right to confront and cross-examine adverse witnesses, including the right to be provided the identity of witnesses in advance of the hearing;
 - g. The right to have a record made of the hearing if desired;
 - h. A written decision, with reasons therefor, based solely on the evidence of record, handed down in a timely fashion;
 - i. Written notice of appeal or review pursuant to GR612 procedures, where applicable, if the decision is adverse to the person charged, and prompt and fair adjudication of the appeal or review.

Subchapter 6-D POST HEARING PROCEDURES

GR612 Review of Decisions

1. By the Hearing Committee
 - a. A respondent, protester or charging party who wishes to request a review of the Hearing Committee's original decision must make such request in writing, setting forth the reasons why a review is sought. Said request must be accompanied by a fee of \$500, which fee is not refundable except in the discretion of the Hearing Committee. Said request and fee must be received within 30 days from the issuance of the ruling being reviewed.
2. Appeal of decisions made by other than the Hearing Committee
 - a. When the presiding person, persons or Show Committee other than the Hearing Committee makes an initial decision, that decision then becomes the decision of the Federation without further proceedings, unless there is a written appeal to the Hearing Committee for review by a party to the proceeding or by the Federation, which must be received within thirty (30) days from the issuance of the ruling being reviewed. On appeal from the initial decision, the Hearing Committee will not review findings of fact; but will determine whether the rules were properly interpreted and applied.

GR613 Rehearing

Upon the discovery of new facts not discoverable by due diligence prior to a hearing, a party may request a hearing before the Hearing Committee. Such request must be in writing and must contain a statement of the new facts upon which it is based and must be accompanied by a fee of \$250, which fee is not refundable except in the discretion of the Hearing Committee. Said request and fee must be received by the Federation within 30 days from the issuance of the ruling which is being contested. Rehearings will not be granted as a matter of right but are at the discretion of the Hearing Committee.

GR614 Notification

1. When a decision has been reached regarding a charge or protest heard by the Hearing Committee the Federation shall send out the findings within 60 days of the decision, including references to GR704, as applicable. Where findings cannot be issued within 60 days of the decision, the Federation shall send written notification to all concerned parties that the findings are not yet available and when the findings are expected to be released.
2. The Federation will publish on the Federation's web site a notice of every penalty assessed against any person, horse or Licensed Competition and the period of any suspension. Any Licensed Competition which allows a suspended or expelled person or horse to participate is itself liable to penalty, including suspension or expulsion.
3. The Federation may report disciplinary action taken by the Federation to another association if in its opinion reporting is advisable for the protection of mutual interests.

GR615 Reciprocity

1. On receipt of notice that disciplinary action has been taken by an administrative agency, arbitration or other tribunal body, humane society or court of law, whether civil, criminal, arbitral or administrative, against a person, a National Officer of the Federation or the CEO of the Federation or his designee may make a charge against the person under the provisions of Chapter 6 and following a hearing, the Hearing Committee may impose any penalty provided for in Chapter 7.
2. On receipt of notice that USADA or WADA has taken disciplinary action and has applied penalties in accordance with FEI General Regulations against a person subject to Federation rules, with notice to the affected parties but without further proceedings, the Federation shall impose any sanction resulting from the adjudication process in accordance with USADA or WADA protocols, as applicable.
3. Upon receipt of notice that a court of law has entered a judgment or final order against a person, corporation,

GR6 - PROTEST AND CHARGES

partnership or other entity for monies owing to a Federation Senior Active or Life Member related to equestrian activities (e.g. training fees, coaching fees, stabling fees, horse board, horse transport, veterinary fees) and in connection with Licensed Competition, which order or judgment is final and not subject to further appeal, a National Officer or the CEO of the Federation or his designee may make a charge against such person or entity under the provisions of Chapter 6, and following a hearing, the Hearing Committee may suspend such person or entity pursuant to Chapter 7, GR703.1.b and .c and/or Chapter 7, GR707.1b but any such suspension shall not extend beyond the time that such judgment or order is satisfied of record in said court of law and may be for shorter period of time in the discretion of the Hearing Committee.

4. On receipt of notice that the Federation Equestrian Internationale (FEI) has imposed penalties in accordance with FEI General Regulations against a person subject to Federation rules, with notice to the affected parties but without further proceedings, the Federation shall recognize and enforce the sanction.
5. Following a hearing, The Federation's Hearing Committee may deny or suspend the privilege to participate in or go upon the grounds of Licensed Competitions, and/or deny, expel or suspend the privileges or membership in the Federation to any person, whether or not a member of the Federation, whom an indictment, information or charge has asserted, or whom any civil, criminal or administrative court or arbitration or other tribunal has found, to have committed or participated in any plan or conspiracy to commit any act of cruelty or abuse to a horse, whether or not any such alleged or actual act, plan, or conspiracy occurred on the grounds of a Licensed Competition, or was in conjunction with, or was an element of some other offense, actual or alleged. For purposes of this subsection, cruelty and abuse shall include, but shall not be limited to, any of the acts enumerated in GR839.4, and, in addition, killing, crippling, abandoning, mistreating, neglecting, or any other form of abuse of a horse.

Subchapter 6-E ADMINISTRATIVE PENALTIES AND PLEA AGREEMENTS

GR616 Administrative Penalties

1. Administrative Penalties for violations of Chapter 4 (Drugs and Medications) will be handled pursuant to Chapter 4, GR412. For violations of any other rules, the procedures outlined below will be utilized.
2. In the event of an apparent rule violation, other than one involving Chapter 4, which is brought to the attention of the Federation and where no protest or charge has been filed, the Federation may hold in abeyance the issuance of charges of rule violation pending further determination by the Federation CEO or his designee.
3. After investigating the situation, the CEO or his designee shall make a determination in his or her discretion whether to issue charges of rule violation, impose administrative penalties, issue a warning or take no further action in the matter.
4. In the event the CEO or his designee determines to impose administrative penalties in lieu of the issuance of charges of rule violation, he or she shall be authorized to impose any or all of the penalties enumerated in Chapter 7, GR703 and/or Chapter 7, GR707, setting forth the terms and conditions for compliance. The parties offered the administrative penalty shall, after written notice, be subject to any and all administrative penalties imposed by the CEO or his designee, unless a timely written request for a hearing is made pursuant to the provisions of GR616.6.
5. The Federation shall give written notification to the accused of administrative penalties determined pursuant to GR616.4, the terms and conditions of which shall not be subject to negotiation. An administrative penalty must be approved by the Hearing Committee Co-Chairs before it is offered to the Respondent(s). Once accepted by all parties and by the Hearing Committee, an administrative penalty shall have the same force and effect as would a finding of rule violation by the Hearing Committee following a hearing and will be published on the Federation's web site. In the event that the Hearing Committee does not approve an accepted administrative penalty, written notification of same will be sent to the accused and shall constitute a timely written request for a hearing pursuant to GR616.6.

6. Any accused person who receives notice of an administrative penalty under GR616.5 may request a hearing before the Hearing Committee. A written request for a hearing must be actually received in the Federation office within 30 days of the date of receipt by the accused of the notice of administrative penalty(ies), after which time the right to a hearing shall be deemed to have been permanently waived. Once accepted by the accused and approved by the Hearing Committee, administrative penalties shall be effective immediately, shall be final, and shall not be subject to further review under any circumstance(s).
7. In the event a timely written request for a hearing is received in accordance with GR616.6, the Federation shall issue written charges pursuant to GR602 and GR604 and the Hearing Committee shall conduct a hearing upon said charge(s). In the event of a finding of a violation, the Hearing Committee shall not be limited in choice of penalties to those that might have been imposed in accordance with GR616.4, nor in any such instance shall the Hearing Committee be limited in any other way in exercising all of its prerogatives as set forth in the Bylaws and Rules.
8. An offer of an administrative penalty will not preclude the filing of charges by a party other than the CEO or his designee pursuant to GR602 and GR604. Such a charge, however, must be received by the Federation before the administrative penalty is approved by the Hearing Committee. In the event such a charge is filed and in the event the CEO or his designee is subsequently unable to adjust the matter pursuant to GR617 to the satisfaction of the charging party and the accused, then the offer of administrative penalty shall be nullified and the matter shall proceed to hearing.

GR617 Plea Agreements

1. The provisions of this Rule will apply to violations of Chapter 4 (Drugs and Medications) as well as violations of any other rules.
2. The Federation CEO or his designee may investigate any pending protest or charge and attempt to settle the matter in lieu of having it proceed to hearing.
3. After investigating the situation, the CEO or his designee shall make a determination in his or her discretion whether to offer a plea agreement, direct that the matter proceed to hearing, or recommend dismissal of the protest or charge.
4. In the event the CEO or his designee determines to offer a plea agreement, he or she shall be authorized to offer any or all of the penalties enumerated in Chapter 7, GR703, setting forth the terms and conditions for compliance. The parties offered the plea agreement shall, after written notice, be subject to any and all penalties imposed by the CEO or his designee, unless a timely written request for a hearing is made pursuant to the provisions of GR617.6 or unless the maker of the protest or charge challenges the plea agreement pursuant to GR617.8.
5. The Federation shall give written notification to the accused and to the maker of the protest or charge of an offer of a plea agreement determined pursuant to GR617.4, the terms and conditions of which shall not be subject to negotiation. Plea agreements accepted by both the accused and the maker of the protest or charge in accordance with this Rule are subject to approval by the Hearing Committee and in the case of an allegation of a violation of Chapter 4, to approval by the Chairman of the Federation Equine Drugs and Medications Committee. Once accepted by all parties and by the Hearing Committee, a plea agreement shall have the same force and effect as would a finding of rule violation by the Hearing Committee following a hearing and will be published on the Federation's web site. In the event that the Hearing Committee does not approve an accepted plea agreement, written notification of same will be sent to the accused and to the maker of the protest or charge and shall constitute a timely written request for a hearing pursuant to GR617.6.
6. Any accused person or maker of a protest or charge who receives notice of a proposed plea agreement under GR616.5 may request a hearing before the Hearing Committee. A written request for a hearing must be actually received in the Federation office within 30 days of the date of receipt by the parties of the notice of the offer of a plea agreement, after which time the right to a hearing shall be deemed to have been permanently waived. Once

GR6 - PROTEST AND CHARGES

accepted by the parties and approved by the Hearing Committee, plea agreements shall be effective immediately, shall be final, and shall not be subject to further review under any circumstance(s).

7. In the event a timely written request for a hearing is received from the accused in accordance with GR617.6, the Federation shall schedule the matter for hearing and the Hearing Committee shall conduct a hearing upon said protest or charge. In the event of a finding of a violation, the Hearing Committee shall not be limited in choice of penalties to those that might have been imposed in accordance with GR617.4, nor in any such instance shall the Hearing Committee be limited in any other way in exercising all of its prerogatives as set forth in the Bylaws and Rules.
8. If the accused accepts the offer of the plea agreement and the maker of the protest or charge does not, said person(s) can request a hearing before the Hearing Committee upon submission of a written request, and in the case of a protest, upon payment of a \$250 fee (which is not refundable), and the matter shall proceed to hearing.
9. If after investigation of a protest or charge, it is the recommendation of the CEO or his designee that the matter should be dismissed, he or she will notify the maker of the protest or charge and the accused. If the maker of the protest or charge does not agree, said person(s) can request a hearing before the Hearing Committee upon submission of a written request and in the case of a protest, upon payment of a \$500 fee (which will be refunded in the event the protest or charge is upheld) and the matter shall proceed to hearing.

This Rule shall apply to the spouse of a suspended person as well as to any other persons or entities, including, without limitation, companions, family members, employers, employees, agents, partnerships, partners, corporations or other entities, whose relationship, whether financial or otherwise, with a suspended person would give the appearance that such other persons are riding, exhibiting, coaching or training for the benefit, credit, reputation or satisfaction of the suspended person.

7. This Rule is intended to provide guidance for suspended persons and anyone contemplating taking over the responsibility for the riding, exhibiting, coaching, or training, of an unsuspended horse from a suspended person. It is not intended to anticipate every potential circumstance in which the intent of a suspension may be frustrated, and the Hearing Committee shall have the power to determine whether the facts and circumstances peculiar to any particular case compel a finding that there was or is a violation of the rules prohibiting exhibiting any horse while in

the care, training or custody of a suspended trainer, or riding, exhibiting, coaching or training for the benefit, credit, reputation or satisfaction of a suspended person (see GR702.1h and .i).

CHAPTER 8 CONDUCT OF LICENSED COMPETITIONS

SUBCHAPTER 8-A ATTIRE AND EQUIPMENT

GR801 Dress

1. It is the tradition of the competition ring that riders and drivers be correctly attired for the class in question, that attendants be neatly dressed and horses be properly presented.
2. It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the National Anthem only; they must refasten their headgear prior to the lap of honor. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.
3. Except as may otherwise be mandated by local law, all sub-junior exhibitors in the Paso Fino division, while riding or driving or while in the driving cart anywhere on the competition grounds, must wear properly fitting protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. For all exhibitors competing in the hunter, jumper, or hunter seat equitation section, if a rider's chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her round without penalty or elimination. A judge may, but is not required to stop a rider and ask them to refasten a chin strap which has become unfastened, again without penalty to the rider. Members of the Armed Services or the Police may wear the Service Dress Uniform.
4. Any exhibitor may wear protective headgear (ASTM/SEI) and/or a protective vest either body protecting or inflatable, specifically designed for use in equestrian sport in any division or class without penalty from the judge. The Federation recommends that the vest pass or surpass the current ASTM standard F1937 or be certified by the Safety Equipment Institute. For Eventing, inflatable vests are permitted only when worn over a body protecting vest.
5. See DC928 for protective headgear requirement in Combined Driving.
6. See DR120 for protective headgear requirement in Dressage.
7. Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. (Exception hunter, jumper, or hunter/jumper competitions refer to GR801.2) It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.
8. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve

GR8 - CONDUCT OF COMPETITIONS

inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

9. Boots/shoes worn while riding anywhere on the competition grounds must have a distinguishable heel. (Exception: Arabian, Hackney Pony, Morgan, National Show Horse, Parade, Roadster, American Saddlebred, and Saddle Seat Equitation).
10. Competitors must display the correct number which must be clearly visible while performing in any class unless otherwise stated in the prize list. Competitors may be penalized at the discretion of the judge. Numbers to be supplied by management in compliance with GR1213.11. Refer to DR121.11 (Dressage) and DR207.8 (Dressage Sport Horse Breeding).
11. Refer to EQ105.1& 2 and HU126.

GR802 Artificial Markings and Appliances

1. Any change of color or markings other than mane, tail or hoof is prohibited. (Exception: Arabian and Half/Anglo Arabian halter, see AR106; Reining Division; Friesian Division; Paso Fino, see PF101.3). Only clear grooming materials are allowed on the hide and hair. Materials may be used to remove stains.
2. All artificial appliances other than those permitted in division rules are prohibited (Exception: Reining and Jumper Divisions). Bandages, tailsets, chains or other training devices are prohibited in the ring in Breeding/Halter classes.

GR803 Use of Whips

No item may be used inside or outside the ring while showing a horse except one whip per handler. If whips are allowed, they must be no longer than 6' including the snapper or lash. No appendages of any kind are permitted. One lungeing whip is permitted only when lungeing. Some breed and/or disciplines may have use of whip division rules that depart from this rule and as such, the division rule governs. (GR150.1)

GR804 Shoeing Regulations

1. In some parts of the country, it is common practice to show unshod horses in certain classes. A horse cannot be barred from the ring because of being unshod but, in classes in which it is common practice for all horses to be shod, a barefoot horse may be penalized at the judge's discretion.
2. Competitions offering classes in a division that designates a maximum weight for shoes (Paso Fino, Welsh) must provide accurate scales for weighing. If any horse casts a shoe in any of these classes, the shoe, including pad if used, but not including nails must be immediately weighed by the judge. In these classes, a competitor may not be excused from the ring until the judge is satisfied that the horse has not cast a shoe. Refer to GR109.2.
3. If the weight of a shoe and pad is protested, the owner may either withdraw the entry and forfeit all entry fees and winnings of the protested entry for the entire competition, in which event the protest must be withdrawn and the fee refunded or, have the shoe and pad removed in the presence of the competition veterinarian and steward so it can be weighed immediately.
4. Whether cast or removed, if the shoe including pad exceeds the weight limit, the entry must be disqualified for the balance of the competition and all entry fees and winnings of the entry for the entire competition will be forfeited. Removal and replacement of any protested shoe and pad is the sole responsibility of the owner of the entry; however, if the protest is not upheld, the protestor must pay \$15 to defray the cost of removal and replacement of the shoe.
5. See AR106 for Arabian shoeing regulations.

SUBCHAPTER 8-B COMPETITION AWARDS, HONORS, AND PRIZES

GR805 Challenge Trophies

1. A Challenge Trophy is a trophy donated to or offered by a competition which must be won a specified number of times under specified conditions. When originally placed in competition, it becomes the property of the Show

Committee and cannot be withdrawn by the donor.

2. The conditions of the Challenge Trophy may not be changed without the consent of the trophy donor or his legal representative and of all who have qualified as potential winners of the trophy, except in the event that the conditions stipulated are in conflict with the current rules of the Federation. In such an event, the Show Committee must confer with the Federation as to procedure.
3. The winner of a leg on a Challenge Trophy in competition is entitled to possession of such trophy for a period of 10 months from date of winning unless a competition stipulates that the trophy will remain in its possession. The winner is responsible for protection and care of the trophy while in his possession. At the expiration of 10 months, or two months prior to the next annual competition, the competition may demand return of trophy if it has not been won outright. Failure of an exhibitor to return the trophy constitutes a violation under Chapter 7 and renders the exhibitor subject to penalty.
4. If a Challenge Trophy is competed for at more than one competition per year, the committee may elect to keep the trophy in its possession.
5. If a Challenge Trophy is destroyed, stolen or lost and therefore cannot be returned, the exhibitor who had possession of the trophy must pay to the competition the cost of replacing it with a trophy equally suitable and satisfactory to the Show Committee. The exhibitor will be exempt from penalty if the trophy is replaced before the next competition.
6. Should a competition or class be discontinued or not held for any period of time, any unretired Challenge Trophies offered at such competition must be returned at the expiration date of ten months to the last active Show Committee. This committee will determine the disposition of such trophies but they may not be placed in competition at any competition unless the provisions of paragraph 2 are met.
7. In the event of the death of an exhibitor who has won one or more legs on a Challenge Trophy, a member of that exhibitor's family may include such previous winnings in any further competitions for such Challenge Trophy in which they may engage.
8. If a Challenge Trophy is competed for and won under a farm name and the farm is later sold to another person who retains the farm name, legs won on the trophy by the first owner will not be counted by the subsequent owner of the farm in his competition.

GR806 Perpetual Trophies

A Perpetual Trophy is a trophy donated to or offered by a competition which is never awarded permanently to an exhibitor but remains the property of and in the possession of a competition. The Show Committee may present a replica or souvenir trophy to the annual winner. The conditions of a Perpetual Trophy are identical with those of a Challenge Trophy. Exception: previous winners need not be consulted when and if specifications are changed.

GR807 Prize Ribbons

1. At all Licensed Competitions, the prize ribbons are to be the following colors:

Grand Champion	Blue, Red, Yellow and White
Reserve to Grand Champion	Red, Yellow, White and Pink
Champion	Blue, Red and Yellow
Reserve Champion	Red, Yellow and White
First Prize Blue	Sixth Prize Green
Second Prize Red	Seventh Prize Purple
Third Prize Yellow	Eighth Prize Brown
Fourth Prize White	Ninth Prize Gray
Fifth Prize Pink	Tenth Prize Light Blue

GR8 - CONDUCT OF COMPETITIONS

2. It is recommended that competitions offer one ribbon for every six entries.
3. A Licensed Competition located outside the United States may conform to the practice of the country in which it is situated with respect to the color of the ribbons used.

GR808 Awarding Championships

1. Championship classes for a specific height or sex may be offered in any division as set forth in the respective division rules. Judging specifications must follow those of the Open Championship class.
2. In the Hunter divisions, Championships must be awarded on points. In the Morgan and Welsh Pony divisions, Championships may be awarded on points or held as performance classes. (See JP110.2 for Jumper Championships)
3. When Championships are awarded on points, all competitors must be given an equal opportunity to obtain points. In all other divisions, Championships must be awarded in a Championship Performance class and all entries must be given an opportunity to qualify.
4. Only the first four ribbons in each class are counted regardless of the number offered. Ribbons have the same point value even if less than the specified four places are awarded due to lack of entries, etc. Exception: See JP110.2 for Jumper Championships.
5. Point Value:

Blue ribbon	5 points	Yellow ribbon	2 points
Red ribbon	3 points	White ribbon	1 points
6. In Hunter sections only the first six ribbons in each class are counted regardless of the number offered. Ribbons have the same value even if less than the specified six places are awarded due to lack of entries. First Place...10 points, Second Place...6 points, Third Place...4 points, Fourth Place...2 points, Fifth Place...1 point, Sixth Place...1/2 point.

GR809 Performance Championships

1. A Show Committee must designate all qualifying classes and can require any or all winners in a qualifying class at that competition to compete in a Performance Championship class provided this is stated in the prize list and the gaits required are the same as in the qualifying class. Any exhibitor failing to comply must forfeit all prize money in the qualifying class. If an exhibitor or trainer qualifies more than one horse for a Championship class he can elect to show only one. (This does not apply to Regional and National Breed Affiliate approved Competitions.)
2. To be eligible to show in a Performance Championship class a horse must have been properly entered, shown and judged in one qualifying class at that competition in the same division or section. (This does not apply to Regional and National Breed Affiliate approved Competitions.)
3. An entry which while performing in a qualifying class fails to qualify by reasons of equipment repair, shoeing time, illness (certified by the official veterinarian) or failure of a class to fill shall be permitted to pay double fee and make a post entry in another qualifying class in the section or if no subsequent qualifying class is available for such post entry, the horse shall be considered qualified for the Performance Championship class, provided the horse has previously been entered in the Championship or Stake. Exception: Dressage. (See also GR117.3)
4. To avoid divided Performance Championship classes, eligibility for a Championship class may be limited to ribbon winners in qualifying classes.

GR810 Breeding or In Hand Championships

1. Junior Breeding or In-Hand Championships may be offered for two-year-olds and under; Senior Breeding or In-Hand Championships for three-year-olds and over. In the event a competition offers a Junior Championship and a Senior Championship, as well as a Show Championship, only the first and second place ribbon winners are

eligible to compete for the Show Championship unless division rules prohibit foals and yearlings.

2. Entry in a Breeding class does not qualify a horse for a Performance Championship class. Exceptions: in the Hackney Pony, Morgan, Roadster and American Saddlebred Horse divisions any performance class, including futurities and/or classics, qualifies for a Performance Championship class at that competition.
3. In a Breeding section of the Welsh division, the Championship will be awarded to one of the horses which has placed first in a qualifying class. After the Championship has been awarded the horse which has placed second in the qualifying class to the horse awarded the Championship shall compete with the remaining first place winners for the Reserve Championship.
4. In a Breeding section of the Hackney, Morgan, American Saddlebred, or Shetland divisions, the Championship and Reserve Championship will be awarded to horses that have placed first or second in their qualifying classes.
5. In a Breeding section of the Arabian division, the Junior, Senior or Show (Grand) Championship will be awarded to one of the horses which has placed first in a qualifying class. Qualifying classes for championships must be designated in the prize list. After the Championship has been awarded, the horse which has placed second in the qualifying class to the horse awarded the Championship shall compete with the remaining first place winners for the Reserve Championship. If a Show (Grand) Championship class is held, the Senior Champion and the Reserve Senior Champion as well as the top two ranking two-year-olds will be eligible to compete. (Exception: AR118.1).
6. In any case, should any first or second place winners in a qualifying class not compete for the Championship or be disqualified for being unsound, being unruly or not performing the class routine in the Championship class, the horse receiving the next highest ribbon in the qualifying class shall have the option of moving up for the Championship and Reserve only.
7. None of the above applies to Dressage/Sport Horse Breeding.
8. None of the above applies to the Andalusian/Lusitano Division. For Breeding and In Hand Championships see AL106.
9. None of the above applies to the Friesian Division. For Breeding and In Hand Championships see FR118.

GR811 Sweepstakes

When a Sweepstake class is offered, providing for a division of entry fees, either with or without monies added by the Show Committee, the total to be distributed must include the entry fees of all entries listed in the catalogue, whether or not the horses are shown, plus all fees covering other entries legally in the class, unless a competition stipulates in its prize list that portion of the entry fees which will be withheld.

GR812 Retirement Ceremony

1. If a retirement ceremony is allowed at the request of the owner of a horse, that horse may not be permitted to compete at the competition. Any horse officially retired at a Licensed Competition is barred for life from further competition at Licensed Competitions except by special permission of the Board of Directors; however, they can continue to be shown in Academy classes, Leadline classes, Get of Sire and Produce of Dam classes.
2. The Federation will give necessary publicity to all official retirement ceremonies and will notify all Licensed Competitions. See GR1214.7.
3. Any ceremony announcing an exhibitor's retirement from competition is prohibited.

SUBCHAPTER 8-C COMPETITION AND CLASS CONDITIONS AND ELIGIBILITY

GR813 Classes for Horse and Rider

GR814 Amateur

Amateur classes may be offered in any division using the specifications set forth in the respective division rules. 2. All Futurity classes are considered part of the respective Breeding sections.

GR816 Junior Exhibitor

Classes, sections or competitions may be limited to junior exhibitors if so desired. Where special rules and class specifications are given for classes so limited, they should be used throughout the junior exhibitor classes offered and shall take precedence over such class specifications as those for Championship classes. A Show Committee should bear in mind that a horse suitable for a junior exhibitor should have good manners and it is suggested that the specifications for a Ladies' or Amateur class be followed throughout.

GR817 Ladies

Ladies' classes may be offered in any division using the specifications set forth in the respective division rules. If Ladies' classes are offered leading to a Ladies' Championship, judging specifications should follow those of the Ladies' class rather than those of the Championship class.

 - 5. All rules and regulations in GR821 must be followed, except for GR821.6.
 - 6. Horses, riders, owners, trainers, and coaches participating only in Opportunity classes are exempt from Federation and affiliate organization membership and Horse Identification (HID) requirements and non-member/Show Pass fees, but are required to list the Federation membership number if the participant is a member.

GR822 Owners' Classes

Owners' classes may be offered in any division using the specifications as set forth in the respective division rules. If Owners' classes are offered leading to an Owners' Championship judging specifications should follow those of the Owners' class rather than those of the Championship class.

GR823 Dividing Classes

1. Classes can be divided by sex into three groups (stallions, mares and geldings) or a Show Committee may prefer to require mares and geldings, or stallions and geldings to show together.
2. If a Show Committee wishes to divide junior exhibitor classes, it may offer separate classes for boys and girls or offer several age limits. The following three age limits are suggested but may vary according to local conditions:

A non-refundable application fee per competition must be enclosed. (Competitors may also opt to pay a non-refundable annual prepaid application fee in the amount of ten times the per competition fee (in lieu of paying a non-refundable per competition application fee). In the event of an oversubscription in dressage, driving, eventing, or reining, the discipline's Credentials Committee will rank the applicants,

GR8 - CONDUCT OF COMPETITIONS

providing that they have submitted a timely application as defined in the discipline criteria. The rankings will be based upon the individual's experience in competing in the U.S. and abroad, his/her recent results and ranking (if applicable) and other discipline specific criteria (if applicable). If the competition in question is on borrowed horses, the Credentials Committee will consider the experience the applicant has had in riding and competing on various horses. For endurance, jumping and vaulting, please refer to each discipline's criteria for procedures in selecting riders in the event of an oversubscription. Individuals wishing to compete in foreign international competitions who have not met the established criteria to compete in foreign FEI competitions may apply for a waiver, for which there is a fee. Copies of application and criteria for each discipline are available from the Federation website or Federation office.

2. National Competitions: Individuals wishing to compete in FEI recognized disciplines in National Competitions in foreign countries must receive permission from the Federation. An application for permission to compete must be completed and returned to the Federation. Copies of the application on the Federation website or from the Federation office. The competitor will be asked to provide the following information:
 - a. whether or not the individual is a United States citizen and a current member of the Federation;
 - b. whether he/she wishes to compete as an amateur or professional;
 - c. whether he/she wishes to compete in National or International Competitions;
 - d. the disciplines in which he/she wishes to compete (i.e., Jumping, Dressage, Eventing, Driving, Vaulting, Reining, or Endurance Riding);
 - e. the length of stay in each country;
 - f. whether he/she has been charged, offered an Administrative Penalty, protested or found in violation of FEI or Federation rules or the rules of any other National Federation or Federation affiliated association; and
 - g. whether he/she has been indicted, named in an information, convicted or disciplined by an administrative agency, arbitration or other tribunal, body, humane society or court of law, whether civil, criminal, arbitral or administrative, for an act which would be a violation of Federation rules if committed during a Recognized Competition.
3. Permission to compete must be applied for each year.
4. Foreign Competitors: Riders, drivers, vaulters and longeurs who are not citizens of the United States, regardless of Federation membership status and country of origin.
 - a. Foreign Competitors who desire to compete in non-breed restricted, National Competitions in the FEI recognized disciplines in the United States must have proof, in English, of membership in good standing from their National Federation or must be members in good standing of the United States Equestrian Federation.
 - b. Competition management must request proof, in English, of current membership in good standing from their respective National Federation, or proof of current USEF membership.
5. Denial of Permission. Any application for permission to compete abroad answering affirmatively as to GR828.2f or .g shall be referred to a Committee of the Federation Board of Directors consisting of the Officers and two active athlete directors appointed by the President; the President shall serve as Chairman of the Committee and at any meeting the presence of at least four officers and one active athlete director shall constitute a quorum; the Committee shall by majority vote determine whether any such application shall be granted or denied, taking into account whether in the opinion of a majority of the Committee members any affirmative information regarding GR828.2f or .g causes other applicants to be considered more appropriate to serve as representatives of the sport and country in competing in foreign countries. Any such ruling by a majority vote of the Committee denying the privilege of a license to compete in foreign countries is final and not subject to appeal or review except where otherwise provided in the Constitution and By-Laws of the USOC, or where a review is granted in the discretion of the Committee, which upon further application may give further consideration to any applicant, may direct a hearing upon the application by the Committee or by the Hearing Committee, or may make any other ruling regarding the application considered by the Committee appropriate under the circumstances.

SUBCHAPTER 8-D SCHEDULING DURING COMPETITION

GR829 Length of Competition

1. A competition may not hold classes more than 16 hours out of any 24-hour period from the start of the first class to the finish of the last class, including intermissions. There must be a recess of at least 8 hours between the finish of the last class of an evening performance and the first class of a morning performance the following day. A fine in the amount of \$250 per hour or part thereof will be imposed for exceeding the 16-hour time limit or not allowing an 8-hour recess. Exception: Competitions offering only Hunter, Jumper and Hunter Seat Equitation classes may not run more than 14 hours of actual performance time. Warm-up sessions, judged or unjudged, are included except sessions held at the beginning of the day where no fee is charged.
 - a. If management disputes that the time limits were not exceeded and the above fine is not properly owing, it may request a hearing of these issues before a special committee appointed by the President provided a written statement specifying the grounds for the hearing is received at the Federation's office within 30 days of management's receipt of Federation's notice of fine. The special committee shall hear the matter and determine whether the fine is properly owing. The special committee may waive a part or all of the automatic penalty upon a finding of good cause why the time limits were exceeded and a finding that extreme hardship results from the automatic penalty.
2. All classes in any section for junior exhibitors in any one day must be held within a twelve-hour period, excluding intermissions.
3. No classes may be started after midnight.

GR830 Time Schedule

1. The announced order or time for classes may not be changed unless at least 12 hours notice of such change be given to each exhibitor and judge affected or each exhibitor affected consents in writing.
2. Provided the order of events is not changed, the Show Committee may call any class up to 30 minutes ahead of its scheduled time. Exception: Vaulting exhibitors must be given one hour's notice.
3. Once the first horse in a Reining class has been entered, shown and judged, the class must be run in entirety before commencing with the next scheduled class.
4. None of the above applies to Eventing (see EV107).
5. None of the above applies to Dressage. For Dressage Competitions, the following conditions apply: (1) Rides may be rescheduled up to one hour earlier or later than announced in the official schedule if each competitor is individually notified at least two hours prior to his/her rescheduled ride time. Rides within a class may be rescheduled in a different order. (2) Ride times or classes may not be changed more than one hour from the time announced in the official schedule unless 12 hours notice of such change is given to each exhibitor and judge affected or each exhibitor affected consents in writing to the change. Public address announcements, schedule changes posted on the show grounds or internet, and statements published in the prize list or entry documents do not meet the notification requirements of this rule.
6. None of the above applies to Western Dressage classes/competitions. For Western Dressage, follow the same conditions as listed in GR830.5.

GR831 Delay of Classes

1. When the start of any class requiring horses to be shown individually is delayed by horses not ready to perform, the competition may be closed at the order of the judges or Show Committee, provided a warning is issued and exhibitors are given three (3) minutes to appear at the in-gate ready to participate. (Exception: in hunter, hunter seat equitation and jumper classes with a specified jumping order, see HU159, JP112, JP135.14a & JP136.2.) In classes where horses compete collectively, a warning is issued and the in-gate must be closed two minutes after

GR8 - CONDUCT OF COMPETITIONS

the first horse enters the ring. (Paso Fino, see PF102.7) Judging must not commence until the gate is closed or at the end of the two-minute call. An official timer must be appointed to enforce this rule.

2. It is recommended that a starting enforce order be established in all classes in which horses compete individually and to allow one minute for an entry to enter the ring. At competitions using only one ring, a starting order must be established. If a jump order is used, it must be posted at least 30 minutes prior to the start of the class.

GR832 Interruption of Procedure

1. If weather appears to be imminently affecting the safety and welfare of horses and/or exhibitors, it shall be the responsibility of competition management (Exception: Eventing see EV110) to stop the competition until it is safe to recommence. If a competition in progress must be stopped due to a storm, accident, or other emergency, the Show Committee will decide whether to re-commence. Any interrupted classes may be re-commenced within the session in which they were originally scheduled or at a succeeding session of the competition. (Exception: Dressage GR832.7, Driving, Eventing EV110, Reining GR832.9.) If a Licensed Competition's Prize List does not advise exhibitors that refunds of entry fees will not be given in the event a class or classes, or all or part of the competition is cancelled due to a storm, accident or other emergency, the Licensee is required to refund entry fees for the cancelled class or classes upon written request by an exhibitor within 30 days of the cancellation.
2. The Show Committee will also decide whether awards for classes not held is warranted and called for. No Championship, awarded on points, can be awarded in any division, however, unless more than 50% of the scheduled classes in that division have been held. Any action thus taken by the Show Committee will not be referred to the Federation in as much as the matter is one of discretion and not regulation.
3. If a class is in operation at the time a competition is stopped, no placements involving Horse of the Year Awards will be made. If a tie for a Championship exists in the Hunter or Jumper division at the time the competition is stopped, points toward Horse of the Year Awards will be divided between the tied horses.
4. If classes are postponed to a day not included in the original competition dates, exhibitors are entitled to a refund of entry fees in the class postponed and are relieved of any obligation to show back in postponed classes.
5. If a class in which horses compete either collectively or individually is in progress and must be stopped due to a storm, accident, or other emergency, the following procedure shall govern (Exception: Dressage, Driving, Reining, Eventing, Jumper, Western Dressage):
 - a. If a class is continued during the same session or a succeeding session of the competition, the judge along with the steward(s) and management will decide:
 1. to hold the class over in its entirety in which case no scores credited in the first session will count, or
 2. to recommence the class where it was interrupted.
 3. In the case of a hunter classic, or a two round class and one round is complete; it may be decided to pin the class with the first round scores.
6. Jumper:
 - a. A Jumper Class that Management decides to postpone due to storm, accident or emergency per GR832.1 may be combined with a subsequent class in the same section with the prize money of the postponed class added to the prize money of the subsequent class. Management must make this decision prior to the first horse competing in the postponed class. The start fee for the postponed class will be added to that of the subsequent class and must be refunded to those declared competitors of the postponed class who choose not to declare for the combined class.
 - b. In a jumper class which has reached the jump-off stage when the class is stopped, only those competitors involved in the jump-off need compete in the succeeding session. Jumper classes scored under Table II, Sec. 2b or 2c, Table IV, Sec. 4b or 4c or Table V Sec. 2b or 2c must be held over in their entirety unless the competition is continued over the original course at a later session, in which case the class shall continue from the point

where it was stopped and scores earned by horses which have already competed shall stand.

7. Dressage: If it becomes necessary to interrupt a dressage competition for any reason, the unfinished portion may be recommenced and rescheduled for the same or following day at the option of the Show Committee with the Ground Jury's consent. All scores recorded before the interruption will stand. When classes are re-commenced after a delay on the same day, competitors must be given at least 30 minutes' notice of the starting time. Exhibitors whose ride times are changed to or on a subsequent day as a result of an interrupted competition or inclement weather conditions, must be individually notified at least two hours prior to a rescheduled ride time.
8. Eventing: See EV110.1.
9. Reining: If it becomes necessary to interrupt a reining competition for any reason, the unfinished portion may be recommenced and rescheduled for the same or following days at the option of the Show Committee and the judge(s). All scores recorded before the interruption will stand.
10. Western Dressage: see GR832.7.

GR833 Time-Out

A suspension of judging which may be requested by a competitor or directed by the judge(s).

1. A competitor is entitled to request a time-out for a period not to exceed five minutes in aggregate in order to make obvious adjustments or to repair broken equipment or to rectify a similar condition, or to replace a shoe (See GR804). (Exception: Arabian Hunter, AR108 and HU132.6; Arabian Jumper, AR108 and JP135.6; Dressage, GR833.9 and DR122.7j; Jumper, JP133.6; Hunter Seat Equitation, EQ107.4; Reining, RN103.5g; Vaulting, VA111). Time-outs are not allowed in Western Dressage.
2. If division rules allow a competitor to call for a time-out, the competitor may call only one time-out per class (Exception: Paso Fino and Welsh where a competitor may request a time-out no more than two times.) The penalty for exceeding the allowed time out(s) is for the entry to be excused.
3. To request a time-out for any such emergency, the competitor must go to the center of the ring (if possible) and or be acknowledged by the judge. The announcer will declare that a request for time-out has been made and permission granted; time will be taken from the moment such announcement is made.
4. If a horse casts a shoe in a class, time starts (after weighing, measuring and/or gauging has concluded, if applicable) when the farrier or his assistant touches the shoe or the horse. No more than three minutes will be allotted to find a shoe; if the shoe is not found, the exhibitor may elect to continue or withdraw. If a horse is removed from the ring for the purposes of shoeing, the steward or judge shall accompany and remain with the horse until it is returned to the ring or excused from the class.
5. Two attendants are permitted in the ring to assist a competitor during his/her time-out. If at the expiration of five minutes the repair has not been made, the competitor may proceed as is or be eliminated.
6. The steward or judge is responsible for timing unless an official timer is present.
7. Competitors who are not involved in a time-out may make minor adjustments that can be performed with the assistance of one attendant and not be charged with a time-out. Minor adjustments do not include replacing shoes.
8. At any time the judge(s) considers it necessary he/she may call for a time-out. Said time-out may be charged to a competitor that, in the judge's opinion, is responsible for the suspension of judging as long as the competitor is so informed by the judge prior to calling the class back to order.
9. None of the above apply to the Eventing, Dressage or Driving divisions; see specific division rules. Time-outs are not permitted in the Dressage or Western Dressage division.

SUBCHAPTER 8-E SCHOOLING

GR834 General

1. A Licensed Competition must provide a sufficient area for schooling horses. A separate schooling area must be

GR8 - CONDUCT OF COMPETITIONS
provided for each ring.

2. Adequate lighting must be provided in schooling areas used after dark.
3. In addition to the official schooling area, competitions should designate an exercise area.
4. Competitions offering A rated sections other than hunter and jumper must provide an exercise area at least 80' by 200' or its equivalent. If, due to space limitations, a competition does not have an adequate schooling area or a competition offering an A rated section cannot provide the required exercise area, one ring must be open for a minimum of 5 hours within each 24-hour period. Adequate lighting must be provided.

GR835 Designated Areas

Schooling over obstacles in the ring or over any part of an outside course is permitted only at the time designated by the Show Committee. All other schooling over obstacles is permitted only within clearly identified areas and only at times designated by the Show Committee. Schooling over obstacles in any other area of the competition ground or at any other time is prohibited.

GR836 Trail

A schooling area must be provided prior to and during trail classes with enough elements to adequately school a trail horse.

GR837 Hunter

1. Schooling areas for hunters must contain adequate hunter-type fences. A trotting fence, a vertical and an oxer are required. See also HU157.
2. It is recommended that separate schooling areas be provided for hunters. A separate schooling area and jumps should also be provided for ponies.
3. A supervisor of schooling must be appointed for the schooling area designated for hunters if the area is less than 20,000 sq. ft. in size or more than 500 horses are entered in the competition.
4. A Steward/schooling supervisor must be present in the schooling area during any Hunter class offering \$10,000 or more in prize money.
5. The Steward/schooling supervisor's decision regarding schooling fences, or tack and equipment in the warm-up area is final.

GR838 Jumper (See also JP103 and Appendix A)

SUBCHAPTER 8-F WELFARE OF THE HORSE

GR839 Cruelty to and Abuse of a Horse

1. Cruelty to or the abuse of a horse by any person at a Licensed Competition is forbidden, constitutes a violation under Chapter 7, and renders the offender subject to penalty. The Show Committee must bar violators from further participation for the remainder of the competition. It is the duty of the competition officials and any properly constituted humane organization to report to the Federation any person who indulges in this practice for such further action as may be deemed appropriate.
2. The Federation or the Judge, Steward, or TD may appoint a veterinarian to inspect any animal in competition. Refusal to submit an animal for examination by an authorized veterinarian after due notification shall constitute a violation.
3. Show Committees are encouraged to contact the American Humane Association, 1400 16th Street NW, Suite 360, Washington DC 20036, which will provide experienced humane inspectors to work with them in eliminating cruel practices.
4. The following acts are included under the words Cruelty and Abuse but are not limited thereto:

- a. Excessive use of a whip on any horse in a stall, runway, schooling area, competition ring or elsewhere on the competition grounds, before or during a competition, by any person. Except in emergency situations, any striking of the horse's head (on the poll and forward of the poll) with the whip shall be deemed excessive.
 - b. Rapping the legs of a horse with the butt end of a riding crop or other implement.
 - c. Use of any substance to induce temporary heat.
 - d. Manual poling with any object other than a bamboo pole.
 - e. Use of a wire or chain in conjunction with any schooling jump.
 - f. Use of electric device in schooling or showing.
 - g. Use of shackles, hock hobbles and similar devices (not to be construed as rubber or elastic exercising devices).
 - h. Showing a horse with raw or bleeding sores around the coronets, pasterns or legs.
 - i. Use of any explosive (e.g., fire crackers, torpedoes, fire extinguishers except in case of fire, etc.) or laser beam devices anywhere on the competition grounds, except in an exhibition or if required in class specifications.
 - j. Withholding of feed and water for prolonged periods.
 - k. Letting blood from a horse for other than diagnostic purposes.
 - l. Inhumane treatment of a horse in a stall, runway, schooling area, competition ring or elsewhere on the competition grounds, by any person.
 - m. Use of any object that prevents the horse's ability to close his mouth. (Exception: use of an oral speculum by a veterinarian or equine dentist to provide legitimate dental/oral medical care.)
 - n. Soring and/or the use of an action device on any limb of a Tennessee Walking Horse, Racking Horse, or Spotted Saddle Horse (each a breed not recognized by the Federation) in any class at a Federation Licensed Competition is prohibited. An action device is defined by the USDA as any boot, collar, chain, roller, or other device that encircles or is placed upon the lower extremity of the leg of a horse in such a manner that it can rotate around the leg or slide up and down the leg so as to cause friction or strike the hoof, coronet band, fetlock joint or pastern of the horse. (Protective bell boots or heel boots are specifically excluded from this definition). The use of a weighted shoe, pad, wedge, in conjunction with a hoof band or other device or material (commonly referred to as a performance package) placed on, inserted in, or attached to any limb of a Tennessee Walking Horse, a Racking Horse, or Spotted Saddle Horse (each a breed not recognized by the Federation) constructed to artificially alter the gait of such a horse, and which are not protective or therapeutic in nature, in classes at a Federation Licensed Competition is prohibited.
5. Any action(s) against a horse by a competitor or an exhibitor, which are deemed excessive by a judge, Federation steward, technical delegate or competition veterinarian, in the competition ring or anywhere on the competition grounds may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the Show Committee. Such action(s) could include, but are not limited to excessive use of the whip, spurs, or bamboo poles. Competitors and exhibitors have the right to contest any action taken pursuant to GR839.5 by filing a protest or grievance pursuant to Chapter 6 of the Rules for hearing and determination by the Hearing Committee.

GR840 Attention Getting Devices

Attention getting devices &/or other noisemakers (including but not limited to tape measures, blow horns, altered bamboo poles, explosives, etc.) are not allowed in and around the make up/schooling/warm-up and competition rings during scheduled competition sessions. (Except for the National Show Horse division.) Use of explosives and fire extinguishers by or for exhibitors/competitors (except in the case of fire) is not allowed on competition grounds at any time. (See also GR839.4i)

GR841 Soundness

Unless specific division rules state otherwise, all animals except stallions and mares in Breeding classes must be

GR8 - CONDUCT OF COMPETITIONS

serviceably sound for competition purposes i.e., such animal must not show evidence of lameness or broken wind.

Animals with complete loss of sight in either eye may be found serviceably sound at the Judge's discretion, except in a class over fences where a Judge may ask a rider to change horses.

GR842 Falls

The fall of horse and/or rider does not disqualify the competitor unless due to bad manners of the horse. Exception: Andalusian (see AL101.14), Dressage, Driving, Eventing, Equitation, Hunter, Jumper, Reining, Vaulting and Western classes, in which specific rules prevail.

GR843 Mandatory Reporting and Cooperation of Horse/Pony Collapse

This rule applies to collapses of horses/ponies. For purposes of this rule, a "collapse" is defined as a fall to the ground with no apparent cause at any time from when entries arrive at the venue until departure from the venue. Other falls are not considered to be a collapse and are defined in GR122 and specified division rules. Refer to GR1034.3 for reporting requirements for all other falls and accidents.

1. The trainer as defined in GR 404, or the owner if the trainer is unavailable, or the rider if the trainer and owner are both unavailable, shall notify the Steward/Technical Delegate as soon as possible but no later than three hours after such occurrence of any collapse of a horse or pony. When a collapse occurs outside of competition hours or before the competition begins, notification must occur as soon as possible but no later than three hours after the Steward/TD reports to the show or returns to duty.
2. The Steward/TD shall report to Competition Management and the Federation within one hour of notification of a collapse.
3. In addition to the duties set forth in GR 1034.3, the Steward/TD shall file an Accident/Injury/Equine Collapse Report Form or Equine Fatality Report Form with the Federation within 24 hours of notification, except in exceptional circumstances such as no internet access at the venue.
4. The Federation, at its expense, may appoint a veterinarian to inspect the horse or pony that has collapsed and provide a full report to the Federation. Refusal to submit an animal for examination by an authorized veterinarian after due notification shall constitute a violation of this rule.
5. Any horse or pony that collapses at a licensed or endorsed competition is subject to drug and medication testing in accordance with Chapter 4 of these rules. In the absence of a Federation testing veterinarian, a veterinarian appointed under paragraph 4 (above) or the official competition veterinarian is authorized to collect and submit fluid samples in accordance with these rules.
6. The rider, owner, and trainer as defined in GR 404 shall cooperate with the Federation as to any investigation it undertakes with respect to a collapse or death of a horse/pony. This includes providing information requested by the Federation within 10 days of the request.

GR844 Poling

1. If a Licensed Competition allows manual poling and the relevant state laws do not prohibit such practices, it must be done in the designated schooling areas. Manual poling is prohibited for all horses competing in Jumper classes at Regular Competitions. Horses found to be in violation of these rules by the Competition Steward or other Federation official shall be eliminated/disqualified from competing within the upcoming 24-hour period and shall forfeit all entry fees for such competition. In addition after consultation between Competition Management, the Steward, or other official involved, and a senior judge in the Jumper division additional penalties including disqualification from the balance of the competition may be imposed. Exception: Eventing Division (see EV111.2); Jumpers (see JP103.1).
2. Single poles of bamboo only (not rattan or any other material) must be used, and may not be filled with sand or any other foreign substance. They may be taped to prevent splitting but they may not be wired, contain tacks or have

a diameter of over 2" at the large end. Pole must be held by one person only, using either one or two hands. Pole shall not be supported by any other means (i.e., standard, cup, or ring fence). There shall be no ropes, lunge reins or any other devices attached to said poles. Exhibitors must furnish their own poles and no other object may be manually employed.

3. Manual poling is permitted at a vertical fence only but a bamboo pole may be used as an off-set bar at either a vertical or spread fence. An off-set bamboo pole is one which is placed at any height behind or in front of the elements of the obstacle itself instead of being placed in the same vertical plane or planes. The length of the "off-set" bamboo pole may not exceed the length of the obstacle's rails. No other form of off-set or false ground line (ground line cannot be behind the vertical plane of the face of the fence or more than 3 feet in front, any trotting rail or placement pole may not be less than 8' to fence) is permitted. The spread fence must be jumped in the right direction.
4. Violators will be automatically penalized by elimination of the horse involved from the class in which it is participating and the next succeeding class in which it is entered. If the violation occurs after the horse has completed its performance in a class or between classes, it will be eliminated from the next two succeeding classes in which it is entered. All such violations must be recorded in the Steward's Report and, if cruelty or abusive behavior is evident, it will be reviewed by the Hearing Committee for such action as may be deemed appropriate to the particular circumstances.

GR845 Equine Vaccination Rule

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

18. The exact date and location of competition.
19. A map and/or directions to the competition grounds.
20. For Local Competitions, the designation Local Competition must be on the cover.
21. Stabling.
 - a. Statement as to type of stabling and whether stall doors will be provided.
 - b. The prize list for competitions offering "A" rated Hunter sections must state that stabling will be offered and the cost must be included on the entry blank.
22. Statement as to method for establishing a jumping order for jumper classes.
23. Statement as to method for breaking ties for other than first place in jumper classes.
24. The prize list for competitions offering A rated sections and/or Jumper sections of \$10,000 or more, must be printed and available to exhibitors at least 21 days prior to the closing date of entries. For competitions offering a Jumper Class of \$25,000 or more, the prize list must be printed and available to exhibitors at least 30 days prior to the closing date of entries. Upon request, a copy of the competition's prize list must be provided by mail at no cost to the exhibitor.
25. All competitions must state the type of footing available in warm-up areas and competition arenas. The dimensions of the competition arenas must also be stated.
26. Competitions offering Dressage or Western Dressage classes must state the type of footing available in Dressage or Western Dressage warm-up arenas and Dressage or Western Dressage competition arenas.
27. If Jumper sections are offered which are not covered within the definitions contained in Chapter JP, full specifications (including eligibility requirements) must be contained in the prize list.
28. If Championships are offered in the Jumper Division, the prize list must state the method of determining those Championships (see JP110). If the Jumper Division offers Stake Classes, or other classes for which horses must qualify during the competition, the means of determining qualification must be stated in the prize list.
29. GR1301.7 must be published in the prize list in its entirety.
30. If local laws are more restrictive than the requirements of GR801 relating to protective headgear, the Licensee is required to publish the more restrictive local law (which shall control) in the prize list.
31. At competitions where the official veterinarian is on call, the prize list must include the time period when the veterinarian will be available to conduct measurements. If the veterinarian is required to measure at any time other than as stated in the prize list, the owner is responsible for paying veterinarian fees. See DR135.4-5 for more information on measurements at Dressage Competitions.
32. The Federation Prize List must direct competitors to the FEI Definite Schedule for information on FEI classes or include the FEI Definite Schedule in the Prize List. The Federation Prize List may identify the FEI Event Category

(ies), Level (i.e. CSI2*, CDI-W, etc.), and include the FEI classes in the tentative time schedule but for all other FEI technical information, competitors must be directed to the FEI Definite Schedule. Individual discipline omnibus' are exempt from this rule provided they direct competitors to the FEI Definite Schedule.

GR902 Class Specifications

1. All classes offered at Licensed Competitions for which specifications appear in the Rule Book must be governed by current specifications, to the end that uniformity will prevail in the competition and in the adjudication. To cover any omission it is recommended that the prize list contain the following statement in a prominent position: "EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH."
2. A Licensed Competition is not limited to classes listed in the Rule Book. If a special class is offered which is not included in the Rule Book, the prize list or competition web site must furnish detailed specifications.
3. All classes (rated or unrated) to be held on a Federation licensed date are governed by all applicable Federation rules. No unrecognized classes can be held on any Federation licensed date, except
 - a. Horse Trials at Eventing Competitions below the Preliminary Level,
 - b. Eventing Tests at all levels
 - c. Combined Driving below the Advanced Level
 - d. Classes at Regular or Local Competitions restricted to breeds or disciplines whose rules are not included in the USEF rulebook
 - e. Non-affiliated National Breed or discipline association classes
 - f. Vaulting levels/classes below A-Teams, **B Teams, C Teams, Senior Teams, Junior Teams**, Gold, Silver, **Bronze, Senior and Junior Individuals**, and Pas de Deux **and Junior Pas de Deux**.
 - g. Academy classes
 - h. Qualifying classes for Youth Reining classes or Reining classes at USA Reining and NRHA approved competitions.
 - i. Exhibitions for which there are no breed or division rules
 - j. **Hunter/Jumper competitions designated "Outreach" competitions by USHJA are limited to either one competition day or multiple competition days with a maximum of two competition rings (one hunter ring and one jumper ring) per day. BOD 2/29/16 Effective 12/1/16**
 - k. These above named classes/levels can be held as unrecognized only provided a separate entry blank is used and the prize list and/or Omnibus clearly states that the classes are not recognized by the Federation. See GR301.
 - l. Exception: FEI rules take precedence as to international classes and events over Federation rules at all FEI Sanctioned Competitions. Federation rules take precedence as to national classes and events which are not FEI Sanctioned at FEI Sanctioned Competitions. In connection with Endurance Riding Events, the Federation shall nationally enforce the prohibition of the gastric ulcer medications ranitidine and meprazole, in accordance with GR410. See GR301.

GR903 Preliminary Correction Service

A draft of a prize list may be sent to the Federation for advance corrections and suggestions, provided two copies are submitted and at least two weeks are allowed to make a thorough analysis. There is no fee for this service for competitions in their first two years of membership; but thereafter a fee of \$10 for each competition day or \$50 maximum will be charged. The fee must accompany the two drafts.

GR904 Changes in Prize List

If the prize list must be changed after it has been distributed to potential exhibitors the following procedures must be

GR9 - PRIZE LISTS

followed. Notification of specific changes to a prize list must be made to the Federation and exhibitors via email or mail as well as being posted on a competition's website. This will serve as notification for the requirements of this rule. In the cases where electronic communication is not available, then notification must be made as specified under this rule.

1. If errors are discovered or changes made up to 10 days prior to the closing of entries, notify potential exhibitors in writing of the specific changes.
2. If errors are discovered or changes made after that date, notify exhibitors on receipt of entries, and in writing when they arrive at the competition of the specific changes.
3. If classes are omitted or premiums decreased, notify only affected exhibitors 5 days prior to the competition in writing, by e-mail or by wire, thereafter these classes cannot be reinstated. In this instance, entry fee refunds must be given in all cases. (For Jumper Division, see JP108.2)
4. If classes are added or premiums increased, unless required under division rules, notify potential exhibitors in writing, by e-mail or by wire at least 5 days prior to the competition. Post entries must be accepted in such classes without a post entry penalty fee.
5. If the change in (3) or (4) adds a new division or section or alters a division's or section's rating, permission therefore must be obtained from the Federation at least 30 days prior to adoption.
6. Competitions are allowed to add additional classes from the following divisions as competition management deems necessary: Andalusian/Lusitano, Arabian, Connemara, Friesian, Hackney, Morgan, National Show Horse, Roadster, Paso Fino, Saddle Seat Equitation, American Saddlebred and Shetland. Unrated Hunter classes may be added as competition management deems necessary. If classes are added less than 5 days prior to the competition (See GR904.4), competition management must advise exhibitors of the additions upon check in, post notices in the competition office, and make the appropriate announcements during the competition.

GR905 Entry fees

An established entry fee figure must be clearly stated in the prize list for all Hunter classes. Once that figure has been printed it may not be changed regardless of the number of entries shown.

SUBCHAPTER 9-B ENTRY BLANKS

GR906 Requirements

1. The entry blank of each Licensed Competition must contain the name, age (if nine years or over, the term aged may be used), sex, color and in case of all horses four years old or over, the height of each horse entered in any class. This information is not required for Four-in-Hand, Team, Collection, Championship and other classes in which the conditions state that the entry need not be named.
2. For disciplines recognized by the FEI at non-breed-restricted events, the entry blank of each Recognized competition must contain the citizenship of the riders, drivers and vaulters.
3. The entry blank must contain a space for an emergency contact phone number.
4. The entry blank or prize list of each licensed competition must contain the following statement ("Federation Entry Agreement"), printed as below; failure of a Licensed competition to print this rule on every entry blank or prize list and to require that the entry blank be signed constitutes a violation of the rules and the competition is liable to penalty under GR707. If the Federation Entry Agreement is printed only in the prize list, the entry blank must contain the following abbreviated statement in lieu of the entire rule:

Federation Entry Agreement

I have read the United States Equestrian Federation, Inc. (the "Federation") Entry Agreement (GR906.4) as printed in the Prize List for [insert name here] ("Competition") and agree to all of its provisions. I understand and agree that by entering this Competition, I am subject to Federation Rules, the Prize List, and local rules of the competition. I agree

to waive the right to the use of my photos from the competition, and agree that any actions against the Federation must be brought in New York State.

The complete statement is as follows:

FEDERATION ENTRY AGREEMENT

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the "Federation") and the local rules of the competition.

I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules.

I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered.

I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cablecasts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation.

The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR908.4.

SUBCHAPTER 9-C SUBMISSION, ACCEPTANCE, AND REFUSAL OF ENTRIES

GR907 Requirements

1. When Entries are based strictly on a first-come, first-served basis: if the prize list restricts entries to mailed entries it must specify that entries may only be received by mail postmarked on or after a specified date which must be at least two weeks subsequent to the issuance of the prize list; if entries are to be made by other means (e.g. by hand, by fax, email or other electronic submission) that must be clearly specified in the prize list together with the earliest date for receipt which must be at least two weeks subsequent to the issuance of the prize list; competition management must maintain and make available for examination accurate records regarding proof of receipt of entries (e.g. postmarks, fax, email and other electronic transmittal records, hand delivery receipts); the prize list must further specify that entries will be accepted based solely on the priority of receipt of entries, and that ties regarding entries received at any time on the same day will be broken by lot on a date, time and location specified in the prize list with the right of any potential entrant to be present in person or by representative at the drawing of lots.
2. In Breeding classes (except Dressage/Sport Horse Breeding), provided a stud book exists for the horse in question, each horse must be registered in the recognized stud book of the breed and its registered number, sire and dam must be given on the entry blank. Horses competing in Dressage Sport Horse Breeding (DSHB) classes are not required to be registered with any stud book, but if a horse is registered with any breed, the name of the breed, sire, dam, dam sire and breeder must be given on the entry blank. For unregistered horses competing in DSHB classes, the above information is strongly recommended, if available.
3. Horses over two years of age must be named and the same name must be listed in all classes except those that permit nominations after the close of entries. If a horse has been recorded it must be entered under its original

GR9 - PRIZE LISTS

recorded name unless the name has been officially changed under the provisions of GR1101. It must also be entered under the name of the owner or lessee of record, or of the registered exhibitor name, which must appear in the catalogue. When entered by an agent, the owner's name or lessee's name must also be given.

4. Misrepresentation of a horse's identity, name, height, age, eligibility for the class, registered or recorded number or other information on an entry blank for the class in question results in the exhibitor's forfeiture of any ribbon, trophy, cash prize or other award won by such misrepresented or substituted animal. For Dressage Competitions, any documentation such as negative EIA certification that is required for entry to a competition must list the same horse name and description as is listed on the entry blank and on the USEF horse identification or recording documents. The exhibitor is liable for further penalty as described in GR703.
5. Misrepresentation of the identity of the trainer responsible for the training, custody or performance of a horse by any person shall constitute a violation of the rules (see also GR147).

GR908 Agreement

1. Every entry at a Licensed Competition constitutes an agreement that the person making it, owner, lessee, trainer, manager, agent, coach, driver, rider, handler, vaulter, longeur, and the horse are subject to the Bylaws and the rules of the Federation and the local rules of the competition. Exhibitors are cautioned to abide by restrictions concerning exhibiting horses before judges as provided for in GR1304. Participants utilizing an online entry system for a Licensed Competition do so with the agreement that they have read the Official Prize List and agree to follow all the class specifications, requirements and conditions in the Official Prize List.
2. Every exhibitor, rider, driver, handler, vaulter, longeur, coach and trainer or his/her agent(s) must sign an entry blank. In the case of a rider, driver, handler, vaulter or longeur under the age of 18, his/her parent or guardian, or if not available, the trainer, must sign an entry blank on the minor's behalf. Unless specifically provided otherwise by law, any of the above persons may alternatively sign an entry blank in electronic form which shall have the same validity, force and effect as a signature affixed by hand. If any of the above persons fails to do so, his/her first entrance into the ring as an exhibitor, rider, driver, handler, vaulter or longeur shall be construed as his/her acceptance of the rules of the competition involved and of the Federation and shall ipso facto render him/her subject to said rules. Upon the failure of an owner, trainer, rider, driver, handler, vaulter, longeur, coach or agent(s), or parent or guardian or trainer of a minor rider, driver, handler, vaulter or longeur, to sign an entry blank as required, and upon confirmation of any such violation(s) by the steward or secretary of the competition, such person(s) shall be subject to an automatic fine of \$250 imposed for each such violation.
3. Violation of the rules in connection with entries may be cause for disqualification of the exhibitor, rider, driver, handler, vaulter, longeur, coach and trainer by the Directors of the Licensed Competition (see GR1218.4) and for report to the Federation.
4. The Federation, incorporated in 2003, is a New York Not-For-Profit corporation. Pursuant to Chapter 6, the construction and application of Federation rules are subject to the laws of the State of New York. It is expressly agreed by and between the Federation and its members and any other persons in any way participating or in any way seeking to participate in a Licensed Competition or otherwise utilizing or seeking to utilize the privileges or services of the Federation, that any lawsuit (except for an arbitration pursuant to Bylaw 705 of the Federation) brought against the Federation by or on behalf of any such member (whether or not still a member at the time such suit is brought), or by or on behalf of any such person, shall be commenced and adjudicated only in the United States District Court for the Southern District of New York or in the Supreme Court of the State of New York, County of New York, to the exclusion of the courts of any other jurisdiction or venue.
5. The entry blank of each Licensed competition must contain the following USEF RELEASE as printed below, in an easily visible location, separated from any other language on the entry blank, and appearing immediately above or next to the required signatures as specified in GR908.2. No other material may come between this RELEASE and

the required signatures.

6. All USEF fees appearing on the entry blank must be grouped together in one section of the page, preferably in a box separating them from other fees.

Release, Assumption of Risk, Waiver and Indemnification

This document waives important legal rights. Read it carefully before signing.

I AGREE in consideration for my participation in this Competition to the following:

I AGREE that “the Federation” and “Competition” as used herein includes the Licensee and Competition Management, as well as all of their officials, officers, directors, employees, agents, personnel, volunteers and Federation affiliates.

I AGREE that I choose to participate voluntarily in the Competition with my horse, as a rider, driver, handler, vault-er, longeur, lessee, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death. (“Harm”).

I AGREE to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results, directly or indirectly, from the negligence of the Federation or the Competition.

I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse while at the Competition.

I have read the Federation Rules about protective equipment, including GR801 and, if applicable, EV114, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries.

If I am a parent or guardian of a junior exhibitor, I consent to the child’s participation and AGREE to all of the above provisions and AGREE to assume all of the obligations of this Release on the child’s behalf.

I represent that I have the requisite training, coaching and abilities to safely compete in this competition.

I AGREE that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form.

BY SIGNING BELOW, I AGREE to be bound by all applicable Federation Rules and all terms and provisions of this entry blank and all terms and provisions of this Prize List. If I am signing and submitting this Agreement electronically, I acknowledge that my electronic signature shall have the same validity, force and effect as if I affixed my signature by my own hand.

SEE PRO FORMA AT END OF THIS RULE

GR909 General

1. Entries must be made in writing and signed by the (1) exhibitor (2) the rider, driver, handler, vaulter or longeur, (3) the trainer, and (4) the coach, if applicable, or by the agent(s) of such person(s) and must be accompanied by funds to cover entry fees, stall fees and Federation fee (see GR208.1). In the case of a rider, driver, handler, vaulter or longeur under 18, his/her parent or guardian, or if not available, the trainer, must sign an entry blank on the minor’s behalf. Or: by transmitting the required entry data to a designated collection agent via the internet, accompanied by a valid credit card payment to cover entry fees, stall fees, Federation fee (see GR208.1) and applicable processing fees, and including the name(s) of the (1) exhibitor, (2) rider, driver, handler, vaulter or longeur, (3) the

GR9 - PRIZE LISTS

trainer, and (4) the coach, if applicable. The secretary of the competition will accept such an entry as complete (see 1.1 below).

- a. In the case of on-line entries, no competition number will be issued until the Competition Secretary has received an entry form, the signatures of the (1) exhibitor, (2) the rider, driver, handler, vaulter or longeur, (3) the trainer, and (4) the coach, if applicable, or of the agent(s) of such person(s). In the case of a rider, driver, handler, vaulter or longeur under 18, his/her parent or guardian, or if not available, the trainer must sign an entry blank on the minor's behalf.
 - b. Submission of on-line entry accompanied by a valid credit card or other type of electronic payment shall be construed to be acceptance by the person(s) named in the entry of the provisions of GR906-GR908 and GR911-GR914.
 - c. Electronic signatures on an entry form and in online entry systems must be submitted and accepted in compliance with applicable laws in the location where the competition is held.
2. In the event that a catalogue contains a statement as to an entry not in accordance with the exhibitor's original entry blank, it is the duty of the Show Committee to take all steps necessary, including public announcement, to correct the error, giving precedence to the exhibitor's entry blank and not the catalogue in error, as authority.
 3. In the Dressage or Western Dressage Division and for open dressage or western dressage classes at Regular and Local Competitions, all entries received by the closing date of entries shall be acknowledged by the competition secretary. (Note: This would include DSHB, but not breed-restricted dressage classes.)

GR910 Post Entries

1. Post entries are any entries made after the advertised closing date.
2. Post entries should not be encouraged in classes listed in the prize list since this practice often results in unfair competition, confusion during the competition, inability to collect the proper fees, extreme difficulty in recording winnings of horses not listed in the catalogue and disruption of the time schedule. Furthermore, the exhibitor and his horses are worthy of having their names in the program. In the interest of good sport, a Show Committee is strongly urged to require that entries be made in advance and printed in the catalogue. This does not apply, however, to classes in which the prize list states that post entries will be accepted, such as pairs of saddle horses, hunt teams, etc.
3. When a Licensed Competition does not accept post entries it must be stated in the prize list and no exceptions can be made.
4. When a Licensed Competition does accept post entries it must be stated in the prize list and post entries can only be accepted prior to the starting of the class and upon signature of exhibitor or his agent and trainer.

GR911 Substitutions

1. Substitution of a horse may not be made after the announced date of the closing of entries, except in classes where more than one horse represents an entry (i.e., Pairs, Teams, Tandems). In such cases substitution of one horse may be made provided a veterinarian's certificate of disability is submitted. (Exception: Friesian) (Local Competitions exempt).
2. If a horse is sold or injured after the closing of entries, Competition Management may allow an exhibitor to post enter another horse in the same class but the new entry must be given another number.
3. Substitution of a rider or driver or longeur may be made during a class only under the following conditions:
 - a. in case of injury to or illness of the original rider or driver or longeur;
 - b. in a Combination class unless the prize list states that the same rider or driver is required for the entire class;
 - c. in a Reining division when one rider may show several horses in the individual workout. See RN101.5.
4. Substitution of rider is not allowed in Equitation classes.

GR912 Cancellation and Withdrawal of Entries

1. A Licensed Competition may adopt its own policy covering the refunding of fees to an exhibitor who cancels his entries after the official closing date and prior to the competition's beginning. If a Licensed Competition does not specify its refund policy in the prize list, refunds are required to be made for entries cancelled before the competition begins, upon written request by the exhibitor within 30 days of the competition.
2. A Licensed Competition can set the penalty governing an exhibitor who is permitted to cancel his entries or withdraw from the competition. Such penalty applies only at the competition in question. See GR1305.
3. Competition management must refund any entry fees, (stabling and processing fees exempted) paid in advance by an exhibitor for any horse(s) which is subsequently named to an official US team, participation on which will prevent him/her from competing in that competition.
4. After the competition starts, if a rider is unable to compete due to illness or injury, class fees will be refunded upon presentation of a doctor's certificate unless otherwise stated in prize list. Stall fees and office fees need not be refunded.

GR913 Unpaid Entries

1. Any Competition Licensed or endorsed by the Federation which accepts entries without the payment of the required fees, does so at its own risk and the Federation will not be responsible for the collection of fees (See also GR1213.10). However, if a person makes payment for fees which is not negotiable, the Licensed Competition, after first contacting the individual at least once in writing (with delivery confirmation), may report the name and address of the person in writing to the Federation within 150 days of notification of denied payment, (See GR1213.1) giving the names of the horses and the names and complete addresses of the owners for which the non-negotiable funds were to cover, a copy of the entry blank, a copy of the front and back of the check or receipt with credit card information and signature, and a copy of the delivery confirmation showing the competition's attempt to notify the individual of the non-negotiable payment. The amount of all fees for each horse must be itemized. On receipt of such notice, the Federation will notify said person, of his or her indebtedness to the competition as well as the imposition of a processing fee in the amount of \$50 payable to the Federation. If the person fails to make settlement with the competition and/or the Federation within 30 days from the date of the notice from the Federation, he or she will be fined the additional sum of \$250 payable to the Federation and he or she and any horses owned by him or her and any horses and/or persons for which the non-negotiable sums have been paid will automatically be barred from taking any part whatsoever in any competition Licensed or endorsed by the Federation until settlement is made both of indebtedness to the competition and to the Federation. If the indebtedness to the competition is paid within thirty days of the notice from the Federation and only the \$50 processing fee is not paid to the Federation within that timeframe, the Federation will assess a \$250 fine and the suspensions as referenced above will remain until the debt to the Federation is paid in full. Publication of the suspension will be published on the Federation's website. Exception: Persons who are engaged to compete on horses owned by individuals with whom they have no current business relationship regarding the ongoing training, care, custody, or control of the horse are not responsible for indebtedness under this rule provided that said persons have not tendered the non-negotiable payment.
2. If the person disputes that the amounts in question are owing or unpaid, he or she may request a review of these issues before the Hearing Committee provided a written statement specifying the grounds for a review, accompanied by a fee of \$100 (which will be refunded if the dispute is settled in favor of said person) is received at the Federation's office within said 30 day period. The Hearing Committee is the only entity that can waive the fines assessed as the result of this rule.
3. In the event a person is reported three or more times for making unnegotiable payment for entry fees, etc., to any competition Licensed or endorsed by the Federation, he is, after a hearing, subject to further disciplinary action.

GR914 Refusal of Entries

1. In addition to entries of persons suspended or expelled from the Federation, a Licensed Competition may refuse any entry of an exhibitor or the participation of any agent, trainer, rider, driver or handler who has shown an objectionable attitude or behavior at a Licensed Competition or towards its management, which management is able to substantiate, or previous unsportsmanlike behavior at a Licensed Competition which management is able to substantiate.
2. A competition licensed by the Federation and an affiliate association may refuse the entries of horses and riders in Maiden, Novice, Limit and Green classes if they are ineligible under the rules of the Affiliate Association, except for:
 - a. A class open to horses in a specified area (Examples: State Championship, New England Championship, and Kentucky-bred horses).
 - b. A class where the winnings form part of a total score in a competition for a trophy,
 - c. Classes in which the identical award may also be competed for at another Licensed Competition.
 - d. Classes counting for USEF Horse of the Year Awards.
3. If a horse is withdrawn or eliminated from competition during a horse inspection at any FEI licensed competition, it is prohibited from competing at any concurrently held Federation licensed competitions within 48 hours following the FEI Horse Inspection.

GR915 Limiting Entries

1. Management can limit the number of horses entered by an owner and the number of horses ridden by a rider.
2. Any competition that sets restrictive criteria for accepting entries and/or offers classes or events which are part of a league, series or other ranking or award system must do so by meeting the applicable requirements described below:
 - a. Based strictly on a First-Come, First-Served basis (See GR907.1) under this method the prize list must be distributed at least two weeks prior to close of entries to any person requesting a prize list as well as at least three times the number of potential entrants as there will be entries accepted.
 - b. Qualification based only on winnings: (i.e., ribbons and/or prize money or dressage scores during a specified time period, of at least eight (8) consecutive weeks' duration, established by Competition Management and published in the prize list or otherwise prior to the end of the specified period. (See applicable breed/discipline rules for further requirements under this rule).
 - c. By Council Approval: Any other competition wishing to set restrictive criteria for accepting entries other than as specified above must make written application to the applicable Council, accompanied by a nonrefundable fee of \$50, at least 120 days prior to the event detailing the criteria being requested. The Federation office may refer the application to the appropriate discipline or other committee for its recommendation regarding the application prior to the application and any recommendation being considered by the Council. The Council will consider such recommendations and may approve any such applications in its discretion and may condition any such approval in its discretion, and must require, if approved, that there be publication in the prize list or otherwise of such restrictive criteria sufficiently in advance of the closing date of entries, where appropriate, for all interested to have a fair opportunity to enter. The foregoing provisions do not apply to national championships, qualifying events for national championships, and any other events with selection criteria approved by the Board of Directors.
3. Leagues, Series, and Finals:
 - a. Definitions:
 1. "Finals" means any championship, trophy or other award final, league final or other final class or final event with entries based upon the outcomes of earlier contests.
 2. "System" means classes or events which are part of a league, series, ranking/tracking lists or championship,

final trophy or other award system, whether or not generated or tracked by a computer program or otherwise.

- b. All of the following requirements must also be met:
1. The league or series must be run under the auspices of either a Recognized Affiliate or an Alliance Partner of the Federation.
 2. All the qualifying classes must be held at licensed competitions or at competitions recognized by a Recognized Affiliate or an Alliance Partner of the Federation.
 3. The league or series must award the qualifying classes to licensed competitions on an equal basis. If a licensed competition meets the requirements to hold a qualifying class and wishes to do so, it must be given the opportunity.
 4. The organization or individuals financially responsible for the system must be USEF Members, Federation Recognized Affiliates, or Federation Alliance Partners and must agree to be bound by and comply with all applicable Federation rules in the conduct of the system and its application in the league or series.
 5. If there is an award category for classes in the league or series and the above requirements are met, HOTY points will be awarded for the qualifying classes and for the finals held at licensed competitions.
 6. If the finals of a league, series or other ranking system are not held at a licensed competition, HOTY points for the finals will not be awarded.

GR916 General Conditions

The **Federation** will issue an official's card to each approved applicant. Cards are valid for the current competition year only. **Decisions of the Licensed Officials Committee are subject to the approval of the Federation.***BOD 11/7/16 Effective 12/1/16*

GR1002 Applications

1. The Committee will carefully review all applications, solicit confidential evaluations from the appropriate Breed/Discipline Committee members and others as it may elect as provided in Chapter 10, Subchapter 10-I, including names furnished by the applicant, and consider returned questionnaires, competition reports, any letters received regarding the applicant and other relevant information submitted to the Committee. For all applicants, the Committee will request and give due consideration to recommendations received from Recognized National and FEI Affiliates before granting a new license or promotion. All such submissions shall be strictly confidential, shall not be subject to examination by the applicant, and shall be made available only to Committee members and staff. All applicants specifically waive their rights to examine such submissions. Following careful and thorough consideration of an application along with all materials received relating to it, the Committee may at its discretion deny a license for reasons above and beyond the minimum licensing requirements. In reviewing the application, the Committee will consider concerns regarding division knowledge, professionalism and decorum, skill development, experience, requisite skills or lack of support.
2. The Committee may in its discretion revoke a current license, place a license on probationary status, reduce a license by one level, temporarily suspend, or refuse to renew an official's license at its expiration following a hearing on at least ten days written notice to the official in question who shall have the right to appear, to be represented, and to bring witnesses. The Committee shall issue its written ruling specifying the substance of the Committee's reasons for said decision without breaching the confidentiality of any of the foregoing submissions.
3. The Committee at its discretion may reinstate an official who has allowed his/her license to lapse for one year or may require him/her to reapply.
4. All applications whether for initial enrollment, renewal, promotion, or for change of status or recommendation to the FEI shall contain a statement to be signed by the applicant, indicating that the applicant waives his/her right to review confidential submissions and the file, and has read and understands the rules governing the application process, and agrees to be bound thereby.

GR1003 Review

1. Any person whose application for enrollment, renewal, promotion or change of status or for recommendation to the FEI has been denied or whose license has been revoked, placed on probationary status, reduced by one level or temporarily suspended may request a review by the Licensed Officials Committee to reconsider the decision. The request must be in writing and mailed to the Licensed Officials Committee within 30 days from receipt of the written ruling of the Committee sought to be reconsidered and accompanied by a check for \$300 payable to The Federation, which is non-refundable.
2. The review shall be after ten (10) days written notice to all parties concerned. The notice shall contain a brief statement of the facts supporting the position of the Licensed Officials Committee and shall specify the time and place at which the review is to be held. The person requesting the review may attend and may bring witnesses, sworn statements or other evidence on his/her behalf. Upon the written request of a representative of the Licensed Officials

Committee or the person requesting the review, there shall be furnished before the Committee any evidence to be introduced, the names of witnesses and the substances of their testimony; however, all confidential submissions received by the Committee shall be maintained as confidential and shall not be provided to the applicant.

3. Following an adverse decision by the Licensed Officials Committee with regard to a non-renewal or revocation only, an applicant may request the Hearing Committee to review the decision or to consider a hearing de novo, provided such application is made in writing within 20 days of receipt of the Licensed Officials Committee decision, and provided a nonrefundable fee of \$500 payable to The Federation accompanies the application. The Hearing Committee may review the decision, or in its discretion, hold a new hearing. In either case, both the applicant and the Licensed Officials Committee shall be parties to the proceeding and shall have the right to make written submissions, be represented by counsel, and in the event of a hearing, to appear in person and present or cross-examine witnesses.

GR1032 General

1. Failure of an official to attend a competition with which he has a signed agreement or failure to perform his duties in accordance with the rules, or to officiate in the classes to which he is assigned shall constitute cause for disciplinary action as provided for in Chapters 6 and 7, except in cases of extreme emergency.
2. Any official found guilty of cruelty to a horse or to have killed, abandoned, mistreated, neglected or otherwise abused a horse, by an administrative agency, body, humane society or court of law, whether such court or tribunal is civil, criminal or administrative may have his license(s) revoked.
3. No official is to be housed in a private home unless he has agreed before the competition.
4. In the event that an official officiates at a competition where he is ineligible, the official may be penalized as described in GR703.

GR1033 Judges

1. Good judging depends upon a correct observance of the fine points and the selection of best horses for the purpose described by conditions of the class. A judge serves three interests: his own conscience, exhibitors and spectators. He should make it clear that the best horses win.
2. When judges are required to judge independently on a multiple judge panel, each judge must meet the requirements as outlined in Rules GR1004 through GR1011.
3. Except in the discharge of their official duty, the use of cellular phones or other similar communication devices, including computers, by judges while in the ring (including center ring), judges' box, judges' stand or on any part of a course during a competition is strictly prohibited.
4. A judge is obligated to adjudicate each division, section and class in conformity with the rules and specifications of that division, section and class as they appear in the Federation Rule Book. He is expected to be proficient in his division and to possess a thorough knowledge of the rules of the Federation.
5. The attention of judges is directed to the difference in requirements covering Maiden, Novice, Limit, Junior, Amateur and Ladies' classes versus Open classes. These differences must be observed in adjudicating classes.
6. The decisions of each judge constitute solely his individual preference and not as opinions of or decisions by the Federation. For decisions of a judge in regard to soundness, see GR1204.
7. Consulting with a Veterinarian
 - a. Only the judge may call a veterinarian during a class but is encouraged to do so if his opinion necessitates the disqualification of an entry. The judge shall give the numbers of the horses in question and the veterinarian shall render his finding. If the veterinarian is not immediately available or not called upon, the judge's decision as to

- b. the serviceable soundness of a horse shall be accepted for the purpose of disqualifying a horse from showing in that class and shall be final. (Exception: The decision of the judge as to the serviceable soundness of a horse in Hunter classes is final, however the competition veterinarian may be consulted.)
 - c. In regard to possible whip marks, or other matters other than soundness that are pertinent to the welfare of the horse, the judge may consult with a veterinarian during a class. The final decision rests with the judge.
 - d. None of the above applies to Dressage, Driving, Eventing or Western Dressage. See DR122.6, EV134.8 and WD125.8.
8. When a judge is used as a referee and is called upon to break a tie, the other judges must give the ringmaster only the numbers of the two horses tied. The ringmaster will then take these to the referee who will indicate his preference by circling the number of his choice. The ringmaster will then return this written decision to the other judges who will proceed with the remaining placements, as the breakage of a tie for one placement by the referee does not automatically place the losing contender of the tie in the next position. This procedure is to be followed for each placement in turn, as ties occur. The referee shall turn in a judge's card only when called upon to break a tie, in which case only his tie breaking decision shall be indicated on the card.
 9. All placements stated in the prize list/omnibus shall be awarded, beginning with first place and proceeding in order through all placements, unless there is an insufficient number of entries or an entry is eliminated, excused, or disqualified.
 10. It shall be the prerogative of the Licensee to designate a particular system of judging and to post a complete order of placement for public inspection. Judges accepting an invitation to officiate must recognize the Licensee's prerogative. Unless the Licensee designates a particular system of judging when an invitation is issued, a judge is not required to use a particular system of judging. *BOD 11/7/16 Effective 12/1/16*
 11. A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, driver, handler, other exhibitors or their entries.
 12. A judge must order from the ring any rider, driver or handler who exhibits inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any exhibitor, their entries or the safety of class officials.
 13. When over 40 horses or riders are entered in a performance class in which horses compete together, a judge must divide the class and work it in groups of less than 40. Unless individual tests are required in the class routine, he shall bring the top contestants from each group back into the ring for final adjudication. (Exception: See AR107.7d and DR126.1a(4)).
 14. In classes which have a maximum weight and/or measurement for shoes, the judge himself must immediately weigh and/or measure any shoe that is cast. In such classes the judge may not excuse an entry from the ring until satisfied that the entry has not cast a shoe.
 15. In the Western and Western Seat Equitation division, when a single judge system is used, judge's cards shall be considered final and shall not be changed after the completion of the presentation of awards for that class.
 16. Judges' cards and/or official score sheets are to be signed by the judge and retained (with the exception of score sheets returned to the exhibitor) as part of the competition's official records for a period of no less than three years. Electronic signatures through a PDA or similar device used to record scores will fulfill the signature requirement.
 17. Judges must commence and complete classes in accordance with GR109.

SUBCHAPTER 11-A HORSE IDENTIFICATION AND RECORDING

GR1101 Horse Identification Number and Horse Identification Form

1. All horses competing in Federation licensed competitions must be properly identified. For all such competitions, entries for each horse must include either a Federation-issued Unique Horse Identification Number or a registration number from a Federation Recognized Affiliate. Additionally, a Federation Recognized Discipline Affiliate may require horses to be registered with their organization, and if so, the entry must also include that registration number.
2. The Federation will issue only one Unique Horse ID Number per horse. This Unique Horse ID number must subsequently remain with the horse in perpetuity, and shall not be changed for any reason, including upgrade from Unique Horse ID to a Recording, change of ownership, change of name, or death.
3. Prior to submitting an application for a new Unique Horse ID number, it is the owner's responsibility to verify the current ID status of a horse through a Horse Recording/ID search, (the assistance of Federation staff may be requested). Anyone who knowingly seeks to obtain an additional Unique Horse ID Number for a horse which has previously been issued one is subject to disciplinary action.
4. The Federation must be notified of any change of ownership and/or competition name of the horse.
5. Owners are requested to notify the Federation of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.
6. A Unique Horse ID number can be upgraded to Federation recording. The Unique Horse ID Number will remain the same.
7. Applications for Unique Horse ID Numbers and/or recordings can be completed online at www.usef.org using the Horse application form which can also be downloaded. The ID application form is also available on request from the Federation office, and from competition management.
8. Competition management is responsible for notifying exhibitors in their prize lists of the Unique Horse ID Number requirement, and availability of Horse ID Number application forms.
9. There will be no charge for Unique Horse ID Numbers that are issued via the internet to members of USEF or its affiliates for: 1) horses that are life recorded, registered or otherwise identified or listed with a USEF discipline affiliate, or 2) horses registered with a USEF breed affiliate. Horses not meeting the above criteria must have a completed USEF Horse application indicating on the application the request for a Horse ID before a number will be issued. - recorded in the name of the current owner or lessee of record and unless they are entered in qualifying classes under their official recorded names and ownership. The responsibility for such recording rests entirely with the exhibitor.
4. Horses competing in divisions restricted to a particular breed may be recorded with the Federation under any name but if registered in a Breed Registry, the registered name must also be given.
 - a. To maintain breeding identification, exhibitors may not shorten horses' names by dropping registered prefixes.
 5. Horse recording applications are available from the Federation office or online at www.usef.org. The recording fee is discounted for the life of a horse if applied for from birth to December 31st of year foaled; for horses one year of age (if applied for from January 1 to December 31 of the first year after foaling); and for horses two years of age (if applied for from January 1 to December 31 of the second year after foaling). For horses three years of age or older there is no discount for a life recording. A recording may also be activated on an annual basis, using each horse's Unique Horse ID number. Exception: Horses must be recorded for life to be eligible to receive FEI or National Passports. To qualify for the age discount, registration papers and/or other proof of age must be provided. SUBCHAPTER 11-D HORSE OF THE YEAR AWARDS AND NATIONAL CHAMPIONSHIPS

GR1109 General

The Federation offers annual Horse of the Year Awards on a national, district, regional and zone level, in numerous divisions. The purpose of these awards is to encourage participation at Federation Licensed Competitions. In making the awards the Federation in no way implies that the winners are the best in their respective divisions (although they may well be) but certifies that these animals are properly recorded for competition purposes, and registered with the USHJA if competing for awards defined in GR1131, GR1132 or GR1133, are exhibited by the recorded owner, who must be a Federation Member, and USHJA Member if competing for awards defined in GR1131, GR1132 or GR1133, and acquired the greatest number of points during a given year.

GR1110 General

1. Points toward any Horse of the Year Award will not be credited until the applications and fees for the horse's recording, exhibitor's registration, transfer of ownership, name change or addition of owner(s) and owner's Senior Active, Junior Active or Life membership are received by the Federation office. Furthermore, points toward Horse of the Year Awards defined in GR1131, GR1132 or GR1133, will not be credit until the applications and fees for the horse's USHJA Horse Registration and the owner's USHJA Active or USHJA Life membership are received by the Federation or USHJA offices. Exception: Applications for Federation and USHJA Individual Membership and Horse Recordings submitted at Licensed Competitions:
 - a. For Dressage Competitions, reference Bylaw 223, Section 1:
 1. Applications are considered effective on the date the application and dues are received by the Competition Secretary provided the application is signed and dated by the Competition Secretary on that same day.
 2. Applications completed online at the competition are effective the date the application is submitted.
 - b. For all Competitions other than Dressage Competitions, reference Bylaw 221, Section 1:
 1. Applications are considered effective, for points and eligibility to compete only, on the start date of said Competition provided the application and dues are received by the Competition Secretary and the application is signed and dated by the Competition Secretary during the period of the Competition.
 2. Applications completed online at the competition are effective, for points and eligibility to compete only, on the start date of the Competition.
2. For points to count with respect to any competition, the required materials and fees must be received by the Federation office (or by the Competition Secretary - see below) on or before the first licensed day of such competition. Exception: Applications for Federation Individual Membership and Horse Recordings submitted at Licensed Competitions:
 - a. For Dressage Competitions, reference Bylaw 223, Section 1:
 1. Applications are considered effective on the date the application and dues are received by the Competition Secretary provided the application is signed and dated by the Competition Secretary on that same day.
 2. Applications completed online at the competition are effective the date the application is submitted.
 - b. For all Competitions other than Dressage Competitions, reference Bylaw 221, Section 1:
 1. Applications are considered effective, for points and eligibility to compete only, on the start date of said Competition provided the application and dues are received by the Competition Secretary and the application is signed and dated by the Competition Secretary during the period of the Competition.
 2. Applications completed online at the competition are effective, for points and eligibility to compete only, on the start date of the Competition.
3. A horse must be recorded with the Federation, and the name of at least one individual appearing on the horse recording certificate as owner must be that of an Senior Active, Junior Active or Life Member in good standing. If the horse is leased at the time of the competition, per GR1108, the lessee is considered the owner (exception all Owner classes) and must be a Senior Active, Junior Active or Life Member in good standing. If the recorded owner is a farm/stable, corporation or any name other than that of a person, refer to GR1106. For the purposes of accruing Federation points, the horse must be entered and shown in the ownership of an individual or entity, including a member of the owner's family, who is included on the Federation horse recording certificate. Effective date of ownership is the day written authorization is received by the Federation office.
4. If the owner, rider, animal, and trainer are all in good standing and an error occurs on the entry blank (i.e. the wrong USEF number is written, the old owner is written in error, the correct number but incorrect spelling is written, etc.), HOTY points may be awarded after review by the Federation.
5. No points can be credited toward an award unless the Federation recorded name and Horse Recording number of the horse and the Federation recorded owner or lessee's name and membership number appears in the

competition's records (i.e., result sheets or catalogue) as exhibited in the name of the Federation recorded owner or, if the horse is leased, under the ownership of the lessee as required under GR1108.

6. Failure to comply with the rules respecting eligibility for points will result in points not counting for Federation purposes and awards. Points standings are available on the Federation website, www.usef.org, and it is the responsibility of exhibitors to check standings and call to the Federation's attention any omissions or inaccuracies. As a service to members the Federation may from time to time advise exhibitors when points are not able to be counted, but the responsibility for checking standings and ensuring that eligibility requirements are met remains solely with the exhibitors.

GR1111 National, Regional and Zone Awards

1. All horses are eligible for National Awards, as long as all requirements of GR1110 are met. See GR1122-GR1144 for specific classes and divisions offered at the National level.
2. In the Arabian, Half/Anglo Arabian, Andalusian/Lusitano, Friesian and Morgan divisions, horses are eligible for Regional Awards in any region they compete. (Points will be awarded in the qualifying region stated in the prize list regardless of the owner's home region). Exception: In Friesian division, any points won at Nationals will count solely towards National Awards and not towards any Regional awards. In the Andalusian/Lusitano Division, any points won at the IALHA designated National Show will count solely towards National Awards and not towards any Regional Awards. In the Hackney, Roadster, and American Saddlebred divisions, points won at competitions in states contiguous to an exhibitor's home region, or in Canada if contiguous to an exhibitor's home region, will count in addition to any points won in an exhibitor's home region.
3. For purposes of distributing Regional Awards for the Andalusian/Lusitano, and Western divisions, refer to the Regional map in GR1123. For Friesian division, refer to Friesian Regional map in GR1129. For Arabian and Half/Anglo Arabian divisions, refer to Regional map in GR1124. For Hackney and Roadster divisions, refer to Hackney Regional map in GR1130. For the Morgan division, refer to Morgan Regional map in GR1134. For the American Saddlebred division refer to American Saddlebred Regional map in GR1139.
4. Horses are eligible for Zone Awards only within the home zone of the entry's recorded owner(s) exception Hunter Seat Equitation, the rider's home residence will be used. However, points won at competitions in states contiguous to an exhibitor's home zone, or in Canadian provinces if contiguous to an exhibitor's home zone, will also count if the state or Canadian province has been designated as provided below.
 - a. Zone awards are offered in the following disciplines: Hunters, Jumpers and Hunter Seat Equitation. For Hunter, Jumper and Hunter Seat Equitation divisions for which zone awards are offered, each zone committee may designate one or more states and/or Canadian provinces contiguous to its zone in which to compete for zone points. Designated Canadian provinces that are contiguous to the zone will receive zone points for national Horse of the Year award sections and for USHJA Zone Horse of the Year award sections providing they conduct their classes under national Federation rules for these sections. For purposes of this rule as applied to hunter/jumper and equitation zone awards, the state of New Jersey which is a state land-locked within the zone will be treated as a part of either New York or Pennsylvania. Therefore if Zone 1 chooses New York as one of its contiguous states, New Jersey is also included. If Zone 3 chooses Pennsylvania as one of its contiguous states, New Jersey is also included.
 - b. Zone committees must submit their designation of contiguous state(s) and/or Canadian provinces by August 1 annually, to be in effect for the next competition year. If no designation of contiguous states and/or Canadian provinces is submitted, it defaults to the previous year's policy.
5. For purposes of distributing Zone Awards, refer to Zone map.
6. An owner's residence at the time he applies for or renews his membership will be maintained throughout the competition year and is considered his home district, region or zone for the purposes of counting points. For a Life

GR11 - AWARDS

Member, his residence on December 1st will be used for this purpose. If the recorded owner moves his residence during the year to a new district, region or zone, points can be accumulated in the new location provided the owner declares in writing to the Federation that the new district, region or zone will be his home district, region or zone. The declaration must be received by the Federation office on or before the first licensed day of a competition for points to be counted for that competition. See also JP101.

7. If the recorded ownership of the horse is transferred, valid points earned by the previously recorded owner will be retained in his home district, region or zone. Points are not transferable from one district, region, or zone to another.
8. Horses showing under multiple ownership involving more than one district, region or zone must have one home district, region or zone declared for the purpose of these Awards. This declaration must be made in writing to the Federation office by March 1st of the current year or within 30 days of receipt of horse recording application and must be signed by each bona fide owner. Effective date of declaration is the day the written authorization is received by the Federation office and for points to count, the declaration must be received by the Federation office on or before the first day of the competition. If only one owner is a Federation Member in good standing, this person's residency will automatically become the entry's home district, region or zone.
9. If the horse is recorded under the ownership of a registered farm, the residence of the farm's owner is the entry's home district, region or zone. If the owners of a farm reside in different districts, regions or zones see paragraph 8 above.
10. Exception to GR1111.8-1111.11: Arabian, Half/Anglo Arabian Division, Andalusian/ Lusitano, Morgan and Friesian Divisions; see GR1111.2.

This status must be available for inspection or the competitor must have lodged with the competition secretary, at least one hour prior to such class, an application for such status provided by the Federation. Amateur status will be issued only on receipt of the application properly signed and is revocable at any time for cause. Foreign riders requesting Federation Amateur status, must be a Junior, Senior or Life Competing Member of the Federation (Exception: Equestrian Canada members in possession of current EC membership may sign for USEF Amateur status on a show by show basis at no cost). Any person who has not reached his/her 18th birthday is an amateur and does not require amateur status.

GR13 - COMPETITION PARTICIPANTS

2. An amateur continues to be such until he/she has received a change in status from the Federation. Any amateur who wishes to be re-classified on the grounds that he/she has engaged or is planning on engaging in activities which would prevent him/her from continuing to remain an amateur must notify the Federation in writing.
3. There is no fee for amateur status for Senior Active or Life Members. *BOD 11/7/16 Effective 12/1/16*
4. If a person violates or does not comply with the above, he/she will not be eligible to compete in amateur classes and will not be entitled to an award in such classes and will be deemed guilty of a violation within the meaning of Chapter 7 in the event he/she does compete.
5. In the event a person is found to be a professional as a result of a protest or charge made in connection with a competition, all awards won by such person in amateur classes at such competition and subsequent competitions shall be forfeited and returned to the competition and the person shall be subject to further disciplinary action. The holding of an amateur card does not preclude the question of amateur standing being raised by a protest or charge.
6. The trainer may be subject to disciplinary action if an exhibitor who shows as an amateur is protested, and that protest is sustained by the Hearing Committee, and it is determined that the trainer had knowledge of their professional activities.
 - a. Any changes of status from professional to amateur, or vice versa, will be published on the Federation's web site.
7. An exhibitor who engages a person to ride, drive or show in halter in any amateur class and then remunerates such person beyond the extent to which such amateur is entitled as provided above in GR1306 will be subject to disciplinary action under Chapter 7.
8. Any person who under these rules is a professional and knowingly and falsely represents himself/herself to be an amateur by declaring or maintaining current amateur status issued by the Federation, and any person who violates any of the provisions of this rule will be subject to disciplinary action under Chapter 7.
9. A professional continues to be such until he/she has received amateur status by a vote of the Hearing Committee. Any professional who wishes to be reclassified as an amateur on the grounds that he/she has not engaged in the activities which made him/her a professional within the last twelve months must notify the Federation in writing.
 - a. Such person shall submit to the Hearing Committee an amateur reclassification request which is supported by:
 1. A notarized letter signed by him/her outlining the horse related activities (using specific dates) which made said person a professional and outlining the activities performed within the twelve month period (or longer) since professional activities have ceased,
 2. Two or more notarized letters from any Senior Active Federation members stating the relationship with the applicant and outlining the applicants activities for the one year period preceding such written notification advising and testifying that the applicant has not engaged in any activities which would make him/her a professional as outlined in GR1306 during that period,
 3. A processing fee of \$50,
 4. Sign and declare amateur status on a current USEF membership application. The burden of proof of proving amateur status is on the applicant. The Hearing Committee may call for and/or consider any and all further evidence and facts which it deems pertinent. The decision of the Hearing Committee on the reclassification request shall be final.
 - b. Any changes of status from professional to amateur, or vice versa, will be published on the Federation's website.

1. Dispensation Certificate. Any individual with a diagnosed permanent physical disability wishing to compete in a Federation licensed competition with a compensatory aid and/or adaptive equipment must obtain a Dispensation Certificate from the Adaptive Sports Committee, including those individuals with a current Federation or FEI Classification. Upon the Committee's approval, a Dispensation Certificate will be issued by the Federation. The Dispensation Certificate will list all compensatory aids and adaptive equipment allowed the individual while competing. Other compensatory aids or special equipment not specifically listed on the Dispensation Certificate are not allowed. A copy of the Dispensation Certificate must be included with the individual's entry. The competition manager or secretary shall include a copy attached to all applicable scoring sheets for the judge's reference. For instructions on how to apply for the Dispensation Certificate, please refer to GR1312. Also see GR1315 for definitions of terms used in this section. (Exception: Dispensation certificates are not required for Breed or Multi-breed restricted or Hunter competitions or classes; Equitation Division classes, Carriage Pleasure Driving Division, or the Open Western Division).
2. In circumstances that fall outside of the dispensation program, a Presidential Modification may be considered. Please refer to GR152 and Bylaw 332.1.f.

GR1311 Para-Equestrian Eligibility/Classification

In order for an individual to compete in USEF licensed Para-Equestrian Competitions in Para-Equestrian classes, he/she must have a diagnosed, permanent physical disability. The individual will need to possess a USEF or FEI Classification and a USEF Dispensation Certificate. See GR142 for the definition of Para-Equestrian and GR1315 for additional definitions).

GR1312 Applying for a Dispensation Certificate

1. Applications for a Dispensation Certificate can be obtained from the Federation (via the USEF website or the USEF office) and are reviewed on a continuing basis throughout the year by the Adaptive Sports Committee. Only applications submitted along with supporting medical documentation will be considered. The Adaptive Sports Committee may request additional supporting evidence from the individual regarding his/her medical status or regarding the aid/equipment which he/she requests dispensation for. The Adaptive Sports Committee will render an opinion (approval of all or some of the aids requested or denial of the dispensation) and the individual will be notified by the USEF in a timely manner.
 - a. The Dispensation Certificate will be issued annually upon re-application, and remains in effect until the end of the competition year or until he/she receives a change in status from the Federation, whichever is earlier. Any individual who wishes to make changes to his/her Dispensation Certificate must notify the Federation in writing and obtain written approval. Certification is revocable at any time for cause.

 - d. The individual must be a member in good standing with the USEF.

GR1313 Applying for Para-Equestrian (PE) Classification

1. The individual will request classification from the USEF. Application paperwork (Consent for Classification and Certificate of Diagnosis) may be found on the USEF website or from the USEF Director of Para-Equestrian. Once the USEF Director of Para-Equestrian receives the completed paperwork, the office will contact the USEF Classification Coordinator.
2. The USEF classification coordinator will assist in scheduling a classification with one of the USEF/FEI Classifiers. There is a non-refundable administrative fee for the classification payable to the USEF. If the individual requests a classification to be scheduled at their convenience, all expenses for the classifier will be paid for by the individual. The individual must be a member in good standing with the USEF.
3. If the individual is deemed eligible for Para-Equestrian, the classification will result in a Profile and a Grade based on the FEI Profile system. The Profile will remain with the individual for as long as their physical disability remains constant with no need for re-classification. This is considered a Confirmed Status. If the individual has a fluctuating medical condition or if his/her function changes, the profile may change with future re-classifications. This is considered a Review Status. The Grade will be based on the specific discipline.
4. Upon classification, the USEF will issue a USEF Dispensation Certificate. This Certificate will outline the individual's profile, grade, status, Classification expiration, and indicate any compensating aids/adaptive equipment that may be used in USEF licensed competition in accordance with USEF rules.
5. For USEF licensed competitions, the individual will send in a copy of their Dispensation Certificate with their competition entry. The individual will also be responsible for making the Certificate available as requested by the competition officials (See also GR1310).
6. When change in status occurs (i.e. change of compensating aids/adaptive equipment), written request for a change will be submitted to the USEF office.
7. The USEF/FEI Classifier will determine the Grade, status and review period for classification. For those with disabilities with no expected change in functional status, the classification will have a status of Confirmed and have no expiration. For those with fluctuating conditions or conditions expected to change, either by deterioration or improvement there will be a status of Review indicated on the Certificate with an expiration and expected date for re-classification. It is the individual's responsibility to apply for re-classification through the USEF with time allowed prior to any upcoming competitions. It is also the individual's responsibility to apply for re-classification if a major

GR13 - COMPETITION PARTICIPANTS

change in function, either improvement or deterioration occurs. The individual will be required to submit objective medical information with the request for re-classification.

8. Upon receipt of an FEI Classification, necessary for Qualifying and FEI licensed competition. The individual's information will be posted on the FEI website at www.fei.org, on the FEI Classification Master List for Dressage or Driving. The list will indicate the individual's profile, grade, status and compensatory aids. The FEI Classification Master List may be found at <http://www.fei.org/fei/org/fei/disc/dressage/about-para-equestrian>. The individual may request a USEF Dispensation Certificate with the FEI Classification status and any approved compensating aids listed. The Dispensation Certificate may be used at any USEF licensed competition.
9. Classification status can be challenged by a USEF competition official with a written request to USEF. Medals will be suspended until such time that the Classification status is resolved.

GR1314 Hearings/Protests

1. Any individual whose application for a Dispensation Certificate or a Para-Equestrian Classification has been denied may request a hearing by the Hearing Committee or by such individual or committee as it may designate to review said decision. The request must be in writing and mailed to the Hearing Committee within ten (10) days from receipt of the decision sought to be reviewed.
 - a. The hearing shall be after ten (10) days notice to all parties concerned. The notice shall contain a brief statement of the facts reporting the position of the Federation and shall specify the time and place at which the hearing is to be held. The person requesting said hearing may attend and bring witnesses, sworn statements or other evidence on his or her behalf. Upon the written request of a representative of the Federation or of the person requesting the hearing, there shall be furnished before said hearing any evidence to be introduced, the names of witnesses and the substance of their testimony.
 - b. The decision of the Hearing Committee or the person or committee designated to preside at said hearing shall be final.
 - c. Protests or charges brought in connection with an individual's Dispensation Certificate status or Para Equestrian Classification status shall be handled in accordance with the provisions of Chapter 6.

GR1315 Definition of Terms

1. Diagnosed permanent physical disability - An individual with a medical condition resulting in functional limitations affecting their ability to participate in equestrian sport and diagnosed by a medical doctor. The condition is not reasonably expected to improve and may, in fact, be one that worsens over time. The condition should be easily objectively measurable in scope, either by physical examination by a medical professional or with medical testing. An example may include a limb amputation, paralysis, weakness due to a neuromuscular condition loss of vision.
2. Compensating aid and/or adaptive equipment - Allowance for an alteration in performance, an alteration of dress or alternate piece of equipment which allows the individual with functional limitation(s) to perform the requirements of the competition. The aid or equipment assists in equalizing the functional ability of the individual and should not give the individual an undue advantage. The aid/equipment must be deemed safe for the competitor and the horse and is subject to review by the TD and/or judge at each event. Examples:
 - a. Saluting with the nod of the head only when taking a hand off of the reins would be unsafe.
 - b. Use of paddock boots and smooth leather half chaps rather than tall boots if wearing tall boots is unsafe for a rider with leg dysfunction.
 - c. Allowance to not wear gloves for the individual with impaired sensation in the hands.
 - d. Use of 1 or 2 whips to cue the horse for an individual with impaired use of his/her legs.
 - e. Use of a golf cart to survey a course prior to driving for the individual who is unable to walk.
 - f. Use of quick release equipment for carriage driving.

For additional examples, please see FEI Compensating Aids booklet at www.fei.org.

3. Dispensation

- a. Dispensation Program - The Federation encourages competition amongst all individuals, including those with a diagnosed permanent physical disability. For those individuals wishing to compete in a Federation licensed competition and who require compensating aids and/or adaptive equipment to do so, a Dispensation Certificate may be granted. The purpose of the dispensation is to aid those with limited function by allowing the use of aids/equipment which will result in more equal function. These aids/equipment should not give the individual with a disability an advantage over his/her competitors.
- b. Adaptive Sports Committee: An interdisciplinary group representing the equestrian disciplines, the medical field, competitors, and the USEF who is charged with the review and/or approval of dispensation applications.

4. Para-Equestrian (PE)

- a. USEF Para-Equestrian (PE) Classification - The USEF has chosen to adopt the FEI Profile System for classification of individuals with disabilities. This system provides a means to assess an individual's functional abilities and impairments to determine which Grade they will compete in amongst individuals with similar levels of function. There is a minimal level of impairment required in order to qualify for the FEI Profile System. In the system, an individual with a permanent measurable physical disability is assessed by a USEF or FEI approved classifier. As a result of the assessment, the classifier will determine eligibility and then assign the individual a Profile. The Profiles are grouped into Grades based on the discipline in which the individual will be competing. For example, an individual who has minor impairment of the Left arm and leg after a stroke would likely be given a Profile 15. If they compete in dressage, they would compete in Grade III. If they choose to compete in Carriage Driving, they would compete as a Grade II.
 - b. FEI Profile System - Amongst individuals with disabilities, there are many different types of impairments. To provide meaningful competition for these individuals it is necessary that those of similar levels of impairment compete together. The FEI "Profile System" fulfils this criterion. It is a System of tests administered by trained and certified Physical Therapists or Physicians. It is based on the classification systems used in other sports for individuals with disabilities and has been tested for reliability and validity in its application in equestrian sport.
5. Profile - an individual is given one of 42 profiles based on their level of function as assessed by a USEF or FEI Classifier. The Profiles are versatile but tight, easy to use and understand. The locomotor Profiles are not disability (diagnosis) specific, but are based on the ability of the functioning part(s) of the body. The Profile is considered permanent except in the case of a diagnosis that has a reasonable expectation of change, such as with progressive Multiple Sclerosis.
6. Grade - the grouping of profiles within a discipline. In Dressage, there are 5 grades (Ia, Ib, II, III, and IV). In Carriage Driving there are 2 Grades (I and II). A Grade is made up of several profiles, grouping Para-Equestrians of similar level of function. The lower number Grades (i.e. Grade I) is made up of Para-Equestrians with a more significant level of impairment, whereas the higher number Grades (i.e. IV) identify those Para-Equestrians with a lesser impairment. The Grade determines which tests a rider competes and against whom the Para-Equestrian will be competing. In National and International competition, medals/placement is awarded in each Grade.
7. An individual who has been classified by a USEF or FEI Classifier and who has been given a Profile, Grade, status and the use of compensatory aids/adaptive equipment. These individuals may compete up to the National level of USEF licensed PE competitions.
8. FEI Para-Equestrian (FEI PE) - a Para-Equestrian with an FEI Classification and listed on the FEI Classification Master List for Dressage or Driving on the FEI website at www.FEI.org. The FEI Master List indicating the individual's Profile, Grade, Status and compensating aids/adaptive equipment. This individual may compete Nationally and in Qualifying trials. To achieve this classification, the individual will need a classification by two FEI Classifiers, at least one from outside of their home country. There is a fee to the FEI for application and renewal for the FEI PE

GR13 - COMPETITION PARTICIPANTS

Classification Card. Individuals must request renewals through the National Federation.

9. USEF Classifier - a Physical Therapist or Physician who has been trained and approved by the USEF to classify individuals using the FEI Profile System. A USEF Classifier may classify Para Equestrians up through a National level competition.
10. FEI Classifier - a Physical Therapist or Physician who has been trained and licensed by the FEI to classify Para-Equestrians using the FEI Profile System. An FEI classifier may classify Para-Equestrians through to the International level (i.e. Paralympics and World Games). FEI Classifiers are designated as Trainee, Level 1 or Level 2.
11. USEF Classification Coordinator - the lead USEF Classifier responsible for assisting individuals through the classification process.
12. Dispensation Certificate - The Dispensation Certificate issued by USEF to an individual with a diagnosed permanent physical disability, indicating Compensating Aids/Adaptive equipment approved for use by the individual in USEF licensed competitions. The Certificate will list an individual's Para-Equestrian USEF or FEI Classification Profile, Grade and Status, if these have been assigned. The FEI will indicate FEI approved compensating aids on the FEI Classification Master List for Dressage or Driving on the FEI website at www.fei.org for those individuals who hold an FEI classification. This information is referenced for all FEI qualifying and FEI Para-Equestrian competitions.

SUBCHAPTER AL-1 GENERAL QUALIFICATIONS

AL 100 General

IALHA Conformation Judging Forms, Functionality Judging Forms, Best Movement Score Sheet, Functionality Test Pattern, Halter Pattern and Working Equitation Tests may be obtained by either contacting IALHA in writing, downloading from the IALHA website at www.ialha.org, or downloading from the USEF website at www.usef.org from the Andalusian/Lusitano page, Forms and Guidelines tab.

AL101 Eligibility to Compete

1. Purebred and Half-Andalusian horses to be shown in a local or regional competition must be registered with or application for registration made to IALHA. Weanlings and yearlings are eligible if both parents are either registered or application has been made to register them with IALHA. In order to be qualified to enter the ring in a National Championship class, the horse must be registered with the IALHA and a copy of the registration papers on file with the Competition Secretary. Weanlings and yearlings may enter a National Championship Class without a copy of the registration papers on file with the Competition Secretary if and only if the Competition Secretary has received a letter from the IALHA Registrar or Half-Andalusian Registration Secretary identifying the weanling or yearling and certifying that each and every requirement for registration of such weanling or yearling has been met and the registration certificate will be issued. Lineage must be traceable back to the Spanish or Portuguese Stud Books. Copies of registration papers must be mailed with entries or presented at each competition.
2. Half Andalusians may not be shown together with Purebred Andalusian/Lusitanos except in the following classes: Junior Equitation, Showmanship, Western Trail, Western Riding, Doma Vaquera, Reining, Dressage, Musical Free Style, Fantasy Costume, Green Rider and Working Equitation.
3. All horses entered must be serviceably sound, show no signs of lameness and be in good condition. Horses with loss of sight in one eye may compete in performance classes only.
4. Each horse shall be shown in its entire natural splendor with a full mane and tail or in the traditional Andalusian style. The following description is of the traditional Andalusian style of presentation. Weanlings of both sexes are seen with their forelock shaved, their manes roached or shaped to enhance the shape of the neck, and all tail hairs shaved. Yearling fillies are shown with the tail shaved from the tail head to below the vulva except for a small bob. The hairs are banded, and are above the hock. Yearling colts are shown with no forelock, the mane in the same condition as the yearling fillies, but the tail is shaved, or permitted to grow and banded for neatness. Two year and older colts and stallions are shown in full mane and tail. Two year and older fillies are shown with or without a forelock, roached or shaped mane, tail shaved at the tail head to below the vulva and the hairs which grow from the bottom now reach the hocks and are banded for neatness. Mares three and over are shown with or without a forelock, roached or shaped mane and their tails are shaved from the tail head to the bottom of the vulva. The hairs at the end of the tail may now be permitted to grow as long as they would naturally, but are always banded for a neat presentation (generally between the hock and fetlock). Whichever method of presentation an exhibitor selects is appropriate, but there may be no mixing of components, i.e. shaping the mane of the colt after age two, or shaping the mane of the mare, but allowing all the hair on her tail to grow.
5. It is recommended that bridle paths not exceed a maximum of four inches. The addition of supplemental hair in mane or tail shall be cause for disqualification. Braiding is optional.
6. The use of dyes or other coloring is prohibited including hoof blackening products. The use of clear hoof polish is

- permitted. The use of glitter on or in the mane, tail, hair, or hooves is prohibited.
7. Any horse is considered to be one year old on the first day of January following the actual date of foaling.
 8. No horse may be shown under saddle until it is at least three years old.
 9. No horse may be shown in a driving class until it is at least two years old.
 10. The use of or the application of, to or into any horse (other than legal levels of allowed medications) any foreign or caustic substance, such as ginger, mustard, pepper, abrasives, etc., which would alter or influence a horse's natural carriage, movement or behavior, is prohibited.
 11. The injecting of any foreign substance into a horse's tail, the cutting of tail ligaments, soring or maiming of feet, or any such practice which would alter or influence a horse's natural carriage, movement or behavior, is prohibited.
 12. Stallions may be handled, ridden or driven by women and Junior Exhibitors. Exception: Stallions are prohibited in Walk-Trot Equitation 10 & Under (AL211.1), Walk-Trot Green Rider (AL218.1) and Junior Exhibitor Showmanship In-Hand (AL212.1).
 13. Junior Exhibitors are required to wear protective headgear in all Hunter, Jumper and Hunter Equitation classes in conformity with GR801.
 14. If a rider falls off of his/her horse during a class, it is at the discretion of the judge whether or not the rider is allowed to continue or is excused. Exception: See AL-44 for falls during Working Equitation classes.
 15. Horses must be shown without artificial appliances. Anything that alters the intended use of equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance. This includes but is not limited to tongue ties and/or mouth ties. Gag bits are prohibited. Action produced by artificial methods shall be penalized. The use of chains, rollers or similar devices on the competition grounds during or before a competition are prohibited and the show committee shall bar violators from further participation for the remainder of the competition, and violator(s) shall forfeit all entry fees and winnings for the entire competition.
 16. Any action(s) against a horse by an exhibitor, which are deemed excessive by a judge, Federation steward or competition veterinarian, in the competition ring or anywhere on the competition grounds may be punished by official warning, limitation or other sanctions which may be deemed appropriate by the show committee. Such action(s) could include, but are not limited to, excessive use of whip and spurs.
 17. Judges must eliminate from judging consideration any horse which shows aggression or discontent toward its handler, rider or any person in the ring.
 18. Horses showing signs of undue stress or inhumane treatment must be penalized. The exhibition of a horse that has a cut or abrasion showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area must be considered to be ineligible to receive an award in that respective class.
 19. Judges must excuse from the ring any horse that possesses a whip mark (welt) on any portion of the horse. A whip mark or welt is an inflammation of skin and subcutaneous tissue resulting in a swelling in extreme cases is an abrasion or laceration. The cardinal signs of inflammation include heat, pain (sensitivity or palpation) and swelling. The judge(s) finding of fact with respect to the presence or absence of a whip mark (welt) evident during a class shall be final and no appeal may be taken thereon. The judge(s) shall make written finds of fact which shall be delivered to the Federation steward with respect to any horse excused under this rule. In a class that is judged by more than one judge, if a judge in that class believed that an entry has a whip mark, that entry must be examined by all judges of the class and each judge must determine if a whip mark exists. If a majority of the judges of that class determine that whip mark exists, the entry must be excluded from the ring, according to the specification set forth in this article. If a majority of the judges determine there is not a whip mark, then each judge who is of the minority opinion shall submit his or her own written finding of fact and shall have the authority to eliminate said entry from further consideration
 20. The following classes do not affect Maiden status of the horse: English Pleasure Pro-Am, Western Pleasure

21. Electronic communication devices used for purposes of coaching exhibitors during a competition shall be prohibited in all classes in the Andalusian/Lusitano Division. Exhibitors with a permanent hearing impairment are permitted to use an electronic communication device upon submission of a written certification from a treating medical professional's office certifying the permanent hearing impairment and certifying the requirement of an electronic communication device. The certifying medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.
22. An exhibitor with a disability (other than hearing), will be provided reasonable accommodation upon submission of a written certification from a treating medical professional's office certifying the disability and identifying the accommodation necessary for the exhibitor to compete safely. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.

AL102 Breed Standards

1. The horse is known for agile movements, elevated, extended, harmonious and cadenced. The horse has great facility to adopt various aptitudes and to conquer difficulties, as if with special predisposition for collection and the turns over the haunches. The horses have an easy response to the command and the mouth is additionally soft, for a result that is obedient and of extraordinary comfort. The horses are temperate and hardy, serviceable and energetic, noble and docile. They learn rapidly and participate intimately with the rider. Their principal service is as a mount, with great ability for "alta escuela" (dressage and airs), bullfighting, light teams or carriages and with special conditioning for handling cattle running in range conditions.
2. The head should be in proportion to the overall size and weight of the horse. It should be rectangular in shape, and of medium length, with a long jaw that is not overly pronounced. Profile: straight or convex, nostrils are elongated and arched. Eyes: large, lively, showing a kind and alert expression, their shape is triangular with a permanently raised eyebrow. The ears are attached slightly lower on the side of the head compared to other breeds, but must stand up straight without a curl to the inside or falling to the outside. The size must be in proportion to the head. Mares sometime have longer, narrower ears. The neck should be of medium length, solidly built and lightly arched with neither a heavy crest nor a thick throat. Withers should be prominent, moderately wide, and muscular. The shoulder should be long, broad, well sloping and powerfully muscled. Ribs are well sprung and oval. Forearms should be large, well muscled and in correct proportion to the width of the chest. Cannon bones are substantial, slightly longer, lean and in proportion to the horse's height. The back should be of medium length, straight and horizontal. The loin shall be broad, short and strong. Croup should be gently sloping and nicely rounded with a low set, thick tail fitted following the curvature of the croup. Viewed from the rear the tail should be carried straight, hips should be strong and rounded, and there should be a well muscled thigh and gaskin of medium length. Hind leg cannon bones should be of proportioned length and clean tendons. The hock should be straight and well defined. The pasterns should be of medium slope and length and be well flexioned. Hooves are round and of proportionate size.
3. The height at the withers varies from 15 hands to 16.1 hands with an occasional individual under or over. Mares should be feminine and males should be masculine. Andalusians shall be medium in length, and if other than medium, excessive length of body is less desirable than short length. Movement: elevated, extended, harmonious and cadenced with roundness yet always moving forward.
4. To be penalized are less than desirable Andalusian traits: Concave frontal nasal profiles and the ultra convex nasal profiles. Excessively large heads, forehead too wide and flat. Eyes bulging or round, orbital arches protruding. Nose square and wide, nostrils round. Ears too big, fallen, too closely set and with abnormal movement. Neck too short, low set neck or thick throatlatch. Low withers, swayback, or back tent-shaped. Poorly muscled, thin or weak rib structures, cylindrical thorax, chest and barrel not deep enough. Tail set too high, or too loosely set. Cow hocks

or uneven hocks. Pasterns too long or excessively short and vertical. Movements displaying poor elevation, irregular tempo or excessive winging.

AL103 Shoeing

1. Any machine made (keg) or handmade shoe made of magnetic steel, mild steel or aluminum is allowed. No part of the shoe may exceed the dimensions of 3/8" thick by 1 1/8" wide (nail heads and/or toe clips are not considered when measuring the shoe). The shoe may be of any type and configuration except in the case of a bar shoe, the bar may not extend below the ground surface of the shoe.
2. Maximum length of toe is 4 3/4".
3. In under saddle or driving performance classes, the use of a single therapeutic pad per hoof with a maximum thickness of 1/8" is allowed as long as the overall length of the toe measurement (see GR510) does not exceed the maximum toe length of 4 3/4". Acceptable pads of 1/8" thickness include full pads and rim pads. Wedge pads may be no greater than 1/4" thick at its maximum thickness. Full pads must be made of clear plastic and if the frog and sole of the hoof is covered, the pad must be made of clear plastic. Leather pads are not permitted. The introduction of a foreign material within the pad, between the pad and shoe, or between the pad and hoof designed to add additional weight or enhance action is strictly prohibited. Material with anti-concussive qualities such as rubber, oakum, pine tar, silicone, foam rubber, latex, etc. may be used between the pad and hoof for additional support. Pads are not permitted in halter classes or best movement classes.
4. Artificial hoof walls are prohibited. Exception: repairs to hooves that follow the natural line of the hoof.
5. At the discretion of a judge or a steward officiating at a licensed Andalusian Competition, or at the request of the Show Committee (See GR1201), inspection (including measuring the shoe, presence of a pad, and measurement of hoof length) may be required. Shoes cast after entering or before exiting the arena in any class shall be inspected.
 - a. A random inspection of horses at all National, Regional and qualifying shows may be required. Said inspection shall be performed by a licensed steward or judge designated by the Show Committee (The Show Committee may, at its discretion designate more than one licensed official to perform inspections). Any trainer, exhibitor and/or agent of a horse subject to the inspection each may request to be present and heard while said inspection is being performed by said licensed official(s). Prior to any disqualification and/or other penalties imposed on a horse at a competition, the inspecting officials shall make reasonable efforts to notify and have present the owner(s), and trainer(s) of said horse, or agent(s) at the inspection. The inspecting officials shall take possession of any shoe and/or pad, and measure the shoe with a USEF approved shoe gauge. Measurement of hoof length shall be made in accordance with GR510. In the event that the inspecting officials find a violation of the shoe measurement, hoof length, and/or pad the horse shall be disqualified for the entire competition, and the owner shall be required to forfeit all prize money, sweepstakes, futurity and trophies, entry fees, ribbons and points won at said competition by said horse. Additionally, if any forbidden foreign material is found on the hoof, the steward shall file a charge against the trainer(s) and/or owners with the Federation Hearing Committee in accordance with the General Rules. The trainer and/or owner of a horse found to be shod with any forbidden material as described is subject to whatever penalty or penalties are assessed through the charge process.
6. In the event of a shoe cast during the progress of a class, see GR804 and GR833.
7. Shoes are not permitted on weanlings or yearlings.
8. All horses competing in the Andalusian and Half Andalusian reining sections shall be exempt from shoeing regulations. This does not exempt horses that are cross entered into any other classes from compliance with applicable shoeing requirements while competing in those classes.

SUBCHAPTER AL-2 HALTER CLASSES

AL104 General

1. There shall be separate In-Hand classes for Purebred and Half-Andalusian horses.
2. A lack of required appointments shall result in immediate disqualification.
3. The length of lead shall not exceed 12' from the point of attachment.
4. A suitable headstall equipped with a throat latch is mandatory. If a Serreta is used, it must be leather covered or wrapped and adjusted snugly to avoid injury.
5. Whips are not to exceed six (6) feet including snapper.
6. Handlers shall wear either jumpsuits or dress slacks and long sleeve shirts. No denim allowed. Ties, kerchief, bolo tie, brooch or pin and appropriate leather shoes, dress shoes or boots are required. Sweaters, vests, coats or traditional Spanish (Traje Corte) or Portuguese (Campino) attire are optional. Tuxedos are appropriate for evening classes only.
7. Disqualifiers: Falling or fallen crest or ewe neck. Colts and stallions two years and older that do not have both testicles descended.

AL105 Conduct and Specifications

1. Emphasis shall be placed on type, conformation, quality, way of going, substance and manners. Half Andalusians will be judged on conformation, quality, way of going, substance and Andalusian type, in that order. The Half-Andalusians may show characteristics of any other breed. The foregoing first three qualities shall take precedence in adjudication of in hand classes over breed type.
2. An Exhibitor is any person who holds, walks or trots a horse in the competition arena. No Exhibitor may hold more than one horse at a time in the arena.
3. Every exhibitor is required to sign an entry blank and must be a Federation member or pay a Show Pass fee.
4. Horses are to be shown in-hand at a walk and trot. The following procedures shall be followed in all In-Hand classes. At all IALHA Regional and National level competitions, all entries, including post entries, in a class must be drawn for position and enter the ring in that order. The order will be posted at least 30 minutes prior to the start of the class. This procedure may be used at other recognized competitions at the discretion of competition management. Horses shall enter the arena at a relaxed walk in a counterclockwise direction. Failure to completely clear the gate at a walk shall require the horse to reenter at the proper walk. The horse shall then strike a trot until reaching its designated position in line, as directed by the ringmaster or judge(s). When asked, the exhibitor shall walk the horse from the rail to the Ring Master. At the direction of the Ring Master, the exhibitor will walk the horse parallel to the long side of the arena toward the judge(s) for a minimum of thirty (30) feet, turn the horse in either direction, without stopping, and walk the horse back to the starting point [away from the judge(s)]. Without stopping, the exhibitor will turn the horse in either direction and trot the horse parallel to the long side of the arena toward the judge(s) and past the judge(s) for a minimum of sixty (60) feet. The exhibitor will then turn the horse in either direction and trot back to the judge(s) position, where the horse will then be presented to the judge(s). If the exhibitor circles the horse during the trotting process, only one intentional circle at either end will be allowed (total of two circles). Exhibitors are allowed to reposition the horse if it moves ahead of the exhibitor without fear of penalization or disqualification. However, it is within the judge's discretion to penalize an exhibitor who must do this repeatedly to maintain control of the horse. The horse should stand with front legs square. Back legs should be positioned either squarely or just inside a square. Back legs are permitted to be slightly split with one slightly behind the other as long as all four remain inside the square. The horse should not be stretched under any circumstances. If an exhibitor stands a horse stretched, the judge(s) will ask the exhibitor to reposition the horse. A horse is considered stretched if front legs are in front of the vertical and/or rear legs are behind the vertical. A horse is considered not stretched if all four feet are flat on the ground and at least one front and one rear cannon bone are perpendicular to the ground. After examination, horses shall trot away from the judge back to the rail and around the arena to

the end of the line. After completion of individual presentation, the class as a group must reverse in a clockwise direction and quietly walk single file, with whip at the exhibitor's side. The lead line must maintain a clearly discernible drape, i.e. the exhibitor must not place their hand on the chain or close enough to in any way restrict natural head and neck motion. Also, the exhibitor may not unnecessarily impede the forward motion of the horse while at the walk. After the last horse has completed one circuit of the arena, the class will reverse back to counterclockwise direction and all entries shall line up on the rail for final placement.

5. If an exhibitor is to handle more than one entry in the class, he must have present in the arena an additional exhibitor to facilitate the transfer of the horses.
6. The portions of the above sections of this rule pertaining to more than one exhibitor do not apply to any amateur classes or Best Movement performance classes in which only one horse is permitted per exhibitor.
7. The Champion and Reserve Champion Senior Stallion, Mare and Gelding, Junior Stallion & Mare and Champion Colt, Filly & Junior Gelding may have all four feet measured and may have one front shoe removed immediately upon leaving the competition ring. Official veterinarian, Federation Steward or Federation Judge and competition manager shall supervise and IALHA shall cover the expense of this procedure.
8. Individual competition management may preclude the use of whips at any competition.
9. Excessive shanking shall be penalized at the judge(s) discretion. A horse that appears to be intimidated by the handler will be penalized. Excessive use of the whip or actions that may disturb other entries shall be severely penalized. Judge(s) may excuse any entry deemed in violation of these restrictions.
10. Functionality:
 - a. Purebred Stallions 5 years old and older entered in their respective halter classes must compete in a ridden functionality test which counts as 25% of the horse's total conformation score.  - d. Pleasure Driving.
13. RANGE OF TROT FOR ENGLISH AND DRIVING HORSES. Range of motion varies for the different English and Driving classes. This section is intended to show the relationships between motions in these classes. This description is NOT intended to set a literal standard. Motion is just one part of a horse's performance, which includes many other components of evaluation. Motion involves proper balance between the front and the rear end. Significant rear-end engagement and impulsion are equally important parts of a horse's overall motion. Regardless of the height of the trot, a horse should show a rhythmic, cadenced gait with adequate suspension and freedom of movement, versus a tight, "trappy" movement. The following diagram shows the relative levels of motion for the various classes:

SUBCHAPTER AL-4 BEST MOVEMENT

AL111 General

1. Open to Purebred Stallions, Mares and Geldings of all ages.
2. To be judged on movement only and not conformation.

AL112 Appointments

Refer to AL104.

AL113 Qualifying Gaits

1. Horses are to be shown In-Hand as they would in a halter class.
2. Four-beat walk showing as much overstep of the front hoofprint by the hind hoofprint as possible.
3. Animated trot with emphasis on extension, suspension and a balanced cadence with impulsion.

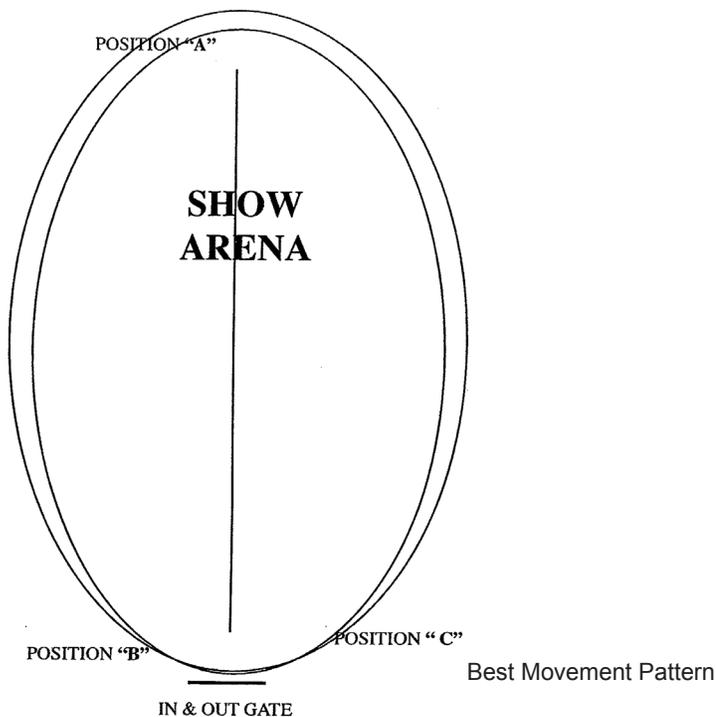

AL114 Best Movement Class Specifications

1. Best Movement Pattern:

Horses enter the arena through the in gate at a trot and trot counterclockwise to Position A, come down to a walk and proceed at the walk to Position B. After all horses are in the arena and lined up, each horse will trot straight down the center of the arena to the opposite end, come down to a walk turn right (clockwise) and walk around the arena to Position C. After the last horse has trotted, the horses will walk on the rail to the right, (clockwise), single file to Position A. Each horse will then trot straight down the center and turn to the left (counterclockwise) and walk back to Position A. After all horses have been reviewed individually, they will be asked to walk on the rail until requested to stop and maintain position.

2. Equal emphasis must be given to the walk and the trot and a separate numerical score for each gait will be given. Decimals may be used.

3. Scores and placings will be determined by the summation of the two scores given for the walk and the trot. The higher score will receive the higher placing. **Best Movement Scoresheets must be used and are available at www.usef.org. BOD 1/16/16 EFFECTIVE 12/1/16**

3. Canter – A three-beat gait which is to be collected, animated, true, smooth, unhurried, straight and correct on both leads. Loss of form due to excessive speed must be penalized.

AL177 Qualifying Gaits

1. Animated Walk - A lively, animated and graceful walk that could be loosely termed a four-beat gait, but which does not give the appearance of being a jog or a prance. It should be judged as a separate entity and not merely as a transition gait.
2. Animated Trot - Executed in a highly collected manner. The horse's energy should be directed toward animation rather than speed. This gait requires extreme knee flexion and use of the shoulder for balanced, graceful extension. It is most desirable that a horse go above "level arm" but it is not desirable to lose extension to the point where the horse does not significantly move forward. The hocks should remain well under and be lifted and not driven to the rear. The most desirable animated trot gives a balanced appearance from front and rear.
3. At the command "show your horse" the driver has the privilege of showing the entry to its best advantage at the trot, but excessive speed must be penalized.

AL178 Formal Driving Class Specifications

2. Normal Trot - Natural and cadenced with impulsion and power from behind, the front airy and light. The action is balanced, bold and brilliant, characterized by free shoulder action. The horse is to have leg flexion with extension, the foreleg extending fully forward at full stretch with floating motion combined with hock action that is powerful and well raised, and the hind leg being brought forward with a driving stride.

AL185 Qualifying Gaits

1. Walk - A four-beat gait, brisk, true, and flat-footed with good reach.
2. Normal Trot - A two-beat gait, to be performed at medium speed with moderate collection. The normal trot must be mannerly, cadenced, balanced and free-moving.
3. Strong Trot - This is a stronger trot, performed with a lengthened stride, powerful and reaching, at a rate of speed which may vary between horses since each horse should attain his own strong trot in harmony with his own maximum natural stride. The horse must not be strung out behind. The horse should show moderate collection without

exaggeratedly high action in front. He must present a willing attitude while maintaining form. The strong trot must be mannerly, cadenced, balanced and free-moving.

SUBCHAPTER AL-25 TRADITIONAL TYPE CARRIAGE DRIVING

SUBCHAPTER AL-26 ANDALUSIAN NATIVE (CONTEMPORARY) TACK AND ATTIRE

AL191 General

1. Exhibitors shall enter the ring in a counterclockwise direction at the trot and shall show their horses at the walk, trot

and canter both ways of the ring.

2. Entries are to be judged 50% on tack and attire and 50% on performance.

AL192 Appointments

Entries shall be shown under contemporary Spanish or Portuguese equipment. There are different styles of Spanish and Portuguese tack and attire, which are traditional and correct for the Andalusian horse. It is not correct in either of these two countries to mix attire and equipment (saddles) and should not be acceptable here in the U.S.

1. Spanish

a. Saddle

1. For the Spanish, there are three major types of saddles: vaquera, royal or sidesaddle (vaquera or English), with variations of them all. The vaquera (albardon, jerezana) and vaquera sidesaddles are identical except the sidesaddle has leaping horns which may be on the left or right to the preference of the rider. The saddle is rectangular in shape covered with sheepskin, having a raised, rounded cantle at the back. It has a canvas under side and is placed directly on the horse without saddle pads. The colors of the leather showing at the cantle or pommel may be dark brown, black or natural. The stirrups are blackened steel, triangular in shape. Crupper strap to match.
2. The royal saddle (includes espanol and portrera) faintly resembles a dressage saddle from the side, but it has a raised cantle and pommel, the overall length exceeds the width of a dressage saddle. It is traditionally, not necessarily, covered in sheepskin. The stirrup is the triangular blackened steel. Crupper strap to match.
3. Breast collars are only used, but not always, with side saddle and royal saddle, plain or covered with sheepskin. Silver is not used. Plain leather is preferred in Spain, though decorative tooling can be used with the Gala event attire.

b. Bridle and Bit

1. The type of bit used is a blackened steel bit in snaffle, pelham, curb (shank), with low, medium or high port. In Spain, two sets of reins are used for the younger horse, one set attached to the leather covered or wrapped serreta at the nose band (serreta is a curved metal nose piece that is always covered with leather or wrapped to cover the sharp metal points and attaches to the nose band with two rings to attach reins), the top rein coming from the nose band and the regular reins coming from the mouth (snaffle or shanked blackened solid bit) or with the pelham. A leather-covered muscarola (serreta without ring attachments) may also be placed on the nose band depending on the training level of the horse.
2. The bridle leather is dark brown, natural or black to suit the horse with or without throat latch. Vaquera without throatlatch, royal and sidesaddle with or without throat latch. Plain leather is preferred in Spain, though decorative tooling can be used with the Gala event attire. All hardware is of blackened steel. With each of the three types of saddles, an appropriate bridle will have a brow band with a mosquero (fly screen) made of long leather fringe or of horse hair (having three circles in a pyramid at the top and tassels) not to extend below the nose band.

2. Portuguese

a. Saddle

1. For the Portuguese, there are three major types of saddles: Portuguesa (bullfight style), Dressage (Portuguese or English style) or sidesaddle (Portuguese or English style) with variations of them all. The Portuguesa (bullfight) saddle has a high cantle and pommel in the front. The front and back slope in wings down to hold the leg firmly in place. This is a bull fighting saddle made to hold the rider in place. The seat of the saddle may be rough-out leather of varying colors or smooth leather.
2. The Portuguese saddle will at least have a loin pad of leather (or animal skin) between the saddle and the crupper. If the rider is in eighteenth century attire, the saddle covers (silk) will have great embroidery in

AL - ANDALUSIAN/LUSITANO DIVISION

designs to suit the rider's attire.

3. The stirrups are either brass or chrome, oval shaped under the foot or close-toed, rectangular (box) wooden stirrups with brass or chrome overlays in varying degrees of intricacy to match the leather accessories.
 4. Breast collars and crupper to match bridle. Saddle pad may be used but must conform to the outline shape of saddle.
 5. Dressage (Portuguese) to be advised.
 6. Campino equipment to be advised.
- b. Bridle and Bit
1. The bridle is a flat, brown, natural or black leather, with wide buckles of brass or silver (chrome, nickel) at all adjustment points. There are different styles of bridles, flat plain (simple), half-presentation (a little fancier) or full presentation (very decorative and ornate with feather penacho). A white leather bridle is used for exhibition only. No mosquero or fringe is allowed. The bit to suit the horse. Stylized brass and chrome bits are used to match with presentation equipment.

AL193 Attire

1. Spanish

- a. Vaquera, Feria, Gala or Exhibition: the attire for the rider in the vaquera or royal saddle, male or female is almost identical.
1. Traditionally the high waisted short jacket is of conservative colors, dark or light grays, blues, burgundy, greens browns and tans. May be solids, hounds tooth or faintly striped. Black jackets are generally for evening events. The jacket ends above the waist and has five buttons on each sleeve angled from the wrist lightly back towards the elbow. If the jacket is that of vaquero style, it has five buttons down the front and two side pockets. The jacket is worn open for the women and buttoned at the top button for the men. It has no collar and no cuff. The female style may have a small collar. Some exhibition and gala jackets do not have buttons, they may have black or contrasting trimmings, embroidery, and a vest may be worn.
 2. The pants rise high into the waist and have suspenders to hold the pants at this height. The pants are of the color that compliments the color of the short jacket, dark gray with a black stripe, brown stripes, green stripes, navy stripes or solid colors. The pants are of two different styles, pantalon and calzona depending on the discipline in which the rider is riding. Pantalon style ends with a turned up white cuff and the calzona at mid calf panel with buttonholes, in which dangles a grouping of silver or natural material ornaments, called cariles. There is no belt worn. A colorful scarf or sash is worn around the waist and tied on the right side.
 3. The shirt is plain white with a turned down collar (not button down), for the men and lightly ruffled for the women.

 5. There are two styles of boots. Boto compero are tall, rough out, low heeled boots and worn with pantalon style pants (white cuff). Botins are ankle height, rough out boots always worn with half-chaps called polainas and these are worn with the calzone style pants. Boots are of natural leather (brown) never black. The polainas are plain or tooled to varied degrees with fringe at the top of the spat (which is worn under the pant).
- b. For the side saddle rider (Amazona)
1. Wears the same styles of jackets as described above.
 2. The skirt is to match the jacket in conservative colors or in black, long full skirt with large pleat, buttoning the back for walking.
 3. The shirt is white as above or with stand up collar and ruffles. The rider wears conservative single stud

earrings.

4. The flat hat as described above to coordinate with the jacket worn or the Calanes hat, with the hair covered with colorful scarf in a hair net (madroero). Protective headgear may be worn without penalty (see GR801.4).
 5. Her boots are dark boto compero or black.
 6. She will carry a whip to the off side absent the leg. The overall look is subdued elegance.
- c. For "A La Grupa"
1. The male rider wears the attire of the above vaquera riders.
 2. The feria dress is worn when the woman is riding a la grupa only. She should have flowers in her hair, bracelets of the color of her dress on her arm, earrings also matching the dress. Gold and diamonds are not appropriate. Colorful plastic is in order. She should have a fringed scarf, which makes a "V" at the back of the dress emphasizing the plunge of the back (and pinned into place), and pinned in the front of the bust. The fringe should either lightly flow over the ruffles of the shoulder or be completely contained in the front and in the back.
 3. She will sit fully to the left or right, putting her right or left arm around the waist of the male; with her left or right hand under the tiers of flounces holding onto the crupper. She is sitting on a small pad, which is held in place by the crupper, which passes through the under side of the pad. Feria (Flamenco) dress is not permitted to ride astride or sidesaddle. It is not native to Spain.

2. Portuguese.

a. Bullfighting and Haute École Exhibition.

1. The coat, called the casaca, reminiscent of French court of Louis XV and Louis XVI is traditionally of rich and vibrantly colored satin or silk but may also be of fine velvet, heavily embroidered along the front, at the cuffs, and down the back. Attached to the cuffs here is deep lace. There is a black ribbon from the top of the coat at the center of the head. There is a single vent in the back. The rider wears a vest embroidered to compliment the coat.
2. The shirt is white and plain with lace showing at the collar.
3. The pants are white, beige, blue or black to compliment the jacket.

Trims and designs are of a contrasting or a coordinating color.
2. The skirt is to match the jacket in conservative color or in black, long full skirt with large pleat, buttoning in the back for walking. The astride rider has a split skirt that covers the riding patalone (breeches) of the same color as skirt. The skirt fits snugly on the hips and may have a high waist, buttoning on the side or in the middle, slit from the top of the thigh front and back in a way to open over the saddle when riding and conceals the breeches when dismounted.
3. Shirt with a small collar embellished with a jabot of lace or cotton. Collar is decorated with a brooch or black satin bow. Two or four buttonholes are at the collar and are closed with collar links. A variety of styles may be worn by the astride rider. Cuffs may be plain or lacy. Shirt must always be white. Satin cummerbund with

horizontal pleats complimenting the outfit is worn; also acceptable is a satin or cotton sash wrapped around the waist as in the cavaleros dress. A waistcoat (vest) may be worn but always the cummerbund or sash to harmonize with the outfit or in black. Gloves must always be worn with these two outfits.

4. Amazona hat has an upturned brim, a slightly indented convex crown and is adorned with two silk pom poms (country hat). Astride rider may also wear the cavaleros style of hat. Protective headgear may be worn without penalty (see GR801.4).

The jacket has two breast pockets; edges bound or trimmed and show a glimpse of the lining. Sleeves are cuff-less and plain or may have a stripe of fabric with buttons mounted. 5. Hunt outfits, consisting of Jodhpurs, hunt coats, boots and hat are appropriate for levels 1 and 2.

AL204 Qualifying Gaits

1. Walk - A true, four-beat walk, with the horse collected. The motion should be brisk and vigorous with the horse showing animation and brilliance.
2. Trot - Animated, natural, and cadenced, with impulsion and power from behind, the front airy and light. The animated natural trot is extremely bold and brilliant, characterized by free shoulder action. The trot should appear effortless and be executed willingly with apparent ease. The action should be balanced and cadenced. The trot should be a true two-beat diagonal gait. Mixed gaits, pacing or racking must be considered major faults.
3. Canter - A true, three beat gait, collected, animated, smooth and unhurried. The movement light and airy with more elevation in the front. The horse to be balanced, supple and mobile. To be straight on both leads.

AL205 Required Movements

1. Shoulder-in: the horse is slightly bent to the inside track. The horse's inside foreleg passes and crosses in front of the outside leg; the inside hind leg is placed in front of the outside leg. The horse is looking away from the direction in which it is moving. Shoulder-in, if performed correctly with horse slightly bent and at the correct angle, is not only a suppling movement but also a collecting movement. Shoulder-in is performed along the wall at an angle of about 30 degrees to the direction in which the horse is moving.
2. Travers: the horse's haunches are carried slightly to the inside track, with the horse looking in the direction in which it is moving. Travers is performed along the wall or preferably on the center line at an angle of about 30 degrees to the direction in which the horse is moving. The horse's outside legs pass and cross in front of the inside legs.
3. Renvers: this is the inverse movement to travers with the tail instead of the head to the wall. The same principles are applicable as at the travers.
4. Half-Pass: this movement is a variation of travers executed on the diagonal instead of along the wall. The horse although slightly bent, should be as close as possible to parallel to the long side of the arena, while maintaining the forehand slightly in advance of the quarters. The outside legs pass and cross in front of the inside legs. The horse is looking in the direction in which it is moving. The horse should maintain the same cadence and balance throughout the whole movement. In order to give more freedom and mobility to the shoulders which adds to the ease and grace of the movement, it is of great importance not only that the horse is correctly bent and thereby prevented from protruding his inside shoulder, but also to maintain the impulsion especially the engagement of the inside hind leg.
5. Turn on the haunches: this movement is a schooling exercise which can be executed from the walk and is preparatory for the pirouette which is executed out of collected gaits. The horse's forehand moves in even, quiet and regular steps around the horse's inner hind leg while maintaining the rhythm of the walk. In the half turn on the haunches, the horse is not required to step with its inside leg in the same spot each time it leaves the ground but may move slightly forward. Backing or loss of rhythm is considered a serious fault. This movement may be

executed through 90, 180 or 360 degrees.

6. **Pirouette:** the pirouette (half-pirouette) is a circle (half-circle) executed on two tracks with the radius equal to the length of the horse, the forehand moving round the haunches. Pirouettes (half-pirouettes) are usually carried out at the collected walk or canter but can also be executed at piaffe. At the pirouette (half-pirouette) the forefeet and the outside hind foot move round the inside hind foot which forms the pivot and should return to the same spot, or slightly in front of it, each time it leaves the ground. At whatever pace the pirouette (half-pirouette) is executed, the horse slightly bent in the direction in which it is turning should, remaining on the bit with light contact, turn smoothly maintaining the exact same cadence and sequence of footfalls of that pace. The poll stays the highest point during the entire movement. During the pirouette (half-pirouette) the horse should maintain its impulsion and never move backwards or deviate sideways. If the inside hind foot is not raised and returned to the ground in the same rhythm as the outside hind foot the pace is no longer regular. In executing the pirouette (half-pirouette) in the canter, the handler should maintain perfect lightness of the horse while accentuating the collection. The quarters are well engaged and lowered and show a good flexion of the joints. The quality of the pirouettes (half-pirouettes) is judged according to suppleness, lightness, cadence and regularity and to the precision and smoothness of the transitions; pirouettes (half-pirouettes) at the canter are judged also according to the balance, the elevation and the number of strides (at pirouettes 6-8, half-pirouettes 3-4 are desirable).
7. **Piaffe:** the piaffe is the most collected of the trot paces. The horse shows an elevated and cadenced trot on the spot, with the quarters slightly lowered. The horse should demonstrate great freedom and mobility of all the joints as he moves each diagonal pair of legs. The toe of each foreleg should be raised to halfway up the cannon bone of the other front leg; and the hind legs, showing great activity, should lift each hind toe to just above the opposite hind fetlock. The horse must always have the desire to move forward and show a lively impulsion while remaining lightly on the bit.
8. **Passage:** the passage is a very collected, very elevated, cadenced trot. The horse shows graceful, springy steps with a prolonged moment of suspension. The knees and hocks are highly flexed as the quarters are more engaged and the horse remains lightly on the bit. When this movement is established, the horse should then be able to move from piaffe to passage and back to piaffe without any apparent effort, loss of rhythm or cadence.

AL206 Required Tests

1. Level One: Novice
2. Level Two: Intermediate
3. Level Three: Advanced
4. Musical Kur: Advanced
5. **Optional Tests:** To be used if a Dressage arena is not available. Required elements may be done in random order (except halt and salute at entry and exit). It is up to each exhibitor to choreograph his/her own test and provide the order of execution of the required elements to the judge prior to the competition.
 - a. **Optional Test Level One Required elements:** Halt Salute on entry and exit; 20 meter circle left at collected trot; 20 meter circle right at collected trot; medium walk (to be performed several times in the program); shoulder-in right at collected trot; shoulder-in left collected trot; 10 meter half circle right at collected trot; 10 meter half circle left at collected trot; leg yield right at collected trot; leg yield left at collected trot.

Horses shall be presented in the Andalusian show stance (refer to AL105.4).

Handler's position when leading is midway between the head and shoulder of the horse. The remaining portion of the strap should be held safely in the left hand, and not wrapped around the hand. When moving away from the judge, the horse should be kept in line with the judge so the horse's movement can be observed. The horse should be brought to a complete stop at either end of the line before turning to the right, away from the handler. The handler should appear alert until the entire class has been placed and the judge has submitted his card. be held separately or in conjunction with any licensed Andalusian/Lusitano competition. Sport Horse In Hand classes may be held as specified in the AL division or as deemed appropriate by competition management and published in the prize list with the exception that horses of one sex shall not be judged against those of the opposite sex.

- b. Exception to DR206: Bridles are mandatory on horses three years and older. A bridle shall be a dressage-type snaffle bridle or hunter-type snaffle bridle. Snaffle may be with or without cheeks, keepers allowed. A noseband is optional but if used, it must be a cavesson style noseband. A split or single chain may be used, attached through both sides of the bit, with/or instead of reins. Horses aged two years may be shown in a bridle (as listed above), or a brown or black plain leather stable halter. Horses under age two years must be shown in a brown or black plain leather stable halter. Horse wearing non conforming appointments will be eliminated from judging consideration.
 1. Conservative casual attire is recommended for the handler. This would include casual pants and shirt. Also acceptable would be Dressage or hunter attire including breeches, boots, shirt with tie, stock tie or choker collar. Jackets, hats, vests, and gloves are optional.
 2. The handler may carry only one whip, maximum length of six feet, including lash and without attachments (i.e. plastic bags, ribbons, etc.).

SUBCHAPTER AL-43 DOMA VAQUERA-OPEN TO PUREBRED AND HALF-ANDALUSIAN HORSES

AL235 General

1. The combination (horse and rider) receiving the highest score at the IALHA National Championship Show in either the basic or intermediate level will not be eligible to compete at that level in future years.
2. Rider provides appropriate background music during the test, which is any Spanish or Latin guitar, Classical or Modern without vocals.
3. Arena size: Minimum 18 x 40 meters or 20 x 60 meters.
4. Participants will be called in a pre-established order. A participant who does not enter within one minute will be eliminated.
5. No comments can be made during contestant's ride.
6. It is important the judge does not forget the 'air or attitude of proudness' of the vaquero. This is what defines and distinguishes Doma Vaquera from other disciplines.
7. The horse must walk with impulsion, the mosquero moving in rhythm with the horse.
8. The gallop must be steady and true, with impulsion and cadence, achieving all of the movements with an air more lively, than usually seen in working horses.
9. The rider should present to the judge his own style, not to copy other riders. The importance of the submission of the horse to the rider and not the reverse, adapting himself to the horse so that he does not irritate or confuse the horse.
10. One has to place value on the image of the rider but it does not override the overall impression of the horse and rider.
11. The movements made in the 'aire vaquero' should have the quality of spontaneity. Repetitive and monotonous movements will not be 'Doma Vaquera'.
12. The basic movements required constitute approximately 80% of the score. The rest of the exercises and movements elevate and compliment the technical level of Doma Vaquera.
13. The judge should score accurately the basic movements, walk, trot, canter, and gallop of the horse in their notes.

The judge may comment positively or negatively on the manner of each movement performed.

14. The rider should be given higher scores for the spontaneity, diversity, style, alternation of walk and gallop, obedience of the horse and the risk the rider assumes according to the combinations of distinct movements.
15. The rules specify:
 - a. All movements are to be made on both reins and if not done on both, it will not be considered complete and the points will not be more than 5 points.
 - b. There are coefficients in the basic movements that are inscribed on the score sheet. This is for the rider to realize the more important movements.
 - c. One must place much importance on the entrance and execution of the initial presentation of horse and rider. Those that do not show the proper respect and dignity, the 'air' of Doma Vaquera', must not receive more than 5 points.

AL236 Judging Criteria

1. The judge will sit at the end of the arena opposite from where the exhibitors enter. Each judge will be provided with a scribe who shall have the proper scorecard. The scribe will record the judges scoring (0-10) and give the card to the judge for his final review. All combinations (horse and rider) will line up in the arena for inspection. If they do not pass with a sufficient (5) score, they will not be allowed to perform the pattern. Points will be calculated at the end of each ride. Scorecards will be available to the contestant following the completion of the competition.
2. The movements are graded on a scale of 0 to 10 by the judge. The highest point is 10 the lowest is 0. Decimals are not permitted. The movements described on the tests are obligatory and in no case will be modified or simplified. Movements that are not completed will be penalized ten points.
3. SCORING: The scale of points is as follows:
 10. excellent
 9. very good
 8. good
 7. rather good
 6. satisfactory
 5. sufficient
 4. insufficient
 - 3 rather bad
 2. bad
 1. very bad
 0. not executed
4. Freestyle: All the movements to be ridden are numbered in the order that they will be performed and listed on a score sheet to be given to the judge prior to the ride. The order and placement of the movements in the ring is at the election of the rider. Freestyle patterns must be submitted to the show management for delivery to the judge(s) one hour or more before the class starts. If the freestyle pattern is not submitted within the one hour or more time frame the rider must ride the prescribed pattern. No exceptions.
5. Rider that is eliminated is not able to claim a ribbon or award.
6. Eliminations:
 - a. Entering ring before the signal.

AL - ANDALUSIAN/LUSITANO DIVISION

- b. Entire horse exiting described arena during test.
 - c. Evidence of fresh injuries or blood on the horse's nose, mouth, back or sides.
 - d. Lameness of horse.
 - e. Abuse of horse in the show ring and/or evidence that an act of abuse has occurred prior to or during the exhibition of a horse in competition.
 - f. Improper attire or equipment to be penalized at judge's discretion
 - g. Not entering ring within one minute of signal.
 - h. Rider grabs reins in both hands. Use of two hands, except in case of Junior Horses wearing a bosal or snaffle bridle It is permissible to adjust rein length with free hand.
 - i. Fall of horse and or rider. A horse is deemed to have fallen when its shoulder and/or hip, and/or underline touches the ground.
7. The basic level recommended time to complete is six minutes
8. Intermediate and Advanced levels recommended time to complete is eight minutes

AL237 Appointments

1. Basic and Intermediate at a local competition: Turn out of the horse and rider should be of one discipline and riding style (i.e. placement of hands and use of reins.) Junior horses may be ridden in a snaffle with two hands on the reins. Advanced shall use the same appointments that are appropriate at the Regional/National Show.
2. Basic, Intermediate, and Advanced at a Regional/National Competition: A Spanish Vaquera saddle of black or brown. No saddle pad may be used. Brown stripe or black and gray stripe blanket, to be tied in front, without the farm brand. Black or brown headstall, with or without a throatlatch, and a leather or braided horsehair (Mosquero), is to be used. The bit is a black curb type bit. Spurs are optional, if used they shall be black with white or brown spur straps.
3. Special Considerations: Long manes may be braided. No colored ribbons shall be used in the mane or tail. Martingales and leg protectors are prohibited. The horse may wear shoes or be unshod. Special sliding shoes are prohibited.

AL238 Attire

1. Basic and Intermediate at a local competition: Appropriate wardrobe is to be worn and the judge will have the final word on allowing an entry to show. The rule should apply for the particular discipline that is listed in the IALHA rule book. Advanced shall use the same attire that is appropriate at the Regional/National Show.
2. Basic, Intermediate, and Advanced at a Regional/National Competition: A TRAJE CORTO jacket in solid black or dark brown. The black jacket shall be worn with gray and black striped pants. The brown jacket (Calzona) provided that the silver ornaments (Caireles) are removed and the cuffs of the pants are turned up. A black Sevillano hat may be worn with gray striped pants and a brown Sevillano hat may be worn with brown pants. Also acceptable are jackets of grey, blue, green, and earthy colors. Female riders would wear the same attire or with a split skirt, but shall not have flowers or ornaments in their hair.

AL239 Gaits and Maneuvers

1. Reins are held in the left hand with the little finger between them. This is the only correct position and any other is considered a grave fault. The right hand is only used to adjust the length of the reins. The right hand is to be placed on the thigh with the thumb forward in the walk and trot. At the canter and gallop the right hand is crossed in front of the chest. (Exception: If horse is ridden in a snaffle, rider may use two hands on reins.)
2. One may not use the voice for aiding the horse, heavily penalized by the judge.
3. Contestant enters ring on right lead stopping in front of judge and saluting. This is also repeated at end of ride El Paso (walk):

4. The walk is a fundamental movement of Doma Vaquera. The horse must go with rhythm, swinging the mosquero with impulsion and rhythm. The rider must show to the judge, without hurrying, straightness on a line and curvature on a circle.
5. Circles: Circles at a walk must describe a complete circle, with measured regularity of steps, roundness of the circle, and the aids and position of the rider.
6. Half passes: Made with correct aids, curving toward direction of travel with the forehand leading the posterior.
7. Full pass: This is a half pass with as little as possible forward movement.
8. Turns on forehand and haunches:
To be executed on a straight line, full turn, without losing impulsion, leaving in the same direction that it was initiated. The turn on the haunches at a walk is a classic movement. No rearward steps of the horse are allowed. Both are performed with constant cadence, head curved slightly in the direction of the turn. Horses will be penalized for not picking up their pivot leg.
9. Reinback: Straight, minimum of 6 steps back and 6 steps forward.
10. Gallop: The gallop, collected, working and extended, should be true and cadenced with impulsion, balanced and centered, and not on the forehand. Like the walk the rider should demonstrate to the judge with clarity and completeness the generousness and quality of his mount.
11. Flying changes: Flying changes on the straight line constitute a secondary movement; it is a movement of adornment, of indisputable difficulty correctly executed.
12. Counter-canter: Counter canter done from a straight line or from a circle.
13. Rollbacks: Rollbacks are executed from good working gallop, the horse is well under himself, lifting his front and turning 180 degrees or 360 degrees, leaving with IMPULSION and the SAME lead that he initiated the exercise. The horse never stops moving.
14. Arrear: Not simply an extended gallop but the horse initiates a gallop extending his neck and utilizing his strength to develop an energetic gallop in a short space. The rider slows the gallop, turns and extends again in the opposite direction repeating the collection and turn. This is simply not an extended gallop but with much effort and the judge will reward with his points the higher the risk.
15. Fast stop: The fast stop should be made from an energetic gallop, reinback of at least 6 steps and leaving immediately on other lead, fast gallop, another fast stop with at least 6 steps of reinback. The final stop has to be made in front of the judge, the back legs well under the horse, immobile, and the horse obedient.

AL240 Patterns

Below are the patterns for each Doma Vaquera level. The Basic test is to be done as is listed, and the Intermediate and Advanced may do the pattern or a free style test, which is done only in the following manner. There are certain Required Elements and it is up to the exhibitor to choreograph his or her own ride. The free style pattern must be submitted along with the proper score sheet to the judge prior to the ride. These movements excluding the halt, salute, on entry and exit, may be done in any order. Freestyle patterns must be submitted to the show management for delivery to the judge(s) one hour or more before the class starts. If the freestyle pattern is not submitted within the one hour or more time frame the rider must ride the prescribed pattern. No exceptions.

 - b. Lightness of forehand of the horse and engagement of the hindquarters, demonstrating good impulsion;
 - c. Acceptance of the bit, with obedience and attentiveness to the rider without any tension or resistance.
 - d. Working Functionality phase tests can be found at www.usef.org from the Andalusian/Lusitano page, Forms and Guidelines tab.
 1. The head judge will signal readiness by using a bell or whistle, after which the entry shall have a maximum of one minute to enter the arena and begin the test.
 2. Evaluation of each entry begins when he/she enters the arena and ends when he/she exits the arena.
 3. Level 4 tests shall have a maximum time of seven minutes. Timer shall start at the beginning salute to the

 - 2. Penalty points are deducted.
- h. Placing of competitors for the phase will be ranked highest to lowest scores. In the event of a tie, the judge's marks for General Impressions are used to break the tie. In the event the General Impressions marks are equal, tied entries will remain tied.

AL243 Ease of Handling Phase

- 1. The objective of this phase is to demonstrate both the rider's and horse's capacity for tranquil, precise, and stylish movement through a variety of obstacles. The obstacles represent challenges which could be encountered in the field.
- 2. Obstacles should be designed with safety in mind. If at any time an obstacle is found to be unsafe, it shall be repaired or removed from the course. If it cannot be repaired, and some entries have completed the course, the score for this obstacle shall be deducted.

- 3. At the Introductory level and Level 1, trot is allowed for movement between obstacles.
 - 4. Movement between obstacles at all other levels shall be at the canter.
 - 5. Chart of Obstacles: The chart indicates which gaits are allowed for each obstacle. Reference the obstacle

descriptions for more information. Legend for the table is as follows:

- a. N/A – Not applicable. The obstacle does not have a gait associated with it.
- b. W – Walk
- c. C – Canter
- d. W/C – Walk or Canter
- e. T – Trot

6. The judge has the right to alter the course.
7. All elevated poles must be set in a standard jump cup or similar type bracket.
8. The course should be set up in such a manner as to allow the movements to be performed by riders using their left hand to hold the reins.
9. All obstacles shall be marked by red and white flags or markers (red on the right and white on the left) and numbered on the right hand side of the entrance flag to indicate the order of completion.
10. Class Procedure
 - a. All exhibitors entered in the phase will be allowed to inspect the course on foot without their mounts. Exhibitors may be accompanied by their trainer.
 - b. Competitors must perform the obstacles in the manner and order posted.
 - c. The head judge will signal readiness by using a bell or whistle. The entry shall enter the arena at the walk, approach the general area of the judge and salute. Before crossing the start line, an entry may not perform any obstacles, however they may cross the pole bending, parallel pole bending, and the series of obstacles with the lance. The rider may adjust the placement of the lance in the barrel to preference.
 - d. The entry shall have one minute from the time of the salute to begin the test or be eliminated. At the end of the test, the rider must salute the judge.
 - e. In order for an obstacle to be successfully performed, a rider must enter, exit and work the obstacle from the correct side or direction and perform the technical maneuver required by the obstacle.
 - f. If, after three attempts at approaching an obstacle, the horse and rider have not entered the obstacle, the judge should instruct them to move on to the next obstacle. The judge shall give a zero score for the obstacle. This will not be considered a cause for elimination.
 - g. If a competitor commits an error within any obstacle, the competitor may re-start the obstacle and perform it correctly before going on to the next obstacle. Credit shall be given for the proper execution with a deduction for the error.
11. Judging criteria general to all obstacles:
 - a. The phase is judged on the performance of the horse over and through obstacles. The transitions in gait are judged for each obstacle and are factored into the scoring.
 - b. Riders are assessed on position in the saddle, subtle use of aids and partnership with the horse.
 - c. The horse should work cadenced and in balance.
12. Obstacles performed at the canter should be on the correct lead. Change of direction at the canter shall have a corresponding lead change. Flying changes shall be rewarded more than simple changes; either break of gait or

AL - ANDALUSIAN/LUSITANO DIVISION
incorrect lead will be penalized.

13. Obstacles that are bumped, disturbed, or knocked down will have points deducted according to the severity. 14. Scoring: Execution of all obstacles, Notes for the Course, and Overall Impression will be rated from 10 to 0 on the score sheet, using the following scale. Half points are allowed.

•	Excellent	10
•	Very Good	09
•	Good	08
•	Reasonably Good	07
•	Satisfactory	06
•	Marginal	05
•	Insufficient	04
•	Fairly Poor	03
•	Poor	02
•	Very Poor	01
•	Not Executed	00

15. Placing of competitors for the phase will be ranked highest score to lowest score. In the event of a tie, the total marks for General Impressions are used to break the tie. If the General Impressions marks are equal, tied entries will remain tied and each will be awarded the points associated with the placing.

16. Causes for elimination in the Ease of Handling phase shall include:

- a. Failure to halt and salute the head judge or beginning the course before acknowledgement from the judge.
- b. Committing a course error including:
 1. Crossing through, or over an obstacle out of sequence once the competitor has begun the test. This includes obstacles that may be in the arena but are not included in the course.
 2. Exceptions may be made, but must be noted on the course map. Those obstacles for which exceptions may be made are those using the lance, Pole Bending, and Parallel Pole Bending.
 3. Once performed, the horse/rider may cross the pole bending, parallel pole bending, and the series of obstacles using the lance.
 4. Entering/exiting on the wrong side of the flags indicating right/left.

AL244 Speed Phase - Obstacles at Speed

1. Objective: The speed phase has been designed to demonstrate the rider's capacities for coordination and anticipation coupled with the horse's qualities of submission, speed, attention and finesse. The obstacles should be performed as quickly as possible. Any gait may be used.
2. Obstacles Permitted: The Speed phase obstacle course shall consist of the obstacles described in AL 243 Ease of Handling phase. The available obstacles and number of obstacles shall be as described in AL243 except as modified in sub sections "a" and "b" below. The Speed Trial course must differ from the ease of handling course. This may be achieved by a change in order, addition, or subtraction of obstacles.
 - a. Corridors and Side Pass Pole may have small balls placed in shallow dished supports attached to the supported poles, fences or walls defining the corridors. The shallow dished supports shall be such that a light impact with

the supported pole will knock the ball off.

b. Picking Up a Pitcher of Water, Dismount, and/or Unusual Footing shall not be included in the Speed phase.

3. Class Procedure:

Same as Ease of Handling phase with the exception: The event will be timed from the moment the horse's nose crosses the starting line to the time its nose crosses the finish line. The starting and finish line need not be the same location.

4. Scoring – Time Penalties: The Speed phase score is based on the time taken by the competitor to complete the course with the addition of time penalties for faults. The competitor with the lowest aggregate time (course time plus penalty time) shall be placed first, and successive places shall be awarded accordingly. Time penalties shall be assessed as follows.

a. General: Knocking over a part of an obstacle except as noted below. – 10 seconds. If there are multiple actions that knock down portions of the obstacle, each shall be penalized. If multiple portions of an obstacle are knocked down with a single action, only one penalty is assessed.

b. Gate

1. If the rider drops the rope when a rope is used in lieu of a constructed gate, he/she may dismount to retrieve rope, remount, and finish obstacle or receive a penalty of 30 seconds.

2. Failure to latch gate – 20 seconds. This applies only to certain levels.

c. Retrieve a Lance and Replace a Lance – Knocking over a barrel – 5 seconds. If rider drops the lance, or the lance does not stay in the barrel after placement, rider may dismount to retrieve lance and finish obstacle or a penalty of 30 seconds will be assessed. There shall be no time penalties for dismount and retrieval. Riders at the Introductory level shall not dismount but the Arena Steward or his/her crew shall pick up the lance and hold it upright for the rider to retake and finish the obstacle.

d. Knock Down Balls and/or Catch a Ring at Various Heights and Hit a Shield.

1. Failure to knock off ball or hit shield – 5 seconds.

2. Failure to skewer ring or place in barrel with lance – 5 seconds.

e. Move a Sack

1. Sack falls off table after rider places it on table – 5 seconds.

2. If rider drops the sack, rider may dismount to retrieve the bag and finish obstacle or be assessed a 30-second penalty. Time shall continue through the dismount, but there shall be no time penalties for dismount and retrieval.

f. Hay Jump

1. Knocking jump pole off – 5 seconds.

2. Dislodging hay bale(s)– 5 seconds (in addition to penalty of dislodging jump pole).

3. Failure to jump the obstacle – 30 seconds.

g. Bending Poles and Parallel Bending Poles – Knocking over a pole – 5 seconds. Failure to ring bell or move and place cup if incorporated into an obstacle – 10 seconds.

h. Corridor. Bumping the obstacle. Positioning small balls on the obstacle may aid the judge to know when the obstacle is bumped but is not required – 3 seconds.

i. Sidepass Pole

1. Bumping the obstacle. Positioning small balls on the obstacle may aid the judge to know when the obstacle is bumped but is not required – 3 seconds.

2. Any leg stepping across the rail opposite of the indicated side – 5 seconds.

j. Pirouette in the Triangle – Not completing the entire $\frac{3}{4}$ pirouette – 5 seconds.

k. Elimination – Competitors shall be eliminated for the following errors:

1. Uncorrected course fault.

2. Third refusal of any obstacle.
3. Failure to perform any obstacle.

AL245 Team Cattle Work Phase

1. Objective: The phase consists of a team comprised of four riders who work together to separate four pre-selected cows from a herd and drive them into a pen without losing control of the herd.
2. Class Procedure:
 - a. The cows shall be marked by distinct numbers or colors and applied to groups of four cows. A color or number shall be assigned to each place in the order of go before the competition.
 - b. Each rider in the team shall be assigned an order of cutting within the team.
 - c. At the beginning of the phase, the herd shall be located in the containment zone. The team of riders shall be positioned in the cutting zone.
 - d. The head judge shall ring a bell to signal the team may begin their trial. The team shall salute the judge and then has 60 seconds, from the judge's signal to begin the trial.
 - e. Time begins when the first rider of the team crosses the line between the cutting zone and the containment zone for the first time.
 - f. The team of riders shall cut the cows of the assigned color or number one cow at a time. Each team rider, in his/her assigned order, shall cut one cow, while the other team riders maintain the herd. Only the rider cutting the cow may cross the boundary into the containment zone.
 - g. Each rider has three minutes to cut and deliver the cow. If time expires before the cow is cut and delivered, the judge shall ring a bell or sound a whistle signaling to stop and proceed to the next rider.
 - h. Once a cow has been cut from the herd and is in the cutting zone, the other team members may assist in delivering the cow to the pen. Time for the next rider will begin when the cow is delivered.
 - i. Any cow that crosses the line of containment, except the individual cow designated for cutting, must be returned to the containment zone. A cut cow is only considered delivered when it is in the pen and all other cows are in the containment zone. Once delivered, the cow is free to leave the pen and return to the herd.
 - j. When all assigned cows have been delivered and the remainder of the herd is fully within the containment zone, time for the team shall be stopped. The team shall salute the judge at the conclusion of the trial.
 - k. Cattle sorting poles, la garrocha poles or ropes may be used. The rope may not be used to lasso a cow.
3. Scoring: Time penalties shall be added to the execution time as follows:
 - a. 15 seconds - any cow, other than the one designated as the cut cow, crosses the line of containment into the cutting area.
 - b. 10 seconds – A cow, once cut from the herd and crossing the line of containment into the cutting zone, and before delivered into the pen, re-crosses the line of containment.
 - c. 10 seconds – A team rider, other than one currently working the cow, crossing the containment line to the cutting zone before the designated cow is cut and in the cutting zone.
 - d. 60 seconds – Each cow assigned to the team but not delivered at the expiration of the three minute per cow time limit.
4. Placing for the phase will be based upon number of cows delivered and time. Teams with the most number of cows delivered will be ranked from the lowest aggregate time plus penalties to the largest aggregate time plus penalties. Subsequent placings will utilize the same criteria.
5. Elimination: A team shall be eliminated for the following:
 - a. Any behavior or movements that endanger the horses or cattle.
 - b. Lassoing a cow.
 - c. Any evidence of blood on either horses or cattle.

- d. First rider does not cross the containment line within one minute of head judge's signal.
- e. Entering the arena before instructed by head judge or steward.
- f. Failure to salute the judges.
- g. Using two hands on the reins in Level 4.
- h. Fall of horse or rider.
- i. Illegal equipment.
- j. Horse turning tail from cow being worked or refusing to enter the herd to work.

AL246 Competition Management – Guidelines for Management

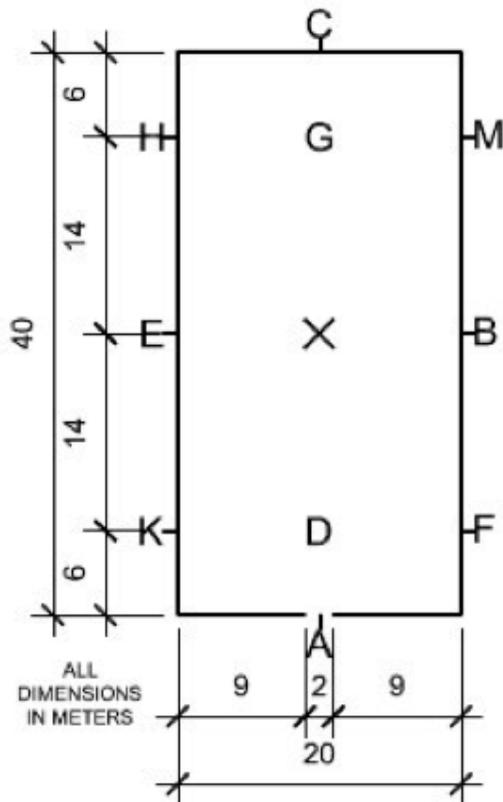

1. Officials

- a. Different judges for the Functionality, Ease of Handling, and Speed, and Cattle Work phases may be used.
- b. One judge is allowed, three judges are recommended, and five judges are preferred to officiate Working Equitation competitions.
- c. Functionality Phase Judges: One, three, or five judges may be used. Distribution of the judges around the arena shall be as follows:
 - 1. 1 judge: The judge should be on the short side of the arena, opposite the entry gate and at center.
 - 2. 3 judges: The head judge should be on the short side of the arena, opposite the entry gate and at center. Each of the remaining two judges should be located on each of the long sides, opposite center.
 - 3. 5 judges: The head judge should be on the short side of the arena, opposite the entry gate and at center. One judge each should be located on the same side of the arena as the head judge, and on either side of the head judge, each located 2.5 meters from the corner of the arena. Each of the remaining two judges should be located on each of the long sides, opposite center.
- d. Ease of Handling Judges: One, three, or five judges may be used. Judges should be distributed around the arena so that each judge has a clear view of all obstacles.
- e. Speed Phase Judges: One, three or five judges may be used. Each judge should have a clear view of all obstacles, with each judge having a different vantage point.
- f. Scribes: Each judge must be provided an individual to assist in recording scores.

2. Riding Arenas

The Functionality Phase is conducted within a standard 20x40 meter Dressage arena. When a complete arena is not used, the corners of the arena should be marked. Arenas for Introductory, Levels 1, 2, and 3 should have the letters appropriately marked. Arenas for Level 4 do not need to be marked with letters.

- a. The arena for the Obstacle/Ease of Handling and Speed phases has no size requirement, however recommended minimum dimensions are 50m x 30m (160 x100 feet).
- b. The Cattle Work Phase arena should have minimum dimensions of 50m x 30m (160 x100 feet). The catch pen may be incorporated within the area of the cutting zone provided it is off to one side, has fencing/panels to separate it, except the open gate, and the long dimension of the arena is at least 55 meters (175 feet). See diagram in AL 306.
- c. Each phase may have a warm-up arena and a competition arena.
- d. A warm up arena may be located near the competition arena. The warm-up arena used for Ease of Handling and Speed phases may have a few obstacles included in it. The obstacles need not be the same as those in the competition arena.

3. Order of Go: The order of go must be posted 60 minutes before the first phase of the day begins. If there is a scheduled break of more than one hour between phases, the order of go must be posted 30 minutes before the next phase.

Order of go should be determined as follows:

- a. In situations where one or more riders are competing in only one or two phases, the order of go for these riders should be by draw and precede the riders competing in the full competition.
 - b. Order of go is decided by a draw and will remain the same for the Functionality, Ease of Handling, and Speed phases. If the draw results in a rider with multiple mounts placed in close proximity, show management should adjust the order to allow adequate time between rides, before posting. *BOD 1/16/16 Effective 12/1/16*
 - c. In the event that a competitor has multiple horses, he/she may request a change of schedule for sufficient time to change mounts. Alternately, he/she will be allowed a five-minute gate hold to prepare the next horse for the arena.
 - d. The order of go for the Cattle Work phase should be determined by the team scores, as totaled for team competition, and ordered lowest to highest.
 1. Competitors who fail to comply with the order of go may be eliminated at the discretion of the judge(s).
 2. If a competitor is affected by a serious, confirmed problem (loss of shoe, wounds, etc.), the judge may alter the order of go.
4. Timed Phases: A timer is required. When a manual timer (person with stopwatch) is used, a minimum of two timers should be used. The same timer should be used for all entries of a phase and level. Where available, electronic timing is highly recommended. Where electronic timers are used and the start/finish lines are different, two timer triggers are required. Competition management should provide a backup timer for the electronic timer.
5. The head judge will be provided a bell or whistle with which to signal the rider to begin his/her trial. The bell or

whistle is also used to signal an error to the rider or elimination per the rules.

6. General Scoring

- a. Competition management may give awards in each phase as if each were an individual class.
- b. If show management elects to allow entry in individual phases without requiring participation in all three, competitors may be awarded places in each phase separately. However, the overall Working Equitation placing will be limited to competitors who participated in all three phases.
- c. Overall competition points shall be awarded based upon the competitor's finishing rank within each phase.

Points are awarded as follows.

1st Place: $n+1$

2nd Place: n

3rd Place: $n-1$

4th Place: $n-2$, etc.

n is equal to the number of competitors entered in the competition.

After each phase, the judge will sign the scorecards and will then pass them to the scorers. Scores and comments must be written in ink. Any corrected score must be initialed by the judge making the correction. The marks are then totaled. Penalty points incurred for errors are deducted on each score sheet to obtain the total score for that phase.

- d. The total overall score is obtained by adding the total points awarded for placing for each phase.
 - e. In the team competition, the three highest scores of the individual team members are totaled for the first three phases. This sum will be the team score. The team score for Cattle Work phase is then added to the previous sum to determine the final team placings.
 - f. If there are two or more judges, the points awarded by each judge will be published separately in addition to the total score for the Functionality Phase and Ease of Handling Phase: Total final results must be published in marks as well as in percentages with numbers written to three decimal places. Scores should be publicly posted as soon as possible after each ride.
 - g. In the event of a tie for the overall competition, the overall impression scores for the Ease of Handling phase shall be used to break the tie, with the competitor with the higher score placing higher. In the event there is still a tie, the overall impression scores for the Functionality Phase shall be used to break the tie. If a tie still exists, the competitor with the fastest aggregate time on the Speed phase shall place higher.
 - h. If a competitor withdraws (scratches, etc.) prior to a class or is excused, eliminated or a "no show" prior to or during the performance of a phase, the words "scratched," "excused," "eliminated," or "no show" or abbreviations of such, must appear after the competitor's name on the results sheet.
 - i. Videotape may not be used to dispute a judge's decision.
 - j. Judges should not leave until all scores from the classes they officiated have been totaled and any ties resolved.
 - k. If a mathematical error on the score sheet is discovered, it must be brought to the attention of competition management within one hour of the official posting of the scores from the last class of that competition day. Competition Management must announce said posting, and must make the phase sheets available to competitors immediately upon resolving the error or by the beginning of the following competition day if exhibitors are no longer present at the time of the resolution.
- ## 7. Causes for Elimination: Horse/rider combinations shall be eliminated from the competition under the following circumstances:
- a. Infraction of any state or federal law pertaining to the exhibition, care and custody of horses within the state or country where a Working Equitation class is being held.
 - b. Abuse of an animal in the show arena and/or evidence that an act of abuse has occurred prior to or during

the exhibition of a horse in competition.

- c. Illegal tack.
- d. Change of tack/attire between phases.
- e. The exhibition of a horse with clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area (those areas reasonable to believe the injury may have been caused by the rider or equipment).

Horse/rider combination may be eliminated from the current or next phase, depending on which is closest to the time the incident occurred, under the following circumstances:

1. Use of whips in the competition arena at the Intermediate and Advanced levels.
2. Entering the arena before the judge has signaled readiness for the competitor to enter.
3. Entering the arena out of order from the posted entry order, unless directed by the judge/steward.
4. Taking more than one minute to begin the trial after the bell has been rung.
5. Fall of horse and/or rider.
6. Use of free hand to guide or signal mount at the Advanced level.
7. Failing to complete the pattern/course as given and/or posted.
8. Leaving the arena during the trial prior to completing the pattern and/or being excused by the judge.
9. Disrespect or misconduct by the exhibitor.
10. The judge may excuse a horse at any time while in the arena for unsafe conditions, unruly behavior, or improper exhibition pertaining to the horse and/or rider. This may include the exhibition of an animal not in a fit or sound condition.
11. The use of abusive equipment and/or the use of abusive showing techniques by the rider.
12. Failure to correct a course fault in the Ease of Handling phase.

It should be noted that in every case the exhibitor should be given the benefit of doubt, should any doubt exist.

AR105 Conduct, Specifications, Soundness and Welfare of the Horse

1. All horses, except horses entered in Sub-Chapter 29 Equitation and Sub-Chapter 30 Showmanship classes, must be serviceably sound.
 - a. All horses must be in good condition. Horses with loss of sight in one eye may compete in any class except Breeding/Gelding In-Hand classes and Sport Horse In-Hand Classes.
 - b. The official veterinarian's decision, if requested by the judge as to the serviceable soundness of a horse (i.e., whether the horse shows evidence of lameness, broken wind, or complete loss of sight in either eye), will be final for the purpose of awarding ribbons in the class for which he has been called.
2. No horse may compete in a class in the Arabian Division with a tail carriage that has been altered in any manner or by any means. Violations of this rule are considered serious infractions, because such alterations constitute misrepresentations of the breed type.
3. Ginger, Capsaicin and Other Irritants.
 - a. No horse may compete in a class in the Arabian Division with any chemical or other Irritant of any kind present on its anus, vulva, rectal area or vaginal area, regardless of the origin of the irritant and whether it was applied or its presence resulted from dietary, environmental or unknown origins, and whether the horse's tail carriage was affected by its presence.
 - b. The trainer (See GR147 Trainer Definition and GR404 Responsibility and Accountability of Trainers), owners, and their agents, of a horse entered to compete in a class in the Arabian Division are insurers of the horse's condition and compliance with this Rule, and accordingly they are responsible and accountable for safeguarding the horse and controlling its diet and environment prior to, during and following the class, and at the time of the sampling provided for below, so as to prevent exposure to a chemical or other irritant of any kind, regardless of its origin, whether exposure was intentional, and whether the horse's tail carriage was affected by its presence. These individuals/entities are subject to charges of rule violation should the sampling and testing provided for below be positive for the presence of a chemical or irritant of any kind.

- c. Any trainer, owner, agent or other person who administers, attempts to administer, instructs, aids, conspires with another to administer, or employs anyone who administers or attempts to administer a chemical or other irritant of any kind onto the anus, vulva, rectal area or vaginal area of a horse entered to compete in a class in the Arabian Division shall be subject to penalties as provided for in f. below.
- d. The Federation may cause the collection of swab samples and have tested substances present on the anus, vulva, rectal area or vaginal area of horses following their exit from the ring, in connection with a class in the Arabian Division as follows:
1. The Federation shall choose all horses in such a class to be sampled, or may select one or more placings from the class for sampling, or may select some of the horses from such a class for sampling. In making such selections, the Federation will act on the advice of the Federation Drugs & Medications Administrator and may act on the request of competition management and/or a judge of the class but is not required to do so;
 2. After notification by the Federation that swab sampling will occur, competition management shall appoint only a licensed veterinarian or veterinarians to supervise the sampling, who may utilize technicians working under direct supervision of the veterinarian(s);
 3. That this veterinarian/veterinarian(s) work under the Federation Drugs and Medications Administrator's direction for these duties;
 4. Competition management shall ensure that the appointed veterinarian coordinates with the Federation Drugs & Medication Administrator to implement the chain of custody required by the laboratory for identifying the horse from which each sample was taken;
 5. Competition management shall ensure that the appointed veterinarian follows the instructions of the Federation Drugs and Medication Administrator by forwarding the samples for testing to the Iowa State University Laboratory or another comparable laboratory acceptable to the Federation, and shall implement the chain of custody required by the laboratory for transporting the samples to and from the laboratory and while at the laboratory.
 6. All results will be reported to the Federation Drugs & Medication Administrator only.
- e. The trainer, owner, and their agents of a horse competing in a class in the Arabian Division must submit to the above sample collections performed by representatives of competition management, and they must do so with no unnecessary delays. They must cooperate with the sample collection personnel as defined above exhibiting polite attitude and actions toward them and must assist them by helping to restrain the horse properly during the sample collections);
- f. In the event the Hearing Committee determines a violation has occurred, the trainer, owner and/or their agents each shall be subject to any and all penalties imposed by the Hearing Committee at its discretion pursuant to Chapters 6 & 7, including suspensions, fines, and the revocation and redistribution of winnings, notice or notices of which shall be published on Federation's website. The suggested minimum penalty for a first offense is the revocation of all the horse's winnings in connection with the entire competition in question, and a suspension of 60 days with a fine of \$2500. Subsequent violations of this rule by any of the above individuals/entities shall be subject to such greater penalties as determined at the discretion of the Hearing Committee.

Judges must excuse from the ring any horse that possesses a whip mark (welt) on any portion of the horse. A whip mark or welt is an inflammation of skin and subcutaneous tissue resulting in a swelling and in extreme cases is an abrasion or laceration.
 - a. The cardinal signs of inflammation include heat, pain, (sensitivity to palpation) and swelling.
 - b. The judge(s)' finding of fact with respect to the presence or absence of a whip mark (welt) evident during a class shall be final and no appeal may be taken thereon.
 - c. In a class that is judged by more than one judge, if a judge in that class believes that an entry has a whip mark, that entry must be examined by all judges of that class and each judge must determine if a whip mark exists. If a majority of the judges of that class determine that a whip mark exists, then the entry must be excused from the ring, according to the specifications set forth in this Rule. If a majority of the judges determine there is not a whip mark, then each judge who is of the minority opinion shall have the authority to eliminate said entry from further consideration.

AR106 Shoeing Regulations, Artificial Markings and Appliances

Aluminum, rubber or other non-metallic shoes are exempt from the dimension requirements. The shoe may be of any type and configuration except in the case of a bar shoe, there may be only one bar. A bar is part of the shoe and must not exceed the dimensions of 3/8" thick by 1 1/8" wide, nor may it extend below the ground surface of the shoe. If a shoe band is used, it may be attached to the shoe, or the pad if present.
2. Horses less than two years of age must be shown barefoot. Horses two years of age may be shown with a shoe in accordance with AR106.1 However, the use of a pad(s) of any type or configuration between hoof and shoe is strictly prohibited.
3. Maximum length of toe is 4 1/2" for purebred Arabians. Maximum length of toe is 5" for Half-Arabians and Anglo- Arabians.
4. Method of Measuring Toe and Heel. Using a six (6) inch metal ruler, the length of the toe is determined by measuring the front of the hoof, in the center, from the skin line on the lower side of the coronary band to the ground. The skin line on the lower side of the coronary band is to be defined by palpation. The thumb should be used to press on the horny hoof wall proceeding from the ground toward the hairline. The first compressible soft tissue palpated is the lower side of the coronary band. The hairline does not necessarily coincide with the lower side of the coronary band. The height of heel is determined by measuring from the skin line on the lower side of the coronary band to the ground, with the ruler perpendicular to the ground (See illustration in GR510). The use of pad(s) (either full or partial, including rim) made of leather or plastic, is allowed as long as the overall length of toe measurement does not exceed the maximum toe length of 4 1/2" for Purebred Arabians or 5" for Half-Arabians/Anglo-Arabians. The introduction of a foreign material within the pad, between the pad and shoe or between the pad and hoof (other than accepted packing material such as oakum, pine tar, silicone, foam rubber, etc.) designed to add additional weight or enhance action is strictly prohibited. Material with anti-concussive qualities (such as rubber, silicone, latex, etc.) may be used between the pad and hoof for additional support, provided such material does not extend beyond the inner rim (edge) of the shoe.
5. At the discretion of a judge or a steward officiating at a licensed Arabian competition, or at the request of the Show Committee (See GR1201 License - Operation of Competition.) inspection (including measuring the shoe,

measurement of hoof length, and presence of a pad) of shoes, pad(s) and/or hoof length may be required.

 - c. Prior to any disqualification and/or other penalties imposed on a horse at a competition, the inspecting officials shall make reasonable efforts to notify and have present, the owner(s) and trainer(s) of said horse, or agent(s) at the inspection.
 - d. The inspecting officials shall take possession of any shoe, and/or pad and measure the shoe with an accurate gauge. Measurement of hoof length shall be made in accordance with AR106.4 Method of Measuring Toe and Heel.
 - e. In the event that the inspecting officials find a violation of the shoe measurement, hoof length and/or pad presence the horse shall be disqualified for the entire competition, and the owner shall be required to forfeit all prize money, sweepstakes and trophies, entry fees, ribbons, and points won at said competition by said horse.
 - f. Additionally, if any forbidden foreign material is found between the pad and/or shoe, or pad and hoof, within the pad, and/or the pad composition is in violation of AR106.4.a the steward shall file a charge against the owner(s) and trainer(s) with the Federation Hearing Committee in accordance with GR604 Charges and a hearing shall be held in accordance with General Rules, Chapter 6. 3. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. For all exhibitors competing in the Working Hunter section or Hunter Seat Equitation section, if a rider's chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her round without penalty or elimination. A judge may, but is not required to stop a rider and ask them to refasten a chin strap which has become unfastened, again without penalty to the rider. Members of the Armed Services or the Police may wear the Service Dress Uniform.

SUBCHAPTER AR-5 PERFORMANCE SECTION

AR125 General Performance Classes

1. In all classes where horses compete collectively (except in Roadster) all horses shall be worked at all required gaits both directions of the ring unless otherwise described by class specifications, and will be asked to reverse direction at either the walk (normal, collected, or extended), jog trot, or trot (normal or collected).

At the judge's discretion, horses shall change from any gait to any other gait as listed in class specifications.

Judges are required to consider the performance at each gait equally in adjudicating performance classes.

2. Work-Offs will be judged as a separate class and horses must be tied for placings being considered in that work-off. Work-Offs may be called for by the judge for any or all placings. All horses chosen for a work-off must be worked both ways of the ring at any gait listed in class specifications and requested by the judge. An exhibitor choosing to not complete the work-off for any reason has the option of lining up and receiving the last ribbon awarded in the work-off.

3. The following provisions shall apply for only the classes in the following sections: Park Section, English Pleasure Section, Country English Pleasure Section, Carriage Pleasure Driving Section, Formal Driving Section, Pleasure Driving Section, Country Pleasure Driving Section, Roadster Section, and Combination Class Section. When the judge calls for the lineup, exhibitors must continue in the same direction the class is working when bringing their entries to the lineup. Horses must come to the lineup at the gait requested. Judges must penalize entries that do not comply.

4. In the line up, horses must stand quietly and may be asked to back individually or as a group. **In driving classes requiring a reinback in the line up, the overcheck may be adjusted by the header but must remain fastened until the reinback has been completed.** *BOD 11/7/16 Effective 12/1/16*

5. Horses are not to stretch in the line up.

6. Stripping of horses is not permitted.

7. In any class where a full bridle is required or permitted a judge may not request that gaits be performed only on bridoon or curb.

8. In English Pleasure, Country English Pleasure, or English Show Hack classes, light contact must be maintained with all reins at all gaits.

9. Entries in Park, English Pleasure, Country English Pleasure, Combination and Saddle Seat Equitation classes; the transition from the trot to canter is not permitted.

10. Class specifications are listed in order of judging priority and are to be judged in the order given.

11. When a class is divided, A) duplicate awards (including prize money) may be given, or B) management may direct that the top contestants from each group return to the ring for final adjudication (Exception: classes which require individual tests). If duplicate awards are given, horse and/or rider may not compete in more than one section of the class which has been divided. When more than 40 horses or riders are entered in a performance class in which horses compete together, the class must be divided. The method of dividing classes is at management's discretion.

AR126 General Performance Championships

1. A Show Committee must designate all qualifying classes and can require any or all winners in a qualifying class at that competition to compete in a Performance Championship class provided this is stated in the prize list and the

gaits required are the same as in the qualifying class. Any exhibitor failing to comply must forfeit all prize money in the qualifying class. If an exhibitor or trainer qualifies more than one horse for a Championship class he can elect to show only one.

2. To be eligible to show in a Performance Championship class, a horse must have been properly entered, shown and judged in one qualifying class at that competition in the same section. (This does not apply to AHA Regional and AHA National Championship Competitions.)
3. An entry which while performing in a qualifying class fails to qualify by reasons of equipment repair, shoeing time, illness (certified by the official veterinarian) or failure of a class to fill shall be permitted to pay double fee and make a post entry in another qualifying class in the section or if no subsequent qualifying class is available for such post entry, the horse shall be considered qualified for the Performance Championship class, provided the horse has previously been entered in the Championship. Exception: Dressage. (See also GR809.3)
4. To avoid divided Performance Championship classes, eligibility for a Championship class may be limited to ribbon winners in qualifying classes.
- 5 Any performance class, except a championship class, may be divided at management's discretion.

 - b. Spurs, whip or crop optional, at the exhibitor's discretion.

AR133 Qualifying Gaits

1. Walk, a four-beat gait: Brisk, true and flat-footed with good reach.
2. Normal trot, a two-beat gait: To be performed at medium speed with moderate collection. The normal trot must be mannerly, cadenced, balanced and free-moving. Posting is required.
3. Strong trot, a two-beat gait: This trot is faster and stronger than the normal trot. It is performed with a lengthened stride, powerful and reaching, at a rate of speed which may vary between horses since each horse should attain his own strong trot in harmony with his own maximum natural stride. The horse must not be strung out behind. He should show moderate collection without exaggeratedly high action in front. He must present a willing attitude while maintaining form. The strong trot must be mannerly, cadenced, balanced and free-moving. Rider to post the trot.

4. Canter, a three-beat gait: Smooth, unhurried, with moderate collection, correct and straight on both leads.
5. Hand Gallop: The hand gallop is performed with long, free, ground covering stride under control. SUBCHAPTER AR-9 HUNTER PLEASURE SECTION

AR139 Conduct

1. Competitors enter the ring in a counterclockwise direction at the trot.
2. Direct but light contact with the horse's mouth must be maintained at all gaits. Draped reins are incorrect. Direct contact means that there should be a straight line from the rider's hands to the horse's mouth.

AR140 Appointments

1. Tack:
 - a. Bridle shall be light, show type; either snaffle, pelham, full bridle or kimberwicke bit acceptable. Browband/cavessons must be of hunter type. Junior Horse classes require a snaffle bit. (Snaffle bit is defined as snaffle bit of at least 3/8" diameter as measured 1/2" from the ring. The snaffle bit may be jointed, double jointed or unjointed. For all junior horse performance classes, all snaffle bits must have a round, egg butt or "D" shaped ring with no attachments to the headstall or reins through a hook (except for keepers for a full cheek snaffle when section rules allow a full cheek). Full cheek (with or without keepers), French and Dr. Bristol snaffle bits are permitted). The following are not permitted: ornamented bridles, browbands or cavessons, saddle seat style colored browbands/cavessons, figure eight, drop, or flash nosebands.
 - b. Breastplate or breast collar is optional.
 - c. No martingales or tie-downs.
 - d. Type of English saddle is optional, but forward seat type saddle recommended. Saddle Seat type saddles are not allowed.

Boots and conservatively colored hunting cap, derby, or

protective headgear are mandatory. Nonconforming exhibitors must be severely penalized.

- b. Spurs and crop or bat, no longer than 30" including lash are optional, at the exhibitor's discretion. (Exception: Side saddle)

AR141 Qualifying Gaits

1. It is imperative that the horse give the distinct appearance of being a pleasure to ride and display a pleasurable and relaxed attitude. Compared to an English Pleasure, Country English Pleasure or Show Hack horse which is shown in an upright frame, the Hunter Pleasure horse should be in a longer, more rectangular frame, with a neck carried lower and in a more relaxed manner with less arch in the neck and less bend at the poll. The stride at every gait should be long, cover ground, and exhibit efficiency of movement. While some degree of carriage is appropriate in a Hunter Pleasure horse, a stride that is short, high, and round is not appropriate. Horses that are, for more than a few strides, high headed, ridden on a draped rein, not in an appropriate frame, on the forehand, short-strided, or behind the vertical must be severely penalized.
2. Suitability as a Hunter as found in AR142 means that the horse is in a frame suitable to take a jump safely and efficiently.
3. Walk, a four-beat gait: Straight, true and flat-footed. Regular and unconstrained with good reach.
4. Trot, a two-beat gait: Straight and regular. The trot should be mannerly, cadenced and balanced. To be performed at a medium speed with a free moving, long, ground covering, efficient stride that is not short, high, round, or choppy. Rider to post the trot.
5. Canter, a three-beat gait: Even, smooth, unhurried, correct and straight on both leads.
6. Hand Gallop: The hand gallop is performed with a long, free, ground covering stride. The amount of ground covered may vary between horses due to difference in natural length of stride. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads.

AR142 Hunter Pleasure Class Specifications

1. OPEN. To be shown at a walk, trot, canter and hand gallop both directions of the ring. To stand quietly and back readily. To be judged on manners, performance, suitability as a Hunter, quality and conformation.
2. AMATEUR. To be shown at a walk, trot, canter and hand gallop both directions of the ring. To stand quietly and back readily. To be judged on manners, performance, suitability as a Hunter, quality and conformation.
3. LADIES, GENTLEMEN. To be shown at a walk, trot, canter and hand gallop both directions of the ring. To stand quietly and back readily. To be judged on manners, performance, suitability as a Hunter, quality and conformation.
4. JUNIOR HORSE. To be shown at a walk, trot, canter and hand gallop both directions of the ring. To stand quietly and back readily. To be judged on quality, performance, suitability as a Hunter, manners and conformation.

SUBCHAPTER AR-10 WESTERN PLEASURE SECTION

AR143 Conduct

1. Competitors enter the ring in a counterclockwise direction at the jog-trot.
2. Light contact with horse's mouth must be maintained at all gaits.
3. If bridles are to be checked, it is the sole decision of the judge to do so. The judge may designate the steward to check bridles at the out gate. Riders must dismount.
4. A Junior Western Pleasure horse shown in either a hackamore or snaffle must never have been shown in any Arabian Competition/Division Western Pleasure event in a bridle. (Except Trail, Reining, Reined Cow Horse and Working Cow Horses. See Sub-Chapters 26 and 27.)

AR144 Appointments

1. Competitors must be penalized for incomplete appointments, but not necessarily disqualified. Competitors must be eliminated for illegal equipment.
2. Tack:
 - a. Bridle. Any western type headstall without noseband in conjunction with any standard western bit shall be allowed. A standard western bit is defined as having a shank with a maximum length overall of 8 ½". The mouthpiece will consist of a metal bar 5/16" to ¾" in diameter as measured one inch in from the shank. The bars may be inlaid but must be smooth or latex wrapped. The bars may be encased in smooth 5/16" to 3/4" in diameter tubular barrels that rotate around the bars. Nothing may protrude below the mouthpiece (bar) such as extensions, prongs, or rivets designed to intimidate the horse. Rollers attached to the center of the bit are acceptable, and may extend below the bar. Jointed mouthpieces are acceptable and may consist of two or three pieces and may have one or two joints. A three piece mouthpiece may include a connecting ring of 1 ¼" or less in diameter or a connecting flat bar of 3/8" to ¾" (measured top to bottom with a maximum length of two 2"), which lies flat in the mouth, or a roller or port as described herein. The port must be no higher than 3 ½" with roller(s) and covers acceptable. Jointed mouthpieces, half-breeds, and spade bits are standard. Slip or gag bits, rigid donut mouthpieces and flat polo mouthpieces are prohibited. Roping bits with both reins connected to a single ring at center of crossbar shall not be used. Reins must be attached to each shank. Either a curb chain or flat leather chin strap must be at least ½" in width and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the flat leather chin strap, or curb chain. Round, rolled, braided or rawhide curb straps are prohibited, except when used on a ring snaffle when applied below the reins. A light lip strap is permissible. See illustration in Western Division. Any rein design or other device which increases the effective length and thereby the leverage of the shank of a standard Western bit is prohibited (see WS105.2).
 - b. Junior horse classes require a snaffle bit or hackamore. Hackamore/ Bosal or standard snaffle are permitted in any class on horses five years old and under, unless prohibited in the prize list. A standard snaffle bit is defined as a center jointed single, rounded, unwrapped, smooth mouthpiece of 5/16" to ¾" diameter metal as measured from ring to 1" in from the ring with a gradual decrease to the center of the snaffle. The rings may be from 2" to 4" outside diameter of either the loose type, eggbutt, dee, or center mounted without cheeks. If a curb strap is used it must be attached below the reins. A hackamore includes a bosal rounded in shape and constructed of braided rawhide or leather and must have a flexible non-metallic core, attached to a suitable headstall. No other material of any kind is to be used in conjunction with the bosal, i.e., steel, metal or chains (Exception: smooth, plastic electrical tape is acceptable if applied in a smooth, untwisted manner). Attached reins may be of hair, rope, or leather. Both hands must be visible to the judge. Two hands may be used on hackamore (Bosal) and Western snaffle reins.
 - c. Split reins or closed reins are equally acceptable. Only one hand may be used on reins and hands must not be changed except to negotiate an obstacle in a Trail Horse Class. While working a cow in herd work and Limited Reined Cow Horse, it is legal to hold the reins and the romal in one hand (rein hand), while doing so, the other hand may be used to hold the saddle horn. Hand to be around reins. When ends of split reins fall on side of rein-ing hand, one finger between reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger between reins is allowed. Rider may hold romal or end of split reins to keep them from swinging and to adjust the position of the reins provided it is held with at least 16 inches of rein between the hands.
 - d. Rope, riata and/or hobbles are optional.
 - e. Hackamore bits, cavesson type nosebands, martingales and tie-downs are prohibited.
 - f. Saddle: Any standard stock saddle with a horn is required, but silver equipment will not count over a good working outfit. Tapaderos may not be used.

3. Attire:

- a. Riders shall wear Western hat, long-sleeved shirt with any type collar, trousers or pants (one piece long sleeved equitation suit is acceptable provided it includes a collar); chaps, shotgun chaps, or chinks, and boots. A vest, jacket, coat, and/or sweater may also be worn. Competitors with incomplete attire must be penalized.
- b. Spurs are optional at the discretion of the exhibitor, whips are not allowed except with side saddle. (see GR1310 Dispensations).

AR145 Qualifying Gaits

The good Western pleasure horse has a comfortable free flowing stride of reasonable length in keeping with the individual's conformation. It should cover a reasonable amount of ground with little effort. Ideally, the horse should have a balanced, sweeping motion that requires no more than light contact by the rider. The head and neck serve as a balance arm and are carried in a relaxed, natural position appropriate for each individual's own conformation. Maximum credit should be given to the responsive, confident, willingly guided horse that performs all the required gaits correctly with strength and finesse. The horse should be balanced in all aspects; conformation, gait and disposition. Such a horse is an athlete that goes softly and gives the appearance of being fit and capable of the tasks. Ultimately, the horse is very eye appealing and gives the Impression of being a pleasure to ride. Light contact should be measured by a horse's response to the rider's hands, seat and legs and not merely by the tension in the reins. However, an excessively draped rein is just as undesirable as extremely tight rein. Subtle cues are desirable, while an absence of cues is not. The individual that willingly and quietly responds to subtle cues by the rider is performing with light contact. For performance criteria, see Western Pleasure Chart.

1. Walk, a four-beat gait: True, flat footed and ground covering.
2. Jog-Trot, a two-beat gait: Free, square, slow and easy.
3. Lope, a true three-beat gait: Smooth, slow, easy and straight on both leads.
4. Hand Gallop: A real hand gallop, not merely an extended lope, extreme speed to be penalized. There should be a distinct difference between the lope and the hand gallop.

AR146 Western Pleasure Class Specifications

1. OPEN. To be shown at a walk, jog-trot, lope and hand gallop. Extreme speed to be penalized. To be judged on manners, performance, substance, quality, conformation and attitude.

The amount of ground covered may vary between horses due to the difference in natural length of stride. The hand gallop is not a fast collected canter but a true lengthening of stride, correct and straight on both leads. There shall be a distinct difference between the canter and the hand gallop.
4. Extreme or reckless speed to be penalized.

AR154 Mounted Native Costume Class Specifications

OPEN, AMATEUR, LADIES, GENTLEMEN. To be shown at a walk, canter and hand gallop. Extreme or reckless speed to be penalized. Horses should stand quietly and back readily. To be judged 75% on performance and manners; 25% on appointments.

SUBCHAPTER AR-13 ENGLISH SHOW HACK SECTION.

AR155 Conduct

1. Competitors enter the ring in a counterclockwise direction at the normal walk or normal trot.
2. Light contact must be maintained with all reins at all gaits.

AR156 Appointments

1. Tack:
 - a. Bridle shall be light, show type; either single snaffle, double (full) or pelham. Kimberwicke bit is permitted. Browbands and cavessons other than hunter or dressage types are prohibited. Unconventional tack such as figure eight, drop, or flash nosebands are not permitted.

 - d. Horses may show with a braided mane and/or tail.
2. Attire:
 - a. Acceptable Hack attire is required. It consists of conservatively colored coat, breeches and boots. A conservatively colored hunting cap, derby or protective headgear is mandatory. Formal attire consisting of white breeches, top hat and tails may be worn. It is usual to wear such attire after 6:00 p.m., or in Championship classes.
 - b. Spurs, whip or crop optional at the exhibitor's discretion.

AR157 Qualifying Gaits

1. An English Show Hack horse is not necessarily a Dressage horse, nor an English Pleasure horse of the Arabian Division. Elevation and high knee action are not to be emphasized. The English Show Hack is a suitable section for the well trained animal. The English Show Hack horse must be balanced and show vitality, animation, presence, clean fine limbs and supreme quality. Soundness is required. The collected and extended gaits must be called for; i.e., collected walk, extended walk, normal walk; collected trot, extended trot, normal trot; collected canter, extended canter, normal canter and hand gallop. The English Show Hack horse shall be able to perform all of these gaits with a noticeable transition between the normal, collected, and extended gaits. The horse must be under complete control and easily ridden. Obedience to the rider is of prime importance. If the horse exhibits clear transitions in a balanced and level manner, appearing to be giving a comfortable and pleasurable ride, he is performing correctly for this class.
2. To stand quietly and back readily. At the discretion of the judge, horses may be asked to halt and rein-back while on the rail.

- 3 Walk, a four-beat gait: Straight, true and flat-footed.
 - a. Normal Walk: Regular and unconstrained, moving energetically and calmly forward.
 - b. Collected Walk: Strides are shorter and higher than at the normal walk. The head approaches the vertical, but should never move behind it. Pacing is a serious fault.
 - c. Extended Walk: The horse is allowed to lengthen frame and stride while rider maintains light rein contact. The horse should cover as much ground as possible without rushing.
4. Trot, a two-beat gait: Free-moving, straight, rider maintaining light contact with horse's mouth at all times.
 - a. Normal Trot: Light, crisp, balanced and cadenced, with rider posting.
 - b. Collected Trot: The horse's stride is shorter and lighter, maintaining balance and impulsion. The neck is more raised and arched than at the normal trot as head approaches the vertical line, never moving behind it. Rider is sitting.
 - c. Extended Trot: Maintaining the same cadence and performing at medium speed, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider's hand as it lengthens its frame. Rider is posting.
5. Canter, a three-beat gait: Straight on both leads, smooth.
 - a. Normal Canter: Light even strides, should be moved into without hesitation.
 - b. Collected Canter: Marked by the lightness of the forehand and the engagement of the hindquarters, the collected canter is characterized by supple, free shoulders. Neck is more raised and arched than in normal canter as the head approaches the vertical line, never moving behind it.
 - c. Extended Canter: Maintaining the same cadence, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider's hand as it lengthens its frame.
6. Hand Gallop: The hand gallop is performed with a long, free, ground covering stride. The amount of ground covered may vary between horses due to difference in natural length of stride. The distinction between hand gallop and extended canter is, the latter being the ultimate linear extension of stride within the hand of the rider; the hand gallop being a looser, more free elongation of stride and frame of the horse. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads. Extreme speed to be penalized.

AR158 English Show Hack Class Specifications

1. OPEN, AMATEUR, LADIES, GENTLEMEN. To be shown at a walk, trot, canter, and hand gallop; collected and extended and normal gaits to be called for. To stand quietly and back readily. To be judged on manners, performance, quality and conformation.

2. Jumping Order
 - a. If a jumping order is established, it must be posted in a conspicuous place at least one-half hour before the class. The jumping order must be legible to a mounted rider. If a jumping order is used throughout the section, a systematic rotation of the starting list must be employed so that a complete cycle is made during the competition.
 - b. Failure to enter the ring within one minute after an audible signal to proceed is given incurs elimination. The time limit for entering the ring must be enforced by competition management. Management may permit a rider to compete out of order to minimize delays and in case of class conflicts.

3. Horses may be shown with a braided mane and tail (AR106.7).
4. Horses competing in "Horses 14.2H and Under" classes are required to have a USEF horse measurement card or a USEF valid horse measurement form issued by the Federation. (Exception: Hunter/Jumper measurement cards are accepted at Arabian-restricted competitions). Heel measurements are not required or considered for Arabian competitions.**
5. **All horses must be serviceably sound (See HU134). All horses being considered for an award must jog for soundness with rider dismounted (Exception: Under Saddle classes, Working Hunter classes with specifications that do not require horses to jog, local or unrated classes). Horses must return to the ring for soundness wearing an acceptable approved bridle.**
6. **Warm Up Rounds:**
No judged Warm Up classes are to be offered, however, all shows are required to offer exhibitors a warm up round at their division height prior to competition. Although this is a non judged class, an entry/schooling fee may be required. Exhibitors can elect to not enter the warm up rounds. *BOD 1/16/16 Effective 12/1/16*

AR160 Judging

For rules governing the judging of Hunter classes, see HU, Subchapter HU-5.

AR161 Courses

 - a. **Courses to consist of a minimum of 8 fences.**
 - b. **Combinations are not required.**

 - d. **Distances are to be determined by the course designer and can be adjusted after the schooling session and before competition. Once set, they must remain the same for the entire class. Exception: Combined Hunter, the distances may be altered as fence heights are adjusted.**
 - e. **Distances between the fences are determined as per USEF/USHJA Course Design guidelines and are based on the height of the fences, the desired number of strides to be taken between fences, the direction that the horses are jumping and arena conditions such as size and footing, indoor or outdoor. These distances are a guideline and course designers may alter based on conditions.**
 - f. **All obstacles, except those noted below, must be set at the required height. The required height may have a variance of no more than 2" over or under. Exceptions:**
 1. **Walk fences may not exceed 2' in height and spread.**
 2. **Trot fences may not exceed 2'6" in height and spread for horses and 2' in height and spread for horses 14.2 HH and under.**

3. For rules governing Course Diagrams, see HU121.
4. Except in cases of inclement weather, broken equipment or a similar emergency, a course must not be altered except by written permission of all exhibitors. If one or more original obstacles are rendered unusable during a class and no duplicate exists, management may substitute obstacles which approximate as nearly as possible, the originals.

AR162 Height of Obstacles

1.Regular Hunter Divisions/Classes to be determined as follows (Note any class offered at an AHA approved show that does not specifically adhere to the following nomenclature and specifications will be considered an unrated class):

a. Open:

1. Working Hunter - Open 2'. Horses are not required to jog for soundness.
2. Combined Hunter over fences - 2'3" and 2'6" - at the discretion of show management, this division/class(es) may be run as individual classes or as a combined class. When classes are combined, horses can compete at the height of their choice. Horses may only compete once per class and the height (2'3" or 2'6") must be declared to the ingate/whipper prior to the start of the class. Failure to declare which height that the rider wishes to compete at prior to the start of the class will default the entry to the maximum height. If multiple classes or a division is offered at a competition, horses may change the height in which they jump each class. This class is an unrated class only and cannot be offered at Regionals or National Championship shows. Horse are not required to jog for soundness.

Classics may be run as a combined hunter competition, with horses competing at 2'6", 2'9 and 3'. The height that the horse would compete at would be the maximum height that they competed at during the show.
6. Working Hunter Derby – Similar to a Hunter Classic, 2 rounds, but the course should include natural elements and options. Further the 2nd round must be a Handy Hunter Course. Judged in accordance with USHJA Handbook. National Derby Rules. Derby may be run as a combined hunter competition, with horses competing at 2'6", 2'9 and 3'. SUBCHAPTER AR-17 SPORT HORSE SECTION

AR174 Purpose

The Sport Horse section was developed to evaluate and encourage the breeding of Purebred Arabian and Half-Arabian/Anglo-Arabian horses suitable for Dressage, Working Hunter, Eventing, Jumper, Carriage Pleasure Driving, Combined Driving, Racing, Competitive Trail and Endurance, and to provide an opportunity to demonstrate the effectiveness of breeding programs. Form to function will be emphasized.

AR175 Conduct of Classes

1. In-hand, Under Saddle and Show Hack Sport Horse classes for 1) Arabians and 2) Half-Arabians/Anglo-Arabian Sport Horses may be held separately or in conjunction with any licensed Arabian competition. Sport Horse In-hand, Under Saddle and Sport Horse Show Hack classes may be held for stallions, mares and geldings. SUBCHAPTER AR-1 Applies to Sport Horse classes.

2. In-hand Classes may be held in any age groups deemed appropriate by competition management and published in the prize list with the exception that horses of one sex shall not be judged against those of the opposite sex.

Exception: Specified group classes or specified championship classes may have horses of all sexes.

Sport Horse In-Hand and Under Saddle classes may be divided at the discretion of competition management into Dressage type and Hunter type. Horses may cross enter. Both Dressage and Hunter style appointments (tack and attire) are permitted in both the Dressage-type and Hunter-type In-Hand and Under Saddle classes. Competition management is encouraged to offer separate Championship classes for each type, but the championship classes may be combined at competition management's discretion.

c. Dressage type - displays the conformation and movement qualities as follows: Horses of this type carry a higher set-on neck than the Hunter type with sufficient length and flexion of the poll. Movement should be free, elastic, active and regular with good push from behind without tension and with a tendency toward an uphill balance.

d. Hunter type - displays the conformation and movement qualities as follows: Horses of this type carry a more level frame than the Dressage type horse, yet must display a natural looking carriage. Movement should have good ground cover and tend to be long and low with good push from behind, free of tension and showing good balance.

3. Sport Horse In-Hand Championships shall be based upon highest scoring horses in qualifying classes. Sport Horse In-Hand Champions and Reserve Champions must be at least two years of age. No horse may be named Champion and Reserve Champion in the same class. (Example: when amateur and open classes qualify for the same championship class.) If the same horse has the two (2) highest scores, the next highest eligible horse shall be named Reserve Champion.

AR176 Sport Horse In-Hand Classes

1. Sport Horse In-Hand Classes.

Conformation is to be evaluated in terms of potential trainability, potential performance and predisposition to soundness. Form to function is to be emphasized. Blemishes are not to count unless resulting from conformation faults. Gaits are to be evaluated in terms of purity, quality and correctness. Correct gaits which contribute to ease in training and the horse remaining sound and useable are most important. Purity and quality are judged mainly in profile. Correctness is judged mainly while the horse is coming to and going from the judge's position. Colts and stallions two years and over must have both testicles descended.

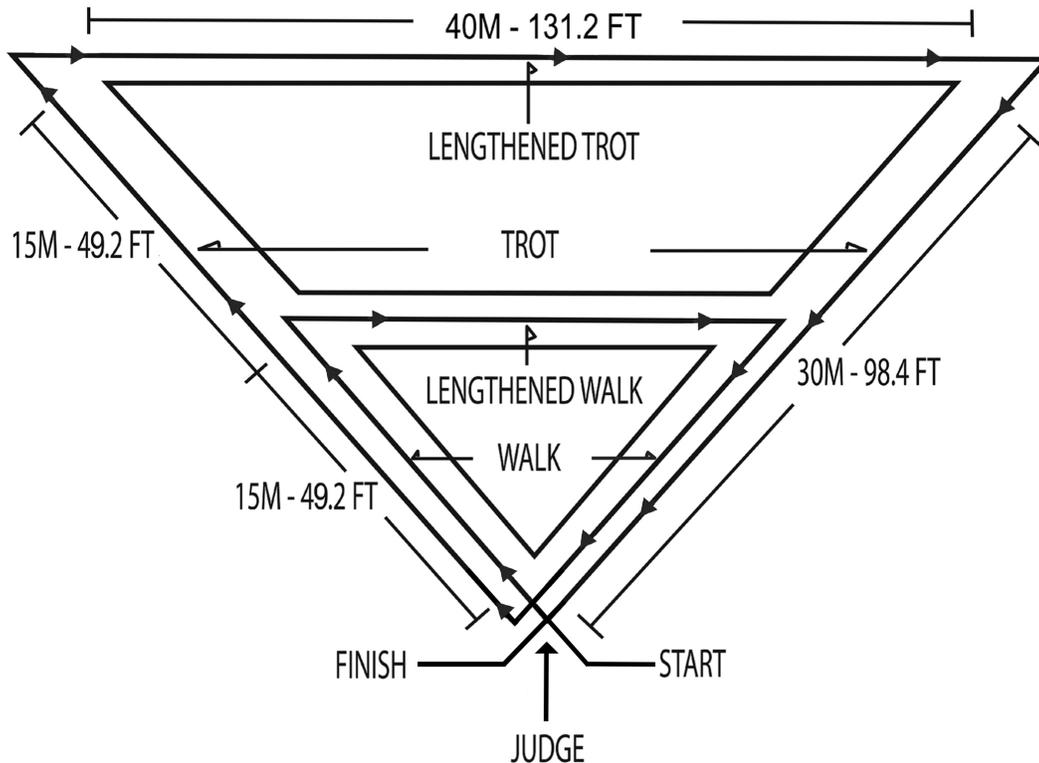

2. Following a posted or announced order, or on request from the judge, entries in each class will approach the judging area one at a time, walk to the apex of the triangle. Conformation judging may take place before or after performance on the triangle, so wait for the judge's instructions. Wait for the judge's request to proceed on the triangle. The handler will lead the horse on the perimeter of the triangle at the walk and trot, returning to the apex and wait

AR - ARABIAN DIVISION

for further instructions. At the completion of the judging, the handler will lead the horse away from the judging area.

The triangle may be adjusted to fit local conditions.

3. Triangle: Corners should be well defined. A marker will be used at the apex and at each corner to define placement of the turn for the exhibitor. Use of plants or flowers is allowed.

4. The horse is to be shown in an “open position,” for conformation judging. The traditional way of showing open position would be with the right front leg slightly back and the right hind leg slightly forward; but as long as all four legs of the horse are visible to the judge when standing on either side of the horse, this would be acceptable. The horse’s head and neck should be allowed to show in a natural and comfortable carriage, and the handler should stand away from the horse with a loose lead line.
5. SPORT HORSE GROUPS IN-HAND. The AHA Group Score Sheet shall be used. Each judge will be assigned a scribe who will record scores and comments as dictated by the judge. Groups will be examined one group at a time, but not necessarily on the triangle. The judge will require the individuals of each group to move at the walk and trot. Horses shall stand for conformation judging before and/or after completion of the group’s movement.
6. Foals may not be shown loose.
7. When possible, the announcement of awards will include the breeding of the horses placed: sire and dam as well as the name of the owner and breeder.
8. Judge must excuse from the ring any unruly horse or one whose actions threaten to endanger other exhibitors or their entries.
9. A whip may be used to guide the horse.
10. Causes for mandatory elimination from the arena or designated judging area for In-Hand classes are:
- a. Removal of eyelashes,
 - b. Changing the natural color of the mane and/or tail (AR106.8.c)
 - c. Applying a product to a horse’s hoof to hide or conceal a conformation defect. Only clear or transparent products may be used on the hooves of horses while being shown in Breeding and/or In-Hand classes.
11. An entry must be penalized for:
- a. Excessive amounts of oil, grease or other similar substances.

- b. Balding the area around the eyes or proximal to the muzzle and nostrils.
- c. Excessive use of the whip or actions that may disturb other entries shall be severely penalized.

AR177 Sport Horse Scoring In-hand Procedures

1. The AHA Individual Sport Horse Score Sheet shall be used. Each judge will be assigned a scribe who will record scores and comments as dictated by the judge. Horses will be shown individually on the triangle. Sport Horse In-Hand Classes are exempt from using the Arabian Halter Judging System.
2. The judge shall use the AHA approved individual score sheets for individual classes, and the individual Group Score Sheet for group classes (Get of Sire/Produce of Dam). The AHA score sheets will be provided to competition management by AHA. Competition management may make as many individual copies as necessary for their competition.
3. Decimals may be used in scoring.
4. A scribe shall be provided for each judge whose main duty is to record the judge's scores and comments on the score sheets. The scribe may be asked to transfer scores from the individual sheets to the master score sheet.
5. Tied scores for Sport Horse In-Hand shall be broken first by referring to movement, then conformation, then overall balance and finally manners. If the horses are still tied, the judge (or call judge in a multiple judge system), will make a final tie-breaking decision.
6. When multiple judges officiate the same class, competition management may assign separate or shared triangles. In either case, judges will have separate score sheets and scribes.
7. Scores shall be reported as a total based on the stated percentages against a possible total of 100% and all scores and placings must be posted. Unofficial scores may be posted during the class and/or final score may be posted at the end of each class.
8. If a mathematical error on the score sheet is discovered, it must be brought to the attention of competition management within one hour of the official posting of the scores from the last class of the competition day. Competition management must announce said posting, and must make score sheets available to competitors immediately.

AR178 Sport Horse Under Saddle and Show Hack Class Procedures

1. SUBCHAPTERS AR1 & AR4 apply to Sport Horse Under Saddle and Sport Horse Show Hack classes.
2. Score sheets are not required for Sport Horse Under Saddle or Sport Horse Show Hack classes.
3. Judge must excuse from the ring any unruly horse or one whose actions threaten to endanger other exhibitors or their entries.
4. Sport Horse Under Saddle. To enter the ring counterclockwise at the trot. To be shown at a walk, trot, and canter both directions of the ring. Judge may request lengthening of stride at any gait and may request horses to back in the line-up.

Converters on Pelham bridle are not permitted and two reins are required. Unconventional bits may be penalized at the discretion of the judge, BUT kimberwicks are prohibited. Hunter attire will be defined as light colored breeches, short riding coat of conservative color, with tie or choker, boots or smooth leather half-chaps, and hunt cap or protective headgear. It is recommended that attire reflect the tack used on the horse.

- c. Spurs and whip are optional. If a whip is carried, it may not exceed the length requirements in DR120.

AR181 Sport Horse Show Hack Appointments

1. Competitors with non-conforming appointments will be eliminated from judging consideration.

2. Tack:

- a. Bridle shall be a dressage style snaffle bridle, or hunter style snaffle or Pelham bridle, or dressage style double bridle or hunter style double bridle is acceptable. Converters on Pelham bit not permitted and two reins are required. Kimberwick bit is prohibited. If using a double bridle of either style, the lever arm (length below the mouthpiece) must not exceed 3.94 inches or 10 cm. The inside diameter of the bridoon ring must not exceed 3.15 inches or 8 cm. Cavesson nosebands to be used but flash nosebands would be acceptable when using a snaffle bridle and snaffle bit.
- b. A dressage, forward seat or English all-purpose saddle is to be used. No saddle seat type saddles allowed.
- c. Martingales are not permitted.

3. Attire:

- a. Informal attire consists of conservatively colored short, dark coat, with tie, stock tie or choker collar, white or light

- d. Spurs and whip are optional. If a whip is carried, it may not exceed the length requirements in DR120.

AR182 Sport Horse Qualifying Gaits

1. Innate quality movement is a priority in the Sport Horse classes. All gaits should be pure in rhythm, and should be without tension or resistance.
2. Walk
 - a. Walk. (Also Normal Walk) The rhythm of the walk is 4 beats. The walk is to be regular and unconstrained.
 - b. Collected Walk. The rhythm is 4 beats. The stride maintains the marching quality of the normal walk, with hind legs well engaged but covers less ground.
 - c. Extended Walk. The rhythm is 4 beats. While maintaining the march quality, the horse does not rush, but with regular steps, will clearly show the hind feet touching the ground in front of the footprints of the forefeet. The rider allows the horse to stretch forward with head and neck, but does not release contact with the mouth.
3. Trot
 - a. Trot. (Also Normal Trot) The rhythm of the trot is 2 beats. The trot is free, active and regular. The steps should be balanced and elastic with the horse demonstrating a supple back and well engaged hindquarters.
 - b. Collected Trot. The rhythm is 2 beats. The horse continues to move forward with impulsion, and demonstrates an ability to further engage the hocks, which allows the shoulders of the horse to become lighter and the stride to become shorter. The neck is raised and arched, but not constrained.
 - c. Extended Trot. The rhythm is 2 beats. The horse covers as much ground as possible, while maintaining regularity and balance. The stride lengthens as a result of great impulsion. The rider allows the horse, while remaining on the bit, to reach with its frame. The forefeet should touch the ground where they point. The transitions to and from should be balanced and smoothly executed.
4. Canter
 - a. Canter. (Also Normal Canter). The rhythm of the canter is 3 beats. The canter should be light, cadenced (rhythm with a suitable tempo combined with springy impulsion) and regular. Transitions should be without hesitation and balanced. The canter should always be straight on straight lines.
 - b. Collected Canter. The rhythm is 3 beats. The horse moves forward with impulsion, through increased engagement of the hindquarters and lightness of the forehand. The neck is raised and arched but not constrained. The back remains supple and the strides are shorter.
 - c. Extended Canter. The rhythm is 3 beats. The horse covers as much ground as possible while maintaining regularity and balance. The stride lengthens as a result of great impulsion from the hindquarters and the rider allows the horse to lower and extend the neck, without losing contact with the bit, or leaning.
5. Lengthening Stride. When a lengthening of stride is requested at walk, trot, or canter, the horse should maintain rhythm, regularity and balance, while reaching with the frame and stride. The rider should maintain contact with the bit, while allowing the lengthening. The strides should be more ground covering and the horse should remain calm and supple.
6. Hand Gallop. The rhythm is 3 beats. The hand gallop is performed with long, free, ground covering strides. The amount of ground covered will vary between horses due to the difference in the natural length of stride. The hand gallop shows a looser, freer elongation of stride and frame of the horse. The horse must remain mannerly, correct, and straight. Extreme speed to be penalized.
7. Rein-back. The rhythm is 2 beats. The feet are raised and set down by diagonal pairs. The horse should remain calm and obedient, lifting and setting down the feet, without shuffling.

AR225 Trail Definitions

1. Knockdown: When any component, element, or portion of an obstacle is displaced from its original position-by horse or rider/handler.
2. Refusal: Any action taken by the horse to avoid performing an obstacle, part of a combination of obstacles or portion of a trail course. These actions may include, but are not limited to the following:
 - a. Balking: (Any action that results in a horse blatantly and continuously refusing a rider's/handler's command).
 - b. Evading or running past an obstacle to be negotiated.
 - c. Each complete loss of the gate determined by the entry letting go of gate or dropping a rope gate.
 - d. Any blatant action by the horse that demonstrates an unwillingness to approach, negotiate and/or complete an obstacle.
3. At the judge's discretion or when a judge has deemed three (3) refusals have occurred at an obstacle the exhibitor will proceed to the next obstacle. (In multiple judging situations the call judge will determine when to instruct the exhibitor to proceed to the next obstacle.) Any time a judge instructs an exhibitor to proceed to the next obstacle, a five (5) point penalty will apply for being asked to move to another obstacle and as such is not in accordance with course direction. This penalty is in addition to the two (2) five (5) point penalties received for refusals or blatant disobedience for a total of three (3) five (5) point penalties.
4. Off Course:
 - a. Taking an obstacle in the wrong direction.
 - b. Deliberately failing to enter, exit, or work obstacle from correct side or direction.

 - f. Sidepassing the wrong end of a horse in slot.
 - g. Riding or leading outside designated boundary marker of the course.

AR226 Trail Scoring General

1. All horses enter the arena with a score of 70. With each obstacle, the judge will instruct a scribe to assign a score as well as any appropriate penalties if one or more occurs. At the end of the work, obstacle scores will be totaled. Any penalties will then be subtracted to arrive at a final score. All horses are judged from the time they enter the arena until the completion of the last obstacle.
2. Judge(s) may review official video (if available) on no score, zero, 10 point, or 5 point penalties only. Refer to AR107.4 (Video review is solely the judge(s) decision.)
3. Each obstacle will be scored as follows:
Half point increments can be used from +3 to -3.
+3 EXCELLENT: The horse approaches and negotiates obstacle in correct form with definite style. The horse performs in an efficient manner with curiosity and athleticism, while maintaining the qualities of an ideal trail horse. The horse's performance over the obstacle is VISUALLY IMPRESSIVE.
+2 VERY GOOD: The horse approaches and negotiates obstacle in correct form with noticeable style. This horse definitely displays many qualities of the ideal trail horse. The horse's performance over the obstacle is VISUALLY ATTRACTIVE.

- +1 GOOD: The horse approaches and negotiates obstacle in correct form with some degree of style. This horse may display some qualities of the ideal trail horse, but lacks those qualities to the degree they are exhibited by the Very Good or Excellent performer. The horse's performance over the obstacle is VISUALLY PLEASING.
- 0 AVERAGE: For the most part, horse approaches and negotiates obstacle in correct form. Minimal style is exhibited. If the horse's performance displays any qualities of the ideal trail horse they are negated by slight errors in form. The horse's performance over the obstacle leaves a visually NEUTRAL IMPRESSION.
- 1 POOR: The horse fails in some way to approach and/or negotiate obstacle in correct form. There is a noticeable void in some of the qualities of the ideal trail horse. Willingness to guide or control may have been compromised but not safety.
- 2 VERY POOR: The horse approaches and negotiates obstacle, but noticeably fails to do so in correct form. There is a definite deficiency in the qualities of the ideal trail horse. Safety may have been compromised. The horse exhibits noticeable resistance.
- 3 EXTREMELY POOR: The horse approaches and/or negotiates obstacle in unacceptable form, but avoids elimination. This horse's performance is probably reckless, careless, and/or dangerous. The horse exhibits significant resistance towards the rider's commands.

AR227 Scoring Penalties

In addition to the obstacle score, each entry may incur penalties for the following infractions:

1. NO SCORE

- a. Illegal equipment. This includes any attachment which alters the movement of or circulation to the tail.
- b. Abuse to the animal inside or outside the competition arena and/or evidence that an act of abuse has occurred. This includes lameness and/or fresh blood in the mouth, chin, shoulder, barrel, flank or hip areas.
- c. Disrespect or misconduct by exhibitor.
- d. No whips allowed in In-Hand Trail.

2. ZERO SCORE

- a. Off course including:
 1. Pulling gate when designated to push in course directions (or vice versa) or when using a rope gate, walking through the gate when designated to back through (or vice versa)
 2. Sidepassing the wrong end of horse in slot
 3. Working obstacles out of sequence
 4. Deliberately failing to enter, exit or work obstacle from correct side or direction
 5. Riding/leading horse outside designated boundary marker of the course
- b. Fall of horse or rider/handler. Equipment failure or loss of shoe that delays completion of course.
- c. Dropping a rein or the Lead that contacts the ground while the horse is in motion
- d. Two hands on reins (Exception: Snaffles or Hackamore) or changing hands on reins; except for junior horses shown with hackamore or snaffle bit, only one hand may be used on the reins, except that it is permissible to change hands to work an obstacle. Exception: Does not apply for English Trail or In-Hand Trail.
- e. More than one finger between split reins. Exception: Does not apply for English Trail or In-Hand Trail.
- f. Fingers between closed reins. Exception: Does not apply for English Trail or In-Hand Trail.
- g. Failure to maintain 16 inches of rein between hands when using romal reins except to work an obstacle. Exception: Does not apply for English Trail or In-Hand Trail. Note: Neither a "no score" nor a "zero score" penalty may receive an award in that class. A "zero" score may advance in a multiple-go event.
- h. Baiting is not allowed in In-Hand Trail.

3. 10 POINT PENALTIES

- a. Temporary loss of control, stampeding, running through or jumping over entire obstacle when jump is not called

AR - ARABIAN DIVISION

for. This penalty can be awarded when an entry has completed an obstacle and has sufficiently destroyed the obstacle or where it is impossible to ascertain if the obstacle has been completed in any manner.

b. blatant disobedience (kicking, bucking, rearing, biting, striking, horse leaving designated ground tie area).

4. 5 POINT PENALTIES

- a. Each refusal. Refusals are cumulative. After three (3) refusals at a single obstacle or when deemed necessary by the judge, the judge will ask the contestant to proceed to the next obstacle for a total of 15 penalty points. When the refusal is the result of a complete loss of the gate the entry may retrieve the gate and continue. If they are unable to retrieve the gate and the judge asks them to move on they will have been deemed to have earned three refusals for a total of three (3) five-point penalties.
- b. Horse places two or more hooves outside of a confining element.
- c. Horse misses/evades an element/component of an obstacle that is part of a series.
- d. Rider/handler loses drag or object being carried.
- e. Horse places one hoof off side of bridge or falling off side of bridge.
- f. Horse performs obstacle at the wrong gait or lead.
- g. Rider spurring or obvious cueing or touching of horse in front of forward cinch including, but not limited to use of free hand to instill fear or praise.
- h. Handler touching the horse with either hand in In-Hand unless instructed by the judge, course designer or performing a side pass.

5. 2 POINT PENALTIES

- a. Horse/handler knockdowns or obviously displacing the original configuration of an obstacle.
- b. Horse places one hoof outside of a confining element.
- c. Horse breaks gait for more than two strides. When an entry is transitioning down from a lope to a walk, a couple of steps of jog is acceptable and will not result in a penalty; however, the judge may take that transition into consideration in the maneuver score. The same would be for when a horse momentarily hesitates before undertaking a series of walkovers, working the bridge, or any other maneuver from a walk. A momentary halt is not considered a break of gait, and, in fact, is desired. If the entry takes two or more steps back, it would be considered a refusal and be subject to a five-point penalty.
- d. Rider holds saddle with free hand. (Exception: over a jump, elevated jog over(s) or elevated lope over(s)).
- e. Horse approaches obstacle at wrong gait or lead. During transition areas between obstacles, if horse is, for instance, loping where a jog is called for, or jogging where a walk is called for, a two point penalty has occurred.

6. 1 POINT PENALTIES

- a. Horse double strides or adds strides or adds steps. (Walkovers, jogovers, lope overs, tires).
- b. Horse skips slot (walkovers, jogovers, lope overs)
- c. Major hit or stepping on an element of an obstacle, log, pole, cone or obstacle by horse/handler.
- d. Each time horse switches leads where not called for, picking up wrong leads, or cross leading. NOTE: If a horse switches leads and must be broken down to correct the lead, then two penalties have been incurred (The first for switching leads (1 point) and the second for breaking of gait (1 or a two point penalty depending on the number of strides))
- e. Horse breaks gait for two strides or less. When an entry is transitioning down from a lope to a walk, a couple of steps of jog is acceptable and will not result in a penalty; however, the judge may take that transition into consideration in the maneuver score. The same would be for when a horse momentarily hesitates before undertaking a series of walkovers, working the bridge, or any other maneuver from a walk. A momentary halt is not considered a break of gait, and, in fact, is desired. If the entry takes two or more steps back, it would be considered a refusal and be subject to a five (5) point penalty.

For safety reasons, those handlers continuously holding the chain on the lead, tightly coiling the lead shank around the hand, or dragging the lead shank must be penalized.

AR241 Rider Position

Refer to EQ122.

AR242 Rider Position in Extended Gaits

1. Extended jog: The rider should stay square and maintain proper overall body position yet animate their seat to encourage forward motion of the horse. The lower leg, while maintaining light contact and proper position may also become moderately more active to encourage the horse to lengthen its stride while maintaining cadence. The horses stride should lengthen or extend, not quicken. The length of the stride should not be any greater than is comfortable for the individual horse to carry and maintain.
2. Extended lope: The rider should have a square balanced torso over a soft connected seat. The riders seat may rhythmically drive the stride of the horse forward yet not interfere with the cadence of the gait. The horse should transition within a few strides from the lope to the extended lope, which is a lengthened stride not a quickened pace. The length of stride should not be any greater than is comfortable for the individual horse to carry and maintain. *BOD 1/16/16 Effective 12/1/16*

4. Handlers may be asked to perform additional tests at the judge's discretion.

AR250 Judging Guidelines

Good Showmanship is developed through the knowledge and understanding of the horse and the ability of the handler to present the team in a confident manner. Showmanship involves the handling of the horse, learning the horse's conformation, learning how to position and present the horse at its best, and understanding the disposition of the horse. Showmanship teaches the handler poise and self-carriage. A good Showmanship handler shows alertness and a confident attitude, always presenting the horse in a positive manner, and paying attention to every detail. The handler is always aware of their surroundings, the horse, the judge and the other exhibitors.

The showmanship class is not a halter class and should not be judged as such. The conformation of the horse is not to be judged, since the horse is considered a means of displaying the abilities of the showman. Horses are to be presented in the appointments (tack and attire) suitable for that horse's style. The class is designed to evaluate the exhibitor's ability to execute, in concert with their horse, a set of maneuvers prescribed by the judge with precision and smoothness while exhibiting poise and confidence, all while maintaining a balanced, functional and fundamentally correct body position.

Style of presentation should be decided upon by two primary considerations. First, the type of horse, its movement and way of going determine if it is best to go western, hunter, saddle seat, dressage or show hack style. Safety is paramount when considering the type of lead and method of attachment or utilization of the reins to lead. Consideration of the size of the horse and height of the handler is important to a safe and successful presentation.

2. SHOWMANSHIP 70 percent
 - a. **Leading**

1. The exhibitor must lead on the horse's left side holding the lead shank in the right hand a reasonable length, with safety in mind. The right hand must remain on the lead at all times (not on the chain). It is not appropriate to switch hands while completing the maneuvers (except set-up). If exhibitor has changed hands during the set up maneuver, they are to put the lead back in the right hand for all other maneuvers. Smaller exhibitors may need to use a longer hold on the lead strap. The excess lead strap is held in the left hand, either in a round coil or a figure-8, as long as it is being handled safely by the exhibitor. Both options are acceptable and exhibitors will not be penalized for either method used. The Figure-8 should not be taped as this compromises safety. When leading, the exhibitor should be positioned between the eye and the mid-point of the horse's neck, referred to as the leading position.
 2. Leading, backing, turning and initiating the set-up should be performed from the left side of the horse. At no time should the exhibitor ever stand directly in front of the horse. The exhibitor should not touch the horse with their hands or feet, or visibly cue the horse by pointing their feet at the horse during the set-up.
 3. The horse should be led in a straight or curved line, as indicated in the pattern, and track briskly and freely at the prescribed gait as instructed. The horse's head and neck should be straight and in line with the body.
 4. Both arms should be bent at the elbow with the elbows held close to the exhibitor's side and the forearms held in a natural position. Height of the arms may vary depending on the size of the horse and exhibitor, but the arms should never be held straight out with the elbows locked.
 5. When demonstrating the trot, the exhibitor should run as naturally as possible. The exhibitors should demonstrate a natural frame and gait.
- b. Showing
1. The exhibitor should perform the work accurately, precisely, smoothly, and with a reasonable amount of speed. Increasing speed of the work increases the degree of difficulty; however, accuracy and precision should not be sacrificed for speed. The horse should lead, stop, back, turn and set up willingly, briskly and readily with minimal visible or audible cueing. A severe disobedience will not result in a disqualification but should be penalized severely, and the exhibitor should not place above an exhibitor that completes the pattern correctly. Excessive schooling or training, willful abuse, loss of control of the horse by the exhibitor shall be cause for disqualification.
 2. The presentation/set up: The horse may be set up with a split stance or square. Either option is allowed and acceptable. Exhibitors will not be penalized for either set up style. Exhibitor should stand toward the front, off the horse's shoulder, facing the horse. If at any time the horse is out of position, the exhibitor should work to position the horse correctly.
 3. After the horse is set up for inspection: As the judge moves around the horse, handlers should position themselves so as to avoid obstructing the judge's view of the horse. The handler is to show using the Quarter System, where the exhibitor is always in the quadrant next to the judge. The horse should be shown quietly and effectively at all times. Handlers must not just show themselves. The exhibitor should maintain a position that is safe for themselves and the judge. The position of the exhibitor should not obstruct the judge's view of the horse and should allow the exhibitor to maintain awareness of the judge's position at all times. The exhibitor should not crowd other exhibitors when setting up side-by-side or head-to-tail. When moving around the horse, the exhibitor should change sides in front of the horse with minimal steps (3-4) and should assume the same position on the right side of the horse that they had on the left side.
 4. The position of the exhibitor when executing a turn to the right is the same as the leading position except that the exhibitor should turn and face toward the horse's head and have the horse move away from them to the right.
 5. Pull turns (pulling horse toward the handler to left) to the left, should be 90 degrees or less.
 6. Push turns/Pivot (pushing the horse away from the handler). On turns of greater than 90 degrees, the turn

consists of the horse pivoting on a hind leg while stepping across and in front of the right front leg with the left front leg.

7. When executing a back, the exhibitor should turn from the leading position to face toward the rear of the horse with the right hand extended in front of the exhibitor's chest still maintaining slight bend in the elbow and walk forward. The ideal position is for the exhibitor's left shoulder to be in alignment with the horse's left front leg.
8. The horse should back up readily with the head, neck and body aligned in a straight or curved line as instructed by the pattern.
9. The stop should be straight, prompt, smooth and responsive with the horse's body remaining straight
10. Crowding should be penalized, as it is dangerous. The handler should maintain 8-10' from the horse in front of himself in a head to tail line. When lined up side by side, there needs to be sufficient room between entries. If someone is at risk – they are too close.

c. Poise/Alertness/Attitude

1. Exhibitors should be poised, confident, courteous and genuinely sportsmanlike at all times, quickly recognizing and correcting faults in the positioning of the horse. The exhibitor should continue showing the horse until the class has been placed or they have been excused, unless otherwise instructed by the judge. The exhibitor should appear business-like, stand and move in a straight, natural and upright manner, and avoid excessive, unnatural or animated body positions.
2. Handler should show the horse to its best advantage for its style of presentation throughout the class.
3. Handlers should be focused on the class and not be distracted by people/other things inside or outside the arena.

3. PRESENTATION 30 Percent

a. Condition 10%

1. The horse's body condition and overall fitness should be assessed.
2. The horse should be alert and healthy.

b. Grooming 10%

1. The hair coat should be clean, well-brushed and in good condition.  - a. The clinic is open to all competitors and animals entered. The clinic is advertised and available to all possible entrants.
 - b. During the clinic the judge does not drive any animal that is entered in the competition.

CP106 Responsibilities toward the Horse

1. Failure to comply with the following may incur elimination or disqualification.
 - a. Whenever fully put to or being taken out of a vehicle, a horse must wear a bridle with reins attached to the bit and passed through the saddle terrets. Exception:
 1. Once a horse is fully harnessed to a vehicle, one rein at a time may be adjusted.
 2. Horses in multiple hitches must have at least one rein attached to the bit while being harnessed to a vehicle.
 - b. The horse must never be left unattended while put to a vehicle.

SUBCHAPTER CP-4 THE DRIVER

CP107 Style of Driving

The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one- or two-handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing but steady hand enabling a consistent “feel” of the horse’s mouth. Drivers should not be penalized or rewarded for using one style over another.

CP108 Use of the Whip; Performing a Salute

1. An appropriate whip should be carried in hand at all times while driving. The thong on the whip should be long enough to reach the shoulder of the farthest horse and could be penalized at judge’s discretion. (Exception:

2. The whip salute should be performed as follows:

Drivers shall take the reins in the left hand and position the whip, held in the right hand with the handle in front of the face, to a vertical or a horizontal position.

Alternatively, a gentleman shall place the whip and reins in his left hand and remove his hat with his right hand, letting his right arm drop loosely along his body. When wearing protective headgear, gentlemen shall perform the salute as described above in Section (a).

3. No salute is required before competing in any Obstacle Driving class. Driven Dressage – Refer to SUBCHAPTER CP-20

CP109 Outside Assistance

1. Only the driver may handle the reins, whip, or brake during a competition. Failure to comply incurs elimination.
2. No change of driver is permitted, except where specified in class description (i.e. Double Jeopardy Obstacles).
3. Drivers receiving outside assistance after the judging has begun will be penalized at the judge's discretion or as specified by class rules unless that assistance has specifically been allowed.
4. Outside assistance which requires elimination includes, but is not limited to:
 - a. The use of auxiliary mechanical electronic devices other than clocks or watches (eg. GPS devices, speedometers, heart rate monitors, etc.) on the vehicle.
 - b. Directing the driver in any way except as permitted by the rules.
 - c. Anyone other than the driver handling the reins, whip or brake.

CP110 Waivers of Rules

1. The rules pertaining to attire may be waived by judges and organizers due to local conditions.
2. Drivers requesting a waiver must have the extraordinary circumstances approved by a judge and show management.

CP111 Dress of Driver, Grooms and Passengers

1. Drivers and passengers should be dressed conservatively according to the style of the present day. (Exception: Commercial Turnout). Any attempt to introduce period costumes or gaudy trappings is discouraged.
2. Dress for the driver should conform to the type of turnout (i.e. Formal, Park, Country, Sporting).
3. Long sleeves and brown leather gloves are suggested for all drivers and passengers in pleasure driving classes.
4. Gentlemen must wear a coat or jacket while appearing in any class unless excused from doing so by the judge and/or show management. When accepting awards, gentlemen are requested to remove their hats.

SUBCHAPTER CP- 5 GROOMS AND ATTENDANTS

CP112 General

Groom requirements are listed for:

Pleasure Driving under CP209

Driven Dressage under CP516.

Where grooms or passengers are required, they must be closely available and capable of rendering assistance at all

times. Failure to comply may incur elimination from a class or competition, or disqualification from an event.

SUBCHAPTER CP- 6 THE HORSE

CP113 Eligibility

1. The driving horse may be of any breed, color or size so long it is capable of performing the required gaits. In Pleasure Driving Competitions, the minimum age for a horse to be allowed to compete is three years of age. It is encouraged that 3 year olds be restricted to competition in maiden, novice or limit classes and not be allowed to cross enter into other divisions. In pairs and multiple turnouts the restrictions should be applied considering the age of the youngest horse. Restrictions must be clearly stated in the prize list/Omnibus. For competition purposes, any horse is considered to be one year old on the first day of January following the actual date of foaling.
2. Horses must be serviceably sound and must not show evidence of lameness, broken wind or impairment of vision in both eyes. (CP104).
3. In all levels of all Federation licensed Pleasure Driving competitions and in the case of any other Federation rule as it relates to the Pleasure Driving discipline as the context permits it, the term "horse" shall also include mules, donkeys, asses, miniature horses and draft breeds.
4. Junior, maiden, novice and limit drivers are prohibited from driving stallions.
5. Where entries warrant, management is encouraged to offer special classes or divisions for those animals mentioned above and for gaited horses which do not naturally trot. In those cases of non-trotting horses, the term "intermediate gait" may be used in place of "trot".
6. An entry designated as "Hors de Concours" (HC) only participates with the approval of the organizer/manager. An HC entry is a non-competing entry, subject to all Federation rules, and is not eligible for awards, placings or points in any class or championship. For the purpose of class entry totals affecting driver or horse, Maiden, Novice or Limit status, HC entries do not count.

CP114 Classification by Size

1. Horses over 14.2 hands in height will be classified as a horse. 14.2 hands and under will be classified as a pony. Those under 99cm (9.3 hands /39") will be classified as VSE (Very Small Equine).
2. In some competitions the pony division may be divided. Small ponies not to exceed 12.2 and under (50"/127cm) and large ponies will be over 12.2 (50"/127cm), not to exceed 14.2 (58"/147.32cm).
3. A registered horse of a breed permitting horses to be 14.2 or under (i.e. Arabian, Morgan, Quarter Horse, etc.) may show as a horse, but not as a horse and a pony at the same competition.
4. A pair or multiple turnout must be shown in the classes or divisions which accommodate the tallest horse or pony.
5. Very small equines are open to any horse 39" or under.
6. Very small equines may be combined with ponies/horses in existing pleasure driving classes, or at the discretion of show management and where sufficient entries allow, may be shown in their own division.

CP115 Turnout for the Horse

1. Braiding of the mane is optional. Any mane, tail or fetlock trimming may conform to breed standards. Tails are not braided.
2. The application of supplemental hair to mane or tail is prohibited. A tail set or use of any foreign substance to induce a high tail carriage is prohibited.
3. It is prohibited to tie a tail to a vehicle or harness.
4. If shod, horses should be suitably shod for pleasure driving.
5. Boots - Bell boots, shin boots and wraps are allowed in Pleasure Drive classes and may be allowed at the discretion of the judge in other classes due to local conditions, except Driven, Dressage. Boots protecting the sole of the

foot are allowed in any pleasure class.

- Appendix CP-C. Refer to Turnout and Appointments for additional information on turnout for different types of vehicles.

SUBCHAPTER CP- 7 THE HARNESS

CP116 Driver's Responsibility

It is the driver's responsibility to see that the harness is in good condition, is clean and fits properly.

CP117 Style of Harness

- The Federation recognizes specific national types of harness.
- Bridles should fit snugly to prevent catching on the vehicle or other pieces of harness. A throatlatch and a full nose-band is mandatory. A bridle with reins attached and passed through the saddle terrets must be in place whenever a horse is put to a vehicle. Under no conditions shall a bridle be removed from a horse while it is put to a vehicle. Failure to comply incurs elimination. The horse must never be left unattended while put to a vehicle. Failure to comply incurs elimination. The use of gullet straps is acceptable.
- Black harness is considered appropriate with painted vehicles, with shaft and pole trimmings done in black. It is also considered appropriate with a natural wood vehicle with iron parts painted any color except brown. Shaft and pole trimmings, dash and fenders are done in black.
- Russet harness is considered appropriate with natural wood vehicle with brown or black iron, painted vehicle with natural wood panels with any color iron or vehicle that is painted brown with brown iron. Shaft and pole trimmings should match the harness.
- All metal furnishings should match, be secure and polished.
- Breast collars are appropriate with lightweight vehicles.
- Full collars are suggested for heavy vehicles such as coaches, breaks, phaetons, dog carts, etc. In all pleasure driving classes, collars on the four-in-hand leaders are not to be tied together.
- A correctly-fitting harness saddle is important for the comfort of the horse. A wide saddle is suggested for two-wheeled vehicles, as more weight rests on the horse's back. Narrower saddles are more appropriate for four-wheeled vehicles.
- Standing Martingales are allowed for Stanhope, Park Gate Gig and George IV Phaetons.
- Check reins and martingales (except false martingales) are prohibited in Obstacle classes. Failure to comply incurs elimination. In other classes, check reins and martingales may be appropriate for certain vehicles. See Appendix CP-C Turnout and Appointments.
- The tying of tongues is prohibited.
- Nasal strips are prohibited.
- The use of kicking straps is considered permissible in pleasure driving classes but they should match the harness being used.
- Flash nosebands are strongly discouraged in all pleasure driving classes.

CP118 Bits

A bridle with reins attached to a bit is required for each horse. Bit burrs, gag bits and wire bits of any type are not permitted in Federation driving competitions.

SUBCHAPTER CP-8 THE VEHICLE

CP119 Driver's Responsibility

It is the responsibility of the driver to see that the vehicle is in good repair and is structurally sound. All persons

involved in the competition, drivers, passengers, grooms, officials, spectators, etc. should keep safety foremost in their minds. Having the horse under control at all times not only is a safeguard for the driver and his passengers, but for everyone involved in the sport.

CP120 Style/Eligibility

- Drivers should strive to present an appropriate turnout. "Appropriate" indicates the balance and pleasing appearance of the combination of horse and vehicle. Factors determining the above include compatible size, type and weight of horse and vehicle. The way of going of the horse may also affect the overall appearance, i.e., a high-actioned horse is more suitable for a formal vehicle; the low-going, ground-covering horse presents a more pleasing appearance put to a road or country-type vehicle.
- Wire wheeled and pneumatic tired vehicles may be permitted in the following classes providing it is stated in the prize list:
 - If it is the competition's first year as a licensed competition
 - In all pleasure driving classes if the vehicle is an antique wire wheeled vehicle (long wire spokes, hard rubber tires)
 - In maiden, novice and junior pleasure driving classes.
- Management may allow the use of more than one vehicle under the same entry number. This must be clearly stated in the prize list.
- Vehicles designed to be servant driven or commercial vehicles and harness are only eligible in classes restricted to their type unless specifically stated in the prize list.
- Competition management may elect to restrict combined driving marathon vehicles from participation in pleasure driving classes.
- All pair entries must be driven to a four wheel vehicle except a Curricule or Cape Cart with appropriate harness.
- Refer also to CP206.

SUBCHAPTER CP-9 PLEASURE DRIVING COMPETITIONS

CP201 Judges and Technical Delegates

- Judges

The Judges for Pleasure Driving Competitions must be chosen from:

- The list of Federation Pleasure Driving Judges;
 - The list of American Driving Society (ADS) Pleasure Driving Judges;
- NOTE: b. must obtain a Federation Guest Judge's card
- The list of Federation licensed judges with experience in judging Carriage Pleasure Driving.
 - Judges approved by Foreign National Driving Societies
- NOTE: d. must obtain a Federation Guest Judge's card

The following may not serve as judges:

- The Technical Delegate or the Course Designer of the same event.
- The Manager of the competition, or a member of the manager's family.

For additional restrictions, refer to GR1304. For Driven Dressage, refer to CP524; for Coaching, refer to CP301

- Technical Delegates (See also GR1034)

- There must be a Driving Technical Delegate for Federation-licensed open pleasure (carriage) driving

competitions and for Federation Regular Member competitions that have more than 15 carriage driving classes.

b. Technical Delegates must be chosen from:

1. The list of Federation Pleasure Driving Technical Delegates;
2. The list of ADS Pleasure Driving Technical Delegates;

NOTE: 2. must obtain a Federation Guest Technical Delegate's card.

3. For additional restrictions, refer to GR1304.

1. A Technical Delegate shall not be an exhibitor, judge (except as allowed by the rules), Driver, Course Designer, Organizer or Manager on the grounds where the competition is being held.
2. A Technical Delegate shall not officiate at any competition in which a member of his family, a person living under the same roof, a person with whom the judge has a financial relationship, clients or trainers are competing unless and emergency necessitates the replacement of the designated Technical Delegate.

3. Judges' decisions representing their individual preferences are not protestable. Inquiries concerning irregularities or incidents during the Event/ Show and the outcome of Carriage Pleasure Driving classes for technical reasons may be made at any time during the competition. Objections must be made to the Technical Delegate no more than one hour after the posting of class results.

4. Veterinarians: Refer to GR1211.4

CP202 Name of Class

If show management wishes to offer a class described in the Federation Rulebook, the class must be conducted as stated. If management wishes to alter a class to fit "local rules" they must change the name of the class to avoid confusing it with Rulebook class specifications. Such classes should be clearly explained in the Omnibus or Prize List. (GR902-GR904) and must include the "local rules" and judging criteria. In any case these altered conditions should conform to the spirit and intent of the Federation general rules for safety, conduct and abuse. (SUBCHAPTER CP-3)

CP203 Entry

1. Unless otherwise specified in the Prize List/Omnibus an entry is defined as a combination of horse(s), vehicle and driver and must be assigned a specific entry number. If a championship based on Federation rules is offered, a change of any part of the combination constitutes a different entry and must be assigned a separate number. In the event that a vehicle is disabled or judged unsafe to start or continue, management may authorize the substitution of another vehicle without issuing a new number.

Management may allow changes of an entry (i.e., using a different vehicle for cones while still compiling points for a Championship. This must be stated in the prize list).

2. All entries must have an entry number before entering any class. It is the driver's responsibility to display the proper number for the turnout entering the ring or obstacle course. No award will be given to an Entry competing with an incorrect entry number or while participating without a number.
3. An Entry may drive Hors de Concours (HC) in any class offered as part of a competition at the discretion of the Organizer (See also CP102).

CP204 Division of Large Classes (See also CP113)

1. Large classes may be split by the judge, technical delegate or management if conditions warrant.

The size of the ring should determine if a class should be split. Unless the ring is very large, classes of more than 14 entries should be split. In a small ring, classes may need to be split at a lower number of entries.

2. The judge and/or management have the discretion as to how the division is made, keeping the following in mind, when applicable:
 - a. separation of singles, pairs and multiples;
 - b. separation of horses and ponies;
 - c. separation of two and four-wheeled vehicles.
3. Management has the option to have final placings determined by working off the leaders of each section or by awarding duplicate ribbons and/or trophies for each section as if they were separate classes.

CP205 Driver's Responsibility

1. Excessive use of the voice, shouting or whistling to the horse may be penalized at the judge's discretion. The driver should strive to control the horse's movements with discreet use of vocal aids.
2. It is the responsibility of the driver to see that he and all attendants and passengers are appropriately attired for the class in question and that the horses are properly presented.
3. The driver must be prepared to enter the ring or obstacle course area when his/her class is called. After a reasonable wait, management may announce that a one minute time limit will be invoked. When the appropriate time has elapsed, the gate or course will be closed and any entry not in the ring or at the course start will be excluded from the class. Management may give permission for the class to be held for an entry which requires an equipment change.
4. No turnout should rely solely on a groom or other attendant standing on the ground to control the horse/horses with the exception of hitching and/or unhitching. If a driver dismounts for any reason other than to make other adjustments to harness, carriage, or to unhitch, the reins should be given to the driver seated on the vehicle.
5. Drivers should strive to maintain a safe distance from other vehicles both during the competition, in the warm-up and parking areas.
6. In the case of an accident or equipment failure which necessitates repair or readjustment, all grooms or passengers carried on the vehicle must dismount the vehicle. They should not remount until the problem has been corrected or the turnout deemed fit to continue. The exception would be in the case of a minor adjustment (e.g., trace down) only the necessary groom need be put down. Appropriate penalties will be assessed according to class specifications.
7. All entries are expected to conform to the spirit and intent of the rules for safety.

It is the responsibility of each driver to ensure that harness and vehicle are in good repair, structurally sound, and safe for competition conditions. Turnouts without braking mechanisms (such as breeching, brakes, or tug stops with wrap girths) may be restricted from certain classes for safety reasons. Entries must not start any class with an unsafe turnout. The judge must eliminate an unsafe entry from any class. Repeated offenses may incur disqualification.

8. It is preferred that the driver sit on the right-hand side of the vehicle unless construction of vehicle prevents this.
9. No change of driver is permitted except where specified in class conditions (e.g., Double Jeopardy Obstacles).
10. Drivers receiving outside assistance after the judging has begun will be penalized at the judge's discretion or as specified by class rules unless that assistance has been specifically allowed (example: assistance of groom/passenger heading a horse in a line-up or groom/navigator on marathon).
11. While competing, outside assistance which incurs elimination includes but is not limited to the following:
 - a. the use of auxiliary mechanical or electronic devices other than clocks or watches (e.g., GPS devices, speedometers, heart rate monitors, etc.) on the vehicle;
 - b. directing the driver in any way except as permitted by the rules;
 - c. anyone other than the driver handling the reins, whip, or brake.

CP206 Vehicles

1. Management may restrict Combined Driving marathon vehicles from participation in Pleasure Driving competitions. (CP120)
2. Wire-wheeled and pneumatic-tired vehicles may be permitted only at management's discretion and must be specified in the Omnibus / Prize List. Exception: antique vehicles with long wire spokes and hard rubber tires are allowed in all classes.

CP207 Turnout

It is the responsibility of the driver to see that he and all attendants, grooms, passengers and horses are appropriately attired and turned out for the class in question. Refer to Appendix CP-C. Turnout and Appointments for additional information.

1. Attire for drivers, grooms, and passengers:
 - a. Drivers: Dress should conform to the type of turnout (i.e., Formal, Park, Country, Sporting, Commercial). Less traditional attire (example: Combined Driving Marathon attire) may be appropriate only if it is specifically allowed in the ADS Omnibus or class description, otherwise a penalty or elimination may result. Except for certain commercial turnouts:
 1. Gentlemen must wear a coat or jacket while appearing in any class unless excused from doing so by the judge and/or show management. When accepting awards, gentlemen are requested to remove their hats.
 2. Ladies must wear a conservative dress, tailored suit, or slacks. Floppy hats are discouraged.
 3. Unless otherwise specified, the driver shall wear a hat, an apron or knee rug and gloves. See Appendix CP-C. Turnout and Appointments.
 - b. Grooms: Grooms of either sex may wear stable livery in any but the more formal vehicles where full livery is appropriate. Where it is specifically allowed in the Omnibus/Prize List or class description, less formal attire may be appropriate, but it should always be neat and clean. In all competitions, grooms shall wear a hat or protective headgear.
 1. Stable Livery consists of one of the following:
 - a. A conservative suit, white shirt, dark tie, derby, dark shoes and leather gloves.
 - b. A conservative jacket, jodhpurs or drill trousers, jodhpur or paddock boots, white shirt, stock or four-in-hand tie, leather gloves, derby or conservative cap.

 - d. Full Livery consists of a close-fitting body coat with buttons of yellow or white metal to match the furnishings of the harness used (if possible), white breeches, black boots with tan tops, white stock, black top hat and brown leather gloves. The color of the coat remains the owner's preference, but preferred colors are conservative in nature and, where possible, complementary to the color of the vehicle.
 - c. Passengers: Dress should conform to the type of turnout (i.e., Formal, Park, Country, Sporting). Except for certain Coaching and Commercial turnouts, all passengers should wear a hat, an apron or knee rug, and gloves.
 2. A whip should be carried in hand at all times while driving. A driver not in compliance may be eliminated or disqualified. The thong of the whip should be long enough to reach the shoulder of the farthest horse. A driver not in compliance with the above may be penalized. A whip with its thong tied in a manner which renders it incapable of reaching the farthest horse is not allowed. Failure to comply must be severely penalized.
 3. Harness
 - a. The harness should be in good condition, clean, fit properly and be appropriate for the style of vehicle.
 - b. Bridles should fit snugly to prevent catching on the vehicle or other pieces of harness.
 - c. A throatlatch and a full noseband are mandatory. A full noseband is defined as a noseband fully encircling the nose. Flash nosebands are strongly discouraged in pleasure driving classes. The use of gullet straps is acceptable.
 - d. Black harness is considered appropriate with:
 1. painted vehicles;
 2. natural wood vehicle with iron parts painted any color except brown;
 3. dash, fender, shaft and pole trimmings should match the harness.
 - e. Russet harness is considered appropriate with:

1. natural wood vehicle with brown or black iron;
 2. painted vehicle with natural wood panels with any color iron; or
 3. vehicle that is painted brown with brown iron;
 4. dash, fenders, shaft and pole trimmings should match the harness.
- f. The collars of four-in-hand leaders are not to be tied together.
 - g. Boots – Bell boots, shin boots and wraps are allowed in Pleasure Drive classes and may be allowed at the discretion of the judge in other classes due to local conditions, except Driven Dressage. Boots protecting the sole of the foot are allowed in any pleasure class.
 - h. Standing martingales are allowed for Stanhope or Park Gate Gig vehicles and George IV Phaetons, except in obstacle classes.
 - i. Check reins and martingales (except false martingales) are prohibited in Obstacle classes. Failure to comply will incur elimination. In other classes, check reins and martingales may be appropriate turnout for certain vehicles. See Appendix CP-C. Turnout and Appointments
 - j. Kicking straps are permissible but they should match the harness being used.
4. Protective Headgear: All juniors in all competitions must wear properly fastened protective headgear which meets or exceeds current ASTM (American Society for Testing and Materials)/ SEI (Safety Equipment Institute) standards for equestrian use and carry the SEI tag. It must be properly fitted with harness secured. Failure to comply will result in elimination. All competitors, attendants, grooms and passengers are encouraged to use of protective headgear.
5. Additional Safety Equipment: Body protectors are optional for all participants and are not to be penalized.

CP208 Leaving Classes

1. No entry may leave the class after judging has begun without permission from the judge.
2. Entries excused from any class must leave as instructed by the ringmaster or judge.
3. Disqualify – A Competitor, Horse, or Entry may be disqualified for being in violation of the rules at any time.
 - a. Those who have been disqualified are prohibited from taking further part in the event and may be required to forfeit all prizes won at the event.
 - b. Subsequent disciplinary action may be taken by the Federation.
4. Eliminate – An entry may be eliminated from a competition as a penalty for contravening certain rules.
 - a. Elimination is listed with other penalties but it should be assumed that it may be applied where no other specific penalty is prescribed.
 - b. An eliminated entry is not eligible for an award in the competition from which it is eliminated; however, the entry remains eligible to compete in the remaining competitions of the show.
5. Retire – An entry not wishing to continue in any competition for any reason may ask the judge for permission to retire. A retired entry is not eligible for an award in the competition from which it has retired; however, the entry remains eligible to compete in the remaining competitions of the show.
6. Withdraw – An entry not wishing to continue competing for any reason may withdraw from the show. A withdrawn entry is not eligible to compete in the remaining competitions of the show.

CP209 Groom/Passenger

1. Minimum requirements:
 - a. Four-in-hand and unicorn turnouts (except VSE): two grooms or passengers capable of rendering assistance at all times.
 - b. Pairs, tandems, VSE four-in-hand and unicorn turnouts: one groom or passenger capable of rendering assistance at all times.

- c. Single horse and pony turnouts: A groom/passenger is optional. Failure to comply may incur elimination or disqualification.
2. Passengers must be appropriately dressed and must wear a hat or protective headgear. (See GR801).
 3. Grooms or passengers are not allowed to leave their respective positions on the vehicle while it is in motion or attempt to correct a problem without first being put down. Failure to comply will incur elimination. Exceptions: Grooms dismounting to head the horses immediately prior to a halt or shifting weight to aid balance to prevent an accident is permissible. Minor adjustments to harness may be made upon permission from the judge. A groom/passenger riding on the vehicle may be put down to assist with the adjustment without penalty except in dressage and obstacle classes. (See CP247.)
 4. After judging begins, no attendant may enter the arena without the permission of the judge except in the case of accident or to prevent an accident.
 5. Leading a turnout into the ring or obstacle course start is considered outside assistance and is not permitted.
 6. Grooms may not stand behind the driver. If the vehicle does not permit the groom to sit behind the driver, permission must be obtained to allow the groom to sit beside the driver in obstacle classes. In pleasure ring classes (turnout, working and reinsmanship) a groom/passenger may sit beside the driver.
 7. When a groom or passenger is put down to head the horse or horses during a line-up, he or she must remount when the driver moves off. This includes individual tests. Failure to comply should be penalized. (Exception: Receiving awards)
 8. A knowledgeable adult horseman must accompany all Junior A and B drivers, and Junior C drivers driving pairs or multiples. (See CP102)

SUBCHAPTER CP-10 – CLARIFICATION OF GAITS

CP210 Description of Gaits

The following descriptions constitute the approved standard for performance of each of the required gaits in a pleasure driving competition. Cantering and galloping are not allowed unless clearly stated in the prize list. Management is strongly encouraged not to allow cantering or galloping in any class unless it is held in a securely enclosed area.

1. Walk – A free, regular and unconstrained walk of moderate extension is ideal. The horses should walk energetically, but calmly, with even and determined pace. The walk is a four-beat gait.
2. Trot – The trot is a two-beat, diagonal gait.
 - a. Slow Trot: The horse should maintain forward impulsion while showing submission to the bit. The trot is slower and more collected, but not to the degree required in the dressage collected trot. However, the horse should indicate willingness to be driven on the bit while maintaining a steady cadence.
 - b. Working Trot: This is the pace between the strong and the slow trot and more round than the strong trot. The horse goes forward freely and straight; engaging the hind legs with good hock action; on a taut, but light, rein; the position being balanced and unconstrained. The steps should be as even as possible. The hind feet touch the ground in the foot prints of the fore feet. The degree of energy and impulsion displayed at the working trot denotes clearly the degree of suppleness and balance of the horses.
 - c. Strong Trot: This is a clear, but not excessive, increase in pace and lengthening of stride while remaining well balanced and showing appropriate lateral flexion on turns. Light contact to be maintained. Excessive speed will be penalized.
3. Halt – Horses and vehicle should be brought to a complete and square stop without abruptness or veering. At the halt, horses should stand attentive, motionless and straight with the weight evenly distributed over all four legs and be ready to move off at the slightest indication from the driver.
4. Reinback – Reinback is defined as a backward movement in which the legs are raised and set down simultaneously in diagonal pairs with the hind legs remaining well in line. To be performed in two parts:

- a. The horse must move backward at least four steps in an unhurried manner with head flexed and straight, pushing the vehicle back evenly in a straight line. The driver should use quiet aids and light contact.
 - b. Move forward willingly to former position using the same quiet aids.
 - c. Road Coaches and Park Drags are not to be asked to back up in the show ring.
5. Canter – A controlled three-beat gait consisting of three evenly spaced footfalls followed by the “suspension” phase when all four legs are off the ground. The three beats and suspension are considered one stride.
6. Gallop – A four-beat gait, faster than a canter.
7. Stride – A stride is defined as the cycle of movements that is completed when the horse’s legs regain their initial positions. Length of stride refers to the amount of ground covered by an entire sequence.
8. Intermediate Gait – Breed-specific gaits will be used in divisions for non-trotting breeds.
9. In Pleasure classes for mules and donkeys, the gaits are walk, slow trot, and working trot.
10. In Pleasure classes for draft equines, gaits may be limited to walk, slow trot, and working trot at the discretion of the organizer as published in the Omnibus/Prize List.
11. Park Class Gaits – To be called for only in Park classes.
- a. Park Walk: A four beat, collected gait with good action and animation. It should have snap and easy control and be performed with great style, elegance and airiness of motion while displaying the good manners of the horse(s).
 - b. Park Trot: A two beat, diagonal gait performed in a collected manner with excessive speed to be penalized. The horse’s energy should be directed toward animation rather than speed.
 - c. Show Your Horse: At this command, the driver has the privilege of showing the Park Driving Horse(s) to its (their) best advantage at the trot, but speed will be penalized.

CP 211 Break in Gaits

BREAK IN GAIT	CONDITIONS	
Break to canter or gallop	4 or more full strides	
Prolonged canter or gallop	More than 6 full strides	
Break to walk	2 full strides at the walk	
Break from walk	3 full strides of any other gait or stopping	
Stopping	Obstacle classes Refer to Obstacles, CP242	Pleasure Drive class rules, CP257

In a pair or multiple turnout all horses must break for a penalty to be assessed. In carriage pleasure driving competitions, cantering is not allowed unless it is clearly stated in the prize list and a securely enclosed area is available.

SUBCHAPTER CP- 11 – DIVISIONS

CP212 Divisions Based on the Horse

1. If otherwise eligible, all equines are allowed to compete at any Federation Carriage Pleasure Driving competition unless restricted by the organizer. Such restrictions must be published in the Omnibus/Prize List.
2. Horses over 14.2 hands in height will be classified as horses; those 14.2 hands and under will be classified as ponies. 4. The essence of the competition is the word "Elegance." The winner will be the turnout which, in the opinion of the judge, presents the most elegant effect. This will include vehicle, harness, appointments, horse(s), driver, passengers, grooms, etc., but above all, general impression is most important. Vehicle and harness may be inspected to ensure thoughtful restoration and careful maintenance. SUBCHAPTER CP-15 CLASS SPECIFICATIONS: PLEASURE OBSTACLE DRIVING

It is recommended that Management provide a scribe for the judge in all obstacle classes

CP234 Attire

Drivers should dress appropriately when competing in any Pleasure Driving class including obstacles. This should be show attire unless otherwise specified in the Omnibus / Prize List (CP 207.)

CP235 Participation

1. A horse may not be entered more than once in the same obstacle class, except as part of a pair or multiple.
2. A groom/passenger may compete as a driver on the same course.
3. For Schooling entries, see CP237.

CP236 Course Walk

1. Drivers must be allowed time to walk the course prior to the start of a class and to inspect each obstacle.
2. While walking the course, drivers shall not alter, adjust, or in any way move an obstacle, or any part thereof. Should

a competitor have any question regarding a specific obstacle, he should call it to the attention of the technical delegate for clarification and/or adjustment.

CP237 Schooling

1. A practice obstacle must be provided for use in a specified area. Times for the use of the area may be controlled by management.
2. Unless expressly permitted by the Organizer, driving, leading, or riding horses on any course used for competition at any time prior to or after the competition is prohibited. Failure to comply incurs elimination.
3. Within any division, schooling entries may be allowed at the discretion of the Organizer as published in the prize list. These entries are not eligible for competition and will receive no score or placing in any class. At the discretion of the organizer, a horse and/or driver may drive as a Schooling Entry on the same courses used in competition after they have competed those courses.

CP238 The Course

See Appendix CP-B. Example of Obstacles

1. The course may consist of Start and Finish markers, decorative materials and driveable obstacles consisting of number markers and paired cones or other materials such as rails, fence panels, barrels, etc. Cone pairs may be numbered with red and white markers placed on the cones themselves.
2. Unless otherwise specified in class rules, each obstacle on a prescribed course must be numbered consecutively and marked red on the right, white on the left (exceptions, Scurry, Pick Your Route and Gambler's Choice classes). In Reverse Psychology Obstacles, Double Jeopardy Obstacles classes, a different-colored set of numbers may be placed to indicate the required "reverse" course. Any obstacle that cannot be clearly marked, for example, a figure of eight or an obstacle that requires a reinback, must have a clearly drawn pattern explaining the correct entrance, exit and required path on the course diagram. Within courses that consist of numbered obstacles, it is suggested that the number of an obstacle should be visible from the obstacle before it; i.e., #3 from #2. Only in Gamblers Choice Obstacles classes are point values displayed.
3. Obstacles requiring a halt or a reinback are not permitted except in a Gambler's Choice Obstacles class.
4. If any part of an obstacle is, at any time, disturbed or dislodged out of its sequence or if any obstacle or start or finish line is driven in reverse direction, out of sequence or driven twice, it will be considered driven incorrectly and be scored under the rules for each specific class. See exceptions regarding the correct driving of the start and finish lines for Scurry Obstacles, Pick Your Route Obstacles, Gambler's Choice Obstacles and Double Jeopardy Obstacles classes.
6. When a disturbance or dislodgement occurs at a complicated obstacle (figure of eight, U-turn, L-turn, etc.), the intended pattern must be completed as closely as the disturbance or dislodgement will allow or the obstacle will be considered driven incorrectly and scored under the rules for each specific class.
7. An obstacle course will be considered "different" if its pattern is reversed or its obstacle sequence is altered (30% or more of the obstacles have their sequence changed or reversed) or 30% or more of the obstacles are new to the course. Removing or adding obstacles at the beginning or end of a diagrammed pattern does not constitute a course change.
8. A course diagram and applicable time allowed must be posted at least two hours before the start of the class.
9. Start and finish lines for all obstacle courses should be a minimum of 10 feet (3 meters) wide.

CP239 Width of Obstacles

1. The track width is measured at ground level on the widest track width of the vehicle. An allowance may be added

for pair or multiple horses that are wider than the wheel width of the vehicle.

2. Clearances

a. Suggested obstacle clearances:

- Classes emphasizing precision 8"-10" (20-25 cm)
- Classes emphasizing speed 12"-16" (30-40 cm)
- Four-in-hand classes 16"-20" (40-50 cm)

b. Junior, Maiden, Novice and Limit classes may benefit from wider clearances. For classes that emphasize speed, it may suit local conditions to use one wide clearance for all entries, such as 80 inches (200 cm.).

3. Following are minimum clearances for multiple obstacles:

- L-shaped obstacle 12 ft (3.6 m)
- U-shaped obstacle 12 ft (3.6 m) in & 15 ft (4.5 m) out

4. The metric conversion chart shown below is given as a guide for the use of management and/ or course designer.

In this way, either system of measuring can be used depending on the equipment available.

Metric Conversion Chart

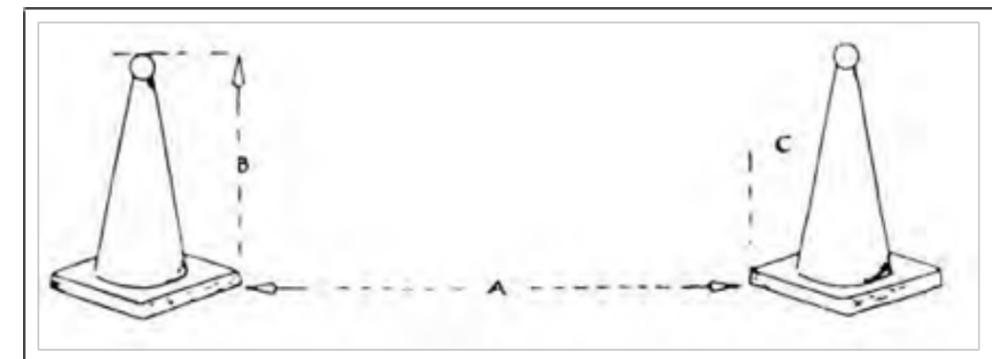

WHEN YOU KNOW	MULTIPLY BY	TO FIND
Hands	4	Inches
Inches	2.54	Centimeters
Centimeters	0.3937	Inches
Yards	0.9	Meters
Meters	3.281	Feet
Feet	0.3048	Meters
Miles	1.609	Kilometers
Kilometers	0.6214	Miles
Pounds	0.4536	Kilograms
Kilograms	2.205	Pounds

CP240 Measurement of Obstacles

1. For "traffic cones," adjustment is made as follows:

- a. The track width of each vehicle should be taken at the ground on the widest pair of wheels. The allowance is added and the cones aligned and adjusted from corner to corner. (See illustration below.) This allows the greatest distance between the corner of the base and the upright portion of the cone. The taper of the cone provides clearance for normal hubs or whiffle trees or splinter bars.
- b. If a whiffle tree or splinter bar or the wheel hubs prove to be too wide for this arrangement, the cones must be adjusted using the widest measurement plus the appropriate allowance, measured at a height on the cone at the same height that the widest part is above the ground. (See illustration below.)

Illustration of Cones

2. On markers with perpendicular sides, adjustment for the widest part of the vehicle at the highest part of the marker may be made.
3. Care should be taken when numbers are placed to ensure that the numbers do not protrude inside the markers where they might be disturbed without hitting the obstacle itself.
4. It is the responsibility of the Technical Delegate to ensure that each set of markers is properly adjusted.

CP241 Time Allowed

1. Obstacle courses should be accurately measured with a measuring wheel, if possible, or tapeline.
2. The Time Allowed is calculated by dividing the course measurement by the set speed for each class. A driveable line from obstacle to obstacle should be followed when determining the course length.

3. Suggested Speeds

SUGGESTED SPEEDS FOR CALCULATION OF OBSTACLE COURSE TIME ALLOWED		
Singles and pairs (VSE)	590 feet per min.	180 meters per min.
Singles	725 feet per min.	220 meters per min.
Pairs	725 feet per min.	220 meters per min.
Tandem and Four-in-hand Horses	650 feet per min.	200 meters per min.
Tandem and Four-in-hand Ponies	620 feet per min.	190 meters per min.
Tandem and Four-in-hand VSE	560 feet per min.	170 meters per min.

4. Time Limits are twice the Time Allowed.

5. Any obstacle class in which placings are decided using a total time does not require calculating a “time allowed.” A time limit may be set at management’s discretion, allowing a reasonably easy speed required to complete the course, keeping in mind the tightness of turns and limitations of the arena.

CP242 Timing

1. Timing with Stopwatches – Time is taken from the moment the first horse’s nose crosses the starting line until the first horse’s nose crosses the finish line, except where indicated in class specifications, i.e., Fault and Out, Progressive, etc.
2. Timing with Electronic Timers – time is taken from the moment the photo cell beam is broken (by the first part of the turnout to reach the starting line) until the beam is broken at the finish.
3. Timing a Stop – If it becomes necessary to stop a competitor for any reason (marker blown over, unauthorized animal or person on course, etc.) a signal will be given and time stopped. The driver will be allowed to go back far enough to regain momentum and wait. A signal will be given when the driver must resume the course. The timing watch will be restarted when the competitor reaches the point at which time was stopped.
4. Signals from the judge to the driver should be audible signals such as a whistle, horn or bell.
5. Course time must be recorded manually or electronically to the hundredths of a second.

CP243 Disobedience

Disobediences are penalized as stated in the individual class specifications. They are defined as follows:

1. A run-out is defined as evading an obstacle to be driven or the start/finish line.
2. A refusal is defined as stopping and stepping back or sideways before an obstacle
 - a. Stopping in front of an obstacle without dislodging it and without backing up followed immediately by driving cleanly through is not penalized.
 - b. If the halt is prolonged or if the horse backs even a single step voluntarily or not, a refusal is incurred.
 - c. If, in the commission of the refusal, any part of an obstacle is disturbed and class specifications require repair or resetting, the procedure outlined in CP242 will apply.

CP244 Off-Course (See also CP238)

1. Unless otherwise specified in individual class rules, a driver is off-course when driving an obstacle in the incorrect sequence or direction or when failing to drive a required obstacle.
2. For a Start or Finish line or an obstacle to be completed, the entire turnout (all horses and all wheels of the vehicle) must pass through the obstacle or the start/finish markers.
3. Straddling an obstacle marker, regardless of an actual disturbance, will be scored as a dislodgment.
4. Straddling a Start or Finish marker will be considered off course.

CP245 Ties in Placing

1. Unless otherwise specified in individual class rules:
 - Low total time basis – For classes determined on a low total time basis, the competitor with the lowest course fault total will be placed ahead of competitor with higher course fault totals.
 - Low fault basis – For classes determined on a low fault basis, the competitor with the fastest time will be placed ahead of the competitor with a slower time.
2. High point basis - For classes determined on a high point basis, the competitor with the fastest time will be placed ahead of the competitor with a slower time.
3. In either case, if a tie still remains, the tie may be decided by the flip of a coin, if all parties agree. If not, a work-off will be conducted. (CP217.4)
4. If two entries under the same ownership are tied, the owner may designate the order of finish.
5. Any competitor who advises the judge that he will not participate in a drive-off shall be placed last of the competitors in that drive-off. Should more than one of the tied competitors elect not to participate, all those not participating shall remain tied among themselves. Should there be only one remaining competitor, he is required to attempt at least the first obstacle in order to be placed first in the drive-off.
6. Except in the Fault-and-Out Obstacles class, when two or more competitors incur elimination during a drive-off, they remain tied regardless of the cause of elimination or point at which it occurred. A competitor who voluntarily withdraws must always be placed after a competitor who has been eliminated in the same drive-off.

CP246 Salute

No salute is required before competing in any Obstacle Driving Class.

CP247 Penalties

1. Unless otherwise specified, these penalties will apply to all Time and Specialty Obstacle classes. Additional penalties will apply as specified in individual class rules. (See CP211 for definitions of Break in Gait).

CP248 Timed Obstacles

- To be driven over a prescribed course of obstacles. The number of obstacles is to be proportionate to the dimensions of the driving area. Not to exceed 20 obstacles.
- After passing the starting line, the driver shall proceed through each obstacle in order to the designated finish line.
- Course faults are assessed as penalty seconds and are added to the driver's elapsed time.
- Placings are determined on a low total time basis. (see CP245)

CP249 Specialty Time Competitions

1. Scurry Obstacle

- To be driven over a course of unnumbered obstacles consisting of cones and balls, or the equivalent, not to exceed 10 obstacles.
- After passing through the Start markers from any direction, the driver shall proceed through each obstacle from any direction, in any order. Each obstacle must be driven once. Upon completion of the course, the driver must pass through the Finish markers from any direction, where time will be taken.
- Refusals and run-outs will not be penalized.
- Course faults will be scored as penalty seconds and added to the driver's elapsed time.
- Placings will be determined on a low total time basis. Ties for first place will be broken by a drive-off, unless otherwise stated in the Omnibus/prize list.

2. Town and Country Obstacles

Same rules as CP 248, Time Competitions with the following exceptions: Obstacles are set at 80 inches (2.0m) for all competitors. At least 30% of the obstacles must not be a pair of cones, but instead an obstacle that could be

encountered while out driving through town or country; i.e., mailbox and cones, trash barrel and cone, flagpole and a cone, fence section and cone, bridge, poles set like guardrails, wood piles, artificial animals (these should be set at a distance from a pair of cones to avoid frightening animals).

3. Double Jeopardy Obstacles

- To be driven over a prescribed course of obstacles (paired markers) by an entry with two drivers. 8-10 obstacles are recommended as a course length, but the number may be adjusted to be proportionate to the dimensions of the driving area.
- After passing through the Start markers, the first driver shall proceed through each obstacle and through the designated Finish markers for the first course and come to a halt. The time is stopped until the second driver takes the reins and whip. Only after there is complete control of the reins and whip may the second driver proceed. Beginning with the designated Start markers, the time is continued for the reverse course, continuing through the obstacles in reverse order and in the reverse direction and through the designated Finish markers for the reverse course. It is recommended that a different colored set of numbers be placed to indicate the required "reverse" course.
- Failure to come to a halt before the exchange of reins and whip will incur elimination.
- Course faults are as listed in CP247, Penalties. Course faults are scored as penalty seconds and are added to the driver's elapsed time.
- Placings are determined on a low total time basis.
- Entries may be stopped by a signal from the judge before driving through the designated Start markers for the reverse course to allow dislodged/disturbed obstacles to be rebuilt. See CP241.

4. Reverse Psychology Obstacles

- To be driven over a prescribed course of obstacles (paired markers). 8-10 obstacles are recommended as a course length, but the number may be adjusted to be proportionate to the dimensions of the driving area.
- After passing through the Start markers, all the obstacles shall be driven in the correct sequence. After completing the highest-numbered obstacle, the driver will then turn and drive that obstacle in the reverse direction and continue to drive all the remaining obstacles in reverse order and in the reverse direction and through the Finish markers where timing will stop.
- Course faults are as listed in CP247, Penalties. Course faults are scored as penalty seconds and are added to the driver's elapsed time. Placings are determined on a low total time basis.
- Entries may be stopped by a signal from the judge after completing the highest-numbered obstacle to allow dislodged/disturbed obstacles to be rebuilt. See CP241.

5. Pick Your Route Obstacles

- To be driven over a course of obstacles (paired markers) with no set route. The number of obstacles to be proportionate to the dimensions of the driving area. Not to exceed 20 obstacles.
- Typically, obstacles in this type of class are not measured for each entry but are set at 80 inches (200 cm) at the start of the competition, and only reset in the event of a knockdown.
- After passing through the Start markers, the driver shall proceed through each obstacle to the designated Finish markers, choosing his own route. Each obstacle and the start and finish lines may be approached from either direction. Driving an obstacle more than once or through the Start/Finish lines out of sequence will be considered off course.
- Course faults are listed in CP247, Penalties. Course faults are scored as penalty seconds and are added to the

- e. Placings are determined on a low total time basis.

6. Your Route/My Route Obstacles

- To be driven over a course of 10 numbered obstacles (paired markers) consisting of cones and balls..
- The suggested minimum obstacle clearance is 80 inches (200 cm) for paired markers and a minimum of 12 feet (3.6 m) for multiple obstacles such as "L" and "U" shapes.
- Your route: After passing through the start markers, the driver shall drive through all 10 obstacles in the correct sequence and direction.
- My route: After completing the #10 obstacle, the competitor will continue, without passing through the Start/ Finish markers by driving all obstacles a second time in any sequence and in either direction. Time will be taken when passing through the Finish markers in either direction.
- Entries may be stopped by a signal from the judge after completing the #10 obstacle to allow dislodged/disturbed obstacles to be rebuilt. See CP241.
- Course faults are assessed as penalty seconds and are added to the driver's elapsed time.
- Placings are determined on a low total time basis. Ties for first may be decided by a drive-off (unless otherwise stated in the Omnibus/ Prize/List.
- Omitting an obstacle or driving an obstacle twice in the second half of the round results in Elimination. Passing through the Start and Finish markers more than one time will be considered "off course."

CP250 High-Point Competitions

- Unless otherwise specified, these penalties will apply where applicable to all High-Point Competitions.
- Additional penalties will apply as specified in individual class rules.
- Penalties

PENALTIES IN HIGH-POINT COMPETITIONS	
Starting before the signal	Elimination
Failure to cross start line within one minute	Elimination
Outside assistance	Elimination
Failure to carry a whip (Article 207.2)	Elimination
Use of a tie-down or overcheck	Elimination
Breakage of harness or vehicle	Elimination
Entries that overturn	Elimination
Prolonged canter	Elimination
Failure of entire entry to pass through Start or Finish markers	Elimination
Off course	Elimination

1. Fault and Out Obstacles

- A timed course of numbered obstacles to be driven at the trot. The number of obstacles to be proportionate to the dimensions of the driving area and not to exceed 10 obstacles.
- After passing through the Start markers, the driver shall proceed through each consecutively numbered obstacle, in order, until the allowed time expires (suggested time, 90 seconds to two minutes), or until an obstacle is dislodged or a disobedience occurs.
- If all the obstacles are driven cleanly before the allowed time expires, the driver will begin the course again, starting with obstacle #1, without having to pass through the Start markers.
- Two points will be scored for each obstacle cleared before the allowed time expires, a disobedience occurs or an

obstacle is dislodged.

- When the allowed time expires, a disobedience occurs or an obstacle is dislodged, a signal will be given. The driver shall then proceed through the next consecutively numbered obstacle. The time will be taken when the rear axle clears this obstacle. If that obstacle is cleared, one point is scored. If it is dislodged, no points for that dislodged obstacle are scored, but the time is still taken.
- For the purposes of scoring, a disobedience (refer to CP211 (Break in Gaits)) is considered a dislodgement of the attempted obstacle.
- Going off course or dislodging a Start marker will incur elimination. Passing through the Start markers more than one time is not considered "off course."
- The score of a driver who fails to drive the next consecutively numbered obstacle after the whistle is blown shall count, up to the point where the signal is given, but the competitor must be placed after those with an equal score and time.
- Placings will be determined by the greatest number of points.
- Points and Penalties (CP247)

2. Progressive Obstacles

- To be driven at the trot over a course of six numbered obstacles which will be adjusted to the following clearances:
#1 – 20", #2 – 16", #3 – 12", #4 – 8", #5 – 4", #6 – 2" or
1 – 51cm, #2 – 41cm, #3 – 30cm, #4 – 20cm, #5 – 10cm, #6 – 5cm.
- After passing the starting line, the entry shall proceed through each obstacle, in order, until finishing the course or dislodging an obstacle.
- Scoring
 - Time to be recorded when the rear axle clears the last obstacle. Points accumulated to that point count.
 - Time to be recorded when an obstacle is dislodged. Points accumulated to that point count.
 - For a disobedience or for going off course, points accumulated to that point count; however, no time will be recorded.
 - Two points given for each set of cones cleared. No points given for dislodged obstacle.
 - Placings determined on a high-point basis.
 - For ties, refer to CP 245
 - Entries with accumulated points and no recorded time are placed after those with equal points and recorded times.
- Penalties

PENALTIES IN PROGRESSIVE OBSTACLES	
Dislodging an obstacle	Accumulated points and time recorded to that point
Break in gait (to canter or walk)	Accumulated points and time recorded to that point
Disobedience	Accumulated points count, no time recorded
Off course.	Accumulated points count Elimination
Groom(s) dismounting.	Accumulated points count, no time recorded

3. Gambler's Choice Obstacles

- To be driven over a course of unnumbered obstacles, each carrying a specific point value.
- Each driver has the same allowed time to negotiate as many obstacles as possible. Each obstacle is assigned a point value according to its degree of difficulty and each driver tries to amass as high a score as possible within the time allowed.
- After passing through the Start markers, the driver may drive through the obstacles, in any order, from any

direction. Each obstacle may be driven twice, but not in succession. If driven a third time, no points will be awarded.

- d. No obstacle may be redriven once it has been disturbed. (Exception: obstacles which are designed to be knocked down.)
- e. No points will be awarded for an incorrectly **driven** obstacle. If the obstacle is incorrectly driven, but not disturbed, it may be attempted again. *BOD 11/7/16 Effective 12/1/16*
- f. If a horse should refuse or run out at an obstacle without disturbing it, the driver may elect not to attempt it and may drive to another obstacle without penalty. The obstacle may be attempted later. If it is correctly driven the appropriate points will be recorded.
- g. A signal will sound at the end of the allowed time and the driver must then exit through the Finish markers where the total time on the course will be recorded.
- h. If the signal sounds when the competitor is committed to an obstacle, the competitor may complete the obstacle and receive the appropriate points, then proceed through the finish markers for total time to be recorded. Whether or not the competitor was committed to the last obstacle at the signal will be left to the discretion of the judge.
- i. Dislodging a start or finish marker will incur a penalty of 5% of the total points accumulated by the entry.
- j. Break to canter will be penalized as follows (incident penalties are cumulative):
 - 1st incident = 5% of total points accumulated
 - 2nd incident = an additional 5% of total points accumulated
 - 3rd incident = an additional 5% of total points accumulated
 - 4th incident = elimination

CP251 Fault Competitions

1. Cross Country Obstacles

- a. To be driven over a prescribed course of natural and/or artificial obstacles designed to simulate those that might be encountered on a country drive (i.e., bridges, water, log pile, farm animal pens, etc.) Obstacles should be designed to be easily driven and are not to simulate Combined Driving Obstacles. Obstacles must be clearly numbered.
- b. The suggested length of course is approximately 1 kilometer or 0.6 miles. Should the course design not allow judges to be able to see the entire course while judging, organizers may position spotters to observe and record course violations to be submitted to an event official for final scoring, and spotters will also serve as observers for safety during this class. Spotters should be able to communicate with an event official during the class. See CP241.3
- c. After passing through the Start markers, the driver shall proceed through each obstacle, in order, keeping within the limits of the designated course markers and passing through the designated Finish markers.
 - Placings will be determined on a low fault basis (ie. those with fewer faults finish ahead of those with more faults).
 - Course faults and one fault for each commenced second over the Time Allowed are added together for a total score.
 - The Time Allowed is to be calculated as per CP241.
 - Time will decide ties for those with equal fault totals.

d. Penalties:

PENALTIES FOR CROSS COUNTRY FAULT COMPETITION	
Exceeding time allowed (every commenced second)	1 fault
Knocking down or dislodging obstacle or course marker	4 faults
Break in gait to canter	5 faults
1st break to canter	5 faults
2nd break to canter	5 faults
3rd break to canter 4th break to canter	Elimination
Prolonged canter	Elimination
Disobedience or groom(s) dismounting anywhere on course (cumulative over course):	3 faults
1st incident 2nd incident 3rd incident	6 faults
	Elimination
Starting before the signal	Elimination
Failure to cross start or finish line	Elimination
Failure to cross start line within one minute	Elimination
Off course	Elimination

Use of a tie-down or overcheck	Elimination
Breakage of harness or vehicle	Elimination

2. Fault Obstacle

- a. To be driven over a prescribed course of numbered obstacles. The number of obstacles to be proportionate to the dimensions of the driving area. Not to exceed 20 obstacles.
- b. As this class should be considered a test of precision driving, it is suggested that the obstacles be set at minimum allowances if the level of competition warrants.
- c. After passing through the Start line, the driver shall proceed through each obstacle in order and through the Finish line.
- d. Placings will be determined on a low-fault basis (ie. those with fewer faults finish ahead of those with more faults).
 - Course faults and one fault for each commenced second over the Time Allowed are added together for a total score.
 - The Time Allowed is to be calculated as per CP 241.
 - Time will decide ties for those with equal fault totals.
- e. Penalties are described in (CP251)

SUBCHAPTER CP-16 CLASS SPECIFICATIONS FOR PLEASURE DRIVES

CP252 General

- 1. In any Pleasure Drive, all horse classes should start first followed by all pony classes.
- 2. On the course, repairs to the vehicle or harness may be made only by personnel actually riding on the vehicle. Outside assistance will incur elimination.
- 3. It is recommended that competitors be excused after completing the Pleasure Drive and that awards be presented

later in the competition.

4. Dress should conform to CP111, Dress of Driver and Passengers and CP207, Turnout unless otherwise specified in the Omnibus/Prize List.
5. All rules of the road should be observed unless designated officials direct otherwise.

CP253 Course

1. Pleasure Drive courses must be carefully measured and the times accurately calculated.
2. All Start and Finish lines on the course must be clearly marked.
3. An accurate map indicating all pertinent course markings and directional changes and a listing of times allowed for each section must be made available to drivers prior to the opening of the course for inspection. A map and order of starting should be posted at least two hours before the start of the class.
4. Management has the choice of opening the course for inspection or running the Pleasure Drive “blind” (without course inspections). The option chosen must be clearly stated in the Omnibus/Prize List. If inspections are to be allowed, the times when the course will be open for inspection must be stated in the Omnibus/Prize List. No change in any part of a Pleasure Drive (course or time allowed) may be made after the posted inspection time without notifying every competitor.
5. It is recommended that Pleasure Drive courses over 6 miles or 10 kilometers include a 5- to 10-minute rest stop.
6. A briefing meeting prior to the start is helpful to clarify any local conditions that might affect the competitor’s performance.

CP254 Timing

1. The timing method must be clearly explained in the Prize List.
2. The course designer should take into consideration the terrain and road and path surfaces when calculating times allowed. It is the responsibility of the technical delegate to make adjustments when weather conditions dictate.
3. Suggested speeds are 8.7 mph (14 kph) for horses, 7.5 mph (12 kph) for Large ponies, 6.8 mph (11 kph) for Small ponies, and 5.6 mph (9 kph) for VSEs.

CP255 Observers on Course

1. The judge may, at his discretion, appoint assistants to be placed at strategic spots on the pleasure drive course to officially observe and mark traffic or other course violations. Each observer’s marked card must be submitted to the judge for final scoring.
2. In a walk section, official observers should be placed where the entire section may be easily seen in order to score breaks. It is recommended that there be a minimum of one observer for each 100-yard increment. Each observer must submit a marked card for his assigned area recording the number of breaks of gait for each competitor.

CP256 Spares

1. Spares must be carried on each vehicle during a pleasure drive. They are as follows:

Wheel wrench to fix axle nuts	Knife
Cooler or quartersheet for each horse	Leather punch
Length of rawhide, string or wire	Screwdriver
Rein splice or spare rein	Pliers
Trace splice or spare trace	Small hammer
Hame strap (if appropriate)	Hoof pick
Halter and lead shank pers hor	

2. One penalty point will be assessed for each item omitted. Complete omission of spares will receive 20 penalty points. Spares must be checked prior to the start of the Pleasure Drive. To insure that each vehicle actually carries

the required spares, provision for random recheck at either the rest stop or immediately following the drive may be made (if explained in the Omnibus/Prize List.)

CP257 Pleasure Drive Participation

If scheduling permits and except for courses that are to be driven without prior inspection:

1. A driver may not compete more than once in a Pleasure Drive class.
2. A groom/passenger with one entry may compete as a driver with another entry.
3. A driver with one entry may compete as a groom/passenger with another entry.
4. A horse may not compete in more than one Pleasure Drive per competition day unless appropriate conditions exist and approval for all horses to do so is given by the Technical Delegate.
5. Grooms may not stand behind the driver. If the vehicle does not permit the groom to sit behind the driver, permission must be obtained to allow the groom to sit beside the driver.

CP258 Pleasure Drive Penalties

Unless otherwise specified in class description, the following penalties apply to all Pleasure Drives. Additional penalties apply as per class descriptions.

PLEASURE DRIVE PENALTIES	
Spares: each item omitted	1 penalty point
Spares: complete omission	20 penalty points
Starting before the signal	Elimination

Failure to carry a whip in hand at all times while driving	Elimination
Use of a tie-down or overcheck	Elimination
Racing or otherwise endangering another vehicle or spectator	Elimination
Deviating from a direct route, stopping or walking to achieve correct times	Elimination
Entries that overturn	Elimination
Failure of entire entry to pass through start or finish markers	Elimination
Failure to complete the course	Elimination
Prolonged canter or gallop	Elimination

CP259 Pleasure Drive – Turnout

Purpose: To give drivers the opportunity to turn out in their finest while competing in a Pleasure Drive.

1. Preliminary Judging: At the beginning of the class drivers will be observed by the judge in a ring at a walk, slow trot, working trot and strong trot. Horses will be asked to halt and rein back. At the judge’s discretion, entries need only work one direction of the ring.
2. Pleasure Drive Course: At the conclusion of the preliminary judging, each class will be sent out on course (order of go and timing to be at management’s discretion). Drivers are encouraged to carry a groom/navigator who may assist in pointing out the route, but may not handle the reins, whip, or brake. The designated course may be of any length with no time limit. Care should be taken in designing the course to consider the antique vehicle, and smooth tracks should be utilized when possible. The recommended gait is a trot, but the competitor may walk at his

pleasure. Canter is not permitted. Rules of the road must be obeyed, unless a uniformed police officer directs otherwise. Fitness may be checked at the conclusion of the drive by a veterinarian or, in his absence, by the judge and may be considered accordingly.

3. Final Judging: At the conclusion of the Pleasure Drive, entries may again be observed by the judge in a ring. The judge may, at his discretion, ask entries to work only one direction of the ring. If the judge decides to work horses in one direction only in the Preliminary or Final phases of the class, it is recommended that they work one direction at the beginning of the class and the other direction at the end.

4. Judging:

- 50% on overall impression and
 - 50% on way of going.
- Suitability of each entry as a pleasure to drive.

a. The following aspects will also be considered toward the overall impression:

- Horse – manners, way of going, condition, appropriateness and grooming.
- Harness – condition, appropriateness and cleanliness.
- Vehicle – condition, appropriateness and cleanliness.
- Driver – driving skills, posture, appropriateness and neatness of attire.

CP260 Pleasure Drive – Timed

Purpose: To allow the driver to compete against ideal time at both the walk and the trot. Simulated obstacles, not timed, may be added.

1. To be driven over a prescribed, measured course of any length (suggested length 3-6 miles or 5-10 kilometers), comprised of two sections – a trot section followed by a walk section. Each section will be scored independently on a penalty point basis.
2. Time Allowed in the trot section shall be calculated from the distance and required speed. (See CP241.3) Minimum Time will be 2 minutes less than the time allowed.
3. A “Buffer Zone” must be placed between the finish of the trot section and the start of the walk section to allow for the change in gait. The recommended distance is approximately 50 yards (50m).
4. The walk section of the timed Pleasure Drive should be 200-500 yards (200-500m) in length (400 yards (400m) recommended). Time Allowed in the walk section shall be calculated from the distance and required speed. Suggested speeds are 6 kph for horses, 5 kph for ponies. There is no Minimum Time in the walk section.
5. Obstacles may be added by management; however, it is encouraged that such obstacles be designed to promote safe driving while adding to the challenge of the event. Drivable openings in obstacles should not be less than 8 feet 3 inches (2.5 meters) wide and “escape routes” are encouraged. A maximum of four obstacles is allowed.
6. Obstacles are considered part of the course and are not timed, but must be driven correctly or the driver will be eliminated. Up to four lettered gates (pair of red and white markers) should be placed in the obstacle to lead the driver through. Gates must be driven in consecutive order. Once driven, a gate is considered “dead” and may be driven in any manner to get to the next gate.
7. Vet Check: If a veterinarian is available for the cross country, he must be at the finish. All horses should be observed as they pass over the finish line. Whether or not a physical check is made is left up to the veterinarian and management, but if one is planned, all horses must be checked at the same time interval (i.e., 10 minutes after finishing). Competitors should be encouraged to cool their horses during this time. Management should provide water for drinking and washing down. Any horse that does not complete the course in good form, in the opinion of the veterinarian, will be penalized 10 points and so advised. In the absence of the veterinarian, the judge may assess the vet penalties for any horses in obvious distress.

8. Scoring: There is no penalty for arriving at the finish between the Minimum Time and Time Allowed.

- 1 penalty per second under the Minimum Time
- 2 penalties per second over the Time Allowed

9. Ties: The judge shall determine the winner by selecting the horse most suitable to provide a pleasant drive. No entry which has received vet penalties may be placed over entries with no penalties.

10. Five penalties for each break in gait for 1st, 2nd and 3rd incidents, 4th incident incurs Elimination.

CP261 Pleasure Drive – Pace

Purpose: To test the driver on his skill in negotiating a cross-country drive at a prescribed pace (similar to a hunter pace).

1. To be driven over a marked course of any length (suggested length 3-6 miles or 5-10 km). The mid-point of the course is marked with a “half-way” marker.
2. Drivers are given the distance of the course and the speed they are to drive and they must try to come to the finish line exactly on time. See CP241.3
3. Walk Section: Management has the option of adding a walk section near the midpoint, not to exceed 0.6 mile (1 km). To be clearly marked with “walk” and “resume trot.”
4. Mandatory Trot: The last 0.6 mile (1 km) must be driven at the trot. The start of the trot shall be marked “mandatory trot.”
5. One penalty is assessed for each second too early or too late. Five penalties for each break in gait to a canter or gallop as defined in (CP211.)
6. Walk section and mandatory trot sections: Five penalties for each break in gait as defined in CP211 for 1st, 2nd and 3rd breaks, 4th break is Elimination.
7. Vet Check: If a veterinarian is available for the cross country, he must be at the finish. All horses should be observed as they pass over the finish line. Whether or not a physical check is made is left up to the veterinarian and management, but if one is planned, all horses must be checked at the same time interval (i.e., 10 minutes after finishing). Competitors should be encouraged to cool their horses during this time. Management should provide water for drinking and washing down. Any horse that does not complete the course in good form, in the opinion of the veterinarian, will be penalized 10 points and so advised. In the absence of the veterinarian, the judge may assess the vet penalties for any horses in obvious distress.
8. Ties: In the event of a tie, the judge shall determine the winner by selecting the horse most suitable to provide a pleasant drive.
9. To be judged on how close the driver’s time comes to the ideal time.

SUBCHAPTER CP-17 DRAFT EQUINE RULES

CP262 General Rules

1. All Carriage Pleasure Driving rules apply except as specified below.
2. Draft equines are eligible for all Carriage Pleasure classes provided they otherwise meet the class criteria.
3. Classes or divisions may be divided at the discretion of the Organizer as published in the Omnibus/Prize List.

CP263 The Draft Horse

1. Type – The Draft equine has the overall body, bone, and hoof that presents a larger, heavier structure and form than that of light horses or light ponies. The Draft-type equine should give the impression of size and substance combined with a pleasant and mannerly behavior with balanced and powerful movement at all gaits. Each horse should present a picture of soundness, strength, sturdiness and a willingness to work.
2. Gaits – as described under [CP210]. Exception: Gaits may be limited to walk, slow trot, and working trot at the

discretion of the Organizer as published in the Omnibus/Prize List.

CP264 Turnout

1. Harness – should be clean, safe, correctly fitting, appropriate to the vehicle and otherwise comply with Federation Rules.
 - a. A full noseband, a throatlatch, and brakes or breeching are required.
 - b. Check reins and martingales (except false martingales) are prohibited in Dressage and Obstacle classes. Failure to comply will incur elimination. For other classes, check reins and martingales may be appropriate turnout for certain vehicles. See Pleasure Driving Appendix CP-C.
 - c. Chain traces and heel chains are prohibited.
 - d. A full neck collar, breast collar or Scotch collar may be used consistent with specific class conditions and the turnout as a whole.
 - e. Rein splitters are not allowed in obstacle classes.
2. Vehicle – Any Pleasure Driving vehicle of suitable size and style for a Draft equine is allowed, such as, but not limited to, a wagonette, dog cart, country gig, or road cart. Individual class specifications may restrict certain vehicles. Unless specified in the class rules, farm-type vehicles are not permitted. See Appendix CP-C for additional requirements on vehicles, appointments and turnouts.
3. Feather, mane and tail – Draft equines may have thick, long feathering. Forelocks, manes and tails may be full and thick. Breeds may adhere to breed specific grooming/turnout practices with regard to trimming, roaching, braiding of manes and tails. No fixtures such as mane rolls or ribbons may be applied, except as specified in the Omnibus/Prize List.

CP265 Dress

Gloves and a hat (or protective headgear) are required. Aprons are recommended but optional. A whip should be carried in the hand or on the vehicle at all times while driving.

CP266 Class Conditions

1. Draft equine classes may be the same as listed in the Pleasure Rules.
2. Ladies and Juniors: In classes for ladies and juniors, when applicable, emphasis should be placed on manners and the suitability for being driven by a lady or junior.
3. Tandems: Lead horse tugs must be attached to the wheel horse's tugs behind the belly band or directly to the singletree. At no time shall lead tugs be attached to the hames of the wheel horse.

SUBCHAPTER CP-18 – PUTTING-TO CLASSES

CP267 Introduction

This class is designed to test the skills and efficiency of the coaching team (driver, groom(s) and hostler). The conditions of the class simulate the custom of changing horses in a “yard,” but uses only one horse or team of horses.

CP268 Course

1. The class should be conducted in an enclosed area. There will be a Start and Finish line, an unhitching/hitching box and a marker set some distance from the unhitching/hitching box.
2. The “unhitching/hitching box” is marked off with lime, chalk, sawdust or other appropriate material. The “box” must be large enough so that each type of entry competing in the class may stop the entire turnout within the enclosure.

CP269 Turnout

1. Each turnout must comply with their entry type as specified below:
 - Four-in-hand/Unicorn – A driver, two grooms, a minimum of two passengers, one hostler to assist in the arena, four horses, and appropriate vehicle/harness.
 - Pair – A driver, one groom, a minimum of one passenger, one hostler to assist in the arena, the pair of horses and appropriate vehicle and harness.
 - Single or Tandem – A driver, one groom, one hostler to assist in the arena, the horse(s) and appropriate vehicle and harness.
2. The hostler may not enter the arena until the vehicle is completely within the unhitching area.

CP270 Basic Format of Class

1. Upon entering the arena, the driver will drive through a set of starting markers, where timing will begin, and proceed to the unhitching area.
2. The entire turnout must be within the unhitching area, stopped, with grooms and passengers down before unhitching may begin. Passengers must dismount before the driver may leave the vehicle. The driver will dismount and remount from the off side.
3. The horses are unhitched by the driver, groom(s) and hostler.
4. After the horses are unhitched, the horse(s) must be led around the designated marker, brought back to the vehicle and rehitched properly to simulate changing teams.
5. When the horses are rehitched and the driver in place, the passengers and grooms remount and the turnout is driven across the finish line where time will be taken. Grooms may remount the vehicle as it moves off, but they must be seated as the coach crosses the finish line.
6. The driver is considered to be in place only after resuming his/her place on the box, properly attired, with lines and whip completely in hand.
7. Passengers may not assist in any way. They must dismount before any unhitching may begin and must remount only after the driver is in place.
8. Grooms must remain in complete livery when unhitching/rehitching.
9. The judge may inspect the turnout to be sure the horses have been rehitched properly.
10. The score is time elapsed plus penalties. The lowest score determines the placings.

CP271 Sequence to Unhitch/Hitch – Four-in-hand, Unicorn

1. To Unhitch
 - Leaders – inside traces, outside traces, then reins.
 - Wheelers – loosen pole chains/straps, disconnect inside trace, outside trace, pole chains/straps and then coupling reins.

COMMERCIAL

Attire should be traditionally correct for the type of commercial turnout.

PARK DRAG OR PRIVATE COACH

Definition: A Park Drag should be of less heavy build than a Road Coach. The axles may be Mail or Collinges. The hind seat should be mounted on curved iron braces and be of the proper width for two grooms. The lazy-backs on the roof seats should be hinged and turned down when not in use. The door of the hind boot is often hinged at the bottom so that it may be used as a serving table when open. There should be no luggage rails or straps between the seats. The driver may choose to have passengers on the Drag or Coach during coaching classes.

Paint and bodywork: The paintwork should be well finished in traditional style. The sides of the front and rear boots, the upper quarters of the body, the steps and seat rails should be painted black. The under-carriage, the pole, the bars, the underside of the footboard and the seat-risers or cheeks should be painted the same color; the lower panels of the body and the door of the

rear boot may be painted the same or a different color. An heraldic badge or monogram may be neatly painted on the crest panel of the door, on the rear boot door or on the underside of the footboard. The outside seats may be trimmed

in pigskin or wool broadcloth of a suitable color with the underside of the cushions covered in waterproof material. The inside of the coach may be trimmed in Morocco leather or cloth or a combination of these materials. The inside floor may be covered with a Wilton carpet of solid color. It is not usual to have seat-falls to the outside seats, but they may be fitted inside. The seat valances or borders of the outside seats may be made of patent leather fastened with a horizontal strip of bright metal beading of the same metal as the door handles and lock covers. The metal edging to the doors and hind boot should not be polished, but there should be bright metal on the seat-edge beading, door handles, and outer face of the hub caps. The glasses of the door windows should be plain and not quartered.

Appointments: There may be wine coolers and a glass case carried in the rear boot. A lunch chest or imperial may be carried on the roof but only when it is to be used as at a race meeting or similar occasion. Two spare lead bars, one side and one main, should be carried, and fastened to the back of the hind seat, with the main bar above. A folding iron ladder should be carried on brackets beneath the hind seat. The stick and umbrella basket is hung on the near-side, at the corner of the rear roof-seat, the drag shoe and safety hook should be hung under the coach on the off-side except in countries where they drive on the left of the road, in which case the drag is hung on the near-side. A spare jointed whip mounted on a board may be hung under the box-seat or inside the coach. The lamps should not be in their brackets in daylight hours, but carried in special fittings inside the coach. The window or stable shutters should be down and the windows in place when the owner or his representative is driving.

The coachman's apron when not in use should be folded outside out and laid on the driving cushion. Passengers' knee rugs or lap-ropes should be folded and laid on the front inside seat when not in use

Spares: Spares may be carried in the rear boot or inside the coach. The usual includes a small case of tools comprised of wrench, hammer, leather punch screw driver, hoof pick, spare shoe and nails or "easy boot," spare lead and wheel trace, spare lead and wheel rein or rein splicer, spare hame strap, length of strong cord or wire. Loin or quarter rugs for the horses and halters should be carried in a convenient place.

Harness: The harness should be of black leather with patent leather where appropriate. The hames should have solid draft eyes and kidney links with kidney link rings on the wheelers only. Bearing reins are permitted but should be on all the horses or none. A neat monogram or badge is permitted on the winkers, drops, pads, breast-plate drops, and rosettes. The breastplates should be fastened round the collar as well as the kidney links for preference. Collars are not to be tied together. It is suggested that reins should be held in one hand, the other hand being able to assist as required.

The wheel traces should have metal loop ends or quick-release. The lead traces should be put on with screwheads of the cock-eyes uppermost, as also should be the lead-bar screws. Buxton bits are preferred, and if bearing reins are used they should be on all horses and be attached to separate bearing rein bits, not to the driving bit. Cruppers may be sewn or buckled on. The reins should be made of single brown leather. Appropriate straps should be lined and stitched. The bridles may have metal browbands on fronts, or they may be of other material to match the color of the coach. Hame straps should be put on with the points inside. The metal furniture of the harness should be of the same metal as the buttons of the grooms' coats and the door handles and beading of the coach. West End buckles are preferred.

The pole chains, the pole-head and the lead-bar hooks and mountings should be made of bright steel color. The pole chains may have spring hooks at each end or may have open hooks with rubber securing rings at one end. Preferably the chains should be of a length that admits the snapping of both hooks into the pole-head ring. If too short, one end should be hooked into the pole-head ring and the other into a link with the snap down. If too long, one end should be snapped in the pole-head ring, snap down, and the other brought through that ring and snapped in a link at the appropriate length.

Attendants: Two grooms in Livery should sit on the rear seat when the coach is moving, the senior groom on the right. When the coach is stopped, the senior groom stands by the right wheeler, able to take instructions from the

driver, while the other groom stands at the leaders' heads.

Horses: Park Drag horses should be perfectly matched as to color, size, style, action and temperament. They should be horses of quality but with sufficient substance to handle a loaded coach. Flashy coloring is not appropriate. They should have good manners, and should be capable of moving at a stylish trot with action but not excessively fast. They should stand quietly and move off together at a walk when asked to do so.

ROAD COACH

Definition: A Road Coach is of stronger build than a Park Drag. The Coach may be finished as a Public or Private Road Coach, the latter carries no place names. The axles may be Mail or Collinges. The hind seat holds three persons besides the guard whose seat is on the near-side with an extra cushion. The lazy backs of the seats are usually not hinged. He should have a hand strap to take hold of when standing to sound the horn. There is a rail and luggage straps between the seats. The door of the rear boot is usually hinged on the off-side.

Paint and bodywork: The distribution of black and color in the paintwork follows the same pattern as a Park Drag, but the colors may be brighter. A Road Coach may have an appropriate name painted on the panel below the hind seat; a figure or some device associated with the coach name may be painted on side and hind boot door panels. The names of places on the coach's route may be painted on the sides. If the wheels and other parts of the undercarriage are striped, it should be with a single broad stripe. The windows are usually quartered and the coach is driven with the stable shutters down. The outside seats may be trimmed in strong material such as coach carpet or Bedford cord, not leather. The inside of the coach is usually panelled in hardwood with seat cushions of drab cloth. The seat valances may be similar to the Park Drag or may be made of wood. The metal trim is similar to the Park Drag, except that the pole-head, lead bar hooks and pole-chains may be painted black and not of bright steel.

Appointments: Two spare lead-bars, one side and one main, should be carried, fastened to the back of the hind seat with the main bar above. The folding ladder which may be made of wood is hung on brackets below the rear boot. The side lamps should be in their brackets, ready for use, and a red rear light may be placed on a bracket below the rear seat on the near-side. It is usual for this lamp to have a clear lens on the right side so that it can illuminate inside the boot when the door is open. The stick and umbrella basket is hung on the near side at the corner of the rear roof-seat. The drag-shoe and safety hook should be hung under the coach on the off side. A spare jointed whip mounted on a board may be hung under the box seat or inside the coach. The coachman's driving apron and the passenger's rugs are carried also. Inside the coach there are leather pockets on the doors and leather hat straps on the roof.

Spares: These are the same as for the Park Drag and Private Coach, but the Road Coach may also carry a canvas bucket. Halters and loin or quarter rugs for the horses should be carried in a convenient place.

Harness: The hardware of the harness should be of the same metal as the fittings of the coach. The harness is of black leather with most straps of single (unlined) leather. Collars may be of plain black or brown leather. Collars are not to be tied together. It is suggested that reins should be held in one hand, the other hand being able to assist as required. The hames should be of ring- draft type with short kidney links, chain and hook. Bearing reins are not usual but may be used on one or more horses if really necessary. The harness may be embellished with some symbolic device or the initial of the coach's name on the winkers, rosettes and pads. The wheel traces may have quick-release or French loop ends, and more rarely chain trace ends are used.

Attendants: A Road Coach carries a guard who is usually dressed in a frock coat of appropriate color, usually with strappings across the front and on the pocket flaps, breeches which may be white or of sponge-bag check, leather or canvas leggings, brown boots and a beaver hat. He carries a way-bill pouch slung over the shoulder with a pocket for a watch and a loop for the hind-boot key. He sits on the near side of the hind seat and his seat carries an extra cushion. He should have a hand strap to take hold of when standing to sound the horn. A groom in stable livery must also be carried.

Horses: Road Coach horses should be matched for size, weight, action and temperament, and way of going. They

need not be matched perfectly for color and flashy markings are not objectionable. They should be of sufficient weight to be able to pull the coach without appearing to labor at all. Although the wheelers may be the stronger horses, all the horses should be capable of working in the wheel. The horses should work evenly together all the time and be capable of moving at a good pace. They should stand quietly and move off together at the walk. It is acceptable for a Road Coach team to have a grey near leader. Tradition holds that the color would be more easily seen by oncoming traffic in the dark.

FOUR-IN-HAND BREAKS

Definition: The Body or Wagonette Break, the Roof-Seat Break and an Omnibus with a roof-seat are vehicles in this category. All are classed as sporting vehicles.

Paint and bodywork: The underside of the footboard, the rear boot door and the front seat risers may be painted in the same color. The remainder of the body is usually painted black but the undercarriage may be painted in some bright color. The seat cushions can be trimmed in Bedford cord, corduroy, leather or broadcloth. Seat falls are not usual. A stick basket, ladder if needed, spare bars and a spare jointed whip are carried. The side lamps are usually left in place ready for use.

Spares: Spares and other equipment are carried as for a coach, and these are usually stowed in the rear boot.

Harness: The harness is of a fairly simple kind without unnecessary embellishments. Breechings may be used on the wheelers if they are likely to be required. The wheel traces may have metal loops, French loops or quick-release ends. The hames may be solid draft with kidney links or ring-draft with short kidney links, chains and hooks. Liverpool or elbow bits are appropriate, except in formal occasions, with grooms in livery, when Buxton bits could be used.

Appointments: Sporting breaks are usually turned out informally with the driver wearing country clothes and a bowler hat, the grooms in stable livery of trousers, jacket, shirt and tie with a bowler hat. However there are occasions when it may be appropriate for the driver to turn out more formally with a top hat and driving coat. The grooms could then wear livery. In such a case Buxton bits could be used.

Horses: The horses for a sporting break should be matched as to type and action. If they are matched as to color, or “cross-matched,” that is diagonally matched as to color, so much the better. They should move well together, be capable of a sustained active walk and a smart trot. They can be expected to rein back readily and to stand quietly. They should move off quietly and together, starting at a walk until asked to trot.

MAIL, STANHOPE, DEMI-MAIL, SPIDER, GEORGE IV PHAETONS

Definition: These vehicles are intended to be driven by the owner or a friend and are usually turned out in the more formal “park” style rather than in country style.

Paint and bodywork: In all cases the body is painted black, except for the seat panel which may be finished in imitation cane or in a color to match or blend with the color of the undercarriage. The undercarriage may be painted in an appropriate bright color and striped. The cushions may be covered in dark-colored broadcloth with the seat back upholstered in black leather or, in the case of a Spider Phaeton without a top, in black patent leather. There may be a loose floor mat of heavy punched rubber over a floor covered with linoleum, or ribbed rubber may be laid on the floor boards. If there is a folding top, the valance may be of patent leather pinned in place with polished metal beading. The dash may have a folded waterproof apron attached or have leather loops for securing such an apron. A whip socket is usual. Lamps are of round dial pattern in most cases but show Spider Phaetons usually have square pattern lamps.

Spares: A small kit of tools, a wheel wrench and spare harness parts should be carried.

Appointments: A dashboard clock and waterproof coats are necessary.

Harness: When it is possible to use a single horse with phaetons of this class, the harness has a bridle of square or D-shaped winkers; browband and rosettes of metal; Buxton bit; side-check bearing rein if any; Kay collar and hames with chain and ring coupling at the bottom; back- strap lined and stitched with crupper stitched on; breastplate; saddle

of English pattern, 4 or 4-1/2 inches wide with French or Tilbury tugs, reins of brown leather. Pair harness is similar in character with solid-draft hames with kidney links, short hame-tugs, straight panel pads, breastplates, trace bearers or loin straps optional, brown reins, bright steel pole chains. The hardware of the harness should be of the same metal as the polished metal parts of the vehicle. A standing martingale is required for a George IV Phaeton unless prohibited by individual class rules.

Attire: The driver usually wears a top hat, grey in summer, black in winter and in the evening indoors. A groom in livery occupies the rumble seat, but two grooms are considered proper with a Mail Phaeton.

A Mail Phaeton may be turned out in country style with the wheel harness of a Road Coach and grooms in stable livery with derby hats. The driver would then wear clothes of country style.

Horses: The horses used with these phaetons are upstanding horses of appropriate size for the vehicle, with high, stylish action, yet showing a good length of stride. They should be horses of quality with adequate substance. It is not usual to have the manes braided.

FOUR-WHEELED DOG CART, TRAP, OUTING WAGON

Definition: These are informal vehicles of general utility. As such they may be painted to suit individual taste within the bounds of tradition and general practicality.

Harness: The harness may have a bridle with D-shaped winkers, with or without side-check bearing rein; Liverpool or elbow bit; Kay or rim collar and hames; hames may have connecting chain at bottom of hame straps both top and bottom, saddle of English pattern with French or Tilbury tugs for four-spring carriages, or as a saddle similar to Surrey harness for three- or end-spring carriages; breeching.

Pair harness is similar, used with either trace bearers or breechings. Leather pole-straps are usual.

Attire: The driver wears country-style clothes with a derby, felt or straw hat according to season and weather. The groom wears stable livery with a derby hat.

Horses: The horse, or horses, usually stands 15.2 to 15.3 hands, has good all-round straight action, good head carriage and possesses adequate substance for the weight of the vehicle. Good manners are important and the horse should be capable of trotting at a smart pace.

STANHOPE OR PARK GATE GIG

Definition: In North America these gigs were mostly used for show or park driving and were usually turned out in formal style.

Paint and bodywork: They are painted to a high finish with black body, patent leather dash and fenders, with the dummy louvers on the Park Gate type or the seat back painted in color. The undercarriage is painted in some quiet color, tastefully striped. These gigs are never finished in natural wood.

Harness: The harness has a bridle with square winkers, a gig or Buxton bit, sidecheck bearing rein, bridle fronts and rosettes of metal, Kay collar and well-fitted hames connected at the bottom with a chain and a ring. A breastplate or standing martingale is usual; the backstrap lined and stitched with the crupper sewn on; the saddle of English pattern with French or Tilbury tugs; a kicking strap is usually worn; brown driving reins. If the gig has a whiffletree, a breast collar of adequate size may be used.

Spares and appointments: Small lamps of square pattern are usual and a small kit of tools and a wheel wrench should be carried. A dashboard clock and a whip socket are desirable.

Horses: A gig horse should be an attractive horse standing 15.1 to 15.2 hands, of good conformation and bold head carriage. He should be sharp moving with high stylish action with a good length of stride that allows him to cover the

Attire: The driver wears a grey top hat in summer during daylight and a black top hat at other times.

He wears an apron or knee rug. The groom wears dress livery.

VILLAGE CART, TWO-WHEELED DOG CART

Definition: These carts are usually made to seat four people, back to back. There is an adjustable seat to achieve the proper balance and the driver should have an adjustable foot-rest. The balance should be adjusted to bring a small amount of weight on the horse's back when the cart is loaded but not moving. The balance should NEVER be to the rear so that only the belly band prevents the cart from tipping up.

Paint and bodywork: The body is usually painted black and the shafts, springs and wheels in color and neatly striped.

Harness: The harness has a bridle with D-shaped winkers, a full noseband and a Liverpool or similar bit. A four-ringed or Wilson snaffle may also be used, but a Buxton bit is too dressy for such carts. The collar may be of Kay or rim design with hames connected at the bottom by a chain for preference. A false martingale or breastplate is usual. The saddle should be made on a tree with an inside channel through which the backband can slide freely. Open tugs are usual. The saddle should be well padded and 4-1/2 or 5 inches wide. The back-strap may have the crupper buckled or sewn on. A breeching or kicking strap is usual.

Horses: The horse should be well muscled, have good clean bone and be of the right size for the cart.

He should have good manners with free striding, straight action.

Attire: The driver and passengers may dress informally and the groom, if one is carried, wearing stable livery.

ROAD OR JOGGING CART

Definition: Light road carts are used for exercise and formerly they were sometimes used as personal conveyances like plain buggies. They may be painted to suit the individual's taste.

Harness: The harness is similar to buggy harness and usually has a bridle with an overdraw check and a snaffle bit. A bridle with a full noseband and a double-ring or Wilson snaffle or a Liverpool bit is acceptable and may be preferred by some judges. Although the saddle has little weight to carry, it should be well enough stuffed so that no weight bears directly on the horse's spine.

Horses: The usual road cart horse is of a fast trotting type.

FOUR-WHEELED BUGGY

Definition: This is a vehicle of general utility.

Paint and bodywork: The general style of painting was the body black and the running gear in some dark color with or without striping.

Harness: The harness should be of a simple kind with a bridle with square winkers, snaffle bit and overdraw check.

A bridle with a full noseband and a Wilson snaffle or a Liverpool bit is also quite appropriate. A breeching may or may not be used. Except for the heavier Goddard buggy, breast collars are usual.

Horses: The horse may be of trotting type, capable of moving at a good working trot. A pair may be driven to a buggy.

RUNABOUT, AMERICAN STANHOPE

Definition: These small vehicles were popular at the turn of the century and may be considered as light phaetons.

Paint and bodywork: Some were finished in natural wood, others were painted with a black body and undercarriage in sporting colors.

Harness: The harness has a bridle with D-shaped winkers, a full noseband and a Liverpool or elbow bit, preferably no bearing rein. A breast collar is usual and a breastplate is optional. A breeching is also optional. The harness should be

of good quality with most straps lined and stitched. Brown reins.

Horses: The horse should be a stylishly moving horse of great quality, able to trot at a smart pace.

High action is not essential.

ROCKAWAY, CARRYALL, DEPOT WAGON, SURREY, CABRIOLET

Definition: These are some of the types of family vehicles that were very popular throughout North America.

Paint and bodywork: They were usually painted in sober style with the body black, the undercarriage in some fairly dark color, tastefully striped. The cushions are usually covered in broadcloth of a color matching the undercarriage, or in black leather. The dash and fenders, if any, are usually covered with patent leather. A Surrey may have a standing top with a fringe. Most are fitted with shafts or a drop pole that attaches to couplings on the front axle.

Harness: The harness has a bridle with D-shaped winkers, bridle front of metal; side-check bearing rein or none at all; Liverpool or similar bit; collar of rim pattern with hames with chain connection at the bottom or with hamestraps at top and bottom; anchor or finger drafts; traces with slotted ends connected directly to the hames or to short hame tugs; saddle with straight or swell panels about 4 or 4-1/4 inches wide. Open or Tilbury tugs may be used and a breeching is normal. The harness straps may be lined and stitched or of single leather, the former preferred. A false martingale or breastplate is not essential.

Pair harness is similar in style with short hame tugs and trace loops on the pads. Trace bearers are usual. A neck-yoke is used with a drop-pole, but if the pole is supported by a chain or strong spring, a crab pole-head and leather pole pieces may be used.

Horses: The horse (or horses) for a family vehicle should be 15.2 to 16 hands, with ample bone and weight for the work. High action is not wanted but a straight moving trot with a good length of stride and a regular active walk are what is needed. Good manners are essential.

COMMERICAL VEHICLES

Definition: There is a wide variety of commercial vehicles used in the business of various trades.

Each trade will have particular types and styles of vehicles, harness and horses suitable for that type of business.

Paint and bodywork: Vehicles are usually painted with signage indicating the proprietor, his location and the type of business and perhaps a business slogan.

Harness: The harness is well suited for the type of work and may also be decorated by the harness maker in order to attract attention and to be particularly memorable to the customers.

Horses: The horse (or horses) for a commercial vehicle should be especially suited for the type of business. Commercial turnouts should be asked only for walk, slow and working trot and are expected to be able to back and stand quietly. Good manners are essential.

RULES FOR DRIVEN DRESSAGE

SUBCHAPTER CP-20 GOVERNING REGULATIONS

Dressage classes at Carriage Pleasure Driving Shows should also reference the Rules or Pleasure Driving Competitions.

CP501 General

1. The object of Dressage is the harmonious development of the physique and ability of the horse. Through progressive training, the horse becomes calm, supple, and flexible as well as confident, attentive and keen in his work.
2. These qualities are revealed by:
 - The freedom and regularity of the paces;
 - The harmony, lightness and ease of movement;

- The lightness of the forehand and the engagement of the hindquarters, originating in a lively impulsion;
 - The acceptance of the bridle, without any tenseness or resistance.
3. The horse, confident and attentive, submits generously to the driver, remaining straight in any movement on a straight line and bending accordingly when moving on curved lines.
 4. His walk is regular, free and unconstrained. His trot is free, supple, regular, sustained and active.
 5. Because the horse has impulsion and is free from resistance he will obey without hesitation and respond to the various aids calmly and with precision, displaying a natural and harmonious balance both physically and mentally.
 6. In all his work, even at the halt, the horse should be “on the bit.” A horse is said to be “on the bit” when the hocks are correctly placed, the neck is more or less raised and arched according to the stage of training and the extension or collection of the pace, and he accepts the bridle with a light and soft contact and submissiveness throughout. The head should remain in a steady position, as a rule slightly in front of the vertical, with a supple poll as the highest point of the neck, and no resistance should be offered to the driver.
 7. The object of the Driven Dressage Test is to judge the freedom, regularity of paces, harmony, impulsion, suppleness, lightness, ease of movement and correct bending of the horses on the move. Competitors will also be judged on style, accuracy and general control of their horses, and also on their dress, condition of their harness and vehicle and the presentation of their whole turnout. Presentation for Training and Preliminary division entries may be judged at the halt, in a separate area, prior to the Driven Dressage Test.

CP502 The Halt

1. At the halt, the horse should stand attentive, motionless and straight, with the weight evenly distributed over all four legs. If a multiple, all must be square and aligned with one another. The horse may quietly champ the bit, while maintaining a light contact with the driver’s hand, and should be ready to move off at the slightest indication.
2. The halt is obtained by the displacement of the horse’s weight on the quarters by properly used aids, driving the horse forward toward a restraining but allowing hand, causing an almost instantaneous but not abrupt halt from the previously fixed pace.

CP503 Walk

1. The walk is a marching pace in which the footfalls of the horse’s feet follow one another in four-beat time, well-marked and maintained in all work at the walk. When the four beats cease to be distinctly marked, even and regular, the walk is disunited or broken. It is at the pace of the walk that imperfections in progressive training are most evident.
2. The following walks are recognized: Free walk on a long rein, working walk, lengthened walk.
 - a. Free Walk: The free walk is a pace of relaxation in which the horse is allowed the freedom to lower and stretch out his head and neck to the utmost. The reins must be long enough to allow for this stretch, however, they should not be loose enough to loop. It is desirable that the hind feet touch the ground clearly in front of the foot prints of the fore feet (overtracking).
 - b. Working Walk: A regular and unconstrained walk. The horse should walk energetically but calmly with even and determined steps with distinct, marked, four equally spaced beats. The driver should maintain a light and steady contact with the horse’s mouth (“on the bit”). The horse’s hind feet should touch the ground in front of the prints of the forefeet.
 - c. Lengthened Walk: This a more determined and ground-covering walk than the working walk.

The main difference between the free walk and the lengthened walk is that the driver now actively asks the horse to produce more push from behind and thus lengthen his stride. The horse must flex his poll somewhat and is expected to work into the bit on a soft contact. The horse should not stretch as long and as low as in the free walk, but has to show a definite lengthening and lowering of the frame compared to the working walk. Some overtrack is

expected.

CP504 Trot

1. The trot is a pace of two-time on alternate diagonal legs (near fore and off hind leg and vice versa) separated by a moment of suspension.
2. The trot, always with free, active and regular steps, should be moved into without hesitation.
3. The quality of the trot is judged by the general impression, the regularity and elasticity of the steps – originated from a supple back and well-engaged hindquarters – and by the ability to maintain the same rhythm and natural balance.
4. The following trots are recognized: Collected trot, Working trot, Lengthen stride in the trot, and Extended trot.
 - a. Collected Trot: In the collected trot the horse is expected to move with more impulsion and engagement than in the working trot. Therefore his haunches must be more compressed, his loins more strongly coiled and his croup lowered. As a result the horse’s neck and head will be raised higher and his center of balance will be shifted permanently more toward the rear, thus enabling the shoulders to move with greater ease and freedom with the poll the highest point. The nose should not be overbent or the neck restricted. As the horse’s frame is shorter than in other trots, his steps will also be shorter but must be more elevated, and he appears lighter and more mobile throughout. Hollowing and/or stiffening the back are severe faults. Only a moderate degree of collection should be expected from a driving horse.
 - b. Working Trot: A regular and unconstrained trot, in which a horse, even if not yet trained and ready for collected movements, shows himself properly balanced and remaining on the bit, goes forward with even, elastic steps and good hock action. The expression “good hock action” means here a free and energetic forward swing of the hind legs with hocks brought well forward underneath the horse’s body, aiding in his free forward movement. The steps of the hind feet must at least be touching the ground in the footprints of the fore feet.
 - c. Lengthen Stride In The Trot: This trot is used as a preparation for the extended trot. While maintaining the same rhythm, the horse covers more ground than in the working trot. He must lengthen and lower the frame and stride while remaining on contact.
 - d. Extended Trot: The horse lengthens his stride to cover as much ground as possible as a result of greater impulsion from the hindquarters. The driver allows the horse, remaining “on the bit” without leaning on it, to lengthen its frame to gain ground, with the nose slightly in front of the vertical. The hind feet must clearly overtrack the prints made by the fore feet. The horse must remain in balance while maintaining the same tempo with steps of equal size. Going faster is not asked for, and is a severe fault.

CP505 Working Canter

1. A forward, active pace with regular steps of three-time pace, the horse showing good balance, remaining on the bit without leaning on the hand and going forward with light, cadenced steps and good hock action. A canter to the right, for instance, will have the footfalls follow one another in the following sequence: left hind, left diagonal (simultaneously left fore and right hind), right fore, followed by a moment of suspension with all four feet off the ground before the next stride begins. The quality of the canter is judged by the general impression, the regularity and lightness of the three-time pace. The horse must be on the bit and well-engaged in the hindquarters with good hock action, and must have the ability to maintain his rhythm and natural balance throughout the movement and the transitions. The horse must remain straight on the straight lines.

CP506 Reinback

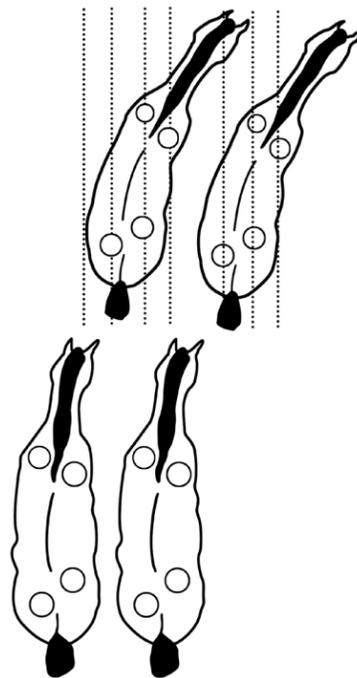

1. The reinback is a backward movement in which the feet are raised and set down simultaneously by diagonal pairs. The feet should be well raised and the hind feet remain well in line.
2. At the preceding halt as well as during the reinback, the horse, although standing motionless and moving back

respectively, should remain on the bit, maintaining his desire to move forward.

3. Anticipation or precipitation of the movement, resistance to or evasion of the hand, deviation of the quarters from the straight line, spreading or inactive hind legs and dragging fore feet are serious faults.
4. If, in a dressage test, a trot is required after a rein back, the horse should move off immediately into his pace, without a halt or intermediate step.

CP507 Shoulder-In

Shoulder-in for the driven horse is performed in Collected Trot. The leaders are positioned so that the outside leader's tail is in front of the head of the pole. The leaders' shoulders are taken to the inside with a constant angle of approximately 30 degrees and a slight but consistent bend in the neck. The inside hind leg steps forward into the line of the outside front leg so that the horses are working on three tracks. Impulsion, rhythm and engagement must be maintained throughout. Too much bend in the neck results in loss of rhythm and suppleness. The wheelers must remain straight with no counterbend.

CP508 Stretching the Frame

The horse gradually takes the reins, stretching forward and downward with light contact, while maintaining balance, rhythm and tempo and quality of the gait.

CP509 Transitions

1. The changes of pace should be clearly shown when the horse's nose arrives at the prescribed marker; they should be quickly made, yet must be smooth and not abrupt. The rhythm of a pace should be maintained up to the moment the pace is changed or the horse halts. The horse should remain light in hand, calm and maintain a correct position in balance and on the bit.
2. In the lower levels, transitions from trot to halt and from halt to trot may be executed progressively through the walk by making two or three well-defined walk steps.

CP510 Half-Halt

The half-halt is a hardly visible, almost simultaneous, coordinated action of the aids, (voice, whip, and hands of the

driver), with the object of increasing the attention and balance of the horse before the execution of several movements or transitions to lesser and higher paces. In shifting slightly more weight onto the horse's quarters the engagement of the hind legs and the balance on the haunches are facilitated for the benefit of the lightness of the forehand and the horse's balance as a whole.

CP511 Changes of Direction

At the changes of direction, the horse should adjust the bend of his body to the curvature of the line he follows, remaining supple and following the indications of the driver without resistance or change of pace, rhythm or speed.

CP512 Figures

1. Serpentine: This is a series of half-circles from one side of the arena to the other, connected by straight lines. Starting and finishing by driving into the corners is incorrect. The number of loops is prescribed in the tests.
2. Figure of eight: This figure consists of two exact circles of equal size as prescribed in the test, joined at the center of the eight. The horse should straighten an instant before changing direction at the center of the figure.
3. Half-circle: This movement consists of a half-circle of stated diameter followed by a return to the original track on a straight line. In a pair or four-in-hand, the pole should touch the centerline briefly at the end of the half circle before returning to the track on a straight line.
4. The deviation: A gradual movement away from the long side of the arena to reach a maximum value prescribed with a gradual movement back to the track.

CP513 Collection

The aim of the collection of the horse is:

1. To further develop and improve the balance and equilibrium of the horse, which has more or less been displaced by the additional weight of the vehicle.
2. To develop and increase the horse's ability to lower and engage his quarters for the benefit of the lightness and mobility of his forehand.
3. To add to the "ease and carriage" of the horse.
4. Collection is, in other words, improved and effected by engaging the hind legs, with the joints bent and supple, forward under the horse's body.
5. The position of the head and neck of a horse at the collected pace is naturally dependent on the stage of training and in some degree, on its conformation. It should, however, be distinguished by the neck being raised and unrestrained, forming a harmonious curve from the withers to the poll, the poll being the highest point, with the head slightly in front of the vertical.

CP514 Submission

1. Submission does not mean a truckling subservience, but an obedience revealing its presence by a constant attention, willingness and confidence in the whole behavior of the horse, as well as by the harmony, lightness and ease he is displaying in the execution of the different movements. The degree of submission is also manifested by the way the horse accepts the bridle with a light contact and a supple poll, or with resistance to or evasion of the driver's hand, being either "above the bit" or "behind the bit" respectively.
2. Putting out the tongue, keeping it above the bit or drawing it up altogether, as well as grinding the teeth and swishing the tail, are mostly signs of nervousness, tenseness or resistance on the part of the horse and must be taken into account by the judges in their marks for the movement concerned as well as in the collective mark for "submission."

CP515 Position and Aids of the Driver

1. The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one- or two-handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing but steady hand enabling a consistent “feel” with the horse’s mouth. Drivers should not be penalized or rewarded for using one style over another.
2. The use of the whip and the voice are important aids in driving. They should be used as effectively and unobtrusively as is reasonably possible.

CP516 Dress

1. Competitors are reminded that neatness should be the first requisite. The dress of the competitor and grooms must conform to the style of carriage and harness used. Period costumes, however, are not desirable.
2. Driving aprons, hats, gloves and whip in hand are obligatory for competitors. The whip must be of suitable style and adequate length.

CP517 Arena and Exercise Areas

1. The arena should be on as level ground as possible. The large arena is 100 meters long and 40 meters wide. The small arena is 80 meters long and 40 meters wide. (See Appendix CP-DR-B for arena size options for VSEs.) The size of the arena to be used is determined by the test and the turnout. The correct arena size is printed on the test. Arena measurements are for the interior of the arena enclosure. Arenas should be separated from the public by a distance of at least 5 meters, 10 if possible. The enclosure itself should consist of a low fence (boards, breakable chain, etc.) Letter A should be easy to remove, to let competitors in and out of the arena in a suitable way, or must be placed at least 5 meters away from the arena.
2. The letters outside the enclosure should be placed about 0.5 meters from the fence and clearly marked. It is permissible to decorate the letters with flowers or greenery to enhance the appearance of the arena.
3. The marking of the center line, throughout its length, and the three points D, X, and G are obligatory and must be as clearly marked as possible without being of a nature to frighten the horses. On that account is recommendable: on a grass arena, to mow the grass on the center line shorter than the other parts of the arena, and on a sand arena to roll or rake the center line in a suitable way. In such cases the three points D, X, and G should suitably be mowed, raked or rolled about two meters straight across the center line.
4. In the case of inclement weather or during winter, the use of an indoor arena may be desirable with the necessary modifications to meet local conditions. The requirements for the outdoor arena, however, apply as far as is possible.
5. An exercise area must be provided far enough away from the arena so as not to disturb the competitors during their tests. It should be of sufficient size for several competitors to prepare their horses at the same time. If possible a practice arena with perimeters and letters should be provided.

CP518 Tests

The Federation approves dressage tests for use at in Recognized driving competitions. Tests cannot be modified or simplified.

1. For use in national competitions:
 - a. ADS Training Level Tests: The purpose of these tests is to establish that the correct foundation is being laid for the training of the driving horse requiring the green horse to move freely forward in a free walk on long rein and the working trot, in rhythm while accepting the bit with relaxation, through transitions and 40m circles. This level is also intended to encourage the inexperienced driver.
 - b. ADS Preliminary Level Tests: The purpose of these tests is to establish that the horse has acquired a degree of balance and suppleness in addition to the rhythmical, free forward motion expected at the Training Level. While consistently accepting the bit the horse exhibits more activity of the haunches in the working trot and lengthened

walk. To be demonstrated in: 30m circles, 20m half-circles, serpentines, lengthened trot and stretching the frame.

- c. ADS Intermediate Level Tests: The purpose of these tests is to establish that the horse has become more freely forward with greater use of the haunches than at the Preliminary level, while remaining light in hand without resistance. To be demonstrated in the working walk and trot, the lengthened trot, collected trot, the 5 second halt, the reinback, and the serpentine.
- d. ADS Advanced Level Tests: The purpose of these tests is to establish that the horse has acquired a greater degree of suppleness, balance and lightness in hand than at the Intermediate level while remaining reliably on the bit, producing more impulsion through further strength in the haunches and relaxation of the back and poll enabling the driver to collect and extend the trot. To be demonstrated in the collected and extended trot, the reinback, and the 10-second halt.

CP519 Execution of the Tests

1. The dressage test must be driven from memory.
2. No passengers are permitted, and grooms must sit in their correct places. One groom is optional for singles; one groom is mandatory for pairs and tandems and two grooms are mandatory for unicorns and four-in-hands. There are no groom requirements for VSEs. (A knowledgeable adult horseman must accompany a Junior Driver under 14 years of age. No additional grooms or passengers are permitted. Failure to comply incurs elimination.
3. At the salute, drivers should take the reins in one hand. A lady shall raise the whip vertically or horizontally in front of her face; a gentleman shall remove his hat and let his arm drop loosely along his body or may render the salute as does the lady. The whip salute is used to acknowledge the judge at the start and finish of an individual test or at the beginning and end of a dressage test. The whip salute is also performed in the following ways.
 - By moving the whip, held in the right hand, to a vertical position, the butt end even with the face.
 - By moving the whip, held in the right hand, to a position parallel with the ground, the handle before the face.
 - A gentleman may place the whip in his left hand and remove his hat.
4. Error of Test: If a competitor attempts to perform a movement, or attempts to maintain the pace required and fails to do so, but does not deviate from the track, the judge at “C” may either treat it as an “Error of Course” (see CP519.5), or he may decide to give the movement an appropriate mark.
5. Error of Course:
 - a. It is an “Error of Course” when a competitor deviates from the required track or when a movement is performed at the wrong pace or omitted altogether.
 - b. In the event of a competitor making an Error of Course, the judge at “C” will ring the bell and stop the competitor. The competitor must then resume the test from the beginning of the movement where the error was made. If the competitor is in any doubt, he may approach the judge at “C” for instructions.
6. For “an error of course” or if a groom dismounts, penalty marks will be awarded as follows:

• First incident	5 penalty marks
• Second incident	10 penalty marks
• Third incident	Elimination
7. If the Judge at C Jury has not noted an error, the competitor has the benefit of the doubt.
8. Disobedience – any resistance in the forward movement, kicking or rearing is considered to be disobedience and will be penalized as:

• First incident	5 penalty marks
• Second incident	10 penalty marks

- Third incident
- Elimination
9. Penalty points are noted only on the judge's sheet held by the judge at "C".
 10. Disconnected or broken harness: Should the rein, pole strap, chains or trace become disconnected or broken, or should the horse get a leg over the pole, trace or shaft, the judge at "C" will ring the bell and a groom must dismount and reconnect or repair the broken part. The competitor will be penalized for a groom(s) dismounting.
 11. In a case of marked lameness, the Judge at "C" informs the competitor that he is eliminated. There is no appeal against this decision.
 12. A competitor who does not enter the arena within 90 seconds after the entry bell is rung for his test shall be eliminated at the discretion of the Judge at "C". No competitor can be required to drive prior to his scheduled time.
 13. If, during the test, the entire turnout leaves the arena, the competitor is eliminated. If part of a turnout leaves the arena, it shall be scored as a poor movement and appropriate marks awarded.
 14. A competitor leaving the arena at the end of a test in any way other than prescribed in the test will be penalized by an error. A competitor leaving the arena at the end of his test at any point other than "A" will be penalized for an error.
 15. Competitors shall be allowed to drive the outer perimeter of the arena before entering if possible.
 16. Competitors will not be allowed to school in or around the arena while a class is in progress.
 17. The judge at "C" may allow a competitor to restart a test if, in his discretion, some unusual circumstance has occurred to interrupt a test.
 18. Any intervention by a third party not riding on the vehicle, whether solicited or not, with the object of facilitating the task of the Competitor or his horses, is forbidden as Outside Assistance. Grooms must remain seated in their proper places between entering and leaving the arena. They are not permitted to handle the reins, the whip, or speak unless they are dismounted and the vehicle is stationary.

CP520 Time

The execution of the tests is not timed. The times shown on the test sheets are for scheduling information only.

CP521 Marking

1. All movements and certain transitions from one to another which have to be marked by the judge(s) are numbered on the judge's sheets.
2. They are marked from 0-10, with 0 being the lowest mark and 10 the highest mark.
3. The scale of marks is as follows:

10 – Excellent	9 – Very Good	8 – Good	7 – Fairly Good	6 – Satisfactory
5 – Marginal	4 – Insufficient	3 – Fairly Bad	2 – Bad	1 – Very Bad
0 – Not Executed *				
**"Not executed" means that nothing of the required movement has been performed.				

Half-marks can be awarded.

**"Not executed" means that practically nothing of the required movement has been performed.

4. Collective marks are marked after the competitor has finished his performance for:
 - Gaits
 - Impulsion
 - Submission
 - The driver's handling of the reins and whip; correctness and effect of the aids.

Each collective mark is awarded from 0 to 10.

5. The collective marks, as well as certain difficult and/or infrequently repeated movements, can be given a coefficient

- of more than 1, which is fixed by the Dressage Committee of the ADS and appears on the test.
6. The mark for each movement should first establish the fact of whether the movement is performed insufficiently (4 or below) or marginal or better (5 or above). The judge should state the reason for each mark, as far as possible, but particularly for marks 5 downward.
 7. A movement which must be carried out at a certain point of the arena should be done at the moment when the horse's nose is above this point.
 8. If a problem appears once, it may be treated lightly by the judge. If it appears successively, he will score it more harshly each time, i.e., nodding, stumbling, shying, etc.
 9. Signs of tenseness or resistance on the part of the horse should be considered in the marks for each movement where they appear, as well as in the collective marks. Horses which get their tongues over the bit or perform with an open mouth shall be marked down.
 10. The levels of dressage are offered as a means of evaluating a horse that is changing. The purpose of each test is printed thereon. The horse shall be considered in the light of the degree of training it should have achieved to be shown at that level.
 11. Allocation of marks: The judges will allocate their marks individually, and there will be no consultation among judges once the competitor has commenced the test.
 12. Pairs and multiple turnouts: Pairs, tandems, and four-in-hands will be judged as a whole and not as individual horses.
 13. Pace: The definition of paces – movements will apply to all types and breeds of horses.
 14. Terminology: The following must be considered when judging Driven Dressage movements:
 - a. Obedience and Lightness – willing response to aids without resistance; correctness of bend.
 - b. Regularity – the regularity, evenness and rhythm with which the horse puts his feet to the ground.
 - c. Contact- the tension in the reins between the driver's hands and the horse. It should be light and flexible and maintained at all times.
 - d. Impulsion – the willingness of the horse to go forward energetically at all times and to respond quickly and evenly to changes of pace. The horse must remain in balance while maintaining the same tempo with steps of equal size.
 - e. Straightness – carrying the head, neck and body in a straight line with the weight evenly divided among the legs.
 - f. Collection – roundness and engagement with good hock action, elevated poll allowing the shoulders to move with ease. The horse's energy is contained in a more deliberate pace than in the Working Trot. The haunches are more compressed, the croup is lowered, and the forehead is elevated to the same degree. The stride is shorter but more powerful than the working trot and the front legs will move from the shoulder with greater agility resulting in lightness and greater mobility throughout. The neck should be more arched. The shortening of the frame is not and never should be a result of pulling back but rather of asking and allowing the horse to move forward into the driver's hand.
 - g. Accuracy – Accuracy of turns, circles, serpentines, along side rails, deviations. *BOD 1/16/16 Effective 2/1/16*

CP522 General Impression

1. Principle: There are five boxes at the end of the Judges' Score Sheets for marks on General Impression.
2. Paces/Gaits: Regularity and freedom (if Four-in-hand, Pair or Tandem, maintenance of pace/ gait by all horses).
The quality of paces/gaits in each movement is marked under the appropriate movement. The mark for the general impression must reflect paces/gaits and transitions during the whole test.
3. Impulsion: Moving forward, engagement of the hindquarters (if Four-in-hand, Pair, or Tandem, all horses working). The level of impulsion may vary between movements and pace, but the mark for impulsion must reflect the

performance of the horses through the test.

4. Obedience and Lightness/Submission: Response to aids, willing and without resistance. Correctness of bend. Suppleness.
5. Competitor: Use of aids, handling of reins and whip, position on the box, accuracy of the figures. The mark must reflect the consistent level of accuracy and quality of transitions.
6. Presentation:
 - a. Appearance of competitor and grooms, cleanliness, fitness, matching and condition of horses, vehicle and harness.
 - b. Bandages and brushing boots are not permitted under any circumstances. Failure to comply entails 10 penalty points.

CP523 Classification and Scoring

1. After each performance and after each Judge has given his collective marks, which must be done with due consideration, the judges' sheets pass into the hands of the scorers.
2. In regular dressage competition (pleasure shows, etc.) the total number of points awarded by each judge will be added together and divided by the number of judges to obtain the average. Any penalties as defined in CP519 awarded by the judge at C will be deducted from the average to obtain the total. The competitor with the highest number of points will be placed first. The winner is the competitor having the highest total points, the second, the one with the next highest total points and so on. In the case of equality of points, the competitor with the highest marks received under General Impressions shall be declared the winner. When the scores for General Impressions tie, the judge may be required to decide on a winner after review of both score sheets or the horses may remain tied.
3. At Driven Dressage-only competitions, scores may be shown as the average score minus the penalty points and/or at the discretion of the organizers, may be scored as in combined driving or shown in percentages as in ridden dressage competitions.

CP524 Ground Jury

1. The invited judges compose the Ground Jury and must be selected from:
 - a. the current list of Federation Combined Driving Judges
 - b. the current list of Federation licensed Dressage judges
 - c. the current list of ADS Dressage or Combined Driving Judges
 1. (1) must have a Federation Guest Judge's card
 - d. a foreign judge approved by his National Federation in Combined Driving or Dressage
 1. (1) must have a Federation Guest Judge's card
 - e. a FEI judge licensed in Combined Driving or Dressage.
2. The judge is placed five meters from the end of the arena opposite the letter C.
3. A separate enclosure (tent, trailer etc.) should be provided for each judge. It should be raised at least 0.5 meters (20 inches) above the ground to give the judge a good view of the arena.

CP525 Technical Delegate

1. There must be a Technical Delegate for Federation licensed open Carriage Pleasure Driving Competitions and for Federation Regular Member competitions that have more than 15 Carriage Division classes. Technical Delegates

must be selected from:

- a. the list of Federation licensed Combined Driving or Carriage Pleasure Driving Technical Delegates
- b. the list of ADS Combined Driving or Pleasure Driving Technical Delegates
 1. (1.) must have a Federation Guest Technical Delegate's card
- c. the list of Federation Combined Category or C2 stewards at breed restricted competitions with 15 or less Carriage division classes.

CP526 Responsibilities of Management

1. Classes should be divided by similar turnouts (singles, pairs, fours, etc.). Horses may not be entered more than once in any dressage class. At Carriage Pleasure Driving Competitions or Driven Dressage Competitions, competitors may enter two consecutive levels with the same horse and driver combination, e.g. Training and Preliminary or Preliminary and Intermediate.
2. No judge shall be required to officiate longer than eight hours in one day. A scheduled 10 minute break must be provided for every two hours of judging.
3. A tentative class schedule must be included in the prize list. If the day of competition is changed, forcing a competitor to withdraw, his entry fees must be refunded.
4. Organizers should prepare a time schedule including all driving times. If possible, competitors should be notified of their driving time in advance. In preparing the schedule consideration should be given to drivers entered in more than one class.
5. Time intervals should be scheduled between classes to allow for judges' breaks and award presentations. The time schedule should be posted in a conspicuous place by noon the day before the competition.
6. Following the presentation of awards for each class, the judge's score sheet should be given to the competitor.

CP527 Abuse

The General Regulations refer to abuse. (See GR839)

CP528 Equipment

1. Style of harness or vehicle should not influence the type of bit being used (CP118).
2. Bandages and brushing boots are not permitted. Failure to comply entails 10 penalty points.
3. Auxiliary reins, including any type of check reins or martingales are not permitted (unless appropriate to the vehicle). Side checks may be used in Training division only.

CHAPTER DR DRESSAGE DIVISION

SUBCHAPTER DR-I DRESSAGE GOVERNING REGULATIONS

The pinnacle of Dressage Competition is the Grand Prix of Dressage Competition of the Olympic Games. Rules for that competition and other international competitions are found in the FEI booklet, "Rules for Dressage Events". For any circumstances not specifically covered in these rules reference should be made to the following publications of the FEI:

- Rules for Dressage Events
- General Regulations

Since every eventuality cannot be provided for in these Rules for any unforeseen or exceptional circumstances, it is the duty of the Jury or Show Committee, according to their respective responsibilities as outlined in DR124.2, to make a decision in a sporting spirit and approaching as nearly as possible the intention of these Rules.

DR101 Object and General Principles of Dressage

1. The object of dressage is the development of the horse into a happy athlete through harmonious education. As a result, it makes the horse calm, supple, loose and flexible, but also confident, attentive and keen, thus achieving perfect understanding with the rider.
2. These qualities are demonstrated by:
 - a. The freedom and regularity of the gaits;
 - b. The harmony, lightness and ease of the movements;
 - c. The lightness of the forehand and the engagement of the hindquarters, originating from a lively impulsion;
 - d. The acceptance of the bit, with submissiveness/throughness (Durchlässigkeit) without any tension or resistance.
3. The horse thus gives the impression of doing, of its own accord, what is required. Confident and attentive, submitting generously to the control of the rider, remaining absolutely straight in any movement on a straight line and bending accordingly when moving on curved lines.
4. The walk is regular, free and unconstrained. The trot is free, supple, regular and active. The canter is united, light and balanced. The hindquarters are never inactive or sluggish. The horse responds to the slightest indication of the rider and thereby gives life and spirit to all the rest of its body.
5. By virtue of a lively impulsion and the suppleness of the joints, free from the paralyzing effects of resistance, the horse obeys willingly and without hesitation and responds to the various aids calmly and with precision, displaying a natural and harmonious balance both physically and mentally.
6. In all the work, even at the halt, the horse must be "on the bit." A horse is said to be "on the bit" when the neck is more or less raised and arched according to the stage of training and the extension or collection of the gait, accepting the bridle with a light and consistent soft submissive contact. The head should remain in a steady position, as a rule slightly in front of the vertical, with a supple poll as the highest point of the neck, and no resistance should be offered to the rider.
7. Cadence is shown in trot and canter and is the result of the proper harmony that a horse shows when it moves with well-marked regularity, impulsion and balance. Cadence must be maintained in all the different trot or canter exercises and in all the variations of these gaits.
8. The regularity of the gaits is fundamental to dressage.

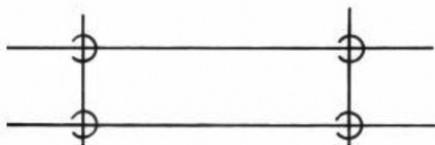

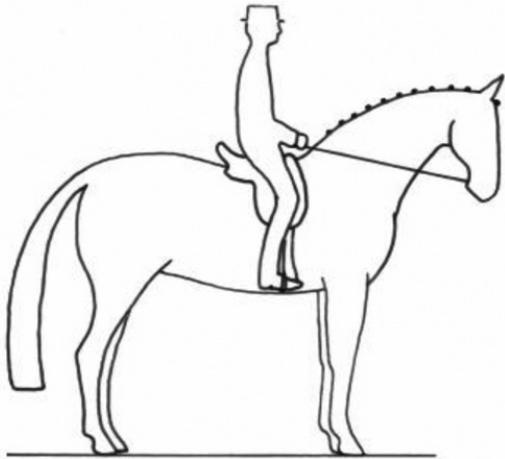

DR102 The Halt

1. At the halt the horse should stand attentive, engaged, motionless, straight and square with the weight evenly distributed over all four legs. The neck should be raised with the poll as the highest point and the head slightly in front of the vertical. While remaining "on the bit" and maintaining a light and soft contact with the rider's hand, the horse may quietly chew the bit and should be ready to move off at the slightest indication of the rider. The halt must be at

DR - DRESSAGE DIVISION

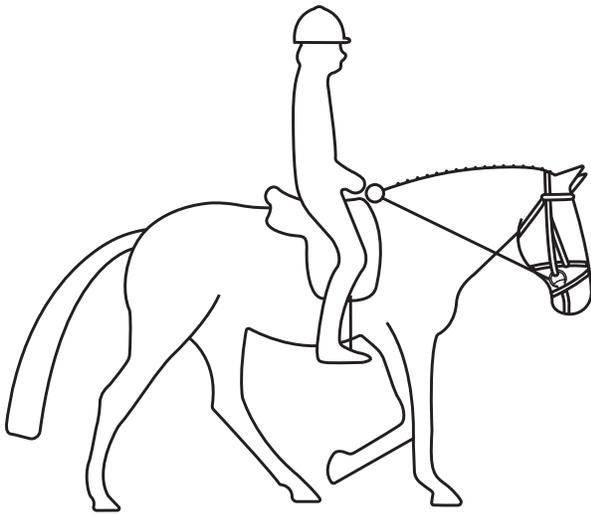

least 3 seconds when shown with a salute. The halt should be maintained throughout the salute.

2. The halt is obtained by the displacement of the horse's weight to the hindquarters by a properly increased action of the seat and legs of the rider, driving the horse towards a softly closed hand, causing an almost instantaneous but not abrupt halt at a previously fixed place. The halt is prepared by a series of half-halts (see transitions).
3. The quality of the gaits before and after the halt is an integral part of the assessment.

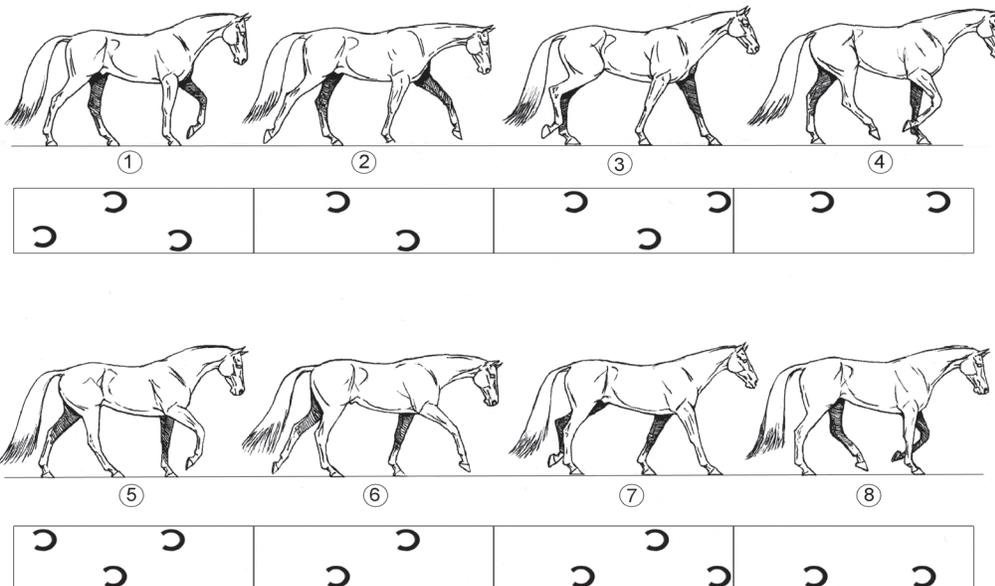

DR103 The Walk

1. The walk is a marching gait in a regular and well-marked four time beat with equal intervals between each beat. This regularity combined with full relaxation must be maintained throughout all walk movements.
2. When the foreleg and the hind leg on the same side swing forward almost synchronously, the walk has a lateral rhythm. This irregularity is a serious deterioration of the gait.
3. The following walks are recognized: Medium walk, Collected walk, Extended walk and Free walk. There should always be a clear difference in the attitude and overtracking in these variations.
 - a. Medium walk. A clear, regular and unconstrained walk of moderate lengthening. The horse, remaining "on the bit", walks energetically but relaxed with even and determined steps, the hind feet touching the ground in front of the hoof prints of the fore feet. The rider maintains a light, soft and steady contact with the mouth, allowing the natural movement of the head and neck.
 - b. Collected walk. The horse, remains "on the bit", moves resolutely forward, with its neck raised and arched and showing a clear self-carriage. The head approaches the vertical position and a light contact is maintained with the mouth. The hind legs are engaged with good hock action. The gait should remain marching and vigorous, the feet being placed in regular sequence. The steps cover less ground and are higher than at the medium walk, because all the joints bend more markedly. The collected walk is shorter than the medium walk, although showing greater activity.
 - c. Extended walk. The horse covers as much ground as possible, without haste and without losing the regularity of the steps. The hind feet touch the ground clearly in front of the hoof prints of the fore feet. The rider allows the horse to stretch out the head and neck (forward and downwards) without losing contact with the mouth and control of the poll. The nose must be clearly in front of the vertical.

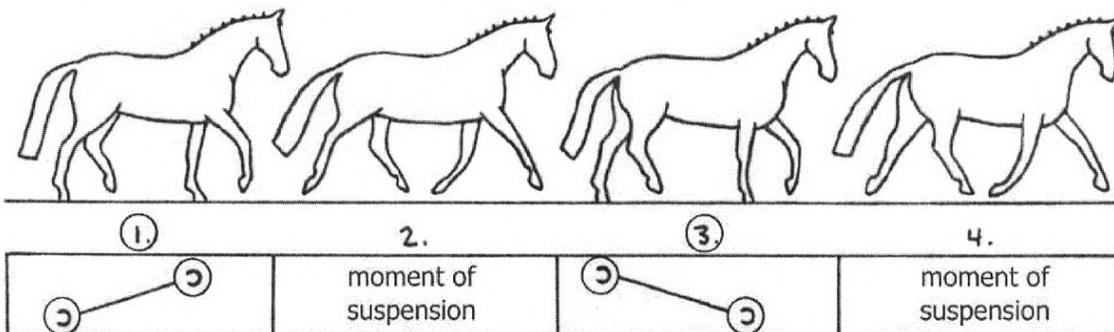

- d. Free Walk. The free walk is a pace of relaxation in which the horse is allowed complete freedom to lower and stretch out his head and neck. The degree of ground cover and length of strides, with hind feet stepping clearly in front of the footprints of the front feet, are essential to the quality of the free walk.
- e. Stretching on a long rein. This exercise gives a clear impression of the “throughness” of the horse and proves its balance, suppleness, obedience and relaxation. In order to execute the exercise “stretching on a long rein” correctly, the rider allows the horse to take the reins gradually and smoothly as he stretches his neck forward and downward. As the neck stretches forwards and downwards, the mouth should reach more or less to the horizontal line corresponding with the point of the shoulder. An elastic and consistent contact with the rider’s hands must be maintained. The gait must maintain its rhythm, and the horse should remain light in the shoulders with the hindlegs well engaged. During the retake of the reins the horse must accept the contact without resistance in the mouth or poll.

The walk is a gait in four-beat rhythm with eight phases (numbers in circles indicate the beat).

DR104 The Trot

1. The trot is a two-beat gait of alternate diagonal legs (left fore and right hind leg and vice versa) separated by a moment of suspension.
2. The trot should show free, active and regular steps.
3. The quality of the trot is judged by general impression, i.e. the regularity and elasticity of the steps, the cadence and impulsion in both collection and extension. This quality originates from a supple back and well-engaged hindquarters, and by the ability to maintain the same rhythm and natural balance with all variations of the trot.
4. The following trots are recognized: Working trot, Lengthening of Steps, Collected trot, Medium trot and Extended trot.
 - a. Working trot. This is a pace between the collected and the medium trot, in which a horse's training is not yet developed enough and ready for collected movements. The horse shows proper balance and, remaining "on the bit", goes forward with even, elastic steps and good hock action. The expression "good hock action" underlines the importance of an impulsion originating from the activity of the hindquarters.
 - b. Lengthening of stride. In some tests, "lengthening of stride" is required. This is a variation between the working and medium trot in which a horse's training is not developed enough for medium trot.
 - c. Collected trot. The horse, remaining "on the bit", moves forward with the neck raised and arched. The hocks, being well-engaged and flexed, must maintain an energetic impulsion, enabling the shoulders to move with greater mobility, thus demonstrating complete self-carriage. Although the horse's steps are shorter than in the other trots, elasticity and cadence are not lessened.
 - d. Medium trot. This is a pace of moderate lengthening compared to the extended trot, but "rounder" than the latter. Without hurrying, the horse goes forward with clearly lengthened steps and with impulsion from the hindquarters. The rider allows the horse to carry the head a little more in front of the vertical than at the collected and the working trot, and to lower the head and neck slightly. The steps should be even, and the whole movement balanced and unconstrained.
 - e. Extended trot. The horse covers as much ground as possible. Without hurrying, the steps are lengthened to the utmost as a result of great impulsion from the hindquarters. The rider allows the horse to lengthen the frame and to gain ground whilst controlling the poll, The fore feet should touch the ground on the spot towards which they are pointing. The movement of the fore and hind legs should reach equally forward in the moment of extension. The whole movement should be well-balanced and the transition to collected trot should be smoothly executed by taking more weight on the hindquarters.
5. All trot work is executed "sitting", unless otherwise indicated in the test.

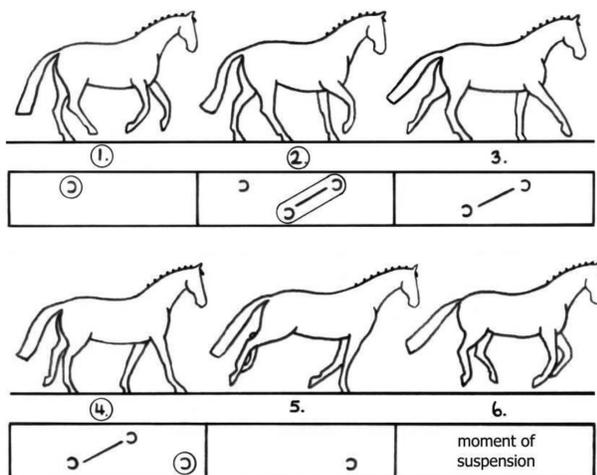

The trot is a gait in two-beat rhythm with four phases (Numbers in circles indicate the beat)

DR105 The Canter

1. The canter is a three-beat gait where, in canter to the right, for example, the footfall is as follows: left hind, left

diagonal (simultaneously left fore and right hind), right fore, followed by a moment of suspension with all four feet in the air before the next stride begins.

2. The canter, always with light, cadenced and regular strides, should be moved into without hesitation.
3. The quality of the canter is judged by the general impression, i.e. the regularity and lightness of the steps and the uphill tendency and cadence originating from the acceptance of the bridle with a supple poll and in the engagement of the hindquarters with an active hock action - and by the ability of maintaining the same rhythm and a natural balance, even after a transition from one canter to another. The horse should always remain straight on straight lines and correctly bent on curved lines.
4. The following canters are recognized: Working canter, lengthening of strides, Collected canter, Medium canter and Extended canter.
 - a. Working canter. This is a pace between the collected and the medium canter, in which a horse's training is not yet developed enough and ready for collected movements. The horse shows natural balance while remaining "on the bit", and goes forward with even, light and active strides and good hock action. The expression "good hock action" underlines the importance of an impulsion originating from the activity of the hindquarters.
 - b. Lengthening of strides. In some tests, "lengthening of strides" is required. This is a variation between the working and medium canter in which a horse's training is not developed enough for medium canter.
 - c. Collected canter. The horse, remaining "on the bit", moves forward with the neck raised and arched. The hocks, being well-engaged, maintain an energetic impulsion, enabling the shoulders to move with greater mobility thus demonstrating self carriage and an uphill tendency. The horse's strides are shorter than in the other canters, without losing elasticity and cadence.
 - d. Medium canter. This is a pace between the working and the extended canter. Without hurrying, the horse goes forward with clearly lengthened strides and impulsion from the hindquarters. The rider allows the horse to carry the head a little more in front of the vertical than in the collected and working canter, and at the same time allows the horse, to lower the head and neck slightly. The strides should be balanced and unconstrained.
 - e. Extended canter. The horse covers as much ground as possible. Without hurrying, the strides are lengthened to the utmost. The horse remains calm, light and straight as a result of great impulsion from the hindquarters. The rider allows the horse to lengthen the frame with a controlled poll and to gain ground. The whole movement should be well-balanced and the transition to collected canter should be smoothly executed by taking more weight on the hindquarters.
5. Counter-canter. The counter canter is a balancing and straightening movement that must be executed in collection. The horse canters in correct sequence with the outside foreleg leading with positioning to the side of the leading leg. The foreleg should be aligned to the same track as the hind leg.
6. Change of lead through the Trot. This is a change of lead where the horse is brought back into the trot and after a few trot strides, is restarted into a canter with the other leg leading.
7. Simple change of lead at the canter. This is a movement in which, after a direct transition out of the canter into a walk, with three to five clearly defined steps, an immediate transition is made into the other canter lead.
8. Flying change of lead. The flying change is performed in one stride with the front and hind legs changing at the same moment. The change of the leading front and hind leg takes place during the moment of suspension. The aids should be precise and unobtrusive. Flying changes of lead can also be executed in series at every 4th, 3rd, 2nd or at every stride. The horse, even in the series, remains light, calm and straight with lively impulsion, maintaining the same rhythm and balance throughout the series concerned. In order not to restrict or restrain the lightness, fluency and groundcover of the flying changes in series, enough impulsion must be maintained. Aims of flying changes: To show the reaction, sensitivity and obedience of the horse to the aids for the change of lead.

The canter is a gait in three-beat rhythm with six phases.

DR106 The Rein Back

1. Rein back is a rearward diagonal movement with a two-beat rhythm but without a moment of suspension. Each diagonal pair of legs is raised and returned to the ground alternatively, with the forelegs aligned on the same track as the hindlegs. A four-beat rein back that is not clearly two-beat and diagonal, if done without resistance, could also be scored marginal or better.
2. During the entire exercise, the horse should remain “on the bit”, maintaining its desire to move forward.
3. Anticipation or precipitation of the movement, resistance to or evasion of the contact, deviation of the hindquarters from the straight line, spreading or inactive hind legs and dragging forefeet are serious faults.
4. The steps are counted as each foreleg moves back. After completing the required number of steps backward, the horse should show a square halt or move forward in the required gait immediately. In tests where a rein back of one horse’s length is required, it should be executed with three or four steps.
5. Reinback series (Schaukel) is a combination of two rein backs with walk steps in between. It should be executed with fluent transitions and the required number of steps.

DR107 The Transitions

1. The changes of gait and pace should be clearly shown at the prescribed marker; they should be quickly made yet must be smooth and not abrupt. The **rhythm** of a gait or pace should be maintained up to the moment when the gait or pace is changed or the horse halts. The horse should remain light in hand, calm and maintain a correct position.
2. The same applies to transitions from one movement to another for instance from the passage to the piaffe and vice versa. *BOD 8/29/16 Effective 12/1/16*

DR108 The Half-Halt

The half-halt is a hardly visible, almost simultaneous, coordinated action of the seat, the legs and the hand of the rider, with the object of increasing the attention and balance of the horse before the execution of several movements or transitions between gaits or paces. In shifting slightly more weight onto the horse’s quarters, the engagement of the hind legs and the balance on the haunches are facilitated for the benefit of the lightness of the forehand and the horse’s balance as a whole.

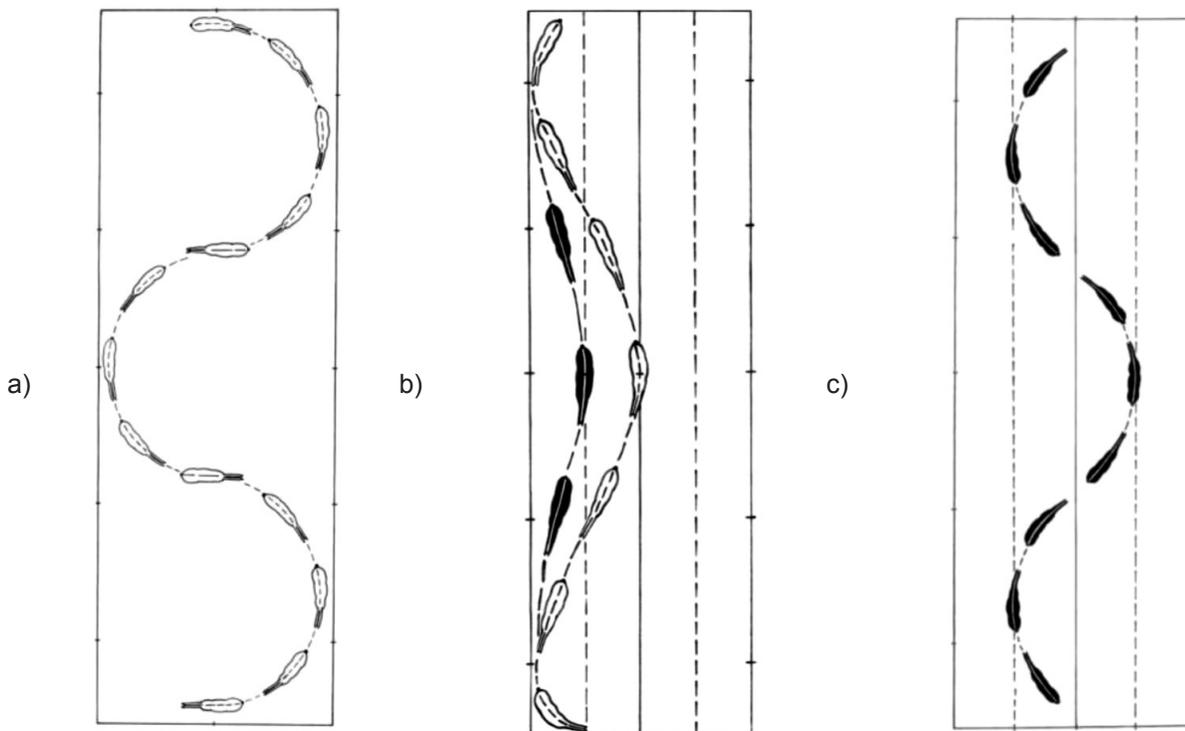

DR109 The Changes of Direction

1. At changes of direction, the horse should adjust the bend of his body to the curvature of the line it follows, remaining supple and following the indications of the rider, without any resistance or change of gait, rhythm or speed. Corners should be ridden as one-quarter of a volte appropriate to the level of the test (10 meters at Training-First Levels, 8 meters at Second-Fourth Levels and 6 meters above Fourth Level).
2. Changes of directions can be executed in the following ways:
 - a. Right-angled turn including riding through the corner (one quarter of a volte of approximately 6 meters).
 - b. Short and long diagonal.
 - c. Half voltes and half circles with change of rein.
 - d. Half pirouettes and turn on the haunches.
 - e. Serpentine loops.
 - f. Counter-changes of hand (in zig-zag).* The horse should be straight for a moment before changing direction.

* Zig-zag: A movement containing more than two half-passes with changes of direction.

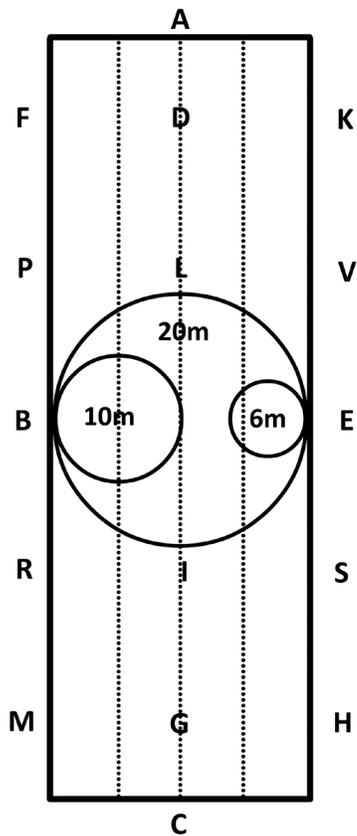

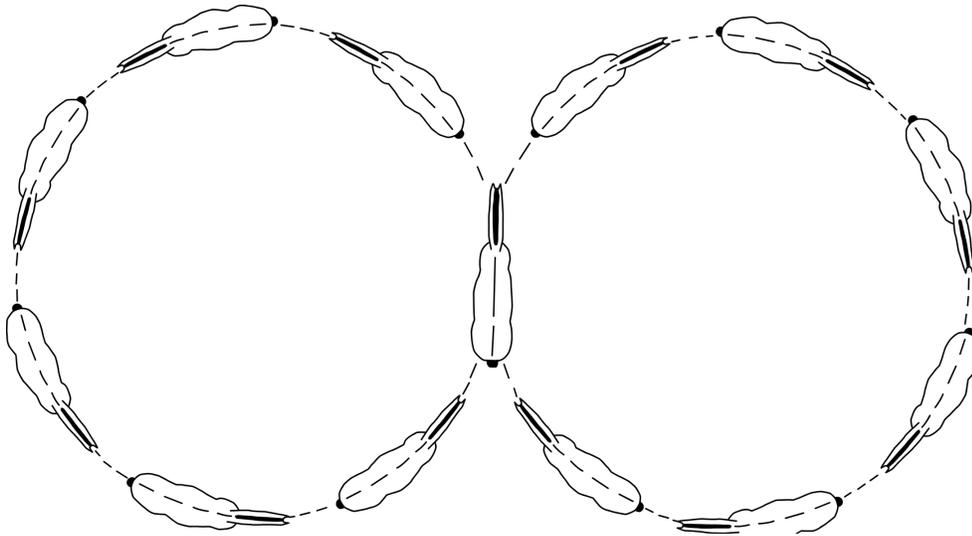

DR110 The Figures and The Exercises

1. The figures asked in dressage tests are the voltes, the serpentines and the figures of eight.
 - a. Volte. The volte is a circle of 6, 8 or 10 meters in diameter. If larger than 10 meters, it is a circle.
 - b. Serpentine. The serpentine with several loops touching the long side of the arena consists of half circles connected by a straight line. When crossing the centerline, the horse should be parallel to the short side (a). Depending on the size of the half circles, the straight connection varies in length. Serpentines with one loop on the long side of the arena are executed with 5-meter or 10-meter distance from the track (b). Serpentine around the centerline are executed between the quarter lines (c).

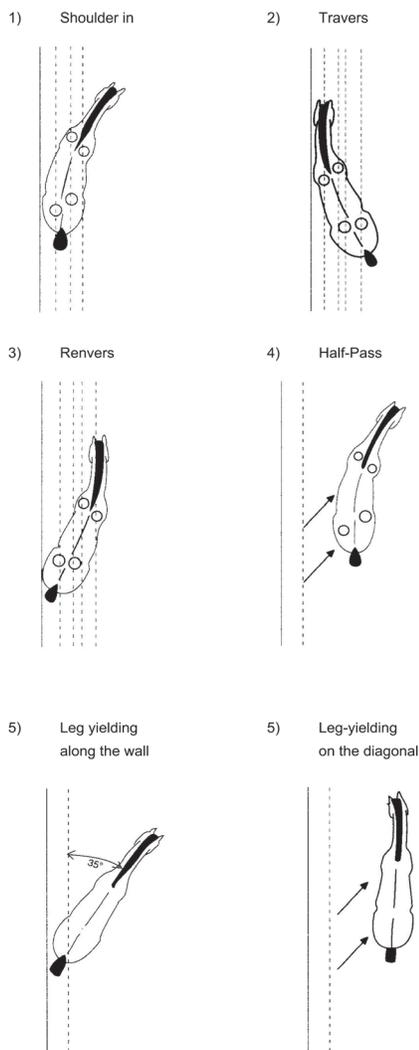

DR - DRESSAGE DIVISION

c. Figure of eight. This figure consists of two voltes or circles of equal size as prescribed in the test, joined at the center of the eight. The rider should make his horse straight an instant before changing direction at the center of the figure.

3. The exercises.

- a. **Stretching the Frame.** This exercise gives a clear impression of the “throughness” of the horse and proves its balance, suppleness, obedience and relaxation. In order to execute the exercise “stretching on a long rein” correctly, the athlete must lengthen the reins as the horse stretches gradually forward and downward. As the neck stretches forward and downward, the mouth should reach more or less to the horizontal line corresponding with the point of the shoulder or lower. An elastic and consistent contact with the athlete’s hands must be maintained. The gait must maintain its rhythm and tempo, and the horse should remain light in the shoulders with a swinging back and with the hindlegs well- engaged. During the retake of the reins the horse must accept the contact without resistance in the mouth or poll.
- b. **Überstreichen.** A clear release of contact where the horse maintains self-carriage, rhythm, tempo, straightness, and quality of gait.

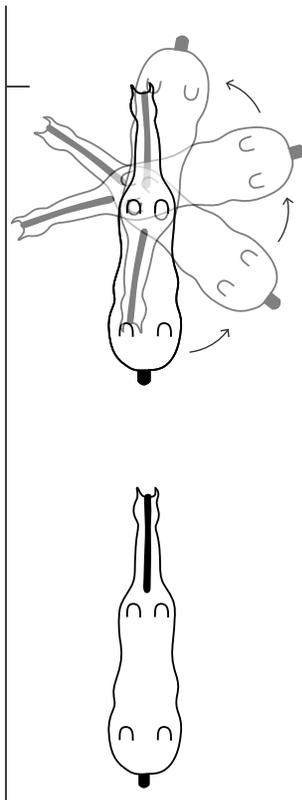

**DR111 Work on Two Tracks and The Lateral Movements**

1. A distinction must be made between the following movements: Leg yielding, Shoulder in, Travers, Renvers, Half pass.
2. Work on two tracks.
 - a. The aim of movements on two tracks is:
 1. To improve the obedience of the horse to the cooperative aids of the rider;
 2. To supple all parts of the horse thereby increasing the freedom of his shoulders and the suppleness of his

quarters as well as the elasticity of the bond connecting the mouth, the poll, the neck, the back and the haunches;

3. To improve the cadence and bring the balance and gaits into harmony;

- b. Leg-yielding. The horse is almost straight, except for a slight flexion at the poll away from the direction in which he moves, so that the rider is just able to see the eyebrow and nostril on the inside. The inside legs pass and cross in front of the outside legs. Leg-yielding should be included in the training of the horse before he is ready for collected work. Later on, together with the more advanced movement shoulder-in, it is the best means of making a horse supple, loose and unconstrained for the benefit of the freedom, elasticity and regularity of his gaits and the harmony, lightness and ease of his movements. Leg-yielding can be performed on the diagonal in which case the horse should be as close as possible parallel to the long sides of the arena although the forehand should be slightly in advance of the quarters. It can also be performed along the wall in which case the horse should be at an angle of about 35 degrees to the direction in which the horse is moving (see Fig. 5).
- c. Turn on the Forehand. The purpose of this exercise is to supple the horse and teach him obedience to the aids. In this exercise, the inside of the horse is the side from which the horse yields, i.e. the horse is flexed at the poll to the right, which is the inside, when the haunches move to the left. The horse moves around the inside front leg. The outside front foot steps forward and around the inside forefoot, which remains active in the sequence of footfalls. The hind feet move on a curved line, with the inside hind foot striking the ground in front of the outside hind foot.

3. The lateral movements.

- a. The additional aim of lateral movements is to develop and increase the engagement of the quarters and thereby also the collection.
- b. In all lateral movements - shoulder-in, travers, renvers, half-pass—the horse is slightly bent and moves with the forehand and the quarters on two different tracks (see Fig 1-4).
- c. The bend or flexion must never be exaggerated so that it impairs the balance and fluency of the movement

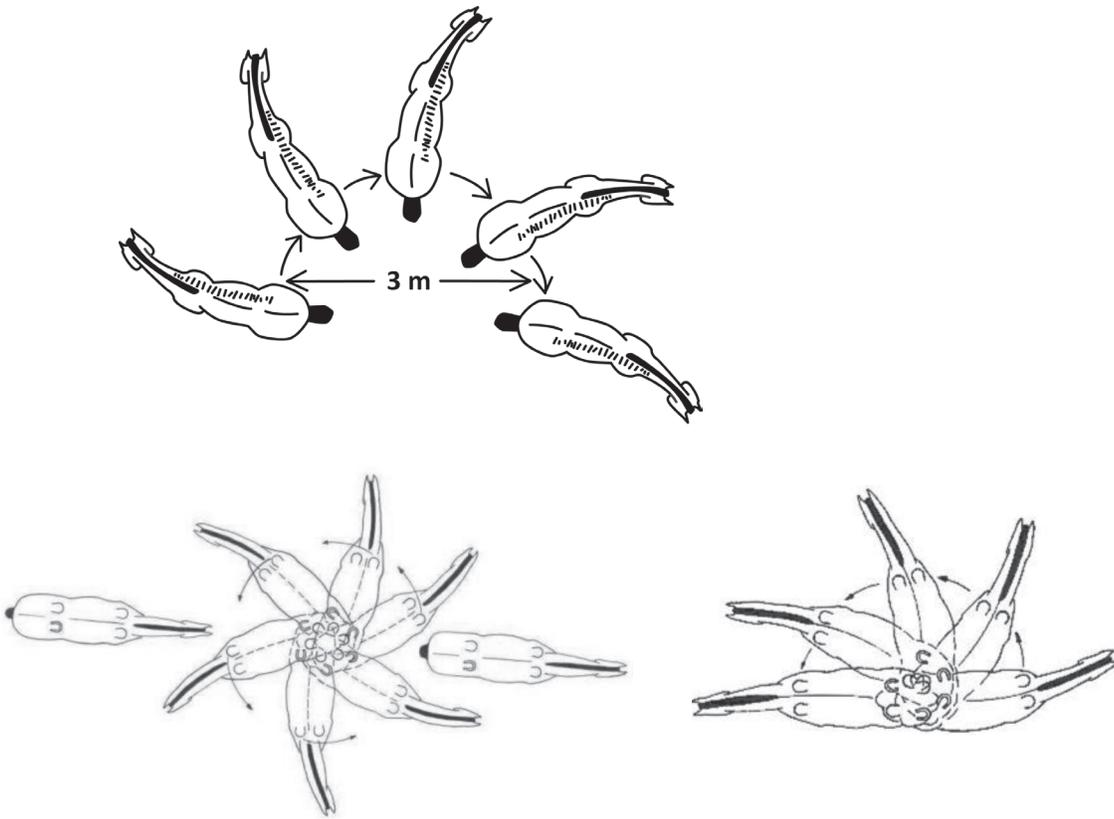

concerned.

- d. At the lateral movements the gait should remain free and regular, maintained by a constant impulsion, yet it must be supple, cadenced and balanced. The impulsion is often lost, because of the rider's preoccupation mainly in bending the horse and pushing him sideways.
- e. At all lateral movements the side to which the horse should be bent is the inside. The opposite side is the outside.
- f. Shoulder-in. This exercise is performed in collected trot. The horse is ridden with a slight but uniform bend around the inside leg of the rider maintaining cadence at a constant angle of approx. 30 degrees. The horse's inside foreleg passes and crosses in front of the outside foreleg; the inside hind leg steps forward under the horse's body weight following the same track of the outside foreleg, with the lowering of the inside hip. The horse is bent away from the direction in which it is moving. (see Fig. 1). If the shoulder-in is performed on the long side or on the center line, the horse should be straightened after the shoulder-in, before going into the corner. If the movement that follows the shoulder-in is a circle at any point, or a turn left or right at any point other than the four corners, the horse should not be straightened.
- g. Travers. This exercise is performed in collected trot. The forehand remains on the track with the head looking straight along the track. The haunches are moved to the inside, with the horse slightly bent toward the direction of movement, so that from the front or behind one sees four tracks. The degree of bend is greater than that of shoulder-in and a constant angle of approximately 35 degrees should be shown. The horse's outside hind leg passes and crosses in front of the inside hind leg. The outside foreleg is placed in front of the inside foreleg. To start the travers, the haunches must leave the track or, after a corner or circle, are not brought back onto the track. At the end of the travers, the quarters are brought back onto the track as in finishing a circle.(see Fig. 2).
- h. Renvers. This is the inverse movement in relation to travers. The hindquarters remain on the track while the forehand is moved inward. To finish the renvers the forehand is aligned with the quarters on the track. Otherwise, the same principles and conditions that apply to the travers are applicable to the renvers. The horse is slightly bent around the inside leg of the rider. The horse's outside legs pass and cross in front of the inside legs. The horse is bent in the direction in which it is moving. Aims of renvers: To show a fluent collected trot movement on a straight line with a greater degree of bend than in shoulder-in. Fore and hind legs cross, balance and cadence are maintained.
- i. Half-pass. This movement is a variation of travers, executed on a diagonal line instead of along the wall. It can be performed in collected trot (and in passage in a freestyle) or collected canter. The horse should be slightly bent around the inside leg of the rider and in the direction in which it is moving. The horse should maintain the same cadence and balance throughout the whole movement. In order to give more freedom and mobility to the shoulders, it is of great importance that the impulsion be maintained, especially the engagement of the inside hind leg. The horse's body is nearly parallel to the long side of the arena with the forehand slightly in advance of the hindquarters. The bend in the half-pass should increase with the steepness of the diagonal. In the trot, the outside legs pass and cross in front of the inside legs. In the canter, the movement is performed in a series of forward/sideways strides. Aims of half-pass in trot: To show a fluent collected trot movement on a diagonal line with a greater degree of bend than in shoulder-in. Fore and hind legs cross, balance and cadence are maintained. Aims of the half-pass in canter: To both demonstrate and develop the collection and suppleness of the canter by moving fluently forwards and sideways without any loss of rhythm, balance or softness and submission to the bend.

DR112 The Pirouette, The Half-pirouette, The Quarter-pirouette, The Working Pirouette, The Working Half-pirouette, The Turn on the Haunches

1. The pirouette (half-pirouette) is a circle (half-circle) executed on two tracks with a radius equal to the length of the horse, the forehand moving round the haunches.
2. Pirouettes (half-pirouettes) are usually carried out at collected walk or canter but can also be executed at Piaffe.
3. At the pirouette (half-pirouette) the forefeet and the outside hind foot move round the inside hind foot which forms the pivot and should return to the same spot, or slightly in front of it, each time it leaves the ground.
4. At whatever gait the pirouette (half-pirouette) is executed the horse, slightly bent in the direction in which he is turning should remain on the bit with light contact, turn smoothly and maintain the appropriate sequence and timing of footfalls of that gait. The poll stays the highest point during the entire movement.
5. During the pirouettes (half-pirouettes) the horse should not move backwards or deviate sideways. In the pirouette or half-pirouette in canter, the judges should be able to recognize a real canter stride although the footfalls of the diagonal - inside hind leg, outside front leg - do not occur simultaneously.
6. In executing the pirouette or the half-pirouette in canter the rider should maintain perfect lightness of the horse while accentuating the collection. The quarters are well-engaged and lowered and show a good flexion of the joints. An integral part of the movement is the canter strides before and after the pirouette. These should be characterized by an increased activity and collection before the pirouette and, the movement having been completed, by the balance being maintained as the horse proceeds.
7. The quality of the pirouettes (half-pirouettes) is judged according to the suppleness, lightness, cadence and regularity and to the precision and smoothness of the transitions; pirouettes (half-pirouettes) at canter are judged also according to the balance, the elevation and the number of strides (at pirouettes 6-8, at half-pirouettes 3-4 are desirable). When the turn is too large and the hind steps come off the prescribed line of travel, the correction is to take a straight line back to the track. Correction by use of half-pass or leg-yielding may result in a deduction of points. (See DR112.5)
8. The Quarter-pirouette. As a preparatory exercise, the quarter-pirouette is usually executed on the track at a given letter, the horse being highly collected for 1 or 2 strides before and then through the execution of a 90 degree turn around the haunches in 2-3 strides, maintaining a correct canter footfall.
9. The Working Pirouette and Working Half-Pirouette. The pirouette (half-pirouette) is a turn of 360 degrees (180 degrees) executed on two tracks, with the forehand moving around the haunches. The size of the working pirouette should be approximately three meters. The requirements for a working half-pirouette are identical to those of a regular half-pirouette, except that the allowable diameter is increased to approximately three meters. A working half-pirouette is to be judged like a regular half-pirouette except that full credit must be given for a well-performed, but larger (three meter) half-pirouette. Full credit should also be given for a well-performed

regular-sized half-pirouette. A significant deduction should be made if a rider attempts but performs poorly a regular half-pirouette.

Pirouette and half-pirouette in canter

Half-pirouette in walk

10. The Turn on the Haunches. For younger horses that are still not able to show collected walk, the 'turn on the haunches' is an exercise to prepare the horse for collection. The 'turn on the haunches' is executed out of medium walk prepared by half-halts to shorten the steps a little and to improve the ability to bend the joints of the hindquarters. The 'turn on the haunches' can be executed on a larger diameter (approximately one meter) than the pirouette in walk, but the demands of the training scale concerning rhythm, contact, activity and straightness are the same. A turn on the haunches is to be judged like a regular half pirouette except that full credit must be given for a well performed, but larger (one meter) turn on the haunches. Full credit should also be given for a well performed regular sized half pirouette. A significant deduction should be made if a rider attempts but performs poorly a regular half pirouette.

DR113 The Passage

1. This is a measured, very collected, very elevated and very cadenced trot. It is characterized by a pronounced engagement of the quarters, a more accentuated flexion of the knees and hocks and the graceful elasticity of the movement. Each diagonal pair of feet is raised and returned to the ground alternately with cadence and has a prolonged phase of support compared to the phase of suspension.
2. In principle the height of the toe of the raised foreleg should be level with the middle of the cannon bone of the other foreleg. The toe of the raised hind leg should be slightly above the fetlock joint of the other hind leg.
3. The neck should be raised and gracefully arched with the poll as the highest point and the head close to the vertical. The horse should remain light and soft on the bit and be able to go smoothly from the passage to the piaffe and vice-versa without apparent effort and without altering the cadence, the impulsion being always lively and

pronounced.

4. Irregular steps with the hind legs, swinging the forehand or the quarters from one side to the other, as well as jerky movements of the forelegs or the hind legs or dragging the hind legs are serious faults.

DR114 The Piaffe

1. The piaffe is a highly collected, cadenced, elevated diagonal movement giving the impression of being in place. The horse's back is supple and elastic. The quarters are slightly lowered, the haunches with active hocks are well engaged giving great freedom, lightness and mobility to the shoulders and forehand. Each diagonal pair of feet is raised and returned to the ground alternately, with an even cadence.
2. In principle the height of the toe of the raised foreleg should be level with the middle of the cannon bone of the other foreleg. The toe of the raised hind leg should reach just above the fetlock joint of the other hind leg.
3. The neck should be raised and arched, the head vertical. The horse should remain light on the bit with a supple poll maintaining a light and soft contact on a taut rein. The body of the horse should move up and down in a supple, cadenced and harmonious movement.
4. The piaffe must always be animated by a lively impulsion and characterized by a perfect balance. While giving the impression of being in place there may be a visible inclination to advance, this being displayed by the horse's eager acceptance to move forward as soon as he is asked. The horse is permitted to advance up to one meter forward in the Intermediaire II test.
5. Moving even slightly backwards, irregular or jerky steps with the hind or front legs, no clear diagonal steps, crossing either the fore or hind legs, or swinging either the forehand or the hindquarters from one side to the other, getting wide behind or in front, moving too much forward or double-beat rhythm are all serious faults.

DR115 The Collection

1. The aim of the collection of the horse is:
 - a. To further develop and improve the balance and equilibrium of the horse which has been more or less displaced by the additional weight of the rider.
 - b. To develop and increase the horse's ability to lower and engage his quarters for the benefit of the lightness and mobility of his forehand.
 - c. To add to the "ease and carriage" of the horse and to make him more pleasurable to ride.
2. The best means to obtain these aims are the lateral movements, travers, renvers and, last but not least, shoulder-in (DR111.3-3.h) as well as half-halts (DR108).
3. Collection is, in other words, improved and effected by engaging the hind legs with the joints bent and supple, forward under the horse's body by a temporary but often repeated action of the seat and legs of the rider driving the horse forward towards a more or less stationary or restraining hand allowing just enough impulsion to pass through. Collection is consequently not achieved by shortening of the gait through a resisting action of the hand but instead by using the seat and legs to engage the hind legs further under the horse's body.
4. However, the hind legs should not be engaged too far forward under the horse as this would shorten the base of support too much and thereby impede the movement. In such a case, the line of the back would be lengthened and raised in relation to the supporting base of the legs, the stability would be deranged and the horse would have difficulty in finding a harmonious and correct balance.
5. On the other hand, a horse with a too long base of support unable or unwilling to engage his hind legs forward under his body will never achieve an acceptable collection characterized by ease and carriage as well as a lively impulsion, originated in the activity of the quarters.
6. The position of the head and neck of a horse at the collected gaits is naturally dependent on the stage of training and in some degree on his conformation. It should, however, be distinguished by the neck being raised

unrestrained forming a harmonious curve from the withers to the poll being the highest point with the head slightly in front of the vertical. However, at the moment the rider applies his aids in order to obtain a momentary and passing collecting effect the head may become more or less vertical (compare DR101.6, DR102 and DR108).

DR116 The Impulsion, The Submission (Willing Cooperation)

1. Impulsion is the term used to describe the transmission of an eager and energetic, yet controlled, propulsive energy generated from the hind quarters into the athletic movement of the horse. Its ultimate expression can be shown only through the horse's soft and swinging back guided by elastic contact with the rider's hand.
 - a. Speed, of itself, has little to do with impulsion; the result is more often a flattening of the gaits. A visible characteristic is a more pronounced articulation of the hind leg, in a continuous rather than staccato action. The hock, as the hind foot leaves the ground, should first move forward rather than being pulled upwards, but certainly not backwards. A prime ingredient of impulsion is the time the horse spends in the air rather than on the ground. Impulsion is, therefore, seen only in those gaits that have a period of suspension.
 - b. Impulsion is a precondition for a good collection in trot and canter. If there is no impulsion, then there is nothing to collect.
2. The Submission (Willing Cooperation) does not mean subordination, but an obedience revealing its presence by a constant attention, willingness and confidence in the whole behavior of the horse as well as by the harmony, lightness and ease it is displaying in the execution of the different movements. The degree of the submission (Willing Cooperation) is also demonstrated by the way the horse accepts the bit, with an elastic contact and a supple poll. Resistance to or evasion of the rider's hand, being either "above the bit" or "behind the bit" demonstrate lack of submission (Willing Cooperation). The main contact with the horse's mouth must be through the snaffle bit.
 - a. Putting out the tongue, keeping it above the bit or drawing it up altogether, as well as grinding the teeth or agitation of the tail, are mostly signs of nervousness, tension or resistance on the part of the horse and must be taken into account by the judges in their marks for every movement concerned, as well as in the collective mark for "submission (Willing Cooperation)".
 - b. Submission (Willing Cooperation) requires that the horse understands what is being asked of it and is confident enough in the rider to react to the aids without fear or tension.
 - c. The horse's straightness, uphill tendency and balance enable it to stay in front of the rider's legs and go forward into an accepting and self-carrying contact with the bit. This is what really produces the picture of harmony and lightness. Fulfillment of the main requirements/movements of a Dressage test is the primary criterion for submission (Willing Cooperation).

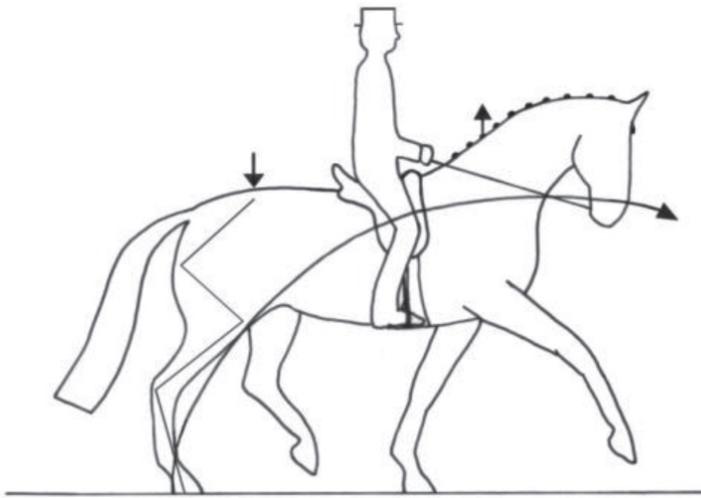

DR117 The Position and Aids of the Rider

1. All the movements should be obtained with imperceptible aids and without apparent effort of the rider. The rider should be well-balanced, elastic, sitting deep in the center of the saddle, smoothly absorbing the movement of the horse with his loins and hips, supple thighs with the legs steady and stretched well down. The heels should be the lowest point. The upper part of the body should be tall and supple. The contact should be independent from the rider's seat. The hands should be carried steadily close together, with the thumb as the highest point and a straight line from the supple elbow through the hand to the horse's mouth. The elbows should be close to the body. All of these criteria enable the rider to follow the movements of the horse smoothly and freely.
2. Not only the aids of the hands and the legs but also of the seat are of great importance in dressage. Only the rider who understands how to contract and relax his loin muscles at the right moment is able to influence his horse correctly (compare DR102.2, DR108 and DR115.3).
3. The effectiveness of the rider's aids determines the precise fulfillment of the required movements of the tests.

DR - DRESSAGE DIVISION

There shall always be the impression of a harmonious cooperation between horse and rider.

4. Riding with both hands is obligatory at all national and International Dressage Events. However, riding with one hand is permitted in the Freestyle Tests and when leaving the arena. Individuals holding a Federation Dispensation Certificate may use bridged or special adaptive reins for use with one or no hand(s), if their physical limitations require such and the equipment is listed on the Dispensation Certificate.
5. Unless indicated on a Federation Dispensation Certificate, International Para-Equestrian Classification Card (FEI PE Card), USEF Para-Equestrian Classification Card, or Presidential Modification letter, the use of stirrups is required.
6. The use of the voice in any way whatsoever or clicking the tongue once or repeatedly is a serious fault involving the deduction of at least 2 marks from those that would otherwise have been awarded for the movement where this occurred.
7. When rising trot is permitted in a test or class, the rider should change the diagonal when changing directions, except during a lengthening. The correct diagonal is considered to be when the rider is sitting when the outside front foot and inside hind foot are on the ground. In general, rising on the outside diagonal correctly influences the horse's balance in movements other than straight lines. A change of direction in rising trot implies a change of diagonal, but it is up to the rider to determine where that change should occur. If no change is made, there is no error and no deduction is made unless the balance of the horse is adversely affected, as it might be, for example, in a turn, circle or leg yield. In that case, the movement is judged accordingly and the collective marks for "Submission (Willing Cooperation)" and "Effective Use of the Aids" could be negatively impacted.

DR118 Tests for Dressage Competitions

1. The Federation approves and issues tests for use at licensed dressage competitions in the United States. The FEI is responsible for issuing tests for international competitions. The United States Dressage Federation also issues tests which may be used at licensed dressage competitions. Tests cannot be modified or simplified without the approval of the Federation Dressage Committee, the Bureau of the FEI, or the USDF, respectively.
2. Objectives, purpose, and standards of Federation levels of competition.

TRAINING LEVEL. To confirm that the horse demonstrates correct basics, is supple and moves freely forward in a clear rhythm with a steady tempo, accepting contact with the bit.

FIRST LEVEL. To confirm that the horse demonstrates correct basics, and in addition to the requirements of Training Level, has developed the thrust to achieve improved balance and throughness and maintains a more consistent contact with the bit.

SECOND LEVEL. To confirm that the horse demonstrates correct basics, and having achieved the thrust required in

First Level, now accepts more weight on the hindquarters (collection); moves with an uphill tendency, especially in the medium gaits; and is reliably on the bit. A greater degree of straightness, bending, suppleness, throughness, balance and self-carriage is required than at First Level.

THIRD LEVEL. To confirm that the horse demonstrates correct basics, and having begun to develop an uphill balance at Second Level, now demonstrates increased engagement, especially in the extended gaits. Transitions between collected, medium and extended gaits should be well defined and performed with engagement. The horse should be reliably on the bit and show a greater degree of straightness, bending, suppleness, throughness, balance and self carriage than at Second Level.

FOURTH LEVEL. To confirm that the horse demonstrates correct basics, and has developed sufficient suppleness, impulsion and throughness to perform the Fourth Level tests which have a medium degree of difficulty. The horse remains reliably on the bit, showing a clear uphill balance and lightness as a result of improved engagement and collection. The movements are performed with greater straightness, energy and cadence than at Third Level.

3. Objectives of the FEI levels of competition. (These tests are used worldwide.)

PRIX ST. GEORGES. Test of medium standard. This test represents the medium stage of training. It comprises exercises to show the horse's Submission (Willing Cooperation) to all the demands of the execution of classical equitation and a standard of physical and mental balance and development, which will enable him to carry them out with harmony, lightness and ease.

INTERMEDIATE I. Test of relatively advanced standard. The object of this test is to lead horses on, progressively and without harm to their organism, from the correct execution of Prix St. Georges to the more demanding exercises of Intermediate A and B.

INTERMEDIATE A AND B. Tests of advanced standard referred to by the FEI as the "Medium Tour". The purpose of these tests is to make the step from the small tour (Prix St. Georges and Intermediate I) to big tour (Grand Prix tests) easier; to assist the progressive development of horses to Grand Prix; and, to emphasize correct training and execution of the piaffe in preparation for the Grand Prix.

INTERMEDIATE II. Test of advanced standard. The object of this test is to prepare the horses for the Grand Prix.

GRAND PRIX. Test of the highest standard. The Grand Prix is a competition of the highest level, which brings out the horse's perfect lightness, characterized by the total absence of resistance and the complete development of collection and impulsion, and includes all the school paces and all the fundamental movements.

GRAND PRIX SPECIAL. Test of the same standard as Grand Prix. This is a competition of the same level as Grand Prix where especially the transitions are a matter of great importance.

THE FREESTYLE TEST. This is a competition of artistic equitation to music. It includes all the required movements and gaits of the standard tests of the same level. The competitor is, however, absolutely free in the form and manner of the presentation he chooses within a fixed time. The test should clearly show the unity between rider and horse as well as harmony in all the movements and transitions.

4. Purpose of Federation Dressage Rider Tests:

TRAINING LEVEL RIDER TEST: To confirm that the rider sits in the correct posture and alignment and shows correct mechanics in walk, rising trot and canter. The seat is sufficiently independent for the rider to maintain a steady, elastic rein contact and encourage the horse to stretch into that contact. The horse is ridden actively forward showing impulsion and balance required for the level, bends equally to the left and right sides on turns and circles, and makes smooth, willing transitions.

FIRST LEVEL RIDER TEST: To confirm that the rider, in addition to the requirements of training level, shows correct alignment, posture and mechanics in sitting trot, including maintaining a steady, elastic rein contact. In turns on forehand and leg yields the rider remains centered and the horse responds willingly to the aids. The transitions are ridden in a better balance and with more throughness than at training level. In response to the correct application of the rider's aids, the horse moves actively forward showing a consistent tempo and correct rhythm in each gait,

DR - DRESSAGE DIVISION

shows appropriate bending, lengthens and shortens the stride in trot and responds willingly to both longitudinal and lateral aids.

SECOND LEVEL RIDER TEST: To confirm that the rider, having achieved the requirements of first level, is able to ride the horse reliably on the bit with an uphill tendency. The rider lengthens and shortens the horse's stride in trot and canter while maintaining correct alignment, posture and mechanics. In lateral movements the rider stays centered and demonstrates an appropriate angle and bending of the horse. As a result of the correct application of the rider's aids, the horse shows a greater degree of straightness, bending, suppleness, throughness, balance and self-carriage than at first level.

5. In addition to Federation, FEI and USDF tests, Dressage competitions may use other tests but these must be included in the prize list sent to all exhibitors. Eventing Dressage tests may be offered if clearly indicated in the prize list. All dressage classes (including Academy, Eventing or any other Dressage classes), whether or not the tests are issued by the Federation, FEI, or USDF, must be conducted under Federation or FEI (if applicable) rules, and are Federation recognized classes. Only dressage tests or classes requiring any of the three gaits defined by the FEI as walk, trot and canter may be ridden in Federation licensed Dressage competitions.
6. Tests for Para Equestrians may be ridden only in classes, including Test of Choice classes, that are limited to Para Equestrians. Young Horse tests may be ridden only in classes, including Test of Choice classes, that are limited to Young Horses. Freestyle tests may be ridden only in classes, including Test of Choice classes, that are limited to Freestyles. Rider tests may be ridden only in classes, including Test of Choice classes, that are limited to Rider tests. Quadrille and Pas de Deux classes cannot be ridden in Freestyle Test of Choice classes. Quadrilles and Pas de Deux rides may be ridden only in classes, including Test of Choice classes that are limited to Quadrilles and Pas de Deux rides.
7. Except for a Prix Caprilli Dressage test, Dressage Competitions cannot hold classes or tests that include jumping.

DR119 Participation in Dressage Competitions

1. Dressage classes are open to riders on horses, mules and/or ponies of any origin, except that ponies or mules may not be ridden in USEF High Performance Championships, USEF High Performance qualifying and selection trials. Mules and/or ponies are also ineligible to compete in (1) any other classes designated as qualifying or selection classes for international or international high performance competition (except championships for FEI Pony Riders), and (2) championships where such participation is prohibited in the championship selection procedures. Dressage Competitions and classes may be limited to ponies of any breed or origin. However, Dressage Competitions and open dressage divisions of other Federation licensed competitions may not offer breed-restricted tests or classes. In the Dressage Division, a horse is an animal over 148 cm without shoes, and 149 cm with shoes. A pony is an animal that does not exceed 148 cm without shoes, and 149 cm with shoes. Unless otherwise noted, the term "horse" in these rules denotes either a horse or pony. (see DR134). Stallions are permitted in all classes except Dressage Seat Equitation classes (see DR132.1k). Mares may not compete after their eighth month of pregnancy or within three months after foaling. Horses showing evidence of broken wind or complete loss of sight in either or both eyes are permitted to compete. Horses with complete loss of sight in both eyes may only participate in classes in which they are shown individually. No horse may be ridden more than once in any Dressage class (including separate divisions or sections of the same class). No horse may compete in any under saddle class if it is under thirty-six months of age (of foaling date) at the time of competition. Horses competing at the Grand Prix Level must be at least **eight (8)** years of age and horses competing above Fourth Level must be at least **seven (7)** years of age; the horse's age is to be counted from January 1 of the year of birth to January 1 of the current competition year. **BOD 1/16/16 Effective 12/1/16**

Hors de Concours entries are not permitted in Federation/USDF Championship classes.
6. Definitions of USEF High Performance Program and USEF Developing Dressage Program:
 - a. **USEF HIGH PERFORMANCE DRESSAGE PROGRAM:** The purpose of this classification is to develop and implement the USOC Strategic High Performance Plan (HPP) with the goal of selecting athletes and/or teams and maximizing the performance of these athletes and/or teams at Olympic, Pan American and World Championship competition and other designated international events. The USEF High Performance (HP) Dressage Program includes the USEF National High Performance Dressage Championships at the Intermediaire I and Grand Prix Levels, as well as qualifying and selection trials for those events.
 - b. **USEF DEVELOPING DRESSAGE PROGRAM:** The purpose of this classification is to identify and recognize developing athlete and equine talent for the discipline of dressage. The USEF Developing Dressage Program includes the USEF National Junior Dressage Championship, USEF National Young Rider Dressage Championship, USEF National Young Adult Dressage Championship, USEF National Developing Horse Dressage

Championship, and USEF Young Horse Dressage Program. These Championships and classes designated as qualifying for these Championships are not considered High Performance and therefore are not subject to rules applicable to High Performance classes unless otherwise specifically stated in the qualifying or selection procedures for these Championships.

7. A Dressage competition manager or secretary may not serve as judge or compete at his or her own competition. However, he or she may ride Hors de Concours if he or she designates an assistant in charge while he or she is riding. This does not absolve the manager's or secretary's duties and responsibilities. A judge may not be an owner of any competing horse, except that horses may be shown Hors de Concours in classes where the owner is not officiating (see GR1304.17 and GR1033).
8. FEI Young Rider Tests are open only to Young Riders. FEI Junior Tests are open only to Juniors from the beginning of the calendar year in which they reach the age of 14 until the end of the calendar year in which they reach the age of 18. 11. Riders with a diagnosed permanent disability who require the use of compensatory aids or adaptive equipment must hold a Federation Dispensation Certificate indicating their International (FEI) or their National (USEF) classification status. A copy of an athlete's Dispensation Certificate listing all of his or her allowed compensating aids and adaptive equipment must be included with the rider's entry, with a copy then attached to each of their Dressage sheets for the Judge's reference. A copy must remain with the entry records for review by the Technical Delegate.

leather-like material. The dress code for the FEI Junior Tests, FEI Dressage Tests for 4, 5, and 6-year-old horses and the USEF test for 4-year old horses is a short riding coat of conservative color, with stock or tie, breeches, and protective headgear as defined in DR120.6 and in compliance with GR801. A dark tailcoat is also permitted for the FEI Junior Tests. The dress code for FEI Pony Riders and FEI Tests for Children is dark coat or club uniform coat, breeches or jodhpurs, white shirt with tie or hunting stock, gloves, boots and protective headgear as defined in DR120.6 and in compliance with GR801. Spurs are optional for all of the FEI Tests for Children, FEI Pony and Junior Tests, FEI Dressage Tests for 4, 5, and 6-year-old horses and the USEF test for 4-year old horses. (See DR120.10) *BOD 11/7/16 Effective 12/1/16*

2. For all tests above Fourth Level, the dress code is: a dark tailcoat or a dark jacket with protective headgear, as defined in DR120.6 and in compliance with GR801, and white or light colored breeches, stock or tie or integrated stand-up collar, gloves, and black riding boots. Spurs are mandatory for FEI tests (except as noted above under DR120.1). (See DR120.8)
3. At all test levels, riders may wear jackets in other colors within the international HSV color scale, as described in FEI Dressage Regulations, Art. 427.1. Contrast coloring and piping is allowed. Protective headgear, stocks, ties, gloves and riding boots may be the same color as the coat. For Grand Prix Freestyle only: any single color tailcoat will be allowed; striped or multi-colored coats are not permitted, and tasteful and discreet accents, such as a collar of a different hue or modest piping or crystal decorations, are acceptable.
4. Current and retired members of the Armed Services and police units may ride in the uniform of their service. All riders who choose to wear Armed Services or police uniform, must wear protective headgear as defined in DR120.6 and in compliance with GR801.
5. Riders in classes and tests at all levels in Level 1 Competitions, and riders in Opportunity classes in Level 2 and Level 3 Competitions, may compete wearing breeches and shirts of any color as permitted in DR120.8. Jackets or vests of any type are allowed but not required and neckwear may be worn only if the rider chooses to compete in a riding jacket. Boots and protective headgear are required as specified in DR120.1-6.
6. From the time horses are officially admitted to the competition grounds by competition management, anyone mounted on a horse at any time on the competition grounds, including non-competing riders, riders on non-competing horses, mounted participants in exhibition classes and those competing in all classes and tests, including Para-Equestrian tests, must wear protective headgear as defined by this rule and otherwise in compliance with GR801. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The harness must be secured and properly fitted. Unless jackets are waived, while in the competition ring, exhibitors wearing protective headgear must wear a short, dark jacket, dark tailcoat (only permitted for tests above Fourth Level), or Armed Services or police uniform (if eligible), dark hatcovers (where applicable) and must otherwise conform to DR120 (see GR801).
7. One whip no longer than 47.2 inches (120 cm), including lash may be carried in all classes except, **under penalty of elimination**, USEF/USDF Championships, USEF National Dressage Championships, USEF High Performance Championships, USEF High Performance qualifying and selection trials. (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) One whip no longer than 47.2 inches (120 cm), including lash may be carried in all qualifying classes (including NAYRC and NAJC) unless such use is otherwise prohibited by FEI or Federation rules or selection procedures for the classes. However, when a whip is permitted for FEI Pony Tests, the maximum length is 100 cm (1 meter). An adjustable-length whip may not be carried by a mounted rider. *BOD 8/29/16 Effective 12/1/16*
8. In locations with high average heat and humidity on the date of a competition, management can publish in their prize list that jackets will be waived for the duration of the competition. Alternatively, management can announce

prior to or during a competition that competitors can show without jackets when extreme heat and/or humidity is forecast. This waiver applies to all classes including FEI classes at National Competitions. However, competitors must wear protective headgear and a shirt with sleeves and collar, without neckwear, and without decoration except as described under .15 below. T-shirts are not permitted. Members of the Armed Services or police units may wear summer uniforms.

9. Competitors will be allowed to wear a hat cover and a transparent or conservative color rain coat in inclement weather.
10. Spurs must be made of metal. Only English-style spurs are permitted, as described below. The shank must be either curved or straight pointing directly back from the center of the spur when on the rider's boot. If the shank is curved, the spurs must be worn only with the shank directed downwards. However, swan necked spurs are allowed.

The inside arm of the spur must be smooth and one or both arms may have rubber covers. If rowels are used, they must be blunt/smooth and free to rotate. Only blunt/smooth rowels are permitted in USEF High Performance Championships, USEF High Performance qualifying and selection trials. Metal spurs with round hard plastic knobs on the shank are allowed ("Impuls" spur). "Dummy" spurs with no shank are also allowed. Only blunt metal spurs (i.e., with no rowels), no longer than 3.5 cm are permitted for FEI Pony Rider tests and FEI Tests for children. The maximum length for spurs used in other classes and tests is 5.08 cm (2 inches) including rowels. This restriction also applies to warm-up and training areas, as well as during competition. Offset spurs without rowels are permitted for riders having an appropriate Dispensation Certificate. Except for USEF High Performance qualifying and selection trials, the length of the spur is measured from the base to the end of the shank. For USEF High Performance qualifying and selection trials, spur length is measured from the boot to the tip of the spur. *BOD 8/29/16 Effective 12/1/16*

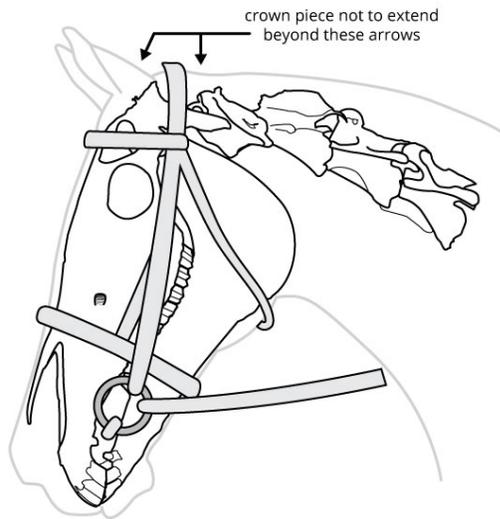

11. Riders in USDF Pas de Deux and Quadrille classes are exempt from the dress code requirements of DR120.1-4, except that headgear and boots as required in DR120.1-4 must be worn. Riders must follow the dress requirements outlined in the USDF Rules and Guidelines for Quadrille Competitions and for Pas de Deux.
12. Individuals holding Federation Dispensation Certificates may be allowed exceptions, i.e.; gloves not required if unable to wear them, half-chaps and black or brown riding shoes with heels. If dispensation for modified shoes or boots is given, safety stirrups are required. Riders may also be given dispensation for modified gloves, hand weights and arm belts. All exceptions to required dress must be listed on the rider's Dispensation Certificate.
13. When the only warm-up available is open to all horses and riders, riders with safety concerns are encouraged to wear an orange vest.
14. Cooling vests may be worn underneath a riding jacket. If coats are waived, a solid-colored cooling or lightweight vest may be worn over a riding shirt as specified in DR120.8.
15. When sponsorship is permitted in accordance with GR1306, the name and/or logo of the individual's sponsor(s) may appear on each of the two sides of jackets or top garments at the height of breast pockets not exceeded 80 cm² in size. Logos described under DR121.1 are also permitted as above. The name and/or logo of an individual's

sponsor may also appear on the rider's protective headgear if permitted in accordance with GR1306 and DR121.1. 16. Earphones and/or other electronic communication devices are strictly prohibited while competing and such usage is penalized by elimination. Earphones or similar devices are permitted during training and warm-up.

DR121 Saddlery and Equipment

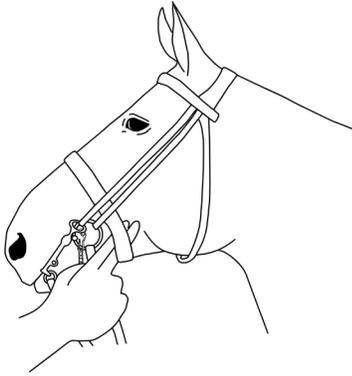

1. An English type saddle with **flaps and** stirrups is compulsory for all tests and classes other than FEI tests. Stirrups must have closed branches. An English type saddle may be constructed with or without a tree but cannot have a horn, swell, gallerie, or open gullet. Australian, Baroque, Endurance, McClellan, Spanish, Stock, or Western saddles are not permitted nor are modified versions of these saddles (exception: competitors with a current approved Federation Dispensation Certificate). A Dressage saddle which must be close to the horse and have long, near-vertical flaps and stirrups is compulsory for FEI tests. Saddle pads are optional, but should be white or of conservative color. English-style stirrups, without attachments, or safety stirrups are compulsory. Safety stirrups must have closed branches of metal or other breakaway material. While in the competition ring and during awards ceremonies, a logo/monogram or name may appear on either or both sides of a saddle cloth in an area not exceeding 200 cm² (26.632 sq. inches). Only the following logos or names are permitted: breed logos (for horses registered with that breed); a national flag (for citizens of that country); USEF or USDF names/logos. Professionals **of any age** may have a business or product name/logo of their official sponsor. Amateurs may not have a business or product name/logo unless they own the business. Competition award pads and stable name pads are permitted. No other advertisement or publicity is permitted on saddle cloths or horses. *BOD 8/29/16 Effective 12/1/16 BOD 11/7/16 Effective 12/1/16*
2. For Training, First and Second Level tests, **FEI Tests for Children**, and FEI Pony tests, a plain snaffle bridle is required with a regular cavesson, a dropped noseband, a flash noseband (a combination of a cavesson noseband and a dropped noseband attachment) or a crossed noseband. Except for the FEI Pony tests, a crescent noseband is also permitted at these levels. Except for the crescent noseband, buckles and a small disk of sheepskin, which may be used in the intersection of the two leather straps of a crossed noseband, the headstall and cavesson/noseband of the bridle must be made entirely of leather or leather-like material. **However, wear tabs on cheek pieces and reins may be made of non-leather or other material.** A padded cavesson/noseband and crownpiece are allowed. A browband is required, and except for the parts that attach to the crownpiece or headstall, is not required to be made of leather or leather-like material. The crownpiece of the bridle must lie immediately behind the poll and may extend forward onto the poll, but it may not be fitted to lie behind the skull (see diagram). Bridles are not permitted in which the noseband is connected to the bit or cheekpiece below the level of the browband. A throatlatch is required except when the combined noseband or Micklem bridle are used. *BOD 8/29/16 Effective 12/1/16 BOD*

11/7/16 Effective 12/1/16

3. For Federation Third and Fourth Level tests same as (2) above, or a simple double bridle (bridoon [snaffle] and bit [curb] and curb chain, cavesson noseband only). The curb “chain” can be made of metal, leather or a combination. A lip strap and rubber, leather, or sheepskin cover for curb chain are optional.
4. For FEI tests ridden at national competitions, a plain snaffle bridle or simple double bridle may be used, as described above in DR121.2-.3. However, for USEF High Performance qualifying and championship classes, USEF Young Adult qualifying and championship classes, NAJYRC qualifying classes, USEF Junior qualifying and championship classes, and USEF Young Rider qualifying and championship classes, a double bridle is mandatory. Effective August 1, 2015, snaffle bridles will be permitted for NAJYRC qualifying classes, USEF Junior qualifying classes and USEF Young Rider qualifying classes. Double bridles will still be mandatory for NAJYRC and USEF Junior and Young Rider championships after August 1, 2015. Only snaffles, curbs and bridoons pictured under Figure 1-B are permitted in FEI tests. For the FEI Dressage Tests for 4, 5, and 6-year-old horses and the USEF Dressage Test for 4-year old horses, a plain snaffle bridle is required, as above (DR121.2). However, when a snaffle is used in FEI tests, a crescent noseband is not permitted and a snaffle is required as described in Figure I and as pictured in Figure 1B. In addition to the crescent noseband, the crossed (figure-8, Mexican) noseband is not permitted for the FEI Dressage Tests for 4, 5, and 6-year-old horses and the USEF test for 4-year old horses.
5. Riders competing only in FEI Para-Equestrian tests may use either a plain snaffle bridle or simple double bridle. Riders competing in both FEI Para-Equestrian tests and USDF or USEF tests at the same competition must use a plain snaffle bridle at Grades 1a-Grade III levels. A double bridle may be used in warm-up and while competing only at the Grade IV level.
6. Only those bits listed with Figure 1 are allowed. At any level of competition, a cavesson or both parts of a flash noseband may never be so tightly fixed that it causes severe irritation to the skin, and must be adjusted to allow at least two fingers under the noseband on the side of the face under the cheekbone. The tightness must be checked at the location in the illustration below and not on the bony area of the cheekbone or bridge of the nose. Cavesson nosebands may be used with a chin pad. At any level of competition, a browband may be multicolored and may be decorated with metal, beads, gemstones and crystals. Non-metal decoration on the surface of the noseband is

permitted. Reins must not be made of rope or rope-like material.

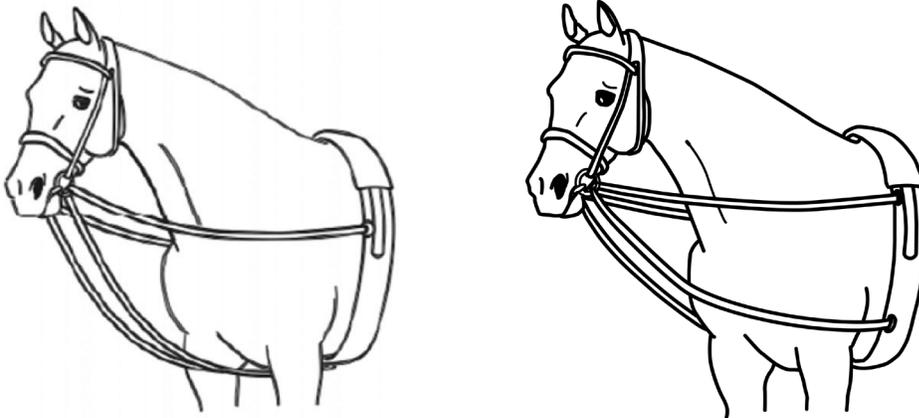

7. Martingales, bit guards, any kind of gadgets (such as bearing, side, running, balancing reins, neck straps, nasal strips, tongue tied down, etc.), any kind of boots (including “easy-boots”) or bandages (including tail bandages) and any form of blinkers, earmuffs or plugs, nose covers, seat covers, hoods are, under penalty of elimination, strictly forbidden. The use of equine body tape or bands (equi-taping, Kinesio tape) is prohibited. Shoes (with or without cuffs) that are attached with nails or glue, or wraps that do not extend past the hair line of the hoof are permitted. Fly hoods (ear covers) are permitted for all classes in order to protect horses from insects. The fly hoods should be discreet in color and design and should not cover the horse’s eyes. After completion of the test, the rider or his representative is responsible for removing the fly hood to present to the designated ring steward for inspection to ensure that nothing prohibited has been added (for example, ear plugs). Logos in compliance with DR121.1 and manufacturer’s logos are permitted. However, per DR121.9, ring stewards are only required to inspect fly hoods and other equipment in one-third of the horses in a class. When an inspection is conducted, all equipment including including fly hoods, whips, etc. must be inspected. In championship classes, saddlery inspections are required for each horse. Leg bandages are allowed in Pas de Deux and Quadrille classes. A breastplate and/or crupper may be used, except that a breastplate is not permitted in USEF High Performance Championships, USEF High Performance Qualifying and Selection Trials. A rein is a continuous, uninterrupted strap or line from the bridle bit to the hand. Rein additions or attachments are not permitted. Each bit must be attached to a separate rein and reins may only be attached to bits. Any decoration of the horse with extravagant items, such as ribbons or flowers, etc. in the mane, tail, etc., is strictly forbidden. Braiding of the horse’s mane and tail, however, is permitted. False tails are permitted and if used may not contain any metal parts.

8. The above restrictions (1-7) apply to warm-up and other training areas, however, running martingales (only with snaffle rein of plain snaffle bridle), boots and bandages (without magnets) are permitted. (Exception: running martingales are not permitted for horses entered in USEF High Performance qualifying and selection trials). However, noise cancelling ear muffs/plugs are permitted at prize-giving ceremonies for horses competing at any level, including High Performance classes. Fly hoods (ear covers) that do not cover the horse’s eyes are permitted in warm-up and other training areas and cannot be used for masking noise cancelling earplugs. Single direct side reins or double sliding side reins (triangle reins) are permitted only when lungeing (mounted or unmounted). Double sliding side reins may be attached to the saddle or surcingle and girth as pictured below, or both ends of each rein may be attached to the saddle, surcingle and/or girth. Only one lunge line is permitted only while lungeing. Driving or long lining is prohibited. A single direct side rein is defined as an auxiliary rein affixed to the bit and to the girth, saddle or surcingle on the side of the horse (not between the legs). A lunge line must attach only to the snaffle bit of the bridle (either on the inside or across the head or under/around the chin to the snaffle ring on the opposite side from the handler), halter or cavesson and go directly to the hand of the longeur. A double bridle may not be worn while lungeing. Horses competing at Third Level and above may be warmed up in a either snaffle or a double bridle. (Exception: For breed-restricted Arabian competition see Chapter AR, Subchapter AR-12). A running martingale

consists of a divided strap attached to the girth or breastplate (at the front of the horse's chest); the extension of each strap must be connected from the point of division only to the rein on the same side and must be free to slide.

The rings through which the reins slide may not be connected to a neck strap. Double sliding side reins (triangle/dreieck zügel)

9. Ring stewards appointed by competition management must check saddlery and inspect bits and spurs on both sides of the horse for at least one-third of the horses in each class. Inspection of saddlery and bits must be done at the direction of the technical delegate. Inspection of saddlery and bits must be done immediately as the horse leaves the arena. (See DR126.1i) The checking of the bridle must be done with the greatest caution, as some horses are very touchy and sensitive about their mouths. Bit inspectors must use a new disposable protective glove on each hand for each horse. The responsibility for the correct attire and equipment, however, still rests with the competitor. When communicable disease is a concern, any deviations to established saddlery inspection protocol must be approved by the USEF Dressage Department prior to the competition.
10. The following whips are permitted for schooling only: One whip no longer than 47.2 inches (120 cm), or 100cm for FEI Pony Riders, including lash, may be carried by the rider when mounted. One lungeing whip is permitted only when lungeing. There is no restriction on the length of whip permitted for working a horse in hand. One whip no longer than 47.2 inches (120 cm) including lash may be carried in all classes except, **under penalty of elimination**, USEF/USDF Championships, USEF National Dressage Championships, USEF High Performance Championships, USEF High Performance qualifying and selection trials, and observation classes. (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) One whip no longer than 47.2 inches (120 cm), including lash may be carried in all qualifying classes (including NAYRC and NAJC) unless such use is otherwise prohibited by FEI or Federation rules or selection procedures for the classes. However, when a whip is permitted for FEI Pony Tests, the maximum length is 100 cm (1 meter). An adjustable-length whip may not be carried by a mounted rider. **BOD 8/29/16 Effective 12/1/16**
11. Numbers must be worn at all times when a horse is being exercised or ridden.
12. Horses competing in Competition Level 4-5 classes (for example: USEF/USDF Regional Championships classes and USEF National Championships classes) must be stabled on the grounds of the competition and must remain on the grounds for the duration of the event from the time of entry until the horse has finished competing in classes designated as Level 4 or 5.
13. Athletes holding a Federation Dispensation Certificate may use special saddlery and equipment as specifically listed on their Certificate. The following equipment is permitted if listed on the Certificate:
 - a. Any well fitted saddle that is suited to the needs of the rider.
 - b. Devonshire, western, or oxbow stirrups, tethers from stirrups to girth; seat covers; velcro and rubber bands (provided the equipment allows the rider to fall from the horse). Break-away safety stirrups are required if the rider's

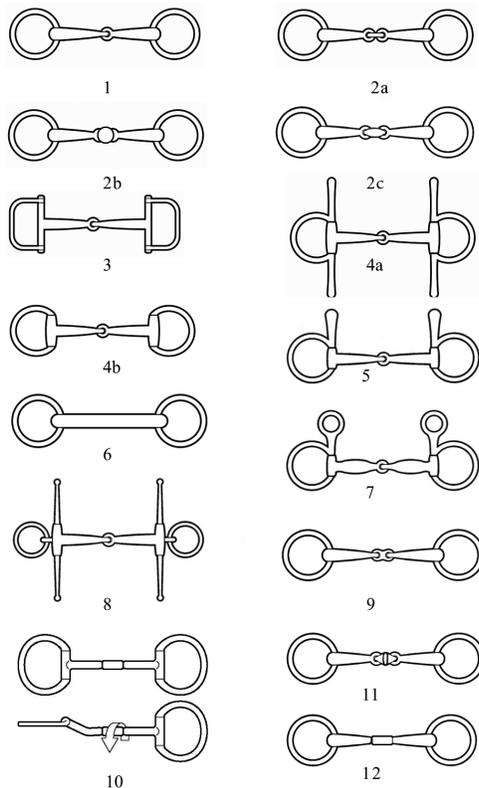

DR - DRESSAGE DIVISION

feet are secured into the stirrups and shoes with distinguishable heels must be worn.

- c. Except for sidesaddle, either two stirrups or no stirrups must be used, unless rider has one leg and no prosthesis on the other leg.
 - d. Adapted or bridged reins. If the rein is not to be used in a conventional manner, it must be in as straight a line as possible from the normal hand position (as described in DR117) to the horse's mouth.
 - e. One or two whips, not to exceed 4' in length.
14. Horses may only be exercised and ridden in management-designated areas on the competition grounds.
15. The following rules apply exclusively to USEF High Performance qualifying and selection trials.
- a. Upon arrival on the showground, only the rider when riding, walking, leading or lungeing a horse (lunge whip allowed) is allowed to carry a whip (maximum 120 cm) anywhere on the showground. The groom may also walk, lead and lunge a horse as above. Other parties are allowed to carry a whip, provided it is not in connection with the training of the horse. Under no circumstance is it allowed to school the horses in the stables.
 - b. The whip must be dropped before entering the space around the competition arena or the rider will be penalized for an error (see DR122.5h).
16. The provisions of DR121 apply to both competing and non-competing dressage horses from the time horses are admitted to the grounds which are designated for the Dressage Competition.

Bits with mouthpieces made of synthetic material are permitted, provided that the contours of the bit conform to the contours of one of the bits pictured above. Flexible rubber or synthetic mouthpieces are permitted. A double jointed bit or snaffle with rotating mouthpiece may be shaped to allow tongue relief. The maximum height of the deviation is 30mm from the lower part of tongue side to the highest part of the deviation. The widest part of the deviation must be where the mouthpiece contacts the tongue and must have a minimum width of 30 mm. (See illustration below.) The mouthpiece of a jointed or unjointed snaffle may be shaped in a slight curve within the dimensions specified above, but other ported snaffles are prohibited. The mouthpiece of a snaffle may have up to two joints. A bushing or coupling is permitted as the center link in a double jointed snaffle, however, the surface of the center piece must be solid with no moveable parts, except as pictured above. The center link may be tilted in a different orientation from the mouthpiece but must have rounded edges. The diameter of the snaffle mouthpiece must be minimum 10 mm diameter at rings or cheeks of the mouthpiece (exception: for ponies, the diameter may be less than 10 mm). Any bit combining a mouthpiece with any cheekpiece pictured above is permitted. 12. Snaffle or bridoon rotary bit with rotating middle piece.
13. Rotary bit with rotating middle piece and looped rings

* Bits pictured under B1 or B2 are required in FEI Tests. Bits must be smooth with a solid surface. A bridoon is defined as a snaffle bit used together with a curb bit to form a double bridle. Bridoons where the center link(s) of the bits can lock, and have the effect of a mullen-mouth snaffle, are not permitted. Bits (including curb and/or bridoon bits of a double bridle) must be made of metal or rigid plastic and may be covered with rubber (in manufactured state); flexible rubber bits are not permitted. The lever arm of the curb bit is limited to ten centimetres (10 cm) (length below the mouth piece). The upper cheek must not be longer than the lower cheek. The snaffle or bridoon mouthpiece must be minimum 10 mm diameter at the rings or cheeks of the mouthpiece. The diameter of the curb mouthpiece must be minimum 12 mm at the cheeks of the mouthpiece. DR - DRESSAGE DIVISION

and/or bridoon made of metal or rigid plastic) or a metal or rigid plastic snaffle pictured under B. A cavesson, dropped, crossed or flash noseband is allowed when a snaffle bridle is used in warmup or competition, except as prohibited for some tests. Curb chain hooks can be fixed or not fixed. The curb chain may never be so tightly fixed as to harm the horse.

Note: For FEI tests ridden at national competitions, a plain snaffle bridle or simple double bridle may be used, as described in DR121.2-.3. However, for USEF High Performance qualifying and championship classes, USEF Young Adult qualifying and championship classes, a double bridle is mandatory. BOD 1/16/16 Effective 4/1/16

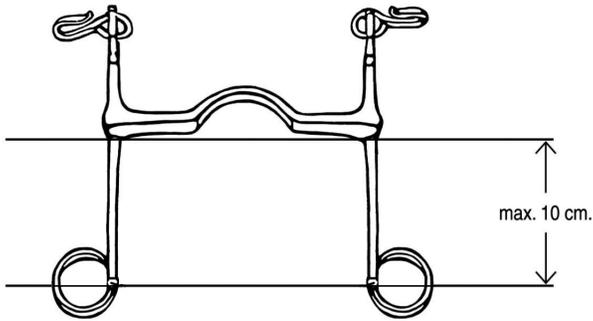

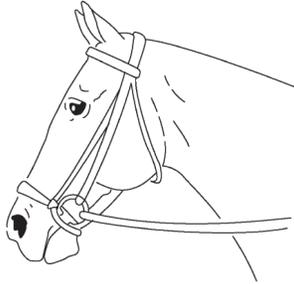

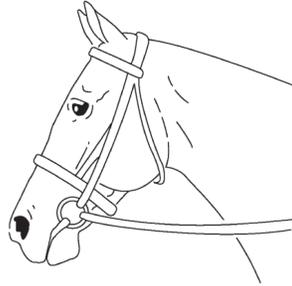

Figure 2. Correct bit measurement. The lever arm of the curb bit must not exceed 10 cm. (length below the mouthpiece). If the curb has a sliding mouthpiece, the lever arm of the curb bit below the mouthpiece must not measure more than 10 cm. when the mouthpiece is at the uppermost position.

PERMITTED NOSEBANDS AND BRIDLES

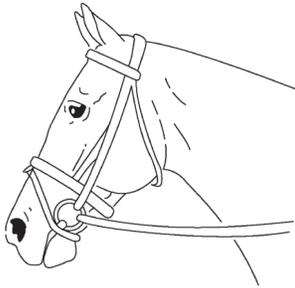

1. Dropped noseband

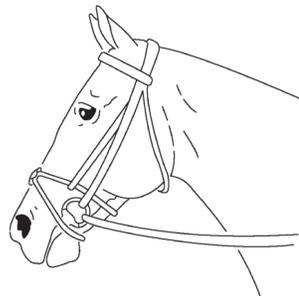

2. Cavesson noseband

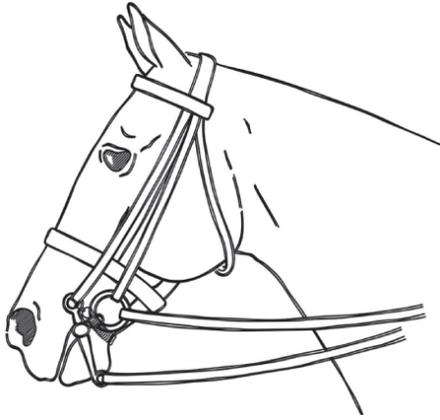

3. Flash noseband

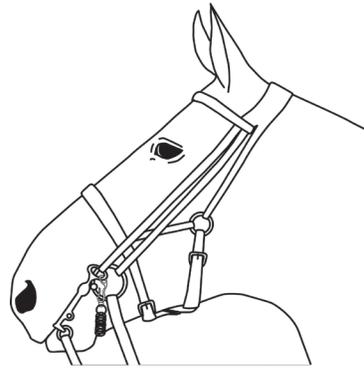

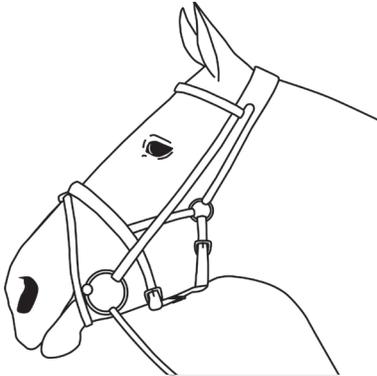

4. Mexican (crossed figure-8) noseband

1, 3 and 4: These nosebands are not permitted when a double bridle is used.

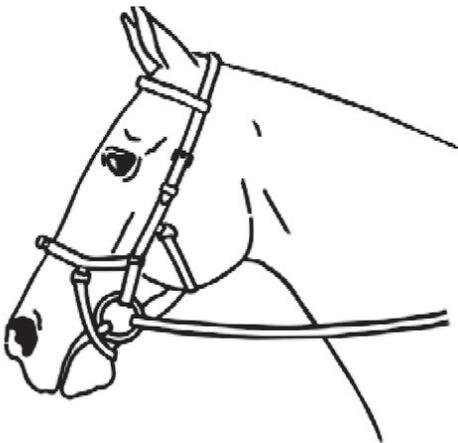

Double bridle with cavesson noseband, bridoon bit and curb with curb chain

5. Combined noseband (no throatlatch). Permitted for use in at any level (including USEF High Performance classes) and in warm-up with either a snaffle or double bridle, as appropriate for the level. When used as a double bridle, the lower strap of the noseband (flash attachment pictured with the snaffle), is not permitted.

6. Micklem Bridle. Permitted for use at any level where snaffles are permitted. Not permitted for use as a double bridle. Bit clips may not be used with this bridle.

DR122 Execution and Judging of Tests

1. Calling Tests. All Federation Tests may be called during the competition except, **under penalty of elimination**, at any Final or Championship Event at which time all tests must be ridden from memory. If test is announced, it is the responsibility of the competitor to arrange for a person to announce the test. Unless an exception is made by the judge, the announcing of the test must start with the first movement. Lateness and errors in announcing the ride will not relieve the rider from “error penalties”. Announcing the tests is limited to reading the movement as it is written once only. However, the repetition of reading of a movement is acceptable if there is reason to doubt that the rider heard the original call. Calling of these tests in a foreign language must receive prior consent of the show committee and the Ground Jury. A competition cannot require competitors to use callers employed by the competition management. All FEI Tests (including FEI Junior Tests), the USEF Test for Four-Year Old Horses, the USEF Developing Horse Prix St. Georges Test, the USEF Developing Horse Grand Prix Test and all Freestyle Rides must be ridden from memory. FEI Para-Equestrian tests must be ridden from memory unless an exemption is listed on the rider’s Dispensation Certificate. In all tests, all movements must follow the order laid down in the test. **BOD 8/29/16 Effective 12/1/16**
2. Salute. At the salute riders must take the reins in one hand. All riders shall let one arm drop loosely along his/her body and then incline his/her head in a slight bow. The military salute is only permissible when riding in uniform.
3. Voice. The use of the voice or other intentional audio aids in any way whatsoever or clicking the tongue once or repeatedly is a serious fault involving the deduction of at least two marks from those that would otherwise have been awarded for the movement where this occurred. In movements with a coefficient, judges may choose to deduct only one mark so that the final mark, after the coefficient is applied, is deducted by two vs. four points.
4. Individuals holding a Federation Dispensation Certificate are allowed the following exceptions, provided these exceptions are clearly listed on the Certificate:
 - a. Visually impaired and blind riders may use callers as “living letters.” These callers (a maximum of 9) may be stationed around the exterior of the arena and will call out letters at the appropriate time. No more than one caller may be stationed within the arena. Callers may not give any other direction to the rider other than identifying the letters, center line and quarter lines of the dressage arena. Callers must position themselves as to not obscure the judge’s line of vision. Riders may enter the arena prior to the start of their test and make one pass of the arena, once in each direction in order to familiarize themselves with the callers and the arena. After completion of this familiarization, the rider may leave the arena and await the judge’s signal to re-enter and begin his or her test OR may halt and stand quietly just within the arena at A to be given the signal to begin their test from inside the arena. Blind and visually impaired riders are required to wear a red arm band at all times while mounted and in areas where other riders are present. They may remove this armband during execution of their dressage test.
 - b. Riders may salute with a nod of the head only. Physical contact must remain on the reins at all times.
 - c. As necessitated by the rider’s individual physical limitations, trot work may be performed either entirely sitting or posting.
 - d. Riders with intellectual impairment or head injury may have a reader to call their tests, including freestyles. If the freestyle is being read, it is required that the caller use radio communication.
 - e. Riders with hearing impairment may have a reader using sign language or use radio communication.
 - f. If radio communication is used, a copy of the written choreography must be given to the Technical Delegate or their designee who will monitor the reader and report to the judge if unauthorized assistance is given to the rider.
5. Errors.
 - a. When a competitor makes an “error of the course” (takes the wrong turn, omits a movement, etc.) the President of the Jury warns him by sounding the bell. The President shows him if necessary the point at which he must take up the test again and the next movement to be executed then leaves him to continue by himself. However, in some cases when, although the competitor makes an “error of the course”, the sounding of the bell would

DR - DRESSAGE DIVISION

unnecessarily impede the fluency of the performance for instance if the competitor makes a transition from medium trot to collected walk at V instead of at K or cantering up the center line from A makes a pirouette at D instead of at L it is up to the President to decide whether to sound the bell or not. However, if the bell is not sounded at an error of course, or error of test in which the movement, or a requirement of the movement, is repeated and the error occurs again, only one error is recorded. If a rider performs in a rising trot when a sitting trot is required, or vice versa, the bell must be sounded and the rider warned that this is an error that accumulates if repeated, leading to elimination at the third occurrence.

- b. In National tests, every “error of the course” whether the bell is sounded or not, must be penalized, except as noted above:
 1. the first time by 2 points;
 2. the second time by 4 points;
 3. the third time the competitor is eliminated. However, at the discretion of the judge, the rider may continue to finish the test. If the competitor’s continued presence in the ring is about to interfere with the start of the next scheduled ride, then the judge must excuse him/her from the ring.
- c. In FEI tests (except those listed under “c.3” and “d” below), every “error of the course” whether the bell is sounded or not, must be penalized, except as noted above:
 1. the first time by 2 percentage points from the total score received;
 2. the second time by elimination; However, at the discretion of the judge, the rider may continue to finish the test. If the competitor’s continued presence in the ring is about to interfere with the start of the next scheduled ride, then the judge must excuse him/her from the ring.
 3. *for FEI Para-Equestrian tests, refer to the test sheets for the calculation of errors. BOD 11/7/16 Effective 12/1/16*
- d. For USEF and FEI Young Horse tests, and FEI Children, Pony Riders and Junior tests, the deduction for an error shall be:
 1. First error: -0.5% (1/2 percentage point) from total score received
 2. Second error: -1.0% (one percentage point) from total score received
 3. Third error: Elimination
- e. For Rider Tests, the deduction for an error shall be:
 1. First error: Total Score reduced by 0.5 points
 2. Second error: Total Score reduced by 1.0 points
 3. Third error: Elimination
- f. For FEI Level Freestyle tests, two points will be deducted for each error, however they are not cumulative and will not result in elimination.
- g. When the competitor makes an “error of the test” (trots rising instead of sitting; at the salute does not take the reins in one hand, etc.) he must be penalized as for an “error of the course”. In principle, a competitor is not allowed to repeat a movement of the test unless the President of the Jury decided on an error of course (rings the bell). If, however, the rider has started the execution of a movement and attempts to do the same movement again, the judge(s) must consider the first movement shown only and, at the same time penalize for an error of course.
- h. If the Jury has not noted an error the competitor has the benefit of the doubt.
- i. The decision as to whether or not an error of course has been made will be that of the judge at C. The other judges’ scores will be adapted accordingly upon approval of the judge at C.
- j. The penalty points are deducted on each judge’s sheet from the total points obtained by the competitor.
- k. Other Errors. For USEF High Performance qualifying and selection trials, all of the following are considered errors and two points will be deducted for each of the following errors, however they are not cumulative and will

not result in elimination (including for freestyle tests):

1. Entering the space around the arena with whip or with boots on the horse's legs or with discrepancy in dress (e.g. lack of gloves);
 2. Entering the dressage arena with whip or with boots on the horse's legs or with discrepancy in dress (e.g. lack of gloves). Exception: Carrying the whip for more than three movements will entail elimination;
 3. Not entering the arena within 45 seconds but before 90 seconds after the bell
 4. Entering the arena before the sound of the bell;
 5. In Freestyle classes, entering the arena after more than 20 seconds of music but within 90 seconds.
 - I. For USEF High Performance qualifying and selection trials, if the Freestyle test is longer or shorter than the stipulated time on the test sheet, zero point five percent (0.5%) will be deducted from the total artistic score.
6. Lameness. In the case of marked lameness the judge or President of the Jury informs the competitor that he is eliminated. There is no appeal against his decision.
7. Judging a test.
- a. The mark for each movement should first establish the fact of whether the movement is marginal (5 or below) or higher. The judge should state the reason for his judgment, at least when giving marks of 6.5 and below. *BOD 1/16/16 Effective 12/1/16*
 - b. Accuracy (moderate) should be a factor only if the inaccuracy avoids the difficulty of the movement, i.e., a larger circle avoids the difficulty of a 10 meter circle. In a movement which must be carried out at a certain point of the arena it should be done at the moment when the competitor's body is above this point, except in transitions where the horse approaches the letter from a line diagonal or perpendicular to the point where the letter is positioned. In this case, the transition must be done when the horse's nose reaches the track at the letter so that the horse is straight in the transition. This includes the execution of flying changes.
 - c. If a problem appears once it may be treated lightly by the judge; if it appears successively he will score it more harshly each time, i.e., nodding, stumbling, shying, etc.
 - d. Grinding of the teeth and wringing of the tail are signs of tenseness or resistance on the part of the horse and should be considered in the marks for each movement where they appear, as well as in the Collective Marks. Horses which get their tongues over the bit or perform with an open mouth shall be marked down.
 - e. The levels of dressage are offered as a means of evaluating a horse that is changing. The purpose of each test is printed on the cover and the horse shall be considered in light of the degree of training it should have achieved to be shown at that level.
 - f. In the case of a fall of horse and/or rider the competitor will be eliminated. A competitor is considered to have fallen when he is separated from his horse in such a way as to necessitate remounting or vaulting into the saddle. A horse is considered to have fallen when at the same time both its shoulder and quarters have touched the ground.
 - g. If the horse leaves the arena with or without the rider (all four feet outside the fence or line marking the arena perimeter) between the beginning and end of the test, the competitor is eliminated.
 - h. A test begins with the entry at A and ends after the final salute, as soon as the horse moves forward; except in Freestyle, where the test begins in the first stride after the salute and ends at the final salute. Except for leaving the arena as described above in 7.g, and for non-permitted movements shown in a freestyle test, anything before the beginning or after the end of the test has no effect on the marks. The competitor should leave the arena in the way prescribed in the test; however, in Federation Training through Fourth Level tests, the competitor should leave the arena at "A" at a walk, on long or loose rein.
 - i. Horses which enter the arena with their tongues tied down shall be eliminated.
 - j. The judge may stop a test and/or allow a competitor to restart a test from the beginning or from any appropriate point in the test if, in his discretion, some unusual circumstance has occurred to interrupt a test. Time-outs, as

DR - DRESSAGE DIVISION

defined in GR833, are not permitted in the Dressage division.

- k. After the sound of the bell, the competitor should enter the arena at A as soon as possible. Exceeding 45 seconds before entering the arena after the bell has sounded will entail elimination. In the Freestyle, the rider has 45 seconds to signal to start the music; however, exceeding 65 seconds before entering the arena after the bell has sounded will entail elimination. Exception: For USEF High Performance qualifying and selection trials, entering the arena over 45 seconds but within 90 seconds after the bell has sounded be penalized for an error as specified under DR122.5. Exceeding 90 seconds will entail elimination except where a valid reason is accepted by the Judge at "C" (losing a shoe, etc). No competitor can be required to ride prior to his scheduled time except as required in GR830.
 - l. Any resistance which prevents the continuation of the test longer than 20 seconds is punished by elimination. However, resistance that may endanger the rider, horse, judges or the public will result in elimination for safety reasons earlier than within twenty (20) seconds.
 - m. All movements and certain transitions from one to another which have to be marked by the judge(s) are numbered on the judge's sheets. They are marked 0 to 10, 0 being the lowest mark and 10 being the highest.
8. The scale of marks is as follows:
- | | | | |
|----|--------------|---|--------------|
| 10 | Excellent | 4 | Insufficient |
| 9 | Very Good | 3 | Fairly Bad |
| 8 | Good | 2 | Bad |
| 7 | Fairly Good | 1 | Very Bad |
| 6 | Satisfactory | 0 | Not executed |
| 5 | Marginal | | |

All half marks from 0.5-9.5 may also be used both for movements and collective marks, at the discretion of the judge, and scores given must be recorded with a decimal (i.e., as 6.0 instead of 6).

"Not executed" means that practically nothing of the required movement has been performed. In FEI Level Freestyle tests, half marks may be used for all marks. In tests for Young Horses, decimals to .1 may be used.

9. Collective marks are awarded (from 0 to 10) after the competitor has finished his performance for USEF and FEI Dressage Tests:
- a. Gaits.
 - b. Impulsion.
 - c. Submission (Willing Cooperation)
 - d. The rider's position and seat; correctness and effect of the aids. The collective marks as well as certain difficult and/or infrequently repeated movements can be given a co-efficient which is fixed by the USDF, the Federation (USEF) Dressage Committee or the Bureau of the FEI for their respective tests.

Rider Tests:

- a. Riders position
 - b. Riders correct and effective use of aids
 - c. Horse's response and performance
 - d. Accuracy of the exercises
 - e. Harmony between Rider and Horse
10. Unauthorized Assistance is forbidden under penalty of elimination. Any intervention by a third party, including members of the Jury, with the object of facilitating the task of the competitor, including voice, signals, remounting, catching a horse inside the ring, etc., is illegal assistance. Except in the case of an error, any outside assistance provided by or authorized by a member of the Jury will result in elimination. A member of the Jury may not discuss a ride with a competitor before the bell or after the final salute. Use of any kind of noisemaking devices or

equipment including “clickers” is considered unauthorized assistance and shall be penalized by elimination.

11. The execution of the tests is not timed, except for the Freestyle Test. The time shown on the Judges’ sheet is for information only.
12. The FEI has published “Directives for Assessing the Degree of Difficulty in a Freestyle Test” and “Directives for International Dressage Competitions for 5 and 6-year old horses”. These documents have information on the judging of Freestyle and Young Horse tests and both are available from the Federation upon request or on the Federation website.
13. For FEI Tests for 4, 5 and 6-year old horses, and the USEF test for 4-year old horses, the judges must sit together at “C”. Individual movements are not judged. The judges must fill out one Marking Sheet with general comments and marks at the end of the test. For Young Horse qualifying classes, competition management is encouraged to provide a microphone for the judges so that a short summary may be given to the audience after each ride. FEI guidelines for judging shall be followed. Tests must be ridden from memory.
14. When multiple judges officiate in Rider Tests, the judges must sit together at “C”. Individual movements are not judged. The judges must fill out one Marking Sheet with general comments and marks at the end of the test. Tests may be called.

DR123 Scoring, Classification and Prize-Giving

1. After each performance and after each judge has given his Collective Marks which must be done with due consideration the judges’ sheets pass into the hands of the scorers. Scores and comments must be written in ink. Any corrected score must be initialed by the judge having made the correction. The marks are multiplied by the corresponding co-efficients where applicable and then totaled. Penalty points incurred for errors in the execution of the test are then deducted on each judge’s sheet.
2. The total score for the classification is obtained by adding the total points and determining the percentage score. With more than one judge, the percentage score is determined by adding the sum total points earned from all judges and dividing by the total available points. If there are two or more judges, the points awarded by each judge will be published separately in addition to the total score. Total final results must be published in marks as well as in percentages with numbers to three places after the decimal point. Scores must be posted on a public scoreboard as soon as possible after each ride. The public scoreboard may be in either paper or electronic format. The name of each judge must be posted along with the position where he/she is sitting. When multiple judges officiate from different positions, scores must be posted in the following order: E, H, C, M, B.
3. Individual Classification. In all competitions the winner is the competitor having the highest percentage, the second placed competitor is the one with the next highest percentage, and so on. In case of equality of points the competitor with the highest marks received under General Impressions shall be declared the winner. When the scores for General Impressions are equal after coefficients have been applied, the horses must remain tied. Errors on a test may not be used to break ties. When the final score in Rider Tests are equal, the competitors must remain tied. Final results for each class must be posted as soon as possible after the class is completed and all results must include total points and percentages with numbers to three places after the decimal point, eliminated horses, and the placing of each horse that receives an award. If a competitor withdraws (scratches) prior to a class or is excused, eliminated or a “no show” prior to or during the performance of a test, the words “scratched”, “excused”, “eliminated”, or “no show” or abbreviations of each, must appear after the competitor’s name in the result sheet. The published final results may be in paper or electronic format and must remain posted throughout the entire competition. The name of each judge must be posted along with the position where he/she is sitting. When multiple judges officiate from different positions, scores must be posted in the following order: E, H, C, M, B.
4. Electronic scoreboards are permitted, however, when multiple judges officiate in a class, scores from other judges must not be visible to the judges of the same class. Scoreboards that show a running score (total average percentage) and open scoring (average marks per movement for all judges) to the audience are encouraged. However,

DR - DRESSAGE DIVISION

in classes with multiple judges, electronic scoreboards must not be placed where any judge in the class can see the running scores or open score format. The movement marks of each individual judge may only be shown to the public, not to the judges. Scoreboards that display only the final scores after each horse has finished its test are permitted and may be visible to the judges.

5. Printed provisional scores from previous tests should not be provided to the judges during an ongoing class.
6. In a USEF/USDF Championship class, the horse must obtain **57%** or better to be named Champion or Reserve Champion. When either or both the first or second placed horse does not receive a score of **57%** or better, the horse(s) will receive non-championship ribbons only. The awards ceremony for the class will still be held, with all horses that placed in the class participating and all other horses receiving normal championship awards. **BOD 1/16/16 Effective 12/1/16**
7. Video tape may not be used to dispute a judge's decision.
8. When the total of the scores for General Impressions is equal, ties in classes which involve prize money shall remain tied for the purpose of dividing prize money.
9. A judge is free to leave when all scores from his class(es) are totaled.
10. If a mathematical error on the scoresheet is discovered, it must be brought to the attention of competition management within 1 hour of the official posting of the scores from the last class of that competition day. Competition Management must announce said posting, and must make test sheets available to competitors immediately.
11. After the awards for a class have been presented, the judge's score sheet should be given to the competitor. The score sheet must be handed directly to the competitor or his representative. Privacy must be maintained.
12. Participation in prize-giving (awards) ceremonies by placed rider/horse combinations may be mandatory and failure to participate may result in loss of prizes and prize money at the discretion of Competition Management. Specific requirements and penalties for failure to participate in prize-giving ceremonies must be announced in the prize list. It is recommended that dress and saddlery for ceremonies be the same as in the competition, but that black or white leg bandages also be allowed. Rosettes should be placed on the horses' bridles prior to the ceremony. The judge at "C" should be invited to participate in the prize-giving. Competition Management is responsible for the safe conduct of ceremonies and must excuse any horse that threatens the safety of participants. At all times when horses are grouped together, riders and/or grooms are responsible for their actions. Carelessness or irresponsible behavior may result in possible penalties under Federation rules.
13. It is recommended that scorers may not be a competitor, or an owner, coach, trainer or family member of a competitor/horse in the class(es) in which they are scoring.

DR124 Elimination

1. In the Dressage division "disqualification", as defined in GR117, includes elimination, except for designated qualifying classes for regional or national championships where scores may be disqualified for championship qualifying purposes and the entry may retain the scores for class ranking and reporting purposes.
2. Horse and rider combinations shall be eliminated from the competition (for .a, .f and .i, below) or from the current or next class depending on which is closest to the time the incident occurred (for all others), under the following circumstances:
 - a. Misrepresentation of entry or inappropriate entry (GR907 and DR119);
 - b. Dress code violations inside the competition ring listed under DR120.1-5 at the discretion of the Judge at "C" except elimination is mandatory for failure to wear properly secured protective headgear. Elimination is mandatory

for violations listed under DR120.6-16.

- c. Use of illegal equipment (DR121);
- d. Unauthorized assistance (DR122);
- e. Three errors of the course and/or test (DR122);
- f. Horse's tongue tied down (DR122);
- g. Late entry into the arena (DR122);

DR - DRESSAGE DIVISION

- h. All four feet of the horse leave the arena with or without rider (DR122);
 - i. Cruelty (GR839);
 - j. Marked lameness (DR122);
 - k. Resistance of longer than 20 seconds (DR122);
 - l. Concern for the safety of rider, other exhibitors or their entries (GR1033.11 and .12);
 - m. In FEI freestyle classes, performing movements which are not allowed (DR129);
 - n. Evidence of blood on a horse in the competition arena shall be cause for elimination from the class by the judge at "C". Evidence of blood on a horse outside the competition arena shall be cause for elimination by competition management, after consultation with the technical delegate, from either the last class in which the horse competed or next class in which it is scheduled to compete, depending on which is closest to the time the incident occurred. Environmental causes such as insect bites shall normally not be cause for elimination.
 - o. Failure to wear competitor number (DR121.11 and GR801.9);
 - p. Fall of horse and/or rider (DR122.7(f))
 - q. Any situation where a direct rule violation can be cited. Where a violation cannot be cited, a competitor is not eliminated.
3. When a judge suspects a violation or ineligibility listed under any GR or DR rule, in particular DR120, DR121, DR122 or DR124, the judge must request, as soon as possible, that the ring steward and/or TD investigate the possible infraction.
4. Except as noted below, only the Judge at "C" may eliminate a competitor for a rule violation listed under DR120 or DR122, only from the test in question, and (except for late entry into the arena) only after the competitor has entered the arena. Members of the Ground Jury have no authority to eliminate under any other circumstances, except during a class or test, the Judge at "C" has the authority to eliminate for use of illegal equipment, non-compliance with protective headgear rules, not wearing a number, cruelty and abuse or leaving the arena without the judges' permission. Authority for rule enforcement outside the competition ring rests solely with the Show Committee (see General Rules, GR1217). Competition Management/Show Committee has the authority to eliminate for use of illegal equipment or violations of protective headgear rules during a test that is discovered after the competitor has left the arena. Competition Management also has the authority to eliminate entries and/or remove individuals from the competition grounds for violations of protective headgear rules as described in DR120 and GR801.
5. For USEF High Performance Championships, USEF High Performance qualifying and selection trials only: If the Judge at C suspects fresh blood anywhere on the horse during the test, he will stop the horse to check for blood. If the horse shows fresh blood, it will be eliminated. The elimination is final. If the Judge through examination clarifies that the horse has no fresh blood, the horse may resume and finish its test. If the Technical Delegate discovers fresh blood in the horse's mouth or in the area of the spurs during the equipment check at the end of the test, he informs the Judge at C, who will eliminate the competitor. If there is blood elsewhere on the horse, the majority of the veterinary panel is to be called to recommend if the horse is fit to continue in subsequent classes for which it is eligible. Refer to Selection Procedures for the current championship year requirements.

DR125 Competition Licensing and Officials

1. Organizers of Dressage Competitions must comply with current Federation and USDF competition licensing requirements and must apply directly to the Federation for both USDF competition recognition and USEF licensing.
2. Management definitions and duties:
 - a. The competition manager is responsible for knowledge of and compliance with all GR and DR rules that apply to Dressage Competitions, in particular GR12, and DR126. Eligibility is determined by GR1202 and the Dressage Levels Chart (DR126.3). The competition manager is responsible for conducting the competition in accordance with Federation rules (and FEI rules, if applicable). Co-managers have the same requirements and

responsibilities as listed in this rule. Managers and co-managers must be listed in USEF competition records and in the prize list and provide eligibility to manage competitions at Levels 3-5.

- b. The competition secretary is responsible for knowledge of and compliance with all GR and DR rules that apply to Dressage Competitions, in particular GR12, and DR126. Eligibility is determined by GR1203 and the Dressage Levels Chart (DR126.3). The competition secretary is responsible for performing assigned duties in accordance with Federation rules (and FEI rules, if applicable). Co-secretaries have the same requirements and responsibilities as listed in this rule. Secretaries and co-secretaries must be listed in USEF competition records and in the prize list and provide eligibility to secretary competitions at Levels 3-5.
 - c. Assistant managers and assistant secretaries may be enlisted but have no specific duties outlined in Federation rules. Their duties are assigned by managers and secretaries according to the needs and may vary from one competition to another. The positions of assistant manager or assistant secretary do not qualify individuals to manage or secretary competitions at Levels 3-5.
 - d. The competition manager and secretary of Federation- licensed/USDF-recognized competitions must be current USDF Participating or Group members in good standing at the time competition recognition is granted and on the date of the competition. This requirement also applies to co-managers and co-secretaries but not assistants.
3. Ground Jury. The invited judges compose the Ground Jury and must be selected from the current Roster of Recognized Dressage judges.
 4. A Technical Delegate must be selected from the current Roster of Dressage Technical Delegates to officiate at all Dressage competitions and Regular and Local Competitions offering "open" Dressage Division classes (i.e., classes which are not limited to certain breeds) or classes above Third Level. (Exception: A Category 2 or Combined Category Steward may officiate through Fourth Level in the Andalusian, Arabian, Friesian and Morgan Divisions, only if classes are not part of an "open" Dressage Division). A Registered Dressage Technical Delegate must officiate at Level 4 and Level 5 Dressage Competitions. A Recorded Dressage Technical Delegate may officiate as the assistant to the Registered Technical Delegate(s) at Level 4 and Level 5 Dressage Competitions, and may officiate alone at Levels 1-3 Dressage Competitions.
 5. For each competition day that a Dressage Competition schedules 300 or more rides (including Dressage and DSHB entries), the competition must have at least two Dressage Technical Delegates on duty. When only one competition ring is in session, only one Dressage Technical Delegate (DTD) need be present on the grounds. **When a competition has more than seven competition rings on any day, at least two Dressage Technical Delegates must be on duty. Three Dressage Technical Delegates are required for an event when a Dressage Competition schedules more than 1200 rides for the event.** When a DTD is officiating as a second DTD for only one day of a multi-day competition due to the show scheduling 300 or more rides on that day, this DTD is subject to the restrictions of GR1034.2. ***BOD 1/16/16 Effective 12/1/16***
 6. Dressage Competitions holding both a national competition and a CDI must have a separate Dressage Technical Delegate in addition to the FEI Chief Dressage Steward. However, the number of CDI rides is not counted in the number of rides requiring an additional Dressage Technical Delegate.
 7. The competition Technical Delegate is required to designate one Dressage judge and one Competitor to complete USEF competition evaluation forms. The Technical Delegate must supply the Designated Judge and Designated Competitor with a copy of the required evaluation form(s). It is mandatory for designated judges and competitors to return completed evaluation forms to USEF either with the Technical Delegate or directly to USEF within fourteen days of the competition.
 8. Veterinarians.
 - a. Every Dressage Competition must have a qualified veterinarian present throughout the competition if the number of horses competing the previous year is 250 horses or higher. Exception: All USEF/USDF Regional Championships must have a veterinarian present on the grounds throughout the competition regardless of the

DR - DRESSAGE DIVISION

number of horses competing. In the year after a competition has hosted a USEF/USDF Regional Championship, a veterinarian will be required to be present only if 250 or more horses competed the year prior to hosting the championship.

- b. Level 4 and Level 5 Dressage Competitions must have a veterinarian present on the grounds throughout the competition regardless of the number of horses competing.
- c. For purposes of this rule, the veterinarian must be present on the grounds designated for the Dressage Competition per DR121.13 and DR121.15.

DR126 Requirements for Dressage Competition Management

1. The following requirements apply to all Levels 1-5 of Dressage Competitions, except where noted. Specific requirements for specific levels of competitions are listed under .2, below.

a. Competition Levels, Divisions and Classes.

1. The competition Level and all classes must be listed in the prize list.
2. When permitted by the rules or special criteria, classes may be divided into separate divisions or sections based on qualifications, age or other eligibility of horses or riders.
3. Divisions or sections of a class are considered to be a separate "class" only if listed as such in the prize list. Divisions or sections of a class may be held in different rings and judged by different judges. When divisions or sections are held under different conditions (i.e, different ring or judges), separate awards must be given.
4. Where more than 25 entries are accepted for a particular class the class must be divided into separate divisions for awards purposes. USEF/USDF and other regional or local championship classes and USEF High Performance Championships, qualifying and selection trials cannot be split.
5. When entries warrant competitions are encouraged to split classes into separate divisions, and to provide separate awards, for Open riders, Adult Amateurs and Junior/Young Riders. Horses may be ridden only once in any class, including separate divisions or sections of the same class. See DR119.1.

b. Competition Schedule.

1. A tentative class schedule must be included in the prize list.
2. Organizers must prepare a time schedule including all rides. If possible, competitors should be notified of their riding times prior to arrival at the competition.
3. The time schedule must be posted in a conspicuous place by noon the day before the competition. Ride times may not be changed after noon the day before the start of the entire competition, except in compliance with GR830.5. Competitions may reserve the right to fill a competitor's subsequent ride times if that competitor fails to notify the competition secretary of his/her intention to scratch (i.e. is a "no show").
4. Dressage classes must be run in their entirety and rides may only be scheduled out of sequence to allow a reasonable interval between two or more horses entered by the same rider in the same class or in different classes. Also, when preparing a time schedule consideration must be given to riders entered in more than one class or riding more than one horse.
5. At least 50 minutes must be scheduled between start times for a rider's tests on different horses unless he/she has agreed, in writing, to a shorter interval between tests. Time intervals should be allowed between rides for judge's breaks and awards presentations.
6. If Grand Prix Freestyle and/or Grand Prix Special classes are offered at a competition, at least one Grand Prix class must be offered and scheduled prior to the Freestyle and the Special (i.e., only one Grand Prix is required to be offered and scheduled prior to the Freestyle and Special in a multi-day competition).
7. If a competitor cannot show due to a change in the day a competitor must ride, his entry fees must be

refunded.

c. Schooling and Lungeing.

1. One or more schooling areas must be provided far enough away from the arena(s) so as not to disturb the competitors during their tests. Schooling areas must be of sufficient size for several competitors to prepare their horses at the same time. For competition Levels 3-5, the sum of the warmup space, excluding the perimeter around competition arenas, must be at least 80% of the sum of the areas of all competition arenas (20x60 and/or 20x40 m). Lungeing areas are included in the calculation of the warmup space.
2. If possible, at least one practice arena with perimeters and letters should be provided.
3. It is strongly recommended that a lungeing area be provided separate from and in addition to mounted schooling areas and that it be available throughout the competition.
4. If a separate lungeing area is not provided, lungeing is not permitted at any time within the same area at the same time as mounted schooling. See Dressage Levels chart for requirements for specific competition levels.
5. Competitors will not be allowed in or around the arena while a class is in progress or inside the arena at other times except under the following conditions:
 - a. Management must post and announce, in advance, designated times that competitors may school inside the arena(s);
 - b. Competitors should be permitted by management or the Ground Jury to enter the arena prior to their ride if arena conditions do not permit riding around the perimeter of the arena prior to entry. Such permission must be announced prior to the start of the class.
6. Competitions are not permitted to charge warm-up or schooling fees prior to or during a competition for horses entered in the competition.
7. When visually impaired or blind riders are to compete, it is recommended that a separate warm up area be provided.

d. Judges and Technical Delegates.

1. No judge shall be required to officiate longer than 8 hours in one day, unless the judge has agreed in writing, and cannot be required to be on the competition grounds longer than 10 hours.
2. Judges must be given at least a 45-minute lunch break and at least a 10 minute break every 2 hours.
3. Judges and technical delegates are not to be housed in private homes unless the judge or technical delegate has agreed to it prior to the competition.
4. Judges' comments, while judging, may not be audio-recorded without prior written permission of the judge(s), the specific competitor(s) and management.
5. Judges and Technical Delegates are required to provide email addresses to management for communication of officiating agreements, prize lists and other information related to the competition.

e. Scribes.

1. Scribes should have a knowledge of the tests being ridden.
2. Scribes (including electronic scribes) must not be an owner, coach, trainer or family member of a competitor/horse in the class(es) in which they are scribing.
3. Scribe changes should not be made more than once per day for each judge.
4. It is strongly recommended that scribes not compete before judges with whom they have worked at the same competition. Apprentice judges are prohibited from competing before judges with whom they apprentice at the same competition.
5. First-time scribes must not be assigned to foreign judges or judges for FEI level classes.
6. Scribes. Only one scribe to be provided for the judging panel for the FEI Dressage Tests for 4-year old, 5-year

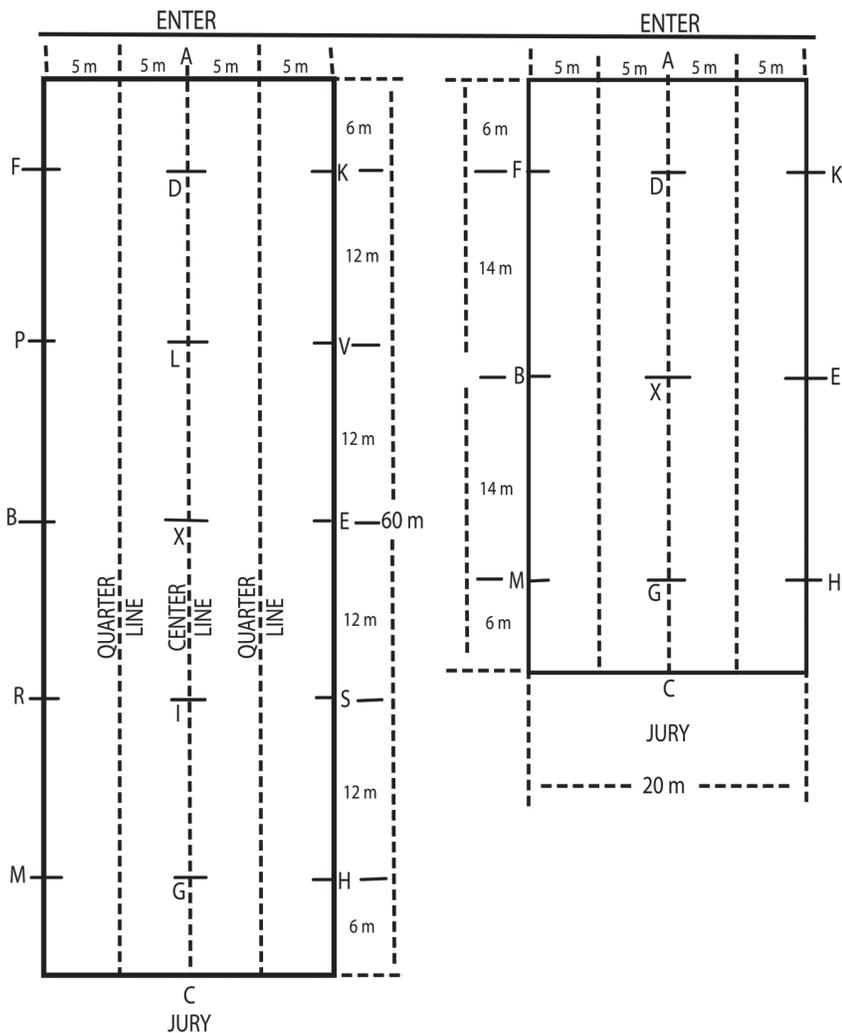

old and 6-year old horses and the USEF Dressage Test for 4-year old horses.

f. Arena Specifications.

1. The arena should be on as flat and as level ground as possible. It is recommended that the difference in elevation across the diagonal or along the length of the arena shall not exceed 0.60 meters. It is recommended that the difference in elevation along the short side of the arena shall not exceed 0.20 meters.
2. The Standard Arena is 60 meters long and 20 meters wide. The Small Arena is 40 meters long and 20 meters wide. Arena measurements are for the interior of the enclosure.
3. The enclosure itself must consist of a low fence about 0.3 meters high and must be completely enclosed, except for the entrance at "A". The width of the entrance must be at least two meters.
4. The fence should be such to prevent the horse's hooves from becoming entangled and arena stakes, if used, must be covered with a ball or similar object so as to prevent injury. Rope, concrete or unbreakable chain fencing is not allowed.
5. The part of the fence at A should be easy to remove to let the competitors in and out of the arena in a suitable way. The part of the fence at A can remain open except at Federation/USDF Championship classes.
6. Except for the letter "A", the letters outside the enclosure should be placed about 0.5 meters from the fence and clearly marked. So that the judges can note the exact point on the track opposite each letter, it is compulsory to place a marker on the fence itself, level with and in addition to the letter concerned. It is not permitted to place the letters on the arena fence, however, one-sided (flat) letters may be placed on the wall of an indoor arena when such an arena is permitted under(7) through (9) below. The letter A should be placed at least five meters away from the arena.
7. No publicity is permitted anywhere on the arena fence. It is permissible to decorate the letters with flowers or greenery to enhance the appearance of the arena, however, letters must be visible from all sides at Level 3-5 competitions.
8. It is recommended that arenas be separated from the public (people, horses and other activities) by a distance of not less than 15 meters, with a minimum allowed distance at any point around the arena of 3 meters. For indoor competitions, the recommended minimum distance from the public is 3 meters, with a minimum allowed distance at any point around the arena of 1.5 meters. For Level 1 and Level 2 competitions, where tall solid walls preclude public access or visibility, arenas are exempt from this requirement. Indoor and outdoor arenas must be separated by a minimum of 5 meters at Level 3-5 competitions and 2 meters at Level 1-2 competitions.
9. Where severe inclement weather threatens to disrupt participation in the competition due to concerns for footing or safety, Level 3-5 competitions are permitted to follow the same arena specifications as in #8, above.
10. A modified arena is one that is not exactly 20x60 meters or 20x40 meters, as required for the particular level and test. Use of a modified arena is permitted only for Level 1-2 competitions and only when the dimensions of the arena to be used are clearly specified in the prize list. When a modified arena is used, it must not be shortened more than five meters in length or more than two meters in width. However, for all competition levels, Qualifying, Championship, USEF High Performance Championships, qualifying and selection trials and Freestyle classes must be held in an unmodified standard size arena
11. Entry and exit must be at "A" for Level 4-5 competitions. For Level 1-3 competitions: If competitors enter and exit at any location other than "A", the arena fence must be completely closed for the duration of the ride.
12. For all classes or tests where the arena size is optional or may be modified, the size must be stated in the prize list.
13. The following tests and classes must be held in a Standard Arena:
 - a. Federation First Level Dressage tests and above, FEI Dressage tests; and musical freestyles, except

those tests written for a small arena.

b. Federation/USDF Qualifying and Championship Classes at all levels

14. At the discretion of competition management, all tests for Para Equestrians may be ridden in a Standard arena. (Exception: Grade I - II freestyle tests must be held in a small arena. Grade III - IV freestyle tests must be held in a standard arena.) The arena sizes to be used must be indicated in the prize list. For the USEF National Para-Equestrian Championships and Para-Equestrian Selection Trials, all tests for Grades IA, IB and II must be ridden in a small arena and Grades III and IV must be ridden in a standard size arena.

g. Location of Judges.

1. If there is only one judge he is preferably placed a maximum of five meters and minimum of three meters from the end of the arena and must be opposite the letter C. Except in Young Horse and Rider Tests, when two judges are used one is placed at C and the other at B or E, preferably a maximum of five meters and minimum of three meters opposite the letter. When three judges are used, one is placed at C, the second at B or E, and the third must be placed at the end of the arena on a line with the judge at C and 2.5 meters in from the edge of the long side of the arena at H or M (If the second judge is at B, the third should be at H and vice versa). If this is not possible, judges should be placed at the end of the arena, one at C, one 2.5 meters in from the long side of the arena at M and the other 2.5 meters from the long side of the arena at H.
2. At indoor competitions, judges must be placed a minimum of 3 meters from the arena, unless modifications

DR - DRESSAGE DIVISION

are permitted by application to the Federation Dressage Committee.

3. Except in Young Horse tests and Rider Tests, a separate enclosure (booth, tent, trailer) or platform for indoor classes must be provided for each judge.
 4. Each judges booth or platform must be raised at least 0.5 meters (20 inches), for Freestyle Tests possibly a little higher, above the ground to give the Judge(s) a good view of the ring.
 5. The booth/hut/platform must be large enough to accommodate three people except that the booth at C must accommodate four people for Young Horse Championship classes.
 6. Judges' booths placed at E and B must be equipped with side windows.
 7. The jury for the FEI Dressage Tests for 4, 5, and 6-year-old horses and USEF Dressage Test for 4-year old horses, and Rider Tests, must be seated together at "C" and may comprise a maximum of three judges.
 8. Judge booths or platforms must be separated from other arenas by a minimum distance of 3 meters.
- h. Footing Maintenance.
1. Competition management must make every effort to provide the best possible footing in competition and schooling areas.
 2. Provisions should be made (by having on hand proper equipment and scheduling sufficient breaks in the schedule) to maintain throughout the competition the footing in all riding areas by dragging, watering and, if necessary, raking.
- i. Ring Stewards and supervision of schooling areas.
1. Management must appoint ring stewards to check saddlery and inspect bits and spurs, on both sides of the horse, in each class at the direction of the technical delegate and in accordance with DR121.9.
 2. When a competition operates two or more rings or warmup areas, the competition must have a sufficient number of stewards to adequately monitor all schooling and warmup areas, as well as competition rings.
 3. Schooling and warmup areas must be monitored by stewards starting at least 30 minutes before the first scheduled ride.
 4. Bit inspectors must use a new disposable protective glove on each hand for each horse. Gloves must be provided by competition management.
 5. When communicable disease is a concern, any deviations to established saddlery inspection protocol must be approved by the USEF Dressage Department prior to the competition.
 6. In USEF/USDF Championship classes, a steward must be appointed to check the saddlery and bits of each horse immediately after it has completed its test and has left the arena, and any discrepancy to the saddlery rules will entail immediate elimination. (See DR121.9)
- j. Miscellaneous.
1. Management must provide judges and technical delegates with copies of Federation Presidential Modification letters they have received, prior to the classes where those riders compete under those judges. Competitors will not be allowed to compete with modifications unless a copy of their Presidential Modification letter is provided to the competition secretary by the beginning of the competition.
 2. Background music, of a suitable composition and volume so as not to disturb the competitors and judges, may be played during all classes except when freestyle music is being played. Specific background music may not be requested or supplied by competitors for their rides except for freestyle tests.
 3. It is strongly recommended that organizers avoid running freestyle classes at the same time as non-freestyle classes that are held in close proximity.
 4. A separate number must be issued for each horse/rider combination. Horses or riders are required to display

only one number and may not be penalized for displaying only one number. See GR1213.11.

2. Specific requirements for Dressage Competition Levels.

a. Categories and Criteria.

1. Dressage Competitions or Regular or Local Competitions with open dressage classes must be categorized into one of five levels based on classes offered and mandatory criteria for each level:
 - a. Level 5 - required for CDIs/CPEDIs, USEF High Performance Selection Trials (Intermediaire I-Grand Prix, ParaEquestrian) and USEF National Championships.

 - f. Level 1 is primarily intended as an introduction for new competitions wishing to hold a USEF licensed competition with fewer mandatory requirements.
 - g. If standards will be at a lower level for eligible classes at competition Levels 3-5, the competition prize list must state which classes and which criteria will be at a lower level.
2. Holding classes of a lower level is optional at competition Levels 3-5.
 - a. Standards for all non-CDI/CPEDI classes at a Level 5 competition must be Level 3 or higher.
 - b. At a Level 4 competition, Level 4 standards are required for High Performance and Regional Championship classes; standards for all other classes must be at Level 3 or higher.

 - d. At a Level 2 competition, standards for all classes must be at Level 2 or higher.
 - e. At a Level 1 competition, standards for all classes must be at Level 1 or higher.
3. Specific criteria for each competition level are listed in the Dressage Levels chart (see DR126.3). The chart indicates which criteria may be at a lower level for eligible classes at a Level 3, Level 4 or Level 5 competition.

b. Management, Officials and Staff.

1. The manager of a Level 3, Level 4 or Level 5 Dressage Competition must be eligible according to the criteria listed in DR126 and listed in the Dressage Levels chart (see DR126.3).
2. The secretary of a Level 3, Level 4 or Level 5 Dressage Competition must be eligible according to the criteria listed in DR126 and listed in the Dressage Levels chart. Specific duties of Dressage Competition Management are listed in the Dressage Levels chart (see DR126.3).

SPECIAL COMPETITIONS

DR127 USEF/USDF Qualifying and Championship Classes and USEF/USDF National Championships for Dressage

1. The Federation recognizes special competitions for Dressage Championships. Competitions licensed by the Federation in the Competition category of “Dressage Competition” and who wish to hold qualifying classes for one or more of these Championships should request information from the International Disciplines Department at the Federation or from USDF. Dressage Competitions offering these classes shall make a complete report to the Federation and to USDF in order that membership and horse recordings can be checked. Complete results must be submitted to the Federation and USDF in compliance with GR1214, including names, addresses, individual membership numbers and horse recording numbers of all class entries and the number of all ribbon winners.
2. Unless specified otherwise in published selection procedures, all qualifying competitions for USEF/USDF Championships are open only to horses that have been recorded with the Federation, ridden by Junior Active, Senior Active, or Life Members. Annual or lifetime Horse Recording is required and horses with only HID numbers are not eligible. Horse owners must also be Junior Active, Senior Active or Life Members. Responsibility to record their horse(s) with and become members of the Federation rests entirely with the competitors. Qualifications will not count until the applications and fees for the horse’s recording and rider’s and owner’s Junior Active, Senior Active, or Life Membership are received by the Federation, unless submitted according to the provisions of GR203.1 and GR1309.1. Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in GR1102.3, and transfers of ownership or lease registrations must be completed in compliance with GR1105 and GR1108 prior to the competition in order for the horse to compete under the name of the new owner or lessee. It is further provided that for qualifications to count with respect to any competition, such materials and fees must be received by the Federation office on or before the first recognized day of such competition, unless submitted according to the provisions of GR201.7 and GR1309.1. Qualifications are not retroactive. Competition secretaries of Federation Dressage Competitions are responsible to the Federation to ensure that horses in qualifying and championship classes are recorded in compliance with GR1102 and riders and owners are current members of the Federation and meet other requirements as set forth in the description of the Championship Classes, including that USDF membership and horse registration requirements are current. Copies of documents submitted by competitors to verify Federation and USDF membership and horse recording must be available to the Technical Delegate in the competition office. Information on USDF membership and horse registration requirements is available through the USDF office. Affidavits will not be accepted for Federation or USDF membership or horse recording verification purposes for entry in Championship classes.
3. Competition Managers of Federation Dressage Competitions which hold USEF/USDF Qualifying and/or Championship classes are responsible to the Federation for knowing and complying with all Federation rules and USDF guidelines regarding qualifying and/or championship classes. Technical Delegates for these competitions must investigate incidents of non-compliance and report violations to the Federation.
4. Qualifying classes may be offered only at Level 1 through Level 5 Dressage Competitions. Qualifying classes may not be offered in Regular Competitions or in breed-restricted classes of any Federation competition. Qualifying classes may be offered at Training through Grand Prix levels, including USDF and FEI Freestyles, and must be the highest or single test of the level or included in a USDF-approved list of classes. Eligible competitors must be given the option to enter the class as “USDF qualifying” for a maximum additional fee of \$10, which must be paid prior to the start of the class. Only one ride can be required and a maximum of one entry fee charged for the class in addition to the \$10 USDF qualifying fee. Horse/rider combinations may enter **more than** one test, and Freestyle, at each level per day as “USDF qualifying”. Championships must be offered according to USDF Championship

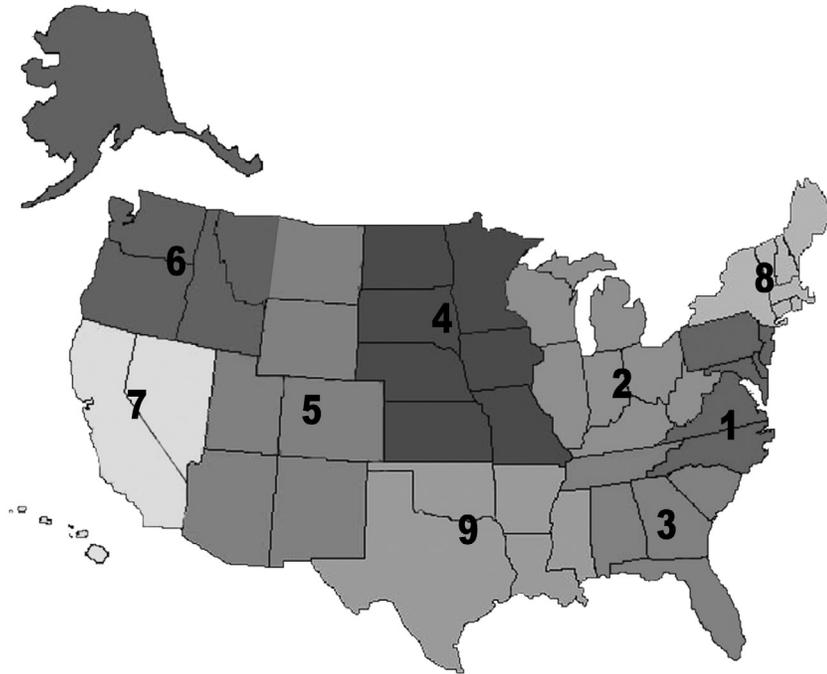

DR - DRESSAGE DIVISION

specifications. Each USEF/USDF Qualifying and/or Championship classes must be designated as such in the prize list and in the competition results. During each USEF/USDF Regional Championship, only one class per division and/or level may be held to determine USEF/USDF Regional Champions. Yearly specifications for USEF/USDF Qualifying classes and Championships will be published by USDF and the Federation and may be requested from USDF. If a rider intends to enter an Adult Amateur Championship, he/she must be an Adult Amateur by Federation definition and must provide proof to USDF and to competition management (see GR106 and GR1306). *BOD 1/16/16 Effective 12/1/16*

5. In the fall of the year, Championships will take place at designated USEF/USDF competitions. A horse may not be entered in more than one USEF/USDF Regional Championship at particular levels in the same calendar year. Having won a USEF/USDF Regional Championship three times (in any region over their lifetime), a horse/rider combination may no longer compete in USEF/USDF Regional Championship competition at that or a lower level (Grand Prix Level excepted), if they received the minimum qualifying score or higher for that division and level in the championship test.
6. *Under penalty of disqualification from all championship classes for the horse/rider combination, at* no time during a USEF/USDF Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (Exception: grooms riding on loose rein). Further, any horse entered in a Championship competition, even if entered at two levels, must be ridden by the same rider throughout the competition. *BOD 8/29/16 Effective 12/1/16*
7. Entries in USEF/USDF Dressage Championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined below and published by USDF. Competitors who are properly qualified, whose completed entries are received by the Closing Date for a particular Regional Championship and who have complied with all Championship rules may not be denied entry into the Regional Championship class(es) for which they have qualified. Only one class per division and/or level may be held to determine USEF/USDF Regional Champions.
8. All horses competing in Regional Championships classes must remain on the competition grounds from the time of entry to the grounds and for the duration of their Regional Championships classes. If required to remain overnight, horses must be stabled on the competition grounds.
9. The rider/horse combination qualifies for the Championship competition. If a new rider wishes to compete with the horse at the Championships, he or she must requalify.
10. In the event of a tie (equality of total points) for Champion and/or Reserve Champion in USEF/USDF Championships classes, the collective marks after coefficients have been applied will determine first, second and/or third places (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.) If collective marks are equal the tie will remain unbroken (i.e., two first places will be awarded, next third place, etc.) Ties (equality of total points and total collective marks after coefficients have been applied) after second place will be broken by collective marks. Ties (equality of total points and total collective marks after coefficients have been applied) occurring in 3rd-8th place will remain unbroken. In the case of a tie (equality of total points and total collective marks and total collective marks after coefficients have been applied) for Champion, prize money designated for Champion and Reserve Champion will be combined and divided equally between the competitors.
11. Specifications for Qualifying and Championship Classes. Specifications for Qualifying and Championship classes are published on the Federation and USDF websites and may be requested from USDF.
12. The Selection Criteria, Host Site Application and Championship Specifications for the National Championships for Dressage are available from the Federation International Disciplines Department.
13. Unless otherwise indicated, all Federation rules for USEF/USDF Qualifying and Championship classes will also

apply to the National Championships for Dressage.

- d. 14. The selection of judges and technical delegates for the National Championships for Dressage is a responsibility of the Federation, after consultation with the Championships Organizing Committee.
- e. 15. USEF/USDF Regional Championships will be licensed/recognized according to the following map of USDF regions.

DR128 USEF National Championships

1. Special rules for USEF National Championship program qualifying and championship classes are listed in the Selection Procedures for each program. These documents are updated annually and posted on the USEF website.
2. For USEF qualifying for **Children**, Pony Riders, Juniors, Young Riders and Brentina Cup (Young Adults), at no time during the competition, may any horse entered in a USEF Qualifying class be ridden by anyone other than the athlete entered in that class on that horse, under penalty of disqualification from the class for USEF championship qualifying purposes. For USEF championships for **Children**, Pony Riders, Juniors, Young Riders and Brentina Cup (Young Adults), at no time during the competition, may any horse entered in a USEF Championship class be ridden by anyone other than the athlete entered in that class on that horse under penalty of elimination from the USEF championships. Exception: grooms riding on a loose rein. For purposes of this rule, the competition starts when horse and athlete arrive on the show grounds. This rule also applies for NAJYRC and USEF High Performance (HP) qualifying competitions and classes. *BOD 11/7/16 Effective 12/1/16*
3. Horses competing in Level 4-5 classes (for example: USEF/USDF Regional Championships classes and USEF National Championships classes) must be stabled on the grounds of the competition and must remain on the grounds for the duration of the event from the time of entry until the horse has finished competing in championship classes.
4. The Developing Horse Prix St. Georges and Developing Horse Grand Prix tests must be offered in USEF Qualifying competitions as separate classes and cannot be offered as a Developing Horse Test of Choice class. Young Horse qualifying tests (USEF Four-Year-Old Test, FEI Five-Year-Old Final Test and FEI Six-Year-Old Final Test) must be offered as separate classes and cannot be offered as a "Young Horse Test of Choice" class. All other USEF National

Championship qualifying and championship tests must be offered in separate classes.

DR129 Musical Freestyle Ride

1. Scoresheets for FEI level Freestyles may be obtained from the Federation office or from the FEI web site. Score-sheets for Federation level Freestyles may be obtained from the USDF office. Freestyles at Training Level and above may be offered at Federation licensed Dressage Competitions. Current FEI and USDF scoresheets must be used and any changes will come into effect at the time of their release, and those changes will supercede the previous scoresheets. Except for 7.a, 7.d, and 7.f below, the following rules apply to both Federation and FEI level Freestyles. The FEI has published "Directives for Assessing the Degree of Difficulty in a Freestyle Test" which has information on the judging of Freestyle tests and is available on the Federation website. Additional information on the execution and judging of Federation level Freestyles is listed on the USDF scoresheets.
2. For time allowed, see individual score sheets. At the beginning and end of a Freestyle Test a halt with a salute is compulsory. Time begins when the horse moves forward after the competitor's halt and ends with the final halt and salute.
3. Equipment and attire must be dignified and conform to the requirements set forth for the corresponding Federation or FEI level. Under penalty of elimination, a rider's hat may not be intentionally removed.
4. Riders are not required to submit a written copy of the ride.
5. The highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner.
6. Music
 - a. Music is mandatory. It is the responsibility of the competitor to select the appropriate music for the ride and present to competition management a compact disc (CD) recording, to be given to the announcer at least two (2) hours prior to the start of the class.
 - b. Sound checks must be provided to riders in Freestyle classes for no fee, either on the day prior to competition or prior to their scheduled class. The requirements and timetable for scheduling sound checks must be published in the prize list.
 - c. Each rider will be permitted one representative in the sound system booth to supervise the handling of the CD if so desired by the competitor.
 - d. In case of rider's music failing before or during a Freestyle Test and in cases where there is no backup system, the rider can, with permission of the judge at "C", leave the arena or start at a later time. There should be minimum interference with the starting times of the other riders and the affected rider should return to complete or restart his/her test during a scheduled break in the competition or at the end of the competition. The rider may decide whether to restart the test from the beginning or to commence from the point where the music failed. Judging must restart at the point of interruption. In any case, the marks already given will not be changed.
 - e. Under penalty of elimination at the discretion of the judge at "C", a rider must enter the arena within 20 seconds of the music starting. Exception: For USEF High Performance qualifying and selection trials, see DR122.5. The music must cease at the final salute.
7. Movements
 - a. In FEI Level Freestyles, the competitor must include all gaits and movements required on the FEI score sheet at the level shown. Current FEI rules apply. Failure to include required movements will result in a zero (0) score on the appropriate line.
 - b. Any movements included in tests at or below the level declared may be included in Freestyle rides but those not specified as compulsory movements on the score sheet will be scored only as they enhance or detract from the Artistic Impression.
 - c. Riders should note that it is compulsory to come into and out of the canter pirouette in canter in a straight line for

the technical mark to be given. Walking into and out of the canter pirouette or pirouettes performed from lateral movements will be considered only in the artistic marks.

- d. In FEI Level Freestyles, movements intentionally performed above the level declared shall be penalized by elimination, preferably immediately. Exceptions for FEI Para-Equestrian Freestyles performing movements above the level are noted on the FEI Para-Equestrian tests. A rider showing more than one half-pirouette (i.e., more than 180 degrees) in one continuous movement in the Young Rider Freestyle Test or a rider showing more than one full pirouette (i.e., more than 360 degrees) in one continuous movement in the Intermediate I Freestyle Test, will receive “0” (zero) for the whole movement and the scores for choreography as well as the degree of difficulty cannot be higher than “5”. See DR124.1m.
 - e. Once a movement has been included in the tests of the Freestyle level declared or those below, it can be shown at any location in the arena (for instance, pirouettes on the center line in Intermediate I) or at sharper angles (half-pass) or in greater numbers (tempi changes) to enhance the degree of difficulty.
 - f. Grand Prix Freestyle Tests. Besides all the Grand Prix level movements, double pirouettes, pirouettes in piaffe and half pass in passage are allowed. A rider showing more than a double pirouette (i.e., two pirouettes of more than 360 degrees each) in one continuous movement, will receive a “0” (zero) for the whole movement and the scores for choreography as well as the degree of difficulty cannot be higher than “5”. A rider showing other non-permitted movements in FEI Level Freestyles must be disqualified. One Piaffe has to be shown straight (minimum 10 steps). If the Piaffe is only shown as a Pirouette, a minimum of 10 steps is to be shown before or after turning. Passage shown in Half Pass is not considered as the compulsory passage. Scores and credit for transitions will only be given for the sequence “passage, piaffe, passage”. Airs above the ground and Canter “Terre a Terre” are not allowed. Flying changes must be shown in at least 5 consecutive changes every second stride and minimum nine changes at every stride.
 - g. Mistakes, such as in tempi changes, should not be penalized as exceeding the degree of difficulty of the level shown but only as they affect the technical marks.
8. When two or three judges officiate in a class, they may be located either on the short end of the arena (i.e. H/C, C/M, or H/C/M) or one may sit on the long side (i.e. C/B, E/C, H/C/B or E/C/M).
 9. Except for USEF/USDF Championship classes and for FEI Pony Riders, FEI Junior, FEI Young Rider and FEI Para-Equestrian Freestyles, in order to enter a freestyle class at any level, a horse/rider combination must have received a minimum score of 60% in the highest test of the declared freestyle level or any test of a higher level at a Federation Licensed or FEI recognized Dressage Competition or “open” Dressage class (i.e. open to all breeds) at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class. A photocopy of the test verifying eligibility must be submitted with the entry for a freestyle class.
 10. If Grand Prix Freestyle class is offered at a competition, at least one Grand Prix class must be offered and scheduled prior to the Freestyle (DR126.1.b.6). Additional competition management requirements for freestyle classes are listed in DR126.1.b.6, DR126.1.f.13a, DR126.1.g.4 and DR126.1.j.2-3.
 11. All judges of a freestyle test at any level must judge both artistic and technical parts of the test.

DR130 Quadrille and Pas de Deux

Refer to USDF Quadrille and Pas de Deux and Guidelines for specific information regarding attire, saddlery, equipment and judging specifications for compulsory quadrille tests, freestyle quadrilles, special costume freestyle quadrilles and Pas de Deux. Current USDF rules must be followed. If horses in Quadrille and Pas de Deux classes are not the same level, the lower level horse determines which Quadrille or Pas de Deux level the team may enter. The lower level horse must enter no more than two consecutive levels in accordance with DR119.2, including their Quadrille or Pas de Deux level. The upper level horse is exempt from the “two consecutive level” requirement and may

DR - DRESSAGE DIVISION

compete at any dressage level for which they are otherwise eligible during the same competition. For example, a Prix St. Georges horse and a horse competing at Second and Third Levels may enter a Pas de Deux class no lower than Second Level.

DR131 Dressage Derby

This is a contest in which the riders may expect to change horses. It is conducted in two parts: 1) all riders ride a special test (usually short five minutes); 2) the four highest-scoring riders bring their horses to a special area and prepare to ride the test on each of the other three horses. An order-of-go is established and posted. The rider may not mount the horse he is assigned before entering a practice area (either in front of the judge or in an adjacent supervised area). Each rider will be given the same amount of time to familiarize himself with his mount before beginning the special test. Scores will be posted for each rider on each horse including his own. The winning rider will be the rider with the highest total score (four rides). There may also be an award to the winning horse, the one with the highest total for the four rides in which it appeared.

DR132 Suitable to Become a Dressage Horse

Open to horses that have not competed in any test above the First Level that are under seven years of age. To be shown at a walk, trot and canter both ways of the ring. To be judged on the horse's potential to become a Dressage mount. Horses are placed and no actual scores are awarded.

DR133 Dressage Seat Equitation

1. Dressage Seat Equitation classes. May be offered for Juniors, Young Riders, Adult Amateurs and/or Open riders according to the following specifications:

- a. Medium walk, working trot and canter both ways of the ring must be performed. Equitation classes may also be offered that are limited to medium walk and working trot. However, Dressage Seat Equitation classes cannot be held as Opportunity classes. The rider's position, seat and specifically the correct use and effect of the aids required by the Training and First Level Dressage tests are to be judged as outlined in DR117.1.
- b. The movements shall be performed by the exhibitors simultaneously; however, the judge may ask for independent tests as listed below in DR133.2.i(4)-2.i(5).
- c. No change of horses shall be required.
- d. Whips and spurs are allowed. Horses shall be shown in plain snaffle.
- e. The size of a group shall be limited to no more than 25 riders. Groups may be divided into smaller sections, at the discretion of the judges, for safety and convenience. Judges may limit the number of horses required to canter at the same time, at their discretion.
- f. Only the rider is judged, however, lameness of horses will be penalized per DR122.6.
- g. Prizes are awarded to the rider, not the horse owner.
- h. Back numbers must be provided to Equitation riders and they must be positioned to be clearly visible at all times.
- i. Judges are required to give a final percentage score to all riders competing in the class.
- j. USEF Dressage Seat Equitation scoresheets must be used.
- k. Stallions may not be ridden in Dressage Seat Equitation classes.
- l. Classes should be held in an enclosed ring that is larger than a standard dressage arena, if available. If such a space is not available, an open schooling area is permitted. If classes must be held in a dressage arena, it must be at least 20m x 60m, and no more than 6 horses shall be asked to canter at the same time.
- m. Judges are encouraged to provide verbal comments to riders after the class, but scoresheets must not be posted.

2. Dressage Seat Medal Program

- a. The purpose of the program is to promote and reward correct seat, position and use of aids in dressage for Junior riders.
- b. Dressage Seat Medal Semi-Final Classes will be offered for Juniors in each of the nine USEF/USDF Regional Championships. One Semi-Finals class will be offered for Juniors ages thirteen and under and a second

DR - DRESSAGE DIVISION

Semi-Finals class will be offered for Juniors ages fourteen through eighteen. A Regional Champion and Regional Reserve Champion will be named from each Semi-Finals class in each USDF region.

- c. The top two riders in each Semi-Finals class will qualify to advance to the annual Federation Dressage Seat Medal Finals, which will be held in conjunction with the Federation Junior Dressage Team Championship or other designated competition. In case one of the top two riders in either Semi-Finals class does not compete in the Finals, the third placed rider in the respective class will be allowed to compete. Two finals classes will be held; one for Juniors age thirteen and under, and the other for Juniors age fourteen through eighteen. A National Champion and National Reserve Champion will be named from each Finals class.
- d. Juniors who are named Regional Champions and Reserve Champions at age 13 or 18 will be eligible for the next year's final in the respective age group in which they qualified.
- e. Federation Dressage Seat Medal Semi-Finals and Finals classes must be held on a weekend.
- f. Qualification.
 1. Prior to 2012, Semi-Finals riders must have qualified to compete in the Semi-Finals according to the criteria approved by the Federation Board of Directors. Effective August 1, 2011 for 2012 Semi-Finals and thereafter, riders must qualify for the Semi-Finals according to criteria established by USDF and approved by the Federation Board of Directors. The criteria listed below in 2.f.(2)-2.f(4) apply under both qualifying methods.
 2. Rider: Must meet the current Federation definition of Junior, for purposes of competition in the Dressage Division, i.e., a rider is eligible until the end of the calendar year in which he/she reaches the age of 18. (DR119.3) will be eligible to compete in a Dressage Seat Medal Semi-Final class in the appropriate age group. A rider is eligible for the 13 and under Semi-Final class until the end of the calendar year in which he/she reaches the age of 13. A rider is eligible for the 14 through 18 Semi-Final class from the beginning of the calendar year in which he/she reaches 14 until the end of the calendar year in which he/she reaches the age of 18. Riders in Finals and Semi-Finals classes must be a USDF Participating Member and USEF competing member.
 3. Horse: There are no special qualification, ownership, or registration requirements for horses or ponies that compete in Dressage Seat Medal Semi-Finals or Finals classes, other than the standard USEF and USDF requirements to enter a competition. An eligible rider may compete on any horse or pony of any level in Semi-Finals and Finals. Horses competing in Semi-Finals and Finals classes must have either a USEF HID or be USEF Recorded and must have a USDF HID or USDF Lifetime Horse Registration. The same horse or pony is not required for the Semi-Finals and the Finals. Substitution of horse or pony is permitted at any time before the start of a Semi-Finals or Finals class, as long as the appropriate change is made through the competition secretary to the entry records.
 4. Horses and ponies may be ridden by only one rider in each division, but may compete in both divisions.
- g. Championship Rules.
 1. A rider may compete in only one Semi-Finals class at one Regional Championships competition.
 2. Borrowed horses are permitted in both Semi-Finals and Finals classes.
 3. Two Federation Registered (R) or Senior (S) judges, one of whom must have USEF Dressage Equitation certification, will officiate together in each Semi-Finals class, using the same scribes and the same class score sheet. Three Federation Registered (R) or Senior (S) judges will officiate together, as above, in each Finals class. Judges should evaluate riders separately from different positions in the ring and then all judges must consult together prior to arriving at final scores. Finals class judges must be approved by the Federation Dressage Committee.
 4. USEF Dressage Seat Medal class score sheets must be used. The final score for each rider must be posted at the conclusion of the class.
 5. Tied scores in a Dressage Seat Medal Semi-Final and Final class will be broken by requiring riders to perform

an additional independent test, which will be scored by all judges together. The higher score on the additional independent test will receive the higher placing.

6. Dressage Division rules will apply, in particular:
 - a. Saddlery, Equipment and Dress as required for First Level, except as specified in .h below.
 - b. Unauthorized Assistance as defined in DR122.10 is prohibited.

Whips and spurs are permitted in both Semi-Finals and Finals classes, as well as other equitation championship classes, and all riders must wear a short jacket as described in DR120. Protective headgear, as described in GR801, is required for participation in both Semi-Finals and Finals classes, however, the Federation, Show Committee and Licensed Officials are not responsible for inspecting headgear worn for such compliance. All other dress, saddlery and equipment rules for First Level horses and riders in competition and warm-up must conform to DR120 and DR121, except that horses also showing in dressage classes at Third Level and above may warm up for those classes in a simple double bridle.
- i. Class Specifications.
 1. The rider's position, seat and use and effect of the aids will be judged as described in DR117.
 2. Movements shall be performed by the exhibitors simultaneously; however, the judges may ask for independent execution of certain tests. All instructions must be publicly announced.
 3. Riders must be judged at the medium walk, working trot (sitting and rising), and working canter in both directions. When rising trot is permitted or requested, the rider should change the diagonal when changing directions, except during a lengthening. The correct diagonal is considered to be when the rider is sitting when the outside front foot and inside hind foot are on the ground.
 4. In judging the position, seat and use of aids, judges may include the following movements and exercises as required at Training and First Level:
May be ridden as a group:
 - a. Free walk
 - b. Transitions from one gait to the next in both directions
 - c. Transitions from walk to halt and vice versa
 - d. Change of direction across the diagonal, down the centerline, across the arena, and/or by making a half-circle at the walk or trot
 5. Additional tests from which judges may choose movements and exercises, as required at Training and First Level, to be ridden in small groups or independently:

 - b. Leg yield
 - c. Changes of lead through trot
 - d. Serpentine at the trot
 - e. Shallow loop serpentine with counter canter
 - f. Trot lengthening and/or canter lengthening
 - g. Riding without stirrups
 6. In Semi-Finals classes, it is not required that all riders in a class perform independent tests. The judges may, at their discretion, choose to require independent tests, and they may select any number of riders in the class to perform one or more independent tests. However, independent tests must be required of each rider in

DR - DRESSAGE DIVISION

Federation DSM Finals classes.

7. No change of horses shall be required in Semi-Finals or Finals competition.
 8. The number of horses required to work at the same time shall be limited to no more than 25. Groups may be divided into smaller sections, at the discretion of the judges, for safety and convenience. Judges may also limit the number of horses required to canter at the same time, at their discretion.
- j. Competition Ring.
1. Dressage Seat Medal Semi-Finals and Finals classes may be held in an enclosed ring that is larger than a standard dressage arena, if available. If such a space is not available, an open schooling area is permitted. If classes must be held in a dressage arena, it must be at least 20m x 60m, and no more than 6 horses shall be asked to canter at the same time.

DR134 Materiale Class

1. Dressage Competitions may offer Materiale classes in the following categories: Three-year old Fillies, Three-year old Colts and Geldings, Four and Five-year old Mares, and Four and Five-year old Stallions and Geldings. Classes for fillies and mares may not be combined with classes for colts, geldings or stallions.
2. Horses will be evaluated according to the criteria listed on the "USDF Materiale Class Scoresheet," and classes must be conducted according to the USDF "Procedures to Host USDF Materiale Classes".
3. When Materiale classes are held at a Dressage Competition that offers only Dressage classes, or both Dressage and Dressage Sport Horse Breeding classes, they may be judged by any classification of Dressage judge.

DR135 Pony Measurement

1. Any animals not over 148 centimeters without shoes, or 149 centimeters with shoes are classified as ponies. All other animals are classified as horses.
2. A copy of the Federation Standard or Temporary Measurement card must be submitted with the entry for each pony possessing a measurement card and competing in order to be eligible to compete in Dressage classes, tests or awards limited to ponies or Dressage Sport Horse Breeding classes, tests or awards limited to ponies. If a pony, age three or over, is not in possession of a fully and correctly completed measurement card or valid measurement form, the Competition Management must order the pony to be measured by an eligible Dressage Technical Delegate who is certified by USEF to conduct Dressage pony measurements, and the Competition Veterinarian, pursuant to GR505 and GR508. Effective December 1, 2009, Competition Management must require measurement by a USEF-certified Dressage Technical Delegate and the Competition Veterinarian if a current, valid measurement card or form is not submitted prior to the competition. A current, valid USEF Driving or Hunter/Jumper measurement card may also be acceptable as long as it is otherwise valid according to Dressage measurement requirements. Failure to allow the pony to be measured will result in the pony being disqualified at that competition from competing in pony classes or tests or for awards limited to ponies. The measurement must be reported to Competition Management, which must then disqualify the pony from the competition if it is over height if it competed in pony classes or tests, or for awards limited to ponies. All measurement forms must be submitted to the Federation once the measurement process has started, regardless of the recorded height of the animal and regardless of the measurement conditions.
3. A Federation Approved Measuring Stick with a metric scale must be used. All Level 3-5 Dressage Competitions must have a Federation Approved Measuring Stick on the grounds throughout the competition.
4. Measurements must take place at a Licensed Competition in which the animal is entered to compete.
5. At all competitions (including Levels 1-5) where pony tests, classes or awards are offered and the official veterinarian is on call or on the grounds, the prize list must include the time period when the official competition veterinarian will be available to conduct measurements. Alternatively, when the competition veterinarian is on call and an

alternative measurement time is necessary, management must receive a written request for measurement from the owner or agent at least five days prior to the start of competition. When the veterinarian is required to be on the grounds, the measurement request must be received prior to the start of competition. Management must schedule the competition veterinarian to conduct the measurement and may charge a fee for the measurement session which must be stated in the prize list. Management is permitted to charge a maximum fee of \$100 when measurements are conducted during a time when the competition veterinarian is on call and a maximum fee of \$25 when the competition veterinarian is on the grounds.

6. Measurements or re-measurements conducted for the purpose of competing in Dressage classes, tests or awards or Dressage Sport Horse Breeding classes, tests or awards must be recorded on the Federation "Combined Driving and Dressage Pony Measurement Form," according to GR505, GR506, and GR508, and the requirements on the form. Measurements must be taken and recorded in centimeters. A completed copy of the measurement form will be given to the owner or trainer at the time of measurement, except for "competition only" measurements.
7. The measurement specifications will be recorded by the Federation on a Certificate of Measurement. A copy of this Certificate will be sent to the owner of record.
8. Measurement may be required yearly from age three until the pony has reached the age of eight years. Animals three through seven years old will be issued an annual Temporary Certificate of Measurement. Animals eight years and older will be issued Standard Certificates of Measurement which will not need to be renewed. The provisions of GR502.7 will apply.
9. If a pony is in possession of a fully and correctly completed Measurement Certificate and the height is questioned by a competition official, the Technical Delegate must request, through the Federation, that the pony be remeasured by a licensed Dressage Technical Delegate and a Veterinarian who are approved by the Federation, pursuant to GR505, GR506, and GR508. Remeasurement must be made within 30 days of the request. The owner of a pony with a Standard and valid Measurement Certificate may also request re-measurement, through the Federation, under the provisions of this rule.
10. Animals submitted for measurement or remeasurement must show no evidence of lameness, and must be jogged for soundness prior to the measurement. Animals showing evidence of lameness are not eligible for measurement or re-measurement.
11. Prior to presenting the pony for measurement, it is the responsibility of the owner, and in his/her interest, to ensure that the pony is handled properly, accustomed to the application of a measuring stick, and correctly prepared for measurement.
12. The animal may be presented for measurement with or without shoes regardless of how it is shown and it must be presented in a halter.
13. Refer to Chapter GR5, Subchapter 5-B for membership and measurement form requirements. Measurement appeals must be conducted in accordance with GR514 and GR515.
14. Measurements are conducted solely for the purposes of Federation licensed competitions. The Federation, its licensed competitions and its licensed officials shall have no liability whatsoever for measurement errors, except as specified in GR1031.
15. All Level 3-5 Dressage Competitions and all licensed competitions holding Dressage classes, tests or awards limited to ponies or Dressage Sport Horse Breeding classes, tests or awards limited to ponies are responsible for providing a Federation Approved Measurement Stick, with a metric scale, and a suitable surface for measurements. A suitable surface is defined as a flat, level, hard surface, preferably a concrete slab or paved area. A sheet of plywood is not suitable. In addition, these competitions must contract a Dressage Technical Delegate to officiate the competition who is certified by USEF to conduct Dressage pony measurements.
16. Only a USEF-certified Dressage Technical Delegate officiating at the competition and the Competition Veterinarian

DR - DRESSAGE DIVISION

are eligible to conduct Dressage/DSHB pony measurements.

17. In order to be granted a license and/or maintain his/her license all Dressage Technical Delegate must have attended a Federation Dressage/DSHB Pony Measurement Certification clinic where certification testing to measure ponies for dressage or DSHB is conducted and passed the certification examination. Effective January 1, 2015, all Dressage Technical Delegates must attend a Federation Dressage/DSHB Pony Measurement Certification clinic at least once every four years in order to maintain his/her license. Refer to GR1050 for additional measurement certification requirements.
18. For informational purposes only: 148 cm is approximately 14 hands 2 1/4 inches and 149 cm is approximately 14 hands 2 3/5 inches.

DR136 Exhibition (Class or Demonstration)

1. An Exhibition may be held as either a recognized but unrated class or as a demonstration, under the following conditions:
 - a. Only exhibition classes held for the purpose of entertainment are permitted at Dressage competitions and are limited to costume classes (costume freestyle, quadrille, pas de deux, etc.), group or team competitions, and leadline classes.
 - b. Exhibition classes cannot be limited to any breed or registry of horse and cannot be held under the rules of any other USEF division or affiliate organization (exception: USDF).
 - c. Exhibition classes must be advertised in the prize list and may be judged and ranked. Exhibition classes that are judged or ranked must follow DR123. If an exhibition class is to be ranked for the purposes of ribbons or prize money, it must be judged.
 - d. If an exhibition class has multiple components, the dressage portion must be judged by a Dressage judge licensed by the Federation.
 - e. Results may not be counted for high score awards, championships or for Federation or Federation affiliate awards.
 - f. Exhibition class results must be clearly separated from competition results and noted as being from an exhibition class.
 - g. Entries in costume freestyle classes must be eligible according to Dressage Division rules, including DR129.
 - h. No more than two exhibition classes may be held per licensed competition day.
2. Exhibition demonstrations may also be held using horses individually, in groups or in entertainment acts. Such exhibition demonstrations cannot be held as a class.
3. Horses used in exhibition classes, demonstrations and retirement ceremonies are subject to the provisions of GR839, but are exempt from the dress and saddlery rules of the competition, except that protective headgear is required for all mounted participants in exhibition classes. Demonstrations that are educational or for entertainment purposes (e.g. vaulting, historical reenactments, trick riding) are exempted from the protective headgear rules except for those competitors riding horses who are entered in the competition.

DR137 Maiden, Novice, and Limit Classes.

1. Maiden, Novice and Limit classes or divisions are open to horse/rider combinations which have not attained one/three/six scores of 60% or higher, respectively, in Dressage classes at Federation or Equine Canada licensed competitions in the particular level in which they are shown.
2. The status of Maiden, Novice or Limit entries is as of the closing date of entries for any particular Licensed Competition.
3. Scores attained at a lower dressage level do not count in the reckoning of Maiden, Novice, or Limit status at a higher level, however, the same horse/rider combination cannot compete in Maiden, Novice or Limit classes or

divisions if they have previously competed at a higher dressage level in a Federation or Equine Canada licensed competition.

SUBCHAPTER DR-2 DRESSAGE SPORT HORSE BREEDING

The competition manager or secretary may own horses that compete in his/her own competition. The competition manager and secretary of Federation- licensed/USDF-recognized competitions must be current USDF Participating or Group members in good standing at the time competition recognition is granted and on the date of the competition.
8. When Dressage Sport Horse Breeding, Dressage or other classes or divisions are recognized by the Federation under the same competition number, duplicate Federation fees (drug, Show Pass, affidavit, etc.) may not be charged to exhibitors, regardless of whether different competition secretaries officiate in these classes or divisions. See GR407 and GR1213.6.

Judges must excuse horses with handlers and/or assistant handlers who are not properly identified.
7. Management is responsible for having one or more safety officers or ring stewards at the gate(s) of the competition arena(s) to monitor safe conditions for horses, handlers and spectators. Separate gates for entry and exit and separate holding areas for fillies/mares and colts/stallions are recommended. Reins must be attached only to bits as described in DR121.6. Noseband is optional. A split or single chain with a lead may be used instead of or in addition to reins, however a lead shank is required if reins are placed over the horse's neck and the handler must hold the shank. Horses under the age of two may be shown in halters, except as noted above and chain shanks may be used.

5. If the schedule permits, management may allow time for questions from competitors to judges at the end of the competition.
6. Each horse, including non-competing mares accompanying foals, must have a separate Handler or Assistant Handler at all times.
7. No horse that is not being judged may accompany another horse in the ring while being judged, except for a mare accompanying a foal or vice versa.
8. One number must be issued for each horse showing In Hand. A separate number must be issued to each entry (combination of horses) showing in group classes. Entries in Materiale and Under Saddle classes must be issued a separate number only if the rider did not also show the same horse in hand. See GR801.10 and GR1213.11. Horses or riders are required to display only one number and may not be penalized for displaying only one number.
9. A whip assistant may accompany horses in the competition ring.
10. Unauthorized assistance by individuals outside the competition ring is not permitted.

DR208 Competition Veterinarian

If the veterinarian is not immediately available, or not called upon, the judge's decision as to the serviceable soundness of a horse must be final. For further regulations governing Competition Veterinarian, refer to General Rules, GR1204.5, .6 and .7.

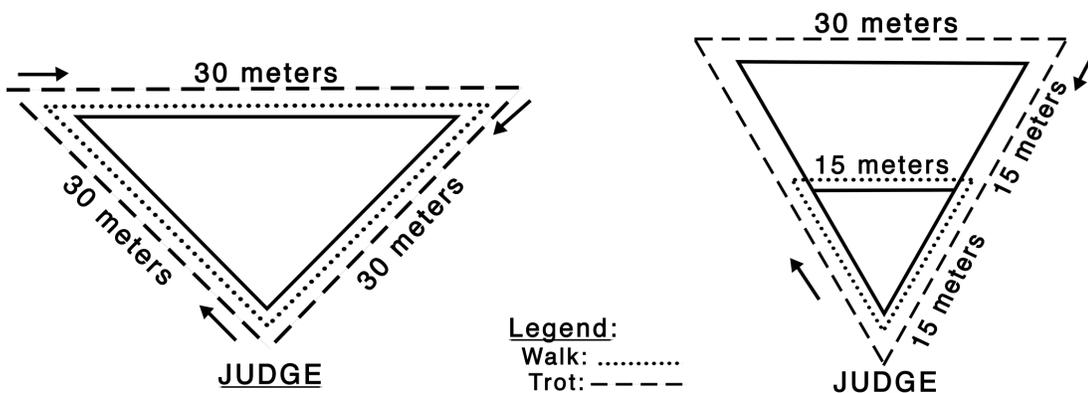

DR209 Conduct of Classes

 - a. Following a posted order, entries in each class will approach the judging area one at a time, walk to the apex

DR - DRESSAGE DIVISION

of the triangle, and await the judge's request to proceed on the triangle. The handler will lead the horse on the perimeter of the triangle at walk and trot, returning to the apex to stand the horse for conformation judging or to repeat any movement at the judge's request. Handlers are permitted to have one assistant if necessary. Repetition of all or any part of the movement on the triangle may be allowed at the judge's request only. At the completion of the judging, the handler will lead the horse away from the judging area. The next will enter the judging area promptly. The judge may elect to judge conformation either before and/or after judging the horse's movement on the triangle.

- b. The horse is to be shown in an "open position," i.e. with all four legs of the horse visible to the judge when standing on either side of the horse.
 - c. After all horses have been shown on the triangle, some or all may be recalled (depending on size, format and schedule of the competition) to be shown in groups at a walk and trot. If horses may be recalled, the prize list or program must state that this procedure will be used.
2. Horses being shown in-hand in groups.
- a. Groups will be examined one group at a time, but not necessarily on the triangle. At the discretion of the judge, they may be asked to move at the walk and trot, either in line or moving around the arena. Horses shall stand for conformation judging before and/or after completion of the horse's movement.

- b. The Judging Triangle: Two basic triangle designs are acceptable for presenting horses to the judge. Competition management may choose the triangle best suited for local conditions. Triangle corners should be well defined. Footing must be firm. Decorative fencing, plants or flowers are allowed. (Horses must travel to the right. The following diagram shows suggested use of triangle). The size of either triangle may be adjusted to meet local conditions, however, the back side of the triangle must be at least 25 meters in length and the other two sides must be at least 20 meters in length.
3. Under Saddle and Materiale classes. Depending on local conditions, these classes may be divided at the judge's discretion. See DR202.10.
4. Foals or horses in other age groups may not be shown loose.

DR210 Judging Specifications

- 1. In Hand Classes. (Dressage Sport Horse Prospect and Dressage Breeding Stock) Horses shall be judged at the walk and trot on the triangle, and standing for conformation.
- 2. Dressage Under Saddle Classes. Horses shall be judged at the medium walk, working trot and working canter in

both directions. Free walk may also be required by the judge(s).

3. Group Classes. Transmissible weakness or predisposition to unsoundness shall be penalized, commensurate with severity.
4. Scoring Categories. (Scoresheets for the following classes can be obtained from USDF.)
 - a. Dressage Breeding Stock and Group Classes. 50% Movement, 40% Conformation, 10% General Impression. Includes masculinity (stallion) and femininity (mare), development related to age, harmony (relationship of conformation to movement), athleticism (strength and mobility) and condition. Demonstrates good character, presence and temperament.
 - b. Dressage Sport Horse Prospect Classes. 60% Movement, 30% Conformation, 10% General Impression. Includes harmony (relationship of conformation to movement), athleticism (strength and mobility), development related to age and condition. Demonstrates character, presence and temperament necessary for training.
 - c. Dressage Under Saddle Classes. 60% Movement, 30% Conformation, 10% General Impression. Includes harmony (relationship of conformation to movement), athleticism (strength and mobility), development related to age and condition. Demonstrates character, presence and temperament necessary for training. Horses may be placed with no actual scores awarded.
5. Championship classes. More than one judge may officiate. The judge(s) will re-evaluate the entries, with or without awarding scores. All horses must be re-evaluated in the same manner, and all horses must be shown at the walk and trot (and canter, in applicable classes). In championship classes that are qualifying for the USDF Breeders Championship Series Finals, if all judge(s) for these championship classes have not judged all horses in their individual in-hand classes, the judge(s) must re-evaluate conformation in that championship class. If the number of entries is sufficient, a champion, reserve champion and third place reserve must be named in qualifying classes for the USDF Breeders Championships series. In USDF Breeders Championship classes, refer to USDFBC guidelines. Horses in USDF Breeders Championship classes must be shown individually on the triangle at the walk and trot, and standing for conformation. Each horse must be evaluated in the same manner and callbacks are permitted. Apprentice judging is prohibited in USDF Breeders Championship Series Finals classes.
6. Conformation is to be evaluated in terms of potential trainability, potential performance and predisposition to unsoundness. Function, not fashion, is to be emphasized. Weakness or conformation faults with a predisposition to unsoundness or to difficulties in training shall be penalized. Blemishes are not to count unless resulting from conformation faults.
7. Gaits are to be evaluated in terms of purity, quality and correctness. Purity and correctness are more important than brilliance at this level. Correct gaits contributing to ease of training and the horse remaining sound and usable are more important than gaits which are merely superficially flashy. Purity and quality are judged mainly in profile. Correctness is judged mainly while the horse is coming to and going away from the judges' position. Refer to DR101-DR105 for information on the criteria and quality of gaits.
8. Unsoundness. A horse shall be disqualified for unsoundness (at the judge's discretion in Dressage Breeding and Group classes).
 - a. In Dressage Sport Horse Prospect In Hand and Under Saddle classes, unsoundness is defined as showing evidence of lameness.
 - b. In Dressage Breeding Stock In Hand and Group classes, unsoundness is defined as showing evidence of lameness or broken wind.
 - c. Refer to DR119.1 regarding loss of sight.

DR211 Judging Procedures

1. Judge must use individual score cards for In-Hand, Group, Individual Breed and Amateur/Jr/YR Handler classes. Class sheets must be used for Materiale and Championship classes. In the case of a large under saddle class, judges

DR - DRESSAGE DIVISION

have the option of placing horses in order of ranking in line up or using individual or class score sheets.

2. When two or more judges are officiating, they may agree to use the same score sheets or class cards and agree on each score before informing the scribe, or they may judge independently. Class cards, rather than individual score sheets, are permitted for Under Saddle and Materiale classes only. At least two judges judging independently, using individual score sheets, are required for USDF Breeders Championship classes.
3. Decimals may be used in scoring.
4. Tied scores shall be broken first by referring to the totals of the movement scores. If still tied, the tie may be broken at the judge's discretion, by the use of decimals, or the horses may be examined again (movement only). If a class is judged by more than one judge, the judges may consult and arrive at one agreed upon placement.
5. Scores must be reported as a total based on the above percentages against a possible total of 100%, and all scores (if given) and placings must be published. Unofficial scores may be published during the class and/or final scores may be published at the end of each class. Except as noted above, all scoring and classification procedures of DR123 shall apply.

SUBCHAPTER DC-3 CLASSIFICATION

DC902 Competitions

1. At the conclusion of each Competition, the Athletes will be classified according to the penalties received in that Competition.
2. In each Competition, the winner is the Athlete with the least number of penalties.
3. Scores will be calculated to two decimal places.

DC903 Events

1. The Final Classification for individuals is determined by adding together the penalties received in each Competition. The Athlete with the lowest number of penalties is the winner of the Event.
2. Athletes who are Eliminated or Disqualified or who Retire or Withdraw in any one of the Competitions cannot be included in the Final Classification. They will only be listed on the result sheet as: Eliminated (E), Disqualified (D), Retired (R), or Withdrawn (W).

DC904 Equality of Scores.

If there is an equality of scores on completion of the three Competitions, the Athlete with the least number of penalties in Marathon will be classified above the others. If there is still an equality of points, the scores in Dressage will be the deciding factor.

DC905 Team Classification for Championships and CAIOs

This is determined by adding together the scores of the two Athletes in each National team with the lowest penalties in each Competition. Only the scores of those Team Members who have completed all three Competitions can be counted towards the final team scores.

DC906 Team Classification for Pony Championships

The Team classification will be determined by adding the final scores from the two Athletes in the Single Pony class and the Pair Pony class with the lowest penalties in each Competition and one Athlete in the Four-in-Hand class with the lowest penalties in each competition of the best team for Single, Pair and Four-in-Hands. Only those scores of the team

Members who have completed all three Competitions without Elimination can be counted towards the final Team scores.

DC907 Team Classification for Youth Championships

The team classification will be determined by adding together the final combined scores of the best team for one Junior and one Young Driver. Only those scores of the team Members who have completed all three Competitions without Elimination can be counted towards the final team scores.

DC908 Names of Horses

The names of the Horses must appear on all score sheets, including the name of the Reserve Horse.

DC909 Protests and Appeals

Protests: See FEI GRs.

Appeals: See FEI GRs.

For USEF-licensed National Events (CAN), see USEF GR603.

DC910 Official Results

Results are "official" as soon as they have been confirmed and signed by the President of the Ground Jury. See FEI GRs.

DC911 Principles

1. Penalties

The Rules concerning the Event and each Competition must be strictly enforced by the Ground Jury. Athletes who fail to comply with these Rules may incur Disqualification or Elimination, unless some other penalty is prescribed in the relevant Article.

2. Yellow Warning Card

Where there is abuse of Horses in any form or incorrect behavior towards Event Officials or any other party connected with the Event, the President of the Ground Jury, the President of the Appeal Committee and the FEI Chief Steward, as an alternative to instituting the procedures foreseen in the legal system, may deliver to the Person Responsible a Yellow Warning Card.

3. Disqualified (D)

Athletes and Horses may be Disqualified for contravening certain of these Rules at any time during an Event. An Athlete or Horse who has been Disqualified is prohibited from taking any further part in the Event or winning any prize. Disciplinary action may be taken subsequently by the NF of the offender or by the FEI if the incident is reported to the FEI by the Foreign Judge or Appeal Committee, or if a Yellow warning Card has been issued.

4. Eliminated (E)

Athletes will be Eliminated from a Competition as a penalty for contravening certain Rules during the Competitions. Athletes who are Eliminated may compete in subsequent competition(s) in the Event.

5. Retired (R)

Athletes, who, for any reason, do not wish to continue, may decide to Retire during any of the Competitions. If an Athlete Retires in a Competition he is allowed to compete in the subsequent Competitions in the event.

6. Withdrawn (W)

Athletes are deemed to have Withdrawn if, for any reason, they fail to start in any of the Competitions. Once Withdrawn, Athletes may not take any further part in the Event with the turnout in question.

7. Lamé or Unfit Horses

If a Horse is deemed to be lame or unfit by

The Judge at C in Dressage, the Horse must be Disqualified and may not compete in any other Competition. The Athlete is eliminated.

A member of the Ground Jury in Marathon or Cones, the Horse will be Eliminated as well as the Athlete.

8. Placings and Prize Money
9. Athletes who Retire or are Eliminated from any Competitions may not be placed in that Competition or in the final classification.
10. Athletes may only receive prize money in Competitions in which they have competed without Disqualification, Elimination or Retirement. No prize money will be awarded to an Athlete who has been disqualified from any Competition.

CDEs. Note: "Completed" means the entry is classified in each event including marathons without being eliminated, retired or withdrawing from any of the competitions.

DC914 Championships / Eligibility Procedure for Championships

At USEF-licensed National Events (CAN), the provisions of this rule do not apply.

1. Senior Championships are open to 3* Athletes who meet the eligibility requirements as published on the FEI website in the Driving Championships section.
2. Qualification results can be obtained at CAIO4*, CAI3* and CAI2 (see DC 913).
3. Athletes are required to qualify in the same class as they intend to compete in at the Championship.
4. The FEI shall also publish the maximum driven penalty points allowed at all Championships in Dressage to qualify to continue into Marathon and Cones. The Ground Jury will have the final decision as to whether the Athlete may continue into Marathon and Cones, taking into account any contributing factors. There will be no Appeal.
5. For all FEI World Championships it is the responsibility of each NF to prove that their Entries meet the eligibility requirements. Certificates of capability and records of results must be sent by NFs to the OC with their nominated entries, for such entries to be considered valid. (See GRs).
6. NFs giving incorrect information will be reported to the FEI Secretary General for appropriate action in accordance with the applicable rules.
7. For USEF-licensed National Events (CAN), National Championships, see GR1112.1h and GR1113.2n.

DC915 Hors Concours

No Athlete may take part "Hors Concours") in any International Competition. At USEF-licensed National Events (CAN), an Athlete may enter as Hors Concours at the discretion of the Organizer subject to scheduling limitations and Rule DC943.2.

DC916 Entries

1. The number of Horses that may be entered for an Event must be in accordance with the Schedule. At USEF-licensed National Events (CAN), the number of Horses that may be entered for an Event must be in accordance with the Prize List or the American Driving Society Omnibus.
2. All Athletes invited or nominated for an International Event must be entered by their NFs. All foreign Athletes selected by their NFs must be accepted by the OC. OCs may not accept any other entries.
3. For FEI Championships, NFs may only enter Athletes who are qualified under the conditions decided by the relevant Technical Committee.
4. Under no circumstances may the OC limit the number of entries of eligible Athletes or teams for a FEI Championship.
5. Entries for FEI Championships must be made following the compulsory three phases outlined under DC 916.6 to 916.15.
6. Entries in principle must reach the OC at least eight weeks before the Event is due to begin. Entry in principle means that an NF has the definite intention of sending Athletes to participate in the Event. It must state whether the intention is to send only individuals, only a team or a team and individuals.
7. Nominated entries must reach the OC at least four weeks before the Event and must include a list of the names of Athletes and Horses from which the Definite Entries and any substitutions will be chosen and state the number of Athletes and Horses which the NF intends to send. The number of nominated entries of Athletes and Horses must not exceed twice the number invited in the Schedule. Once the nominated entries have been sent in, NFs may send fewer Athletes and/or Horses but never more than the number of nominated entries. NFs which are not represented after having made nominated entries and whose excuse is not acceptable to the OC shall be reported by the OC to the Secretary General for consideration of their excuse by the FEI Tribunal.
8. Definite entries must reach the OC at the latest four days preceding the beginning of the Event. These represent the final selection of Athletes and Horses that will travel to the Event. The Definite Entries may not exceed the number listed and must be chosen from the list of names on the Nominated Entries. After the Definite Entries have been sent in, substitutions of Horses and/or competitors may only be made with the express permission of the OC.

9. Entry forms for Horses must include the name/names, breed, sex, age, colour, country of birth, present nationality and passport number and, where appropriate, qualifications.
10. Should an NF send more Athletes and/or Horses than shown in the Nominated Entry the OC is not obliged to accommodate them or to allow them to participate in that Event.
11. At an Event, an Athlete may withdraw any or all his Horses from a Competition, but he may not add a Horse not previously entered for that Competition without the Approval of the OC and the Ground Jury.
12. Where an NF has made a nominated entry of a team and finds that it will be unable to send a team, it must immediately inform the OC.
13. Teams or individual Athletes who have been definitely entered by their NFs at any Event and fail to take part without valid excuse must be reported by the Foreign Judge/Technical Delegate to the Secretary General for consideration by the FEI Tribunal. Competing at another Event staged at the same time does not constitute a valid excuse for failure to participate at an Event.
14. An NF cannot make definite entries for the same Athlete/Horse combinations to more than one OC on penalty of disqualification of such Athlete/Horse combinations from the Event where they eventually participate.
15. Withdrawals after the date of definite entries or no-shows will be liable to reimburse the OC for the financial loss incurred by the OC (i.e. stabling and hotel Expenses) as a result of late withdrawal or no-show.

DC917 Schedule of the event

In the FEI approved schedule which is published by the OC of any CAI event, it is not necessary to repeat the FEI General Regulations or the FEI Driving Rules. All information as required in the Schedule will have to be given in detail to ensure that Athletes, Officials and all those concerned by the event are sufficiently informed.

In USEF-licensed National Events (CAN), the Schedule also means the official Prize List or the American Driving Society Omnibus in accordance with these rules.

DC918 Entries CAIs

1. CAIs are primarily for Individual Athletes and there is no restriction on the number of Athletes or the number of Nations that may be entered.
2. At a CAI 1* or 2* (Minor Events as per GRs), foreign Athletes living in the Host Nation may be entered by their host NF as set out in the GRs, DC 919.6.1.

DC919 Entries Championships and CAIOs

DC - DRIVING COMBINED DIVISION

Delegate in writing within one hour after the Horse Inspection. All requests not handed in as per this rule may not be considered.

DC948 Starting Order

At USEF-licensed National Events (CAN), the method of determining the order of starting for Driven Dressage for Advanced division athletes will be at a time determined by the Organizer and published in the Prize List/Omnibus:

- a) Random computer generation used in the electronic scoring program.
- b) A draw wherein Athletes will pull a number from a receptacle containing time for the starting positions. This may be done at either the time of Registration or at the First Horse Inspection.

1. Starting Order for CAIs

1.1 Starting order for the first competition for CAIs

1.1.1 The starting order will be a computer generated draw or a physical draw (physical draw is mandatory for World Cup Qualifiers), both held in any case in the presence of the President of the Ground Jury.

1.1.2 Starting Order for the second and third competitions at CAIs:

The Athletes will go in reverse order of the results in the previous competition(s).

The starting order will be:

- a) Retired Athletes, followed by
- b) Eliminated Athletes, followed by
- c) The Athletes competing twice with their turnout in the lowest placing, followed by
- d) The remaining Athletes, commencing with the highest number of penalties, so that Athletes with the least number of penalties achieved without Retirement or Elimination will start last.

2. Starting order for CAIOs and Championships

2.1 Starting order for Dressage for CAIOs and Championships

2.1.1 Draw of Individual Athletes:

- a. Draw an Athlete's name
- b. Draw a starting position (President of Jury or Foreign Judge to draw).
- c. Enter name in starting order this is then repeated for all individual Athletes.

2.1.2 Draw for order of Nations with teams:

- a. Draw a nation.
- b. Chef d'equipe draws position of the nation.
- c. Nation position entered.
- d. Chef d'equipe designates the first team member.
- e. Chef d'Equipe then draws for position A, B or C.
- f. Athlete's name is entered in appropriate position.
- g. This is then repeated for remaining team members.
- h. Procedure is then repeated for All nations.

Nations are then listed in numerical

Enter Team Athletes are entered in the starting order for Dressage as follows:

- a. Athlete A of Nation 1 is entered in the first free starting position.
- b. Athlete A of Nation 2 is entered into the next free position.
- c. This is repeated for all remaining nations.

This procedure is then repeated for Athletes B and C of all nations.

2.2 Starting Order for Marathon for CAIs, CAIOs and Championships

The Athletes will go in reverse order of the results in Dressage, so that the Athlete with the most penalty points from Driven Dressage will go first and the Athlete with the fewest Penalties goes last. In the event of equal Driven

Dressage penalties between Athletes the President of Jury will draw for their position order of start for Marathon.

The order of starting will be:

- a. Retired Athletes, followed by
- b. Eliminated Athletes, followed by
- c. The remaining Athletes, commencing with the highest number of penalties after Dressage, so that Athlete with the least number of penalties achieved without Retirement or Elimination will start last.

2.3 Starting Order for Cones for CAIOs and Championships

The Athletes will go in reverse order of the results in Dressage and Marathon, so that the Athlete with the most penalty points from Driven Dressage and Marathon will go first and the Athlete with the fewest Penalties goes last. In the event of equal Driven Dressage and Marathon penalties, the result of the Marathon decides.

The order of starting will be:

- a. Retired Athletes followed by,
- b. Eliminated Athletes followed by:
- c. The remaining Athletes, commencing with the one with the highest number of penalties after Dressage and Marathon, so that the Athlete with the least number of penalties achieved without Retirement or Elimination will start last.

In the Event of Athletes having equal scores, the procedure set out in the above paragraph will apply.

All Cone-Driving outside a combined competition starts with a draw.

SUBCHAPTER DC-11 DRIVEN DRESSAGE

DC949 General

The object of the Driven Dressage Test is to judge the freedom, regularity of paces, harmony, impulsion, suppleness, lightness, ease of movement and correct bending of the horses on the move. Athletes will also be judged on style, accuracy, and general control of their horses, and also on their dress, condition of their harness and Carriage and the presentation of their whole turnout.

DC950 The Arena

1. The Driven Dressage arena must be 100m x 40m and laid out in accordance with the Annexes for all classes at Championship and CAIO events and for all classes of Four-in-Hand at CAI Events.
2. At CAI Events a smaller arena, measuring 80m x 40m and laid out in accordance with the Annexes, may be used for all classes of Singles and Pairs, in which case the loops of the serpentine must be reduced from five to three.
3. In Youth categories, the Driven Dressage Arena must be 80 x 40 m. The Organiser must ensure that the arena is enclosed.
4. Organisers must ensure that arrangements are in place so that spectators cannot approach closer than 5 meters from the edge of the arena.

DC951 Driven Dressage Tests

Approved Tests

Details of approved FEI Driven Dressage Tests are shown on the FEI website. The schedules for all events must state clearly which of these Tests is to be used.

DC952 Conditions

1. Entering the Arena

An Athlete who enters the arena before the starting signal or who fails to enter the arena within 90 seconds of the starting signal may be Eliminated, at the discretion of the President of the Ground Jury.

At USEF-licensed National Events (CAN), should there be any difficulty entering the arena, the Athlete may request

DC - DRIVING COMBINED DIVISION

permission from the Ground Jury to be led into the arena by the groom(s). No Athlete can be required to drive before his scheduled time.

2. Memory

The FEI Driven Dressage Test must be driven from memory. Speaking or indication given by a groom will incur 10 penalties (10 penalties can only be given once per Test).

3. Lameness

3.1 If the President of the Ground Jury observes a case of marked lameness, he must disqualify the horse and eliminate the Athlete. There can be no appeal against this decision.

3.2 In doubtful cases, after the Athlete has finished his test, the President of the Ground Jury may have the horse checked immediately by the Veterinary Delegate outside the arena. The horse will be checked while harnessed to the carriage. If the Veterinary Delegate confirms the lameness the horse must be disqualified and the Athlete eliminated.

3.3 In Competitions where additional Dressage arenas are being used, the duty of the President of the Ground Jury as indicated above shall fall under the responsibility of Judge at C of the applicable arena.

DC953 Judging

1. Positions of Judges

When there are five Judges officiating they may be seated at CRSVP, if there are three judges the places may be CBE or CEP or any letter around the arena depending on the driven Test and the Judge's best view. The President will decide the positions. For all CA11*, when there are two (2) judges officiating, they may be seated at C and B or C and E.

2. Allocation of marks

The Judges will allocate their marks individually. There will be no consultation among Judges once the Athlete has started the Test. Only the Judge at C may give penalties for incomplete presentation or incidents.

3. Multiple Turnouts

Pairs and Four-in-Hands will be judged as a whole and not as individual Horses.

4. Pace

The definition of paces under DC 955.2- movements will apply to all types and breeds of Horses.

5. Start and Finish

The test starts as the Athlete enters the Arena at A, unless otherwise stated, and Finishes with the final salute. Tests are not timed. The Athlete will leave the Arena at a trot.

DC954 Movements and their descriptions

1. Halt

The Horse must stand square, straight and motionless, remaining on the bit.

2. Walk

With a regular four beat movement, the Horse, remaining in a light contact, walks energetically, supple, with even and determined strides with the hind feet touching the ground in front of the foot prints of the fore feet and stretching forwards downwards.

3. Free Walk

Same definition as for the Walk, but in addition, gaining ground as much as possible, clearly lengthening the frame and stretching forwards downwards.

4. Working Trot

A forward, active trot with the horse on the bit, carrying himself in balance and rhythm with even, elastic steps and good hock action and clear impulsion. The steps of the hind feet must at least be touching the ground in the

footprints of the fore feet.

5. Collected Trot

The horse remains on the bit and moves energetically forward with a greater degree of engagement, leading to an increased flexion of the hocks and fetlock joints and raising up with the forehand, thus allowing for more mobility and elevation of the strides. The neck will be raised and more arched, with the poll the highest part, the nose should not be behind the vertical, or the neck restricted. The hind legs should take more weight and cadence should be visible.

6. Extended Trot

6.1 The Horse lengthens his stride to cover as much ground as possible as a result of greater impulsion from the hindquarters. The Athlete allows the Horse, remaining "on the bit" without leaning on it, to lengthen its frame to gain ground, with the nose slightly in front of the vertical. The hind feet must clearly over track the prints made by the fore feet.

6.2 The Horse must remain in balance while maintaining the same rhythm with strides of equal size. Hurried strides is not asked for, and is a severe fault.

7. Medium Trot

Between the defined Working Trot and Extended Trot. The Horse lengthens his stride to cover less ground than asked for in the Extended Trot but more ground than asked for in the Working Trot as a result of greater impulsion from the hindquarters. The Athlete allows the Horse, remaining 'on the bit' without leaning on it, to lengthen the frame to gain ground, with the nose slightly in front of the vertical. The hind feet should overtrack the footprints made by the fore feet. The Horse must remain in balance while maintaining the same rhythm with strides of equal size. Hurried strides is not asked for and is a severe fault.

8. Working Canter

8.1 A forward, active pace with regular strides of three time beat. The Horse, showing good balance, remains on the bit without leaning on the hand, and goes forward with light cadenced strides and good hock action.

8.2 A Canter to the right, for instance will have the footfalls follow one another in the following sequence: left hind, left diagonal (simultaneously left fore and right hind), right fore, followed by a moment of suspension with all four feet off the ground before the next stride begins.

8.3 The quality of the Canter is judged by the general impression, and the regularity and lightness of the three-beat pace in a clear uphill tendency. The Horse must be on the bit and well engaged in the hindquarters with good hock action, and must have the ability to maintain his rhythm and natural balance throughout the movement and the transitions. The Horse must remain straight on straight lines and correctly bent on curved lines.

9. Collected Canter

Horses strides are shorter than in working canter, the hocks maintain a clear impulsion and the hind legs take more weight; the point of gravity is moving backwards and the neck and poll coming up more and more with the nose always a bit in front of the vertical showing a clear uphill tendency and self-carriage; the basic is a clear three beat and a light steady contact with suppleness and elasticity.

10. Extended Canter

In extended canter the Horse covers as much ground as possible with obviously lengthened strides and frame; there should be no hurried strides and the nose should be always in front of the vertical not losing balance and uphill tendency. There should be clear transitions into and out of the extended canter.

11. Reinback

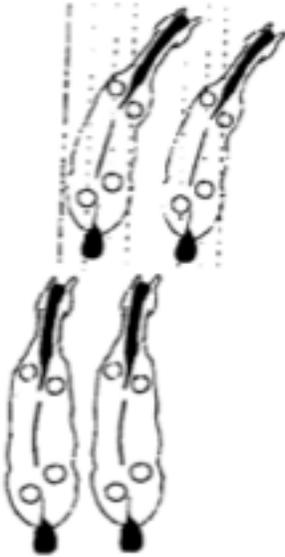

11.1 The Horse must walk backwards in a straight line, with the legs being lifted and set down in diagonal pairs. The Horse must remain on the bit, straight and not evade or resist the contact, the poll should remain the highest point.

11.2 Transition to the next movement must be immediate and smooth.

12. Shoulder-In

12.1 Shoulder in for the Driven Horse is performed in Collected Trot. The leaders are positioned so that the outside leader's tail is in front of the head of the pole. The leaders' shoulders are taken to the inside with a constant angle of approximately 30 degrees and a slight but consistent bend in the neck. The inside hind leg strides forward into the line of the outside front leg so that the Horses are working on three tracks. Impulsion, rhythm and engagement must be maintained throughout.

12.2 Too much bend in the neck results in loss of rhythm and suppleness. The wheelers must remain straight with no counter bend.

13. Diagonal Yield

Horse nearly parallel to Center line, crossing legs diagonally, hind direction diagonal front together, with slight flexion to the inside.

14. Stretching the frame

Letting the Horse take the reins, stretching long and low – forwards and downwards at least to the point of the shoulder over the back while keeping the same rhythm and impulsion. The Athlete must keep the reins without losing the contact and bring the horse back to the preceding elevation as soon as the stretching has been shown.

15. Transitions

Changes of pace must always be made smoothly and promptly with the Horse remaining in balance and on the bit. A transition must be completed as the nose of the Horse arrives at the prescribed marker, unless otherwise stated.

16. Change of Pace and Movement

Changes of pace and movement are made when the heads of the leaders reach the point indicated in the test.

17. Terminology

The following must be considered when judging Driven Dressage movements:

1. Obedience and Lightness – willing response to aids without resistance and correctness of bend.
2. Regularity – the regularity, evenness and rhythm with which the Horse puts his feet to the ground.
3. Contact – the connection through the reins between the Athlete's hands and the Horse's mouth. It should be soft and steady at all times.
4. Impulsion – the willingness of the Horse to go forward energetically at all times and to respond quickly and evenly to changes of pace. The Horse must remain in balance while maintaining the same tempo with strides of equal size.
5. Straightness – carrying the head, neck and body in a straight line with the weight evenly divided among the legs. On curved lines the hind legs need to follow the footprints of the forefeet (no escaping or swinging out)

6. Collection – roundness and engagement with good hock action, elevated poll allowing the shoulders to move with ease. The Horse’s energy is contained in a more deliberate pace than the Working Trot.

The haunches are more compressed, the croup is lowered and the forehead elevated to the same degree. The stride is shorter but more powerful than the Working Trot and the front legs will move from the shoulder with greater agility resulting in lightness and greater mobility throughout. The neck should be more arched. The shortening of the frame is not and never should be a result of pulling back but rather of asking and allowing the Horse to move forward into the Athlete’s hand.

1. Accuracy – Correctness, roundness and correct size of figures and lines (including corners) as asked in the Test.

DC955 General Impression

1. Principle

There are five boxes at the end of the Judges Score Sheets for marks on General Impression observed by the judges throughout the whole test.

2. Paces

Regularity and freedom (if Four-in-Hand, or Pair, maintenance of pace by all horses). The quality of paces in each movement is marked under the appropriate movement. The mark for the general impression must reflect paces and transitions during the whole test.

3. Impulsion

Moving forward, engagement of the hind quarters (if Four-in-Hand or Pair, all Horses working). The level of impulsion may vary between movements and pace, but the mark for impulsion must reflect the performance of the Horses throughout the Test, in all trot and canter paces.

4. Obedience and Lightness

Response to aids - willing and without resistance, correctness of bend, suppleness, acceptance of the bit.

5. Athlete

Use of aids, handling of reins and whip, position on the box, accuracy of figures. The mark must reflect the consistent level of accuracy and quality of transitions.

6. Presentation

6.1 Dress of Athlete and Grooms, cleanliness, fitness, matching and condition of Horses, carriage and fitting and correctness of harness.

DC956 Scoring

1. Marks

1.1 Marks out of 10 will be awarded for each numbered movement and for each heading under General Impression on the following basis:

10.0: Excellent	4.0: Insufficient
9.0: Very Good	3.0: Fairly Bad
8.0: Good	2.0: Bad
7.0: Fairly Good	1.0: Very Bad
6.0: Satisfactory	0: Not Executed
5.0: Sufficient (Marginal)	

1.2 Half marks can be awarded.

2. Error of Test

If an Athlete attempts to perform a movement, or attempts to maintain the pace required, and fails to do so, but does not deviate from the track, the President of the Ground Jury may either treat it as an “Error of Course” (see

DC - DRIVING COMBINED DIVISION

paragraph 3 below), or he may decide to leave the Judges to give the movement an appropriate mark. If an Athlete makes no effort to perform a movement in a Test then it may either be treated as an Error of Test or as an Error of Course at the discretion of the President of the Jury.

3. Error of Course

3.1 An "Error of Course" is when an Athlete deviates from the required track or when a movement is performed at the wrong pace, or omitted altogether.

3.2 In the event of an Athlete making an Error of Course, the President of the Ground Jury will ring the bell and stop the Athlete. The Athlete must then resume the Test from the beginning of the movement where the error was made. If the Athlete is in any doubt, he may ask the President of the Ground Jury for guidance, without incurring any penalties.

4. Disconnected or Broken Harness

If the reins, pole strap, chains or trace become disconnected or broken, or should the Horse get a leg over the pole, trace or shaft, the President of the Ground Jury must ring the bell and a Groom(s) must dismount and re-connect or repair as appropriate. The Athlete will be penalised for a Groom(s) dismounting.

5. Disobedience

Any resistance in the forward movement, kicking or rearing is considered to be disobedience and will be penalised by the Judge at C, as follows:

- 1st Incident 5 penalties
- 2nd Incident 10 penalties
- 3rd Incident Elimination

6. Carriage overturn

A Carriage overturn is elimination.

DC958 CLASSIFICATION

1. Total Marks

1.1 The individual marks awarded by each Judge for each movement and for General Impression will be added together and divided by the number of Judges to obtain the average score.

1.2 In order to adjust the influence of Driven Dressage on the whole event, where the total possible marks for the test

DC - DRIVING COMBINED DIVISION

are greater than 160, the average score will be multiplied by the coefficient printed on the score sheet to obtain the adjusted average score to be used in the results.

1.3 Penalties are only awarded by the President of the Ground Jury at C. Any penalties will be deducted from the average adjusted score and the final total will be deducted from 160 to obtain the penalties for the test.

1.4 Scores will be calculated to two decimal places.

1.5 The Athlete with the lowest score in penalties will be the winner Driven Dressage.

SUBCHAPTER DC-12 MARATHON

The objective of Marathon is to test the fitness, stamina and training of the Horses, and the driving skill, judgment of pace and general horsemanship of the Athlete.

DC960 The Course

3.3 Water must be provided at the rest area for the Horses.

3.4 A farrier must be available at the rest area. If the Athlete has to wait for the Farrier for any reason beyond his control, then the Athlete will be credited with that time.

3.5 In exceptional circumstances, the minimum time required for the Compulsory Rest may be increased by the President of the Jury in consultation with the Technical Delegate

3.6 If a Horse is not accepted by the Veterinarian at the rest area after 10 minutes the Horse and Athlete will be Eliminated.

3.7 Turnouts may only stand or walk within the rest area.

4.3 Sections A and B must have a marker at every kilometer. In Section B the measurement of the kilometers must include the distances through the obstacles.

4.4 The marker for a kilometer occurring within an obstacle should be placed on the post supporting the red exit flag.

5. Compulsory turning flags

5.1 Sufficient red and white compulsory turning flags must be positioned on the Course to ensure that all Athletes follow the designated track. Athletes must leave the red flags on their right and the white flags on their left. These compulsory turning flags must be numbered consecutively in each Section and they must be placed so they are

clearly visible to Athletes from a reasonable distance.

- 5.2 The location and number of the Flags must be marked on the map of the Course to clearly indicate the correct route to be driven between the compulsory turning flags before and after each obstacle. In addition, a list showing the order for driving compulsory turning flags and obstacles must be provided for Athletes and Officials.

6. Paces
- 6.1 The finish of Section B must not be more than 300 m from the exit of the last Obstacle unless the Technical Delegate grants an exception. If the last obstacle is situated within 300m of the finish, the Athletes may stop within 30m of the out gate of the obstacle to repair a broken or detached harness without penalty. A 30m marker will be placed on the track to indicate this point if the last obstacle is within 300m of the finish.
- 6.2 Between last obstacle (or 300m) and finish, pace must be trot or walk only. The Athlete will accumulate one penalty point for each 5 seconds the turnout is not at the walk or trot.

DC 961 Obstacles in Section B

- 3.9 Where a constructed water crossing is included in an obstacle, the depth of the water must not be more than 30cm. Where natural water is used the Technical Delegate may allow a maximum depth of 50cm. The bed of any water crossing must be firm. - 3.1 Electronic timing equipment should be used for the timing of Athletes in each Section and the obstacles, whenever possible.
- 3.2 Time Keepers at the start and finish of each Section must record the start and finishing times for each Athlete on the Section Timer Record and enter the time on the Athlete's Marathon (Green) Time Card.

4. Start and finish

DC - DRIVING COMBINED DIVISION

- 4.1 Athletes should be at the start of Section A at least 10 minutes before their published Start Time.
- 4.2 If an Athlete is not ready to start Section A at his scheduled time, the Timekeeper will start him at the earliest available time at his discretion, and record the actual starting time, which must be reported to the Technical Delegate and President of Jury, for onward transmission to the Scorer, at the earliest opportunity. The Athlete will be penalised 0.25 of a penalty per second of the time elapsed between his scheduled start time and the time he was ready to start and he must not be allowed to start less than 2 minutes before the next Athlete's starting time. For the avoidance of doubt, Athletes will not be penalised where the start of Section A is delayed for organisational reasons.
- 4.3 Athlete must start each section from the halt with the leading horse behind the line. The Timekeepers will count down to the start time. If an Athlete starts before the Timekeeper gives him the authorisation, he will be recalled, a new start will be given and the Marathon Time Card will be amended. If the Athlete fails to stop he may be eliminated. A member of the Ground Jury must be made aware of the circumstances as soon as possible.
- 4.4 The timing of the section ends when the nose of the leading horse has passed the finish line. Section penalties will apply until the whole turnout has passed the finish line. Section penalties will apply until the whole turnout has passed the finish line.
5. Time Penalties in the Sections
- 5.1 In all Sections, Athletes will be penalised 0.25 of a penalty per second for exceeding the Time Allowed.

DC964 Penalties on the Marathon Course

1. Whips

Whips, if carried, can only be used by the Athlete. Failure to comply will incur 20 penalties.

2. Error of Course

If an Athlete fails to pass through a compulsory turning flag (CTF) in the designated sequence, he may return to the point of error and drive the CTF, provided he has not driven the following CTF or the next Obstacle. An Athlete who fails to pass through a CTF in the published sequence and direction will be Eliminated, (except multiple CTFs which are to be driven several times with different numbers).

3. Deviation from the Course

3.1 Athletes must not deviate from the track for the last 300 metres or between the last Obstacle and the Finish of Section B. Athletes who stop, circle, zig- zag or leave the track in any other way will incur 10 penalties for each occurrence.

3.2 Exception: See DC 960.6

4. Incorrect pace

Should one or more Horses break into a canter within the last 300 m before the finish and is not corrected within five seconds the Athlete will incur 1 penalty for every occurrence. If the break continues, the Athlete will incur 1 penalty for every additional completed period of five seconds.

5. Dismounting

5.1 Outside the obstacles in Section B, Grooms and Athletes are not allowed to dismount unless the carriage is stationary. If the vehicle is not stationary, either or both Groom(s) dismounting will incur 5 penalties, the Athlete dismounting will incur 20 penalties.

5.2 The Athlete and all Grooms must be on the carriage as it crosses the Start and Finish lines and passes through the Compulsory Turning Flags in each Section. Failure to do so incurs 5 penalty points for grooms and 20 penalty points for Athlete on each occasion.

5.3 In exceptional circumstances, if warranted due to the condition of the terrain or weather, the Technical Delegate

and the President of the Ground Jury may permit Grooms in competitions for ponies and single horses to run behind their carriage on designated parts of the course.

6. Stopping

6.1 Athletes may stop for repairs to carriages or harness or for any reason beyond the Athlete's control, anywhere on the course other than while negotiating an obstacle, without incurring penalties, other than loss of time, except as in 960.8.

6.2 Athletes will incur 1 penalty point for each commenced ten seconds that they remain stopped on the course for any other reason.

6.3 If an obstacle is situated within 300m of the finish line, an Athlete is allowed to stop to carry out necessary repairs as long as he stops within the signed 30 metres after leaving the last Obstacle to make necessary repairs to the harness or carriage without penalty. Stopping for any other reason between the last Obstacle or the 300 meter sign, whichever is closer to the Finish Line in Section B will incur 10 penalties for each occurrence.

7. Damaged Carriage/Harness

7.1 At the Finish of Section B any missing or disconnected trace, pole strap or reins will incur 10 penalties for each occurrence.

7.2 At the Finish of Section B a broken or disconnected pole or shaft or bit will incur Elimination.

7.3 Carriages must pass the Finish of Section B drawn by the number of Horses required for the designated class and on the designated number of wheels. Failure to comply will incur Elimination. Broken or missing tires are acceptable.

7.4 Carriage overturn. If the carriage overturns (on the course or in an obstacle), the penalty is elimination and the Athlete may not continue on the Marathon.

DC965 Obstacle Penalties

1. Pace in Obstacles

Athletes may use any pace in the obstacles.

2. Error of Course in an Obstacle:

2.1 Athletes entering any part of an obstacle without first passing through the entry flags or failing to pass through the exit flags on leaving an obstacle without correcting the error will be eliminated.

2.2 The compulsory gates in an obstacle are "free" after an Athlete has passed through them in the correct direction and in the correct sequence. Athletes may, therefore, go through them again in any direction at any time (for example, Athletes must go through A in the correct direction before going through B. A is now "free" and they may go through it again in any direction as often as they like, and so on).

2.3 Athletes, who pass through a compulsory gate in the wrong sequence or direction before it becomes "free" and without correcting the error before passing through the Exit Flags, will be eliminated.

2.4 In order to correct such an error of course, the Athlete must return to and drive through the compulsory gate he missed before continuing through the next compulsory gate in the correct sequence (for example, an Athlete drives through compulsory gates A and B and then goes through D (missing gate C). In order to correct this error of course, the Athlete must go back and drive through gate C before going on to gate D, etc. All gates are neutralised until he reaches this gate. Each error corrected shall incur 20 penalties.

2.5 Passing through the exit gate of an Obstacle without driving all compulsory gates in the correct sequence will be penalised by elimination.

2.6 An Athlete is not considered to have passed through a Compulsory gate in an obstacle until the complete turnout has passed between the flags denoting the Compulsory gate.

3. Dismounting

3.1 Each time either or both Grooms put both feet on the ground in an obstacle, the Athlete will incur 5 penalties.

3.2 Once Grooms have dismounted they are not required to get back on the carriage and need not follow the Athlete

DC - DRIVING COMBINED DIVISION

through any of the Compulsory Gates in the rest of the Obstacle. Grooms do not have to be on the Carriage when it leaves the obstacle. They can get on the carriage outside of the obstacle.

- 3.3 Each time an Athlete dismounts in an obstacle he will incur 20 penalties He must be on the carriage when it leaves the Obstacle.
- 3.4 In all incidents (for example trace or reins or lead bar over a pole etc) the grooms must dismount and solve the problem (no climbing over horses or pole). Failure to comply will incur 20 penalties.
- 3.5 An Athlete or Groom may only put one foot on any part of an obstacle without incurring penalties. Contravention of this DC will result in 5 penalties.
- 3.6 A Groom may assist the Athlete by leading a horse through the obstacle by the bridle end of the reins. The Athlete will incur 25 penalties in total. See Rules DC 969 and 945.3.
- 3.7 Groom(s) must be on the carriage when the Athlete enters each obstacle on the Marathon. Failure incurs 5 penalties.

4. Disconnecting

Deliberately disconnecting one or more Horses and leading them through any part of the obstacle will be penalized by Elimination.

5. Elimination in an Obstacle

The decision whether an Athlete is eliminated in an obstacle rests entirely with the Ground Jury.

6. Welfare of the Horse

- 6.1 It is the responsibility of the Athlete to stop immediately and put a Groom or Grooms down whenever a Horse has its leg over a Pole, Shaft, when a wheeler has a leg over the lead bar or the leader's trace, or when a Horse is down and remains down. Also, he must stop when instructed to make necessary repairs by a Member of the Ground Jury or Obstacle Observer. However a trace down or a pole strap disconnected needs no repair inside an obstacle. The time will continue to run.
 - 6.2 Failure to stop and put the Groom down to correct the situation before leaving the obstacle will incur Elimination.
 - 6.3 It is the responsibility of the Athlete to stop immediately and put a Groom or Grooms down whenever a Horse has a leg over a Trace. Also, he must stop when instructed to correct the situation by a Member of the Ground Jury or Obstacle Observer. Failure to stop and put the groom down to correct the situation before leaving the Obstacle will incur 30 penalties. The time will continue to run.
- ## 7. Timing
- 7.1 The Athlete will be timed from when the nose of the leading horse passes between the entry flags until the nose of the leading horse passes between the exit flags. Other obstacle penalties will continue to apply until the whole turnout has passed the exit flags.
 - 7.2 Electronic timing equipment should be used to time Athletes through the obstacles if at all possible. At Championships, CAIO and CAI3* it is compulsory.
 - 7.3 The Time Limit for Athletes in obstacles is five minutes. If Athletes fail to complete the whole obstacle and pass the exit flags within the Time Limit, the Obstacle Observer is to blow two blasts on a whistle indicating to the Athlete that the Time Limit has been reached. The Athlete must then vacate the obstacle as quickly as possible (with assistance if necessary) and may not continue in the Competition.
 - 7.4 The time taken for an Athlete to complete an Obstacle shall be recorded to hundredths of a second, either manually or electronically.
 - 7.5 There is no rounding of time or conversion to penalty points for individual Obstacles.

8. Hold Ups

- 8.1 If an Athlete arrives at an obstacle while the previous Athlete is still negotiating the obstacle, or if the Obstacle is not ready to be driven, he is to be held at a point on the course approximately 50m from the Entry Flags.
- 8.2 One of the Assistant Obstacle Observers is to stop the Athlete at that point and start his stopwatch. As soon as

the previous Athlete is clear of the obstacle, and the Obstacle Observer approves a restart, the Assistant Obstacle Observer will restart the Athlete and inform him of the time he has been held. This should be in whole or half minutes.

9. Obstacle video recording

Video recording at each Obstacle is recommended in all Events. Such video recording is compulsory at CAI World Cup™ Qualifiers, CAIOs and Championships.

DC966 Judges

1. Positions

- 1.1 One member of the Ground Jury must be at the Compulsory Rest before Section B. The Judge should act on the advice of the Veterinary Delegate to decide whether the horses are in a fit condition to continue the competition. The judge must also supervise the measuring of the carriages and correctness of the Harnessing. See DC 937 & 940.
- 1.2 One member of the Ground Jury must be at the end of Section B to supervise the inspection of carriages, harness and Marathon Time Cards and when applicable to supervise the weighing of the carriages. An Athlete whose carriage is below the prescribed weight will be eliminated. (See DC 969).
- 1.3 The rest of the Jury will be positioned by the President of the Ground Jury.
- 1.4 At USEF-licensed National Events (CAN), members of the Ground Jury at the end of Transfer or Section B are not required to assist the veterinarian in pulse and respiration checks. Organizers should ensure sufficient volunteers are available to assist the veterinarians.

- 2.3 All other Timekeepers at the start and finish of each Section must be provided with the complete list of Athletes and a running order.
- 2.4 Timekeepers are required to record the start and finish times for their respective Section and to enter them on the Athlete's "Marathon Time Card" and the "Section Timer Record".
- 2.5 Horses must start from the halt with the nose of the leading horse behind the start line.
- 2.6 The finishing time will be taken as the nose of the leading horse crosses the finish line. The section is finished as the rear axle has passed the Finish Line.

2.7 After the competition, Timekeepers must remain in the vicinity of the Secretary's Office until dismissed by the President of the Ground Jury.

3. Obstacle observers

3.1 There must be one Obstacle Observer at each obstacle. Each Obstacle Observer must have at least two assistants. The Obstacle Observer must be given a whistle and two stopwatches and instructed in their use by the Technical Delegate or his assistant. They must record the exact time to 1/100th second taken by each Athlete through the obstacle.

There shall be no rounding of times. The penalties for under Minimum Time; plus penalties for over Time Allowed and the total Obstacle times shall be added to any other driving penalties received to determine the final score for each Athlete in Marathon.

1.2 For Athletes who are Eliminated or Retire see DC 911.

1.3 The Athlete with the lowest number of penalties will be the winner of the Competition.

1.4 In the event of an equality of penalties, the Athletes will be placed on equal rank.

SUBCHAPTER DC-13 CONES**DC970 General**

The Cones Competition is to test the fitness, obedience and suppleness of the horses and the skill and competence of the Athletes.

DC971 Competitions

1. The Fault Competition shall be used in Driving Events.

1.1 The Fault Competition is conducted on the basis of penalties for obstacles knocked down and for exceeding the Time Allowed. The score from this round will always be used solely to decide the Final Classification in all Events.

1.2 There may be a Drive-off between all Athletes with zero penalties, or equality of penalties to determine the winner of Cones.

2. The Time Competition

The TIME Competition is conducted on the basis of the time in seconds taken by Athletes to complete the course, with any penalties for faults converted to penalty seconds. Time Competitions are only to be used to determine the placings in Cones.

3. Competition in Two Phases:

The result of the first section may solely be used for the final results of the Combined Driving event.

4. Competition with a Winning Round:

A competition run over one round according to penalties and time which will count for the final classification in the Driving Event, and a winning round to determine the placings in Cones.

DC972 The Course

1. Building and Measuring the Course

- 1.1 The Course Designer is responsible, under the supervision of the Technical Delegate, for laying out, marking and measuring the course and building the obstacles. The President of the Ground Jury must ensure that the length of the Course was measured accurately.
- 1.2 The arena should be not less than 70m x 120m or an equivalent area. Should this not be possible the number of obstacles must be reduced accordingly unless an exception is granted by the Technical Delegate.
- 1.3 The starting and finishing lines may not be more than 40m nor less than 20m from the first and last obstacles respectively.
- 1.4 The number of obstacles may not exceed 20 (except DC 979.3), and for Children, the number may not exceed 15.
- 1.5 The length of the course must be between 500m and 800m, for Children it may be shorter.
- 1.6 Courses must be laid out so that Athletes have a chance to maintain a reasonably fast pace throughout the major part of the course. Certain obstacles, and combinations of obstacles, such as open and closed multiples, will inevitably slow down the pace, but such a layout should be limited to a small proportion of the whole course.
- 1.7 All obstacles should be visible from the Judges' box.
- 1.8 The President of the Ground Jury must walk the course to inspect it before the start of the Competition. The course is the track, which the driving Athlete must follow when competing from passing the start in the correct direction up to the finish. The length must be measured accurately to the nearest metre taking account, particularly on the turns, the normal line to be followed by the Horse(s). This normal line must pass through the middle of the obstacles.

DC973 Obstacles

1. Cones

- 1.1 The cones forming an obstacle must be at least 30 cm high and made of indestructible plastic material. A weighted ball must be placed in the hollow on top of the cone, so that it falls down only if the cone is touched.
- 1.2 All obstacles consisting of a single pair of cones will constitute a single obstacle.
- 1.3 The obstacle include cones, red and white markers, numbers and letters.
- 1.4 The position of one of the pair of cones must be marked on the ground so that a constant position of the obstacle is maintained throughout the competition. Where practicable a line will also be drawn to ensure that the other cone is maintained at the correct angle.
- 1.5 Obstacles that entail reining back are not permitted.

2. Multiple obstacles

- 2.1 Multiple Obstacles must conform to the design principles. See Annexes
- 2.2 Variations or new designs must be pre-approved by the FEI Driving Committee and included in the Event Schedule.
- 2.3 A Multiple Obstacle may be constructed of markers or horizontal rails, elevated to a minimum of 40 cm and maximum of 60 cm in height.

2.4 Each group of cones or elements must be clearly separated and associated with one of the sections of the multiple.

2.5 A Multiple Obstacle, other than a "Serpentine", "Zig-Zag", a "Double Box", a "Double U" or a "Wave" must not consist of more than three pairs of cones or dislodgeable elements.

2.6 Other than Serpentine, Zig-Zags, Double Boxes, Waves and Double Us, a Multiple Obstacle may not be longer than 30m measured along the centre line through the obstacle.

2.7 There may not be more than 3 Multiple Obstacles in any course.

2.8 In Multiple Obstacles Athletes can only incur a maximum of 6 penalties in a Double (A & B), 9 penalties in a Triple (A, B & C) and 12 penalties in a Serpentine, Zig-zag, Double Box, Wave or Double U (A, B, C & D) per attempt, plus any penalties for a rebuild as well as penalties for Disobedience.

2.9 Multiple Obstacles may not be used in a Drive-Off. (See DC 977 – Drive-off and DC 981 – Summary of penalties).

3. Serpentine, Zig-Zags, Double Boxes and Double U and Wave

3.1 A Serpentine consists of 4 cones in a straight line facing in alternate directions lettered A, B, C, D (See Annexes).

3.2 A Zig-zag consists of not more than 4 pairs of cones, with alternate left and right cones in a straight line (refer to the website). All centerline cones must be placed in a straight line, either at the front, middle or rear of the cone.

3.3 A Double Box and a Double U and a Wave are illustrated in the Annexes.

4. Water and bridges

4.1 Where Water Obstacles and Bridge Obstacles are included in the course, prior notification must be given in the Schedule for the event.

4.2 Water Obstacles must be at least 3m wide, with a depth between 20 and 40 cm and sloping sides. There must be a pair of cones at the entrance (flag lettered A) and exit (flag lettered B) with the cones 2.0m apart.

4.3 Knocking down a ball or balls on either A or B will be penalized as 3 penalties for each pair of cones.

4.4 Wooden bridges, or bridges of similar suitable construction approved by the Technical Delegate, with fan shaped wings at the entrance, with the bridge surface not more than 20 cm above the ground with a usable width of three metres and a maximum length of ten metres are permitted, boarded or rail sides are essential. The Technical Delegates may grant an exception if the bridge is of a permanent solid construction with strong side rails. There must be a pair of cones at the entrance (flag lettered A) and exit (flag lettered B) with the cones at least 2.0m apart.

5. Markers

5.1 Each obstacle is defined by a pair of markers: a red marker on the right hand side and a white marker on the left hand side as Athletes approach the obstacle. They are placed not more than 15 cm outside the elements, which form the single and multiple obstacles.

5.2 The entire turnout must pass between these markers. Failure is considered as Disobedience. (See DC 975.7.3 and 975.7.6.)

5.3 Turning posts decorations and obstructions must be placed on the course before the official course walk. No penalty is incurred if they are touched, displaced or knocked over.

5.4 All obstacles in the course must be numbered in the sequence in which they are to be driven. The number of each obstacle must be indicated on a board placed at the entrance to each single and Multiple Obstacle.

5.5 Each distinct section of a closed Multiple Obstacle (Ls, Us and Boxes) must be clearly marked in different colours. (See Annexes) The entire turnout must pass between these markers in the correct alphabetical order.

5.6 The red and white markers and the numbered and lettered boards may be combined, so that the numbers and letters appear on the same posts as the red and white markers, or they may be on separate boards or discs. If possible the numbers of the obstacles should be placed so that Athletes can see them as they leave the previous obstacle.

6. Plan of the Course

6.1 At least one and a half hours before the start of the Competition for each class in the Event, a plan of the course,

signed off by the Course Designer and the President of the Ground Jury must be given to the Athletes and be posted in the Collecting Ring showing the length, speed in metres per minute and the Time Allowed for that class. Should the timing be adjusted by the Ground Jury, this will be announced by the Commentator.

6.2 At USEF-licensed National Events (CAN), a plan for Cones need not be supplied to each Athlete, provided one is posted on the Official Notice Board once the Course is approved by the President of the Jury and prior to the course being open for inspection.

7. Inspection of the Course

7.1 The course must be open for inspection at least one and a half hours before the start of the competition. Only Athletes, Chefs d’Equipe and trainers are allowed to inspect the course on foot and they must be correctly and smartly dressed. Athletes, Chefs d’Equipe and Trainers are not permitted to use measuring wheels when inspecting the course. At an Event, a warning will be issued for the first offence and a Yellow Warning Card from the President of Jury for subsequent offences.

At USEF-licensed National Events (CAN), an Athlete with disabilities may be permitted to drive himself through the Obstacles at a walking pace in a golf cart or similar vehicle.

7.2 Only the Course Designer and his staff may alter or work on any part of the course. If any Athlete, or any person associated with him alters the course in any way, the Athlete will be disqualified.

DC975 Judging Cones Competition

1. Starting the Competition

1.1 The Technical Delegate will report to the President of the Ground Jury as soon as the course is ready. The President of the Ground Jury will then authorize the start of the competition.

1.2 Once the competition has started, the President of the Jury in consultation with the Course Designer and Technical Delegate if present, may decide that a significant error has been committed in the measurement of the course. This may be done at the latest after the third Athlete, who has completed the course without a Disobedience or any other interruption, assuming that the three Athletes in question have started their course prior to the 45-second countdown elapsing, and before the next Athlete has started. In this case, the Ground Jury has the option to alter the time allowed. If the time allowed is increased the score of the Athletes who have driven the course before the time was altered will then be adjusted accordingly, if applicable. If the time allowed is decreased, this may only be done to the extent that no Athletes having previously completed his round receives time penalties due to the alteration of the time allowed.

1.3 Whenever the time allowed is increased, it may never exceed the time in reference to the maximum length of the Course.

2. Penalties

- a. If Athletes have entered the Arena but fail to start by passing through the start line within 45 seconds of the starting signal the timing will start.
- b. If an Athlete fails to enter the Arena when the Course is ready, the President of Jury will ring the bell to signify the Start for that Athlete. If the Athlete has not entered the arena within 45 seconds of the first bell, the bell will be rung again and that Athlete is then Eliminated.
- c. Athletes starting and passing through an obstacle before the starting signal will be penalised 10 penalty points and must restart.
- d. The start and finish lines are neutralised for passing through from the moment the Athlete has passed through the start line until he has passed through the last obstacle.
- e. Knocking down one or both balls of a single obstacle and knocking down a ball or an element of a Multiple Obstacle incurs 3 penalties in each case.
- f. Knocking down a ball or balls on either A or B on a Water or Bridge Obstacle will incur 3 penalties for each pair of cones.
- g. Grooms must be seated in their proper places between the start and finish lines. They are not allowed to indicate the course or to speak unless they are dismounted. For penalties, see DC 981.
- h. After the last obstacle the Athlete must pass through the finish line with the red flag on the right and the white flag on the left.
- i. An Athlete may pass between the elements of an open multiple obstacle whilst driving between obstacles without incurring a penalty. If, in this case, a part of the obstacle is knocked down see DC 981.

j. Carriage overturning is elimination.

3. Error of Course

- 3.1 An Athlete is considered to have passed through a gate in an Obstacle when the whole turnout has passed between the Markers.
- 3.2 If an Athlete attempts to pass through an obstacle in the wrong sequence or direction, then the President of Jury must wait until the whole turnout has passed completely through the wrong obstacle before ringing the bell. The Athlete is then Eliminated.
- 3.3 If an Athlete knocks down or dislodges any part of an obstacle which has already been driven, he will incur 3 penalties.
- 3.4 If any part of an obstacle in advance of the one being driven, is dislodged or knocked down, the President of the Ground Jury will ring the bell and stop the clock for the obstacle to be re-built. The Athlete will incur 3 penalties and 10 seconds will be added to their time. The bell will be rung to indicate to the Athlete that the course is ready and the clock will re-start when the Athlete reaches the next Obstacle on course to continue his round.
- 3.5 If the President of the Jury sounds the whistle/bell while the Athlete is on the course, the Athlete must halt immediately. If the Athlete does not halt, the President of Jury will blow the whistle/bell a second time. If this Athlete continues without stopping, he is eliminated. The Groom may advise the Athlete that the whistle/bell has sounded.
- 3.6 If the Jury is in doubt whether an obstacle has been properly driven, the Athlete must be allowed to finish the course. The Jury can then reach a decision.

4. Obstacle Rebuild

- 4.1 If the Athlete knocks down any part of an Obstacle in the process of disobedience or refusal, the bell will be rung and clock stopped for the obstacle to be rebuilt, and ten seconds will be added to the Athlete's time along with any penalties for Disobedience (but not for the elements knocked down at the time of Disobedience).
- 4.2 When the obstacle is rebuilt the bell is rung again and the Athlete must then retake the complete obstacle and continue his round. The clock will restart when the Athlete reaches the re-built obstacle. Penalty for starting before the bell is Elimination.
- 4.3 If an Athlete knocks down any part of a Multiple Obstacle in advance of the element he is driving, or if he breaks out of the Multiple Obstacle and knocks down an element, then the bell will be rung, the clock stopped while the obstacle is rebuilt and 10 seconds added to the total time taken. He will be penalised for Disobedience but not for the elements knocked down at the time of the Disobedience

5. Broken Harness

If at any time after he has started, an Athlete has a disconnected pole, shaft, rein, trace, pole strap or chains, or should a horse have a leg over the pole, trace, shaft or leader bars the President of the Jury must ring the bell and stop the clock. The Athlete must put a Groom(s) down to correct the problem and will be penalised for a Groom dismounting. After the situation has been corrected and the Groom has remounted the President of the Jury will ring the bell and restart the clock.

6. Athletes and Grooms Dismounting

- 6.1 Each time an Athlete dismounts he will incur 20 penalties.
- 6.2 Athletes will incur penalties each time one or both Grooms dismount: 5 penalties on the first occasion, 10 penalties on the second occasion. On the third occasion the Athlete is eliminated.
- 6.3 The Grooms must be on the carriage when going through each Obstacle. For a Groom(s) dismounting to assist through an obstacle by leading the horse by the bridle ends of the reins while the horse is still attached to the carriage see penalties for leading and dismounting in DC 981. The Groom(s) must join the carriage before the next Obstacle.

7. Disobedience

- 7.1 It is considered to be a Disobedience when:

DC - DRIVING COMBINED DIVISION

- a. The Athlete attempts to pass through an obstacle and his Horse shies away from the obstacle at the last moment without hitting any part of the obstacle.
 - b. The Horses run away, or, in the opinion of the President of the Jury, the Athlete has lost effective control.
 - c. The whole turnout comes to a complete halt with or without stepping back anywhere on the course, in front of or in an obstacle, or a Multiple obstacle, with or without knocking down any element.
 - d. Not passing through an obstacle with the whole turnout, running out of a Multiple, circling within a Multiple or reining back by the Athlete between start and finish line.
- 7.2 A Disobedience will incur 5 penalties for the first, 10 penalties for the second and elimination for the third instance. Penalties for Disobedience are cumulative wherever they may occur on the course.
- 7.3 If there is Disobedience in a single obstacle, i.e. the whole turnout does not pass through the markers, the Athlete has to retake the obstacle. The bell will only be rung if part of the obstacle is knocked down (See DC 975.4).
- 7.4 If there is a Disobedience in a Multiple obstacle without knocking down any element the Athlete must continue his drive and is penalized for disobedience (see above).
- 7.5 In the case when Disobedience is connected with knocking down an element (e.g., Run-out at C and dislodging the ball) the Judge rings the bell, the course is interrupted, the time is stopped and the obstacle rebuilt. The President of the Ground Jury rings the bell again, the Athlete has to restart at the letter A of the Multiple obstacle and the time starts when the horse's nose passes gate A. For the re-building 10 seconds are added once.
- 7.6 If an Athlete has a Disobedience at any obstacle and knocks down any part of that obstacle he will only incur penalties for the Disobedience and 10 seconds will be added for the rebuilding.
8. Resistance
- A Horse is considered to offer resistance if, at any time and for whatever reason it refuses to go forward (with or without moving back), turns around, rears. This will be penalised the same as Disobedience (see DC 975.7).
9. Timing
- 9.1 Each Athlete will be timed by stopwatch or by an electronic timing device, from the moment the nose of the leading horse crosses the Start Line until the nose of the leading horse crosses the Finish Line but penalties are incurred until the whole turnout has passed the finish line.
- 9.2 Electronic timing must be used at Championships and CAIO's. Whenever possible a digital display unit should be visible for the Athletes.
- 9.3 Times must be recorded to hundredths of a second.
- 9.4 The Time Limit is twice the Time Allowed. Exceeding the Time Limit will incur elimination.
- 9.5 The Time Allowed is calculated using the following speeds in metres per minute (except for Time Competition, DC 978 and for Children):
- 9.6 The Penalty for exceeding the time allowed: any time over the time allowed in hundredths of seconds, multiplied by 0.5 Penalties will be calculated to two decimal places.

Class (horses)	Course	Class (ponies)	Course
Four-in-hand	240	Four-in-hand	240
Pair	250	Pair	250
Single	250	Single	260

DC976 Fault Competition

DC977 Drive-Off

1. Definition

A Drive-Off can only be organized in a Fault Competition, to solely define the classification of Cones Competition.

2. Classification

2.1 In the event of equality of penalties for first place, a Drive-off as time competition may take place according to the provisions of the schedule, either over the same course or over a shortened course (maximum 50% shorter).

2.2 The width between the cones may be reduced by up to a maximum 10 cm. at the discretion of the Ground Jury in conjunction with the Technical Delegate and Course Designer.

2.3 If no provision is made for a Drive off in the Schedule, the Athletes with equality of penalties for any place are placed in accordance with the time taken to complete the first round. In case of equality of penalties and time, the Athletes concerned will be given equal placing.

3. Multiple obstacles

Multiple obstacles are not permitted in a Drive-Off.

4. Starting order

The starting order for a Drive-Off will be the same as in the initial round.

DC978 Time Competition

2. Obstacles

The Rules concerning the number, type and dimensions of obstacles and the length of the Course must be the same as for a Fault Competition.

3. Pace:

Horses		Ponies	
Class	1st course	Class	1st course
Four-in-hand	230	Four-in-hand	240
Pair	250	Pair	250
Single	250	Single	260

4. Classification

4.1 Classification will be decided by adding any penalty seconds to the time taken by the Athletes to complete the course.

4.2 In the case of equality for first place, the result may be decided either by the lowest number of penalty seconds incurred, or by a Drive-off, according to the provisions of the Schedule, either over the same course or over a shortened course.

ADDENDUM FOR PARA-EQUESTRIAN DRIVING

Principle

Competitions may be open to all people with disabilities that are eligible by FEI rules, or restricted to specifically invited nations or group of individuals (refer to FEI Classification Manual).

The Classification is the process in which an Athlete is evaluated and assigned a Functional Profile and Grade. The Assessment is conducted by a Classifier, who is a Medical doctor and/or physiotherapist with knowledge of the Profile System who are accredited by FEI to grade PE Athletes for competition and who is accredited.

Each PE Athlete is issued an FEI Card which lists their Functional Profile, Grade, sanctioned special equipment and compensating aids (special allowances).

After the closing date of entries, the OC. shall send to the FEI Chief Classifier (c/o the FEI Secretariat) a list of all Athletes with their nation, their Profile Number and the Grade that they are entered. The list will be checked and returned to the OC, verifying those that are already classified and a list of those that need to be classified, or re-examined.

For classification procedure see FEI Para Equestrian Generic Rules.

Grades

Athletes are divided into 2 Grades: Grade I and Grade II.

Grade II Athletes have greater functional ability than Grade I PE Athletes.

FEI Card

The FEI will issue the Athlete with an FEI Card on which his/her permitted compensating aids are listed.

All Athletes shall hold an FEI card (also known as an ID Card) which lists their Profile number, Grade, Nation, International Number and the compensating aids and equipment which may be used

The FEI Card must be carried by the Athlete at all FEI competitions in which they are entered.

Any protests to a Athlete's classification are to be dealt with in accordance with FEI procedures. Refer to the FEI Classification Manual.

The Athlete's own NF may also give permission to the Athlete to use this card and the compensating aids listed on it to compete in national competitions for able bodied Athletes.

All exceptions to dress, special equipment, compensating aids and other assistance required by the Athlete shall be clearly listed on the Athlete's FEI Card.

Use of any equipment, or exemption, that has not been sanctioned by FEI must be supported by medical documentation and approved by the Chief Classifier. Such exceptions shall be clearly listed on the Athlete Profile form and Entry form at the time of entry.

Classes

A PE Athlete may enter a higher Grade than his classification indicates.

A PE Athlete may not enter a lower Grade than his classification indicates.

Grade I Athletes and Grade II Athletes shall be in separate classes.

Eligibility

Only those Athletes with disabilities who are capable of driving Driven Dressage Tests, Cones and Marathons independently and to the FEI rules are allowed to compete.

The Profile and Grade shall be noted on the entry form, programme and score board.

The event Organiser and Technical Delegate have the right to refuse entry but they must give the reason for the refusal in writing.

Drugs and Medicines

All drugs and medicines used by Athletes must be declared on the entry form, unless registered with FEI through the Medication Advisory Panel (M.A.P.). Teams may register the drugs and medications taken by their Athletes with FEI Headquarters in accordance with the procedures outlined in the current FEI Medical and Anti- Doping Code (WADA). 5.9.4 Horses/ponies may be dope tested.

Entries World Driving Singles Championship for Para-Equestrian

Each NF may enter a maximum of six Single PE Athletes with a maximum of two Horses per entry on the Nominated Entry List and three Single PE Athletes with a maximum of one Horse per PE Athlete on the Definite Entry List.

Each team must include at least one (1) Athlete from Grade I.

Should a NF only be able to send two PE Athletes, they must be entered as a team.

Each NF is entitled to send a Chef d'Equipe and Veterinarian, both of whom will be accorded the same privileges as the PE Athletes.

A NF which cannot send a team may enter one PE Athlete as an Individual under the conditions set out in DC 912.

A spare Horse from the Nominated List may be entered per national team. The PE Athlete who uses the spare Horse will be eligible for the individual classification, as well as for the team classification. The spare Horse can only be substituted once, not later than one hour before the start of Driven Dressage and notified in writing to the Organiser.

Additional requirement for OCs:

Scoreboard and Scoreboard attendant. The Scoreboard shall be of a size and in location where it is easy to read both standing and from a wheelchair.

Transport Manager with Athletes and suitable vehicles for transporting riders, sponsors and officials and for emergency vehicles.

Wheelchair accessible ramps for all facilities used by Athletes.

A convenient area and table for the IPEC Information Stand, which also sells relevant articles. The IPEC Secretary shall be consulted on this matter.

Horses

PE Athletes may use either a horse or a pony. It must be stated on the entry form which will be used.

Assistance

The ultimate responsibility regarding the use of permitted assistance lies with the PE Athlete.

Grade I Athletes must have an able-bodied whip on the carriage. A Groom must be available at the ring side to assist every Grade 1 PE Athlete in Driven Dressage and Cones.

A Groom may accompany a Grade 1 PE Athlete in Marathon either in the carriage or following behind the carriage on a bicycle. In Section B of Marathon all Grade 1 PE Athletes must be accompanied by an additional Groom either in the carriage or following by a team member behind the carriage on a bicycle, moped, ATV (quad bike) or similar. Team members on bicycles or mopeds etc are not permitted to drive through the obstacles but must wait for the PE Athlete to complete the entire obstacle before proceeding.

Team members may only act in case of emergency and this will be sanctioned as outside assistance. Grooms may act as a groom and will be sanctioned like a groom.

Able-bodied Whips are forbidden to assist in rein handling except in an emergency when help must be given in the interest of safety. Assistance by handling the reins will incur 20 penalty points each time.

Grade II Athletes may put down the able-bodied Whip if necessary but penalties will be incurred as per FEI regulations. In Driven Dressage and Cones the able-bodied Whip must sit so that he/she can help in case of need. The event Organiser or the Technical Delegate has the right to disapprove of an able-bodied Whip or his/her position on

the vehicle.

PE Athletes may inspect the course in motorized quad bikes or similar if sanctioned by FEI.

Compensation Aids and special equipment

Only approved special equipment that is listed on the FEI card may be used for the duration of the competition, including the training period.

If the PE Athlete wishes to drive in a wheelchair, the wheel chair must be secured. Straps and clamps for the wheelchair must be of a 'quick release' variety.

In the interests of safety, sloping cushions, shell seats, waist high seat sides and arm-rests are permitted. In order to have more upper body support a strap (or similar) held around the Athlete is permitted as long as this in no way attaches the Athlete to the carriage by any technical means or in the manner that it is held. A PE Athlete may be attached for support, but must have a method for quick release.

Supporting aids may be considered for approval by the TD and the PGJ at the Veterinary Inspection that takes place before the start of the competition.

Reins may not be attached to the PE Athlete in any manner that could prevent the PE Athlete from falling free from the carriage.

The disabled PE Athlete may drive with one or 2 hands and with looped reins or any other aids with which he/she normally drives and which is approved by FEI.

The PE Athlete may salute with the head only so that contact is maintained on the reins at all times.

The whip may be used by either the PE Athlete or the able-bodied Whip in all competitions if this has been sanctioned by FEI.

The brake may be used by the groom or converted to a hand brake to be used by the PE Athlete if sanctioned by FEI. Use of the brake by the groom will be punished by 20 penalty points each time.

Cones

The time allowed will be calculated for a speed of 210 m/min for both horses and ponies. For drive-offs a speed of 220 m/min may be used.

APPENDIX DC-A MEASUREMENT OF COMBINED DRIVING PONIES

1. The USEF Measurement **Card** will be presented at the First Veterinary Inspection. If a pony is not in possession of a fully and correctly completed Measurement **Card**, the Ground Jury may order the pony to be measured by a **certified measuring official** and the Competition Veterinarian and/or a Judge, pursuant to Chapter 5, Subchapter 5-C. Failure to allow the pony to be remeasured will result in the pony being disqualified at that competition. The remeasurement must be reported to the Ground Jury, which must then disqualify the pony from the competition if it is over height (see DC930.4).
2. Ponies without Measurement **cards** will be measured before the First Horse Inspection at their first competition of the year.

CHAPTER EN ENDURANCE RIDING DIVISION**EN101 Preamble****1. GENERAL**

- a. The following rules and regulations have been adopted from those of the Federation Equestre Internationale (FEI) and the American Endurance Ride Conference (AERC), the official Federation affiliated endurance discipline organization.
- b. USEF National Endurance Rides may vary in distance from 50 miles to a maximum distance of 300 miles, and are approved through sanctioning by AERC and the Federation. Ride organizers shall be responsible for fees assigned by each organization for sanctioning of said rides. See GR309.8.
- c. Organizers of Endurance Competitions must comply with current Federation and AERC competition licensing requirements and must apply directly to both the Federation and AERC for competition recognition and licensing.
- d. In order to compete in any Endurance Competition at USEF licensed competitions as a rider, a person must be a member of the AERC, or pay a nonmember day fee to the AERC.
- e. All riders and horses must be entered in the concurrent AERC competition, if one is so offered. Riders and horses entered in the concurrent AERC Competition must abide by the AERC Rules.

2. RESPONSIBILITY

- a. While it is assumed that most participants are responsible and caring, it is recognized that a highly competitive and demanding sport requires regulation. The primary concern in establishing rules and regulations is to assure that competition occurs within standardized parameters considered fair and reasonably safe for equine and rider. At all times, the safety and well being of the horse is paramount. The Federation services the requirements of the competitor by promulgating and establishing rules and regulations, recording and publishing results of events, and providing awards; but the competitor is totally responsible for self and mount before, during and after an endurance ride. These Rules and Regulations provide minimum conditions and directives for managing and competing in National Rides. Each competitor is ultimately responsible for knowing these rules and complying with them.
- b. The appointment of a steward, veterinarian or official, whether or not provided for in these rules, does not absolve the competitor from such responsibility.

3. CIRCUMSTANCES NOT COVERED IN THESE RULES

- a. For any circumstances not specifically covered in these rules, reference should be made to the following publications: (Listed in order of precedence.)
 - FEI Approved Definite Schedule
 - FEI Statutes
 - FEI General Regulations
 - FEI Veterinary Regulations
 - FEI Rules for Endurance Riding
 - FEI Endurance Guidelines and Clarification (if published)
 - AERC Rules
 - AERC Veterinarian's Handbook
 - AERC Ride Manager's Handbook
- b. Every eventuality cannot be provided for in these Rules. As a result, this edition of the Rules is designed for flexibility to adapt to an evolving discipline. In any unforeseen or exceptional circumstances, it is the duty of the Organizing Committee and the Veterinarians to make a decision in a sporting spirit and approaching as nearly as possible to the intention of these Rules the Rules of the Federation and the AERC. Officials shall give the

competing horses' well being the highest priority when making decisions during a competition.

- c. The detailed Rules for the USEF/AERC concurrently sanctioned Endurance Rides must be read in conjunction with the USEF General Regulations.

FOR THE WELFARE OF THE HORSE

The USEF expects all those involved in national level endurance rides to adhere to the USEF Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.

Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.

Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.

Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

EN102 Introduction

1. Endurance Riding is a competition to test the competitor's ability to safely manage the stamina and fitness of the horse over an endurance course in a competition against the track, the distance, the climate, the terrain and the clock. Therefore, the most important responsibility of the Organizing Committee (OC) and the Veterinary Commission and ultimately the rider is to ensure the health and welfare of the horse by diligent application of their skill together with a caring, knowledgeable attitude by the rider. To be successful, the competitor must have knowledge of pace and efficient and safe use of the horse across country. In an Endurance Ride any member of the Genus Equus counts as a "horse."
2. The competition consists of a number of phases.
 - 2.1 No phase may exceed 25 miles (40 km) and should, in principle, be not less than 12 miles (20 km) in length.
 - 2.2 At the end of each phase, there will be a compulsory halt for veterinary inspection. President of the Veterinary Commission (PVC) should be consulted on the distance of each phase and the hold times in each Vet Gate(s).
 - 2.3 In a 100 mile (160 km) ride there must be at least five Vet Gates plus the final inspection. (6 phases)
 - 2.4 Phases may be spread over one or more days.
 - 2.5 Each phase of an Endurance competition must be separated by a compulsory rest period, or hold time.
 - 2.6 Each day of an Endurance competition must be divided into at least two phases, separated by a veterinary inspection and a compulsory rest period, or hold time.
 - 2.7 In every Endurance competition, there shall be at least one hold no shorter than 40 minutes.
 - 2.8 In 3-Star events, total hold time for the event must at least meet a ratio of 1 minute per 1 km (1.6 minutes per mile), e.g.: for a 160 km (100 mile), a minimum hold time total of 160 minutes.
 - 2.9 The maximum scheduled hold time for a single hold in a one-day event shall be 60 minutes, and in 3-Star events there shall be at least one hold of at least 50 minutes.
 - 2.10 Also, hold times in vet gates requiring recovery inspections must be a minimum of 40 minutes, and for such recovery inspections horses should be allowed to present up to 15 minutes prior to their departure time.
3. Whatever the order and rules for starting, each competitor must carry out the whole competition as if he/she were

alone and competing against the clock.

4. An Endurance Ride is a competition against the clock. The combination that finishes the course in the shortest time will be classified as the winner of the competition after successfully completing all final Veterinary Inspections and medication control as well as other protocols in place for the safety of the horse and rider under these Rules, the USEF General Regulations and the AERC Endurance rules. Competitions shall be organized to allow competitors to establish their own pace to compete against the clock, subject to:

4.1 Due to the conditions of the course or other considerations which might adversely affect the opportunity to safely complete a course, the Organizing Committee (OC) may establish a maximum time for a section of the course or a phase of competition and/or the closing times for one or more Vet Gates, in order to ensure competitors are not falling too far behind the actual pace of the ride in order to ensure horse safety.

4.2 Conversely, due to circumstances related to trail safety, the OC may establish sections of a course where controlled gaits of the horse and/or maximum speed apply. However, this will depend on the given circumstances of a specific course as well as time of day and generally should not exceed 3 miles (5 km) at any one time or 5% of the course. Generally, there should not be more than one section under controlled speed and/or set pace per phase of the course, and never in the final phase.

EN103 The Course

1. The Organizing Committee (OC) shall select a technically challenging course across country within the limits provided by the terrain. They should attempt to implement technically challenging factors including, but not limited to: changes in footing, changes in terrain, changes in altitude, changes in direction.
2. The type of terrain and altitude differentials must be clearly indicated in the schedule of the competition.
3. In principle, the course should not contain more than 10% of hard surface roads intended for vehicular use.
4. In general, the more demanding part of the course should be earlier in the ride.
5. The distance of the phases shall be determined by the OC and should be published in the Prize List.
6. Technical challenges within the course may include naturally occurring obstacles such as ditches, steep climbs or descents, or water crossings, but may not be something specially constructed to add additional technical challenge to the course.
7. As far as possible those technical challenges must be left in their natural state. If necessary, they should be reinforced so that they remain in the same state throughout the competition.
8. The finish must be long and wide enough to enable several horses to finish at speed without interfering with each other, and must provide sufficient run-out to allow competitors to safely come to a stop after crossing the finishing line in any potential sprint or gallop. It must be situated as close to the Vet Gate as possible.

EN104 Marking of the Course

1. General Requirement: The marking of the course must be done in such a manner that there is no doubt on how to proceed along the course. The markings can be flags, ribbons, indicators, lime, paint etc.
2. Order of Course: The competitor must complete the entire course in the direction as marked on the map referred to in EN103.8.
3. Errors on Course: Any error of course must be corrected from the place where the error has started under penalty of disqualification. Alternatively, if correcting a course error is not feasible and/or in the best interest of the horse, the Organizer may determine an alternative which will require the competitor to complete an equivalent distance over the same type of terrain, such distance to be made up within a single phase thereby ensuring the competitor still passes through each Vet Gate in the correct order and within the time limits in force. In such cases the competitor will receive a completion classification only. The competitor may not be considered for the Best Condition award

or for contribution to team scoring or individual classification for placing.

4. **Boundary Flags:** Boundary flags or other acceptable indicators must be used to mark defined sections of the course, and to mark the start and finish lines. Such flags or indicators, etc. must be respected wherever they may occur in the course under penalty of disqualification. . Whenever a short cut is possible on the course the Organizing Committee must place a steward to control that the obligatory passage is respected.
5. **Trail Markers:** Direction flags or signs are intended to show the general direction and path to be taken to help competitors to find their way. They must be placed so that competitors can recognize them without loss of time. A distance marker should be placed every at least every 6 miles (10 km).
6. **Plan of the Course:** Each competitor will in advance be given access to a map or plan showing the track of the course and the location of any compulsory halts or obligatory obstacles.
7. **Start and Finish:** The start and finish of each phase must be clearly and distinctly marked with the appropriate signs.
8. **Map:** A map in a scale of at least 1:50,000 should be available to competitors when the course is finalized, preferably at the ride briefing and certainly before the start of the ride.

EN105 Modification to the Course and Rescheduling/Delay

or Abandonment of Events

1. **Course Modification:** After the course has been officially established, no alteration shall be made without the approval of the Organizing Committee.
2. **Rescheduling/Delay of Event:** In exceptional circumstances, an event may be rescheduled or delayed in start by the OC.
 - 2.1 Organizing Committees are encouraged in all event planning to anticipate the possibility of the need to either delay the start of an event by up to 30 hours and/or to reschedule completely.
 - 2.2 **Exceptional Circumstances:** Such Exceptional Circumstances are those which arise on short notice and can be reasonably foreseen to produce unreasonable and unfair risks to riders and/or horses during the conduct of the event.
3. **Abandonment of Event:** When catastrophic occurrences or circumstances arise at or during an event, an event may be abandoned by the OC.
 - 3.1 Organizing Committees are encouraged in all event planning to anticipate the possibility of the need to abandon an event and evacuate the venue.
 - 3.2 **Catastrophic Occurrences or Circumstances** are those which arise on short notice and are determined to dangerously risk rider and/or horse safety, and which cannot be avoided through Course Modification, Rescheduling or Delay of the Event.
4. **Nature of Endurance:** In all cases it should be remembered that this discipline anticipates competition over and in challenging terrain, weather and circumstances as a test of endurance, and so delay, rescheduling and abandonment should be used only as extraordinary remedies.
5. **Notifications:** In any case noted above, the riders should be officially and personally informed as soon as practicable of the decision, certainly before the start or before the phase concerned.

EN106 Method of Starting

1. Horses must not cross the starting line before the signal is given.
2. If a competitor makes a start which is in any way false, under penalty of disqualification the competitor must return and re-cross the start line. However, their starting time will be recorded as if they had started when originally given the

signal.

3. The starting time of any competitor who does not present himself/herself on time for start is recorded as if they had started on time. No competitor may start later than 15 minutes after their starting time under penalty of disqualification.

EN107 Time and Record Keeping

1. As timing plays such an important part in the competition, Organizing Committees must ensure that each competitor's start and finish time for each timed phase is accurately noted and recorded by properly qualified persons using synchronized timekeeping methods.
2. Each competitor will be issued a time card or acceptable and reliable alternative for each event.
3. Organizing Committees must arrange for alternative power sources and back-up record-keeping for timing and all recorded information when electronic systems are the primary methodologies. Time keeping systems with time-keepers are required at the start and finish of each timed phase to record the times of each competitor.
4. Total Time is counted from the instant the signal is given to start until the instant when a competitor crosses the finish line. Riding Time is the Total Time less the sum of the printed compulsory hold periods.
5. The veterinary gate system at compulsory halts must be used.
6. At vet gates, the timing of the competitors must be performed in such a manner to avoid any delay to a competitor's timing caused by the arrival of several horses simultaneously for inspection.

EN108 Competition and Fair Play

1. A rider may lead or follow their horse on course, but must be mounted to pass through the start of any day and the finish line of the day's final phase under penalty of disqualification.
2. A competitor who does not respect any given time limits will be penalized by disqualification.
3. On the course, no other person may lead or ride the horse once the competitor has started under penalty of disqualification.
4. Willful obstruction of an overtaking competitor by a slower competitor may be penalized by disqualification. This is not to prevent competition between riders on course for placing, but is intended to apply in situations where the slower competitor is being lapped or passed due to travelling at a significantly slower pace or because of other problems of refusal or equipment issues.
5. A competitor who fails to qualify for the next phase of competition or is disqualified for any reason must leave the course at once and has no right to continue unless there is no viable alternative and only after being approved by the OC
6. Permitted Assistance During Event or On Course:
 - 6.1. The Event Schedule shall specify where assistance is allowed both within vet gates and on course during an event.
 - 6.2. Competitors must have access to water on course at least every 6 miles (10 km).
 - 6.3. In any case including while on course, for example after a fall or if the competitor is separated from their horse, or in the case of loose or lost horseshoes, a competitor may be assisted.
 - 6.4. For other Permitted Assistance, the Event Schedule shall be determinative for each event.
7. Forbidden Assistance: In general terms the following types of activities are forbidden, subjecting offending riders to the possible receipt of yellow card warning(s) or disqualification, including but not limited to:
 - 7.1. Being followed, preceded or accompanied on any part of the course by any vehicle, bicycle, pedestrian, or a rider not in the competition.
 - 7.2. Providing aid on any part of the course not specifically designated for such aid.

- 7.3. Accepting aid on any part of the course by someone not authorized to provide it.
- 7.4. Being followed, preceded or accompanied on any part of the course by an unauthorized vehicle.
- 7.5. A third party encouraging a horse to trot in a vet gate.
- 7.6. Someone on course encouraging the horse(s) by any means whatsoever.
- 7.7. Cutting wire fences, or altering a part of an enclosure on or within the course so as to clear away or to cut down trees or eliminate challenges or alter technical aspects of the course.
- 7.8. Accepting any intervention by a third party, whether solicited or not, with the object of giving advantage to the competitor or their horse.

EN109 Schedule of the Competition

- 1. In the schedule which is published by the Organizing Committee of any CEI event, there is no necessity to repeat the Rules. Any exception to the Rules must be specifically listed.
- 2. It is sufficient to give the category of the competition, the distances, the speeds, total time limit, the possible time limit for each phase, entry fees and deadlines, plus any other items required by the Federation General Rules.

EN110 Dress Code

- 1. Protective headgear, of a recognized equestrian/endurance standard and adequately secured, is compulsory for all persons at all Endurance events while mounted.
 - 1.1. The protective headgear must be properly fitting protective headgear which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted.
 - 1.2. It is the responsibility of the rider, or the parent or guardian of the junior rider to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Organizing Committee, and Officials or volunteers are not responsible for checking headgear worn for such compliance.
 - 1.3. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.
- 2. Safe riding footwear with heels of 12 mm (1/2 inch) or more, or alternatively caged/boxed stirrups/equestrian safety stirrups are required to compete in a CEI event.
- 3. Dress, that is appropriate and not detrimental to the image of Endurance Riding, is expected and required at all Endurance events.

EN111 Saddlery and Equipment

- 1. In principle, there is no restriction on saddlery; however Draw (Running) Reins/French Reins are forbidden, but saddlery must be in safe condition and should fit the horse.
- 2. Specific safety equipment, such as reflective items or otherwise, may be required as indicated in the schedule of the competition.
- 3. Whips (or the use of any other item as a whip) and Spurs are prohibited.
- 4. The use of mobile phones and GPS devices are permitted for safety reason. All other forms of communication devices must be approved by the Organizing Committee prior to competition.

EN112 Minimum Weights

- 1. Riding Weight is the total weight of the rider plus all tack except bridle, reins, and bit. Water bottles must be empty.
- 2. At all 2* and 3* events the minimum Riding Weight is 165 lbs. (75 kg).
- 3. At all 1* events the minimum Riding Weight is 154 lbs. (70 kg).

EN - ENDURANCE DIVISION

4. There shall be no minimum Riding Weight in Young Rider and/or Junior competitions, unless specified in the Definite Schedule.
5. Weight control must be carried out before the start and, where applicable, after the finish, and may take place at random during the event.
6. The competitor must maintain the minimum Riding Weight at all times during the riding phases under penalty of disqualification. It is the rider's responsibility to weigh in immediately after crossing the finish line if requested to do so.
7. Organizers must provide a reliable weighing machine.

EN113 Classification

1. Individuals: In an endurance competition, the winner is the combination with the shortest elapsed riding time who successfully passes or complies with all protocols and requirements, including but not limited to the final veterinary examination.
2. Teams: The winning team is the team with the best time after adding the final classification of the three highest placed competitors in the team. In the case of a tie, the winning team will be the one whose third competitor has the best time. In the event there are fewer than 3 members of a team who are classified, such teams are not eligible for team placing.
3. Dead Heat: When two or more competitors, who started together, have the same total elapsed riding time, they are classified according to their respective passage across the finish line. Dead Heats (Ties) between Individuals are permitted.
4. Disqualification, Retirement or Failure to Qualify for the next Phase:
 - 4.1. Disqualification: Occurs when a competitor is removed from further competition for a violation of these Rules.
 - 4.2. Failure to Qualify for the Next Phase: Results when a competitor is removed from competition for failure to successfully pass a veterinary examination, to complete the full course as required, or to meet all time requirements for presentation or completion.
 - 4.3. Retirement: Results when a competitor voluntarily withdraws from competition, but may only be considered voluntary and a Retirement when: the competitor has correctly finished all phases to that point; the competitor has completed its most recent phase by passing all required veterinary inspections following that phase, including compulsory recovery inspection or veterinary requested recovery inspection; and has not otherwise provided for removal from competition.
5. All horses removed from competition, voluntarily or otherwise and at any point within the event, must be presented for veterinary inspection within 30 minutes of removal. If removal occurs on course the horse must be inspected by a member of the veterinarian panel as soon as it is returned to the ride base and the horse's veterinary records updated accordingly.

EN114 Categories of Endurance Rides

1. CEI Events
 - 1.1. These events must comply with the requirements of the Federation and the AERC.
 - 1.2. Where there is a team competition, the number of teams which can be accepted is at the discretion of the Organizing Committee. Teams may consist of three to five competitors, not necessarily grouped by nationality or regionality, details to be indicated in the approved schedule.
 - 1.3 CEIs are defined in the USEF and FEI Calendar. National level CEIs are divided into three different star levels as follows:
 - 1.3.1. 3 Star: All rides of 140 km - 160 km (87 - 100 mi.) in one day, or 90-100 km (55 -62) over 2 days, or 70- 80 km (43 - 50) over 3 days or more. Maximum Pulse at Vet Gates: 64 bpm within 20 minutes.
 - 1.3.2. 2 Star: All rides between 120 km and 139 km (74 - 86 mi.) in one day or between 70 km and 89 km (43 - 55

mi.) over two days. Maximum Pulse at Vet Gates: 64 bpm within 20 minutes.

1.3.3. 1 Star: (Low Level Event) All rides between 80 km and 119 km (50 - 74 mi.) in one day. Maximum Pulse at Vet Gates: 64 bpm within 20 minutes.

1.4. At Final Exams, the Maximum Pulse shall be 64 bpm within 30 minutes.

1.5. The pulse criteria may be reduced during the ride if, in the opinion of the President of the Vet Commission and the Organizing Committee, they believe there is a danger to the safety of the horses.

EN115 Eligibility

1. Riders:

1.1. Entry is open to all USEF/AERC members age 16 or over (as of January 1st), and those having reached the age of 14 years old and up to the age of 16 if they ride sponsored or have a letter from the American Endurance Ride Conference (AERC) granting them permission to ride unsponsored.

1.2. Ride management may choose not to honor the 'unsponsored young rider' concept and may require all persons less than 16 years of age to have sponsors.

2. Horses:

2.1. For 1-Star and 2-Star events, horses must be at least 6 years old to participate.

2.2. For 3-Star events, horses must be at least 7 years old to participate.

2.3. Mares obviously in advanced pregnancies, meaning over 120 days, or with foal at foot cannot be entered in an Endurance event.

2.4. All ages are determined as of January 1st of the year of the event for which eligibility to participate is sought, and must be confirmed either through reliable registrations or written veterinary opinion.

EN116 Entries

1. Entry forms for Horses must include the name/names, breed, sex, age, color, AERC Number, and USEF Horse Recording Number, if applicable.

2. At an Event, a competitor may withdraw any or all his Horses from a Competition, but he may not add a Horse not previously entered for that Competition without the Approval of the OC.

EN117 Veterinary Control

1. The Veterinary Commission has absolute control on all matters concerning horse safety.

2. There must be a minimum of one Treatment Veterinarian present at the event from the pre-vet through awards.

3. The series of inspections and examinations required by these Rules are established in the interest of the health, safety and welfare of the horse in the competition.

4. Should an entered horse die for any reason during the period between the first inspection and the final inspection, the Organizing Committee in consultation with the Veterinarians is obliged to write a report on the circumstances to the USEF and AERC.

5. Only competitors whose horses have passed all the inspections and examinations are entitled to be classified in the final list of results.

6. All the relevant information required at the inspections and examinations must be recorded on an individual veterinary record for each competitor and must, in principle, be available at all subsequent inspections and examinations. Such records may be produced electronically (with back up) or by hard copy. Competitors are entitled to see and copy the record referring to their horses immediately after the inspection or examination. Veterinary cards may be retained by the Organizing Committee.

7. The arrival time into the Vet Gate must be recorded and the horse must be presented to the veterinary commission for inspection within the presentation time (recovery time).

7.1. The presentation time (recovery time) is the length of time (usually 20 to 30 minutes) as defined in the ride

EN - ENDURANCE DIVISION

- schedule (prize list) or at the ride briefing, which is the maximum allowable time from each horse's arrival time to the time crossing into (the pulse area of) the veterinary inspection area.
8. The compulsory halts are operated by establishing a vet gate with an inspection area that the competitors/grooms enter with the horse when they decide that the horse is ready to pass the veterinary inspection. When handlers have entered the inspection area, they must proceed with the horse directly to the nominated vet at a reasonable pace showing constant forward motion.
 9. Once a horse has successfully passed the pulse control, its timed hold, starting from the moment the horse was presented to the Veterinary Commission, continues for the stated period. During the timed hold, all the other aspects of the inspection, including trotting the horse, will be carried out.
 10. The Organizing Committee together with the Veterinary Commission can decide to modify the length of timed holds according to extreme weather conditions or other exceptional circumstances. Modifications must be announced to all competitors before the start of the phase concerned.

EN118 Veterinary Inspections and Examinations of Horses

1. Horse Inspections:

- 1.1. First Inspection: In principle, it should take place on the day preceding the start of the competition and is performed by the Veterinary Commission. It will be conducted according to the standards for all inspections, as outlined below, to include: Heart Rate, Respiratory System, General Condition, Gait Evaluation, Soreness, Lacerations, Wounds, Range of Motion and other matters and items which from time to time may be added to the Veterinary Card.
- 1.2. Inspections Generally: There are no differences between the Veterinarians responsibilities to evaluate a horse between the First Inspection and the Final Inspection. The same standards apply to judging fitness to continue both metabolically and in terms of gait evaluation.
- 1.3. Inspection Decorum: The inspection areas should remain politely quiet in respect to riders and horses under the stresses of intense competition.
- 1.4. Compulsory Recovery Inspections (Exit Exams): The Veterinary Commission, in consultation with the organizing committee, will establish prior to the pre-ride briefing, at which Vet Gates they will require horses to be presented for a compulsory recovery inspection. This inspection will be at up to 15 minutes before that competitor's scheduled departure time from that Vet Gate.
- 1.5. Requested Recovery Inspections: The examining veterinarian may ask a competitor to present their horse for re-inspection up to 15 minutes prior to its scheduled departure if after passing the horse, the veterinarian retains concerns about the horse's continuing stability. This rule is in place to provide the benefit of the doubt for the opportunity to continue to the horse.
 - 1.5.1. Failure to represent within the hold time for that horse will result in failure to qualify for the next phase.
- 1.6. Vet Gate Inspection (Pulse gate): The first mandatory inspection of the horse at the end of each phase.
- 1.7. Vet Gate Re Inspection (Pulse Re-tries): If during the Vet Gate Inspection the horse's heart rate is higher than the parameters defined for that Inspection, the horse may be represented during the presentation time (recovery time).
- 1.8. Final Inspection: The final inspection which takes place after the horse crosses the finish line of the competition must be within the time allowed as defined.
- 1.9. Heart Rates: Horses with abnormally high pulse rates, or pulse rates higher than the parameters defined upon recommendation from the Veterinary Commission, will not be allowed to continue in the competition and will be deemed to have failed to qualify for the next phase. Any abnormal heart sounds must be recorded.
- 1.10. Respiratory System: Abnormalities in rate or character of the breathing deemed by the Veterinary Commission to be of such a nature as to endanger the safety of the horse will be cause for failure to qualify for the next

phase.

- 1.11. General Condition: Temperatures may be recorded and mucous membrane will be examined. Horses in a generally poor condition or with an abnormally high temperature will fail to qualify for the next phase.
- 1.12. Irregularity of Gaits: At the first or the final inspection or any inspection during the course, a horse with an irregularity of gait; which must be consistently observable at trot, or an equivalent gait; and is observable through evaluation by trotting the horse on a loose lead in hand straight out and back, without prior flexion or deep palpation; which must be observed to cause pain, or threaten the immediate ability of the horse to safely perform athletically; will be removed from competition and will fail to have qualified for the next phase.
 - 1.12.1. In principle the inspection should be run on a flat firm surface.
 - 1.12.2. If, after having once trotted the horse, the observing Veterinarian questions the horse's fitness to continue, the horse will be re-trotted by a three-vet panel, if possible.
 - 1.12.3. Any unusual feature about a horse's gait must be noted on the veterinary card of the horse, whether it is deemed grounds for failure to qualify for the next phase or not.
- 1.13. Soreness, Laceration and Wounds: Any evidence of soreness, lacerations and wounds in the mouth, on the limbs and on the body, including girth and saddle galls, must be recorded. If participation in or continuation of the competition is bound to seriously aggravate any such soreness, lacerations or wounds, the horse will not be allowed to qualify for the next phase.
- 1.14. Shoes and Feet: Horses may be ridden without shoes, but if shod they must be correctly shod and the shoes must be in a suitable condition for the competition. Horses which are shod at the first inspection may cross the finish line without one or more shoes. Equi-boots and pads are allowed. However, in all cases, the ongoing condition of the horse's feet and its adverse effect on the horse's immediate ability to perform athletically or which is observed to be causing the horse pain in proceeding shall be grounds for failure to qualify for the next phase.
2. Individual Veterinary Cards: The individual veterinary cards (vet cards) must be issued before the first inspection and be completed during each inspection.
3. Final Inspection
 - 3.1. To qualify for presentation to the veterinary commission at the final inspection the horse's heart rate must have attained 64 bpm or less within 30 min of crossing the finish line. Horses that do not meet these criteria will not be classified and must still be presented to the veterinary commission for inspection at 30 min after crossing the finish line.
 - 3.2. In any case, pulse must be taken and registered on the vet card within the time limit shown in the schedule.
 - 3.3. The Final Inspection is to determine whether the horse is still fit to continue, to be ridden after a normal rest period for another full phase and it will be performed in the same manner as previous inspections with the same control and criteria as the inspections during the course with the exception that only one opportunity to qualify for presentation is allowed. Each horse shall also be checked against its vet card.
4. Other Inspections: Other inspections may be carried out by any member of the veterinary commission on all or any horses selected at random at any time during the course of the competition.

EN119 Best Condition

1. The OC should organize a Best Condition Award.
2. The purpose of this Award is to find the horse which is in the best condition having completed the event and been classified among the best horses (maximum the first ten horses).
3. Horses which enter the Best Condition Award are deemed to be still in the competition and subject to medication

EN - ENDURANCE DIVISION

control until after completion of Best Condition Judging.

4. Competitors are not obliged to enter their horse in the Best Condition Award.
5. The AERC Best Condition form may be used to establish the Best Condition Award.

EN120 Awards

1. An award must be given to all competitors who successfully complete the course.
2. There is no minimum value for awards in Endurance Rides.
3. The Veterinary Commission should exclude any unfit horse from participation in the prize-giving ceremony.

 - b. Hunter Seat Classes: To be shown at a flat walk, trot, and canter both ways of the ring. Entries may be asked to hand gallop one or more directions of the ring at the discretion of the judge. For safety reasons the judge may

limit the number of horses to hand gallop at one time. Horses must stand quietly and back readily in the line-up.

Horses must not stretch in the line-up.

2. DRIVING CLASSES: To be shown at a flat walk, trot, and extended trot both ways of the ring. Horses may or may not stretch in the line-up. 2. English Pleasure Hunter Seat classes to be judged by a USEF licensed judge who holds a current Hunter license or a current license in any breed that includes a Hunter or Hunter Pleasure section.
3. English Pleasure Driving classes to be judged by a USEF licensed judge who holds a current license in any breed that includes a Pleasure Driving section.
4. Manners and suitability as a pleasure mount are paramount. Transitions from one gait to another should be smooth and effortless. Horses must be obedient with prompt transitions. Special emphasis is placed on a true, flat walk with special consideration being given to those entries that represent a true recreational type, general riding mount. Entries should not exhibit extreme motion, speed, or resistance of any type. Horses must stand quietly and back readily in the line-up. TO BE PENALIZED: Pulling, head tossing, laboring action, extreme motion or speed, going sideways, tail switching, and interference from attendant during the line up in driving classes.

EP105 Classes Offered and Specifications

Open Classes are open to professionals, amateurs, and junior exhibitors. Classes may be restricted (e.g. Amateurs, Jr. Exhibitors, Novice Rider, etc.) only if specifically stated in the prize list. A competition may offer up to 3 classes in each subsection of the Saddle Seat, Hunter Seat and Driving sections (e.g. 3 Amateur English Pleasure Hunter seat classes, 3 English Pleasure Saddle seat Geldings classes, etc.) however, only one class within each subsection and the championship within each subsection will count for HOTY awards for any one competition. The prize list must clearly state which classes count for Horse of the Year points.

1. ENGLISH PLEASURE SADDLE SEAT and CHAMPIONSHIP (Open, Amateur, Jr. Exhibitor, Maiden, Novice, Limit, Geldings, Mares, Ladies, Gentlemen). Judged on manners, performance, presence, quality and conformation.
2. ENGLISH PLEASURE HUNTER SEAT and CHAMPIONSHIP (Open, Amateur, Jr. Exhibitor, Maiden, Novice, Limit, Geldings, Mares, Ladies, Gentlemen). Judged on manners, performance, presence, quality and conformation.
3. ENGLISH PLEASURE DRIVING and CHAMPIONSHIP (Open, Amateur, Jr. Exhibitor, Maiden, Novice, Limit, Geldings, Mares, Ladies, Gentlemen). Judged on manners, performance, presence, quality and conformation.
4. ENGLISH PLEASURE UNDER SADDLE and CHAMPIONSHIP (Open to both Saddle Seat and Hunter Seat Entries). Any English Pleasure class that allows entries to compete in either Saddle Seat or Hunter Seat attire and equipment must be run as an unrated, recognized class or opportunity class. Competition management must list the class specifications in the prize list and a licensed judge is not required.
5. ENGLISH PLEASURE HORSEMANSHIP and CHAMPIONSHIP (Saddle Seat, Hunter Seat, Driving). To be shown at the appropriate gaits listed in EP103.1 and EP103.2. To be judged on the rider's awareness of the horse's performance. Offering of prize money in horsemanship classes for junior exhibitors and amateurs is forbidden. In Horsemanship classes, the rider is the competitor and wins the award. Exception: Breed and Hunter Horsemanship classes may offer classes in which scholarship funds are awarded. However, these funds must be disbursed directly to the institution upon proof of enrollment by the awarded recipient. Horsemanship classes will be held as unrated, recognized classes. Horsemanship classes are to be judged in accordance with EP104.

CHAPTER EQ EQUITATION DIVISION**SUBCHAPTER EQ-1 REGULATIONS FOR ALL SEATS****EQ100 Definition**

The Equitation Division is divided into three sections: Hunter/Jumping, Saddle and Western Seats. Judges officiating these sections shall be licensed accordingly unless permitted in the rules of the specific Equitation Finals (Exception: GR1004.4). Separate classes can be offered for boys and girls; different age limits; or ribbons won. Dressage Seat Equitation is exempted from the requirements of Chapter EQ. For Dressage Seat Equitation, see DR133.

EQ101 Eligibility

1. Riders in classes for junior exhibitors cannot have reached their 18th birthday in accordance with GR127, however competitions are encouraged to offer Adult Equitation classes for amateur riders who have reached their 18th birthday.
2. In Equitation classes only the rider is being judged, therefore, any horse that is suitable for a particular style of riding (i.e., Hunter/Jumping Seat, Saddle Seat or Western/Reining Seat) and is capable of performing the required class routine is acceptable.
3. Stallions are prohibited. (Exception: USEF Talent Search Class/Finals; Hunter Seat Equitation classes restricted to adults; classes restricted to a breed if division rules for the breed of horse ridden permit their use for juniors, and if the division rules for the breed of horse ridden permit juniors to ride stallions).
4. Any rider competing and or riding anywhere on the competition grounds with their stirrup, stirrup leather, fender, or foot tied and/or secured in any manner will be eliminated from the entire competition. The steward will note the trainer name(s) on the steward's report, and further disciplinary actions may be taken by the Federation.
5. Management shall not permit an animal to compete in any equitation class restricted to ponies or in any class where the pony's height is a qualifying factor unless the person presenting the animal is in possession of a measurement card issued by the Federation or a copy of a valid measurement form.

EQ102 Judging

1. SOUNDNESS. Unsoundness does not penalize a competitor unless it is sufficiently severe to impair the required performance. In such cases, the imposition of a penalty is at the judge's discretion. **(Exception: Hunter/Jumping Seat Equitation classes held at Hunter Jumper Competitions where, in a case of unsoundness sufficiently severe to impair the required performance, the judge(s) must eliminate the competitor from that class and inform the competition manager, who in conjunction with the Official Veterinarian and the Steward, will evaluate disqualifying the horse from further participation in the competition.) BOD 1/16/16 Effective 12/1/16**
2. Any rider not having his mount under sufficient control will be dismissed from the ring and disqualified from that class.
3. Riders must remain on the same mount throughout all phases of a class until the judge requests a change.
4. No rider can be asked to perform a test on another horse before he has performed the same test on his own.
5. Attendants are not allowed in the ring except at the request of judge(s).
6. When additional tests are desired, the judges' instructions to riders are publicly announced. It is suggested that the judge go over these instructions with the announcer immediately before they are announced to assure mutual understanding of the wording. For testing in Hunter Seat Finals, when riders are called back collectively into the ring without their trainers, they may be given a copy of the course. If the judge desires, the test may be written on the course diagram.
7. Judges cannot confer with riders individually during the line-up. (Exception: Verbal testing).
8. At Federation licensed hunter and/or jumper competitions, judges may not adjudicate from the same location as the starter, or from a place where competitors and/or trainers are permitted to congregate.

9. ELIMINATIONS.

- a. If eliminations for a class are separated from the final phase, the performance in each phase has equal consideration unless otherwise specified in the prize list or class specifications. (Exception: ASPCA Horsemanship Finals.)
 - b. The final phase will be conducted in the same manner as the elimination except a different course can be used in the Hunter/Jumping Seat classes and different tests can be used in all classes.
 - c. If a posted workout is to be used at a later time it should be publicly announced and should be posted near the in-gate before the workout is called.
10. In Open Equitation and Medal Classes, horses may not be ridden by more than one rider per class or section of the class. (Exception: Saddle Seat Equitation and Tests requiring a change of horses.)
11. In a work-off a rider may not jump or be required to jump any fence that is not in the original course, except verticals included in the original course may be jumped in the opposite direction provided the ground lines are correct. Jumps must be jumped in the original direction unless otherwise specified.

SUBCHAPTER EQ-2 HUNTER/JUMPING SEAT EQUITATION SECTION.

WHEN A SUBJECT IS NOT ADDRESSED IN THESE RULES, IT MUST BE ADDRESSED BY THE APPROPRIATE COMMITTEE AND THAT COMMITTEE'S INTERPRETATION WILL STAND AS THE RULE UNTIL THE NEXT YEAR WHEN AN APPROPRIATE RULE CHANGE WILL BE SUBMITTED.

EQ103 Eligibility to Compete

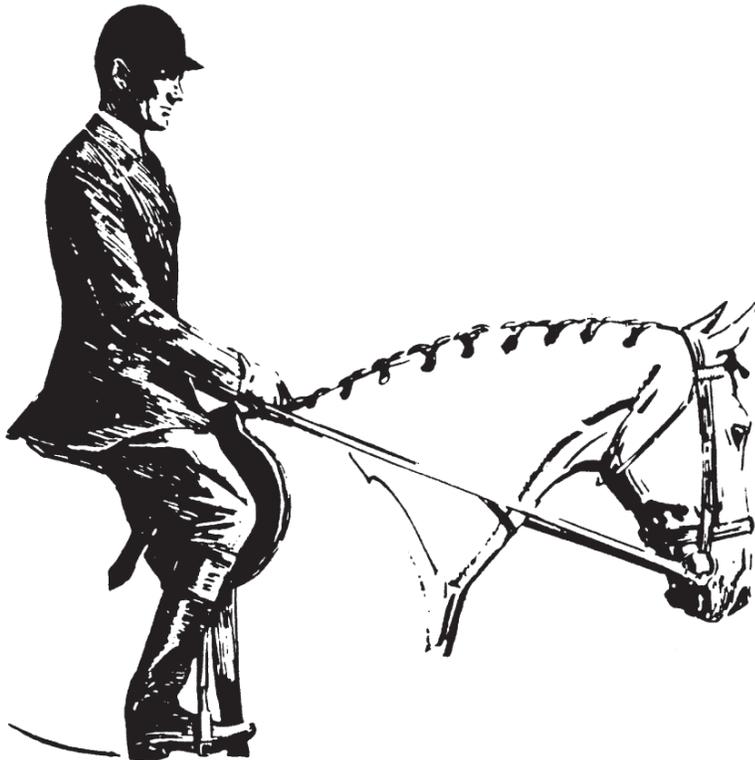

1. In order to compete in any Hunter/Jumping Seat Equitation classes at licensed competitions as an exhibitor, rider, trainer, or his/her agent(s), a person must be an Active member of the United States Hunter Jumper Association, Inc., or pay a Show Pass fee to the United States Hunter Jumper Association, Inc. Exception: Local Competitions and exceptions listed in GR901.9. Exception: Breed restricted Hunter/Jumping Seat Equitation classes.
2. USHJA Horse Registrations.
 - a. All horses competing in Federation licensed and/or USHJA sanctioned competitions with Hunter, Hunter Breeding, Jumper and Hunter/Jumping Seat Equitation classes not restricted by breed must be properly identified in accordance with GR1101, and must also be registered with USHJA (See GR1101.1). The USEF/USHJA registration number for each horse must be entered on all entry forms for licensed competitions.
 - b. Applications for USHJA Registration can be completed online at ushja.org or usef.org using the USEF Horse Registration application form. This form is also available from the USHJA or Federation office, as a download from the USHJA or Federation website or from competition management. Competition management is responsible for notifying exhibitors of this requirement in their prize list.
- 3.1 In addition to the provisions of EQ103.2, on or after December 1, 2017, all horses competing in classes that require USHJA horse registration must provide a microchip number that verifies their animal's identity in order to compete for points, money won or be eligible for Federation and/or USHJA programs and awards where horses are required to be recorded or registered.
- 3.2 A microchip used to verify identity must be a fifteen digit ISO compliant 11784/11785 chip and be implanted in the nuchal ligament of the animal.
- 3.3 For classes that require age verification, age can be verified only through the following identification documents:
 - a. registration papers or passport issued by a World Breed Federation Sport Horse (WBFSH) recognized registry.
 - b. registration papers or Certificate of Pedigree from a breed or sport horse registry.
- 3.4 This rule will have a transition period from December 1, 2017 to November 30, 2018. During this period, animals that are not in compliance with this rule will not receive points or be eligible for Federation and/or USHJA programs and awards. After this period, all horses that are competing in classes which require USHJA registration which are not

microchipped will be ineligible to compete in Federation licensed competitions. *BOD 1/16/16 Effective 12/1/16*

4. Adults can ride ponies in Adult Hunter Seat Equitation classes, suitability to count; however, these ponies cannot cross enter into the rated Regular and Green Pony Hunter sections at the same competition.

EQ104 Position

1. General. Rider should have a workmanlike appearance, seat and hands light and supple, conveying the impression of complete control should any emergency arise. Exhibitors may ride side saddle in Adult Equitation classes but not in classes restricted to Juniors.
2. Hands. Hands should be over and in front of horse's withers, knuckles thirty degrees inside the vertical, hands slightly apart and making a straight line from horse's mouth to rider's elbow. Bight of reins may fall on either side. However, all reins must be picked up at the same time. When using two reins, the snaffle rein should be on the outside while the curb rein is on the inside.
3. Basic Position. The eyes should be up and shoulders back. Toes should be at an angle best suited to rider's conformation: ankles flexed in, heels down, calf of leg in contact with horse and slightly behind girth. Iron should be on the ball of the foot and must not be tied to the girth.
4. Position in Motion. At the walk, sitting trot and canter, body should be a couple of degrees in front of the vertical; posting trot, inclined forward; galloping and jumping, same inclination as the posting trot.
5. Mounting and Dismounting. To mount, take up reins in left hand and place hand on withers. Grasp stirrup leather with right hand and insert left foot in stirrup, toe in girth and mount. To dismount, rider may either step down or slide down. The size of rider must be taken into consideration.

EQ105 Appointments

1. Protective headgear. All riders must wear protective headgear. See GR801.2. While competing in a class, if a rider's chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her performance without penalty or elimination. A judge may, but is not required, to stop a rider and ask them to re-fasten a chin strap which has become unfastened, again without penalty to the rider. Headgear must be free from non-traditional adornment.

2. Attire. Riders are required to wear conservatively colored coats (black, blue, green, grey or brown) which are free from adornment which in the judge's opinion is overly distracting. Shirts must have a choker, similar collar or tie. Breeches may be buff, canary, tan, rust or white.
3. Spurs, crops or bats are optional but if used must be a conservative color.
4. Inappropriate attire. When management permits Hunter/Jumping Seat Equitation riders to ride without jackets, riders must wear traditional, short, or long-sleeved riding shirts with chokers or ties. Polo shirts and full chaps are not permitted except in unjudged warm-up classes. Management or Judge may eliminate an exhibitor who is inappropriately attired.
5. Tack.
 - a. In Hunter Seat Equitation, snaffles, pelhams and full bridles, all with cavesson nose bands, are required. Judges may penalize, but may not eliminate, a horse or pony that competes in a snaffle, pelham or full bridle that is unconventional. Judges must eliminate a horse or pony that competes in an illegal bit or a noseband other than a cavesson. Illegal bits include, but are not limited to, two rings, three rings, gags (other than the hunter gag), et cetera. Illegal nosebands include, but are not limited to, drop, flash and figure eight nosebands.
 - b. In Jumping Seat equitation, snaffles, pelhams, full bridles, gags, two ring or three ring bits are required. Judges may penalize, but may not eliminate, a horse or pony that competes in a snaffle, pelham, or full bridle that is unconventional. Judges must eliminate a horse or pony that competes in an illegal bit or noseband. Legal nosebands include leather cavesson, flash and figure eight. Illegal nosebands include but are not limited to drop nosebands.
 - c. Boots and conservative colored bandages are permitted. Type of saddle is optional. Martingales are permitted in classes over obstacles and in the jumping phase of classes requiring both jumping and flat work. **Martingales are not permitted on the flat in any class or phase unless class specifications allow their use.** Changing of bits between phases is permissible. *BOD 1/16/16 Effective 12/1/16*
6. When showing in the Hunter/Jumping Seat Equitation section it is recommended that riders use traditional stainless steel stirrup irons that promote proper position of the foot in the iron as well as a correct leg position. It is further recommended that riders use stirrup irons that allow judges a clear and unobstructed view of the position of the foot in the stirrup. Judges may not eliminate a rider for using a particular style of stirrup iron. (Exception: see EQ101.4)
7. Electronic Communication Devices.
 - a. No mounted exhibitor may wear or carry an electronic communication device (i.e., cellular telephone, pager, walkie talkie, etc.) while in the competition ring. The penalty for wearing or carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried.
 - b. Electronic communication devices used for purposes of coaching, etc., between competitors and individuals outside the ring shall be prohibited in all classes.
 - c. Exhibitors who have a chronic condition may apply for a Presidential Modification exempting them from the provisions of this rule in accordance with GR152. Riders may not use these devices in over fences classes.
 - d. An exhibitor who has a chronic condition and has previously been granted at least one annual presidential modification related to the condition, may submit an application for approval of a special three-year presidential modification related to the same condition. The application must be accompanied by sufficient supporting documentation that the condition is unlikely to improve during the three-year period.
8. A rider will be eliminated for competing with a tail wrap.

EQ106 Conduct

(See GR1210.1a -.1e)

1. Classes for junior and senior riders can be combined.
2. When entries warrant, it is recommended that competitions restrict Maiden, Novice, Limit and Intermediate riders to

EQ - EQUITATION DIVISION

their respective categories.

3. DIVISION OF CLASSES. In Hunter/Jumping Seat, **if there are 40 or more entries at the beginning of the class, it may be divided and run as two separate sections.** All classes with 50 or more entries at the beginning of the class must be divided and run as two separate sections with separate trophies and ribbons; for Hunter/Jumping Seat, a “California split” method, as defined in HU112.7, must be used if the class requires numerical scores. (Exception: Regional and National Equitation Finals and all Equitation Classics) **BOD 1/16/16 Effective 12/1/16**
4. MONEY PRIZES. In Equitation classes the rider is the competitor and wins the award. Offering of prize money in Equitation classes for junior exhibitors and amateurs is forbidden. (Exception: Scholarship funds may be awarded. However, these funds must be disbursed directly to the institution upon proof of enrollment by the awarded recipient.)
5. RIBBONS. In Hunter/Jumping Seat Equitation classes a minimum of six ribbons must be awarded but no more than ten ribbons are required.
6. NUMBERS. Numbers must be worn on the rider’s back and must be clearly visible at all times when in competition.
7. Attention getting devices and/or other noisemakers (including but not limited to tape measures, blow horns, altered bamboo poles, etc.) are not allowed in and around the make up/schooling/warm-up and competition rings during scheduled competition sessions. Use of explosives and fire extinguishers by or for exhibitors/competitors (except in the case of fire) is not allowed on competition grounds at any time. (See also GR839.4i)

EQ107 Class Routine

1. Over obstacles.
 - a. The performance begins when the horse enters the ring.
 - b. Each competitor’s round will be scored on the rider’s performance.
 - c. Each competitor may circle once before approaching the first obstacle. He then proceeds around the course keeping an even pace throughout.
 - d. If a refusal occurs in a double or triple, competitors must re-jump all obstacles in the combination.
 - e. The judge will determine a base score for each competitor’s performance. A knock down penalty of four (4) points per rail will be deducted from the base score.
 - f. In classes with a time allowed, a one (1) point deduction per second over the time allowed will be deducted from the base score.
 - g. The following constitute major faults:
 1. A refusal.
 2. Trotting on course when not part of a test.
 3. Crossing your track; A track is established once a horse has landed from a fence or completes a required test and follows the horse until the consecutive fence is jumped or the next test is executed. Upon completion of each consecutive fence or performance of the next test, the track is erased. Crossing a track between obstacles and/or required tests shall constitute a disobedience and will be penalized by the judge(s). Exceptions:
 - a. A course diagram that requires a rider to cross his track.
 - b. Snake or multiple panel jumps that are jumped consecutively
 - h. The following constitute faults at the judge’s discretion:
 1. A loss of stirrup(s).
 2. A loss of rein(s).
 - i. An eliminated rider must leave the ring immediately. If elimination occurs during a ride-off, the competitor is placed last of all those chosen for the ride-off, but placed before any riders not participating (see EQ112). The following actions will result in elimination:
 1. Fall of horse and rider (rider shall not remount in the ring).
 2. Three cumulative refusals. Exceptions: Riders will be eliminated after two refusals in the U.S. Hunter Seat

Medal Finals, U.S. Pony Medal Finals, Maclay Finals, USEF Talent Search class and the WIHS Equitation Jumper phase.

3. Off course.
 4. Trotting or cantering through the in-gate or out-gate.
 - j. Any or all competitors can be called back to perform at a walk, trot and canter or to execute any appropriate tests included in class requirements (see EQ110 and EQ112). If a rider does not attempt a part of the test (e.g., fails to back, fails to halt) a score of 50 shall be given for the first occurrence. If a rider attempts the test, but encounters difficulty (e.g., loss of counter lead, breaking to the canter in front of a trot fence), up to 10 points may be deducted depending on severity, for each occurrence.
2. Flat Classes and Flat Phases.
- a. In Hunter Seat or Jumping Seat Equitation flat classes or phases, judges must work competitors in groups of twenty (20) or less.
 - b. Light contact with the horse's mouth is required.
 - c. **Martingales are not permitted on the flat in any class or phase unless class specifications allow their use. BOD 1/16/16 Effective 12/1/16**
 - d. Competitors shall proceed at least once around the ring at each gait and, on command, reverse and repeat. The order to reverse can be executed by turning either toward or away from the rail. Entries then line up on command.
 - e. All tests must be on the flat.
 - f. In addition to the class requirements of EQ110 and EQ112, in Intermediate, Open Equitation classes for riders 12 years of age and older, ASPCA Maclay classes, and all U.S. Hunter Seat Medal classes, riders may be asked to work collectively without stirrups.
 - g. In addition to the class requirements of EQ110 and EQ112, in Open Equitation classes for riders 12 years of age and older, ASPCA Maclay classes, and all U.S. Hunter Seat Medal classes, judges may call for more advanced flatwork such as shoulder in, shoulder out, haunches in, haunches out, and changing direction collectively.
3. Outside assistance will be penalized at the judge's discretion.
 4. In cases of broken equipment or loss of shoe, the competitor must continue or be eliminated. Exception: see EQ105.1 for protective headgear.
 5. The number of competitors who complete the course will be used to determine the number of entrants for the increment system.
 6. In any two-phase equitation class, i.e. the WIHS, Maclay and the USEF Talent Search, a rider must complete both phases to be eligible for a ribbon in the overall standings. Exception: U.S. Hunter Seat Medal see EQ110.5.
 7. No medal class with a national year-end finals may run concurrently with any other class or section in the same ring. Exception: Pony Medals and WIHS Equitation Hunter Phase.

EQ108 Course Requirements

See EQ110 for course requirements specific to Medal Classes

Classes must be held over at least six obstacles.

1. All obstacles must be at least 5'6" wide across the jumpable portion.
2. In Maiden, Novice, Limit and classes for 14 years **and under**, jumps cannot exceed 3' (or 0.90m when class specifications list fence height in metric.)
3. In Intermediate classes obstacles cannot exceed 3'3" (or 1.0m when class specifications list fence height in metric.)
4. In Open Classes and Classes for **15 to 17** years, obstacles cannot exceed 3'6" (or 1.10m when class specifications list fence height in metric) and wings are optional.
5. In Novice classes, a change of direction is required.

EQ - EQUITATION DIVISION

6. In Limit classes, a change of direction and a combination are required.
7. In Intermediate, **15 - 17** and Open classes, at least one change of direction and a combination are required. **BOD 1/16/16 Effective 12/1/16**
8. Combinations are prohibited in classes restricted to riders 12 years old and under, unless required in specific Federation classes. All combinations must be numbered with a single number and the designations A and B or A, B and C on the course diagram. If only one element of a combination is being jumped, it must be the last element.
9. Verticals may be jumped in either direction provided ground lines are correct, i.e. no false ground lines.
10. It is recommended that one class in each competition be held over jumper-type obstacles to encourage interest in FEI competition and one over hunter course so that riders can be judged on their ability to establish and maintain an even hunting pace.
11. In Open Equitation classes for riders 12 years of age and older, the course must include at least two changes of direction, a combination including an oxer and 1/3 of the obstacles must be oxers. In addition, all courses must include at least three of the following:
 - a. Bending Line
 - b. Narrow Jump (5'6"-8')
 - c. Roll-back Turn
 - d. Fence at the end of the ring
 - e. Long approach to a single jump
12. If an option fence is used, a rider may choose to jump either fence. If the horse stops at one of the options, the rider is scored with a refusal and if the fence is dislodged must wait for the fence to be reset, but may then jump either option.
13. **The top element of all obstacles must be securely placed so that a slight rub will not cause a knockdown. If a breakaway or safety cups are used the top cup must be the deepest cup available. A plank may not be used as the top element of a jump.**
14. FEI approved safety mechanisms must be used in conjunction with a cup that is at least 1 ½ inches deep and at least 3 inches wide for the back rail of all oxers in the competition ring.
15. FEI approved safety cups must be made readily available for each equitation schooling area. Breakable pins such as wooden dowels are permitted in an equitation schooling area only when safety cups are not available.
16. Schooling Rules for all equitation classes will follow USEF Jumper Schooling Rules (see JP Appendix A) EXCEPT that Swedish Oxers (maximum 12" difference), **ground lines on both sides of an oxer**, tarps, coolers and liverpools are acceptable. **BOD 1/16/16 Effective 12/1/16**

EQ109 Course Designers.

1. The licensed Hunter Course Designer, or his designated representative, must be present during all Hunter/Jumping Seat Equitation classes for which he has responsibility and must oversee the courses are properly set for the competition. Course Designer should be available to report to the judge at any time. (Exception: breed restricted competitions and open competitions with 50% or more breed specific classes.)
2. A minimum of an "r" license is required to officiate alone at a National or Premier licensed competition with a Hunter class offering up to \$4,999 in prize money.
3. A "R" license is required to officiate in any class at a National or Premier licensed competition offering \$5,000 or more in prize money.

EQ110 Requirements for Specific Classes

1. The following age limit classes are suggested but may vary according to local conditions:
 - a. For juniors: **14 and under, and 15-17**; and
 - b. For amateurs: 18 to 35, 36 and over.

2. Juniors 14 **and under**. Tests 1-8.
3. Juniors **15 - 17**. Tests 1-19. *BOD 1/16/16 Effective 12/1/16*
4. Maiden, Novice, Limit, Intermediate.

Open to riders that have not won one/three/six/twelve first place ribbons respectively competing in equitation classes at Regular and Local competitions of USEF or Equine Canada.

- a. Maiden. For juniors and amateur riders who have not won 1 blue ribbon over obstacles. Test 1
- b. Novice. For juniors and amateur riders who have not won 3 blue ribbons over obstacles. Tests 1-7.
- c. Limit. For juniors and amateur riders who have not won 6 blue ribbons over obstacles. Tests 1-7.
- d. Intermediate. For juniors and amateur riders who have not won 12 blue ribbons over obstacles 3'3" or higher. Tests 1-13.
- e. Open. For juniors and amateur riders. Tests 1-19.
- f. The Maiden, Novice, Limit and Intermediate status of riders at Regular and Local Competitions is determined from the closing date of entries. Blue ribbons won in the Hunter/Jumping Seat Equitation section will not affect a rider's status in the Saddle or Stock sections, etc. Ribbons won in classes restricted to a particular breed will affect a rider's status. Ribbons won as a junior affect a rider's status when competing as an adult.
- g. Ribbons won in leadline classes and in classes where entries are not required to ride at all gaits will not affect Maiden, Novice, Limit and Intermediate status.
- h. Ribbons won in classes not to jump do not affect a rider's status in classes over jumps. However, ribbons won in classes over jumps do affect a rider's status in classes not to jump. Ribbons won in classes with less than six (6) entries do not affect a rider's status. Ribbons won in short stirrup classes and in classes over obstacles lower than 2'3" will not be counted in reckoning Maiden, Novice, Limit, Intermediate or Open status.

5. US HUNTER SEAT MEDAL CLASS

- a. Conditions Governing Competitors in US Hunter Seat Medal Classes
 1. US Hunter Seat Medal Classes are open to Individual Junior Members in good standing who have not reached their 18th birthday in accordance with GR127. Affiliated Members are not eligible. No credit will be given for winnings before a competitor becomes a member.
 2. Application for membership can be made directly to the Federation, or the exhibitor can join prior to the class through the steward.
 3. A rider can enter Medal classes anywhere in the United States but the number of points to qualify for the US Hunter Seat Medal Final (or semi-finals if held) depends on the requirements of the rider's point state. A rider's point state shall be the state given on the rider's membership application. That address is locked on December 1 of the competition year or the first day of the rider's membership activation, whichever comes first. However, a Life member's address is always locked on December 1 of the competition year. A rider may have only one domicile which is where the rider has his permanent home and where, whenever he is absent, intends to return. The address given on the membership application must be the state where the rider is domiciled at the time of membership activation or renewal. If a rider is found not in compliance with this rule, the rider may be subject to disqualification from the US Hunter Seat Medal Finals. A person may apply to the Federation for permission to change their point state.
 4. In US Hunter Seat Medal, exhibitors must qualify by the minimum number of points required by their state. Riders may compete in a total of fourteen (14) US Hunter Seat Medal Qualifying classes in a single qualifying period. Any rider who continues to compete after they have competed in fourteen (14) qualifying classes will no longer be eligible to compete in the US Hunter Seat Medal Final. (Exception: If a rider is not yet qualified for the US Hunter Seat Medal Final after fourteen (14) classes, that rider may continue to compete until qualified. That rider must stop competing in US Hunter Seat Medal Qualifying classes as soon as he or she is qualified for the US Hunter Seat Medal Final or he/she will no longer be eligible to compete in the US Hunter

EQ - EQUITATION DIVISION

Seat Medal Final.) It is the rider's responsibility to calculate and know their points as well as the number of classes they have competed in.

- a. Any rider in his or her final junior year may not compete in any qualifying classes held at a competition with a start date after August 31 of that competition year.
 - 5. The winner of a Medal Class Final is no longer eligible to compete in Medal classes in the division in which the Final was won.
 - 6. Qualifying procedures for US Hunter Seat Medal Classes and any other USEF classes listed in EQ110 will be approved by the relevant USEF Committees and breed/discipline affiliate organization. Information on qualifying procedures for each of these classes will be available on the USEF website.
 - 7. The first and second place award winners of each USHJA Zone and Regional Medal Finals, if not already qualified prior to the start of each event, shall be automatically qualified to compete at the US Hunter Seat Medal Finals.
- b. To be shown over a course of not less than eight obstacles at 3'6" with spreads to 4' (Exception: triple bar type obstacles, maximum spread of 5') which must include one combination including an oxer and two changes of direction after the first obstacle and 1/3 of the obstacles must be oxers. A liverpool or water is prohibited in US Hunter Seat Medal classes including Regionals and Finals. In addition, all courses must include at least three of the following: Bending line, narrow jump (5'6"-8'), roll-back turn, fence at the end of the ring, long approach to a single jump. Two or more tests of at least the top four competitors are required. **In classes with thirty-one (31) or more entries, at least the top eight (8) competitors must be called back for testing.** Eight places must be awarded in classes with thirty-one (31) or more entries. Tests 1-19. Any exhibitor who does not participate in the testing is placed last of those exhibitors called back to test. Should more than one exhibitor fail to return for testing they will be placed at the judge's discretion. Only one rider per horse. To fill a class three (3) competitors must complete the course. For purposes of determining the number of entries for the increment system, the number of entries is determined by the number of exhibitors who completed the course in a class or section of the class. (See EQ107.5). If there are 40 or more entries at the beginning of this class, it may be divided by every other number and run as two separate sections. If there are 50 or more entries at the beginning of this class, it must be divided by every other number and run as two or more separate classes. Certificate of Compliance - **At Regional I, Regional II and Local Member competitions**, National medal classes must be certified by the following: A course plan showing the actual height and spread of all the fences, signed by the judge and **the course designer (the steward must sign if the course designer is not present on the competition grounds) which must be provided to the steward no later than the end of the competition day on which the national medal class is held. d. Conditions Governing US Hunter Seat Medal Finals

1. If entries warrant, semi-final ride-offs will be held at strategic points throughout the country, in which case all potential participants must be notified in advance.
2. On or before July 1 of each year the Federation will announce the competitions at which the Finals will be held. Even though entries for the designated competitions have closed before an individual qualifies, post entries will be accepted.
3. Any rider in his or her final junior year may not compete in any qualifying classes held at a competition with a start date after August 31 of that competition year.
4. The judge(s) for all US Hunter Seat Medal Class Finals are to be approved by the appropriate equitation committee.
5. The US Hunter Seat Medal Finals will be judged by at least one judge who holds an "R" Registered status in the Hunter Seat Equitation Division. Additional judges are eligible to judge if they have 'r' recorded status. A high performance jumper individual is eligible to judge the Finals with a guest card provided that the individual has either judged the East or West Coast Finals of the USEF Talent Search class or held a Hunter/Jumping Seat Equitation Judges' Card within the last ten years. Any questions or disputes in connection with Medal classes must be referred to the Board of Directors or to a special committee appointed by the President whose verdict is final.
6. Two cumulative refusals in the US Hunter Seat Medal Finals will result in elimination, see EQ 107.1.
7. The judges for the Hunter Seat Medal Finals must design the course, which must be posted one hour before the class. Maximum spread of obstacles 4'. (Exception: triple bar type obstacles, maximum spread of 5'.)
8. In US Hunter Seat Medal Finals, between 20-25 riders must be called back for the work-off.
9. The name of the winner of a Finals is engraved upon a Perpetual Trophy which remains in the possession of the Federation. A replica trophy is given to the rider.
10. In the event that a horse is incapacitated in the first phase of a Medal Finals or before the ride-off, upon examination of the competition veterinarian and a judge or steward, a substitution is permitted.
11. For all Hunter Seat Regional and Final Championships, the competition will provide an exhibitor representative from the USHJA Equitation Task Forces' annual approved list. The exhibitor representative acts between the trainers and the judges and stewards if issues arise that need clarification. Issues may include concerns regarding the course, footing, call back lists or any others needing clarification. The person that is chosen for this job will have no conflict of interest or vested interest in the outcome of the class. The exhibitor representative will not act as a steward but as a liaison for the trainers, judges and exhibitors.
12. Qualifying procedures for US Hunter Seat Medal championships and any other USEF championships listed in EQ110 will be approved by the relevant USEF Committees and breed/discipline affiliate organization. Information on qualifying procedures for each of these classes will be available on the USEF website.

e. Schooling Rules for Medal Finals

1. One hour before the class begins competition management will set in place the jumps in the schooling area(s). The jumps will be flagged to show the direction of the jumps. These flags may be changed, red on right, white on left.
2. Verticals can be made into oxers and oxers can be made into verticals. The jumps may be raised or lowered, widened or narrowed.

f. Qualifying

1. The points that a rider needs to qualify will be determined by his state residence. The points required by each individual state will be determined by the population density of that state for Junior riders designated Hunter or Jumper combined with the number of US Hunter Seat Medal classes held in that state. Each year the Current State Groups will be recalculated. The number of points required by each state will be posted at the

EQ - EQUITATION DIVISION

beginning of the each qualifying period on the USEF website. See EQ110.5a.4 for restrictions on competing in US Hunter Seat Medal classes after qualifying for the Finals.

2. For points required to qualify for the US Hunter Seat Medal Finals by state groups, see the Federation website at www.usef.org. Point system and state groups will be set no later than fifteen (15) days prior to the start of the qualifying period.
 3. Current state charts will be posted on the USEF website at www.usef.org.
6. U.S. PONY MEDAL CLASS. Open to Junior Active Members of the Federation who have not yet reached their 18th birthday, on ponies 14.2 hands and under. No Junior over 12 years of age may compete on a small pony. No Junior over 14 years of age may compete on a medium pony. Application for membership can be made directly to the Federation, or the exhibitor can join prior to the class through the Federation steward. Riders entered in this class cannot cross enter into a U.S. Hunter Seat Medal Class at the same competition. Suitability of a pony to rider will be emphasized. To be shown over a course of not less than six obstacles 2'3" for ponies not exceeding 12.2 hands; 2'6" for ponies over 12.2 hands and not exceeding 13.2 hands; and 2'9" - 3' for ponies over 13.2 hands. If distances between related fences are less than 100' (including in and outs), the distances must be adjusted for each height section. The course must include at least two changes of direction and 1/3 of the obstacles must be oxers. In addition, U.S. Pony Medal classes may include any of the following: bending line, narrow jump (5'6"-8'), rollback turn, fence at the end of the ring, long approach to a single jump, a combination. Two tests (1-19, excluding test 16) are required during the first round. Only one rider per pony. To fill a class six competitors must complete the course (five in Zones 8, 11, and 12). Two cumulative refusals in the U.S. Pony Medal Finals will result in elimination, see EQ107.1. This class may be judged as one class, with all height sections run consecutively; or management may elect to divide and pin this class in three separate sections, small, medium and large or to divide into two sections, small-medium and large or small and medium-large. In no case may sections be divided into small-large and medium. When classes are divided as outlined above an exhibitor may only ride in one section per competition. Ribbon winners in each section will receive qualifying points. The Pony Medal may be run concurrently with the small, medium, and large pony division. The green pony division cannot be run with the U.S. Pony Medal card open as the fence heights are not consistent. However, green ponies may jump in the U.S. Pony Medal when the card is held open during the regular pony division if they so choose. A rider who accumulates 30 pts. will receive a silver medal from the Federation and will qualify for the Finals which is held in conjunction with the U.S. Pony Competition. 1st place = 30 pts.; 2nd place = 15 pts.; 3rd place = 10 pts. A rider that has qualified for the Finals can continue to compete in qualifying classes. The winner of the Finals may no longer ride in the Finals or in qualifying classes. Classes held **at competitions with a start date** after July 1 will count toward the next year's Final. Riders cannot enter both the US Hunter Seat Medal Finals and the U.S. Pony Medal Finals in the same year. If there are 50 or more entries at the beginning of this class, it must be divided by every other number and run as two separate classes. Certificate of Compliance - **At Regional I, Regional II and Local Member competitions**, National medal classes must be certified by the following: A course plan showing the actual height and spread of all the fences, signed by the judge and **the course designer (the steward must sign if the course designer is not present on the competition grounds) which must be provided to the steward no later than the end of the competition day on which the national medal class is held. A graduated point scale based on difficulty and class specifications, a 3* being the most difficult and a 1* be the least difficult, will be used for Finals qualification.

Information about the USEF Show Jumping Talent Search Finals East and West and qualifying procedures for each can be found on the USEF web site by clicking [HERE](#). Qualifying procedures cannot be changed without the approval of the USEF Show Jumping High Performance Committee following notification of USHJA of such changes.

i. Talent Search Finals

The USEF SHOW JUMPING TALENT SEARCH FINALS will be judged by at least one judge who holds an "R" Registered status in the Hunter Seat/Jumping Equitation Division. Additional individuals are eligible to judge with a guest card.

10. WASHINGTON INTERNATIONAL HORSE SHOW EQUITATION

a. RIDER MEMBERSHIP. The cost of an annual WIHS membership can be found on the WIHS website. Membership entitles riders to earn points in the rankings. Membership (application & fee) must be received at the WIHS Membership Office within 10 days of the completion of an event for points from that event to count. Riders may join at a show; however, riders are strongly encouraged to mail the application themselves. Riders may obtain an application or download an application from the website, www.wihs.org.

1. Riders need not be members of the WIHS Equitation to compete in any qualifying classes, but only current members will accrue points towards year-end finals.

b. QUALIFYING PERIOD. Qualifying period: shows starting on or after September 1st through shows starting on or before August 31st. The top 40 riders (as determined by the League in accordance with subsection .c below) will be invited to compete in the WIHS Equitation Finals and the top 25 riders will be invited to compete in the WIHS Pony Equitation Finals at the Washington International Horse Show. Multi-day horse shows are permitted to hold either a one or two phase WIHS Equitation qualifier. One-day horse shows are only allowed to hold a one-phase event. WIHS Pony Equitation classes may only be one phase.

c. QUALIFYING LEAGUES. Qualification for the WIHS Equitation Final will be based on two Leagues. The East Coast League will consist of Zones 1-5, and the West Coast League will consist of Zones 6-12. The top 30 riders from the East Coast League and the top 10 riders from the West Coast League will be invited to compete in the WIHS Equitation Finals. Riders will compete in the League based on their address submitted to the WIHS Membership Office. Riders have until June 15th to change their leagues provided they submit their request in writing to the WIHS Membership Office by that date. Riders may add points from up to four competitions based in the other League to their total. Additional qualification specifications can be found on the WIHS website.

d. Awarding of Points

1st - 6th place points are tabulated by multiplying the # of riders in the qualifier class by 10, 6, 4, 2, 1, ½ points respectively.

When there is a two-phase junior equitation qualifier, only the overall results of a two-phase junior equitation

qualifier will be tabulated for the standings. A multiplying factor of 2 will be applied to these classes only.

e. CLASS SPECIFICATIONS. WIHS Equitation and WIHS Pony Equitation:

1. The WIHS Equitation Classes are open to junior members of USEF or Equine Canada.
2. Three riders must complete the course for the class to be included in the National Ranking.
3. The same horse must be used in all phases of the event. No Exceptions.
4. Only one rider per horse, unless the judge requests a change.
5. Classes to be judged in accordance with the current USEF standards for equitation.
6. Riders may only compete in one WIHS Equitation class at a show.
7. If there are 50 or more entries at the start of either phase, **that phase** must be divided as under HU112.7 ("California Split"). **If one phase is split and there are fewer than 50 entries in the second phase, splitting the second phase is optional. Only phases with more than 50 entries must be split.** If either phase is double pinned, then the overall results must also be double pinned. Points will be awarded based on the number of riders in the largest phase after any split, however for calculation purposes the maximum differential between the two phases will be no more than ten riders of the lesser section. *BOD 11/7/16 Effective 12/1/16*

f. WIHS Pony Equitation: To be shown over a course of not less than 8 jumps. No junior rider over 12 years of age may compete on a small pony. WIHS Pony Equitation classes may include any of the following: bending line, narrow jump (5'6"-8'), rollback turn, fence at the end of the ring, long approach to a single jump. It is recommended that the course be consistent with EQ108.11. A numerical score will be given. WIHS Pony Equitation class may run concurrently with the small, medium and large pony division. The green pony division cannot be run with the WIHS Pony Equitation card opened as the fence heights are inconsistent.

The signed course plan must be included in the steward's report to the Federation.** *BOD 1/16/16 Effective 12/1/16*

Rules regarding Time to Start (JP136.3 and .4) and Starting and Stopping (JP137.1) will apply.

A FINAL SCORE BELOW ZERO MAY NOT BE GIVEN.

3. Two Phase Event - Hunter & Jumper - Each phase to be conducted under their own specifications and pinned separately, as well as an overall placing.
 - a. Both Hunter & Jumper Phases to be scored under the numerical system. Scores from each phase will be added together to determine the overall winner. In the event of a tie for any placing, the tie will remain.
 - b. Scores from the first phase will determine the order of go in the second phase. The highest scores will return last; riders may volunteer to move up in the order.
 - c. One or more judges may be used in any combination.
 - d. National Ranking points will be awarded based on the OVERALL placing only.
- h. Procedures for the WIHS Equitation Finals: Held at the Washington International Horse Show in October

Each panel may include one high performance jumper rider, provided that the rider has either judged the East or West Coast Finals of the USEF Talent Search class or held a Hunter Seat Equitation Judges' Card within the last ten years. Each panel shall submit a single score, and the two separate scores will be averaged to produce a final score for each rider for each phase. Each of the three phases of the Finals will weigh equally in the results.
 2. Hunter Phase - The Hunter Phase will be held first. The order of go shall be determined by a random draw. The score will be announced. The top ten finishers will return to the ring, mounted, for awards at the conclusion of the Hunter Phase.
 3. Jumper Phase - The order of go for the Jumper Phase will be in reverse order of the Hunter Phase with the winner of the Hunter Phase competing last. An audible tone will be used to start competitors. A Time Allowed based on a speed of 360 yards per minute will be applied. The score will be announced. Time Faults, if any, for exceeding the Time Allowed will be deducted from the judges' original score, with one point being deducted for each commenced second over the Time Allowed. Rules regarding Time to Start (JP136.3 and .4) and Starting and Stopping (JP137.1) will apply.
 4. Third Phase - The scores from the Hunter & Jumper Phases will be added together to determine the ten riders who will participate in the Third Phase. The combined score will determine the order of go, with the highest scoring rider competing last. These ten riders will change horses. The order of change will be by random draw. The top five (5) will draw among themselves and the bottom five (5) will draw among themselves. In determining the ten riders for the Third Phase in the event of a tie, the higher score in the Jumper Phase will determine the order. Riders in the Third Phase will negotiate the Jumper Phase course. There will be neither a starting tone nor a Time Allowed in the Third Phase. A score will be given by the judges in the Third Phase, but will not be announced until the conclusion of the class. Once the riders have changed horses for the Third Phase and before the first rider in the Third Phase has entered the arena to compete, there will be a 3-minute period during which riders may work on the flat. Should any rider feel that the horse on which they will compete in the Third Phase is unsound to the extent it will impair the horse's ability to perform the Third Phase, that rider must petition the panel of veterinarians who will be available to assess the soundness of any questioned horse. The panel's decision regarding the fitness of a questioned horse to compete will be final. Should a horse be declared unfit to compete in the Third Phase, the rider who qualified that horse will be eliminated from the Third Phase and automatically placed 10th. The Show Steward will then draw by lot 1 of the 8 remaining riders (not to include the rider who was to ride the eliminated horse in the Third Phase). The rider drawn will then change its switched mount with the horse qualified by the rider who was switched to the unfit horse. In the event that more than one horse is declared unfit to compete, this procedure will be repeated in each instance. In the case of multiple eliminated riders due to unsoundness, the combined score of the first 2 rounds of the Finals will determine their final placing.
- i. Qualifying procedures and Finals procedures cannot be changed without the approval of the Washington

International Horse Show Assn., LTD.

EQ112 Tests From Which Judges Must Choose

Tests may be performed either collectively or individually but no other tests may be used. Instructions must be publicly announced. A judge may ask riders to re-jump an abbreviated or shortened form of the original course. NOTE: In Hunter/Jumping Seat Equitation classes, any exhibitor who does not participate in the testing is placed last of those competitors called back to test. Should more than one exhibitor fail to return for testing they will be placed at the judge's discretion. If exhibitors are called back collectively to test, they must remain in the ring until all exhibitors have completed the test. Equitation tests must not have exhibitors trotting or cantering through in gate or out gate; any exhibitor choosing to trot or canter through the in-gate or out-gate must be eliminated (see EQ107). Obstacles jumped in an equitation test must have been included in the original course. Jumps must be jumped in the original direction unless otherwise specified.

1. Halt (4 to 6 seconds) or halt and back. When riders working collectively are asked to halt and then back, they must not be penalized if they walk forward a few steps and halt after backing.
2. Hand gallop. A hand gallop may be used on the approach to a jump.
3. Figure eight at trot, demonstrating change of diagonals. At left diagonal, rider should be sitting the saddle when left front leg is on the ground; at right diagonal, rider should be sitting the saddle when right front leg is on the ground; when circling clockwise at a trot, rider should be on left diagonal; when circling counterclockwise, rider should be on the right diagonal.

Figures to be commenced in center of two circles so that one change of lead is shown.
5. Work collectively or individually at a walk, trot and/or canter.

SUBCHAPTER EQ-3 SADDLE SEAT EQUITATION SECTION

EQ113 Position

1. GENERAL. Judges should note that the required Equitation Seat should in no way be exaggerated but be thoroughly efficient and most comfortable for riding the type of horse called for at any gait and for any length of time. In Saddle Seat Equitation classes, riders should convey the impression of effective and easy control. To show a horse well, he should show himself to the best advantage. Ring generalship must be taken into consideration by the judges. A complete picture of the whole is of major importance. An exhibitor is entitled to request only one time-out per class. (See GR833). A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, other exhibitors, or their entries.
2. HANDS. Hands should be held in an easy position, neither perpendicular nor horizontal to the saddle and should show sympathy, adaptability and control. The height the hands are held above the horse's withers is a matter of how and where the horse carries his head. The method of holding the reins is optional however both hands must be used and all reins must be picked up at one time. Bight of rein should be on the off side. According to tradition, the "on side" is the side on which you mount and therefore, the "off side" is the opposite side.
3. BASIC POSITION. To obtain proper position, rider should place himself comfortably in the saddle and find his center of gravity by sitting with a slight bend at the knees but without use of irons. While in this position adjust leathers to fit. The rider should not be sliding off the back of the saddle nor should there be excessive space in the seat behind the rider's back. Irons should be placed under ball of foot (not toe nor "home") with even pressure on entire width of sole and center of iron. Foot position should be natural (neither extremely in nor out) with heels down.
4. POSITION IN MOTION.
 - a. Walk: slight motion in saddle.

- b. Trot: slight elevation in saddle when posting; hips under body not mechanical up-and-down nor swinging forward and backward.
- c. Canter: close seat, going with horse, not rocking.
- d. Slow Gait: steady in saddle, no slap nor twist; legs straight down, intermittent calf pressure permissible; hands slightly raised, flexible contact, no sawing.
- e. Rack: seat smooth in saddle; legs down and slightly back, not thrust forward; hands low in motion with gait, not sawing but placement optional to individual rider and horse.

EQ114 Appointments

1. PERSONAL. Exhibitors and judges should bear in mind that at all times entries are being judged on ability. However, neatness is the first requisite regarding a rider's attire and the following requirements are based on tradition and general present-day customs. Judges must penalize and may eliminate those competitors who do not conform.
 - a. INFORMAL: Riding habit will consist of jacket with collars and lapels of the same conservative color with matching jodhpurs, a collared shirt, tie, vest, and complimentary gloves, jodhpur boots, and derby or soft hat (protective headgear may be worn without penalty per GR801.4). Conservative colors for informal riding habits include black, blue, grey, burgundy, green, beige, or brown and may contain herringbone, pin stripes, and other combinations of colors that appear solid. Colors not included in this list are not acceptable and must be penalized and may be cause for elimination. Only informal dress is permitted in American Saddlebred Pleasure Equitation classes and Morgan Classic Saddle Seat Equitation classes, day or night.
 - b. FORMAL: Even more conservative attire is required for evening classes. Riding habit will consist of tuxedo-type jacket with collars and lapels of the same color with matching jodhpurs, formal shirt, bow tie, vest or cummerbund, and matching top hat (women), homburg or other soft hat (men). Solid colors for formal riding habits include dark grey, dark brown, dark blue, or black. Formal shirt must be white or off-white with the bow tie and vest or cummerbund to match shirt or riding habit in color. Colors not included in this list are not acceptable and must be penalized and may be cause for elimination. Formal riding habits are not to be worn before 6:00 p.m. and are not mandatory after 6:00 p.m.; exhibitors competing on Pleasure horses have the option to wear formal attire in Open equitation classes as specified by the rule.

EQ - EQUITATION DIVISION

- c. **OPTIONAL:** Blunt end (unrowelled only) spurs and/or riding crops.
2. **TACK.**
 - a. **Bridle:** Entries shall be shown in full bridles (curb and snaffle). Pelham bits are permitted in Pleasure Equitation Classes. Martingales or similar tie-downs are prohibited.
 - b. **Saddle:** Flat English-type. Forward seat, Western and side saddles are prohibited.
3. **Electronic communication devices used for the purposes of coaching, etc., between competitors and individuals outside the ring shall be prohibited.**
 - a. Exhibitors with a permanent hearing impairment are permitted to use an electronic communication device upon submission of a written certification from a treating medical professional's office certifying the permanent hearing impairment and certifying the requirement of an electronic communication device. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.
 - b. An exhibitor with a disability (other than hearing) will be provided reasonable accommodation upon submission of a written certification from a treating medical professional's office certifying the disability and identifying the accommodation necessary for the exhibitor to compete safely. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.

EQ115 Conduct

(See GR1210.1a -.1d)

1. Classes for junior and senior riders can be combined.
2. When entries warrant, it is recommended that competitions restrict Maiden, Novice, Limit and Intermediate riders to their respective categories.
3. **DIVISION OF CLASSES.**

In **The Good Hands**, and Saddle Seat championship classes, judges must work competitors in groups of 20 or less. In USEF Saddle Seat Medal classes, judges must work competitors in groups of 15 or less. In USEF Saddle Seat Adult Amateur Medal Classes it is at the discretion of competition management whether or not to work competitors in groups of 15 or less. In all other Saddle Seat classes, if there are 20 or more entries in a class, it is recommended that the class be divided into separate sections by selecting every other number on the list of entries, and that separate trophies and ribbons be awarded. If there are 25 or more entries, the class must be divided and the notification of such publicly announced and posted at least two hours prior to the start of the class. In classes with eliminations, it is the prerogative of the judge, not of competition management, to determine the number of riders from any given section. The list of qualifying riders for the class finals will not be posted or announced until all sections have been worked.
4. **MONEY PRIZES.** In Equitation classes the rider is the competitor and wins the award. Offering of prize money in Equitation classes for junior exhibitors and amateurs is forbidden. (Exception: Scholarship funds may be awarded. However, these funds must be disbursed directly to the institution upon proof of enrollment by the awarded recipient.)
5. **RIBBONS.** In Saddle Seat Equitation classes one ribbon must be awarded for every six competitors but no more than ten ribbons are required.
6. **NUMBERS.** Numbers must be worn on the rider's back and must be clearly visible at all times when in competition.
7. **Attention getting devices and/or other noisemakers** (including but not limited to tape measures, blow horns, altered bamboo poles, etc.) are not allowed in and around the make up/schooling/warm-up and competition rings during scheduled competition sessions. Use of explosives and fire extinguishers by or for exhibitors/competitors (except in the case of fire) is not allowed on competition grounds at any time. (See also GR839.4i)

EQ116 Class Routine

Riders enter the ring turning to the right and proceed counterclockwise. All riders shall be worked both ways of the ring at all required gaits as directed by the judge. Incorrect diagonals and leads shall be penalized. The order to reverse can be executed by turning either towards or away from the rail. Entries will line up on command and any or all riders may be required to execute any appropriate tests included in class requirements. (See EQ117 and EQ118). Judges are encouraged to call for at least two tests of the top competitors. When individual tests are called for, the judge's opinion rests on a 50-50 analysis of the railwork and the individual tests. The fall of horse or rider does not necessarily cause elimination, but is penalized at the judge's discretion. All entries chosen for a collective workout must be worked both ways of the ring in front of each judge at any gait requested.

EQ117 Requirements for Specific Classes

The following four age restricted classes are suggested but may vary according to local conditions: a) juniors riders who have not reached their 11th birthday; b) junior riders who have reached their 11th but not their 14th birthday; c) junior riders who have reached their 14th but not their 18th birthday; d) adult amateurs who have reached their 18th birthday. A competition committee can also offer classes for riders on a specific type of horse.

1. Maiden, Novice, Limit.
 - a. Open to riders that have not won one/three/six/twelve first place ribbons respectively competing in equitation classes at Regular and Local Competitions of USEF or Equine Canada. The Maiden, Novice, Limit and Intermediate status of riders at Regular and Local Competitions is determined from the closing date of entries. Blue ribbons won in the Hunter section will not affect a rider's status in the Saddle or Stock sections, etc. Ribbons won in classes restricted to a particular breed will affect a rider's status. Ribbons won as a junior affect a rider's status when competing as an adult. Ribbons won in leadline classes and in classes where entries are not required to ride at all gaits will not affect Maiden, Novice, Limit and Intermediate status.
 - b. MAIDEN. For junior riders who have not reached their 18th birthday and have not won a first place ribbon at a licensed competition. Tests 1-4.
 - c. NOVICE. For junior riders who have not reached their 18th birthday and have not won three first place ribbons at licensed competitions. Tests 1-9.
 - d. LIMIT. For junior riders who have not reached their 18th birthday and have not won six first place ribbons at licensed competitions. Tests 1-12.
2. WALK & TROT CLASS. Open to riders 10 years of age and under. To be judged on the rail at a walk and trot only. Riders must not have ever been judged in a class at a licensed or non-licensed competition that required a canter. It is recommended that a class having 12 or more entries be divided. If a division is necessary, the recommended split is to divide the entries into a class for riders 8 years old and under and one for riders 9 and 10 years old. Headers will be permitted in the line-up and will be called in by the announcer after the class has lined-up and before they are judged. No tests shall be called. A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, other exhibitors, or their entries.
3. 10 AND UNDER. For junior riders who have not reached their 11th birthday. Tests 1-7.
4. 11 TO 13. For junior riders who have reached their 11th but not their 14th birthday. Tests 1-12.
5. 13 AND UNDER. For riders who have not reached their 14th birthday. Tests 1-12.
6. 14 TO 17. For junior riders who have reached their 14th but not their 18th birthday. Tests 1-16.
7. OPEN. For junior riders who have not reached their 18th birthday. Tests 1-16.
8. PLEASURE EQUITATION. For junior riders who have not reached their 18th birthday, riding Pleasure horses with full mane and tail with natural carriage. (For riders competing on American Saddlebreds: Horses cross entered in the Country Pleasure division at the same competition may not wear tailsets or bustles while on the grounds. Riders competing in these classes cannot compete in any other

EQ - EQUITATION DIVISION

Saddle Seat Equitation classes at the same competition, except USEF Medal, UPHA, **The Good Hands** and American Saddlebred Pleasure Equitation Medallion Saddle Seat classes on Pleasure horses with full manes and tails with natural carriage. Riders competing in Pleasure Equitation classes are eligible to compete in the Open Saddle Seat Equitation Championship on a Pleasure horse with a full mane and tail with natural carriage only if a Pleasure Equitation Championship is not offered at that competition.

9. ADULT SADDLE SEAT EQUITATION. Open to amateur riders 18 years of age or older. Tests 1-13 and 15-16.

10. CHAMPIONSHIPS. To be awarded on a competitive basis. Competition management shall decide if championships will be restricted to ribbon winners (minimum of 2) of previous classes with a free post entry or if it will be an open class with advance entries required for riders that have competed in a qualifying class. Competition management must allow any class in the saddle seat sections (i.e. age groups, Challenge Cups, Medals, etc.) of the Equitation or Breed specific Divisions to count as qualifying classes for the open saddle seat equitation championship for riders 17 & under. An Adult rider can only show back in an Adult Saddle Seat Championship. At least the top four (4) riders must be worked individually from any of the Saddle Seat Equitation Tests appropriate for the class. (See Rules EQ117 and EQ118)

11. FIVE GAITED EQUITATION/HORSEMANSHIP. Open to amateur riders of any age.

12. USEF SADDLE SEAT MEDAL CLASS (17 & Under and Adult/Amateur).

a. Conditions Governing Competitors in USEF Saddle Seat Medal Classes

1. USEF Medal Classes are open to Individual Junior Members in good standing who have not reached their 18th birthday in accordance with GR127. Exception: Saddle Seat Adult Amateur classes are open to amateur riders 18 years of age or older. Affiliated Members are not eligible. No credit will be given for winnings before a competitor becomes a member.
2. Application for membership can be made directly to the Federation, or the exhibitor can join prior to the class through the steward.
3. In Saddle Seat only the first place winner is eliminated from further qualifying classes during that year. In Saddle Seat Adult Amateur Medal classes a win does not eliminate a rider from further competition for the remainder of the year.
4. The winner of a Medal Class Final is no longer eligible to compete in Medal classes in the division in which the Final was won. (Exception: Winners of the Saddle Seat Adult Amateur Medal Final will be eliminated from further competition in Saddle Seat Adult Amateur Medal classes after two (2) consecutive or non-consecutive wins of the Final).
5. Qualifying procedures for USEF Medal Classes and any other USEF classes listed in EQ117 will be approved by the relevant USEF Committees and breed/discipline affiliate organization. Information on qualifying procedures for each of these classes will be available on the USEF website.

b. Conditions Governing USEF Saddle Seat Medal Finals

1. If entries warrant, semi-final ride-offs will be held at strategic points throughout the country, in which case all potential participants must be notified in advance.
2. On or before July 1 of each year the Federation will announce the competitions at which the Finals will be held. Even though entries for the designated competitions have closed before an individual qualifies, post entries will be accepted.
3. Classes held less than fifteen days before the Saddle Seat Finals (17 & Under) count toward the next year's Finals. In the Saddle Seat Adult Amateur Medal Final, classes held up to and including the day prior to the Final, qualify a rider for that year's Final. The judge(s) for all USEF Medal Class Finals are to be approved by the appropriate equitation committee.
4. Any questions or disputes in connection with Medal classes must be referred to the Board of Directors or to a special committee appointed by the President whose verdict is final.

5. In USEF Saddle Seat Finals, the class must be worked on the rail in groups of 15 or less. In the USEF Saddle Seat Adult Amateur Medal Final, the decision to split the class is left to competition management.
 6. The name of the winner of a Finals is engraved upon a Perpetual Trophy which remains in the possession of the Federation. A replica trophy is given to the rider.
 7. In the event that a horse is incapacitated in the first phase of a Medal Finals or before the ride-off, upon examination of the competition veterinarian and a judge or steward, a substitution is permitted.
- c. **USEF SADDLE SEAT MEDAL CLASS (17 & Under).** Open to Junior Active Members of the Federation who have not yet reached their 18th birthday. Application for membership can be made directly to the Federation or the exhibitor can join prior to the class through the competition office. The finals consist of two sections: Preliminaries and the Championship class. The preliminary class(es) shall also serve as an elimination for the Championship class. In the preliminary, all eligible competitors are to be judged as a group at the walk, trot and canter both ways of the ring and then are required to individually execute the mandatory workout consisting of a figure eight at the canter, trot back to the judge, stop and back. 14. SADDLE & BRIDLE'S AMERICAN SADDLEBRED PLEASURE EQUITATION MEDALLION. For permission to offer this class and complete details, contact "Saddle and Bridle", 375 North Jackson Avenue, St. Louis, MO 63130.

a. Saddle & Bridle's American Saddlebred Pleasure Equitation Medallion Class. Eligibility to compete in the Saddle & Bridle Medallion is limited to those riders who show only American Saddlebred Pleasure horses with full manes and tails with natural carriage in equitation during a given competition year. This does not exclude the saddle seat equitation riders also showing other breeds. Country Pleasure Horses and Show Pleasure Horses may both compete. A minimum of two riders must be entered, shown and judged in order to be an official Medallion qualifying class. All Medallion Class winners are eligible for the Medallion Finals scheduled to be held at the St. Louis National Charity Horse Show in the fall. Riders 13 & under are eligible for the junior finals. Riders between 14-17 are eligible for the senior division. A rider competing in a Medallion Class will be qualified for the finals by winning or placing second. A rider who qualifies with a second place ribbon can show in other Medallion Classes. One win eliminates a rider from further competition in qualifying classes. The current USEF Rules for American Saddlebred Pleasure Equitation should be used as guidelines for the judging. In addition, it is recommended, that the judge upon his or her discretion, ask for a stop and back a few steps on the rail, the horse to stand quietly, and demonstrate a brisk trot. An appropriate workout is to be selected by the judge and the top four riders (if available) are required to work. It is recommended, that in the case of a relatively small class, all riders be given the opportunity to work, rather than leaving a few out of the workout. Recommended workouts should include the following: Riders must leave the lineup, must include a change of diagonals and a change of direction. To be judged 50% railwork and 50% workout.

b. SADDLE & BRIDLE'S AMERICAN SADDLEBRED PLEASURE EQUITATION MEDALLION CHAMPIONSHIPS (13 & Under and 14-17 age groups).

1. PHASE I: All entries must be worked on the rail in groups of 20 or less and all contestants are to perform an individual workout. A minimum of 12 (if available) and no more than 14 riders shall be chosen for Phase II of the Championship Class. In all Championships, no predetermined number of riders need be selected from each group. Each judge will assign a numerical score for each rider on the rail and hand in numbers after each section. The railwork score and the workout score will be added together for all three judges. The top 12 to 14 riders to come back for Phase II will be determined by the highest combined scores. The judges will decide on the number to come back within the 12 to 14 limit.
2. PHASE II: Phase II will be judged in the same manner. SCORING: Preliminary railwork 25%, Preliminary workout 25%, Final Phase railwork 25%, Final Phase workout 25%. All four scores for each rider will be added together for the placing of the class. The top ten will be called back into the ring. Awards to be given in reverse order. Winners of Saddle & Bridle's American Saddlebred Pleasure Equitation Medallion Championship will be eliminated from further competition in that class. Winners of the 13 & Under Medallion Championship are not excluded from competing in the 14-17 Medallion in the future.

15. UPHA CHALLENGE CUP

a. General

1. The United Professional Horsemen's Association instituted the Challenge Cup class in order to highlight the showmanship of saddle seat equitation riders. Judges should take note that in all qualifying classes (except walk and trot) sixty percent (60%) of the class is judged on the rail work and forty percent (40%) is judged on the individual pattern. In all UPHA Challenge Cup National Finals (except walk and trot) two thirds (2/3) of the entire class is judged on the two rail work portions of the class while only one third (1/3) is judged on the individual pattern. The UPHA Saddle Seat Committee encourages judges to select individual patterns that highlight showmanship as opposed to intricacy.
 2. For permission to offer UPHA Challenge Cup classes and complete details, contact the United Professional Horsemen's Association, 4059 Iron Works Parkway, Suite #2, Lexington, KY 40511, (859) 231-5070, info@uphaonline.com, www.uphaonline.com.
 3. Showmanship is a primary factor throughout the class.
 4. No minimum number of entries is required to fill a class.
 5. The term "open" refers to a UPHA Challenge Cup class that is not designated to a particular breed/division. They are referred to as "UPHA Challenge Cup" classes and may be divided into age divisions as outlined in the "ELIGIBILITY" section.
 6. Judging Specifications and Qualifying Procedures for Individual Programs: All of the individual programs will adhere to the rules and guidelines which govern the UPHA Challenge Cup class unless otherwise specified under the following breed/divisional sections.
 7. Specific qualifying procedures for the Open, Walk/Trot, Adult, Morgan, Arabian Breeds, National Show Horse, Pleasure Challenge Cup National Finals and Five Gaited Horsemanship Final are contained under their respective headings.
- b. Specifications and Procedures for all UPHA Challenge Cup National Finals and Chapter Championships:
1. Judges—In all Chapter, National (including Breeds) and Junior National Finals, the judge(s) must be Saddle Seat Equitation Registered or Recorded in Saddle Seat Equitation with USEF. The UPHA Morgan, Arabian Breeds, and National Show Horse Challenge Cup National Finals are required to have a least one Open Saddle Seat carded judge which may be recorded or registered on a three judge panel. A guest card will not fulfill this requirement. Judges for the UPHA Challenge Cup National Finals are recommended by the UPHA Equitation Committee and a list will be furnished to respective competition managements annually. In all UPHA Challenge Cup National Finals, judges shall be selected from nominations by the UPHA Challenge Cup/Equitation Committee.

EQ - EQUITATION DIVISION

2. When entering Chapter, National or Junior Challenge Cup Finals, riders must indicate on the entry form the competition and location at which they qualified.
 3. The qualifying season for all UPHA Challenge Cup National Finals closes seven (7) days prior to the beginning of the competition at which the Championship will be held. At that time, the qualifying season for the following year will begin.
 4. The same horse must be used in both Phases of the UPHA Challenge Cup National Finals, unless the animal is sick or lame, in which case a veterinarian's certificate is required.
 5. If the UPHA Challenge Cup National Finals are divided because of its size, it is to be split by every other number. All riders must compete at the walk, show trot and canter both ways of the ring and line up. The divisions are to be dismissed on standby, with the individual workouts executed immediately following completion of the rail work. On completion of the individual workouts, the riders in that group shall be excused and the next division shall begin the rail work and individual workout phase and so on for each section of riders.
 6. Individual copies of the Judge's Phase I workout must be available to each rider in the competition office no less two (2) hours prior to the performance in which the class is run.
 7. The preliminary work is called Phase I, in which all contestants must work in a group (or in groups) of 20 or less on the rail and complete an individual workout. A minimum of twelve (12) riders and a maximum of fourteen (14) riders will be chosen for Phase II which is the championship class. If there are less than twelve (12) riders judges are required to bring all riders back for the championship class. No predetermined number need be selected from each group. Exceptions: See UPHA Walk/Trot National Finals specifications.
 8. In all UPHA Challenge Cup National Finals (except the Walk/Trot National Finals), Phase I and Phase II must be judged as a continuous class and must be evaluated using a 1/3-1/3- 1/3 analysis. In Phase I, the rail work portion and the individual workout shall each constitute 1/3 of the overall judging, or 2/3 of the total class. Phase II (the Championship), in which only rail work is performed, shall constitute the remaining 1/3 of the total class. Therefore, the rail work portions constitute two thirds (2/3) of the entire class and the individual pattern constitutes one third (1/3) of the class.
 9. There will be no less than four (4) hours between the end of Phase I and the beginning of Phase II, and no more than two (2) consecutive days between the two Phases. When the riders return to the ring for Phase II, the announcer is to state that they have been previously judged on rail and figure work.
 10. No individual workouts will be requested in Phase II, however, at the judges' discretion, selected riders may be requested to do additional rail work as a group for the purpose of breaking a tie. They may not be asked to exchange horses or to ride without irons in this phase.
 11. In all UPHA Challenge Cup National Finals, a champion and reserve champion will be chosen, with the next eight (8) riders placed in numerical order. Two unannounced reserves should be tied. The "Top Ten" will be announced first, followed by the reserve champion and the champion. It is recommended that all riders be retired to a holding area outside of the ring and then brought back in individually and numerically for the "Top Ten" awards and the presentation of the reserve champion and champion.

To be used only in Championship and/or Medal Classes. Riders must have with them two copies (one for judge and one for announcer) of a written one minute workout in case the judge asks for this test. The test must be stopped at the end of one minute but the rider will not be penalized for not completing it.
16. Exchange horses. This test is to be used only after four or more of the top riders have been tested. Only one pair of riders to exchange. Saddles can be exchanged. The attendant for each horse being exchanged must be allowed in the ring only to facilitate the change. The purpose of this test is to break a tie.

EQ119 U.S. Saddle Seat World Cup Selection Trials

Selection criteria and information about the trials for the U.S. Saddle Seat World Cup Team will be available on the Federation's website under the Saddle Seat World Cup section.

EQ120 Saddle Seat World Cup Competition.

1. When the United States hosts the Saddle Seat World Cup in conjunction with a Federation licensed competition or as a stand alone Federation licensed competition, USEF Membership and Show Pass fees will not apply to owners of donated horses and to international competitors.
2. The World Cup Competition will be conducted in accordance with the International Saddle Seat Equitation Association (ISSEA) and applicable USEF rules.

SUBCHAPTER EQ-4 WESTERN SEAT EQUITATION, REINING SEAT EQUITATION AND WESTERN HORSEMANSHIP SECTION

(See Western Rules, Chapter WS)

EQ121 General

1. Riders will be judged on seat, hands, performance of horse, appointments of horse and rider and suitability of horse to rider. Results as shown by the performance of the horse are NOT to be considered more important than the method used in obtaining them.
2. Exhibitors can ride sidesaddle in adult equitation classes but not in classes restricted to juniors.

EQ122 Position

1. Basic Position. The stirrup should be adjusted to the proper length to allow heels to be lower than toes, with a slight bend in the knee and calf close to horse. Feet should be placed in the stirrups with weight on ball of the foot with feet flat on stirrup. Consideration, however, should be given to the width of the stirrups, which vary on Western saddles. If stirrups are wide, the foot may have the appearance of being “home” when, in reality, the weight is being properly carried on the ball of the foot. Body should always appear comfortable, relaxed, and flexible. Arms are in a straight line and close with body, the one holding reins bent at elbow. Only one hand is to be used for reining regardless of type of bit used and hands shall not be changed. Hand to be around reins. When using a romal the riders hand shall be closed around the reins with the wrist kept straight and relaxed, the thumb on top. When split reins are used and ends of split reins fall on the same side as reining hand, one finger between reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger between reins is allowed. The position of the hand not being used for reining is optional but it should be kept free of the horse and equipment and held in a relaxed manner with the elbows close to the body and rider’s body straight at all times. Rider can hold romal or end of split reins to keep from swinging and to adjust the position of the reins, provided it is held with at least 16 inches of slack rein between the hands. Hand to be above or slightly in front of horn and as near to it as possible. When riding in a snaffle bit or hackamore two hands may be used with arms in a straight line with the body, bent at the elbow at approximately 90 degree angle with hands 6-16 inches apart. (Exception: Arabian division where hackamore and snaffle bits are not allowed.) Bracing against saddle or coiled riata is penalized.

Note: For additional information, see EQ122.1.

2. Position in Motion. Rider should sit to jog and not post. At the lope, rider should be close to saddle. All movements of horse should be governed by the use of subtle aids and the shifting of rider’s weight is not desirable. 3. Side

Saddle. Side saddle riders should sit square in the saddle, spine to be perpendicular to a horse's backbone. Shoulders to be square and back. Head straight and level. The left leg should hang straight down naturally and close to the horse's side. The heel should be down and the stirrup resting on the ball of the foot, exactly as an astride rider. The left knee rests against the saddle. The lower portion of the rein arm should be parallel with the ground and the reining hand over the right knee. The upper rein arm will take about a 30 degree angle. The knuckles of the reining hand should be vertical with the ground and the reining hand should always be held directly over the right knee and in no way forward of this knee. The upper portion of the inactive arm should be vertical with the body and the elbow of this arm should not protrude to the rear of the upper body. When using closed reins, the inactive hand should be closed around the free ends of the reins and the lower portion of this arm held at about a 45 degree angle in a natural position.

EQ123 Appointments

Competitors must be penalized for incomplete appointments but not necessarily disqualified.

1. Personal. Riders must wear Western hat; long-sleeved shirt with any type of collar; a necktie, kerchief or bolo tie or brooch; trousers or pants; (a one-piece long-sleeved equitation suit is acceptable provided it includes any type of collar). Chaps and boots are required. A vest, jacket, coat, and/or sweater may also be worn. Protective headgear with harness is optional in all classes; not required to be of Western style. Refer to GR801. Spurs are optional. Side saddle riders must wear an apron of either the closed or buttoned type, or with waist band cut the same as a pair of chaps and double thickness. Hair must be neat and securely fastened if long so as not to cover rider's number.
2. Tack.
 - a. The saddle must fit the rider. It may be slick or swelled fork, have a high or low cantle but must definitely be sized to the rider. Nothing that would prevent the stirrups from hanging freely shall be added to or deleted from a standard western saddle. Exhibitors can ride side saddle in adult equitation classes but not in classes restricted to juniors.
 - b. There shall be no discrimination against any standard western bit. Curb chains and leather chin straps may be used but must be flat and at least 1/2" in width, and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the leather chin strap or curb chains. A light lip strap is permissible.
 - c. Hackamores as defined in WS105.4, all snaffle bits as defined in WS105.3 may be used on junior horses; tie-downs, running martingales, draw reins, and cavesson-type nosebands are prohibited. Silver equipment may be used but shall not be given preference over good working equipment. A hackamore or snaffle bit rider may ride with two hands. Horses shown in the Arabian, Half Arabian, Morgan, National Show Horse, American Saddlebred Divisions may not use hackamores or snaffle bits in the Equitation division and must be shown with one hand.
3. Bandages and boots of any type are prohibited. In the event of injury, the judge may permit a protective bandage. In Western Seat Equitation classes where a pattern is required, the use of shin, bell boots and/or protective bandages on the front legs and standard sliding or rundown boots on the rear fetlocks are permitted.

EQ124 Conduct

(See GR1210.1a -.1d)

1. Classes for junior and senior riders can be combined.
2. When entries warrant, it is recommended that competitions restrict Maiden, Novice, Limit and Intermediate riders to their respective categories.
3. DIVISION OF CLASSES
 - a. In Western Seat, all classes with 50 or more entries at the beginning of the class must be divided and run as two

EQ - EQUITATION DIVISION

separate sections with separate trophies and ribbons. (Exception: Regional and National Equitation Finals and all Equitation Classics)

- b. If there are 50 or more entries remaining in a class after a class has been divided, the class must be re-divided by every other number and separate trophies and ribbons must be awarded. Once a class has been re-divided it cannot be divided further.
4. **MONEY PRIZES.** In Equitation classes the rider is the competitor and wins the award. Offering of prize money in Equitation classes for junior exhibitors and amateurs is forbidden. (Exception: Scholarship funds may be awarded. However, these funds must be disbursed directly to the institution upon proof of enrollment by the awarded recipient.)
5. **RIBBONS.** In Western Seat Equitation classes one ribbon must be awarded for every six competitors but no more than ten ribbons are required.
6. **NUMBERS.** Numbers must be worn on the rider's back and must be clearly visible at all times when in competition. (Exception: Exhibitors in Open Western events must place number on both sides of saddle pad or on the rider's back. Exhibitors in reining seat equitation section may place number on the left side, both sides of the saddle pad or on the rider's back).
7. Attention getting devices and/or other noisemakers (including but not limited to tape measures, blow horns, altered bamboo poles, etc.) are not allowed in and around the make up/schooling/warm-up and competition rings during scheduled competition sessions. Use of explosives and fire extinguishers by or for exhibitors/competitors (except in the case of fire) is not allowed on competition grounds at any time. (See also GR839.4i)

EQ125 Western Seat Equitation

Riders enter the ring at a walk or jog and are judged at a flat-footed four beat walk, two-beat jog and a three-beat lope both ways of the ring. The order to reverse may be executed by turning toward or away from the rail. All competitors are required to back in a straight line during the line up in all classes.

Judges are encouraged to call for at least two tests from EQ129 to be performed by competitors being considered for an award. Due to the difficulty of properly fitting tack, riders shall not be asked to change horses.

See Western Seat Equitation/Western Horsemanship Chart for list of faults and causes for elimination.

EQ126 Western Horsemanship

1. Riders in classes for junior exhibitors cannot have reached their 18th birthday in accordance with GR127.
2. Emphasis shall be placed on horse and rider working together. Execution and correct form of both horse and rider, while maintaining a pleasurable ride are the main criteria for this class.
3. Rider must perform a pattern which will be posted by the judge at least one hour prior to the class. Tests 1-15 may be used.
4. Failure to complete the pattern will not result in disqualification but will be scored accordingly. Rail work is optional at the discretion of the judge. Backing must be included in either the pattern or the lineup.

EQ127 Reining Seat Equitation

1. Riders in classes for junior exhibitors cannot have reached their 18th birthday in accordance with GR127.
2. Emphasis shall be placed on horse and rider working together.
3. Riders will be judged on seat, hands, performance of horse, appointments of horse and rider and suitability of horse to rider.
4. Results as shown by the performance of the horse are NOT to be considered more important than the method used in obtaining them.
5. Riders must perform a reining pattern from RN106, which will be posted by the judge at least one hour prior to the class.

6. No rail work will be performed.
7. A rider who is off pattern will be disqualified and will not receive any award except in a work-off in the case of a tie, the rider will be placed last of those chosen for the work off.
8. Dropping of bits is optional with the judge, but if called for in the ring, assistance, if necessary, may be had from one of the ring officials. Riders must dismount.
9. The official USEF Reining Seat Score Sheet must be used and posted in accordance with RN101.2.
10. Scoring for the Reining portion of the class will be in accordance with RN103. With exception of RN103.2.
11. The Equitation portion of the class will be scored with all riders entering the arena with a score of 70, and each maneuver being scored from a +1-1/2 to -1-1/2.
12. Scores must be announced after each rider works, with the Reining Score being announced first, followed by the Equitation Score, and the Total Score.
13. In the case of tie, the Equitation Score will be used to break the tie. In a multi judge system, the call judge's Equitation Score will be used.

EQ128 Requirements for Specific Classes.

The following three age limit classes are suggested, but may vary according to local conditions: a) juniors who have not reached their 11th birthday; b) juniors who have reached their 11th but not their 14th birthday; c) juniors who have reached their 14th but not their 18th birthday.

1. Maiden, Novice and Limit. For juniors who have not reached their 18th birthday. Tests 1-8.
 - a. Open to riders that have not won one/three/six/twelve first place ribbons respectively competing in equitation classes at Regular and Local Competitions of USEF or Equine Canada. The Maiden, Novice, Limit and Intermediate status of riders at Regular and Local Competitions is determined from the closing date of entries. Blue ribbons won in the Hunter section will not affect a rider's status in the Saddle or Stock sections, etc. Ribbons won in classes restricted to a particular breed will affect a rider's status. Ribbons won as a junior affect a rider's status when competing as an adult.
 - b. Ribbons won in leadline classes and in classes where entries are not required to ride at all gaits will not affect Maiden, Novice, Limit and Intermediate status.
2. Under 11. For juniors who have not reached their 11th birthday. Tests 1-6.
3. 11 and Over. Tests 1-15.
4. Open. For juniors who have not reached their 18th birthday. Tests 1-15.
5. Adult Amateur, Tests 1-15.
6. CHAMPIONSHIPS. To be awarded on a competitive basis. May be held:
 - a. as a free post entry class, open to any designated number of place winners (minimum of two) in previous classes in the Western Seat section except Maiden, Novice and Limit Classes; or
 - b. as an Open class with advance entries for competitors who have competed in at least one other class in the Western Seat Section. Judges may require additional tests. Tests 1-15.

EQ129 Tests from which judges must choose

Tests can be performed either collectively or individually but no other tests may be used. Instructions must be publicly announced.

1. Back.
2. Individual performance on the rail.

CHAPTER EV EVENTING DIVISION

SUBCHAPTER EV-1 GENERAL RULES FOR ALL EVENTING

COMPETITIONS

EV101 Introduction

1. GENERAL. An Eventing Competition includes one or more tests from the following branches of equitation: dressage, cross-country and jumping. The Federation and the USEA recognize three types of Eventing Competitions: Tests (Individual or Combined), Horse Trials, and Three-Day Events.
2. RESPONSIBILITY. A competitor is ultimately responsible for knowing these rules and complying with them. The appointment of a steward or official, whether or not provided for in these rules, does not absolve the competitor from such responsibility.
3. CIRCUMSTANCES NOT COVERED IN THESE RULES.
 - a. For any circumstances not specifically covered in these rules, reference should be made to one of the following publications of the FEI:
 1. Rules for Eventing
 2. Rules for Dressage Events
 3. Rules for Jumping Events
 - b. Every eventuality cannot be provided for in these rules. In any unforeseen or exceptional circumstances it is the duty of the Ground Jury to make a decision in a sporting spirit, and to approach as nearly as possible the intention of these rules.

EV102 Membership

1. COMPETITORS. Competitors entered in Horse Trials and Events must comply with current Federation and USEA membership requirements. Competitors entered in Tests do not need to be members of the Federation or the USEA.
2. HORSES. Horses entered in Horse Trials and Events must comply with current USEA registration requirements and must be life recorded with the Federation upon entering FEI level competitions. Horses entered in tests do not need to be registered with the USEA.
3. COMPETITIONS.
 - a. Organizing Committees of Horse Trials and Events must comply with current Federation and USEA competition recognition requirements. Organizing Committees of Tests do not need to comply with current Federation or the USEA competition recognition requirements.
 - b. Organizing Committees desiring to hold Eventing Competitions under the auspices of the Federation may do so by applying for membership in the Federation as an Eventing Competition (see Chapter GR3, Subchapter 3-A).
 - c. Organizing Committees desiring to hold Eventing Competitions under the auspices of the United States Eventing Association may do so by registering with the USEA, 525 Old Waterford Road N.W., Leesburg, VA 22075.

EV103 Prize Lists

The USEA Omnibus Schedule listing constitutes the prize list for the majority of Eventing Competitions in any given year. If an event is not listed in this way, its published prize list must include the same information as provided in the Omnibus Schedule and as required by Chapter 9.

EV104 Participation

See also EV123.1 for Tests, Appendix 3 for Horse Trials and Appendix 8 for Three-Day Events.

1. COMPETITORS. Eventing Competitions are open to professional and amateur competitors. The age of the

EV - EVENTING DIVISION

competitor must comply with the specifications of the competition. For Eventing competitions, the age of the competitor is determined by the year of birth.

2. JUNIORS. An Organizer may offer a competition for Juniors at Tests, at Horse Trials at the Beginner Novice through Preliminary Levels and at One Star Events. Competitors in Beginner Novice, Novice, Training and Modified Horse Trials shall compete as Juniors until the end of the calendar year in which they reach the age of 18. Competitors in Preliminary Horse Trials and One Star Events shall compete as Juniors from the beginning of the calendar year in which they reach the age of 14 until the end of the calendar year in which they reach the age of 18. *BOD 1/16/16 Effective 12/1/16*
3. YOUNG RIDERS. An Organizer may offer a competition for Young Riders at Tests, at Horse Trials at the Preliminary and Intermediate Level and at One Star and Two Star Events. Competitors shall compete as Young Riders from the beginning of the calendar year in which they reach the age of 16 until the end of the calendar year in which they reach the age of 21.
4. HORSES. Eventing Competitions are open to stallions, mares or geldings. The age of the horse must comply with the specifications of the competition. For Horse Trials and Events, horses may only compete once and must be ridden by the same competitor throughout.

As an exception to the general requirements of GR841, a horse is eligible for Eventing competitions even though it has complete loss of sight in one eye, provided sight in the other eye is normal and provided it meets the other requirements.

5. NUMBER OF HORSES PER COMPETITOR. The number of horses that a competitor may enter and ride is at the discretion of the Organizer.
6. DIVISION OF ENTRIES.
 - a. If the number of entries in a Division warrants, it may be divided by sections or draw. If the number of entries in one Division of a Beginner Novice through Preliminary Horse Trial exceeds 40, it must be divided. Entries in the Advanced and Intermediate Divisions in excess of 40 may be divided once at the Organizer's discretion. Championships and Federation Selection Trials shall not be divided.
 - b. An Organizing Committee may offer a level under the conditions listed in Appendix 3.
 - c. An Organizing Committee may divide a level into the sections noted in Appendix 3, e.g., Junior Training, Training, etc. Further division shall then be done by draw, e.g., Junior Training A, Junior Training B, etc.
 - d. An Organizing Committee may offer a section that includes dressage and jumping at a higher level and cross country at the level below, e.g. Advanced Intermediate. For purposes of competition qualifications and high score awards, these competitions will be considered in accordance with the level of the cross country being run.

EV105 Loss of Qualifications

For certain levels of competition, horses and riders must meet qualifying requirements to compete at the levels of competitions specified in Appendix 3. Loss of these requirements (qualifications) is outlined below and pertains to any combination of Federation and FEI Events.

LOSS OF QUALIFICATION. (Preliminary /CI Level and up)

Loss of Qualification will apply only where penalties have been assessed during the Cross-Country phase of competition apply.

1. A horse that either:

- a. is eliminated three times for Refusals, Dangerous Riding, Horse Falls or Rider Falls within any 12 month period:
or
- b. experiences two consecutive Cross Country eliminations for Refusals, Dangerous Riding, Horse Falls or Rider Falls:

loses its qualification to compete at the highest level at which the elimination occurs.

2. Loss of Qualification remains until the horse achieves 2 MERs or 2 NQRs at one level below the highest level that caused the loss of qualification. This can happen no sooner than one month following the loss of qualification.
3. For the Advanced, CI3* and CI4* levels, riders subject to the provisions of this rule may request in writing to have their Loss of Qualifications reviewed by the USEF Eventing Credentials Committee. *BOD 8/29/16 Effective 12/1/16*

EV106 Entries - Withdrawals

See also GR909.

1. RESPONSIBILITY. It is the responsibility of the competitor to enter a horse at the level that corresponds to its abilities. If the competitor is a minor, a specified adult must accept this responsibility. If a competitor starts a competition for which he is not qualified, the competitor may be fined up to \$50 (Payable to the Organizing Committee), at the discretion of the Ground Jury. It is the responsibility of the competitor to know and comply with the local, state and interstate (where appropriate) health requirements for the shipment of horses.
2. ENTRY FORMS.
 - a. Entry forms must be complete. All entry and stabling fees must accompany the entry form.
 - b. Mailed entries must be postmarked either on or after the opening date for entries and mailed to the appropriate Event Secretary. On-line entries must be time stamped by the designated collection agent on or after the opening date in the time zone of the relevant competition.
 - c. Those entries that are incomplete, or postmarked or time stamped before the opening date, will either be returned to the competitor or placed at the bottom of the list of entries.
 - d. Entries involving competitors or horses not yet qualified for the level of competition, but which are otherwise complete, will be accepted as complete pending qualification.
 - e. Entries must be received by the end of the day on the closing date. Qualifications must be fulfilled at least 10 days before the Cross Country Test of the competition for which it is needed if the NQR has been achieved at a Horse Trial or CIC, or at least 24 days if the NQR has been achieved at a CCI.
3. OPENING DATE. The opening date for **national** entries will be the Tuesday prior to the date that falls six weeks before the first day of the competition. The opening date must be published in the prize list for the competition. *BOD 1/16/16 Effective 12/1/16*
4. CLOSING DATE. The closing date for entries will be four weeks after the opening date. This date must be published in the prize list of the competition. In the case of insufficient entries, the organizer may accept post-entries. If this is done, the organizer may charge an additional fee for the entries made after the original date, not to exceed an amount equal to the original entry fee. Entries received after this will not be accepted.
5. WAITING LISTS.
 - a. Organizers will accept all entries postmarked or time stamped on the opening date if space allows. In the event of over subscription at this stage, a draw will be made and a waiting list established.
 - b. Entries postmarked or time stamped after the opening date will be accepted or placed on a waiting list on a chronological basis.
 - c. At any time Organizers may fill any places that become available with entries from the waiting list, provided those entries were received between the opening and closing dates.
 - d. Entries placed on the waiting list that do not compete will have the full amount of their entry and stabling fees refunded.
6. "HORS CONCOURS" ENTRIES. Competitors may enter horses "hors concours" with the permission of the Organizer. They will pay the regular entry fee, will be judged in the normal manner, and will be participating in accordance with these rules, but they will not be counted in the final classification.
7. DOUBLE ENTRIES—Except where stated contrary in the prize list, an entry for two horses may be made for a division in which only one is to compete, with an office fee for the second horse. The horse that will not compete must

EV - EVENTING DIVISION

be declared when the competitor receives their number.

8. **WITHDRAWALS.** Notification of withdrawal must be given directly to the Event Secretary. If the horse is withdrawn prior to 9:00 p.m. on the closing date for entries, the entry and stabling fees will be refunded, less an office fee, if applicable, not to exceed \$25.00. If the horse is withdrawn after the closing date and time, the entry and stabling fees may be refunded at the option of the Organizing Committee. If the horse is withdrawn after the closing date, and if the Organizer has replaced the withdrawn horse with one from the waiting list, the entry fee less an office charge will be refunded. If stabling for the withdrawn horse is occupied by another horse, the stabling fee will be refunded. The refund policy must be clearly stated in the prize list for the competition.
9. **SUBSTITUTIONS.** Substitution of an eligible horse is allowed after the closing date for entries provided a complete entry form for the substituted horse is given to the Event Secretary before the horse's first Test. An eligible rider may be substituted after the closing date for reasons of illness, injury or the sale of the horse. The Event Secretary must be notified of the change before his first Test.

EV107 Starting Order and Timetable

1. **STARTING ORDER.** If there are only individual competitions, a draw will be conducted by the Organizing Committee to determine starting order. If an individual is riding more than one horse, the Organizing Committee may adjust the starting order to allow sufficient time between rides, but maintaining the order of the horses as drawn. If there are team competitions, the Organizing Committee may use its discretion in the scheduling of teams. If a competitor rides more than one horse, the starting order of the horses will be determined by draw. If the third test of a Horse Trial is jumping in the reverse order of placing, the drawn starting order will be replaced for that test. If the same rider has two horses classified too close together, the order must be adjusted so that there will be a minimum of eight horses (if available) separating them. The lowest placed horse will move up in the order as far as possible, before the higher placed horse is dropped down. If the Organizing Committee of Tests allows entries on the day of competition, each competitor may sign up for starting times upon entering.
2. **TIMETABLE.** A timetable showing each competitor's starting times shall be prepared and distributed by 1900 hours (7:00 PM) of the day before the relevant competition. If the third test of a Horse Trial is jumping in the reverse order of placing, only the approximate start and finish times for this test need to be published. If the organizing committee of Tests allows entries on the day of competition, only the approximate start and finish times for the competitions need to be published.

EV108 Exercising and Warming Up

1. IDENTIFICATION NUMBERS

By 3:00 p.m. of the day prior to the start of the entire competition, or upon arrival if later, each horse, including non-competing horses, shall be issued a number. This number must be worn at all times when the horse is being ridden or exercised. Failure to display the number shall first incur a warning. Repeated offenses shall incur a fine of \$50 (payable to the Organizing Committee) at the discretion of the Ground Jury.

2. RESTRICTIONS ON SCHOOLING HORSES.

- a. It is forbidden, under penalty of disqualification, for anyone other than the competitor who will ride the horse in the competition to school the horse during the competition. This period of restriction begins at 3:00 pm of the day prior to the start of the entire competition.
- b. A groom, while mounted, is permitted only to walk the horse or to trot it from one place to another. A groom may also work the horse in hand or on the lunge.
- c. Riding close to Cross-Country obstacles, or riding in the Dressage or Jumping arenas prior to the actual competition is forbidden, unless specifically authorized by the Ground Jury, under penalty of disqualification. This restriction is specifically intended to prevent competitors from gaining an unfair advantage from schooling or

showing the obstacle(s) to their horses prior to the competition.

- d. The Cross-Country course will be closed to all competitors on the same date. The course closed date must be published in the prize list of the competition. The Dressage arena may not be used after it has been prepared for the competition and closed by the Organizer. The Jumping arena may not be used after it has been prepared for the competition and closed by the Organizer. The Organizer shall report any violation of this rule to the President of the Ground Jury.

3. EXERCISE AREAS.

- a. Areas suitable for the general exercise of horses must be made available, and must be open during the hours of daylight. The Organizing Committee must inform competitors of the areas that are available for this purpose. Horses may only be exercised in such designated areas, or in the practice areas for Dressage and Jumping.
- b. A Dressage exercising area must be provided at a convenient distance from the competition arena. A practice dressage arena should, if possible, be placed at the disposal of the competitors.
- c. An exercising area with jumps must be provided at a convenient distance from the start of the Cross-Country and from the Jumping arena. The exercising area for Show Jumping must include at least two spread and two vertical adjustable practice fences. The exercising area for Cross-Country must include at least three adjustable fences (including at least one oxer) and at least one solid cross-country type obstacle. Where space or materials are limited, and with the permission of the Technical Delegate, either or both areas may contain at least three adjustable obstacles including at least one oxer. These obstacles must be marked with red and white flags.
- d. The only practice fences that competitors may jump are those flagged fences provided by the Organizer. No part of the fences may ever be held by anyone while a horse is jumping. These fences may not be raised more than 10 cm (4 inches) above the maximum height permitted for the competition in progress (or about to begin), nor may the spread exceed the maximum permitted. Ground lines may be placed directly under, or up to 1.00 meter (3'3") in front of, the obstacle. They may not be placed even slightly on the landing side. The upper ends of crossed poles must always be supported by cups. If a horizontal pole is placed above crossed poles, it must be higher than the upper ends of the crossed poles. These practice fences must be jumped in the correct direction. The practice fences shall only be jumped at times laid down by the Organizing Committee. Violation of any of the above provisions relating to practice fences is forbidden, under penalty of disqualification, at the discretion of the Ground Jury.

4. STEWARDS. One or more stewards may be appointed by the Organizer to ensure that the rules regarding exercising and warming up are obeyed, but a steward must be present at whatever times the Organizer has laid down that practice fences may be jumped. Other practice and exercise areas may be patrolled in a random manner.

EV109 Inspection of Courses

1. CROSS-COUNTRY COURSE.

- a. Before the course has been opened to competitors, it is forbidden, under penalty of disqualification, to inspect the obstacles or the course without permission of the organizers, at the discretion of the ground jury.
- b. The Cross-Country course will be open for inspection to all competitors at 1500 hours (3:00 p.m.) of the day before the start of the entire competition. All obstacles, flags and markers that have to be observed by competitors shall be exactly in position when the course is shown to competitors. In the case of multiple courses running on the same track, a sign will be posted at obstacle(s) to be changed, indicating such change(s). This shall include changes of flags or to the obstacle(s). Thereafter, they may not be moved or altered by competitors, under penalty of disqualification.
- c. After the course has been shown to competitors, they are allowed to revisit the course and examine the obstacles during the hours of daylight.

2. JUMPING COURSE. The course for the Jumping Test will be opened to competitors not less than 30 minutes

before the start of the Jumping Test, and at convenient intermissions during the Jumping Test. Competitors on foot will be admitted to the arena by the Ground Jury. An announcement must also be made over the public address system. Unless permission has been given by the Jury, it is forbidden, under penalty of disqualification, for competitors to enter the arena on foot once the Test has started.

EV110 Interruptions and Modifications

The Ground Jury of an Eventing competition, or in its absence the Technical Delegate, must use extreme caution in allowing a competition to continue, when weather or terrain conditions are not of an acceptable standard, or are such that they place the competitors and horses in danger.

1. **INTERRUPTIONS.** The timetable may be interrupted due to dangerous conditions. If necessary, the start of any Test may be brought forward, postponed or canceled. The decision to interrupt or cancel a Test will be made by the President of the Ground Jury, after consultation with the Technical Delegate if possible. As an exception to the General Rules of GR832, in the case of an interruption the event will be resumed as soon as possible at the point of interruption, and all scores recorded prior to the interruption will stand. Every affected competitor must receive sufficient warning before the resumption of the competition.
2. **MODIFICATIONS.** After the courses have been shown to the competitors, alterations to the course and/or the time allowed may be made only when exceptional circumstances (such as heavy rain or hot weather) make obstacles or a Test unfair or dangerous. The decision will be made by the President of the Ground Jury, after consultation with the Technical Delegate if possible. The President is authorized to make any necessary changes. In such cases, every affected competitor must be officially and personally informed of the alteration before the start of the Test concerned. Where appropriate, an official must also be stationed at the place where the alteration has been made in order to warn the competitors.

EV111 Abuse of Horses

1. **ABUSE.** Any act or series of actions that, in the opinion of the Ground Jury or in its absence the Technical Delegate can clearly and without doubt be defined as abuse of horses shall be penalized by disqualification. Such acts include, but are not limited to:
 - a. * Riding an exhausted horse.
 - b. * Excessive pressing of a tired horse.
 - c. * Excessive use of whip and/or spurs, and/or bit.
 - d. * Riding an obviously lame horse.
2. **RAPPING.** As an exception to the General Rules of GR843, all rapping (poling) is forbidden in Eventing Competitions, and shall be penalized by disqualification.
3. **WHIP.** The use of the whip must be for a good reason, at an appropriate time, in the right place, and with appropriate severity.
 - a. Reason—the whip must only be used either as an aid to encourage the horse forward, or as a reprimand. It must never be used to vent a rider's temper. Such use is always excessive.
 - b. Time—As an aid, the only appropriate time is when a horse is reluctant to go forward under normal aids of the seat and legs. As a reprimand, the only appropriate time is immediately after a horse has been disobedient, e.g. napping or refusing. The whip should not be used after elimination. The whip should not be used after a horse has jumped the last fence on a course.
 - c. Place—As an aid to go forward, the whip may be used down the shoulder or behind the rider's leg. As a reprimand, it must only be used behind the rider's leg. It must never be used overhand, e.g. a whip in the right hand being used on the left flank. The use of a whip on a horse's head, neck, etc., is always excessive use.
 - d. Severity—As a reprimand only, a horse may be hit hard. However, it should never be hit more than three times

for any one incident. If a horse is marked by the whip, e.g. the skin is broken, its use is excessive.

4. SPURS—Spurs must not be used to reprimand a horse. Such use is always excessive, as is any use that results in a horse's skin being broken.
5. BIT—The bit must never be used to reprimand a horse. Any such use is always excessive.
6. REPORTING—Officials must report such actions as soon as possible to the Ground Jury, supported where possible by statements from witnesses.
7. GROUND JURY—If such actions are reported, the Ground Jury shall decide if there is a case to be answered. If an individual member of the Ground Jury observes such actions, he is obliged to disqualify the competitor forthwith on his own authority. There is no appeal against a Ground Jury's decision in a case of abuse.

EV112 Dangerous Riding

1. Any competitor who rides in such a way as to constitute a hazard to the safety or well-being of the competitor, horse, other competitors, their horses, spectators, or others will be penalized accordingly.
2. Any act or series of actions that in the opinion of the Ground Jury can be defined as dangerous riding shall be penalized by 25 penalties or elimination and/or the issuance of a Warning Card, at the discretion of the Ground Jury. In addition, the overall score for the horse/rider combination shall not be considered a National Qualifying Result.
3. If such actions are reported, the Ground Jury shall decide if there is a case to be answered. If an individual member of the Ground Jury observes such actions, he may eliminate or penalize the competitor forthwith on his own authority. There is no appeal against a Ground Jury decision.
4. The Ground Jury and the Technical Delegate have the authority to stop a rider on the cross country course for dangerous riding, riding an exhausted horse, excessive pressing of a tired horse, riding an obviously lame horse, excessive use of the whip and/or spurs or riding in an unsafe way.
5. The President of the Ground Jury may, in addition, designate one or several deputies (i.e. Eventing Officials up to the level for which they are licensed and not in an official function at the Event, any Level 3 or 4 USEA ICP Instructor or any rider who has represented the USA in a World Championship, Olympic Games, or Pan American Games) for the Cross Country to advise the Ground Jury regarding any action described in 1 or 4 (above). Deputies and obstacle judges will be provided with a red flag to be waved at the rider, at the direction of Ground Jury, to stop the rider if the situation continues or if the infringement of the above is deemed to be serious.

EV113 Medical Requirements

1. ACCIDENTS INVOLVING COMPETITORS

- a. In the event of an accident in which a competitor is apparently injured or concussed, they must be examined by designated medical personnel to determine if they may take part in another test, ride another horse or if they are capable of leaving the grounds. Refusal to be examined shall be penalized by a fine of \$100 (Payable to the Organizing Committee) at the discretion of the Ground Jury.
 - b. The Ground Jury may direct that competitors who have a fall, not associated with penalties be examined as in paragraph a (above). If the fall occurs on cross-country, the competitor's time will be taken in accordance with EV138.7(e).
 - c. Competitors who fail or refuse to follow the advice of the medical personnel regarding treatment following such a fall may be subject to disqualification at the discretion of the Ground Jury.
2. In conjunction with GR1316, the following apply in the case of a fall/accident or other injury likely to cause concussion (as determined by qualified medical personnel):
 - a. No loss of consciousness and no sign of concussion - No mandatory suspension;
 - b. No loss of consciousness but with brief symptoms of concussion e.g. confusion, loss of memory, altered mental

EV - EVENTING DIVISION

- state (all symptoms of concussion must have resolved within 15 minutes both at rest and exercise) - minimum of 7 days mandatory suspension. The day of injury counts as the first day of suspension period.
- c. Any loss of consciousness, however brief, or symptoms of concussion persisting after 15 minutes - minimum 21 days mandatory suspension. The day of injury counts as the first day of the suspension period.
 - d. Notwithstanding the above, riders who have established a baseline neurocognitive skills level through a Federation approved testing program e.g. IMPACT test may return to competition upon submission to the Federation of certification that they have passed an exam establishing that they have suffered no impairment of that level. In addition, they must submit clearance as required under GR1316.6.
 - e. All other riders may, at the expiration of the mandatory suspension period, return to competition by complying with the requirements of GR1316.5.

Medical bracelets must be visible on the competitor's wrist. Medical cards must include any relevant medical history, injury (particularly to the head), drug allergies and current medication. If wearing a medical bracelet, any relevant medical history, injury (particularly to the head) drug allergies and current medication must be included in the online medical form of the bracelet's vendor website or integrally in the bracelet. Athletes are responsible to record all injuries on the card or in the case of a medical bracelet, update their medical information online. Failure to wear one's own medical card or bracelet shall be penalized by a fine of \$100. (Payable to the Organizing Committee)
4. **SAFETY COORDINATOR.** All competitions shall furnish a Safety Coordinator, who shall be responsible for the establishment and coordination of medical services. As this shall include the transportation of injured competitors, the Safety Coordinator should not have any other duties during any cross-country or jumping tests.
5. **MEDICAL PERSONNEL.** Qualified medical personnel, with suitable medical equipment and with no other duties, must be present during scheduled schooling sessions over fences and during all scheduled competitions. Qualified Medical personnel is defined as a person who is currently certified or licensed in the profession and trained in pre-hospital trauma care. The minimum requirement is an EMT/Paramedic who is pre-hospital trauma trained.
6. **ACCESS.** The designated medical personal should have the capability of rapid deployment to any part of the arenas or courses in adverse conditions. Should this access not be available, the Ground Jury, on the advice of the Technical Delegate and the Course Designer, must consider alternatives including removal of the inaccessible portion.

 - d. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

Prior to the Athletes' first opportunity to inspect the Cross Country course, every Organizer of an event must name one or more Athlete Representative(s) from among the Athletes taking part in the Competition, having first obtained the Athlete(s)' consent. The Athlete Representative has the task of acting as a channel of communication between the Athletes and the Officials on any matter directly connected with the Event without in any way removing the right of any Athlete to speak to the Organizer, Technical Delegate, Ground Jury or Course Designer. The Athletes must be notified as to identity of the Athlete Representative and his/her name and contact information must be prominently posted on the Event notice board.
2. Prior to 1800 hours the day before Cross Country, the Athlete Representative(s) may call a meeting of the Athletes, to be attended by the Technical Delegate. The Ground Jury, Organizer or Course Designer will also attend if specifically requested by the Athlete Representative. The purpose of this meeting is to discuss major issues concerning the obstacles on the course and/or the distances of the course. At this meeting any such issues must be recorded in writing (the Technical Delegate and Athlete Representative have this responsibility) and the response of the Ground Jury also recorded in writing and signed by the President of the Ground Jury and the Athlete Representative. This document will be included with the Technical Delegate's report.
3. The Athletes may appoint two additional people (to join the already appointed Athlete Representative) as Athlete Representatives to facilitate discussion with the Officials and the Organizing Committee. These additional two people can be anyone that the Athletes choose and do not necessarily have to be competing at the Competition.

Note: This added layer of participation by the Rider Representative does not in any way lessen the burden each competitor bears to actively voice his or her concerns either to a) the Rider Representative who will then communicate said concerns to the TD or PGJ or b) directly to the TD or PGJ. Further, competitors bear the responsibility in determining their own and their horse's fitness, preparation and readiness. Communication of concerns to the Rider Representative, TD or PGJ does not remove nor shift that responsibility away from the rider.

EV120 Organizers' Rights

Organizers have the right to cancel any competition or division (see General Rules, GR310), divide any competition into divisions or sections, alter the published schedule, or refuse any entry (see General Rules, GR914). The Organizer must state the refund policy in the prize list, in the event of cancellation before the competition has started.

EV121 Calendar Approval Process and Federation Guidance

1. FEDERATION EVENTING COMMITTEE.
 - a. This Committee is responsible for the guidance of the sport, including rules, championships, grading horses, scheduling, etc.
 - b. In addition to the membership requirements of EV102.3, Organizing Committees of selected competitions must **apply for and receive approval of their competition date and venue per the provisions of the USEF Eventing Calendar Approval Process. The Eventing Committee shall recommend** approval of the date and site of the competition, the Ground Jury, the Technical Delegate, the Chief Steward, the Course Designer, the Veterinary Commission where appropriate, and the prize monies where appropriate. **All FEI Eventing Competitions must gain further approval of the USEF International Disciplines Council and the USEF Board of Directors.** These selected competitions are:
 1. * **USEF Eventing National** Championships
 2. * **National** Three-Day Events
 3. * **All FEI Eventing Competitions**
 4. * **Advanced Horse Trials**
2. AREA CHAIRMEN. These individuals are appointed by the USEA Board of Governors to serve as liaisons between

the Federation Eventing Committee, organizers and competitors, in order to encourage the development of the sport. Scheduling of competitions below those mentioned above are coordinated Intra- and Inter-Area by the Area Chairmen. *BOD 11/7/16 Effective 12/1/16*

SUBCHAPTER EV-2 RULES FOR TESTS

EV122 Introduction

1. DEFINITION. Tests consist of one or more dressage, cross-country or jumping competitions. They are designed to introduce the discipline, and to prepare competitors and horses for Horse Trials. They provide experience for participants within an enjoyable day of competition. These competitions may include:
 - a. Cross-Country Tests
 - b. Combined Tests
 - c. Starter Event Rider Tests
 - d. Eventing Equitation Tests
 - e. Young Event Horse Tests
2. ORGANIZATION. Tests may be offered as separate competitions, or may be organized in conjunction with a Horse Trial or an Event. They usually take place on one day.

EV123 Rules for Tests

1. PARTICIPATION. A horse may be ridden by more than one competitor. A competitor may ride more than one horse. The number of horses that a competitor may ride may be limited by the Organizer. The number of times that a horse may compete may be limited by the Organizer.
2. LICENSED OFFICIALS. For competitions that do not require Licensed Judges (such as Cross-Country Tests), a Federation Licensed Eventing Technical Delegate is required. In such instances, the Technical Delegate assumes the responsibility of the Ground Jury as noted in Part Six. For competitions which include dressage and jumping (such as Combined Tests, Starter Event Rider Tests, Eventing Equitation Tests or Young Event Horse Tests), a Federation Licensed Eventing Judge is required. This Judge shall act as the Ground Jury and shall perform the course evaluation functions of a technical delegate. Other judges may be Federation Licensed Judges, participants or graduates of the USEA Training Program, or knowledgeable horsemen.
3. OTHER OFFICIALS. A veterinarian shall be present on the grounds during any cross-country or jumping competition. Qualified medical personnel (EV113.4 and .5) must be present during all competitions.
4. TESTS. Flexibility is provided for the running of Tests. Tests may be judged in the normal manner, as minimum percentage classes, as clear round classes, on the honor system, purely on time or points, etc. Classification may be individual, pairs or teams. Organizing Committees are encouraged to create attractive competitions, whether they use the Tests described below or create additional Tests.

EV124 Cross-Country Tests

Cross-Country Tests consist of distinct competitions involving various cross-country skills. The tests may include pace, taking your own line, following unknown course, top score competitions with obstacles of different values, clear round cross-country, etc. The conditions under which the Cross-Country Tests will be conducted will be printed in the prize list.

EV125 Combined Tests

Combined Tests consist of two distinct tests during which a competitor rides the same horse throughout. The tests may include two of the following—dressage, cross-country, jumping; or may include one discipline (such as cross-country) repeated twice under different conditions. Combined Tests will be conducted under guidelines published by the USEA.

EV126 Starter Event Rider Tests

Open to riders of any age who have never competed in a horse trial, on any horse. The test shall involve a short dressage test (30%), jumping 6 or 7 fences in an arena (30%), and galloping in the open over 3 or 4 fences (40%). The fences will not exceed 2'6". Each competitor will be judged on position, seat, and effective use of aids. The competitor must ride the same horse throughout.

EV127 Eventing Equitation Tests

Open to riders 14 to 18 years of age, on any horse. The test shall involve a short dressage test (40%), and jumping approximately 10 cross-country-type obstacles not to exceed 3'7" (60%). The jumping may be in an arena or on a short cross-country course. Each competitor will be judged on position, seat, and effective use of aids. The competitor must ride the same horse throughout.

EV128 Young Event Horse Tests

Open to four and five year old horses with any rider. The test shall involve a short dressage test, a jumping test that may involve cross-country obstacles of 8-12 fences up to 3'3" (4 yo) or 3'7" (5 yo) in height, and a final judging of horses shown in hand for conformation, suitability and presence. The same competitor must ride or show the horse throughout.

[EV129 AND EV130 ARE INTENTIONALLY LEFT BLANK FOR FUTURE USE]

SUBCHAPTER EV-3 RULES FOR HORSE TRIALS

EV131 Introduction

1. DEFINITION. The Horse Trial comprises three distinct tests, usually taking place on one or two days, during which a competitor rides the same horse throughout, namely:

- a. Dressage
- b. Cross-Country
- c. Show Jumping
- d. The Dressage Test must be first. The Cross-Country and Jumping Tests may follow in either order.

2. RELATIVE INFLUENCE OF THE TESTS. In principle, the Cross-Country Test should be the most influential of the three tests of a Horse Trial. The Dressage Test, while less influential than the Cross-Country Test, should be slightly more influential than the Jumping Test.

3. LEVELS OF HORSE TRIALS. The following levels of competition may be offered at a Horse Trial:

- a. * Advanced
- b. * Intermediate
- c. * Preliminary
- d. * Training
- e. * Novic
- f. * Beginner Novice

4. INDIVIDUAL COMPETITION. There will always be an individual competition. Where there is a team competition, each member of a team will automatically be considered as an individual competitor.

5. TEAM COMPETITION. There may be a team competition. Teams will consist of three or four competitors.

EV132 Classification

1. CLASSIFICATION IN THE THREE TESTS.

- a. In the Dressage Test, each Competitor's good marks awarded by the judges are converted into penalty points. They are recorded for inclusion in the final classification and published.

EV - EVENTING DIVISION

- b. In the Cross-Country Test, each competitor's penalties for faults at obstacles are added to the penalties incurred for excess time. They are recorded for inclusion in the final classification and published.
- c. In the Jumping Test, each competitor's penalties for faults at obstacles are added to the penalties incurred for excess time. They are recorded for inclusion in the final classification and published.

2. INDIVIDUAL FINAL CLASSIFICATION.

- a. The winning individual is the competitor with the lowest total of penalty points, after adding together for each competitor the penalty points incurred in the three tests.
- b. In the event of equality between any two or more competitors, the classification is decided by:
 1. **The best Cross-Country score including penalties for faults at obstacles, time penalties and any other penalty that he/she may have incurred on the Cross-Country Test.**
 2. **If there is still equality, the classification is decided in favor of the Competitor whose Cross-Country time was closest to the optimum time.**
 3. **If there is still equality, the Competitor with the best Jumping score including penalties at obstacles and time penalties.**
 4. **If there is still equality, the classification will be decided in favor of the Competitor with the best collective marks in the Dressage Test.**
 5. **If there is still equality, the tie will remain in the final classification. *BOD 1/16/16 Effective 12/1/16***

3. TEAM FINAL CLASSIFICATION.

- a. The winning team is that with the lowest total of penalty points, after adding together the final scores of the three highest placed competitors in the team.
- b. In the event of equality between any two or more teams, the winning team will be that whose third placed competitor has the best score.

4. DISQUALIFICATION OR ELIMINATION.

- a. The disqualification or elimination from one of the tests entails disqualification or elimination from the final classification.
- b. The Ground Jury, in consultation with the Organizing Committee, may, if requested, permit a competitor who has been eliminated in an earlier Test to take part in the subsequent Test(s). After elimination in any previous Test, any competitor who starts a subsequent Test without such permission will be liable to disciplinary action, including a reprimand and/or a fine of up to \$100. payable to the Organizing Committee.
- c. A competitor who withdraws or retires a horse is considered to have withdrawn or retired from the entire competition and will not be permitted to continue in subsequent tests with that horse, except with the expressed permission of the ground jury.

EV133 Dressage Test

1. The object of Dressage is the harmonious development of the physique and ability of the horse. As a result it makes the horse calm, supple, loose and flexible, but also confident, attentive and keen, thus achieving perfect understanding with his rider.
2. These qualities are revealed by:
 - a. The freedom and regularity of the paces;
 - b. The harmony, lightness and ease of movements;
 - c. The lightness of the forehand and the engagement of the hind quarters, originating in a lively impulsion;
 - d. The acceptance of the bridle, with submissiveness throughout and without any tenseness or resistance.
3. The dressage tests to be used each year will be printed in Appendix 2. From these tests, Organizers are free to select the specific tests to be used for their competition. The test to be used must be printed in the prize list for the competition.

EV134 Dressage Rules

1. In any circumstances not specifically covered by these rules, the “FEI Rules for Dressage Events” will apply.
2. All tests must be carried out from memory, and all movements must follow in the order laid down in the test.
3. **After the signal has been given, the Competitor must enter the arena at A within 45 seconds.**
4. A test begins with the entry at A and ends after the salute at the end of the test, as soon as the horse moves forward. Any incidents before the beginning or after the end of the test have no effect on the marks. The competitor should leave the arena in the way prescribed in the text of the test.
5. Competitors must take the reins in one hand at the salute. Gentlemen are not required to remove their hats at the salute.
6. When a movement must be carried out at a certain point of the arena, it should be done at the moment when the competitor's body is above this point.
7. The use of the voice in any way whatsoever or clicking the tongue once or repeatedly is a serious fault involving the deduction of at least two marks from those that would otherwise have been awarded for the movement where this occurred.
8. In case of marked lameness, the judge at C, after consultation with the other judge(s) if appropriate, will inform the competitor that he is eliminated. There is no appeal against this decision.
9. A horse leaving the arena completely, with all four feet, between the time of entry and the final salute, will be eliminated.
10. Any resistance that prevents the continuation of the test longer than 20 seconds will be punished by elimination.
11. When a competitor makes an “error of course” (takes the wrong turn, omits a movement, etc.) the judge at C warns him by sounding the bell. The judge shows him, if necessary, the point at which he must take up the test again and the next movement to be executed, then leaves him to continue by himself. However, in some cases when, although the competitor makes an “error of course”, the sounding of the bell would unnecessarily impede the fluency of the performance (for instance if a competitor makes a transition at V instead of K), it is up to the judge at C to decide whether to sound the bell or not. However, if the bell is not sounded at an error of test in which the movement is repeated and the error occurs again, only one error is recorded.
12. When a competitor makes an “error of the test” (trots rising instead of sitting, does not take the reins in one hand at the salute, etc.), he must be penalized as for an “error of course”.
13. In principle, a competitor is not allowed to repeat a movement of the test unless the judge at C decides on an error of course and sounds the bell. If the competitor has started the execution of a movement and tries to do the same movement again, the judge(s) must consider the first movement shown only and at the same time penalize for an error of course.
14. If there is more than one judge, unless all judges are in agreement on an error, the competitor receives the benefit of the doubt.
15. Any outside intervention by voice, signs, etc., is considered unauthorized assistance. A competitor receiving unauthorized assistance will be eliminated, at the discretion of the Ground Jury.
16. When there are two or more judges, one horse and rider, taking no part in the competition, will perform the prescribed ride in order that the judges may confer before the competition begins.
17. The judge at C may stop a test and/or allow a competitor to restart a test from the beginning or from any appropriate point in the test if, at his discretion, some unusual circumstance has occurred to interrupt a test.
18. No judge should be required to officiate longer than 8 hours in one day, and should not be required to be on the show grounds longer than 10 hours. Judges should be given at least a 45 minute lunch break and at least a 10 minute break every 2 hours.

EV135 Dressage Arena

1. The arena must be 60 meters long and 20 meters wide (Standard Arena) or 40 meters long and 20 meters wide (Small Arena), depending on the specifications for the test to be used. The measurements are for the interior of the enclosure. The arena should be separated from the public by a distance of not less than 15 meters. The enclosure itself should consist of a low fence, about 30 cm (12 inches) high. It is recommended that the entrance at A be a minimum of 2 meters and a maximum of 4 meters wide. The part of the fence at A should be easy to remove, to allow access, or may be left open. The fence should be such to prevent the horse's hooves from entering.
2. The letters should be placed outside the enclosure, about 50 cm (20 inches) from the fence. The letter A should be a sufficient distance from the entrance to allow unobstructed entry. It is desirable to place a special marker on the fence itself, level with and in addition to the letter concerned.
3. The center line and the points along the center line, if described in the test to be used, should be clearly marked, without being of a nature to frighten the horses. On that account, it is recommended: to mow the center line shorter on a grass arena, or to roll or rake the center line on a sand arena. The points D, L, X, I and G, should be similarly mowed, rolled or raked, about 2 meters (6'6") straight across the center line.
4. If there is only one judge, he is placed 5 meters (16 feet) from the end of the arena opposite the letter C. When two judges are used, one (the President) is placed at C and the other is placed 5 meters from the side of the arena, opposite the letter E or B. When three judges are used, one (the President) is placed at C, another (M or H) is placed at the end of the arena on a line with the judge at C, to his left or right, 2.5 meters in from the long side of the arena, and the third judge is placed 5 meters from the side of the arena, opposite either E or B. A separate enclosure (tent, trailer) should be provided for each judge and it should be raised at least 0.5 meters (20 inches) above the ground to give the judge a good view of the arena.
5. For diagrams of Standard and Small Arenas. See Appendix 5.

EV136 Dressage Scoring

1. MARKING.

- a. Judges will award good marks from 0-10 for each movement and for each collective mark, with 0 being the lowest mark and 10 being the highest. All half marks from 0.5 - 9.5 may be used both for movements and collective marks, at the discretion of the judge, and scores given must be recorded with a decimal (e.g. as 6.0 instead of 6).
- b. Errors of Course or Test will be penalized as follows:
 1. 1st Time by 2 points
 2. 2nd Time by 4 points
 3. 3rd Time by Elimination
- c. All of the following are considered errors, and two points will be deducted per error, but they are not cumulative and will not result in Elimination.
 1. Entering the space around the arena with a whip (when whips are forbidden) or with boots or bandages on the horse's legs or with a discrepancy in dress (e.g. lack of gloves);
 2. Entering the arena with a whip (when they are forbidden) or with boots or bandages on started before the discrepancy has been noticed, the Judge at C stops the Competitor and if needed and possible, an assistant may enter the arena to remove the item(s). The Competitor then continues the test, either starting from the beginning (from inside the fence) or from the movement where he/she was stopped. The marks given before he/she was stopped are not changed;
 3. Entering the arena before the sound of the bell;
 4. Not entering the arena within 45 seconds after the bell, but within 90 seconds; gives the two point penalty (not cumulative, not counted as an error) for over 45 seconds but less than 90 seconds

- d. In the case of a fall of a horse and/or competitor, the competitor will not be eliminated. He will be penalized by the effect of the fall on the execution of the movement concerned and in the collective marks.
- e. After elimination, a competitor may continue his performance to the end. The marks will be awarded in the ordinary way.

2. ADDITIONAL REASONS FOR ELIMINATION.

- a. Elimination is left to the discretion of the Ground Jury in the following cases:
 - 1. Receiving unauthorized assistance, EV134.15.
 - 2. Performing the test in incorrect dress, EV114.
- b. Elimination must be applied in the following cases:
 - 1. **Competitor not entering the competition arena within 90 seconds after the signal except where a valid reason has been provided to the Judge at C (valid reason may be losing a shoe, etc.)**
 - 2. Performing a test with improper saddlery, EV115.3, or with an illegal whip, EV114.3, or with illegal spurs, EV114.4.
 - 3. Marked lameness, EV134.8.
 - 4. Leaving the arena between the time of the entry and the final salute, EV134.9.
 - 5. Resistance, EV134.10.

3. CALCULATION OF SCORES.

- a. The good marks from 0-10 awarded by each judge to a competitor for each numbered movement of the dressage test together with the collective marks are added together, deducting any error of course or test.
- b. For each judge the percentage of maximum possible good marks obtainable is then calculated by dividing the total good marks received (minus any error of course or test) by the maximum possible good marks obtainable and then multiplying by 100 and rounding the result to two decimal digits. This value is shown as the individual mark for that judge.
- c. If there is more than one judge, the average percentage for the competitor is obtained by adding together the percentage for each judge and dividing by the number of judges, always rounding the result to two decimal digits.
- d. In order to convert percentage into penalty points, the percentage if there is only one judge or the average percentage if there is more than one judge must be subtracted from 100. The result, rounded to one decimal digit, is the score in penalty points for the test. *BOD 1/16/16 Effective 12/1/16*

EV137 Cross-Country Test

- 1. This test is to prove the speed, endurance and jumping ability of the true cross-country horse when it is well trained and conditioned. At the same time it demonstrates the competitor's knowledge of pace and the use of his horse across country.
- 2. It consists of a cross-country course with obstacles, normally carried out at the gallop.

EV138 Cross-Country Rules

1. STARTING:

- a. Competitors at the start must be under the control of a starter. The horse does not have to stand absolutely immobile, but the competitor must not get any advantage from a flying start. Each competitor should be given reasonable warning before the time he is due to start, but it is the competitor's responsibility to ensure that he starts at the correct time.
- b. In order to simplify the task of the starter, an enclosure approximately 5 X 5 meters (16 X 16 feet) will be built at the start with an open front through which horses will start and a gap in one or both sides through which horses may enter. Each competitor must start from within the enclosure and is at liberty to move around and through the

EV - EVENTING DIVISION

enclosure as he pleases. An attendant may lead the horse into the enclosure, and may hold the horse until the signal to start is given. From that instant, the competitor is considered to be on course and no further assistance may be given (see EV138.8).

- c. If a competitor starts early, his time will be recorded from the moment he crossed the start line.
- d. Under exceptional circumstances, the Ground Jury may permit a competitor to start at other than his posted start time. When this happens, the new, agreed upon start time will become the competitor's official revised start time.
- e. If a competitor is not ready to start at his correct time (original or revised schedule), he may be allowed, at the discretion of the starter, to start when he is ready, subject to the following conditions:
 1. A late competitor will not be permitted to start if there is any risk of interfering with the subsequent competitor.
 2. His starting time will be recorded as if he had started at the correct time.

2. TIME.

- a. Optimum Time—The distance divided by the designated speed gives the optimum time. Completing the course in less than the optimum time results in zero time penalties. A competitor exceeding the optimum time will be penalized in accordance with EV141.2.a. Time is counted in whole seconds, parts of a second counting as the next whole second (e.g. 30.25 seconds is recorded as 31 seconds.)
- b. Speed Fault Time—For the Beginner Novice, Novice and Training Levels, the distance divided by the speed fault speed gives the speed fault time. Completing the course in less than the optimum time is not penalized up to the speed fault time. Completing the course in less than the speed fault time will be penalized in accordance with EV141.2.b. Time is counted in whole seconds, parts of a second counting as the next whole second (e.g. 30.25 seconds is recorded as 31 seconds.)
- c. Time Limit—The time limit is twice the optimum time. A competitor exceeding the time limit will be eliminated.
- d. Timing - Time is counted from the instant the starter gives the signal until the instant when the mounted horse reaches the finishing line. Time is counted in whole seconds, parts of a second counting as the next whole second (e.g. 30.25 seconds is recorded as 31 seconds). When an electronic timer is used for the start, the starter must cut the beam with his hand.

3. ERRORS OF COURSE. All compulsory passages and all obstacles, including all elements and/or options, must be passed or jumped in order, under penalty of elimination. All red and white flags must be respected wherever they occur on the course, under penalty of elimination, except as provided for in EV142.5. Retaking an obstacle already jumped is forbidden, under penalty of elimination, except as provided for in EV142.5.

4. PACE AND DISMOUNTING. Between the start and finish, competitors are free to choose their own pace. They must be mounted to pass all red and white boundary flags. Dismounting as a result of attempting an obstacle, whether voluntary or not, is penalized in accordance with EV141.1.b. Elsewhere on the course, competitors may dismount without incurring a fault, other than possible penalties for exceeding the optimum time.

5. OVERTAKING.

- a. Any competitor who is about to be overtaken by a following competitor must quickly clear the way. Any competitor overtaking another competitor must do so only at a safe and suitable place.
- b. When the leading competitor is before an obstacle and about to be overtaken, he must follow the directions of the officials. When the leading competitor is committed to jumping an obstacle, the following competitor may jump that obstacle only in such a way that will cause no inconvenience or danger for either.
- c. The penalty for willful obstruction of an overtaking competitor, failure to follow the instructions of the officials, or causing danger to another competitor is elimination at the discretion of the Ground Jury.

6. COMPETITORS IN DIFFICULTY. If, in attempting to negotiate an obstacle, a horse should be trapped in such a way it is unable to proceed without assistance, the horse shall be retired from competition and the score posted as a mandatory retirement.

7. STOPPING COMPETITORS.

- a. If any part of an obstacle is obstructed by a competitor in difficulty, if any obstacle has been dismantled to release a fallen horse, if an obstacle has been broken and has not yet been rebuilt, or in any similar circumstances, subsequent competitors must be halted.
- b. In such a case, an official should be posted in the path of the oncoming competitor. He shall wave a red flag, which indicates that the competitor must stop. Failure to stop is penalized by elimination at the discretion of the Ground Jury.
- c. Competitors may be stopped at obstacles or at stopping points on the course.
- d. The official will stop competitors only upon the instructions of the control center, or during a rapidly developing emergency at his own obstacle.
- e. The time during which the competitor was stopped, from the moment he passed the stopping point until he re-passed the same point after being given the order to restart, will be recorded. It will be deducted from the total time taken by the competitor to complete the course. It is clearly intended that the time shall be taken as the competitor gallops past the stopping point, not after he halts nor after a start from the halt.

8. UNAUTHORIZED ASSISTANCE.

- a. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the competitor or of helping his horse, is considered unauthorized assistance and the competitor is liable to be eliminated.
- b. In particular, the following are forbidden:
 1. Intentionally to join another competitor and to continue the course in company with him;
 2. To be followed, preceded or accompanied, on any part of the course by any vehicle, bicycle, pedestrian, or horseman not in the competition;
 3. To post friends at certain points to call directions or make signals in passing;
 4. To have someone at an obstacle to encourage the horse by any means whatsoever;
 5. To tamper with the obstacles or any part of the course, including, for instance, flags, indicators, markers, notices, ropes, trees, branches, wire or fences, whether temporary or permanent.
- c. Officials or spectators who draw the attention of a competitor to a deviation from the course are giving unauthorized assistance which may result in the elimination of the competitor.
- d. Each case of unauthorized assistance will be decided by the Ground Jury.

9. AUTHORIZED ASSISTANCE.

- a. Whip, headgear or spectacles may be handed to a competitor at any time.
- b. A competitor may receive clarification of jumping penalties from an obstacle judge, e.g. after jumping a flag at a corner, the judge may clarify whether it was a run-out or not.

10. AFTER ELIMINATION. A competitor eliminated or retired for any reason must leave the course at once and has no right to continue. If he does not stop at once and it can be established beyond a reasonable doubt that he should be eliminated or retired, he should be stopped as soon as possible and reported to the ground jury. A competitor must walk his horse off the course either mounted or dismounted. Violators shall be warned or fined up to \$100. (payable to the Organizing Committee), at the discretion of the Ground Jury.

EV139 Cross-Country Courses

1. MARKING OF THE COURSE.

- a. Red or White Boundary Flags—These shall be used to mark the starting and finishing lines, to mark compulsory passages, and to define obstacles. They are placed in such a way that a competitor must leave a red flag on his right and a white flag on his left. In cases where courses for two or more levels of competition are marked at the same time, only those flags which form part of the course for the relevant competition are to be considered to be in effect at any one time.

EV - EVENTING DIVISION

- b. Yellow Directional Markers - These shall be used to show the general direction to be taken and to help competitors find their way. Where necessary, they shall be superimposed with the first letter or color of the level. Passing close to them is not obligatory.
 - c. Numbers and Letters - Each obstacle shall be numbered. Obstacles with elements or options (see EV140.2) shall in addition be lettered (A, B, C, etc.). Each compulsory passage shall be marked with the first letter of the level and numbered consecutively. Numbers and letters shall be painted as follows: **National Levels:** Advanced—white on a blue background, Intermediate—white on a red background, Preliminary—white on a green background, **Modified - orange on a blue background**, Training—white on a black background, Novice—black on a white background, Beginner Novice—black on a yellow background or as designated by the organizer and printed on the course map. **FEI Levels:** CIC - Same as the equivalent National Level, but must include a white border around the edge of the flag, e.g. CIC1 white on green background with white border around the edge of the flag. CCI - Same as the equivalent National Level, but the corners must be dog-eared (triangle in shape) in white, not less than one inch from the corner inward. **BOD 1/16/16 Effective 12/1/16**
 - d. Start and Finish Signs—In addition to the red and white boundary flags, the starting and finishing lines shall also be marked by distinct signs.
 - e. Stopping Points—These shall be marked by a peg painted in a vivid color, surveyor's flags, or by a sign.
2. DISTANCES AND SPEEDS. The distances and the speeds demanded are determined by the intended difficulty of the whole Test. Within the limits shown in Appendix 2, Course Designers may choose the distances and speeds most suitable to the terrain and to the quality and standard of preparation of the competitors. The number of jumping efforts shall not exceed an average of 1 per every 100m commenced.
3. FINISHING LINES. The last obstacle on course shall be not less than 25 meters nor more than 75 meters from the finishing line.
4. PLAN OF THE COURSE.
- a. Each competitor will be given in advance a plan showing the track of the course. The plan must be available by at least 3:00 p.m. of the day before the entire competition, but may be available sooner at the Organizing Committee's discretion.
 - b. The plan must include the following: the position of the start and finish lines, the numbered compulsory passages, the numbered obstacles, the distance, the optimum time, the time limit.
5. SPECTATORS. Steps must be taken to ensure that no spectator or official shall be in such a position as to obstruct a competitor.

EV140 Cross-Country Obstacles

1. DEFINITION.

- a. An obstacle is considered as such if and only if its extremities are marked with a red and white flag or flags and it is numbered.
- b. All significant jumping efforts that the average horse may be expected to attempt to negotiate must be defined as an obstacle or element and flagged, numbered and/or lettered accordingly.

2. OBSTACLES WITH ELEMENTS OR OPTIONS

a. Obstacles Composed of Several Elements. (See also Appendix 6)

1. If two or more jumping efforts, sited closely together, are designed as one integral test, they will be designated as "elements" of a single numbered obstacle. Each element will be marked with a different letter (A, B, C, etc.) and must be negotiated in the correct order.
2. Where two or more jumping efforts are sited so closely together that after a refusal, run out or fall, it would be unreasonably difficult to attempt to negotiate the second or subsequent effort without retaking one or more earlier efforts, these jumping efforts must be designated as one numbered obstacle and lettered accordingly.

- b. Obstacle with Options or Alternatives.
- c. Where an obstacle may be jumped in one effort but has options involving two or more efforts, each of these options must be lettered as an element.
- d. Alternative obstacles or elements may be flagged separately and must be identified by the same number/letter as on the direct route. In this case, both sets of flags must be marked with a black line. Such "black flag" alternatives are to be judged as separate obstacles or elements, only one of which has to be jumped. A competitor is permitted to change without penalty from one black flagged line to another (e.g. jumping 6a left hand route then 6b right hand route) provided he has not presented his horse at the next element of the original line. (See diagrams App. 7).

3. NATURE OF OBSTACLES.

- a. The obstacles must be fixed and imposing in shape and appearance. When natural obstacles are used, they should, if necessary, be reinforced so that they remain in the same state throughout the test. All reasonable precautions must be taken to prevent the possibility of a competitor being able to pass mounted under an obstacle. Portable fences must be secured to the ground in a way that the fence cannot move.
- b. The cross-country obstacles at which a horse, in falling, is likely to be trapped or to injure itself, must be built in such a way that part of the obstacle can be quickly dismantled and can be quickly rebuilt exactly as before. Such a construction must not in any way detract from the solidity of the obstacle.
- c. Bullfinches must be constructed in such a way that the average horse will be encouraged to jump through it.
- d. The use of motorized vehicles as the jumpable portion of an obstacle is forbidden.

4. Safety Flags

- i. The types of fence required to use safety flags include:
 - a. Corners;
 - b. Fences of less than 3m (9'8") jumpable width;
 - c. Related fences which because of their design offer a jumpable line of less than 3m (9'8") width;
 - d. Fences designed to be jumped on an angle where knocking a flag is a possibility;
- ii. The flags and poles on these fences must meet the following criteria;
 - a. The flag poles must be made of a material that cannot shatter, break or splinter, such as suitable plastic or carbon fiber or any other appropriate materials;
 - b. There must be no points anywhere on the flag poles and any sharp corners and/or edges on the flags must be rounded;
 - c. Flags must be secured in such a way that they 'break away' and/or move away from the fence if/when struck by either horse or rider in such a way that the chance of horse and/or rider being injured is significantly reduced.
 - d. All flags and flagpoles to be used in these situations will need to be approved by the Technical Delegate.

5. WATER CROSSINGS.

- a. In all water crossings, the bottom should be firm and consistent. The maximum depth of the water shall not exceed 35 cm (14").
- b. Water at the Beginner Novice Level shall be a straightforward water crossing without obstacles. It shall be flagged at the entrance. The minimum width of water shall be 5.0 meters (16'5"). If it is necessary to revett the banks, the revetting shall not exceed 50 cm. (1'8").
- c. In all water crossings involving obstacles, the minimum distance between obstacles shall be 9 meters (29'3"). In all water-to-water obstacles, there shall be a minimum of 6 meters (19'6") of water before the obstacle.

6. NUMBER OF JUMPING EFFORTS:

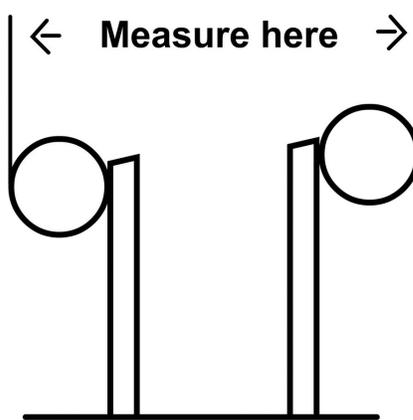

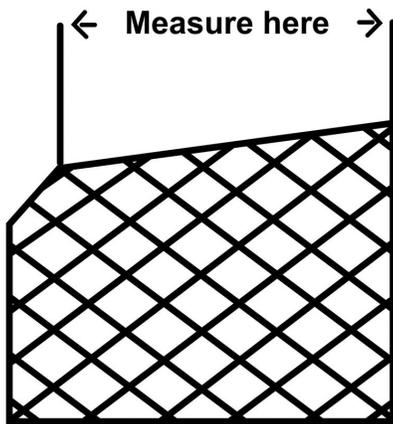

- a. Within the limits shown in Appendix 2, the total number of jumping efforts shall be related to the length of the course.
- b. To arrive at the number of jumping efforts, the efforts on the route expected to be taken by the average horse shall be totaled.

7. DIMENSIONS.

- a. Within the limits shown in Appendix 2, the dimensions of obstacles should be related to the quality and standard of preparation of the competitors.
- b. The fixed and solid part of an obstacle may not exceed the specified height at any of the points at which a competitor might reasonably attempt to negotiate the obstacle.
- c. At obstacles with spread only (dry or water filled ditch), a guard rail or hedge in front that facilitates jumping is permitted. It may not exceed 50 cm (20 inches) in height. It must be included in the measurement of the spread.
- d. Any roof, or other fixed and solid barrier over an obstacle, must not be less than 3.36 meters (11 feet) above the ground.

8. MEASUREMENTS.

- a. The height of an obstacle is measured from the point where the average horse would take off. The spread of an open obstacle (e.g. Oxer or Ditch) is measured from the outside of the rails or other material making up the obstacle. The spread of a closed obstacle with a solid top (e.g. Tables) is measured from the highest point to the highest point.

- b. When the height of an obstacle cannot be clearly defined (natural hedge or brush fence), the height is measured to the fixed and solid part of the obstacle through which a horse cannot pass with impunity.
 - c. The drop on the landing side of an obstacle is measured from the highest part of the obstacle to the spot where the average horse would land.
9. Obstacles for which approved frangible technology is appropriate shall be constructed using this technology, or shall be retrofitted using this technology. Information on the appropriate applications of Frangible Technology in cross-country fence construction is available in the USEA Cross-Country Obstacle Design Guidelines. Frangible Technology may be installed only by or under the supervision of Course Designers/course builders who have attended a USEA Seminar on Frangible fence construction.

4. Jumping an obstacle or passing through a compulsory passage in the wrong order, EV138.3.
5. Jumping an obstacle in the wrong direction, except when EV142.5 applies.
6. Retaking an obstacle already jumped, except when EV142.5 applies.

EV142 Cross-Country—Definitions of Faults (Drawings, Appendix 7)

1. GENERAL. Faults (refusals, run-outs, circles and falls) will be penalized unless in the opinion of the responsible judge, they are clearly not connected with the negotiation or attempted negotiation of a numbered obstacle or element for the relevant competition in progress. The negotiation or attempted negotiation of an obstacle commences with the presentation of the horse to the obstacle.

2. DISOBEDIENCES (REFUSALS and RUN-OUTS)

a. Refusals.

1. At obstacles or elements with height (exceeding 30 cm), a horse is considered to have refused if it stops in front of the obstacle to be jumped.
2. At all other obstacles (i.e., 30 cm or less in height) a stop followed immediately by a standing jump is not penalized, but if the halt is sustained or in any way prolonged, this constitutes a refusal. The horse may step sideways but if it steps back, even with one foot, this is a refusal.

EV - EVENTING DIVISION

3. After a refusal, if a competitor redoubles or changes his efforts without success, or if the horse is represented at the obstacle after stepping back and stops or backs again, this is a second refusal, and so on.
 - b. Runouts. A horse is considered to be disobedient if it runs-out, avoids the obstacle or element to be jumped in such a way that it has to be represented. A rider is permitted to change his mind as to where he jumps an obstacle or element at any time without penalty for a run-out, including as a result of a mistake at a previous obstacle or element.
 - c. At an obstacle composed of several elements (A B obstacle), a horse may be disobedient and refuse or run-out only twice in all without incurring elimination.
3. CIRCLES.
- a. At an obstacle composed of several elements (A, B, C, etc.) a horse will be penalized if it passes around any element or circles between elements at any time between first being presented at the obstacle and finally completing the last element. See diagrams App. 7. Also, see EV140.2.c for possible exceptions at black-flagged alternatives.
 - b. After being penalized for a refusal, run-out or circle, a competitor is permitted to cross his original track without penalty in order to make another attempt and may also circle one or more times without penalty, until he again presents his horse at the obstacle.
 - c. At separately numbered obstacles, a competitor may circle between or around them without penalty provided he has not represented his horse at the second or subsequent obstacles.
4. FALLS.
- a. A competitor is considered to have fallen when he is separated from his horse in such a way as to necessitate remounting or vaulting into the saddle.
 - b. A horse is considered to have fallen when at the same time both its shoulder and quarters have touched either the ground or the obstacle and the ground.
 - c. A fall will always be penalized when it occurs between the elements of an obstacle composed of several elements (A B C).
5. ADDITIONAL ATTEMPTS AT OBSTACLES COMPOSED OF SEVERAL ELEMENTS
- If after a disobedience at an obstacle composed of several elements a competitor wishes to retake any element already jumped in order to complete negotiation of the obstacle, he may do so. However, he is liable to be penalized for any additional fault even if it is at an element previously jumped successfully. If after a disobedience a competitor wishes to pass through flags in the wrong direction in order to retake an element, he may do so without penalty.
6. WILLFUL DELAY. A competitor is considered to have willfully delayed his finish if, between the last fence and the finish line, the horse halts, walks, circles, or serpentine. The competitor will be penalized at the discretion of the Ground Jury.
7. INSTRUCTIONS TO OFFICIALS. Where there is any doubt as to the correct interpretation of the rules of judging any obstacle, the Technical Delegate, on the advice of the Ground Jury, shall approve the instruction to the judges and provide a rough sketch if necessary. And all competitors shall be informed of any such instructions at the briefing, or as soon as possible if later.

EV143 Jumping Test

1. The "F.E.I. Rules for Jumping Events" apply for Eventing Jumping except where otherwise provided in these rules.
2. This test is similar to an ordinary show jumping competition, but without any attempt to find a 'winner' of this test on its own. Its main objective is to prove that, the horse and rider are well trained in the specialist discipline of show jumping.

3. The nature of the course, its length, the speed demanded and the dimensions of the obstacles depend on the degree of difficulty of the whole competition.

EV144 Arena

1. The arena must be enclosed. While a horse is in the arena during a competition, all entrances and exits must be physically closed.
2. Where the arena size is less than 5000 square meters (approximately 90m x 55m [300ft x 180ft]) the maximum speed to be used for any division shall be 350 meters/min. In arenas of less than 2300 square meters (approximately 75m x 30m [250ft x 100ft]) the maximum speed to be used shall be 325 meters/minimum.

EV145 The Bell

1. The bell (or other sound) is used to communicate with the competitors. One of the members of the Ground Jury or the additional judge is in charge of the bell and responsible for its use. The bell is used:
 - a. To give permission to the competitors to enter the arena when the course is ready for their inspection and to signal that the inspection time is over;
 - b. To give the signal to start and to activate a 45 seconds countdown. The 45 seconds countdown sets the time that the competitor can spare before commencing his round. The Ground Jury has the right to interrupt the 45-second countdown if unforeseen circumstances occur. Disobediences, falls, etc., occurring between the signal to start and the moment the competitor crosses the starting line in the correct direction, are not penalized. After the bell has rung, crossing the starting line in the correct direction for a second time before jumping the first obstacle is counted as disobedience.
 - c. To stop a competitor for any reason or following an unforeseen incident and to signal to him to continue his round after an interruption (EV152.9a);
 - d. to indicate to him that an obstacle knocked down, following a disobedience, has been replaced (EV152.9a);
 - e. To indicate by prolonged and repeated ringing that the competitor has been eliminated.
2. If the competitor does not obey the signal to stop, he may be eliminated at the discretion of the Ground Jury (EV154.3d) except where specifically provided for under EV152.9b
3. If, after an interruption, the competitor restarts and jumps or attempts to jump without waiting for the bell to ring, he will be eliminated (EV154.2m).

EV146 Courses And Measuring

- 1 Within the limits shown in Appendix 2, the Course Designer is free to plan a track suitable to the level of the competition. It is permissible, with the approval of the Technical Delegate and Ground Jury, to add up to 10% of the maximum permitted distance.
2. The Technical Delegate and/or the Ground Jury must walk the course to inspect the obstacles before the start of the competition. The course is the track, which the mounted competitor must follow when competing from passing the start in the correct direction up to the finish. The length must be measured accurately to the nearest meter taking into account, particularly on the turns, the normal line to be followed by the horse. This normal line must pass through the middle of the obstacle.
3. The starting and finishing lines may not be more than 15 m nor less than 6 m from the first and last obstacle. These two lines must each be marked with an entirely red flag on the right and an entirely white flag on the left.
4. The round starts when the competitor crosses for the first time in the correct direction the starting line after the bell has been rung. The time awarded to the competitor starts running either upon crossing the starting line or upon expiration of the 45th second of the countdown mentioned in EV145.1b, whichever occurs first.

EV147 Course Plan

1. A plan showing accurately all the details of the course must be posted as close as possible to the entrance of the arena, at least half an hour before the beginning of each competition. An identical copy must be given to the Ground Jury.
2. The obstacles are numbered consecutively in the order in which they must be jumped.
3. Combination obstacles carry only a single number. This number may be repeated at each element for the benefit of the Ground Jury and competitors. In this case, distinguishing letters will be added (for example: 8A, 8B, 8C etc).
4. The plan must indicate the following:
 - a. The position of the starting and finishing lines.
 - b. The relative position, type (spread or vertical obstacle, triple bar) numbering and lettering of obstacles.
 - c. The track to be followed by competitors marked by a series of arrows showing the direction in which each obstacle must be jumped.
 - d. The time allowed and time limit.
 - e. All decisions and/or modifications made by the Ground Jury in regard to the course.

EV148 Flags

1. Completely red flags and completely white flags must be used to mark the following details of the course:
 - a. The starting line.
 - b. The limits of the obstacles; the flags may be attached to any part of the wings of the obstacles. They may also stand independently. One red flag and one white flag must be placed at vertical obstacles and at least two red and two white flags to define the limits of spread obstacles. They must also be used to mark the limits of the obstacles provided in the schooling (warm-up) areas.
 - c. The finishing line.
2. At the obstacles, the starting and finishing lines, the competitor must pass between the flags (red on his right and white on his left).
3. Knocking down a flag anywhere in the arena does not incur a penalty. If a flag marking the limits of an obstacle or the finishing line has been knocked down following a disobedience / resistance, (without passing these lines) or as a result of unforeseen circumstances, the flag will not be replaced immediately; the competitor must continue his round and the obstacle will be judged as if the flag was in its original place. The flag must be replaced before the next competitor will be given the signal to start.

EV149 Obstacles

1. The obstacles must be inviting in their overall shape and appearance, varied and match their surroundings. Both the obstacles themselves and their constituent parts must be such that they can be knocked down, while not being so light that they fall at the slightest touch or so heavy that they may cause horses to fall or be injured.
2. The obstacles must not be unsporting and they must not cause an unpleasant surprise.
3. The obstacles should have a balance of vertical and spread obstacles. Closed combinations are not permitted. A water jump is not permitted, but a liverpool no wider than 1.8m (6ft.) with rails over the water is allowed.
4. Poles, which must be constructed of timber or have a solid wood core, and other parts of the obstacles are held up by supports (cups). The pole must be able to roll on its support; in this case the support for the top poles should have an ideal depth of 25 mm (1"), in any case the minimum depth is to be 20 mm ($\frac{3}{4}$ ") or a maximum depth of 30mm (1 $\frac{1}{4}$ "). For planks, balustrades, barriers, gates, etc. the supports must be more open or even flat, with a maximum depth of 13 mm ($\frac{1}{2}$ ").
5. The minimum length of the jumping element of an obstacle is 2.45m (8ft).
6. Within the limits shown in Appendix 2, at least one third of the obstacles shall be of maximum height, except for Beginner Novice and Novice Levels where there is no minimum requirements. The overall spread of an oxer may

be no more than 20cm (8") wider than the maximum height for that Division. The overall spread of a triple bar may be no more than 40cm (16") wider than the maximum height for that Division. **At Preliminary Championship Events, one vertical and one ascending oxer, not part of a combination, and preferably in the second part of the course, may be built 5cm higher than the maximum height allowed for that Division. BOD 1/16/16 Effective 12/1/16**

7. However, if it should happen that a maximum dimension has been marginally exceeded as a result of the material used for construction and/or by the position of the obstacle on the ground, the maximum dimensions laid down will not be considered as having been exceeded, **providing every effort has been made not to exceed the maximum dimensions specified in the Schedule with the material available.** On obstacles with sloping rails, e.g. Swedish oxers, fans, etc. two thirds of the length of the top poles must be within the maximum height for the Division. **BOD 1/16/16 Effective 12/1/16**

8. Vertical Obstacle

An obstacle whatever its construction can only be called vertical when all the parts of which it is composed are positioned in the same vertical plane on the take-off side. If a wall projects forward of this vertical plane, the Jury has to decide before the start of the competition if this is faultable. A take off box may be deemed by the Jury as decoration and not faultable. The same applies to the front element of a spread obstacle.

9. Spread obstacle

- a. A spread obstacle (oxer or triple bar) is an obstacle, which is built in such a manner that it requires an effort both in spread and in height. Only one pole may be used on the back of any spread obstacle. F.E.I. approved safety cups must be used as support for the back pole of all spread obstacles and in case of a triple-bar to support all centre and back poles of the obstacle.

10. Combinations

- a. Double or treble combinations mean a group of two or more obstacles, with distances between the elements of 7 m (23ft) minimum and 12 m (39ft 5") maximum which require two or more successive efforts. The distance is measured from the base of the obstacle on the landing side to the base of the next obstacle on the take-off side.
- b. In combinations, each element of the group must be jumped separately and consecutively, without circling around any element. Faults committed at any element of a combination are penalized separately.
- c. When there is a refusal, run-out, the competitor must retake all the elements.
- d. Penalties for faults made at each element and during different attempts, are counted separately and added together.
- e. In a combination obstacle a triple bar may only be used as the first element.

11. Alternative Obstacles

- a. Alternative obstacles are permitted. These jumps are to be marked on the course plan with the same number and the word 'Alternative'. The competitor has the choice of jumping either one of the obstacles.
- b. If there is a refusal or run-out without a knock-down or displacing of the obstacle, at the next attempt the competitor is not obliged to jump the obstacle at which the refusal or run-out occurred. He may jump the obstacle of his choice.
- c. If there is a refusal or run-out with a knock-down or displacing of the obstacle, he may only restart his round when the obstacle knocked down or displaced has been replaced and when the Ground Jury gives him the signal to start. He may then jump the obstacle of his choice.
- d. Red and white flags must be placed at each of the elements of these alternative obstacles.

EV150 Penalties

1. During a round, penalties are incurred for:
- Knocking down an obstacle (EV150.2)
 - A disobedience (EV150.4);

EV - EVENTING DIVISION

- c. A deviation from the course (EV150.5);
- d. A fall of a horse and/or competitor (EV150.9);
- e. Unauthorized assistance (EV151);
- f. Exceeding the time allowed or the time limit (EV152.2 and .3).

2. KNOCK DOWN

- a. An obstacle is considered to have been knocked down when, through a mistake of the horse or competitor:
 1. The whole or any upper part of the same vertical plane of it falls, even if the part which falls is arrested in its fall by any other part of the obstacle (EV150.3).
 2. At least one of its ends no longer rests on any part of its support.
- b. Touches and displacements of any part of an obstacle or its flags, in whatever direction, while in the act of jumping, do not count as a knock down. If in doubt the Ground Jury should decide in favor of the competitor. The knock down or displacement of an obstacle as a result of a disobedience is penalized as a refusal only. In the event of the displacement of any part of an obstacle, (except the flags), as a result of a disobedience, the bell will be rung and the clock stopped while the displacement is re-adjusted. This does not count as a knock down and is only penalized as a disobedience and corrected by time in accordance with article EV152.8.
- c. If any part of an obstacle, which has been knocked down is likely to impede a competitor in jumping another obstacle, the bell must be rung and the clock stopped while this part is picked up and the way is cleared.
- d. If a competitor jumps an obstacle correctly which has been improperly rebuilt, he incurs no penalty; but if he knocks down this obstacle he will be penalized.

3. VERTICAL AND SPREAD OBSTACLES

- a. When a vertical obstacle or part of an obstacle comprises two or several parts placed one above the other and positioned in the same vertical plane, only the fall of the top part is penalized. (EV149.8)
- b. When a spread obstacle which requires only one effort comprises parts which are not positioned in the same vertical plane, the fall of one or several top parts only counts as one fault whatever the number and position of the parts which have fallen. Trees, hedges etc. used as filling are not liable for penalties.

4. DISOBEDIENCES

- a. The following are considered as disobediences and are penalized as such (EV153):
 1. a refusal;
 2. a run-out;
 3. a resistance;
 4. a more or less regular circle or group of circles no matter where they occur on the course or for whatever reason. It is also a disobedience to circle around the last obstacle jumped unless the track of the course so requires.
- b. Notwithstanding the above, it is not considered to be a disobedience to circle for up to 45 seconds after a run-out or a refusal (no matter if the obstacle has to be rebuilt or not) to get into position to jump an obstacle;

5. DEVIATION FROM THE COURSE

- a. It is a deviation from the course when the competitor:
 1. does not follow the course as set out on the published plan;
 2. does not cross the starting line or the finishing line between the flags in the correct direction (EV154.2p and EV154.2f);
 3. does not jump the obstacles in the order or in the direction indicated,
 4. jumps or attempts to jump an obstacle which does not form part of the course or omits an obstacle. Obstacles not included in the course should be crossed but failure to do so by the arena party will not preclude the elimination of a competitor for jumping an obstacle not forming part of the course.
- b. An uncorrected deviation from the course incurs elimination (EV154.2 f.-j. and EV154.2p)

6. REFUSAL

- a. It is a refusal when a horse halts in front of an obstacle, which it must jump whether or not the horse knocks it down or displaces it.
- b. Stopping in front of an obstacle without moving backwards and without knocking it down followed immediately by a standing jump is not penalized.
- c. If the halt is prolonged, if the horse steps back, either voluntarily or not, even a single pace, it counts as a refusal.
- d. If a horse slides through an obstacle, the Judge in charge of the bell must decide immediately if it is to count as a refusal or as an obstacle knocked down. If he decides that it is a refusal the bell is rung at once and the competitor must be ready to attempt the obstacle again as soon as it has been rebuilt (EV152.8 and EV152.9)
 1. If the Judge decides that it is not a refusal, the bell is not rung and the competitor must continue his round. He is then penalized as for an obstacle knocked down.
 2. If the bell has been rung and the competitor jumps other elements of the combination in his stride, it does not entail elimination or any further penalty should he knock down this element of the combination.

7. RUN-OUT

- a. It is a run-out when the horse escapes the control of its competitor and avoids an obstacle, which it has to jump.
- b. When a horse jumps an obstacle between two red flags or between two white flags the obstacle has not been jumped correctly, the competitor is penalized as for a run-out and he must jump the obstacle again correctly.
- c. It is considered to be a run out and is penalized as such for a horse or any part of a horse to go past the extended line of an obstacle to be jumped, or of an element of a combination, or of the finishing line

8. RESISTANCE

- a. It is a resistance when the horse refuses to go forward, makes a halt for any reason, makes one or several more or less regular or complete half turns, rears or steps back for whatever reason.
- b. It is equally a resistance when the competitor stops his horse at any moment and for any reason, except in the event of an incorrectly rebuilt obstacle or to indicate unforeseen circumstances to the Ground Jury (EV152.9c(2)). A resistance is penalized as for a refusal except in the circumstances set out in rule EV154.3c.

9. FALLS

- a. A competitor is considered to have fallen when, either voluntarily or involuntarily, he is separated from his horse, which has not fallen, in such a way that he touches the ground or finds it necessary, in order to get back into the saddle, to use some form of support or outside assistance. If it is not clear that the competitor has used some form of support or outside assistance to prevent his fall, the benefit of doubt must be given to the competitor.
- b. A horse is considered to have fallen when the shoulder and quarters have touched the ground or the obstacle and the ground.

EV151 Unauthorized Assistance

1. Any intervention by a third party between the crossing of the starting line in the correct direction and the crossing of the finishing line after jumping the last obstacle, whether solicited or not, with the object of helping the competitor or his horse is considered to be unauthorized assistance.
2. Any form of unauthorized assistance received by a mounted competitor between the starting line and the finishing line will be penalized by elimination at the discretion of the Ground Jury.
 - a. In certain exceptional cases, the Ground Jury may authorize the competitor to enter the arena on foot or with the help of a groom without this being considered as unauthorized assistance.
 - b. Any help given to a mounted competitor to adjust his saddlery or bridle or to hand him a whip while mounted during the round will incur elimination. To hand a mounted competitor his headgear and/or spectacles during his round is not considered to be unauthorized assistance (EV154.2s)

EV - EVENTING DIVISION

- c. The act of officials or other persons of warning a competitor of a deviation from the course constitutes unauthorized assistance. In this event the competitor may be eliminated at the discretion of the Ground Jury and the official or other persons may be subject to a penalty at the discretion of the Ground Jury.

EV152 Time

1. The time of a round, recorded in seconds and in tenths of a second, with parts of a second counting as the next whole second (e.g. 60.2 seconds is recorded as 61 seconds), is the time taken by a competitor to complete the round, plus the time correction (EV152.8) if any.
 - a. It starts at the precise moment when the mounted competitor passes the starting line in the correct direction providing the starting signal has been given, or at the moment 45 second count-down expires. It extends to the moment when the mounted competitor crosses the finishing line in the correct direction, after having jumped the last obstacle.
 - b. Supported by one manual timer, electronic timing is strongly recommended for all National Divisions.
 - c. If electronic timers are not used, two manual timers, one of which is to be in line with both the start and finish lines, and has direct contact with the Jury, are required for all divisions.
2. TIME ALLOWED
 - a. The time allowed for a round in each competition is determined in relation to the length of the course and the speeds laid down under Annex 2.
3. TIME LIMIT
 - a. The time limit is equal to twice the time allowed for all competitions in which a time allowed has been laid down.
4. TIME ADJUSTMENT
 - a. The time allowed may be adjusted at the sole discretion of the judge(s), if they feel that a gross error in the measurement of the course has been made. This change may occur only after consultation with the course designer and technical delegate. Adjustment of the time allowed may never occur later than after the completion of a third round without disobedience. The time allowed may never be lowered resulting in the awarding of time faults to any competitors having ridden prior to the change without disobedience.
5. REFERENCE TIMES.
 - a. The Time Allowed should be announced prior to the start of the class. After the first three competitors, to complete the class, without disobedience, have completed their rounds, the Time Allowed and their times should be announced jointly. In cases where there is no electronic read out board, or it is not visible to riders in the in-gate area, the reference times for all the competitors in the class should be announced, along with their score.
6. INTERRUPTED TIME
 - a. While the clock is stopped, the competitor remains free to move around until the ringing of the bell gives him permission to start again. The clock is restarted when the competitor reaches the place where the clock was stopped. Exception, in the case of a disobedience with a knock-down EV152.9 applies.
 - b. The responsibility for starting and stopping the clock rests solely with the judge in charge of the bell. The time-keeper may not be made responsible for this function.
7. DISOBEDIENCES DURING INTERRUPTED TIME
 - a. The time of a round is interrupted only under the provisions of articles EV152.9 and EV152.10. The clock is not stopped in the event of a deviation from the course, a run-out or a refusal.
 - b. Disobediences are not penalized during interrupted time, except for the 2nd refusal following a refusal with a knockdown.
 - c. The provisions concerning elimination remain in force during interrupted time.
8. TIME CORRECTIONS
 - a. (Preliminary, Intermediate & Advanced) If, as the result of a disobedience, a competitor displaces or knocks

down any obstacle, the bell is rung and the clock is stopped until the obstacle has been rebuilt. When the obstacle has been rebuilt the bell is rung to indicate that the course is ready and that the competitor can continue the round. The competitor is penalized for a refusal and a time correction of 6 seconds is added to the time taken by the competitor to complete his round. The clock is restarted at the moment when the horse leaves the ground at the obstacle where the refusal occurred. If a disobedience with the knock-down occurs at the second or subsequent part of a combination the clock is restarted when the horse leaves the ground at the first element of the combination.

- b. (Training Level and below) If, as the result of a disobedience, a competitor displaces or knocks down any obstacle, the bell is rung and the clock is stopped until the obstacle has been rebuilt. When the obstacle has been rebuilt the bell is rung to indicate that the course is ready and that the competitor can continue the round. The competitor is penalized for a refusal and a time correction of 6 seconds is added to the time taken by the competitor to complete his round. The clock is restarted at the moment when the horse leaves the ground at the obstacle where the refusal occurred or a second disobedience (w/o knockdown) occurs. If a disobedience with the knock-down occurs at the second or subsequent part of a combination the clock is restarted when the horse leaves the ground at the first element of the combination.

9. STOPPING DURING THE ROUND

- c. In the event of a competitor not being able to continue his round for any reason or unforeseen circumstance, the bell should be rung to stop the competitor. As soon as it is evident that the competitor is stopping, the clock will be stopped. As soon as the course is ready again, the bell will be rung, and the clock will be restarted when the competitor reaches the precise place where the clock was stopped.
- d. If the competitor does not stop when the bell is rung, he continues at his own risk, and the clock should not be stopped. The Ground Jury must decide whether the competitor is to be eliminated for ignoring the order to stop, or whether, under the circumstances, he should be allowed to continue. If the competitor is not eliminated, and is allowed to continue his round, the scores obtained at the obstacles preceding and following the order to stop will count whether they are good or bad.
- e. If the competitor stops voluntarily to signal to the Ground Jury that the obstacle to be jumped is wrongly built or if due to unforeseen circumstances beyond the control of the competitor, he is prevented from continuing his round under normal circumstances, the clock must be stopped immediately.
1. If the dimensions are correct and the obstacle in question has been properly built or if the so-called unforeseen circumstances are not accepted as such by the Ground Jury, the competitor will be penalized as for stopping during the round (EV150.8a) and the time of his round will be increased by 6 seconds;
 2. if the obstacle or part of the obstacle needs to be rebuilt or if the unforeseen circumstances are accepted as such by the Ground Jury, the competitor is not penalized. The time of the interruption must be deducted and the clock stopped until the moment when the competitor takes up his track at the point where he stopped. Any delay incurred by the competitor must be taken into consideration and an appropriate number of seconds deducted from his recorded time.

EV153 Faults

1. Faults made between the starting line and the finishing line must be taken into consideration.
2. Disobediences committed during the time when the round is interrupted (EV152.7) are not penalized.
3. Disobediences, falls etc., occurring between the signal to start and the moment the competitor crosses the starting line in the correct direction, are not penalized.
4. Faults are penalized in penalty points or by elimination as set out in this section (EV153).

EV154 Eliminations

2. The following paragraphs lay down the reasons for which competitors are eliminated from the jumping competition; the Ground Jury in the following cases must apply elimination:
 - a. jumping or attempting to jump an obstacle in the arena before the start of the round.

SUBCHAPTER EV-4 RULES FOR EVENTS

(SEE ALSO APPENDIX 8)

EV155 Three-Day Events—Introduction

1. DEFINITION. The Three-Day Event comprises three distinct Tests, taking place on separate days, during which a competitor rides the same horse throughout, namely:
 - a. A Dressage Test spread over one or more consecutive days, depending on the number of competitors, directly followed on the next day by
 - b. A Cross-Country Test comprising four Phases
 1. Phases A and C—Roads and Tracks
 2. Phase B—Steeplechase
 3. Phase D—Cross-Country Obstacles directly followed on the next day by
 - c. A Jumping Test
2. CATEGORIES. Categories indicate the extent of foreign participation in a Three-Day Event. The four categories of Three-Day Events are:
 - a. National Three-Day Event (CCN)
 - b. International Three-Day Event (CCI)
 - c. Official International Three-Day Event (CCIO)
 - d. International Championship Three-Day Event (CH)
3. LEVELS. The levels of Three-Day Events are indicated by stars. The four levels of Three-Day Events are:
 - a. Training Three-Day Event - An educational introduction to the Three-Day Event at the Training Level.
 - b. One Star (*)—An introduction to the Three-Day Event for competitors and horses.
 - c. Two Star (**)—For competitors with some experience in Three-Day Events on horses just beginning International competition.
 - d. Three Star (***)—For competitors and horses with some International experience.
 - e. Four Star (****)—For experienced and successful combinations of International competitors and horses.
4. All Three-Day Events in the United States will be denoted by their Category and their Level, for example: a CCN** is a National Three-Day Event at the Two Star Level. Events limited to Seniors are indicated by the letters noted above, for example: a CCN***. Events limited to Young Riders are indicated by the addition of the letter "Y", for

example: CCN-Y**. Events limited to Juniors are indicated by the addition of the letter "J", for example: CCN-J*.

EV156 Three-Day Events - Rules

1. INTERNATIONAL THREE-DAY EVENTS. These competitions are conducted strictly in accordance with the FEI Rules for Three-Day Events, the FEI General Regulations, and the FEI Veterinary Regulations.
2. NATIONAL THREE-DAY EVENTS. These competitions are conducted in accordance with the USEF Rules for Eventing and the additions and exceptions noted below. Guidance and clarifications of procedure may be found in the FEI Memorandum for Eventing.

Training Three-Day Events are conducted under the same rules as National Three-Day Events and include a central emphasis on education of horse and rider, including permission for supervised schooling over parts of the course prior to the start of the test.

3. OFFICIALS

- a. The Ground Jury, Technical Delegate, Course Designer, Veterinary Commission of a CCN shall be appointed in accordance with Chapter Six.
- b. National and International Competitions at the same Event - The International Technical Delegate may be used for the National competition provided he is licensed by the Federation, otherwise separate Technical Delegates must be appointed. The same Ground Jury, Course Designer and Veterinary Commission may be used for both competitions, provided that they are licensed to officiate at the applicable level.
- c. Approval—All Three-Day Events, including International and National Three-Day Events, must be approved by the Federation Eventing Committee. Specifically, this approval shall include the date and site of the Event, the Ground Jury, the Technical Delegate, the Course Designer, and the Veterinary Commission. For proposed new Three-Day Events, additional information may be requested.

4. CLASSIFICATION. Individual Final Classification

- a. The winning individual is the competitor with the lowest total of penalty points, after adding together, for each competitor, the penalty points incurred.
- b. In the event of equality between two or more competitors, the classification is decided by:
 1. The best cross-country obstacle score including faults at obstacles and time penalties.
 2. If there is still equality, the classification is decided in favor of the competitor whose cross-country time was closest to the optimum time.
 3. There is still equality, the competitor with the best Jumping score (time & obstacles)
 4. If there is still equality, the competitor with the best time (fastest) in the Jumping Test
 5. If there is still equality, the classification will be decided in favor of the competitor with the best percentage score in the Dressage Test.
 6. If there is still equality the tie will remain in the Final Classification

5. INSPECTION & EXAMINATION OF HORSES Examination upon Arrival

- a. This takes place on the arrival of horses at the stables of the event. It is performed by a qualified veterinarian, appointed by the Organizing Committee. The object is to establish first each horse's identity and second, each horse's state of health (but not its soundness). The Organizing Committee must fix the place and timetable for this examination in agreement with the Veterinary Delegate and inform in advance the Chefs d'Equipe and/or the individuals. Doubtful cases must be reported to the Ground Jury as soon as practicable and, in any case, before the First Horse Inspection.
- b. First Horse Inspection
- c. This takes place before the Dressage Test, normally the day before. It is conducted by the Ground Jury and the Veterinary Delegate acting together as a committee with the President of the Ground Jury in charge. The horses must be inspected in hand, at rest and in movement on a firm level, clean but not slippery surface. The

committee has the right and the duty to eliminate from the competition any horse that they judge is unfit, whether on account of lameness, lack of condition or for any other reason. In a doubtful case the Ground Jury may direct that the horse be put in an officially supervised holding area for examination by the Associate Veterinarian. He will report any findings to the Ground Jury and the Veterinary Delegate, prior to the horse being re-inspected by the committee, should the rider decide to represent the horse. Horses in the holding area will be under the supervision and control of the Associate Veterinarian. In the event of equality of votes within the committee, the President of the Ground Jury will have a second and casting vote, and the decision will be announced immediately.

d. Second Horse Inspection

e. This takes place after Phase C, during the Ten minute halt before the start of Phase D. It is conducted by a member of the Ground Jury and by the Veterinary Delegate. The inspection must be performed carefully but also as rapidly as possible in order to allow each horse as much time as possible for rest and recuperation. The committee has the right and the duty to eliminate from the competition any lame or exhausted horse. At least one member of this committee should have participated at the First Horse Inspection. In the event of equality of vote within the committee, the member of the Ground Jury will have the casting vote.

f. Examination after Cross Country Obstacle Test

g. This takes place after the competitor has finished the Cross Country. It is conducted by a qualified veterinarian appointed by the Organizing Committee in agreement with the Veterinary Delegate. In addition to carrying out any immediate treatment required by an injured or exhausted horse, this veterinarian will decide if each horse:

1. is fit to return immediately on foot to its own stable,
2. should remain for further treatment before returning to its stable,
3. should be transported by vehicle (which must be available) either directly to its stable or to a veterinary hospital. This veterinarian has no authority to eliminate any horse from the competition, but must report any doubtful case to the Ground Jury and to the Veterinary Delegate.

h. Third Horse Inspection

i. This takes place before the Jumping Test. It is conducted by the same committee and under the same conditions as the First Horse Inspection.

j. Appeal

k. At the three inspections where a horse may be eliminated from the competition, there can be no appeal against the decision of the committee concerned. However, if requested, the president must give a reason for the committee's decision after the completion of the whole inspection. The Veterinary Delegate will be a member of the committee present at these three horse inspections.

l. During the Competition

m. At any other time during the competition, any individual member of the Ground Jury has the right and the duty to eliminate any horse, which in his opinion is lame or unfit to continue.

n. Public

o. The Horse Inspections shall be open to viewing by the public.

p. If a CCN and CNC area held together at the same venue, a horse that is not accepted at the CCN inspection cannot start in the CNC competition.

6. Explanation of Independence of Phases

a. Phases A, B, C & D are quite independent of each other as far as the timekeeping is concerned. Loss of time in one cannot be compensated for by gain of time in another.

b. The timetable will provide for the competitor to start Phase B, one minute after he is due to finish Phase A.

1. If the competitor is early or late finishing Phase A, the One-minute break will be increased or decreased accordingly. For example, if a competitor finishes Phase A 15 seconds early, his break will be 1 minute 15

EV - EVENTING DIVISION

seconds; if he finishes Phase A 20 seconds late, his break will be 40 seconds.

2. If a competitor is so late finishing Phase A that he cannot start Phase B on time, he will be started on Phase B as soon as possible (no allowance being made for adjustments to saddlery, etc.). The optimum time for Phase B will start from the actual time the starter instructs him to start.
 3. The competitor who is late finishing Phase A need not attempt to regain the time lost, since the time is penalized on Phase A only.
- c. The finishing time of Phase B is also the starting time of Phase C.
1. Gain of 30 seconds on Phase B does not give the competitor an additional 30 seconds to complete Phase C. The optimum time of Phase C is not affected by the gain or loss of time on Phase B.
 2. The gaining of any time on Phase B and/or Phase C will result in additional resting time added to the Ten-minute compulsory halt provided for the Second Horse Inspection before the start of Phase D.
 3. The loss of any time on Phase B and/or Phase C will not reduce the Ten-minute compulsory halt except as provided below. The competitor's starting time for Phase D will have to be adjusted.
- d. It is possible that a competitor might exceed the optimum time on one or more phases. Normally, the starting time of Phase D will be delayed by the sum of any time lost less the sum of any time gained. However, if this delay is small (i.e. the competitor was only a few seconds late finishing Phase C), the competitor may be started on Phase D at his scheduled time, in order not to interfere unduly with the timetable.

7. TIME.

- a. Time Limit—On Phases A and C, the time limit is one fifth more than the optimum time. On Phase B, the time limit is twice the optimum time.
- b. Time Faults—On Phases A and C, exceeding the optimum time will be penalized at 1.0 penalty point per second. On Phase B, exceeding the optimum time will be penalized at the rate of 0.8 penalty point per second.

8. PACE AND DISMOUNTING. Between the starts and finishes of Phases A and C, competitors are free to choose their own pace. They may dismount and proceed on foot beside their horse at any time, including while negotiating compulsory passages, except that they must be mounted to pass through the start and finish flags of both Phases. The rules for pace and dismounting on Phase B are the same as those for the Cross-Country Test of a Horse Trial.

9. MARKING OF THE COURSE.

- a. Compulsory Passages on Phases A, B and C, shall be marked with the relevant letter of the Phase and numbered consecutively from the start of the Phase.
- b. Kilometer Markers—The routes of Phases A and C will be marked at intervals of 1000 meters by signs. The signs shall indicate the distance from the start of the Phase and shall include the letter of the Phase.

10. FAULTS. Faults on steeplechase shall be scored in accordance with EV141.1.

11. ASSISTANCE. At the start of Phase B and of Phase D, and at any other point determined and announced by the Organizing Committee, it is permitted to assist the competitor and to attend to his horse (groom, water, etc.).

EV177 Additional Officials

1. **STEWARDS.** It is very important that the regulations concerning abuse, rapping, exercising, whips and spurs, are properly enforced in accordance with Rules EV108, EV111, EV114 and EV115. Organizers should appoint an appropriate number of stewards with distinctive badges. They shall have access during the competition to every part of the stables, tack rooms, exercise areas, collecting rings, the arenas and all other areas under the control of the Organizing Committee. These stewards shall be responsible to the Technical Delegate. All irregularities shall be reported to the Ground Jury.
2. **OFFICIALS AT OBSTACLES AND STOPPING POINTS.** One or more officials, who are responsible for scoring, pertinent rule enforcement, and emergencies at their obstacle(s), must be stationed near each obstacle and compulsory passage. They may be authorized to cover more than one obstacle or compulsory passage, with the approval of the Technical Delegate. If appropriate, stopping points may also be designated. One or more officials must then be stationed at these points as well.

APPENDIX 1 - LEVELS OF HORSE TRIALS

While the following is meant as a basic framework, please refer to Cross Country Guideline for more detailed and comprehensive details for the cross-country and jumping phases.

1. **Beginner Novice**—The Beginner Novice level is designed to introduce green horses and riders to Horse Trials, combining dressage, cross-country and Beginner jumping tests. It is for competitors and horses that have already had experience in schooling competitions in all three disciplines. The entire experience should be safe, inviting and educational to build confidence and a desire to progress. Competitors should be prepared to do a walk, trot and canter dressage test with 20-meter figures and a halt. The cross-country shall include simple, straightforward obstacles, solid in appearance, with true ground lines. The course should start with the simplest of jumps, such as a log with brush ground line, and gradually progress to bigger logs, coops and small tables with a sloping face, and other natural and inviting obstacles. Water crossings, if included, should be simple and inviting in nature with consideration for an alternate jump next to it (a simple log), when possible, which could provide an option to those not ready to cross water. There must be no jumps before or after a water crossing within six strides before and four strides after. A small step up but not down may be included. Ditches, if included, must be natural in appearance with a generous take off log along with consideration for an optional jump alongside the ditch for those not ready to jump a ditch. The track of the course must be devoid of sharp turns, be inviting in nature, and encourage horses and riders to learn to gallop across country in rhythm with confidence. The course may include one combination of 2 or 3 strides in a straight line. The jumping course should be inviting and straightforward, preferably with lines of six strides or more and may include only one double of two strides which may include only one oxer.
2. **Novice**—The Novice Level is a continuing introduction to Horse Trials. It is designed for competitors and horses with some experience at lower levels or for experienced riders and horses new to the sport. The dressage will not differ greatly from Beginner Novice. The cross-country should invite bold, forward movement involving galloping in

balance and jumping out of stride. Combinations may include: obstacles on a two stride line, and an obstacle after a ditch at no less than two strides. Steps in combination may include: a step up followed by a step down at two strides, two steps up at two strides, or an obstacle after a step up at two strides. Waters may incorporate a simple jump out of water. **The obstacles will be more substantial and may include a drop, a double, and a simple obstacle out of water.** At such obstacles, the exit shall not be revetted. Individual obstacles may include: a simple log trakeher, or a double brush. The jumping course should be inviting and straightforward, preferably with lines of six strides or more and shall include only one or two doubles of two strides. Each combination may include only one oxer.

BOD 11/7/16 Effective 12/1/16

3. Training—The Training Level is an elementary examination of competitors and horses with some experience and training. The dressage test may ask for further development of the basic gaits, including lengthening at the trot and canter, as well as 10-meter trot and 15-meter canter figures. The cross-country should include questions that are becoming more sophisticated in nature, while remaining positive and inviting. Combinations may include: obstacles on a one stride line, a simple corner, and an obstacle before or after a ditch at two strides. Steps in combination may include: a step down followed by a step up at two strides, two steps down at one stride, two steps up at a one stride distance, or obstacle after a step up at one stride. Water may include a jump into water or a jump out of water. Individual obstacles may include: a simple obstacle jumped from water to water (provided this water jump does not include jumps into or out of water), a ditch/brush, a ditch/wall and a picture frame over a vertical. The jumping course must include either (i) two doubles; or (ii) simple triple combination in the second part of the course with only one oxer. If the oxer is at the “b” or “c” parts of any combination it should be set on two strides. The course should introduce simple technical questions with some related jumps on five strides or more. If a liverpool is used it must be built as a vertical over the center of the liverpool tray and a straight forward alternative jump must be offered.
4. MODIFIED - The Modified Level is for the training level horse with the intent on progressing to the Preliminary level. The dressage may include medium paces at trot and canter, as well as the introduction of leg yielding, and changes of lead through trot. The cross-country course should introduce tests of accuracy, agility and boldness, control, judgment and jumping ability. Combinations should be more complex than training but still be obvious and inviting to the horse. Obstacles should now involve angled lines, corners, varied terrain and combinations with water or narrow fences. The show jumping course shall include two doubles, or a double and a triple combination. If a triple combination is used, it should be in the second part of the course and with only one oxer. It should be more technical than the training level with any related jumps on five strides or more.
5. Preliminary—The Preliminary Level is a moderate examination of competitors and horses in a regular training program preparing for One Star Events. The dressage test may include medium paces at the trot and canter, as well as the introduction of leg yielding, shoulder in, rein back, and changes of lead through the trot. The cross-country should include tests of accuracy, agility, boldness, control, judgment and jumping ability. Obstacles may now include angled lines, corners, simple bounces, slopes, and combinations involving water or narrow fences. The jumping course must include either (i) two or three doubles; or (ii) a double and a triple combination. The jumping course should be more technical than the Training Level and may require lengthening or shortening of stride.
6. Intermediate—The Intermediate Level is an examination of increasing technical difficulty, preparing competitors and horses for Two Star Events. The dressage test may include canter to halt and walk to canter transitions, as well as turns on the haunches, simple changes, and counter canter. The cross-country should now combine in more elaborate settings the tests introduced at the Preliminary Level, such as combinations with more than one question to be solved. Obstacles to be expected include banks, ditches, or water with narrow elements, a bounce combined with other elements, or corners in a combination. The jumping course must include either (i) a double and a triple combination; or (ii) three doubles, with more related distances, and technical questions than the preliminary.
7. Advanced—The Advanced Level is the highest national level of Horse Trials. It offers tests of significant difficulty

EV - EVENTING DIVISION

designed to prepare competitors and horses for either Three or Four Star Events. The dressage test may include extensions in all three paces, half pass at the trot and canter, and single flying changes. The cross-country should be clearly a test of boldness and scope as it now combines size with technical difficulty. Combinations with multiple questions are to be expected, such as bounces into water, coffins with short distances or significant slopes, and bending lines or related distances between narrow questions. The jumping course must include either (i) a double and a triple combination; or (ii) three doubles. The jumping course must be the most technical Division of the national competition.

As Horse Trials at the Preliminary, Intermediate and Advanced Levels are designed to prepare competitors and horses for Events, it is reasonable to assume that dressage tests, courses and obstacles, earlier in a season will be more straightforward than those used later in a season, closer to the goal Event. As Horse Trials at the Novice and Training Levels are not tied to such goals, it is reasonable to assume that they will offer variety without increasing in difficulty as a season progresses. *BOD 1/16/16 Effective 12/1/16*

33. RANGE OF TROT FOR ENGLISH AND DRIVING HORSES. Range of motion varies for the different English and Driving classes. This section is intended to show the relationships between motions in these classes. This

FR - FRIESIAN DIVISION

description is not intended to set a literal standard. Motion is just one part of a horse's performance, which includes many other components of evaluation. Motion involves proper balance between the front and the rear end. Significant rear-end engagement and impulsion are equally important parts of a horse's overall motion. Regardless of the height of the trot, a horse should show a rhythmic, cadenced gait with adequate suspension and freedom of movement, versus a tight, "trappy" movement.

Country English Pleasure Saddle Seat – Country Pleasure Driving:

Trot - a two-beat gait. To be an overall balanced, relaxed, easy-going trot with elasticity and freedom of movement. High action MUST be penalized. Posting is required. The trot is a two-beat diagonal gait in which opposite fore and hind feet hit the ground together. The trot must be balanced, cadenced, free moving and easy, with rhythm and drive. The trot should show power and elegant carriage with strength from the hindquarters while moving in an easy, ground covering, natural manner. The trot should never look forced, labored or artificial. High Action MUST be penalized at the normal trot and strong trot. High action is defined as an intensified and ambitious manner of moving forward with collection in an upright frame with balance created by a round, supple back with substantial engagement of the hind limbs. There is a raising of the front end of the horse's torso as a result of the hind limb thrust, which propels the horse upward, and forward energetically with determination and deliberate power with the forelegs breaking at or above level.

English Pleasure Hunter Seat – Sport Pleasure Driving:

Trot - A two beat gait: Straight and regular. The trot should be mannerly, cadenced, and balanced. To be performed at a medium speed with a free moving, long, ground covering, efficient stride that is not short, high, round, or choppy. Rider is to post the trot. The trot is a two-beat diagonal gait in which opposite fore and hind feet hit the ground together. The hunter's trot must be free flowing, balanced and cadenced with rhythm and drive. The hunter's trot should give the appearance of strength and ease of gait, a picture of elegance as the horse swings its front legs forward, through the shoulder, with each step and stretches for the ground. The hocks should bend and the hind legs should reach well under the belly, the steps reaching over the foot print of the front foot, showing power and suspension, giving the appearing of gliding over the ground. Speed is not a factor; the trot should never be hurried. Exaggerated action, (this doesn't just mean English type action, but up and down rolling motion from the knees rather than a swing through the shoulder for reach), quick, stiff or short-strided movement must be penalized. Horses trotting too fast to maintain balance and cadence should also be penalized.

English Pleasure Saddle Seat/EQ – Show Pleasure Driving:

Trot - a two-beat gait: to be performed at medium speed with moderate collection. The normal trot must be mannerly, cadenced, balanced and free moving. Posting is required. The trot is a two-beat gait in which opposite fore and hind feet hit the ground together. The trot must be balanced, cadenced, free moving and easy with rhythm and drive. The trot should show elegant carriage and strength from the hindquarters, lift and elevation through the horse's whole front end, not just the front legs. The trot should show equality of movement front end and rear end. The trot should never look forced, labored or artificial. Moderate collection in the English pleasure horse allows for higher action or knee elevation and a greater drive or thrust from the hindquarters. Through moderate collection the English pleasure horse displays higher action or knee lift because the hindquarters step further under the horse's body, lifting the forehand and allowing the horse to lift its shoulders and knees.

Park – Fine Harness:

Trot: a two-beat gait. Animated, natural and cadenced, with impulsion and power from behind, the front airy and light. The animated natural trot is extremely bold and brilliant, characterized by free shoulder action. The trot should appear effortless and be executed willingly with apparent ease. The horse is to have leg flexion with extension, (foreleg extending fully forward at full stretch with airy motion combined with hock action that is powerful and well raised, the hind leg being brought forward with a driving stride). The action should be balanced and cadenced. Loss of form due to excessive speed shall be penalized. The trot should be a true two-beat diagonal gait. Mixed gaits,

pacing or racking must be considered major faults. The trot should be a cadenced gait performed with brilliance. It should be a powerful gait with its energy originating from the hindquarters. The front end of the horse should be elevated with equal motion in both front limbs. There should be an extreme degree of collection with the horse maintaining balance. Loss of form due to extreme speed should be penalized. Each horse should perform at the rate of speed that allows him or her to maintain cadence, balance and form.

FR102 Falls

1. The fall of horse and/or rider does not disqualify the competitor unless due to bad manners of the horse. Exceptions: Show Hack, Western Pleasure and Trail.
2. A fall in the Show Hack, Western Pleasure and Trail class requires elimination.

FR103 Shoeing and Hoof Specifications

1. General
 - a. Horses 2 and over may be shown shod or barefoot.

If the shoe gauge is used and these borium pieces are attached, the overall dimension of the shoe will either exceed the limit or be ultra thin.
4. Pads and Wedges
 - a. Corrective shoeing with a wedge and artificial hoof material shall be permitted in the show ring when applied to

FR104 Conformation for all horses

(Refer to In Hand section for exceptions to the general conformation rules)

1. Conformation

- a. The head is relatively short and the width is proportional to the length. The ears are small and alert with the tips pointing slightly toward each other. The eyes are large and shining. The nasal bone is slightly hollow or straight; nostrils are wide. The lips are closed and the teeth meet properly. The jaw bones are not heavy and are spread wide apart to allow the horse to breathe easily while at work. The head is set gracefully on the neck with adequate space for the throat. Overall, the head is dry and expressive and blends smoothly into the neck.
- b. The neck is lightly arched at the crest. It is long enough for the horse to bend properly and is adequately muscled. The neck is set on high and the lower neckline does not bulge between the throat and the chest.
- c. The withers are well developed, prominent and, in particular, blend gradually into the back.
- d. The back is not too long and is well muscled. A slightly low back is allowed.
- e. The loin is wide, strong and well muscled and makes a smooth transition into the croup.
- f. The croup is of good length and slopes slightly downward; it is wide and muscular. It neither forms a point nor is overly rounded.
- g. The tail is not set on too low.
- h. The gluteal muscle is long and well developed.
- i. The shoulders are long and sloping and are set widely enough apart to form a good chest, which is neither too wide nor too narrow.
- j. The ribs are long and curved, supplying ample space for the heart and lungs, without being rotund. The belly maintains sufficient depth towards the rear.
- k. The legs—The forelegs are properly positioned and when viewed from the front, are set parallel with a hoof-width of space at the ground. Viewed from the side, they are perpendicular down through the fetlock joint. The cannon bone is not too long; the forearm, however, has good length. The pastern is resilient, of good length and is at a 45 degree angle to the ground. The hooves are wide and sound.
- l. The hind legs, viewed from the rear, are straight. Viewed from the side, the legs are set directly under the hind quarters and are strong with good, sound hooves.
- m. The hind cannon is a little longer than in front; the gaskin is long, with well developed muscle. The angle at the hock is approximately 150 degrees; the rear pasterns are at a 55 degree angle to the ground.
- n. The joints in the legs are dry, well-developed, and provide a good foundation for the tendons and ligaments.
- o. The body overall appearance is more nearly a rectangle than a square. When the shoulder is long and sloping, the back is not too long, and the croup is of adequate length, the ratio of fore-, middle- and hind quarters can be an ideal 1:1:1. The horse is neither too massive nor too light.

6. At the discretion of the judge, horses while on the rail may be asked to halt and rein-back.
7. A Show Hack horse is not necessarily a Dressage horse, nor an English Pleasure horse. Elevation and high knee action are not to be emphasized. FR150 Qualifying Gaits

1. A Show Hack shall be able to perform all of the gaits with a noticeable transition between the normal, collected, and extended gaits. The horse must be under complete control and easily ridden. Obedience to the rider is of prime importance. If the horse exhibits clear transitions in a balanced and level manner, appearing to be giving a comfortable and pleasurable ride, he is performing correctly for this class.
2. Walk, a four-beat gait: Straight, true and flat-footed. Normal Walk: Regular and unconstrained, moving energetically and calmly forward. Collected Walk: Strides are shorter and higher than at the normal walk. The head approaches the vertical, but should never move behind it. Pacing is a serious fault. Extended Walk: The horse is allowed to lengthen frame and stride while rider maintains light rein contact. The horse should cover as much ground as possible without rushing.
3. Trot, a two-beat diagonal gait: Free-moving, straight, rider maintaining light contact with horse's mouth at all times. Normal Trot: Light, crisp, balanced and cadenced, with rider posting. Collected Trot: The horse's stride is shorter and lighter, maintaining balance and impulsion. The neck is more raised and arched than at the normal trot as head approaches the vertical line, never moving behind it. Rider is sitting. Extended Trot: Maintaining the same cadence and performing at medium speed, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider's hand as it lengthens its frame. The extended trot may be performed with the rider sitting or posting.
4. Canter, a three-beat gait: Straight on both leads, smooth. Normal Canter: Light, even strides, should be moved into without hesitation. Collected Canter: Marked by the lightness of the forehand and the engagement of the hindquarters, the collected canter is characterized by supple, free shoulders. Neck is more raised and arched than in normal canter as the head approaches the vertical line, never moving behind it. Extended Canter: Maintaining the same cadence, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider's hand as it lengthens its frame.
5. Hand Gallop: The hand gallop is performed with a long, free, ground covering stride. The amount of ground covered may vary between horses due to difference in natural length of stride. The distinction between hand gallop and extended canter is, the latter being the ultimate linear extension of stride within the hand of the rider; the hand gallop being a looser, freer elongation of stride and frame of the horse. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct, and straight on both leads. Extreme speed to be penalized.

FR151 Class Specifications

CHAPTER HJ HUNTER/JUMPER COMPETITIONS STANDARDS

IN ADDITION TO THE REQUIREMENTS SET FORTH IN THIS CHAPTER ADDITIONAL RULES RELATING TO FEDERATION HUNTER AND JUMPER COMPETITIONS ARE LOCATED IN OTHER CHAPTERS OF THE FEDERATION RULE BOOK specifically, GR, HU, EQ, and JP.

Pursuant to GR 150.1, when a division or section rule is in conflict with a general rule (GR), the division or section rule shall govern.

In the event that a standard within this section exceeds the requirement in other Federation rules, the higher standard is applicable.

SUBCHAPTER HJ-1 INTRODUCTION TO HUNTER/JUMPER COMPETITION

STANDARDS TYPES

Hunter Jumper Competition Standards, set forth below are established to provide consistency in the quality of facilities and services offered in Federation hunter and jumper competitions.

HJ100 Types of Standards and Application

1. Distinguish HJ Competition Standards (HJS) and Basic Standards from Other Federation Standards. The reference to standards can occur in relation to separate and distinct sets of requirements.
 - a. Federation Standards which are applicable to multiple situations, disciplines, procedures and/or competitions.
 - b. Federation H/J Competition Standards (HJS) which are applicable only to Federation Rated licensed H/J competitions or H/J sections of multi-breed competitions.
 - c. Basic Standards set forth in HJ 100 to 105 applicable to both Rated and Local HJ competitions.

2. When Standards Are In Conflict.

In the event that a HJS within this section exceeds the requirement in other Federation rules or Standards the higher standard is applicable.

3. HJS Application to Multi-Breed and Breed Restricted Competition Standards.

HJS apply only to the H/J portions of a multi-breed competition and are not applicable to breed restricted competitions.

4. Standards Application.

- a. All hunter competitions fall into one of the following classifications: Premier, National, Regional I, Regional II or Local.
- b. All jumper competitions fall into one of the following classifications: Level 1, Level 2, Level 3, Level 4, Level 5 or Level 6.

For purposes of this chapter, hunter and jumper competitions are considered a single discipline and subject to the same HJS or Basic Standards where applicable.

5. HJS and Basic Competition License Renewal & Fines.

Standards are used as part of the evaluation process for the licensing of competitions. Failure to achieve and to maintain required Standards will be considered a major factor in the decision to renew or not renew a license and/or a rating. Unless the violation of HJS is intentional and/or is related to horse and human safety and welfare no fines relating to HJS standards will be assessed, other than those fines specified in the Federation rules (i.e. Sharps containers \$100 and et cetera).

6. Exemptions from HJS.

A single competition may receive a one time specific exemption by the Federation for application of the HJS due to unforeseen and/or extenuating circumstances (see ring size exemption provision H/J 102). Exemptions are not permanent and do not modify the requirement to meet the HJS in the future.

7. Other References.

In addition to the requirements set forth in this chapter, additional rules relating to Federation hunter and jumper competitions are located in other chapters of the Federation rule book specifically, GR, HU, EQ, AND JP. Pursuant to GR 150.1, when a division or section rule is in conflict with a general rule (GR), the division or section rule shall govern.

HJ101 Effective Dates for Standard Application

1. Existing Licensed H/J Competitions including Heritage Competitions eligible for renewal on or after 12-01-2011 unless stated otherwise in the HJS, must meet applicable HJS for their Rating. See HJ202 Horse Entry Number HJS.
2. All new competitions must meet applicable Basic Standards and HJS for their Rating. See HJ202 Horse Entry Number HJS.
3. Effective date for changes to HJS.

Any changes or additions to HJS, unless stated otherwise in the HJS being adopted, must be achieved by a competition effective the first of the month that is 12 months following the date of the Federation's adoption of the HJS or a later effective date set forth in the HJS that is adopted. For example, changes or additions to HJS adopted in January of a year will normally become effective on February 1st of the following year, etc. HJS may be amended or deleted effective immediately when such action is determined appropriate by the Federation.

4. Competitions with the first licensed date of a competition year, prior to the effective date of the modified standard(s) for their Rating or Level, will not be required to meet the new standard(s) until the next competition year.

HJ102 Definitions - Competition Rings, Schooling Areas, Exercise Areas & Lunge Areas, Maintenance and Judge's Site

Depending on competition rating or level approved, additional requirements may apply.

1. A Competition Ring is defined as a designated area on the competition grounds where classes are held for competition of hunters and/or jumpers. All competitions must provide a minimum of one (1) dedicated competition ring. When a competition ring is not being utilized for its primary purpose, it may be utilized to meet other required HJS such as exercise, lunge or schooling areas. This area must still meet the HJS for the other required use.
 - a. Beginning 12/01/2011 and ending 11/30/2016, competitions may apply in writing to the Federation for a "Temporary Waiver" of the HJS size requirement of a competition ring, schooling area, exercise area and/or lunge area as set forth in the Federation HJS. A Temporary Waiver may not exceed a five percent (5%) reduction from the HJS. The Temporary Waiver must be based on facts and circumstances that are beyond the control of the competition. Any Temporary Waiver request may only be approved for the period beginning 12/01/2011 and ending 11/30/2016. Full compliance with Federation HJS for competition rings, schooling areas, exercise areas and lunge areas will be required beginning 12/01/2016.
2. A Schooling Area is defined as a designated area on the competition grounds in close proximity to the competition ring in which horses are being prepared to compete.
3. An Exercise Area is defined as a designated area on the competition grounds in which horses at the competition may be exercised both on the flat and over fences.
4. A Lunge Area is defined as a designated area on the competition ground that is used primarily to lunge horses.
5. Horses cannot be required to be exhibited in the competition ring or schooled in the designated schooling areas before sunrise or after sunset unless lighting in accordance with HJ102.6 and GR 834.2 is provided that assures full and complete visibility.
6. Lighting which provides full and complete visibility for a safe working environment for horses and personnel must be provided if any of these areas (competition ring, schooling area, exercise area and lunge area) are open for use between sunset and sunrise.

7. A Judge's site with climate appropriate protection from adverse weather conditions and seating must be provided at each competition ring or other judging location.
8. Water trucks, sprinklers, snow removal or another climate appropriate system(s) must be used to address climate related conditions including, but not limited to, dust reduction for all required and provided rings, schooling, exercise and lunge areas.

HJ103 Footing for Competition Rings, Schooling Areas, Exercise Areas & Lunge Areas

{See HJ208 for additional requirements when the Horse Entry Numbers exceed five hundred (500) and/or licensed series of competitions are scheduled for a period of twenty-one (21) days or more without a break of at least five (5) consecutive calendar days}.

Depending on competition rating or level approved, additional requirements may apply.

1. The footing in all rings, schooling rings, exercise areas and lunge areas must be safe, consistent and appropriate for the intended use and type of competition. These areas must be properly maintained at least daily, and more often depending upon use and weather conditions.
2. Competition management is required to make an effort to maintain the best possible footing in competition, schooling, and exercise and lunge areas. Provisions must be made (by having on hand functioning proper equipment and scheduling sufficient breaks in the schedule) to maintain the footing in those areas throughout the competition by dragging, watering, and raking, if necessary.

HJ104 HJS Support and/or Stabling Facilities

Depending on competition rating or level approved, additional requirements may apply.

1. When provided, stalls must be of sturdy construction, in good condition and safe for horses and ponies. Prize list must specify type of stabling and type of stabling flooring. Stall doors must be provided. The recommended minimum dimensions for box stalls for horses are 9'6" wide by 9'6" deep or comparable square footage with a minimum ceiling height of 7'0". It is essential that the covering over the stalls is weatherproof.

These containers must be placed in convenient locations in barns housing competition horses. If stabling is not provided, competition management must place a minimum of one sharps container for every seventy-five (75) horses entered the previous year in visible and convenient locations.
3. It is competition management's responsibility to replace sharps containers when full and dispose of them properly. SUBCHAPTER HJ-2 RATINGS & HORSE ENTRY NUMBER STANDARDS

HJ200 HJ Competition Standards (HJS) are Specific Only to Regular Competition Classification and Ratings as Defined Below

HJ200 does not apply to Local competitions. All Local competitions must meet the Basic Standards set forth in HJ100 through HJ105. Regardless of rating, additional requirements apply (HJ208) when Horse Entry Numbers exceed five hundred (500) and/or licensed series of competitions are scheduled for a period of twenty-one (21) days or more without a break of at least five (5) consecutive calendar days

HJ201 Definitions

1. Definitions.
 - a. Rated Hunter competitions are classified as Premier, National, Regional I, or Regional II. Unrated competitions are classified as Local.
 - b. Jumper competitions are designated as Levels 1, 2, 3, 4, 5, and 6 based upon prize money. See JP104.
 - c. Rated competitions offering hunter only, or both hunter and jumper will be subject to HJS set forth under the Premier, National, Regional I and Regional II hunter rating.
 - d. HJS for a jumper only competition will be:
 1. Standards set forth under Premier required for Jumper Levels 5 and 6
 2. Standards set forth under National required for Jumper Levels 3 and 4
 3. Standards set forth under Regional I required for Jumper Level 2

HJ - HUNTER JUMPER DIVISION

- e. Federation Special competitions or Jumper Level 6 competitions may be subject to a Federation approved waiver (GR301.2) or other modification of a portion of the Standards (including HJS), in connection with the Special competition approval.
2. Whenever two (2) Standards are applicable to a competition, the entire competition is to achieve the highest Standard applicable to any portion of the competition.
3. For multi-breed competitions (see HJ101) which contain hunter and/or jumper sections, and for local competitions when operating within an existing rated hunter and/or jumper competition, the highest applicable HJS for any portion of the hunter and/or jumper competition is to be applied to the entire hunter and/or jumper discipline sections only.

HJ202 HJS Competition Standards Horse Entry & Renewal

1. Number of Horse Entries Required for HJ Competition Rating.

No minimum horse entry number is required to achieve the rating for jumper competitions. Prize money is the alternative criteria required for a jumper rating.

2. Competitions restricted to only conducting Breeding classes are exempt from the Horse Entry standard requirement.
3. Two day National Junior/Amateur restricted competitions will have a Horse Entry Number requirement of **fifty (50)**. Competitions which utilize only one (1) competition ring or which offer only hunter and equitation classes (no jumper classes) will have a Horse Entry Number requirement as follows: Premier – **seventy-five (75)**, National – **fifty (50)**, Regional I – **thirty-five (35)** and Regional II – **twenty (20)**.

4. Rating and Horse Entry Numbers.

(See HJ208 for additional HJS requirements)

Required number of Horse Entries for Regular or Local competition Classification rated hunter or hunter/jumper are:

- a. Number of horse entries required for a Premier rated hunter or HJ competition is a minimum of two hundred (200).
- b. Number of horse entries required for a National rated hunter or HJ competition is a minimum of **seventy-five (75)**. *BOD 1/16/16 Effective 12/1/16*
- c. Number of horse entries required for a Regional I rated hunter or HJ competition is a minimum of fifty (50).
- d. Number of horse entries required for a Regional II rated hunter or HJ competition is a minimum of twenty-five (25).
- e. There is no minimum number of horse entries required for a Local competition.
- f. For the required number of hunter classes per rating for hunter sections see GR313.6.

5. Horse Entry Number Determination and License Renewal Requirements.

The HJS Horse Entry Number (HJ202) is based on the number of horses entered as determined by drug fees paid for the prior year. Horses used in equitation classes are included in the number of horses entered.

6. New Competition or New Rating Horse Entry Requirement.

During the first three (3) years of a competition, the minimum number of horse entries is determined based upon the minimum number of horse entries required for the rating applied for by the Licensee and approved by the Federation. During one (1) of the first three (3) years for a competition that is new, or for a competition that is held at a new rating, the minimum Horse Entry Number (HJ202) for the competition must be achieved.

7. Renewal Competition Horse Entry Number Rating Requirements.

- a. For competitions with three (3) or more years of operation, a competition License may be renewed if they have achieved the HJS Horse Entry Number in at least two (2) of the last three (3) years. The License renewal may be delayed until the completion of the last competition of the existing License, if it is in the best interest of the competition to achieve the HJS Horse Entry Number required for renewal. The other HJS that are applied to a competition must be achieved every year in order to maintain the Rating/Level.

- b. If the required minimum HJS Horse Entry Number is not achieved during the period set forth, then the competition will be provided with a License at a lower rating consistent with the Horse Entry Numbers achieved. The Licensee may continue to conduct a competition at the same location and on the same dates at the new Rating and/or Level in accordance with HJ202 and subject to achieving other HJS required for the Rating or Level.
8. Renewal License Request at a Higher HJS Horse Entry Number Requirement. Any higher rating for a competition may only occur upon application by the Licensee and approval of the Federation in accordance with established license procedures. When a competition is approved to receive a license for a higher rating they must conduct at least three (3) competitions at the new rating before they may again apply for a higher rating.
9. Renewal License Request at a Lower HJS Horse Entry Number or Other HJS Requirement. If the competition Licensee is not able to, or does not wish to, meet the applicable HJS to continue their current rating, the Licensee may request and receive a License at a lower rating, subject to meeting the applicable HJS for the new rating and Federation approval.
10. Renewal License Process Review.

The Federation, in its sole discretion, may determine that a competition has been adversely affected in the competition's ability to achieve the HJS as a result of an unforeseen or unavoidable occurrence. If this unusual occurrence adversely impacts the number of horses entered in the competition, the Federation will not consider the affected competition year in determining renewal rating eligibility. In order for the Federation to make their determination, facts must be reported in writing by competition management to the Federation Competitions Department prior to the earlier of the third day or end of writing by competition management to the Federation Competitions Department prior to the earlier of the third day or end of the licensed competition. Unforeseen or unavoidable occurrences may include Acts of God. The Federation, in its sole discretion, may audit competitions to determine that they are faithfully compliant with the HJS Horse Entry Number Requirement. If a competition is found to be non-compliant due to inclusion of inaccurate information in the competition report or other reports to the Federation, Licensee is subject to immediate revocation of all licenses.

CHAPTER HK - HACKNEY DIVISION**SUBCHAPTER HK-1. GENERAL QUALIFICATIONS****HK101 Eligibility of Hackney Ponies**

1. In order to compete, all Hackney Ponies must be registered with the American Hackney Horse Society and/or the Canadian Hackney Society. They must be entered in their full registered names, with registration numbers, and under the names of the owner(s) of record with the AHHS or the CHS. A copy of registration papers showing proof of ownership must be submitted with entry form at the time of making entry or presented to competition office before competition number will be released; competition management is responsible for notifying exhibitors of this requirement. A copy of the registration papers will be returned when exhibitors pick up their numbers, if requested. See GR1308.2a(6). Exception: Ponies shown in the Harness Pony section at a Federation Regular Competition prior to December 31, 1989. Ponies shown in Roadster Pony divisions at Federation Regular Competitions prior to December 31, 1991.
2. Membership Requirements.
 - a. Owners and trainers of Hackney Roadster ponies participating at Federation licensed competitions in the Hackney Division must be current members in good standing with either the American Hackney Horse Society or the American Road Horse and Pony Association.
 - b. Owners and trainers of ponies participating at Federation licensed competitions in all other sections of the Hackney Division must be current members in good standing with the American Hackney Horse Society.
 - c. Originals or copies of the above listed membership cards must be provided to the competition unless at its discretion the membership can be confirmed electronically with either the AHHS or the ARHPA office.
 - d. Lessees are considered owners in connection with these membership requirements. In the event of an entry under multiple ownership, only one owner need be a member of the required organization.
3. It is not permitted to make an entry in any class in the "name of pony". In classes with multiple animals, i.e. pair, all animals must be named.

HK102 Type and Conformation.

1. The Hackney is known as the "aristocrat of the show ring." He carries himself with an attitude which is seemingly explosive, with great expression. His diversity and temperament allow him to be adaptable to any challenge. The Hackney is loved for his animation, vigor, endurance, personality and strong natural way of going. However it is presented, his picture is one of beauty and animation.
2. GENERAL APPEARANCE. Overall view from the side, the animal can be divided into equal thirds: from the tip of the nose to withers; from withers to mid-loin; and mid-loin to tip of buttocks. Type: Symmetry, overall ease of identification as a Hackney. Quality: Bone clean, dense, fine, yet indicating substance. Tendons and joints sharply defined, hide and hair fine, general refinement. Temperament: Gentleness-disposition good; active, intelligent.
 - a. Head: carried relatively high; size and dimensions in proportion, clear-cut features, well-chiseled, straight face line.
 - b. Muzzle: fine; nostrils large; lips thin, trim, even.
 - c. Eyes: prominent orbit, large, full, bright, clear, lid thin.
 - d. Ears: small, fine, alert, out of top of head, pointed, set close.
 - e. Neck: supple, well-crested; throat latch clean; head well set on.
 - f. Shoulders: very long, sloping, yet muscular.
 - g. Forearm: long, broad, muscular.
 - h. Knees: straight, wide, deep, strongly supported.
 - i. Cannons: short, broad, flat, tendons sharply defined, set well back.
 - j. Pasterns: long, sloping, 45 degree angle with vertical, smooth, strong.

- k. Front Feet: round, uniform, straight, frog large and elastic, heels wide.
- l. Front Legs: When viewed from front, a vertical line from the point of the shoulder should divide the leg and foot into two lateral halves; viewed from the side, the same line should pass through the center of the elbow joint and the center of the foot.
- m. Withers: high, muscular, well-finished at top, extending well into the back.
- n. Chest: medium-wide, deep.
- o. Ribs: well-sprung, long, close.
- p. Back: short, straight, strong, broad.
- q. Flank: deep, long, full flank, not tucked, low underline.
- r. Hips: broad, round smooth.
- s. Croup: long, level, smooth, no goose-rump.
- t. Tail: comes out high from back; well-carried.
- u. Thighs: full, muscular.
- v. Gaskins: broad, muscular.
- w. Hocks: straight, wide, point prominent, deep, clean-cut, smooth, well-supported.
- x. Cannons: short, broad, flat, tendons sharply defined.
- y. Pasterns: long, sloping, smooth, strong.
- z. Back Feet: back slightly less round than in front; uniform, straight, sole concave, frog large and elastic, heels wide and full.
- aa. Back Legs: viewed from the rear, a vertical line dropped from the point of the buttock should divide the leg and foot into lateral halves; viewed from the side, the same vertical line from the point of the buttock should touch the hind edge of the cannon from the hock to the fetlock.

3. CONFORMATION PROPORTIONS.

- a. HEAD: Should be well-shaped and in proportion in size to the size of the animal. The eyes should be large and set wide apart. The ears should be well shaped, set somewhat close together on top of the head and carried alertly. The face should be straight with a fine muzzle, large nostrils and a clean smooth jaw line with the mandible set wide apart - for good air passage.
- b. NECK: Should be set on top of the shoulder with a definite demarcation where it arises from the chest and also where it attaches to the withers. The top line on the neck should be considerably longer than the under line with a fine throat latch and long poll to facilitate attractive head carriage.
- c. BODY: The shoulder should be long and well angulated with prominent, well defined withers. The back should be somewhat level with a shorter top line than under line. The hip should also be long with a fairly flat croup and high-set tail carriage.
- d. LEGS: The front legs should be attached well forward beneath the point of the shoulder. They should be straight with a long forearm and short cannon bone. The pasterns should have sufficient length and angulation to provide a light, springy step. The hind legs should also be set on the "corners" of the body with a long gaskin and short cannon bone. A slight "sickle hocked" appearance is not undesirable and the hock and knee should be approximately the same distance from the ground.
- e. HOOVES: These should be in proportion to the size of the animal, open at the heel with a concave sole. A slight toeing out is not objectionable.
- f. VIEW FROM THE FRONT: Chest should be of moderate width. Front legs should be perpendicular to the ground. A straight line through the forearm to the center of the knee to the center of the coronet band is preferable.
- g. VIEW FROM THE SIDE: The top line represents a curve from the ears and poll to the back, giving the impression of the neck sitting on top of the withers rather than in front of them; continuing to a straight back with a relatively

HK - HACKNEY DIVISION

level croup rounding to a well-muscled buttock. Tail should be attached high; at maturity the croup should not be higher than the withers. The underline should be longer than the top line, and the body should be deep through the heart, girth and flank. The front legs should be straight and perpendicular to the ground and attached to the point of the shoulder. From the view from the side, the animal can be divided into equidistant thirds; one-third from the tip of the nose to withers; one-third from withers to mid-loin and one-third from mid-loin to tip of buttocks.

h. VIEW FROM THE REAR: Croup should be well rounded, thighs and gaskins well muscled. The gaskins should be relatively long in relation to the cannons.

4. TO BE PENALIZED. Lack of Hackney type, coarse or plain head, Roman nose, lop ears, pig or small eyes, short neck, straight neck, ewe neck, thick throat latch, fat withers, swayback or roached back, straight shoulder, crooked legs, calf knees, over at the knees, bow legs, straight pasterns, extreme splayfeet or pigeon-toed, contracted heels, base stance too wide or too narrow, sickle hock, extreme cow hocks, lack of muscle tone, thinness, obesity, rough coat, over all lack of conditioning. These and any other defects attributable to heredity must be penalized. Horses and ponies must be serviceably sound, i.e., must not show evidence of lameness or broken wind.
5. VARIATIONS TO THE IDEAL. With the natural variations of type within the breed, some Hackneys do not conform to the ideal, but are perfectly suited to various kinds of competition. If they meet all other requirements for a particular event or discipline, they should not be penalized too severely. In the event an animal has lost the sight in one eye, it may still be shown. Contacts are allowed for cosmetic purposes but not to enhance performance.

HK103 Height

1. For competition purposes, the maximum height of Hackney ponies is 14.2 hands and the maximum height of Harness ponies is 12.2 hands. Competitions may add a new division for those Harness ponies 48 inches and under. See HK134.2 for maximum height of Roadster ponies.
2. Ponies shown in the Harness Pony and Roadster Pony sections must possess a current measurement card or valid measurement form issued by the Federation. (See GR502). The measurement of Hackney Pleasure Ponies and Hackney (cob-tail) Ponies will not be necessary unless the classes are divided according to height.
3. In Pair classes a difference of one-half inch in the height of the two ponies is allowable without penalty. If the difference exceeds one-half inch, it will count against the entry. In a class where height is part of the specifications, such as Pairs not exceeding 13 hands, if two ponies are only one-half inch apart and one is within the height specified, the pair is eligible to compete. If one pony exceeds the limit by more than one-half inch the pair is ineligible. Such a pair is eligible in only one height division. The same provision applies in a class where the specifications call for Pairs over a specified height.
4. The animal should be standing with his front legs perpendicular to the ground. Ideally his head should be lower than his withers. This easily locates the highest part of the withers where the measurement should take place. Handlers must not interfere with the animal in any way that will prevent it from standing in the correct position; blinkers may be allowed.

HK104 Judging

1. OPEN, MARES, STALLIONS, GELDINGS, MAIDEN, NOVICE, LIMIT, GENTLEMEN and OWNERS. The OPEN pony should be the ultimate representative of the breed. It should be as nearly perfect as possible; performing all gaits with animation, brilliance and extreme action at both ends. Performance is paramount in these classes. Classes are judged on performance, presence, quality, conformation and manners.
2. FOUR YEARS OLD OR UNDER. STALLIONS, MARES, GELDINGS. To be judged on performance, presence, quality, conformation and manners.
3. LADIES. (Open to mares, stallions and geldings) A Lady's pony should be outstanding in refinement and elegance with suitability of pony to driver taken into consideration. Expression is important and quality is a prime

consideration. The execution of the gait should be performed with brilliance on command. The pony must stand quietly and back readily. Classes are judged on manners, quality, suitability, performance, and conformation.

4. JUNIOR EXHIBITORS. (Open to mares and geldings) Manners are paramount in these classes. Ponies should display a willingness to perform, suitability and balanced action. The execution of the gait should be performed with brilliance on command. The pony must stand quietly and back readily. No stallions are permitted in Junior Exhibitor classes. Classes are judged on manners, suitability, quality, performance and conformation.
5. AMATEURS. (Open to mares, stallions and geldings) The Amateur ponies may be a bit stronger and perform in a bolder manner. More action and animation are desired and less emphasis may be put on manners than in Ladies or Junior Exhibitor classes. Ponies must stand quietly and back readily. Classes are judged on manners, performance, quality, presence and conformation.
6. In all Ladies, Amateur, Junior Exhibitor and Pleasure classes the judge(s) must walk the lineup. If a judging panel is being used to officiate these classes, all judges must comply with this rule.

SUBCHAPTER HK-2. CONDUCT

HK105 General

1. Attention getting devices &/or other noisemakers (including but not limited to tape measures, blow horns, bamboo poles, baby powder, whips longer than 6', etc.) are not allowed in and around the make up/schooling/warm-up and competition rings during scheduled competition sessions. Use of explosives and fire extinguishers (except in the case of fire) is not allowed on competition grounds at any time. All such items will be confiscated and offenders will be reported to the USEF. (See also GR839.4.i)
2. Stallions are prohibited in Junior Exhibitor classes. Stallions may be shown in classes restricted to Lady drivers, except in the Pleasure section where stallions are never permitted.
3. Hackneys who show evidence of lameness or broken wind must be severely penalized.
4. Maiden/Novice/Limit classes are open to ponies that have not won one/three/six first place ribbons respectively at USEF licensed competitions. Ribbons won in classes with only one entry will not count in determining Maiden, Novice or Limit status. Ribbons won within one section (i.e. Hackney Pony (Cob Tail), Harness Pony, Roadster, Show Pleasure Driving, Country Pleasure Driving) do not count in the reckoning of Maiden/Novice/Limit status if the pony competes in a different Hackney section. However, ribbons won in the Roadster Pony section of the Roadster Division will count towards the maiden/novice/limit status of Hackney Roadster ponies.

HK106 Amateur Owner Trainer-AOT.

1. Every competitor must be an amateur and the owner, or an amateur member of the owner's family.
2. Classes may be offered in any section and specifications must follow those of the amateur class within that section. Riders, drivers, attendants, and headers must meet the specifications for amateur status (refer to GR1306 and GR1307).
3. Ponies are not to have been professionally trained and/or shown by a professional for a period of 60 days prior to the competition (riding and driving instruction for the owner to be excluded).
4. Ponies are not to be exhibited, prepared, groomed or schooled with the aid of or by a professional while on or off the competition grounds immediately before or during the competition. Assistance by other amateurs is permitted. Horses may be stabled with a professional during the competition, and hauled by a professional. Professional help for situations relevant to safety is permitted.
5. Owner must sign as owner, trainer, and rider/driver/ handler on the USEF entry blank.
6. Horses must be registered with the American Hackney Horse Society in the name of the competitor or a member of the competitor's family, as defined by GR123 (Horses registered in a farm/ranch/syndicate/partnership/corporation name may be shown in AOT classes provided the family is the sole owner of the farm or entity as defined by

HK - HACKNEY DIVISION

GR123. The sale of a horse does not eliminate this registration requirement. (Contracts of Sale or Bill of Sale will not be accepted)

7. Combined ownership is not permitted in AOT classes unless all owners are members of the same family. Leased horses are not eligible.
8. AOT classes may be restricted to riders, drivers or handlers who are no longer eligible to compete as a junior exhibitor.

HK107 Requirements for Competitions

1. All futurity classes are unrated classes. Procedures for conduct of futurity classes must be printed in the prize list or the Show Committee may state these classes are run under the same specifications as Federation rated classes.
2. UPHA Classic classes are run under the same specifications as Federation Hackney Division rules.
3. Ponies are not to be lined up head-to-tail in performance classes. All awards must be made from the lined up position and entries must not be asked to retire to the end of the ring. Classes shown in-hand may be lined up head-to-tail or as directed by the judge.
4. It is recommended that competition management offer Amateur Ladies and Amateur Gentlemen's classes qualifying for an Amateur Championship. If an Amateur Lady to Drive class is offered, competition management must also offer an Amateur Gentleman to Drive class as well and vice versa. A Junior Exhibitors class is optional.

HK108 Cross Entering

1. A pony may be shown in only one of the six sections of the Hackney Division (Hackney Pony [cob tail], Harness Pony, Hackney Roadster, Park Pleasure Driving, Show Pleasure Driving, or Country Pleasure Driving) at the same competition.
2. Ponies competing in Hackney Roadster Pony classes within the Hackney Division may enter Roadster Pony classes within the Roadster Division at the same competition. However, a pony shown in the Hackney (Cob Tail), Harness, or Pleasure sections within the Hackney Division cannot enter a Roadster Pony class within the Roadster Division at the same competition.
3. One change of section per year (per owner of record with the American Hackney Horse Society) is permitted. Exception: Show and Country Pleasure driving ponies may enter Park Pleasure driving classes without jeopardizing their eligibility.
4. If a particular competition does not offer Park Pleasure Driving, Show Pleasure Driving or a Country Pleasure Driving section, pleasure ponies, if eligible, may enter other Hackney Division driving sections without jeopardizing their eligibility at subsequent competitions.

HK109 Time outs and Workouts

1. Any exhibitor stopping during a class for any minor adjustment, other than a time out, will be eliminated. An exhibitor is entitled to request only one time out per class including workout. (See GR833.)
2. All ponies shall be worked both ways of the ring at all required gaits as directed by the judge(s). Workouts will be judged as a separate class and ponies must be tied for placings being considered in that workout. Workouts may be called for by the judge(s) for any or all placings. All ponies chosen for a workout must be worked both ways of the ring at any or all gaits listed in the class specifications that are requested by the judge(s) with the exception of Roadster Ponies (see HK136.3).

HK110 Division of Classes

1. It is recommended that classes with 16 or more entries be divided into separate sections. Pony classes can be divided by height of pony, sex of pony or driver, or age of driver. If divided, the prize money must be doubled and separate trophies and ribbons awarded.

2. It is strongly recommended that all pleasure pony classes be divided at 16 entries. It is recommended that classes be divided as to age of driver or sex of pony if there are a large number of entries anticipated.

HK111 Championships

1. When time allows, Championship classes should be offered for driving and riding classes.
2. Entries in Hackney division championship classes need not be named until ___ hours (time to be determined by competition management) before the scheduled time of class, at which time the names and description of entries must be made in writing by owner or his agent.
3. If an amateur ladies class is not offered, amateur ladies showing in the open ladies class will be qualified for the amateur championship.

HK112 Attendants

Attendants, suitably attired, will be permitted in all classes but only in Ladies, Amateur, Junior Exhibitor and multiple hitch classes will attendants be permitted to stand inside the gate. This attendant must take no action that will affect the performance of any pony. Only one attendant is allowed to head a pony. Exception: Hackney Roadster Ponies, see HK136.4.

HK113 Appointments

1. All vehicles and equipment must be in serviceable condition. Any exhibitor using vehicles or equipment deemed to be disruptive to other exhibitors must be excused from the ring.
2. Entries must be shown without artificial appliances (e.g., wired ears, chains, shackles, draw reins, kicking strap, conspicuous wire cavessons). Inconspicuously applied hair in mane or tail, a tail brace and mouth controls are permitted.
3. Electronic communication devices used for purposes of coaching, etc., between competitors and individuals outside the ring shall be prohibited in all classes in the Hackney Division. Exempt from this rule are handicapped drivers/riders who have submitted written proof to the Federation steward.

SUBCHAPTER HK-3. BREEDING CLASSES

2. Excessive speed is undesirable.

If two sections are offered, competition management may offer a championship/stake for each section. Roadster Ponies Under Saddle and Roadster Ponies to Wagon are restricted to ponies 54" and under.

In all Hackney Roadster pony championship/stake classes (except Junior Pony sections) at selected USEF competitions which will be notified in writing by USEF, the first place and fourth place ponies must allow a heel measurement to be taken immediately following the class to verify the heel measurement is at or below what is indicated on the current measurement card; a copy of which must be on file in the show office prior to the pony competing. The heel measurement will be taken by the competition steward at a location determined by the measuring official and competition management. The heel measurement must be taken from the left bulb of the left front heel, from the skin line on the lower side of the coronary band with the ruler perpendicular to the flat surface. It is the trainer's or driver's decision and responsibility to determine if the pony will be hitched or unhitched for this measurement. If the heel measurement is higher than the measurement on the pony's USEF measurement card, an overall height measurement must be performed by two measuring officials (See GR502.4) no later than one hour following the end of the session at the designated location. Any entry that exceeds the legal height limit will forfeit winnings in that class. In the event there are fewer than four ponies in a class, the pony occupying the final placing will be measured.  8. One attendant must be permitted to stand inside the gate while a ladies, amateur or junior exhibitor class is in progress and only one attendant is allowed to head a horse. All horses chosen for a workout must be worked both ways of the ring at any or all gaits listed in the class specifications that are requested by the judge(s). An exhibitor is entitled to request only one five minute time out per class including workout. (See GR833).

Amateur, Ladies, and Junior Exhibitor horses are shown at the park trot only.

HK144 Hackney Horse Class Descriptions

1. LADIES HACKNEY HORSES, MARE OR GELDING, SHOWN TO A PHAETON. Manners shall be considered paramount. The horse must show all-around action at a Park Trot and should never be driven any faster. It must stand quietly, remaining checked while lined up, and back when required to do so. The Lady's horse must be driven in the Half Cheek and appear to have a perfect mouth. The horse should be notable for beauty, quality and presence, and should be of solid color without flashy markings. To be judged on manners (paramount), quality and performance.
2. GIG CLASS. For single Hackney horses, stallions, mares or geldings. Size of gig to be in proportion to size of horse shown. A gig horse should have presence, all-around action and be able to do a good pace, but excessive speed should not be required. After the contestants have made an appropriate number of rounds of the ring (depending on arena size) at the trot, horses should be asked to show in turn a walk, a park trot and a smart trot. All horses should be asked to back. To be driven by an amateur. To be judged on presence, manners, quality and performance. (See HK145.2 for appointments).
3. PAIRS—MAIDEN, NOVICE, LIMIT, OPEN, LADIES. See description of respective classes for single horses. In addition to performance, etc., pairs should be mated as closely as possible as to the size, color, type and way of going. In pair classes, a difference of one half inch in the height of the two horses is allowable without penalty. If the difference exceeds one-half inch, it shall count against the entry. In a class where height is part of the specifications, such as pairs under 15.2 hands, if two horse are only one-half inch apart and one is within the height

HK - HACKNEY DIVISION

- specified, the pair is eligible to compete. If one horse exceeds the limit by more than one-half inch the pair is ineligible. The same provision applies in a class where the specifications call for pairs over a specified height.
4. **TANDEM.** To be shown to a Gig or other appropriate two-wheeled vehicle. The wheel horses should be of proper size for the shafts and to possess substance and power for the work in hand, with some action. The lead horse to be slightly smaller than the wheel horse, notable for brilliance of action and beauty. A smart leader is essential for a good tandem. Horses need not be eliminated for variance of color but uniformity of color is to be considered. To be shown at a walk, park trot and a smart trot. Horses should be asked to back. To be judged on performance, quality, manners (suitability).
 5. **COLLECTION OF THREE HACKNEY HORSES.** To be shown in single harness or as a pair and a single. Each animal to be the bona fide property of the exhibitor. Exhibitors need not describe animals when making entry. To be judged on performance of horses as a unit, and ability to maintain proper distance between horses, uniformity and quality. Each exhibitor to give a solo performance of his three horses as a unit, both ways of the ring. The prize list should indicate whether entries are to be shown singly or as a pair and a single.
 6. **SELECTION OF THREE HACKNEY HORSES.** Each animal to be the bona fide property of the exhibitor. Exhibitors need not describe animals when making entry. The prize list should indicate whether entries are to be shown singly or as a pair and a single. Each exhibitor to give a solo performance of his three best animals of one exhibitor without regard to uniformity. This class is offered either as an alternative or in addition to the Collection class (See HK144.5 above).
 7. **FOUR-IN HANDS.**
 - a. Park Drag of solid color to be drawn by four matched horses with park harness, including brass hames, black collars, two servants in livery. To be judged on performance, quality, manners, uniformity and appointments.
 - b. Road Coach, of bright and often varied colors, to be drawn by a team not necessarily matched as to color; road harness with steel hames and links and brown collars. Must carry a guard in livery. To be judged on performance, substance and appointments. Appointments include: extra collar, traces, reins, brake shoe, quarter blankets and coolers, rubber coats, lap robes, water pail, tool kit, umbrella basket and extra lead bars.

HK145 Appointments

1. **LADIES PHAETON.** A George IV, Peter's Phaeton or, in the summer, a Brewster Basket Phaeton may be used. The appointments of the phaeton should include a lash whip, with leather gloves, card case, lap robe, cooler, two rain coats, wheel wrench, umbrella and cover for servant's hat. A dash clock is optional. The horse's mane should not be braided. It should be borne in mind at all times that extreme smartness and perfection should be the aim in horse, harness, vehicle and servant. The pad should be heavier than the one used in classes for other four-wheeled show wagons as the phaeton, being a very heavy vehicle, naturally requires a stronger pad; standing martingale, Buxton bit and breeching and bearing rein are compulsory.
2. **GIG CLASS.** The gig most commonly used is the "Park Gate" gig. Other gigs which may be used are the "Very Spicy", "Stanhope" and "Tilbury". The latter requires a horse of great presence and lofty action. The horse's mane should not be braided. Harness: Kay collar, standing martingale and kicking strap. The gig bit with plain bridoon and short bearing rein is a trifle more proper, but the Buxton bit and full bearing rein may be used. The saddle pad should be heavier than that used in four wheel show wagons. To be driven by an amateur.
3. **GROOM.** He may be either a footman or a coachman. If the former, he must wear a single breasted coat with six buttons in front and six on the coat tails, full striped waistcoat, silk hat, tan driving gloves, boots with tops of mahogany, tan or pink, the latter being the smarter, coachman's collar and flat white ascot tie. The footman should be smart looking, active and not tall or heavy. His coat and breeches should show that they were made for him. The coat should be either black or should be the same color as the upholstery of the gig. His boots should fit perfectly and the tops should fit close to the leg. The general appearance of the groom should be extremely neat. A

coachman is similarly turned out except that he wears a coachman's coat, six buttons in front and four on the coat tails.

3. Horses will be permitted to cross enter in all other sections of the Hackney Horse division.
4. Ladies are permitted to ride Sidesaddle in all ridden classes, with appropriate attire.

The Pleasure Hackney Horse is naturally endowed with a tractable temperament, a generous, cadenced, lofty way of going, and pure gaits (i.e., walk is flat-footed, calm and forward, with 4 beats; trot contains a strong two-beat tempo, high stepping, reaching, forward, balanced, not rushed; and the canter is a pure three-beat gait, not rushed, crooked, or overly collected. Wrong leads and cross leads are serious faults.)
6. The mane can be long and natural, pulled, short, braided or roached. The tail is long, and/or natural. This section does not exclude the Hackney Horse who has had its tail docked and/or nicked prior to any laws prohibiting the docking/nicking of tails. Although artificial appliances are permitted to maintain a tail set in the driving classes, a natural tail set is encouraged, and artificial hair/tail caps are discouraged.
7. The hooves can be either barefoot or shod. See class descriptions for additional information.

3. PLEASURE HACKNEY HORSE, WORKING. Entries are judged primarily on the suitability of the horse to provide a pleasant drive. To be shown both ways of the arena at the walk, slow trot, working trot, and strong trot. To stand quietly, both on the rail and while lined up, and to rein back willingly. All entries chosen for a workout may be worked both ways of the arena at any gait requested by the judge, and may be asked to execute a figure of eight and/or perform other appropriate tests. To be judged 70% on performance, manners, and way of going of the horse; 20% on condition and fit of the harness and vehicle; and 10% on neatness of attire.

4. PLEASURE HACKNEY HORSE, REINSMANSHIP. Entries are judged primarily on the ability and skill of the driver. To be shown at a walk, slow trot, working trot, and strong trot. HK150 Pleasure Hackney Horse - Under Saddle

1. These classes provide opportunities to show the Hackney Horse's stylish suitability as a riding horse, with distinct versatility within the breed. Martingales are prohibited in all Pleasure Hackney Horse under saddle classes.

2. PLEASURE HACKNEY SPORT HORSE, UNDER SADDLE. To be shown either under dressage tack (dressage saddle and snaffle or weymouth bridle,) or hunter tack (hunt saddle and snaffle, kimberwicke or pelham bridle.) The horses will be ridden both directions of the arena, at the flat walk, working trot, lengthened trot, and canter. To stand quietly and rein back willingly. To be judged on manners, purity of gaits, suitability, and performance. This Hackney Horse shall be suitable for Dressage or Hunting. The gaits should be calm, progressive, and pure in cadence. The walk should be free, ground-covering, and purely four beats. The trot should be calm and progressive, with a specific two beat cadence. A change of frame should be noted when moving from the working trot to the lengthened trot, with the horse's frame showing a lengthening throughout, as well as an obvious lengthening of stride. The lengthened trot shall not be a faster version of the working trot. The canter should be calm, forward, straight and purely 3-beat. Wrong leads and cross leading are serious faults. This Hackney Horse does not need the extravagant action of the Country Pleasure Hackney Horse or the Park Hackney Horse. Progression of the strides is more important than high movement, although natural lofty, square movement is always to be considered an attribute of the Hackney Horse. Rushing or excessive speed in any gait is a fault. The Pleasure Hackney Sport Horse's frame need not be as upright as the Country Pleasure Hackney Horse or Park Hackney Horse's frames, and the body should show a freedom to easily change frame for the various gaits.

3. PLEASURE HACKNEY HORSE, COUNTRY PLEASURE, UNDER SADDLE. To be shown under Saddle seat tack (English-type saddle and show snaffle, weymouth or Pelham bridle.) No forward-seat saddles allowed. Girth should be either leather, web, string or suitable material. Nosebands must be cavesson-style. No flash, dropped, figure-8 or other non cavesson style noseband permitted in these classes. The horses will be ridden both directions of the arena, at the flat walk, working trot and canter. To stand quietly in the lineup, and rein back willingly. To be judged on manners, purity of gaits, suitability, and performance. This Hackney Horse shall demonstrate the classic way

of going the breed is noted for. The Country Pleasure Hackney Horse is distinguished from the Pleasure Hackney Sport Horse by an upright frame, and by a significant generosity of knee and hock lift, resulting in high, lofty, eye-catching action and faultless cadence. Forwardness of the gaits, although important, shall not compromise high, square action in the trot and canter. Although this elegant action is not the only requirement of this class, it is an important element of this particular class. The canter should be calm, forward, straight and purely 3-beat. Wrong leads and cross leading are serious faults.

4. PLEASURE HACKNEY PARK HORSES, UNDER SADDLE. To be shown under Saddle Seat tack (English-type saddle and show snaffle, weymouth or pelham bridle.) No forward-seat saddles allowed. Girth should be either leather, web, string or suitable material. Nosebands must be cavesson-style. No flash, dropped, figure-8 or other non-cavesson style noseband permitted in these classes. The horses will be ridden both directions of the arena, at the flat walk and show trot. To stand quietly in the lineup. To be judged on manners, purity of gaits, suitability, and performance. This Hackney Horse shall demonstrate the classic way of going the breed is noted for. The Pleasure Hackney Park Horse is distinguished from the Pleasure Hackney Sport Horse by an upright frame, and by a significant generosity of knee and hock lift, resulting in high, lofty, eye-catching action and faultless cadence. Forwardness of the gaits, although important, shall not compromise high, square action in the trot. Although this elegant action is not the only requirement of this class, it is an important element of this particular class.

 - d. The poll should be of good length.
 - e. The throat should be fine so that there is no restriction of the air passages when bridling.
 - f. The neck should be well attached to reasonably high withers set on powerful, obliquely sloping shoulders.
 - g. A fairly long back is not objectionable in a mare.
 - h. The upper line of the croup from the loins to the tail should form a convex curve with the tail well carried.
 - i. Viewed from the front, the chest should be of ample but not excessive width, while from the rear the quarters and gaskins must be well muscled.
 - j. The legs should have plenty of clean, flat bone with the tendons clearly defined. Excessive fineness of bone, especially any tendency to be "tied in below the knee" is objectionable in the Hackney Horse.
 - k. The forelegs should be attached well forward, beneath the point of the shoulder.
 - l. The forearms should be long and well developed while the cannon bones should be short and clean, with plenty of good, flat bone.
 - m. The pasterns should be sufficiently long and set at the proper oblique angle to provide a light and springy step.
 - n. From the side the forelegs should not show any tendency to be "back or over at the knees."
 - o. From the front they should be seen to be upright without any turning out or in of the pasterns.
 - p. The hind legs should be of good length from the stifles to the hocks with short cannon bones.
 - q. The hocks should be well formed and not be too upright when the horse is standing at ease.
 - r. The hooves should be well rounded, in front forming an angle of about 50 degrees with the ground at the toe.

HK - HACKNEY DIVISION

The hind hooves will form a rather more upright angle. The hooves should be open at the heels and have concave soles.

- s. Quality may be defined as a well-balanced physique with clean limbs; it is also expressed in a generous and alert demeanor which may be emphasized by good presentation.

3. MOVEMENT/ WAY-OF-GOING STANDARDS

- a. When shown in hand, a true, four-beat walk is expected. This should be straight with the forelegs well extended and the hocks flexed in a stride that has the hind feet over striding the imprints made by the forefeet.
- b. To achieve this in most cases it is necessary to give freedom of movement to the horse's head which, in the case of entries, may mean letting out the side reins.
- c. The trot in hand should show well rounded front action, taking a stride of good length with the hocks flexed and following through. Dishing or crossing of the forelegs should be penalized. Straight action is most important in breeding classes as defects in this regard can be hereditary.
- d. The front action should be lofty and well rounded with no tendency to brush the elbows. It must also be straight and true, and the front feet must be placed squarely on the ground. Dropping on the heels is faulty.
- e. The hind legs should be well flexed and brought forward under the body with a piston like action. Dwelling of the hocks in a flexed position is undesirable.
- f. Excessive speed at the trot is not wanted, the aim being to give a well-balanced performance presenting a pleasing picture of poise and elegance.

HK152 Pleasure Hackney Horse Breeding Classes—General Specifications

8. Show Committees are urged to offer separate classes for colts, fillies, stallions, mares, and geldings, when possible, with classes to be combined if entries warrant such.
9. Geldings and stallions classes may be combined.
10. Show Champions and Reserve Champions will be selected as outlined in GR810.1.

HU 105 Hunter Eligibility and Green Status for Ponies

1. In all cases, the hunter eligibility and green status of the pony is the responsibility of the owner.
2. Determining Hunter eligibility for ponies. Hunter eligibility for a pony begins when a pony of any age, competes for the first time in any over fences class with jumps at 2'3" or higher for small ponies, 2'6" or higher for medium ponies and 2'9" or higher for large ponies in Hunter or Hunter/Jumping Seat Equitation classes or sections held at a Federation or Equine Canada Licensed competition in North America.

2'6"	.80 meter
2'9"	.85 meter
3'0"	.90 meter
3. Determining Green Status for ponies. Ponies that have not broken their Green Status must jump less than their regulation height or their Green Status will be broken. The Green status of a pony is determined by the following factors in competition experience at Hunter or Hunter /Jumping Seat Equitation classes or sections held at a Federation or Equine Canada Licensed competition in North America:
 - a. The height of fences (determined by the class, section or division specifications) over which a pony has competed.
 - b. The number of competition years a pony has competed at regulation height. A pony that has competed in such classes for one (1) or more competition years, without receiving a reinstatement, is no longer eligible to compete in the Green section.
4. In all cases, fence heights will be determined by the specifications of each section regardless of whether or not the fences are actually set at the regulation height.
5. If a competition starts prior to or on November 30th, Green status at the start of the competition is maintained throughout the competition.
6. Green Pony Status.
 - a. a. A green pony is a pony not exceeding 14.2 hands of any age, which is eligible to compete in the Green Pony section. - c. In its first year of showing at regulation height or higher, a green pony may also compete in the Regular Pony Hunter section at its respective height.

7. Green Pony Reinstatement. A pony cannot return to compete in the section for which the reinstatement application was made until written notification has been received from the Federation that the reinstatement has been granted. A pony's eligibility to compete in restricted sections may be reinstated for a future competition year provided that:

 - b. The pony was not shown at the regulation height or higher on or after September 1st of the current competition year.

3. Any section with 50 or more entries at the beginning of the first class must be divided. If there are 50 or more entries remaining in a section after it has been divided, the section must be redivided by every other number. Once a section has been redivided it may not be divided further.
4. In Performance Hunter, High Performance Hunter and any other sections where individual classes may be entered, the sections can be divided after thirty (30) horses have competed in the first over fences class. Subsequent classes may be divided once twelve (12) horses have competed in each class. For Championships, see HU145.
 - a. At all licensed competitions, if there are fewer than six entries in either the Performance Hunter 3’3” or Performance Hunter 3’6” they must be combined, but they cannot be combined with any other hunter sections, except High Performance Hunter. If there are six or more entries in each Performance Hunter section, they must be

HU - HUNTER DIVISION

held separately.

- b. At all licensed competitions, if the High Performance Hunter section has fewer than three entries, it may be combined with either the Performance Hunter 3'6" section or with the Green Hunter 3'9" section (or with Green Hunter 3'6"/3'9" if offered combined).
- c. When the High Performance Hunter section is combined with the Performance Hunter 3'6" section the following applies:
 1. When combining High Performance Hunter with Performance Hunters 3'6", the combined sections must offer the same number of classes offered by the Performance Hunter section(s) with which it is combined.
 2. When combining High Performance Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees. *BOD 1/16/16 Effective 12/1/16*
- d. When the High Performance Hunter section is combined with the Green Hunter section the following applies:

 2. If combined Green Hunter sections have fewer than three entries, they must be combined with High Performance Working Hunter.
 3. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.
 4. When combining High Performance Working Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.
 5. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. Management may determine a cutoff time for entering before redividing any section(s). *BOD 1/16/16 Effective 12/1/16*
6. Definition of Floating Split: A Floating Split allows management to adjust sections offered split by age in the prize list either up or down in one year increments until the minimum number of entries required for each new section has been reached. As long as the minimum requirements for splitting sections are met, management may split the sections using the age split they deem most appropriate for their competition. Rider age must be given on the entry blank.
7. Definition of a California Split:
 - a. The California Split is used to divide large classes. The judge keeps track of twice the number of placings required for either ribbons or the jog order. At the completion of the jog, the judge creates two separate orders using alternating numbers in the following manner: the highest score is first in Section A, the second highest score is first in Section B, the third highest score is second in Section A, the fourth highest score is second in Section B and so on until all placings are awarded or the jog order is complete. The result is two sections of the same class being pinned separately. **Competition Management may choose to split classes using the California Split after the class has started.** *BOD 11/7/16 Effective 12/1/16*

Example:

Horse's Placing	Prize Awarded
1st	1st
2nd	1st
3rd	2nd
4th	2nd
5th	3rd
6th	3rd
7th	4th
8th	4th
9th	5th
10th	5th
11th	6th
12th	6th
13th	7th
14th	7th
15th	8th
16th	8th

- a. Jog. The judge will call one jog order of up to twenty (20) horses. Once the horses have jogged for soundness and the jog has been made official, the A and B sections will be pinned using the California Split.
- b. Under Saddle. **A Section with twelve (12) or less must be judged as one class using the California Split.** Sections that are judged under the California Split must have results for Section A and B. A random split will be used for under saddle classes of more than twelve (12).
- c. **In reckoning Championship points, the top eight horses that receive the most points in the Over Fences classes are awarded points for the Under Saddle and/or Model class(es). The Championship is awarded as follows: Horse with most points—Champion Number 1. Horse with second highest points— Champion Number 2. Horse with third highest points—Reserve Champion Number 1. Horse with fourth highest points—Reserve Champion Number 2.**

8. Prize money in all rated classes at all licensed competitions must be distributed as follows: a minimum of 30% for 1st, 22% for 2nd, 15% for 3rd, with the balance to be distributed at competition management’s discretion.

- a. At a National or Premier rated competition, the Regular Pony Hunter section must be offered as three height sections (small, medium, and large) and the prize money must be tripled.
 1. If there are four (4) or more entries in each height section of an "A" rated Regular Pony Hunter section, the height sections must be held separately.
 2. Height sections may be combined if there are three (3) or fewer entries in any height section. Combined height sections should be either small/medium or medium/large but if possible not small/large.
 - b. Competitions may offer the Green Pony Hunter Section as three separate sections (small, medium and large);

however an "A" or "AA" or rated Green Pony Hunter Section must be offered as a minimum of two sections (small/medium and large).

1. National and Premier rated competitions must split (small, medium and large) if there are four (4) or more entries in any height section.
 2. Green Pony Hunter Sections at National and Premier rated competitions may be combined if there are less than four (4) entries in any height section.
4. If there are a minimum of 10 small/medium ponies combined and 10 large ponies in any "B" or "C" rated Regular or Green height Section, the height section must be divided (small/medium and large); prize money need not be doubled. If there is a total of thirty (30) ponies, prize money must be doubled.

HU118 Junior (3'3" and 3'6") & Children's Hunter Sections

1. When divided, sections must be split using one of the following options (Children's Hunter sections must be split in accordance with applicable Zone Specifications):
 - a. By age of rider (age must be given on entry blank);
 - b. By height of horse;
 - c. Floating Split (See HU112 for definition of Floating Split.);
 - d. California Split (See HU112 for definition of California Split.)
2. If there are 50 or more entries in the section at the beginning of the first class it must be divided by (a-d) above and the prize money must be doubled. A section with less than 30 entries cannot be divided.
3. If there are 50 or more entries remaining in a section after it has been divided, the section must be redivided and the prize money must be doubled. Once a section has been redivided it may be divided further if management so desires.
4. It is recommended that when competitions anticipate 50 horses or more this section be divided by (a) or (b) above when prize list is prepared.

HU119 Rated Section Requirements for Junior Hunters

1. "A" Rated 3'6" Junior Hunter Sections. At least two sections must be offered in the prize list. Four (4) or five (5) classes are required in each section with a minimum of \$500 prize money offered in each section. At Premier rated competitions, four 3'6" Junior Hunter sections must be offered in the prize list. (HU111.3).
2. 3'3" Junior Hunter Sections. Junior Hunter 3'3" may not be offered unless Junior Hunter 3'6" is also offered. Junior Hunter 3'3" may be offered as one section or may be offered as divided by size of horse and/or age of rider.
3. Management may elect to offer four (4) classes in "A" rated sections. If four (4) classes are offered at a multiple day competition, no more than two (2) classes may be held on one day and no more than 50% of the prize money may be offered on one day.
4. "B" Rated Sections. Three (3) or four (4) classes are required in each section with a minimum of \$100 in each section.
5. "C" rated Sections. No prize money is required.
6. Except for Medal classes, Junior Hunter over fences classes and Equitation classes over fences may be combined and held concurrently if separate judges officiate. Flat classes cannot be combined.

SUBCHAPTER HU-3 COURSES

HU120 General

1. All obstacles, except those noted below, must be set at required height. The required height may have a variance of no more than 2" over or under. Exceptions:
 - a. Walk fences may not exceed 2' in height and spread.

HU - HUNTER DIVISION

- b. Trot fences may not exceed 3' in height and spread for horses and 2' in height for ponies in classes restricted to ponies.
 - c. Brush obstacles, hedges, split-rail fences, simulated rock or stone walls, ditches, banks and other specialty jumps designed to simulate natural obstacles found in the hunt field.
 - d. The first fence of any hunter course.
2. Except in case of inclement weather, broken equipment or similar emergency a course must not be altered except by written permission of all exhibitors. If one or more original obstacles are rendered unusable during a class and no duplicate exists, management may substitute obstacles which approximate as nearly as possible the originals.
 3. In classes where Federation course requirements have not been met and the violation has not been observed and corrected prior to the third competitor's performance, the class must be completed without altering the course and the results will stand for the purposes of the Championship.
 - a. With the exception of a course set at an improper height, competitors who have gone over the course with the violation have the option of re-jumping the course.
 - b. Classes conducted over improper courses are ineligible for Federation Horse of the Year Award points.
 4. Horses must be shown over a minimum of eight obstacles the required height in all "A", "B" or "C" rated sections.
 5. In all rated hunter sections, at least two different courses are required. At least one change of direction (change of lead) is required in every course. All "A" rated sections at National and Premier rated shows, except for Green Hunter Pony sections, must offer an over fence class as a handy hunter. This handy hunter class may not be the first class of a section nor can it be the designated first round of a classic when using one round of a section as the first round of a classic.
 6. No course may have exhibitors trotting or cantering through the in-gate or out-gate; any exhibitor choosing to trot or canter through the in-gate or out-gate will be eliminated.
 7. In over fences classes, riders shall not be required to hand gallop the first fence of a line consisting of a measured distance.
 8. A track is established once a horse has landed from a fence or completes a required test and follows the horse until the consecutive fence is jumped or the next test is executed. Upon completion of each consecutive fence or performance of the next test, the track is erased. Crossing a track between obstacles and/or required tests shall constitute a disobedience and will be penalized by the judge(s). Exceptions:
 - a. A course diagram that requires a rider to cross his track.
 - b. Snake or multiple panel jumps that are jumped consecutively.

HU121 Course Diagrams

1. Course diagrams must be posted at least one half-hour before scheduled time of class unless they have been illustrated in the prize list. The plan or diagram of the course must show the obstacles which must be taken in the order indicated by numbers but apart from this the rider is not bound to follow a compulsory track. An arrow is used on the diagram to indicate the direction in which each obstacle is to be taken. When distances between related fences in all classes, rated or unrated, are 100' or less, the distance must be included on the posted course diagram.
2. If the area of the courtesy circle is to be restricted by a mandatory line, the line must be indicated on the diagram and a corresponding barrier must be erected on the course. As this becomes part of the judging specifications, this policy must be clearly stated in the prize list (see GR901.10) and announced at least one hour prior to the class.
3. All posted courses at Federation-licensed competitions must include the numbers of fences to be jumped (i.e. Fences 1-8).

1. Obstacles must simulate those found in the hunting field such as natural post and rail, brush, stone wall, white board fence or gate, chicken coop, aiken, hedge, oxer, etc.
2. Chicken coops hinged at the top and free at the bottom; triple bars and hogs back; striped rails; targets; any spread over 4' and square oxers are prohibited.
3. Every course must have at least four different type obstacles. (Exception: see HU146.10). The jumpable portion of all obstacles must be a minimum width of eight feet wide.
4. A minimum 2" difference is required for the back element of an obstacle. A ground line is required for all obstacles except in Handy Hunter classes.
5. The top element of all obstacles must be securely placed with cups at least 1 1/2 inches deep and 3 inches wide so that a slight rub will not cause a knockdown and must be equally secure for different heights in the same class. At all Federation approved competitions, FEI approved safety mechanisms must be used in conjunction with a cup that is at least 1 1/2 inches deep and at least 3 inches wide for the back rail of all oxers. Logs, caps on walls and gates with a separate plank style top element that can be knocked down are permitted.
6. In Handy classes obstacles must simulate those found in trappy hunting country. The course must have at least two changes of direction and at least one in and out as well as three of the following: hand gallop a jump, bending line, rollback turn, fence at the end of the ring or open a gate while mounted or trot over one obstacle (exception: in and outs are optional for Pony Handy courses). Judges must place emphasis on promptness and tight turns with precedence being given in that order. Handiness is defined as time and ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Hand Gallop is defined as a significant increase in pace without sacrificing performance or style. Exception: Ins and outs are optional for Pony Handy Hunter classes.
7. For all hunter classes restricted to Ponies, the first obstacle of all courses must be a vertical. For pony hunter handy courses, leading over one obstacle as well as opening a gate are prohibited.

HU124 In and Outs

1. An in and out is considered as two obstacles in the required number of obstacles. It must never be used at the start of a course.
2. An in and out is two jumps set for one or two strides. The distance may be adjusted during a class requiring different fence heights. Exception: The distance must be adjusted in Pony Hunter classes, see HU125.

HU125 Pony Hunter

In the event that any or all of the Pony Hunter sections (Small, Medium, Large) are combined, the course designer may add or remove fill as necessary to meet the requirements of HU125 (spread of a jump). Every effort should be made to make the jump look as similar as possible at each height. Any removed fill should not be left next to the jump, and should be placed within an island or decoration, or removed completely from the ring.

1. Heights and Spreads.
 - a. Fences may be a maximum of 3" lower in Zones 11 and 12.
 - b. No minimum height required at Local Competitions.
 - c. Spread of jump may not exceed height and must be measured including flowers, brush and ground lines.
 - d. If a competition offers a team or pairs class or a pony hunter classic in which ponies of mixed heights are permitted, the prize list must state the height of the fences and stipulate all judging requirements.
2. Distances.
 - a. If the distance between related fences is less than 100' (including in and outs), the distance must be adjusted for each height section.
 - b. In "B", "C" and Local rated sections, there must not be any other fences in the same line as an in and out.

SUBCHAPTER HU-4 ATTIRE, TACK AND EQUIPMENT

HU126 Tack

1. Snaffles, pelhams and full bridles, all with cavesson nose bands, are required.

2. Horses must return to the ring for conformation or soundness wearing a snaffle, pelham or full bridle with a cavesson noseband.
3. Martingales of any type are prohibited in Under Saddle, hack and tie-breaking classes. Standing and running martingales used in the conventional manner are allowed for all over fences classes. All other martingales are considered illegal. A judge must eliminate a horse or pony that competes in a martingale other than a standing or running martingale used in the conventional manner.

HU127 Equipment

1. Light pads and bar shoes are permissible, however, bar shoes indicate a weakness and in Conformation classes a judge may penalize accordingly. All artificial appliances, including but not limited to nasal strips, boots, wraps and bandages are prohibited. In the case of inclement weather competition management may permit the use of bell boots.
2. Electronic Communication Devices
 - a. No mounted exhibitor may wear or carry an electronic communication device (i.e., cellular telephone, pager, walkie talkie, iPod, etc.) while in the competition ring. The penalty for wearing or carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried.
 - b. Electronic communication devices used for purposes of coaching, etc., between competitors and individuals outside the ring shall be prohibited in all classes.
 - c. Exhibitors who have a chronic condition may apply for a Presidential Modification exempting them from the provisions of this rule in accordance with GR152. Riders may not use these devices in over fences classes.
 - d. An exhibitor who has a chronic condition and has previously been granted at least one annual presidential modification related to the condition, may submit an application for approval of a special three-year presidential modification related to the same condition. The application must be accompanied by sufficient supporting documentation that the condition is unlikely to improve during the three-year period.
3. Any rider competing and or riding anywhere on the competition grounds with their stirrup, stirrup leather, or foot tied and/or secured in any manner, will automatically be eliminated from the entire competition. The steward will note the trainer name(s) on the stewards report and further disciplinary actions may be taken by the Federation.
4. Whips. Competitors are prohibited from carrying a whip that is longer than 30" (75cm) while jumping or schooling over fences. A rider may not carry more than one whip. Whips that are weighted at the end are prohibited. (Exception: Ladies Side Saddle and appointments classes. See HU130.)
5. No exhibitor may carry a whip longer than 30" while competing.

HU128 Attire

1. Protective headgear. All riders must wear protective headgear. See GR801.2. While competing in a jumping class, if a rider's chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her round without penalty or elimination. A judge may, but is not required, to stop a rider and ask them to refasten a chin strap

HU - HUNTER DIVISION

which has become unfastened, again without penalty to the rider.

2. Attire. Riders are required to wear conservatively colored coats (black, blue, green, grey or brown) which are free from adornment which in the judge's opinion is overly distracting. Shirts must have a choker, similar collar or tie. Breeches may be buff, canary, tan, rust or white.
3. Formal Attire. Riders are required to wear scarlet or dark coats; white shirts with white stock; white, buff or canary breeches. Members of the Armed Services or the Police may wear the Service Dress Uniform.

When management permits Hunter or Hunter Seat Equitation riders to ride without jackets, riders must wear traditional, short, or long-sleeved riding shirts with chokers or ties. Polo shirts and full chaps are not permitted except in unjudged warm-up classes. Management or Judge may eliminate an exhibitor who is inappropriately attired.

HU129 Hunt Colors

In classes restricted to members, subscribers or staff of a Hunt recognized by the Masters of Foxhounds Association, all riders who wear colors must carry a letter dated within the current year signifying that they are eligible. This letter must include the name of the Hunt and the color of the collar and must be signed by the Master or Honorary Secretary of that Hunt. The show committee must appoint a competent person to check these letters before riders compete in classes. If a rider holds a current letter but does not have it in his immediate possession or is entitled to receive one, the show committee may accept a signed statement to that effect which must be submitted to the Federation.

In classes restricted to junior exhibitors, rules concerning hunt colors will be strictly enforced. Unless a junior wears scarlet, brown boot tops are prohibited.

SUBCHAPTER HU-5 JUDGING

HU132 General

1. All classes must be judged on performance and soundness and when indicated, conformation, suitability or manners.
 - a. When a horse makes two faults at one obstacle only the major fault will be counted. (Exception: refusals count in addition.)
 - b. When an obstacle is composed of several elements in the same vertical plane, a fault at the top element is the only one penalized
 - c. At an in and out, the faults committed at each obstacle are considered separately. In case of a refusal or runout at the 2nd obstacle of an in and out, the competitor may rejump both obstacles of the in and out.
 - d. Judges must penalize unsafe jumping and bad form over fences, whether touched or untouched.
 - e. Teams, pairs and unicorns (abreast and tandem) should be judged as a single unit, scoring only major faults at each obstacle. (Exception: in cases where two or more horses have knockdowns or refusals, they are scored cumulatively.) In tandem formation, faults for horses not keeping proper hunting distance apart and in abreast formation, faults for horses not keeping abreast will be calculated at the rate of 1/2 fault for each 1/2 horse's length and are cumulative at each obstacle, as well as at each end of the ring; or on an outside course, at each obstacle and between each obstacle. No additional penalty for finishing out of original order.
 - f. In classics and when a class is held on an outside course, brilliance should be emphasized.
2. Circling once upon entering the ring and once upon leaving is permissible.
3. In all classes over obstacles, all horses being considered for an award must jog for soundness in the judge's order of preference prior to being judged for conformation. Two more entries than the number of ribbons must jog if there are sufficient entries. Horses may not leave the ring until the jog is declared official by the judge. A horse that leaves the ring prior to the jog being declared official will be eliminated. A horse that is unruly, one that breaks away from the handler or one whose actions threaten to endanger the rider, handler, other exhibitors or their entries will be eliminated. (Exception: Hunter Breeding and Pony Breeding). A horse may not be eliminated for receiving outside assistance in the jog.
4. In classes over obstacles, competitors cannot be requested to show at a walk, trot and canter or to re-jump the

HU - HUNTER DIVISION

course unless eliminations are held. If eliminations are held, the finals are judged as an independent class.

5. After all competitors have had an opportunity to compete over a course in the High Performance **Hunter** and Performance **Hunter** section, competitors with faults which would eliminate the competitor from the ribbons, may be excused **by the judge** at management's discretion, provided four (4) more competitors than the number of ribbons awarded have completed the course. In Green **Hunter** classes riders are encouraged to withdraw after a major fault. *BOD 1/16/16 Effective 12/1/16*
6. In cases of broken equipment or loss of shoe while competing, the rider or handler may choose to continue without penalty. If they decide to stop to address the situation that rider/handler will be eliminated. In the case of the jump(s) falling over due to weather or act of God, the rider must remain in the ring until receiving instructions from the judge(s) or be eliminated. In this instance, the decision of the judge(s) is final.
7. In the event of elimination, the horse must exit the ring immediately.
8. Obstacle Not Properly Set. If a competitor jumps an obstacle that has not been reset, or has been reset improperly, due to it being downed by a previous competitor, the weather, or some other factor, the competitor receives no penalty. However, if the competitor knocks down the obstacle he will be penalized accordingly.

HU133 Definition of Competed

A horse has competed in an over fences class when the horse's entry number and a score for at least the first jump are recorded on the judges card. A horse failing to complete the entire course is not eligible to receive points, awards, or prize money. A horse has competed in an under saddle class when the horse has entered the ring. When three or fewer horses compete in an under saddle class, all horses' numbers must be listed on the judges card regardless of whether they receive an award.

HU134 Soundness

All horses must be serviceably sound. All horses being considered for an award must jog for soundness with rider dismounted. (Exception: Under Saddle classes, classes with specifications that do not require horses to jog, unrated classes, and classes at Local Competitions). Horses may not leave the ring until the jog is declared official by the judge. A horse that leaves the ring prior to the jog being declared official will be eliminated. A horse that is unruly, one that breaks away from the handler or one whose actions threaten to endanger the rider, handler, or other exhibitors or their entries will be eliminated. (Exception: Hunter Breeding and Pony Breeding). A horse may not be eliminated for receiving outside assistance in the jog. **In classes restricted to ponies a junior must jog the horse for soundness.** Horses that are not serviceably sound are ineligible for an award, including under saddle classes. *BOD 1/16/16 Effective 12/1/16*

HU135 Conformation

Quality, substance and soundness. Judges must penalize but not necessarily eliminate horses with structural faults, defects and blemishes (such as pinfiring) in areas which might impair their activity and durability. Horses must be stripped for conformation judging in any class. (Exception: Under Saddle classes.)

HU136 Performance

1. An even hunting pace, manners, jumping style together with faults and way of moving over the course. Manners to be emphasized in Ladies and Amateur classes; brilliance in Corinthian and Formal Hunting Attire classes.
2. When the class is held in a ring, the performance starts as the competitor enters and ends when he leaves. When the class is held outside, the performance starts at any spot designated by competition management and ends at any spot so designated. If the start and finish are not clearly set forth, it is suggested that a judge consider the start approximately 50' before the first obstacle and the finish approximately 50' after the last.

HU137 Faults

1. The following faults are scored according to the judges opinion and depending on severity or division, may be considered minor or major faults.
 - a. Rubbing the jump
 - b. Swapping leads in a line or in front of a jump
 - c. Late lead changes
 - d. Spooking
 - e. Kicking up or out
 - f. Jumping out of form

 - j. Eliminating a stride in a line with a related distance
 - k. Striking off on a wrong lead on the courtesy circle. (May be corrected with either a simple or flying change of lead)
2. The following are considered major faults.
 - a. Knockdown
 - b. Refusal
 - c. Refusal or stopping while on course
 - d. Crossing the track. A track is established once a horse has landed from a fence or completes a required test and follows the horse until the consecutive fence is jumped or the next test is executed. Upon completion of each consecutive fence or performance of the next test, the track is erased. Crossing a track between obstacles and/or required tests shall constitute a disobedience and will be penalized by the judge(s). Exceptions
 1. A course diagram that requires a rider to cross his track.
 2. Snake or multiple panel jumps that are jumped consecutively.
 - e. Dangerous jumping
 - f. Addressing a jump - coming to a stop in front of a jump in order to show the jump to the horse.
 - g. Completely missing a lead change
 - h. Adding or eliminating a stride in an in and out.
 - i. Breaking stride, or Trotting while on course. (Exceptions-Where posted on the course diagram i.e. trot jumps, steep banks, etc, and also as outlined above in HU137.1k. Striking off on a wrong lead on the courtesy circle.)
3. The following constitute elimination.
 - a. Three refusals (Exception: US Pony Hunter National Championship and US Junior Hunter National Championship, exhibitors will be eliminated after two cumulative refusals).
 - b. Off course
 - c. Jumping course before it is reset
 - d. Bolting from the ring
 - e. Fall of horse and/or rider (rider shall not remount in the ring).
 - f. Stopping for loss of shoe or broken equipment.
 - g. In model classes, a horse or pony that breaks away from the handler or one whose actions threaten to endanger the rider, handler, other exhibitors or their entries. Exception: Hunter Breeding and Pony Breeding classes.

HU138 Pony Hunter

Manners of the pony and suitability of the pony to the rider must be emphasized in all classes. Extreme speed must be penalized. Suitability of a pony for a rider is determined by height of rider as related to the height of the pony. Judges must penalize but not necessarily eliminate an entry not having such suitability and manners.

HU139 Junior & Children's Hunter

1. Junior Hunter. In all classes manners will be emphasized and extreme speed will be penalized.
2. Conformation is not to exceed 25% in any class except a Model class. In Junior Working Hunter sections no more than 50% of the classes may be judged on conformation.
3. Children's Hunter. Unless the USHJA submits their Zone specifications to the Federation by August 1 of the previous year, the following specifications will apply for the Children's Hunter section: Open to horses and ponies to be ridden by a junior exhibitor. See also HU101.6 and HU109.

SUBCHAPTER HU-6 CLASS SPECIFICATIONS

HU140 Under Saddle and Hack Classes

1. In Under Saddle and Hunter Hack classes, horses are shown at a walk, trot and canter both ways of the ring. Light contact with the horse's mouth is required. Horses should be obedient, alert, responsive and move freely. They should not be eliminated for slight errors. Judges may ask horses to hand gallop collectively, one way of the ring. (Exception: green classes.) No more than eight will be asked to hand gallop at one time. (Exception: Hunter National Championships see Championship Specifications) All horses being considered for an award must be serviceably sound.
2. To be eligible for a Model or Under Saddle class counting toward a Championship in any "A" or "B" rated section, horses must be entered in at least one full point class over obstacles in the same section during the competition. Three classes must be offered: Over Fences, Under Saddle and Hunter Hack. All three classes will count equally for the Championship. In cases of ties, horses are to hack off for Champion and Reserve. HOTY points will be awarded in the Over Fences classes to entries that place, provided that there are at least three horses entered and shown in the Over Fences class. At least three entries must compete in the Under Saddle class and the Hunter Hack class for HOTY points to count. All horses being considered for an award must be serviceably sound.

1. Over Fences: To be shown over a course of at least eight fences 3' in height. No in and out to be used.

HU146 Hunter Classics

1. Any Premier, National, Regional I or Regional II rated competition may offer a Hunter Classic.
2. Hunter Classics may be offered for any rated sections offered and held at the same competition. An Open Hunter Classic is a classic that is open to entries from multiple hunter sections of the same rating. It is permitted for Open Hunter Classics to encompass several fence heights to correspond with the respective hunter sections being offered. It is not permitted for an Open Hunter Classic to encompass multiple ratings. The prize list must state the specific hunter sections that are invited to compete in the Open Hunter Classic. If a horse competes in more than one hunter section qualifying for the Open Hunter Classic, the exhibitor must declare their point section to the Competition Secretary. All other provisions of HU 145 apply to Open Hunter Classics.
 - a. Six (6) entries are required to conduct a Hunter Classic.
 - b. If there are fewer than six (6) entries in any one Hunter Classic, it may combine with other sections of the same rating. Exception: The Adult Amateur Hunter Classic, Children's Pony Hunter Classic and Children's Hunter Classic may be held with the number of entries indicated in the Zone specifications. If Hunter Classics are combined and a horse is shown in more than one section qualifying for the Hunter Classic, the exhibitor must declare their point section to the Competition Secretary.
 - c. Hunter Classics cannot be divided in any manner and held by section if there are fewer than six (6) entries in each divided section. Exception: "A" rated sections must have twelve (12) entries to divide.
3. All Hunter Classics must be conducted as a two round class. A handy hunter round may not be used as part of a Hunter Classic. A Hunter Classic may be conducted as a separate two round class or a designated hunter class of the specified Hunter section may be counted as the first round of the Hunter Classic. However, the second round may not be another designated class in the Hunter section, but must be held as a separate round. If a designated class is used as a first round, each round shall count 50%.
4. At National and Premier competitions, in sections with an "A" rating, Hunter Classics conducted using either a designated hunter class as the first round or a separate two round class must offer at least \$1000 in prize money and sections with a "B" or "C" rating must offer at least \$500 in prize money. (Exception: Pony Hunter Classics in sections with an "A" or "B" rating must offer at least \$500 in prize money; Children's Hunter Pony is not required to offer prize money). At Regional I and Regional II competitions, in sections with a "B" or "C" rating, Hunter Classics conducted using either a designated hunter class as the first round or a separate two round class must offer at least \$250 in prize money (Exception: Children's Hunter Pony is not required to offer prize money and if a Children's Hunter Horse and Children's Hunter Pony Classics are combined, the competition is not required to offer prize money in the combined Classic). At Premier, National, Regional I and Regional II competitions, when a Hunter Classic is conducted as a separate two round class, the minimum prize money offered as stated above.
5. The entry fee may not exceed 10% of the prize money offered in the Hunter Classic.

HU - HUNTER DIVISION

6. To be eligible, horses must have entered, shown and completed the course in at least two classes in the Hunter section. All horses being considered for an award must be serviceably sound and may be jogged if so stated in the prize list.
7. A minimum of the top 12 entries, if available, or 50% of the entries in the first round, whichever is greater, will return for the second round. If a horse or pony is eliminated in the first round of competition, they may not return for the second round. If a horse/rider combination does not return for the second round or is eliminated during the second round of a classic, a score of zero will be combined with the first round score and the horse/rider combination will be placed accordingly. If possible, twelve places are to be awarded.
8. The Hunter Classic does not count toward the minimum number of classes required for the section's rating.
9. Bonus points will be awarded toward Horse of the Year Awards in the horse's respective section and are based on the number of horses that compete in the classic. In a Hunter Classic using a designated class of the hunter section as the first round, the number of horses that compete in the classic is determined by the number of horses who have entered and competed in the first round of the classic, not the designated class used as the first round. In a Hunter Classic held as a separate two round class, the number of horses that compete in the classic is determined by the number of horses who compete in the first round of the classic.

The bonus points are as follows:

- a. In a Hunter Classic using a designated class as the first round, the bonus points for Zone HOTY are determined by adding one point for each entry that competes in the first round of a classic to the applicable increment in GR1131.5 and multiplying the result by 1.25.
 - b. In a Hunter Classic held as a separate two round class, the bonus points for Zone HOTY are determined by adding one point for each entry that competes in the first round of a classic to the applicable increment in GR1131.5 and multiplying the result by 1.5.
 - c. In a Hunter Classic using a designated class as the first round, the bonus points for National HOTY are determined by adding one point for each entry that competes in the classic to the applicable increment in GR1131.5 and multiplying the result by 1.75.
 - d. In a Hunter Classic held as a separate two round class, the bonus points for National HOTY are determined by adding one point for each entry that competes in the classic to the applicable increment in GR1131.5 and multiplying the result by 2.
10. The first round of all hunter classics must consist of eight (8) to ten (10) obstacles in accordance with HU117. In the second round of all hunter classics the course must consist of a minimum of ten (10) obstacles of at least six different types.
 11. An open numerical judging system must be used. If there are multiple judging panels, one judging panel must be appointed as the tie breaker.
 12. Attire: riders are required to comply with HU128.
 13. There is no limit to the number of horses a rider may compete on in a Hunter Classic. Exception: Competitors in a Regular or Green Hunter Pony Classic may only ride two ponies per height section.
 14. The same horse/rider combination must compete in both rounds of a Hunter Classic.
 15. A horse may not compete in more than one classic per section but may compete in an open classic, a USHJA National Hunter Derby, a USHJA International Hunter Derby Welcome Stake or a USHJA International Hunter Derby at the same competition. A horse is limited to competing in a maximum of two classics or derbies or combination of classics and derbies per competition. The USHJA International Hunter Derby Welcome Stake is considered a "Derby" for the purposes of this rule. (Exception: Leagues approved by the Federation in accordance with GR915.2c).
 16. The same pony may not compete in the USHJA Pony Hunter Derby and the USHJA National Hunter Derby at the same competition.
 17. If more than 30 horses are entered in a Junior Hunter Classic, the classic must be split in accordance with HU118.

BOD 1/16/16 Effective 12/1/16

HU147 Pony Hunter

1. Class Specifications.
 - a. Classes are the same as those listed for Hunters. Maiden, Novice, Limit and Green Ponies are not to gallop.
 - b. Conformation must not exceed 25% in any class except a Model class.
 - c. Appointment classes are prohibited in all competitions. Uniformity and similarity may count 15% in Team and Pair classes.
 - d. Model and Conformation classes should occur on the same day.

SUBCHAPTER HU-7 CHAMPIONSHIPS

HU148 General

1. Championships must be offered in "A" and "B" rated sections.
2. A Championship may not be offered in a section unless a minimum of two over fences classes and one Under Saddle class are held. A Championship will not count for points unless a minimum of three entries compete in at least two over fences classes and one under saddle class (Exception: Ladies Side Saddle, see HU145; **Performance Hunter, High Performance Hunter, and any other sections where individual classes may be entered, see HU148.3**). If a competition offers more than one Under Saddle class in any one section, only one will count towards the Championship. (Exception: classes divided as to weight, height, age or breeding.) The prize list must specify the class to count.
3. **The number of Championship and Reserve Championships that are awarded will be determined by the number of sections created from dividing the first over fences class. In order to award a section Championship in the Performance Hunter, High Performance Hunter, and any other sections where individual classes may be entered at least two (2) over fences classes per section and one (1) under saddle class must be held in which a minimum of three (3) entries compete. When multiple Championships are awarded when using the California Split method, under saddle classes with fewer than thirty (30) entries are not required to be split. When multiple Championships are awarded and only one under saddle class is held the points from the one under saddle class will be used to calculate the Championship for both sections. When a random split is used, multiple Championships may only be awarded if a minimum of two (2) over fences and one (1) under saddle class are held per section. BOD 11/7/16 Effective 12/1/16**
 - a. When a Championship is offered, management must keep a score card or chart of winnings throughout the competition, which must be prominently displayed so that exhibitors may inspect it at all times. Only the first six ribbons count towards Championships regardless of the number offered.
 - b. Ribbons won in classes with specifications restricting horses in any manner, will not count toward any Championship unless such classes are complementary and over the same course, affording equal opportunity to all horses competing. If, however, competition management, having reserved the right to do so in the prize list, combines two or more complementary classes because of insufficient entries, thus making one open class, ribbons won in such a class count toward the Championship.

HU149 Eligibility

1. General.
 - a. The Champion and Reserve Champion titles are awarded to the top two of the four horses that acquired the most points performing over a regulation course with obstacles at the full height required in the section in which shown, except under the provisions of HU110. In addition to these points, only these four horses, receive half points for ribbons won in Model classes and full points for ribbons won in one Under Saddle class. Exception: High Performance and Performance Hunter sections with three classes receive half points for the under saddle class, see HU106.

HU - HUNTER DIVISION

- b. The prize list must state the numbers of the full point and half point classes counting towards the Championship in each section.
2. The following classes do not count towards nor make a horse eligible for Championships: Appointment, Breeding, Local, Junior, Consolation, Maiden, Novice, Limit, Owners, Hunter Hack, Pairs, Teams and any class restricted unless complementary classes are offered. Points won in one section do not count towards nor make a horse eligible for the Championship in another section.

HU150 Ties

1. In case of a tie score the Championship and/or Reserve is awarded to the horse that accumulated the most points over fences. If horses have an equal number of points over fences and no points under saddle, the tied horses will be asked to compete in a hack off, or independent under saddle class, to be judged on soundness and performance at the walk, trot and canter. Competitors may be asked to hand gallop at the discretion of the judge. (Exception: Green Hunters and Young Hunters.) Any competitor may concede to the other if they choose not to hack off, or if both competitors agree, they may choose to break the tie with a coin toss. If horses have an equal number of points over fences, under saddle, and model (i.e. Green Conformation Hunter 3'6" or High Performance Conformation Hunter) the tie will stand as is and both horses will receive Horse of the Year Points in their respective Champion and/or Reserve position.
2. If all tied horses are declared unsound, selection of the winner among such tied competitors is left to the discretion of the judges. *BOD 1/16/16 Effective 12/1/16*

HU151 Combination Hunter Championship

All competitions with a limited number of Hunter classes, including events in more than one section (i.e. High Performance Conformation or Green Conformation Hunter 3'6", Green, High Performance or Performance Hunter), may count points won in such classes toward a Combination Hunter Championship. A Combination Hunter Championship and Reserve are awarded to two of the four horses which have acquired the most points performing over a regulation Hunter course with fences the height required in the section in which shown. In addition to these points, only these horses receive half points for ribbons won in Model, Maiden, Novice, Limit and Green classes and full points for ribbons won in one Under Saddle class or, if not held, in one Hunter Hack class, if otherwise qualified. The prize list must specify which classes count. This Championship does not count toward a Federation Horse of the Year Award except for Amateur Owners Hunters. *BOD 1/16/16 Effective 12/1/16*

HU152 Pony Hunter

1. Separate Championships must be offered when all classes are divided into height sections but cannot be offered unless they are divided. See HU148 – HU151 for all requirements.
2. Championships. Show Champions and Reserve Champions are selected as outlined in GR808.

HU153 Junior & Children's Hunter

1. Separate Championships must be offered when all classes are divided but cannot be offered unless they are divided.
2. The Champion and Reserve titles are awarded to the top two of the four horses which have acquired the most points performing over a regulation course in the Junior Hunter section. In addition to these points only these horses will receive half points for ribbons won in Model classes and full points for ribbons won in Under Saddle classes if otherwise qualified. The prize list must specify which classes will count.

SUBCHAPTER HU-8 CONDUCT

HU154 Veterinarian

In reference to GR1211.4.a., every competition must have a qualified veterinarian present throughout the competition if the previous year's competition's entry number was 200 horses or greater.

HU155 Judges

(See HU129)

1. In "A" rated sections, at least one judge of Registered status must officiate. Recorded judges with Special judge's card may not officiate alone.
2. All judges who are assigned to a Conformation section must judge the Model class.
3. In "A" rated Hunter sections at Premier rated competitions, a minimum of two judges must officiate. They may officiate independently or together. If judging independently, no more than 60% of the classes in the section may be officiated by the same judge. (Exception: High Performance Working Hunter, Performance Hunter 3'6, Performance Hunter 3'3" and Pony Hunter sections held on one day).

HU156 Course Designers

1. The licensed Hunter Course Designer, or his designated representative, must be present during all Hunter and Hunter Seat Equitation classes for which he has responsibility and over sees the courses are properly set for the competition. Course Designer should be available to report to the judge at any time. (Exception: breed restricted competitions and open competitions with 50% or more breed restricted classes.)
2. A minimum of an "r" license is required to officiate alone at a National or Premier rated competition with a Hunter class offering up to \$4,999 in prize money.
3. An "R" license is required to officiate in any class offering \$5,000 or more in prize money.

HU157 Schooling

1. Schooling is permitted in accordance with GR834, GR835, GR837 and HU Appendix A.
2. Schooling areas for hunters must contain adequate standards, jump cups and rail and hunter-type rails to make a minimum of a trotting fence, a vertical and an oxer.
3. FEI approved safety cups must be made readily available for each hunter schooling area. Breakable pins such as wooden dowels are permitted only when safety cups are not available.

HU158 Back to Back Classes

No more than two rounds may be ridden back to back. In sections where three classes over fences are held on one day and the section has eight or fewer exhibitors, all three over fences classes may be held using back to back rounds with the judge's consent. Classes using this format must be jogged, if required, and pinned separately, following the last class. Management may not require back to back rounds in rated classes. Management may not require a judge to score more than three classes concurrently. Classes run back to back must be in the same division (i.e. Hunter or Equitation). Exception: USEF Pony Medal and WIHS Equitation Hunter Phase.

HU159 Jumping Order

1. If a jumping order is established it must be posted in a conspicuous place at least one-half hour before the class. The jumping order must be legible to a mounted rider. If a jumping order is used throughout the section, a systematic rotation of the starting list must be employed so that a complete cycle is made during the competition. Failure to enter the ring within one minute after an audible signal to proceed is given incurs elimination. The time limit for entering the ring must be enforced by competition management. Management may permit a rider to compete out of order to minimize delays and in case of class conflicts.

2. Establishing the Order. (Either manually or via computer) The jumping order for the first round must be established by one of the following procedures:
 - c. The horses' names are drawn individually, starting with the first position and then working down. The horses' names are listed and their positions drawn.
 - d. The horses' names and the positions are both drawn.
 - e. The horses' names are listed (with multiple rides pre-spaced) with the first name drawn becoming the first horse to compete in the first round, the remaining horses following from that point (i.e., the horses' name after the one drawn first is second, the next one third, etc.).

HU160 Entry Fees

1. No competition may require a combined entry fee in any "B" or "C" rated section. A horse that is entered in a section that requires a combined entry fee may be entered in individual classes in another section for which he is qualified. (Exception: the horse may not be entered in the stake class unless it has met all qualifications.) A horse that is exhibited in the first performance class of an "A" rated section must pay a combined entry fee. After the first performance class exhibitors may enter individual classes at management's discretion.
2. A Model class may not be included in a combined entry fee. It must always be offered separately as an optional class.
BOD 1/16/16 Effective 12/1/16

HU161 Scheduling

1. "A" rated Hunter sections may be held and judged on one or more days. If held on one day "A" sections **are** limited to a maximum of four classes per section (3 over fences and 1 under saddle).  - a. At National and Premier rated competitions **the** High Performance Working Hunter section must be offered. Exception: competitions restricted to Juniors and Amateurs.
 - b. National rated competitions must be held and judged over a minimum of three (3) days on the same competition grounds. A minimum of **ten** "A" rated hunter sections **listed in GR313.6** must be offered. **Additionally, a minimum of five (5) "A" and/or "C" rated hunter sections listed in GR313.6 must be held and judged. Ladies Side Saddle does not count towards these requirements.** A minimum of two performance classes from two different "A" rated Hunter sections must be scheduled and judged on each of the three days. A minimum of \$5,000 in prize money, must be paid in the rated Hunter sections of a National competition. A maximum of \$2,000 of Hunter Classic, **USHJA Pony Hunter Derby, USHJA National Hunter Derby, USHJA Green Hunter Incentive, and/or USHJA Green Hunter Challenge** prize money can be used towards calculating the \$5,000 of required prize money for a National rated competition. **Exception: A minimum of \$3,000 in prize money, must be paid in the rated Hunter sections of a National competition restricted to Juniors and/or Amateurs. A maximum of \$1,000 of Hunter Classic USHJA National Hunter Derby, USHJA Green Hunter Incentive, and/or USHJA Green Hunter Challenge prize money can be used towards calculating the \$3,000 of required prize money for a National rated competition restricted to Juniors and/or Amateurs.**
 - c. Premier rated competitions must be held and judged over a minimum of five (5) days on the same competition grounds. A minimum of **fifteen** "A" rated Hunter sections **listed in GR312.6** must be offered. **Additionally, a minimum of ten "A" and/or "C" rated hunter sections listed in GR 312.6 must be held and judged, a maximum of four of which can be "C" rated sections. of a Premier competition. A maximum of \$5,000 of Hunter Classic, USHJA International Hunter Derby, **USHJA International Hunter Derby Welcome Stake**, **USHJA Pony Hunter Derby**, USHJA National Hunter Derby, **USHJA Green Hunter Incentive**, and/or **USHJA Green Hunter Challenge** prize money can be used towards calculating the \$24,000 of prize money, including add-back money if any, which must be paid for a Premier rated competition. If an add-back is offered, the minimum required prize money for that section must be guaranteed, and the add-backs must be clearly indicated in the prize list. Exception: If sections are canceled or entries are insufficient to award all prize money, then additional money not awarded must be pooled and redistributed 60% to the champions, and 40% to the reserve champions of the remaining "A" rated hunter sections.

- d. Rated competitions which restrict entries in the rated Hunter sections to juniors and amateurs must be held on a minimum of two consecutive non-school days within the public school system, at the location of the competition, on the same competition grounds. **A minimum of six "A" rated Hunter sections listed in GR 312.6 must be offered. Additionally, a minimum of three "A" and/or "C" rated hunter sections listed in GR 312.6 must be held. Ladies Side Saddle does not count towards these requirements. BOD 1/16/16 Effective 12/1/16**
 - e. At Federation licensed Junior/Amateur competitions, the only rated Hunter sections that may be held are those which are restricted by definition to the participation of juniors and amateurs (example: Junior, Amateur, Children's, Adult and Pony). Exception: Pony Hunter Breeding and Hunter Breeding classes.
2. National rated competitions must state their National or Premier rating clearly on the cover of the prize list.
 3. Competitions cannot offer more than the required amount of classes for an "A" or "B" section rating. Model classes and Classics do not count toward the number of classes required, (Model classes must be offered in "A" rated Conformation sections in addition to the four or five required classes), therefore, they can be offered as additional classes. In addition, Model and Classics do not count towards the number of required classes to meet the rating requirement, therefore the prize money offered in Model and/or Classic classes cannot be used to determine the amount of required prize money to calculate the Premier rating. (Exception: see HU158.1c).
 4. No more than three (3) classes in any "A" rated hunter section at a National or Premier rated competition may be held in one day if the section is held over two days. (Exception: Model classes in Green **Conformation Hunter 3'6"** and **High Performance Conformation Hunter** sections may be held as a fourth class. High Performance Hunter, Performance Hunter 3'6" and Performance Hunter 3'3" at National and Premier rated competitions and Pony Hunter sections at National rated competitions may be held on one day.)
 - a. At National and Premier rated competitions, classes in recognized sections must be run on consecutive days.
 - b. (Exception: **hunter** classics).
 5. At all Regular Competitions, an Under Saddle class cannot be the first performance class held in a section. (Exception: Ladies Hunter Side Saddle and un-rated **sections**). **BOD 1/16/16 Effective 12/1/16**
 6. A Model class must be offered as the first class in an "A" rated Conformation Section.
 7. All Amateur Owner classes should be scheduled in as short a period of time as possible.

HU163 Prize Money

1. Prize money offered in the open sections must be awarded on an escalating scale related to the height of fences.
2. No more than 60% of the prize money in the required classes for an "A" rated section may be offered on any one day when the division is held on two or more days, exception: "A" rated sections in which all required classes are held on one day. Prize money offered in Model classes and Classics at Premier rated competitions including add-back money, if any, in rated Hunter sections, does not count toward the minimum prize money required for a section's rating nor is it considered for purposes of determining 60% to be offered.

HU164 Challenge Trophies

If a Challenge Trophy for a Championship is being offered in a section that has not previously been divided it must be awarded to the horse which has obtained the most points towards the Championship in its respective section. If a Challenge Trophy for a class is being offered in a class that has not previously been divided it shall be awarded to the first place winner with the best performance.

HU165 Pony Hunter

SUBCHAPTER HU-10 MEASUREMENT

HU171 General

1. Horses or ponies competing in any division, section or class where height is a requirement must be measured. Measurements will be conducted in accordance with HU172.1 below.
2. Competition Management is required to check measurement cards for horses or ponies showing in divisions, sections, or classes where height is a requirement. Management shall not provide a back number to an animal entered in such sections unless the exhibitor or his agent is in possession of:
 - a. the original or a copy of a measurement card issued by the Federation. Equine Canada measurement cards are not acceptable proof of height.
 - b. a copy of a valid measurement form.
3. It is the responsibility of each owner to possess a valid measurement card for horses and ponies showing in divisions, sections or classes where height is a requirement.
4. Failure to comply with this rule by the owner, trainer or competition will result in a charge pursuant to GR6 and GR7.
5. Competition management may, at its discretion, confirm any of the foregoing information electronically with the Federation office.
6. If an exhibitor, owner, or trainer requests a reprint of a measurement card from the Federation office after the original measurement card has been issued, there will be a \$10.00 fee for service charged to the requestor.
7. All horses and ponies that are presented for measurement of any kind are subject to drug testing.
8. Measurements must be performed by a steward and the official competition veterinarian. The official competition veterinarian must confirm the age of the horse or pony and that it was jogged and is serviceably sound. Upon the official competition veterinarian's verification of soundness, the steward's measurement is final. The steward and the official competition veterinarian shall sign the measurement form. A steward may not measure a horse or pony that is owned by a member of his family or by any of his or his family member's clients. (See GR1038.4)
 - a. Written reports of every measurement or attempt to measure must be sent to the Federation's Lexington, KY office together with the Steward's Report, or the steward will be subject to charges and penalties per Chapters GR6 and GR7.

HU - HUNTER DIVISION

- b. The steward shall be either a steward officiating at the competition or a steward authorized in writing to conduct the measurement by the Federation CEO or his designee. If the official competition veterinarian is not present at the competition, or not available when on call (see GR1210.3) the measurement may be conducted by a steward and a judge officiating at the competition, or another steward officiating at the competition; however, the measurement will be for the purposes of that competition only and no measurement card will be issued. Measurement forms will be sent to the Federation, but will not be given to the owner. (Exception: Exhibitors will not be penalized by having points withheld for measurement forms that are incorrectly filled out by USEF stewards and /or competition management and/or competition veterinarians.
9. Stewards who perform measurements and other competition officials present who measure horses or ponies at a competition are responsible for their true measurement and must use the Federation approved measurement stick (See HU175). The names of the measuring stewards will be printed on the measurement card and they and other measuring officials will be subject to charges of rule violations for hearing and determination pursuant to Chapters GR6 and GR7 if it is subsequently determined that a measurement is incorrect.
10. Measurements are solely for the internal use of the Federation, its Licensed Competitions and its licensed officials in connection with competing for prizes, and do not constitute any representation or warranty regarding measurement information; accordingly, the Federation, its Licensed Competitions and its licensed officials make no representation and shall have no liability whatsoever for measurement errors.
11. Measurements must take place at a Licensed Competition in which the horse or pony is entered to compete. Once the pony or horse has been measured the measurement is effective whether or not the pony or horse does in fact compete; whether or not the pony or horse competes, it is also subject to drug testing.
12. Measurement forms received by the Federation that have inconsistencies or errors may be denied a measurement card at the discretion of the Federation. If the horse or pony is denied a measurement card, The Federation will notify the owner of the horse or pony and they must be measured before they are eligible to show.

HU172 Required Measurements

1. A horse or pony must be measured each competition year until it reaches the age of eight. Horses and ponies that are seven years and under will be issued a Temporary Measurement card designating the year measured. Horses and ponies that are eight years of age and over will be issued a Standard Measurement card which does not need to be renewed. Horses and ponies may not be measured by the same steward for their Standard Measurement Card and the card preceding the Standard Measurement card. The Federation will invalidate a Standard Measurement card that does not comply with this rule.
 - a. Those horses and ponies that are measured (and for which a valid measurement form is received by the Federation office) in the month of December immediately preceding the calendar year in which they turn eight years of age will be issued a Standard Measurement card that does not have to be renewed.
 - b. For ponies, with the exception of ponies under eight years old, once a pony is issued a Standard Measurement card, a new card will not be issued unless the height of the pony is protested and upheld, or unless an appeal is made and the remeasurement results in the pony moving to a section other than that indicated on its current measurement card.
 - c. For horses, with the exception of horses under eight years old, once a horse is issued a Standard Measurement card, a new card will not be issued unless the height of the horse is protested and upheld, or unless an appeal is made and the remeasurement results in the horse moving to a section other than that indicated on its current measurement card.
2. All horses and ponies issued a Standard Measurement card prior to December 1, 2014 are not required to be re-measured for a Standard Measurement card.
3. If an owner fails to present a valid measurement card or form or if Management cannot confirm the measurement

The official completing the form must designate on the form that the owner is a current member or that the membership has been applied for (See HU173) and that the horse or pony is entered in a class at that competition. The white copy is given to the owner or trainer and the blue copy, with applicable fee, is returned to the Federation office.
 - d. No changes can be made to such information once the form is signed. Any alterations, scratch outs, or rewrites to any part of the height must be clearly indicated and initialed by the measuring officials.
2. Before an animal is measured for a measurement card, the animal must be jogged for soundness on a firm, level surface with the official competition veterinarian in attendance, and show no evidence of lameness. If found to be lame by the official competition veterinarian, said animal cannot show at that competition and no measurement may be conducted. If an animal whose height has been protested is found to be lame by the official competition veterinarian, the measurement card will be held by the Federation and the owners must request an appeal measurement in order to reinstate the card.
3. Federation officials are not to perform "courtesy", "trial", or repeat measurements. Once a pony or horse is presented for measurement, the owner/agent must accept the resulting measurement.
4. The owner will retain the white copy which, when properly signed by the two officials who have made the measurement, is valid for 45 days from the time the animal is measured, regardless of age.
5. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the animal's breed registration papers or a signed statement from a veterinarian certifying the animal's age.

3. The animal may be presented for measurement with or without shoes regardless of how it is shown.
4. Prior to presenting the animal for measurement it is the responsibility of the owner, and in his interest, to ensure that the pony or horse is handled properly, accustomed to the application of a measuring stick, and correctly prepared for measurement.
5. Exhibitors should make themselves familiar with the "Measurement Guidelines Brochure", which is available from the competition steward on the reverse side of the measurement form.

HU178 Method of Measurement

Additional pressure must not be applied to the cross-piece, arm or bar.

2. Procedure:

The owner requests a re-measurement from the Federation by either letter or e-mail. The Federation issues a re-measurement permission letter to the owner. After consulting with the owner, the Federation will select the Measuring Steward and competition at which the re-measurement will take place. This letter is presented to the measuring steward at the competition. If the horse or pony measures into a larger height section, a copy of the measurement form will be given to the presenter and a new card will be issued to the owner. The original card will be invalidated by the Federation. If the horse or pony measures into a larger height section it immediately becomes eligible to show in that section. The Horse of the Year points received in the previous height section is forfeited for the current competition year. No penalties will be incurred by the original measuring steward or current trainer.

 - c. If the horse or pony measures into a smaller height section, a copy of the measurement form will be given to the presenter and a new card will be issued to the owner.
 - d. The original card will be invalidated by the Federation.
 - e. If the horse or pony measures into a smaller height section it will be ineligible to show in either section for ninety (90) calendar days from the date of the re-measurement. The horse or pony may compete in other divisions, sections or classes that do not have height as a requirement. The Horse of the Year points received in the previous height section is forfeited for the current competition year.

 - c. The decision of the measuring officials is final unless an appeal is filed with the Federation within fourteen (14) days (see HU182).
6. If a competition's steward is unable to notify an exhibitor of a protest before the exhibitor leaves the competition grounds, the protest will become void, and the steward will refund the protest fee. If a competition's steward notifies an exhibitor of a protest of an animal's height, and the exhibitor leaves the grounds before the measurement can be conducted, the protest will be filed with the Federation and an official protest measurement will be set up at the owner's expense, before the animal is eligible to compete again. In addition, charges for rule violations may be filed against the owner and trainer by the Federation CEO or his designee per GR604.
7. The measurement card, or valid measurement form of any animal that is found ineligible for the height section in which the animal was shown must be surrendered to the competition steward who must forward it to the Federation office with his report. 2. The animal is required to be presented to the steward within one hour of the completion of the animal's last class on the day of the measurement verification within the section requiring measurement. At that time, the animal will be measured or the presenter will inform the steward that the animal will be presented for an appeal measurement see HU182.5b/c. The animal's measurement card will be forfeited and the animal will be suspended from showing until it is presented for the appeal measurement. If the measurement verification is on the first day of the section, the animal may finish competing in the section or class requiring measurement. The animal will be photographed by the measurement technician on the left and right sides, front and back at the time the animal is tagged for measurement verification. The photographs will be used to verify the identity of the animal at the appeal measurement.

SUBCHAPTER HU-14 LIMITING ENTRIES

HU196 Limiting Entries

Hunter sections restricting entries based on winnings must use the Federation National Horse of the Year points or prize money won, whichever is applicable, as a means of qualification for the specified time period or, alternatively, must use the greatest number of Federation National Horse of the Year points won at a specified number of competitions within a specified time period. (Exception: Green Hunter 3'0", 3'3", 3'6", and 3'9", Young Hunter 3'0", 3'3", and 3'6", Green Conformation Hunter 3'6", High Performance Conformation Hunter, High Performance Hunter, Performance Hunter 3'6" and Performance Hunter 3'3" sections restricting entries based on winnings must accept 50% of the entries from the Federation National Horse of the Year points list and 50% of the entries from the Federation National Horse of the Year prize money won list. If an odd number of entries will be accepted, the Federation National Horse of the Year prize money won list will take precedence. The procedure for determining horses that qualify and their ranking will begin with the top placed horse on the Money Won standings list, then go to the top placed horse on the Points standings list, back to the second placed horse on the Money Won standings list, then on to the second placed horse on the Money Won standings list, continuing down both lists in that order until all available slots have been filled. If during this process a horse appears on either list that has already qualified, skip that horse and go instead to the next horse on the same list. Continue using this process until all slots are filled). Only points awarded in the particular section to count except in Amateur Owner, Adult Amateur and Junior Hunter sections where points from both the younger and older sections shall be counted. If the Horse of the Year list has been exhausted and positions

are still available, an alternate system may be used provided it has been published in the prize list or otherwise prior to the end of any specified time period. Whichever method is used, no other restrictive criteria can be imposed. The method chosen may be clearly stated. Management can allow the previous year's Champion and Reserve Champion or Champion to enter the section he or she was Champion or Reserve Champion in the previous year without qualifying. Management may allow the horse or pony that is leading for the respective Federation Zone Award in its Zone to enter that section. *BOD 11/7/16 Effective 12/1/16*

Appendix A. Hunter Schooling Rules

1. It is important to remember that all exercise areas are different in size, type of footing, and jump material provided. Furthermore, the ability of the horse and rider must always be taken into consideration as well when deciding what is permitted and not permitted during preparation.
2. In the schooling/exercise areas during the preparation before competition, a minimum of one vertical and one oxer must be provided. The ground must be in good condition. Management must provide sufficient obstacle material. The jumping area should be large enough to provide sufficient room for the training.
3. Obstacles may be flagged, in which case they must be jumped in the proper direction. The Steward, and/or Schooling Supervisor should decide if the flags may be interchanged.
4. No one may hold a rail or touch a standard while it is being jumped.
5. All rails must be either in cups or totally on the ground (exception: one end of a cross rail may rest on the ground). Rails must be able to fall easily when hit.
6. If a rail is placed on the edge of a cup it must be placed on the far side of the cup, and is only allowed at an oxer if it does not cause the front rail to be higher than the back rail (i.e. offset).
7. Walk rails may be no higher than 12" at the highest point. A walk rail may be parallel to the ground with both ends in cups, or may have one end resting on the ground. Cross rails are NOT allowed. Ground rails are NOT permitted. Horses will approach and depart in a straight line only and may NOT be turned.
8. There may never be more than two (2) rails on the back of an oxer, with the lower rail equal in height to the lowest rail on the front of the oxer. If the oxer is flagged so that it may only be jumped in one direction, there may only be one (1) rail on the back.
9. Ground lines are not mandatory, however if they are used they must be placed either directly below the front of the jump or up to 1 m (3'3") out. If a ground line is used on the landing side of a jump, there must be one on the take off side, and it may not be any further out than the one on the take off side. If an oxer is flagged so it may only be jumped in one direction, the ground line is only permitted on the front of the oxer.
10. If a trot, canter or placement rail is used, it may not be used at a jump higher or wider than 1.30m (4'3"). If used on the take-off side, it may not be closer than 2.50m (8'2"). If used on the landing side of a vertical, it may be no closer than 3.0m (9'10"). If used on the landing side of an oxer, it may be no closer than 20' from the back rail of the oxer.
11. If guide rails are used on the landing side of a jump, the closest part of the rail must be a minimum of 3 m (9'10") from the jump. The schooling supervisor may allow a shorter distance for ponies.
12. A cross rail may be made either by itself, in which case it may not exceed 1.30 m (4'3") in height, or be below a rail at a vertical, or the front of an oxer.
13. Swedish Oxers are permitted with the following stipulations: a) no more than a 6" height difference (low to high points) for ponies, and b) no more than an 18" height difference (low to high points) for horses.
14. If an item (blanket, cooler, etc.) is laid over the rail of an oxer, it may be laid over the front rail. If there is more than one rail on the front of the oxer, the item may be laid over any of those rails.
15. The use of materials which proves dangerous is forbidden.
16. If space and available material allows and safety conditions permit, combinations may be built using correct distances. Bounce jumps may only be used with verticals and may not exceed 1.10m (3'7") in height.

17. At management's discretion (and if local laws allow) bamboo offsets may be permitted in designated schooling areas only. Manual poling is not permitted.
18. Any action deemed not in the best interest of the horse will not be allowed.
19. The schooling supervisor's decision, after consultation with the Senior Steward, or an official competition steward's decision regarding schooling fences, or tack and equipment in the warm-up area is final.

CHAPTER JP JUMPER DIVISION

SUBCHAPTER JP-1 GENERAL

JP100 Eligibility

1. In order to compete in any Jumper classes at licensed competitions as an exhibitor, rider, trainer, or his/her agent(s), a person must be an Active member of the United States Hunter Jumper Association, Inc., or pay a Show Pass fee to the United States Hunter Jumper Association, Inc. Exception: Local Competitions, competitions restricted to a particular breed, and exceptions listed in GR901.9.
2. USHJA Horse Registrations
 - a. All horses competing in Federation **licensed and/or USHJA sanctioned** competitions with Hunter, Hunter Breeding, Jumper and Hunter/**Jumping** Seat Equitation classes **not restricted by breed** must be properly identified **in accordance with GR1101**, and must **also be registered with USHJA (see GR1101.1)**. The **USEF/USHJA** registration number for each horse must be entered on all entry forms for licensed competitions.
 - b. Applications for **USHJA** Registration can be completed online at www.ushja.org or www.usef.org using the **USEF** Horse Registration application form. **This** form is also available from the USHJA or Federation office, or **as a** download from the USHJA or Federation website or from competition management. Competition management is responsible for notifying exhibitors of this requirement in their prizelist.
- 3.1 **In addition to the provisions of JP 100.2, on or after December 1, 2017, all horses competing in classes that require USHJA horse registration must provide a microchip number that verifies their animal's identity in order to compete for points, money won or be eligible for Federation and/or USHJA programs and awards where horses are required to be recorded or registered.**
- 3.2 **A microchip used to verify identity must be a fifteen digit ISO compliant 11784/11785 chip and be implanted in the nuchal ligament of the animal.**
- 3.3 **For classes that require age verification, age can be verified only through the following identification documents:**
 - a. **registration papers or passport issued by a World Breed Federation Sport Horse (WBFSH) recognized registry.**
 - b. **registration papers or Certificate of Pedigree from a breed or sport horse registry.**
- 3.4 **This rule will have a transition period from December 1, 2017 to November 30, 2018. During this period, animals that are not in compliance with this rule will not receive points or be eligible for Federation and/or USHJA programs and awards. After this period, all horses that are competing in classes which require USHJA registration which are not microchipped will be ineligible to compete in Federation licensed competitions.**
4. If a USEF Jumper Sub-Committee or Jumper Task Force is composed geographically, the State of a Jumper member is the one that the member resides in the majority of the year. A person may apply to the Federation for permission to represent a different State.
5. The Zone of a rider qualifying to participate on a Zone Jumper team will be determined by the rider's point state. A rider's point state shall be the state given on the rider's membership application. That address is locked on December 1 of the competition year or the first day of the rider's membership activation, whichever comes first. However, a Life member's address is always locked on December 1 of the competition year. A rider may have only one domicile which is where the rider has his permanent home and where, whenever he is absent, intends to return. The address given on the membership application must be the state where the rider is domiciled at the time of membership activation or renewal. If a rider is found not in compliance with this rule, the rider may be subject to disqualification from representing a Zone Jumper Team. A person may apply to the Federation for permission to change their point state. *BOD 1/16/16 Effective 12/1/16*

JP101 Horse Recording

1. The Federation maintains records of winnings in classes at licensed competitions.

JP - JUMPER DIVISION

- a. Jumpers must be recorded with the Federation in order to receive points towards any USEF or USHJA Zone or Horse of the Year awards, and to enter a USEF Show Jumping Ranking List class (Exception: Horses entered in a USEF Show Jumping Ranking List class that are owned by a member of another National Federation and, have proof, in English, of current membership in good standing of their own National Federation, GR901.9, item 9.). Any change of a recorded horse's name and/or ownership must be recorded with Federation in accordance with GR1105 and GR1107.

JP102 Horse Welfare

 - a. Any action against a horse by a competitor in the ring, deemed excessive by the judge, may be penalized by any one or combination of the following: official warning, or elimination from the class.
 - b. Such action(s) could include, but are not limited to, excessive or improper use of the whip, spurs, reins, rider's weight or rider's hands.
 - c. In addition, after consultation with the Competition Manager and a Competition Steward, additional penalties, including one or more of the following: the issuance of an official warning card, disqualification from competing within the upcoming 24-hour period, disqualification from the balance of the competition.

2. Conduct outside of the competition ring: Any action(s) against a horse by an exhibitor, deemed excessive by a judge, Federation Steward, Certified Jumper Schooling Supervisor or Competition Veterinarian anywhere on the competition grounds may be punished by official warning or elimination from the class. Such action(s) could include, but are not limited to, excessive or improper use of the whip, spurs, reins, rider's weight or rider's hands. 4. The imposition of any of the above penalties will not preclude additional charges being filed in accordance with GR839 Cruelty and Abuse.
5. Soundness: In a case of unsoundness sufficiently severe to be considered abusive, the judge(s) must eliminate the competitor from that class and inform the competition manager, who in conjunction with the Official Veterinarian and the Steward, will evaluate disqualifying the horse from further participation in the competition.

JP103 Schooling

2. Altering Prize Money. Competitions may not change the amount of prize money awarded in a class from that indicated in the prize list unless all conditions affecting such changes are clearly delineated in the prize list. Such conditions include, the number of entries received by what date or time that will cause change in conditions or cancellation, what entry fee will be charged in the event of a change, and the policy for refund of entry/nomination fees for competitors electing not to compete under the changed conditions. The specific division of the prize money to be distributed in the class must also be indicated in the prize list. If prize money is reduced, the entry fee must also be reduced. Exception: If there are less than eight (8) entries in a class, the provisions of GR904.4 will also be applicable.

6. See GR 832.6 for Interruption of Procedure due to weather or other emergency for Jumper Classes.

JP109 Nominating Fees

Nominating Fees. A nominating fee may be charged for either the Jumper Division or for each Jumper Section, but not both. JP110 Show Championships

1. Number of Classes. Championships are optional, but if offered, a minimum of three (3) classes must be held in the section.

If Championships are offered, they must be decided on the basis of points won in classes throughout a section, on the basis of money won in the section, or on the results of the highest prize money class in the section, provided qualification was required for that class based on results of earlier classes in the section. The method of determining Championships must be stated in the prize list. The Competition Committee must post a score card of winnings throughout the competition where it is available to exhibitors at all times. Credit towards Championships will be given only for the first six ribbons when points are the determining factor. Ribbons have the same value even if less than the specified six places are awarded due to lack of entries. First Place...10 points, Second Place...6 points, Third Place...4 points, Fourth Place...2 points, Fifth Place...1 point, Sixth Place...1/2 point. If a competition offers Bonus Points to classes in the prize list: First Place...15 points, Second Place...9 points, Third Place...6 points, Fourth Place...3 points, Fifth Place...2 points, Sixth Place...1 point.

5. See JP116.2 for Classes Restricted by Age of Horse.
6. Tied Stirrups. Any rider competing with their stirrup, stirrup leather or foot tied and/or secured in any manner, will automatically be eliminated from that class. Riding anywhere on the competition grounds with stirrup, stirrup leather or foot tied or otherwise secured is cause for disqualification, by the steward, of that rider from the subsequent class in which the rider is entered. In the case of junior or amateur riders, the steward will note the trainer name(s) on the Steward's Report and further disciplinary actions may be taken by the Federation. Exception: Devices approved by the FEI are allowed.
7. See GR801.2 and .4 for Safety Helmets and Safety Vests.
8. No mounted exhibitor may wear or carry an electronic communication device (i.e., cellular telephone, pager, walkie talkie, etc.) while in competition ring. The penalty for wearing or carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried. Exception: A hand-capped participant may use electronic devices if, prior to the class, he/she presents to the USEF Steward written

justification from treating personnel setting forth the necessity for the equipment.

- e. In cases where the above requirements are not followed, the penalty **for a first or minor offense** will be a warning **and for repeated violations by the same exhibitor at the same event, the penalty may be** elimination. **BOD 8/29/16 Effective 12/1/16**

JP112 Starting Order (See also JP150 for classes offering \$25,000 or more)

1. When a starting order is used, the order in which horses are to jump must be posted in a conspicuous place, at least one-half hour prior to the start of the class. The class cannot be started prior to that time without permission of all exhibitors. The jumping order must be legible to a mounted rider. A systematic rotation of the starting list must be employed throughout the classes of a section so that a complete cycle is made during the competition.
 - a. A starting order must be used for all classes offering \$5,000 or more in prize money.
 - b. A starting order must be drawn for the highest money class in each section, unless the order is automatically established by the results of a previous class(es).
2. Establishing the Order. (Either manually or via computer)
 - a. The jumping order for the first round must be established by one of the following procedures:
 1. the horses' names are drawn individually, starting with the first position and then working down;
 2. the horses' names are listed and their positions drawn;
 3. the horses' names and the positions are both drawn;
 4. Any other system must be approved by the Jumper Committee if it differs from any of the above.
 5. The method for establishing the order must be printed in the prize list or option 1 must be used.
 - b. Multiple Rides. If the same rider has two horses drawn too close together, the order may be adjusted so that there will be a minimum of eight horses (if available) separating them. The horse drawn first will move up as far as possible in the order before the second horse is dropped down.
 - c. All horses ridden by a single rider must be ridden in the sequence that appears on the jumping order in all rounds of a competition unless class specifications call for a new order for a second round and/or jump-off. If a rider with multiple horses competes out of the drawn sequence of their horses in any class with a drawn and

JP - JUMPER DIVISION

posted order, the remaining out of sequence horses will be eliminated, unless the out of sequence rides are approved in advance by the judge due to extraordinary circumstances. (Exception: In Table II, Sec 2(a/b) classes, riders with multiple horses may jump-off immediately or later with each horse as they choose.)

- d. Two Sessions. In classes in which individuals are permitted to ride more than one entry, the first round may be split into two parts, with all riders riding one horse in the second part. (The first part will consist of riders' second, third, etc., horses.) For riders with more than one entry, a draw must be done to decide which horse will go in the second part. The order for both parts of the first round will be established by a draw.
 - e. Two Round Competitions. In classes with two rounds prior to the jump-off the order for the second round must be established by one of the following methods: a) the competitors return in the first round's order; b) the competitors return according to their faults in the first round, competitors with equal faults maintaining their original order; c) the competitors return according to their faults and times in the first round.
3. Jump-Off Order. Jump-off orders must be established by following one of the following procedures: a) the competitors return in the original order; b) the competitors return in the previous round's order; c) the competitors return according to their times in the first or second rounds.

Unless rules of a Table state otherwise, the starting order in the jump-off(s) must remain the same as the official starting order that is established and posted for the initial round, irrespective of any competitors who might have voluntarily moved up in the order during the initial round.

4. Moving Ahead in the Order.
 - a. To minimize delays, management may permit a rider to compete ahead of his posted order in a class.
 - b. Competitors with multiple rides; even if allowed by management to move ahead in the order, may NOT compete out of sequence per JP112.2b.
5. Accuracy of Jumping Order. It is the rider's responsibility to make sure his name or number or each of his horse's names or numbers are on the jumping order before the class begins. Failure to do so may result in elimination by management.

SUBCHAPTER JP-2 ELIGIBILITY, QUALIFICATION AND

RESTRICTION OF ENTRIES

JP113 Eligibility

1. Jumpers may be of any breed, height, or sex. (Exception: Pony Jumpers, see JP118.4)

(See Subchapter JP-3 for definitions and specifications for each of the sections mentioned above.) If Jumper sections are offered which are not covered within the definitions contained in Chapter JP, full specifications (including eligibility requirements) must be printed in the prize list or referred in the Prize List to a conspicuous place on the competition's website.
4. Ineligible Horses. If a horse is shown in a class for which it is ineligible, the owner will be fined \$500 for a first offense; if it is not the owner's first offense, the horse will be suspended from competing in licensed competitions for a period of three months. If the owner wishes to appeal or dispute the action taken, and gives notification to the Federation within 10 days of his/her notification from the CEO or his designee, such suspension will be deferred until the matter has been resolved following a hearing pursuant to Chapter GR6 by the Federation's Hearing Committee, whose verdict will be final.

JP114 Limiting Entries and/or Qualifying

1. Cross Entry. Unless USEF rules or the prize list restricts horses to a particular section or sections, horses may compete in another section(s).
2. Horses per Rider. If the number of horses per rider will be limited, the prize list must so state.
3. Prior Classes. Management may require horses to enter and compete in one or two classes at the same competition in order to be eligible for the stake or largest money class in a section. The number of starters in this highest prize money class of a section may be limited (and/or the starting order determined), based on results of the prior class(es), provided that the system to be used is stated clearly in the prize list.
4. Restrictions on Entry.
 - a. Jumper sections restricting entries based on winnings must use prize money won in the horse's respective section (i.e., Amateur Owner, Junior, Amateur Owner/Junior, and Open Jumper) during the specified time period; however for Jumper sections/or classes for which a Federation endorsed Computer Ranking List has been established, this list (as of a date indicated in the prize list) may be utilized instead of prize money won. Management may also allow the winner of the previous year's class to enter without further qualifying.
 - b. Any competition wishing to set restrictive criteria for accepting entries other than as specified above may make written application to the Federation Jumper Committee, at least 120 days prior to the event, detailing the criteria being requested. The Jumper Committee will issue a recommendation for consideration by the International Disciplines Council which may approve any such application in its discretion and may condition any such approval in its discretion, and must in all instances require that there be publication in the prize list or otherwise of such restrictive criteria sufficiently in advance of the closing date of entries where appropriate, for all interested to have a fair opportunity to enter. This is a one-time requirement, and further approval is not required provided the system of qualifying does not change.
5. Elimination Trials. When the number of entries warrants it, elimination trials may be held. Elimination trial scores of the competitors eligible to compete for the final awards may be added to their respective scores in the finals with the total scores used to determine the winners, or the finals may be scored independently of the elimination trials. If the total score is to determine the winners, announcement must be made of each competitor's score in the preliminaries at the time of the finals.

SUBCHAPTER JP-3 SECTION SPECIFICATIONS

JP115 Jumper Sections/Classes Restricted by Prior Winnings

JP116 Sections/Classes Restricted by Age of Horse

1. Eligibility. Age restricted classes are open only to horses recorded with the Federation and in possession of Breed Registry (or other means of identification authorized by the Federation providing proof of age and identity). Proof of identity and age is required for entry in these classes.

No other boots are permitted for horses entered in age restricted classes during those times. Support wraps are permitted. If boots are made of

JP - JUMPER DIVISION

rigid leather or plastic, they may only be a maximum of 6 inches/15 cm in height (excluding fleece and other protective padding). The total maximum weight of equipment allowed to be added to a horse's leg, front or hind (single or multiple boots, fetlock rings etc), is 350g (shoe excluded).

SUBCHAPTER JP-4 LEVELS OF DIFFICULTY

JP122 Fence Dimensions

1. At Licensed Competitions the Level of Difficulty for each class must be indicated in the prize list and on the course plan. This may be shown as either
 - a. specific height in feet/inches or metric measure or a height range of not more than 5cm or 3" (i.e. 1.30m to 1.35m or 4'3" to 4'6"). If a range is indicated, fence heights may not be lower than the low height specified (except the first fence or the first element of a combination, and High Jump, Puissance, and Accumulator classes). If a range is shown, the lower height will determine how the class is counted toward HOTA awards, etc.
 - b. as one of the "Standards" defined below for classes of \$25,000 or more. Spreads must be set as noted below.
 - c. Management may choose to run a class over two different heights (not more than 10 cm of difference), permitting competitors to elect at which height to compete. The conditions for such classes must be stated in the prize list unless the two-height class results from the combining of classes due to insufficient entries (defined as less than six entries in either grouping). The steward's report must indicate any two-height class held, and the official results submitted to the Federation must accurately state at which height each entrant competed.
2. Heights:

The following fence dimensions are approximate equivalents in metric and English units:

0.70 m	= Fences 2'3" in height
0.75 m	= Fences 2'5" in height
0.80 m	= Fences 2'7" in height
0.85 m	= Fences 2'9" in height
0.90 m	= Fences 2'11" in height
0.95 m	= Fences 3'1" in height
1.00 m	= Fences 3'3" in height
1.05 m	= Fences 3'5" in height
1.10 m	= Fences 3'7" in height
1.15 m	= Fences 3'9" in height
1.20 m	= Fences 3'11" in height
1.25 m	= Fences 4'1" in height
1.30 m	= Fences 4'3" in height
1.35 m	= Fences 4'5" in height
1.40 m	= Fences 4'7" in height
1.45 m	= Fences 4'9" in height
1.50 m	= Fences 4'11" in height
1.55 m	= Fences 5'1" in height
1.60 m	= Fences 5'3" in height

3. Width:
 - a. All courses require a minimum of three obstacles in which the spread exceeds the height by 5 cm (2") up to 15 cm (6"). (See JP124.7)
 - b. Triple Bars may be up to 30 cm (12") wider than the height listed.
4. Standards: Any class offering \$25,000 or more in prize money must be offered at one of the three standards delineated below: Regional, National, or High Performance. Heights alone do not apply to these classes and the standard must be clearly stated in the prize list. Competitions must apply to the Jumper Committee for permission to offer \$25,000 or more in prize money in any class if it does not meet one of the following:
 - a. Open Regional Standard: 1.35m - 1.40m with spreads to 1.55m, excluding Triple Bar and Water Jump. At least 6 Verticals and 4 Oxers must be set at 1.40m. The maximum spread for the Triple Bar is 1.85m, and the maximum spread for the Water Jump is 3.60m.
 - b. Junior, Amateur Owner, or Young Rider Regional Standard: 1.25m - 1.30m with spreads to 1.45m, excluding Triple Bar and Water Jump. At least 4 Verticals and 4 Oxers must be set at 1.30m. The maximum spread for the Triple Bar is 1.65m, and the maximum spread for the Water Jump is 3.60m.
 - c. Open National Standard: 1.40m - 1.50m with spreads to 1.70m, excluding Triple Bar and Water Jump. At least 4 Verticals and 2 Oxers must be set at 1.50m*. The maximum spread for the Triple Bar is 2.00m, and the maximum spread for the Water Jump is 4.00m. *If conditions warrant, the Course Designer after consultation with Management and Judges, may use a 5cm variance up or down for these 6 required efforts.
 - d. Junior, Amateur Owner, or Young Rider National Standard: 1.35m - 1.40m with spreads to 1.60m, excluding Triple Bar and Water Jump. At least 4 Verticals and 3 Oxers set at 1.40m. The maximum spread for the Triple Bar is 1.80m, and the maximum spread for the Water Jump is 3.90m
 - e. Open High Performance Standard: 1.45m - 1.60m with spreads to 1.80m, excluding Triple Bar and Water Jump. At least 2 Verticals must be set at 1.60m, and at least 4 Oxers must be set at 1.50m+*, excluding Triple Bar and Water Jump. The maximum spread for the Triple Bar is 2.20m, and the maximum spread for the Water Jump is 4.50m. *If conditions warrant, the Course Designer after consultation with Management and Judges, may use a 5cm variance up or down for these 6 required efforts.
 - f. Junior, Amateur Owner, or Young Rider High Performance Standard: 1.40m - 1.50m with spreads to 1.70m, excluding Triple Bar and Water Jump. At least 4 Verticals and 2 Oxers must be set at 1.50m. The maximum spread for the Triple Bar is 2.00m, and the maximum spread for the Water Jump is 4.20m.
5. Conforming to Level of Difficulty. (Does not apply to the Standards listed above in JP122.4 except as noted above by *). 60% of the fences in the first round of a class must be set at the required height indicated, and the remaining 40% within a two-inch (5 cm) variance; water jump, first fence on course, and first fence of a triple combination excluded and are not part of the 60%. (Exception: Gambler's Choice/Top Score, Derbys, and classes 1.50 m and above).
6. Changing the Level of Difficulty from that published in prize list. The height at which a given competition is held may be altered from that listed in the prize list with the joint approval of the Course Designer, Judges and competition management; only in the case of inclement weather, or unsafe conditions. Changes in the height for any other reason may be done ONLY with the prior written consent of the majority of competitors in the class. See GR832.6 for class postponement due to weather conditions. All changes MUST be specifically noted in the Steward's report for the competition. For Standards, see JP150.
7. Certifying the **Standard**. Classes of \$25,000 or more must be certified by the following: A course plan showing the actual heights and spreads of all the fences, signed by the Course Designer and the Senior Judge, must be given to the Senior Steward **no later than the conclusion of the competition on the same day the class is held** to include with his report to the Federation. If the class is held at a different standard than that listed in the prize list, the Steward must certify in his report that the requisite rules and procedures of JP122.6 were correctly followed. **BOD 1/16/16 Effective 12/1/16 BOD 11/7/16 Effective 12/1/16**

SUBCHAPTER JP-5 COURSE REQUIREMENTS**JP123 Jump Equipment**

1. Rails and other parts of the obstacles are held up by supports (cups). A rail must be able to roll on its support; in this case the support must have a depth of 18 mm (.7") minimum and a depth of 30 mm (1.18") maximum. For planks, gates, etc. the diameter of the supports must be more open or even flat, but not deeper than 1/2".
2. Jump Cups.
 - a. Any licensed competition must use FEI-approved Safety Release Cups for the back pole of all spreads in every jumper class.
 - b. Standards, jump cups and safety cups must be available for use in all schooling/warm-up rings. If used in the competition ring, pins must be made of rigid or unbreakable material.
 - c. Breakable pins such as wooden dowels are permitted in the schooling/warm-up ring when no safety cups are available.
 - d. Breakable pins are prohibited in the competition ring.
 - e. For information on sources for obtaining FEI approved cups, contact the Jumper Department at the Federation.
3. Rails. Rails must be at least eight feet long.
4. Flags. All obstacles must be both flagged and numbered at competitions offering over \$2,500 in the Jumper Division. When flags are used at obstacles, they must be placed at the outside extremities of the elements to be jumped, the red flag on the right, white on the left.

JP124 Jumper Courses

1. The term Obstacles refers to either single obstacles or combination obstacles. All obstacles are numbered numerically. Combination obstacles are those consisting of two or more jumping efforts, as indicated with the letters "A," "B," "C," etc. Faults are accrued at all parts of a combination obstacle. The total number of Jumping efforts on a course includes each single obstacle and each part of any combination obstacles. Obstacles for jumping competitions may consist of any of the following: verticals, oxers, triple bars, combinations, water jumps, ditches, banks; as well as variations such as liverpools, fans, etc. Combination obstacles consist of two or more separate jumping efforts. For purposes of determining the minimum requirements in various jumping competitions held under USEF rules, the total number of jumping efforts will be the determining factor.
2. Height or Standard. All courses must be accurately set according to the Height or Standard published in the prize list.
3. Identical Courses. No two courses in any section may be identical. (Exception: Local Competitions).
4. Obstacles. Obstacles should be attractive, varied and appropriate to their setting. They and/or their components must be capable of being knocked down and should be neither so light or poorly supported that they fall at a slight touch, nor so heavy or firmly supported that they can hardly be dislodged. In principle, the resistance to shock should be approximately the same for all obstacles on the course.
5. Gates. All suspended elements (i.e., gates, panels, etc.) must be hung not more than 10 cm (4") from their top edges.
6. Number of Jumping Efforts. Every course must contain a minimum of ten jumping efforts. Exceptions:
 - a. jump-off courses,
 - b. High Jump,
 - c. Six Bar.,
 - d. Puissance
 - e. Table II Sec2.c (see JP145.3d)
7. Ratio of Spreads. At least three out of the first eight jumping efforts must be spreads. (Exceptions: Same as 6)

above). For each additional four jumping efforts, one must be a spread.

8. Start and Finish Lines. A start line must be established at least 3.65 m (12') from the first obstacle and a finish line at least 7.30 m (24') from the last obstacle, each indicated by two markers at least 3.65 m (12') apart.
9. Change of Direction. There must be at least one change of direction in every course including jump-off courses. (Exception: Puissance, Six Bar and High Jump.)
10. Combinations. At least one combination must be included in every course. (Exception: Combinations are prohibited in Puissance, High Jump, Fault and Out Time classes and classes scored on faults and time with choice of course. Combinations are optional in Jump-offs and classes held below .95 m (3'1") and in classes at Local Competitions.)
11. Permanent Obstacles. Competitions offering more than \$2,500 are encouraged to include banks, ditches and water jumps in their courses.
12. Single Rails. An obstacle composed of a single rail must not exceed 4'3" in height.
13. Crossed Rails. Double crossed rails (i.e., two pairs of crossed rails, with a spread between them) are prohibited, and care should be exercised in constructing single crossed rails to prevent abnormal difficulty.
14. Brush Obstacles. Brush obstacles must have a clearly visible rail placed above or beyond them.

JP125 Spread Obstacles

1. Definition. A spread obstacle is an oxer, a triple bar, Liverpool, or a water jump with a width dimension. All courses require a minimum of three obstacles in which the spread exceeds the height by 5 cm (2") up to 15 cm (6"). (Exception: Puissance, Six Bars and special classes.) Refer to JP122.7 for required number of spreads.
2. Measurement. Spread obstacles are measured from their two outermost top extremities on a line parallel to the ground.
3. A solid element (i.e., coop, wall, etc.) may not be used as part of the further-most element. Only straight rails (not curved), may be used on the back of spread obstacles. Only a single rail may be used on the middle or back of a spread unless the lack of a second rail would leave an excessive gap between the top of the front element and later elements. Standards in which the rail rests on the top of the post are prohibited.

JP126 Combinations

1. Definition. A double, treble, or multiple combination is composed of two, three or more obstacles with a maximum inner distance between them of 39'5", which must be taken in two, three or more successive jumps. The distance is measured from the base of an obstacle on the landing side to the base of the next obstacle on the take-off side. Any obstacles with 39'5" or less between them must be designated as a combination by numbering them with a single number and the use of A and B or A, B and C, or A, B, C, and D.
2. Pony Jumpers. In Pony Jumper classes, only the initial element of combinations may be a spread.

JP127 Permanent Obstacles

1. Closed Combinations. Banks and sunken roads (Pulvermans) may be regarded as double, treble, or multiple, open or closed. The course designer must decide before the competition whether the obstacle is to be considered as closed or open, and this must be clearly specified on the plan of the course. (Note: Any completely closed obstacle or part of an obstacle in which a competitor, having jumped the first part, may not exit without jumping out or down should be designated as 'closed.')
- Each part must be jumped separately and faults are penalized separately. In the event of a disobedience inside a closed portion, the rider does not exit to re-jump the prior portion. The knockdown of a flag taking the place of a standard is scored. Any combination obstacle which is not described as closed on the plan of the course is considered an open combination.
2. Bank Jumps. A bank which has no associated obstacle or only a single rail may be taken in one effort without incurring penalty.

JP128 Water Obstacles

1.General: A water obstacle is a jump which requires a horse to jump over water. A water obstacle may be used as an open water jump, a rail over a water jump, or as a liverpool.

2.Open Water Jump

a. Definition: An open water jump has no obstacle in front (except as noted in .5 below), in the middle, or behind the water.

1. An open water jump must have a minimum width of 4.90 m (16') at the face.
2. The water must have a minimum spread with at least 2.45 m (8') spread and must be dug into the ground.
3. The deepest point is determined according to a maximum rise of 5 cm (2") per foot of length which may not exceed 4.70m (15').
4. When a concrete or metal water jump is used a secure mat at least 1 cm (1/2") thick must cover the entire obstacle.
5. An obstacle with a minimum height of 40cm and a maximum height of 50cm, must be placed on the take-off side. Although counted in the calculation of the total width, these elements are not part of the obstacle and displacing them or knocking them down is not penalized.
6. A white strip of wood (lath) or plasticine (which maybe a color that contrasts to the footing), approximately 10 cm (4") wide, must be used and should be placed as close to the water line on the landing side as possible. Several spare laths or pieces of plasticine must be provided so that when the lath or plasticine has been marked by a horse it is replaced.
7. In classes of \$50,000 or more, plasticine must be used.

b. Scoring:

1. Whether a lath or plasticine is being used, only a mark from the horse's hoof on the lath or plasticine, or a foot in the water is penalized; touching the lath or plasticine with the fetlock joint or boot is not.
2. The limits must be clearly marked both on the take-off and the landing sides with visible flags. Flag poles must not be made of metal or unbreakable material and must be 6' to 8' in height.
3. The knockdown of a flag marking the limits of an open water jump will not be penalized.
4. Judges should stand at a position between the take-off and landing side, and not directly parallel to or beyond the landing lath, thus providing a good view of the lath and water.

3.Rail Over Water Jump

a. Definition: A water obstacle may have one rail no higher than 1.00 m (3'3") over it. The rail must never be placed behind the center point and approximately 1/3 from the front is preferable. When the obstacle is built in this manner, extreme care must be taken not to create an optical illusion to the horse with a large gap between the take-off element and the rail, or of the lath and the rail appearing to produce a false ground line.

b. Scoring: When used in the manner described above, the rail and the lath, or only the rail may be judged. When only the rail is being judged, a foot in the water is not penalized. However, whenever the lath is being judged, a foot in the water is always penalized. The method of scoring must be indicated on the course diagram.

4.Liverpool

a. Definition: A Liverpool is an obstacle built with water. The water may be used under, in front of or behind an obstacle (vertical or oxer). When used in this manner, the total width of the obstacle (including the water), may not exceed 2m. A vertical jump may be built over the center of a 3m or less water (up to a 3.60m water in 1.60m classes only). The rails may not exceed 1.50m in height and must be placed in safety cups.

b. Scoring: In all cases only the rail is scored.

JP129 Substitution of Obstacles

When one or more of the original obstacles is sufficiently damaged to become unusable while a class is in progress

and no duplicate is available, a Competition Committee must substitute obstacle(s) which approximate as nearly as possible the original obstacle(s).

JP130 Measuring Courses

1. Measurement. Accurate measurement of courses is essential. Courses must be measured with a measuring wheel similar to those used by public utilities, by a measuring tape, or by computer or planimeter with the course laid out on an accurate scale drawing of the ring.
2. All courses must be measured as described in 1. above at competitions offering over \$2,500 in the Jumper Division. The judge should assure that the course has in fact been properly measured and the time allowed calculated according to the speed listed in the prize list.

JP131 Speed, Time Allowed, Time Limit, and Optimum Time

1. Calculation. The Time Allowed to complete the course should be calculated from an actual measurement of the course's length for all rounds and jump-offs. However, if the number of turns on the course or the size of the ring suggests that the calculated Time Allowed may prove unfair in practice, speed may be adjusted prior to the start of the competition.
2. Speed. The Time Allowed is based on a minimum speed of 350 meters per minute (382 yards per minute) 325 m/m (360 yd/min) for Pony Jumpers, or in very small or indoor arenas). If a speed other than 350 m/m (382 yards per minute) is to be used, it must be printed in the prize list. Where the arena size is 5,000 square meters or more (approximately 55m x 90m [180ft x 300ft]) the maximum speed to be used for any division shall be 375 meters/min. In arenas of less than 5,000 square meters the maximum speed to be used shall be 350 meters/minimum.
3. Reference Times. The Time Allowed must be announced and posted prior to the start of the class. After the first competitor has completed his round, the Time Allowed and the competitor's time should be announced. In cases where an electronic read out board is not visible to riders in the in-gate area, the reference times for the first three riders should be announced.
4. Adjustment of the Time Allowed. The Time Allowed may be adjusted at the sole discretion of the Judge(s), if they feel it is inaccurate, but only after consultation with the course designer. However, the time allowed may only be adjusted once during the early rounds of a given competition, never later than after the third competitor to complete the course without a disobedience or if any of the first three take more than 45 seconds to cross the start line. The time allowed can never be lowered so that time faults will be awarded to any previous competitor that has started the course within the 45 seconds and completed the course without a disobedience.
5. Time Limit. The 'Time Limit' is defined as double the Time Allowed.
6. Optimum Time. For classes scored under Table IV the optimum time is defined as 4 seconds less than the Time Allowed.

JP132 Posting and Walking Courses

1. Time for Posting. Courses must be posted at least one-half (1/2) hour before the scheduled time of the class. Classes may not be started prior to that time without permission of all exhibitors.
2. Course Plan. The plan or diagram of the course, including the Speed, Time Allowed, length of course, start and finish, and jump-off course, must show the obstacles which must be jumped with the order indicated by number. Apart from this, unless designated by the course designer by the use of a solid line between obstacles on the course plan, the rider is not bound to follow a compulsory track. An arrow is used to indicate the direction in which each obstacle must be jumped. Closed combinations and option fences must be clearly marked. For all classes of \$25,000 or more, the posted course plan must include the height and spread of each obstacle.
3. Walking the Course. A competitor cannot enter the arena until course and judge are ready. However, riders may be

permitted to inspect the course on foot prior to commencement of the class at management's discretion.

JP133 Judge(s) Inspection of Courses

1. The judge should assure that the course has been properly set according to specifications indicated in the prize list, and that it has been measured and the Time Allowed calculated properly, and call attention to any errors that would result in unfair or inappropriate courses. The judge should also ensure that any or all obstacles have been appropriately reset after disruption of any kind during the competition. For all classes of \$25,000 or more, the Senior Judge must physically inspect the course to ensure that the obstacles are set at the correct dimensions (Standard) as stated in the prize list.
2. At Licensed Competitions when no licensed course designer is present, stated dimensions of height and width indicated in the prize list may be altered, according to all provisions of JP122, only when requested by the judge.

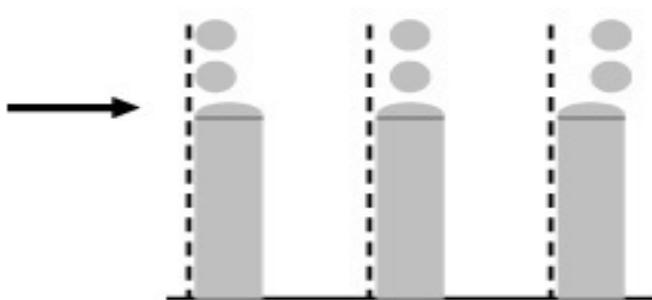

JP134 Jump-Off Courses

1. Obstacles. Jump-offs are held over obstacles from the original course that may include obstacles not included in the initial round. In a jump-off, any sequence of obstacles in either direction may be employed. Obstacles may be raised, lowered, broadened or narrowed. In Table II Sec. 2(b) classes, it is recommended that course designers incorporate at least two new obstacles set at jump-off height. There must be at least one change of direction.
2. Number. Courses may be shortened after the first round and must be shortened if there is more than one jump-off. (Exception: Six Bar classes.) The jump-off course may not be shortened to less than six jumping efforts and must include at least one vertical and one spread obstacle. Exceptions:
 - a. Puissance classes.
 - b. Table 2.IIc (see JP145.3d)
 - c. Table 2.IId (See JP145.3e)

SUBCHAPTER JP-6 SCORING

JP135 General

1. Jumpers are scored on penalties incurred between the starting line and finish line. A competitor, after receiving the signal to begin his/her round, is not being scored until crossing the starting line in the proper manner Exceptions: JP136.1d and JP144.8.; Also penalties apply for late falling rails:
 - a. after crossing the finish line but before leaving the ring, or
 - b. before the tone sounds for the start of the next round.
2. Penalty faults include disobediences, falls, knockdowns (while in the process of jumping an obstacle) and time penalties. No more than one penalty may be scored at each attempt. If an obstacle is knocked down or displaced for any reason other than it was caused by jumping or an attempt to jump, no penalty is incurred.
3. Verticals. When an obstacle is composed of several elements in the same vertical plane, a fault at the top element is the only one penalized.
4. Spreads. When an obstacle to be taken in one effort is composed of several elements not in the same vertical plane (i.e., oxer, triple bar, etc.) faults at more than one element are penalized only once. Judges must pay attention when a rail is placed over or slightly behind a standing element. This could result in confusion in scoring and exactly how it will be scored must be determined by the judge(s) before the class begins.

5. Combinations. In combinations, the faults committed at each element are scored separately. In case of refusal or run-out at one element of a combination (and upon the judge's signal that the obstacle has been reset, if necessary), the competitor must re-jump the entire combination. (Exception: Closed obstacles).
6. Broken Equipment. In cases of broken equipment or loss of shoe, the rider must continue if he wishes to avoid penalty, or may retire.
7. Setting a Standard. After the first round of the first class in any section, management or the judges may order a competitor from the ring when it becomes evident that their performance prohibits them from being in the ribbons.
8. Courtesy Fence. An eliminated competitor has the right to make one attempt to jump an additional single obstacle, which the judge(s) may designate, but may not continue thereafter. (Exception: The right to attempt an additional obstacle does not apply to Fault and Out classes or in the case of the fall of the horse or rider.)
9. Exiting the Arena. Any competitor who does not leave the ring promptly at the end of the round or after being eliminated is liable for a fine of up to \$100 payable to The Federation, and may be disqualified from future classes during the competition at the discretion of the judge(s). Any competitor at the end of his/her round who does not leave the arena through the designated gate(s) (e.g. jumping out of the arena), is eliminated.
10. Outside Assistance. Riders receiving physical assistance from outside the ring (i.e., lunge whips, etc.) while on course will be eliminated. (Note: This does not apply to riders between rounds in Table II Sec. 2(b) or Table IV Sec. 2(b) competitions provided the rider begins his jump-off within the limits of JP136.)
11. Jumping Obstacles Not Part of the Course. Under penalty of elimination and possible fine (not to exceed \$250 made payable to the Federation), any obstacle in the arena which requires a jumping effort, whether flagged or not, may not be jumped by a competitor at any time while in the arena except as it may constitute a part of the current competition. Exception: Natural obstacles, which are not numbered and flagged, may be jumped unless specifically crossed off in the field or noted as crossed off on the course plan by the course designer, after consultation with the judge(s). [Questionable items in arena that will be scored may need to be pre-determined by the judges and so noted and announced prior to start of class.]
12. Obstacle Not Properly Set. If a competitor jumps an obstacle that has not been reset, or has been reset improperly, due to it being downed by a previous competitor, the weather, or some other factor, the competitor receives no penalty. However, if the competitor knocks down the obstacle he will be penalized accordingly.
13. Competed. A competitor is considered to have competed only after he has entered the ring, and received the signal to start. Competitors who are unable to complete the first round of a competition have no right to any prize, with the exception of Fault & Out, Gamblers Choice or other classes with special rules with requirements as to the finish.
14. Failing to Complete. A competitor failing to complete a particular round shall have the reason recorded on the

judge's card as follows:

- a. Withdrew (WD), or did not start (DNS) indicates that the competitor failed to enter the arena within one minute of being called. The time for entering the ring must be enforced by management. To prevent unfairness to an exhibitor, management may extend the time for entering the ring.
 - b. Retired (RT) indicated that the competitor voluntarily retired prior to completing their round.
 - c. Eliminated (E or EL) indicates that during their round the competitor was eliminated by the judge for any of the various reasons indicated in these rules.
15. Points Not Covered in Rules. Judges have the authority to make decisions on any point not covered in the rules applying to class procedure, scoring, and conduct affecting a class under their jurisdiction.
16. A protest may not be made against a judge's decision occurring in the competition ring, provided it is not in violation of Federation rules. Decisions such as, but not limited to:
- a. Where the decision is based on a factual observation of performance during a class; whether an obstacle was knocked down; whether a horse was disobedient; whether a horse refused at an obstacle or knocked it down while jumping; whether a rider or horse has fallen; whether a horse circled in a combination or refused or ran out; the time taken for the round; whether an obstacle was jumped within the time; and/or whether, the particular track followed by a rider caused him to incur a penalty under the applicable rules.
 - b. The Elimination or Disqualification of a horse for soundness reasons.
 - c. The Elimination or Disqualification of a rider for medical reasons/fitness to compete.
 - d. The imposition of a Warning without additional penalties or of a Yellow Warning Card.
 - e. Elimination and/or Disqualification during an event.

JP136 The Competition Round

1. Starting and Finishing. In order to receive a score other than "Withdrew (Did Not Start)," "Retired," or "Eliminated":
 - a. The horse must cross the start line between the markers in the proper direction with the rider mounted. Passing through the starting markers in the improper direction before starting, does not incur penalty. Competition Management and/or the judge(s) may permit or disallow a rider to lead a horse into the ring prior to mounting.
 - b. The horse must cross the finish line between the markers in the proper direction and with the rider mounted. (Exception: Fault and Out or other classes with special rules regarding the finish)
 - c. The horse must jump all of the required fences between the start and finish markers.
 - d. The horse must not resist for 45 consecutive seconds or take more than 45 seconds to jump the first obstacle after the time of the round has begun or take more than 45 seconds to jump the next obstacle on course.
 - e. The horse must not be eliminated for other prohibited actions that might occur while the horse is in the competition arena. (Exception: Fault and Out classes.)
2. Entering the Arena. Failure to enter the ring within one minute of being called incurs elimination. The time limit for entering the ring must be enforced by management. To prevent unfairness to an exhibitor, management may extend the time limit for entering the ring.
3. Time to Start. A competitor will have 45 seconds from the time the judge(s) sound an audible signal to cross between the start markers in the proper direction and start on course. If a competitor does not cross through the start line within the allotted time, the time on course will start when the allotted time expires. A count-down clock visible to the rider must be in use for any class offering \$2,500 or more in prize money.
4. Use of Audible Signal. An audible signal (bell, horn, whistle, gong or buzzer) is sounded for the following purposes:
 - a. to give the signal to start;
 - b. to stop a competitor in the event of an unforeseen incident (which also designates a time-out);
 - c. to interrupt the 45-second period which a rider has to begin the course in the event of an unforeseen incident;
 - d. to indicate that an obstacle has to be reset before being retaken after it has been knocked down during a refusal

(designating a time-out);

- e. to give the signal for a competitor to continue his round after an interruption. See JP137.2 and .3.
- f. to indicate by repeated and prolonged ringing that the competitor has been eliminated; and
- g. to indicate that the rider should not proceed to the jump-off round in a Table II Sec. 2. (c) class, or a Table IV(c) class.

JP137 Timing

1. Starting & Stopping. Time is taken from the instant the horse's chest reaches the start line, or upon the expiration of 45 seconds following the sounding of the audible tone, until it reaches the finish line. The Judges have the right to interrupt the 45-second countdown if unforeseen circumstances occur and, if the welfare of the horse is involved, temporarily excuse the competitor, allowing him to return at a later period in the class. Disobediences, falls, etc., occurring between the signal to start and the moment the competitor crosses the starting line in the correct direction, are not penalized.
2. If a rider stops to fasten his chin strap, he must indicate to the judge that there is an issue with his chinstrap. The rider is not penalized for halting to refasten the chin strap, but the clock will not be stopped.
3. If as a result of a disobedience a competitor displaces or knocks down any obstacle or a flag marking the limits of the water jump, of a natural obstacle or in all cases where the nature of the obstacle is changed by knocking down the flag, the tone is sounded and the time is stopped until the obstacle has been rebuilt. When the obstacle has been rebuilt, the tone is sounded to indicate that the course is ready and that the competitor can continue the round. The competitor is penalized for a refusal and a time correction of 6 seconds is added to the time taken by the competitor to complete his round. The time is restarted at the moment when the horse leaves the ground at the obstacle where the refusal occurred.
4. Additional Time Out.
 - a. If a rider is forced to hold up and the time stopped while a fence is being rebuilt due to it being knocked down or displaced for any reason other than it was caused by jumping or an attempt to jump, no penalty is incurred and 6 seconds is not added to their time. After the fence is rebuilt, the tone is sounded, and the time is restarted when the rider is as close as possible to the place on the course when the time was stopped.
 - b. If a knockdown occurs following a refusal, but not as a result of the refusal, the time is stopped and the fence is rebuilt. No additional penalty is incurred and 6 seconds is not added to their time. Once the fence has been rebuilt, the tone is sounded and the time is restarted no matter where the rider might be on the course.
5. If a disobedience with the knock down in .3 occurs at the second or subsequent part of a combination, the time is restarted when the horse leaves the ground at the first element of the combination. Elements knocked down preventing a horse from jumping the next obstacle must be removed, even if time must be taken out for this purpose.
6. On Course. After the signal to start has sounded, a competitor must pass through the start markers in the proper direction to be considered on course. (See JP135.1)
7. Time Faults. One (1) time fault will be charged for each commenced second by which the time allowed is exceeded in any class for which time is a factor in scoring.
8. Exceeding the Time Limit. Any competitor whose time including penalty seconds which might have been assessed for time-out(s), as described under 2 and 3 above, exceeds the Time Limit is eliminated. The 'Time Limit' is defined as double the Time Allowed.
9. Option Fences. At any obstacle marked as an option on the course plan, in the event of a disobedience at one portion, the competitor has the right to attempt either portion in his following attempt. However, in the case of a displacement of any part of the obstacle, the tone must be sounded and all portions must be reset prior to the continuation of the round.
10. During rounds where time is a deciding factor, a re-jump of the entire course may only be considered as an option

JP - JUMPER DIVISION

if there is no automatic or manual time due to very exceptional circumstances. In these cases a competitor may elect not to re-jump the course and instead be placed after competitors with equal faults. If a re-jump does take place, the original score will be void.

JP138 Disobediences

1. Refusal. Stopping in front of an obstacle to be jumped, whether or not the horse knocks it down or displaces it, is penalized as a disobedience. Stopping at an obstacle without knocking it down and without backing, followed immediately by jumping from a standstill, is not penalized. However, if the halt continues, or if the horse backs even a single step or circles to retake the course, a refusal is incurred.
2. Run-out. Evading or passing the obstacle to be jumped or the finish line or jumping an obstacle outside its limiting markers is penalized as a disobedience.
3. Resuming the Course. After a run-out or refusal the competitor must, before proceeding on course, re-jump the obstacle at which the disobedience occurred or be eliminated. If the flag, standard, wing, or obstacle has not been reset when the competitor is ready to jump, he must await the signal to start or be eliminated. (For Option Fences, see JP137.9)
4. Loss of Forward Movement. Halting or stepping backward after crossing the start line, (unless due to a refusal, run-out or an order from a judge due to unforeseen circumstances such as a fence being blown down), will be penalized as a disobedience. Loss of forward movement on banks will not be scored as a disobedience unless the horse takes a step backwards.
5. Circling. Any form of circle or circles whereby the horse crosses its original track between two consecutive obstacles (start and finish included), or stops advancing toward or turns at least 180 degrees away from the next fence, or finish line, except to retake an obstacle after a disobedience, is considered a disobedience. This is a judgment call. (NOTE: Coming sideways or zigzagging toward an obstacle does not constitute a disobedience unless the horse passes or turns its back to the next obstacle or the finish line).

JP139 Falls

1. The first fall of horse or rider results in elimination, except in classes in which special rules apply. (Fault and Out, Top Score, etc.)
2. A rider is considered to have fallen when he is separated from his horse, which has not fallen, in such a way as to necessitate remounting or vaulting into the saddle.
3. A horse is considered to have fallen when the shoulder and haunch on the same side have touched the ground or an obstacle and the ground.
4. A courtesy fence is not permitted following the fall of the horse or rider.
5. In the case of a fall while on course, the rider may not remount in the competition ring.

JP140 Knockdowns

1. Definition. An obstacle is considered knocked down when in jumping an obstacle, a horse or rider, by contact:
 - a. changes any part thereof which establishes the height of the obstacle or the height of any element of a spread obstacle, even when the falling part is arrested in its fall by some other portion of the obstacle; or
 - b. moves any part thereof which establishes the height of the obstacle so that it rests on a different support from the one on which it was originally placed.
2. Special Circumstances. Should a pole resting in a cup come to rest on the lip of the cup, or on a bracket which is an integral part of the cup, or in the case of a safety cup where all parts of the cup are still attached to the sleeve it is not considered a knockdown. Narrowing the width of a spread obstacle without altering the height of any elements as defined above is not considered a knockdown. If, while in the process of being jumped, the top element is struck in such a fashion that it changes the height of the jump, with both ends remaining in the cups and nothing

else supporting the top element, it is scored as no faults.

JP141 Off Course

A competitor is considered off course when he deviates from the course as shown by the diagram and jumps an obstacle prior to rectifying the deviation.

JP142 Breaking Ties

1. Competitors who withdraw, retire or are eliminated from a Jump-off:
 - a. A competitor who is eliminated in a jump-off will be tied with a competitor who retires and will be placed last of the competitors who have completed that jump-off.
 - b. A competitor who withdraws (does not participate) from a jump-off must always be placed after a competitor(s) eliminated or who retires while on the course.
2. Even if only one competitor is willing to participate in the jump-off he is required to enter the arena and receive the signal to start in order to earn top placement.
3. **Withdrawing From a Jump-Off.** If a competitor wishes not to take part in a jump-off he must notify the judge(s). He will be placed last of those still qualified (on the result of the previous round).
4. Except in Fault and Out classes, when two or more horses incur the penalty of elimination during a jump-off, they remain tied regardless of the cause of elimination or the point at which the penalty was incurred. A competitor who does not take part in a jump-off must always be placed behind a competitor who has been eliminated in the same jump-off.
5. **Same Ownership.** Whenever tied horses are under one ownership or management, the competitor may designate the order of placement.
6. Competitors who are tied for first place after the initial round(s) will jump off. Any competitors that compete in the jump off and are still tied for any placing (i.e. 1st, 2nd, 3rd, etc.) shall remain tied unless otherwise stated in the prize list. Prize money and Championship points shall be combined and divided equally among the tied competitors.
7. Competitors who are tied for other than first place in all Jumper sections may either remain tied, the prize money being divided equally among them, or be placed according to the time taken to complete the course. The method of breaking ties must be stated in the prize list and on the judge(s)' cards. If the competitors remain tied, riders must toss a coin for the ribbons, unless management chooses to provide additional ribbons. If points are awarded, points should be added and divided equally among the competitors. A judge or steward must conduct the breaking of ties when they are to be determined by the tossing of a coin. *BOD 11/7/16 Effective 12/1/16*

JP143 Violations

1. **Course Requirements.** In cases in which Federation course requirements have not been met and the violation has not been observed and corrected prior to the first competitor's performance, the class must be completed without altering the course, and the result stands for purposes of the Competition Championship. (Federation stewards are required to specify all such classes in their steward's reports, having first verified the violation and apprised the competition secretary of it.)
2. **Scoring Irregularities.** Possible violations, such as judges' or time-keepers' incorrect application of class conditions, etc., should be reviewed, as soon as feasible, by a committee consisting of the judges, Federation steward, a representative of management and the exhibitors directly concerned, and every effort should be made to find a mutually satisfactory solution. Only when such efforts have failed should a protest or charge be lodged.
3. **Use of Video.** The Senior Judge, alone or with other members of the judge's panel, may, at his/her discretion, view an official video recording of all or part of a class in order to verify decisions involving scoring. A review of an official video recording is solely at the discretion of the Senior Judge. The Senior Judge may consult with a licensed "R"

JP - JUMPER DIVISION

Judge who may or may not be officiating at that competition. Upon review of such video recording, provided it is made available within 60 minutes after the results are announced the Senior judge may make corrections to the placing of the class. An official video recording is considered to be a recording made by the designated host broadcaster and/or a designated official video recording company as named by horse show management. Only under certain circumstance when there is no official video recording the Senior Judge may consider using a private video. Note: A video may never be used to establish the time of a round.

SUBCHAPTER JP-7 JUMPING FAULTS AND SCORING TABLES**JP144 Table of Jumping Faults**

1.	Knockdown: a. Of obstacle or standard with any portion of horse, rider or equipment, when jumping that obstacle, b. one or more feet in the water or on the lath, when the lath is being judged, c. or knockdown of rail placed over a water obstacle.	4 Faults
2.	Knockdown of automatic timing equipment, other designated markers on start and finish lines	4 Faults
3.	First disobedience anywhere on course	4 Faults

19.	Exceeding the Time Limit	Elimination

JP145 TABLE II—Classes scored on Faults and Time

1. Clear Round (Table II) - The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. Horses with clean rounds or equal faults remain equal.
2. Time First Round (Table II, Sec. 1)—The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. Horses with clean rounds or equal faults are classified according to their time taken to complete the course. (Note: it is recommended that Table II Sec. 1 be conducted over a Table II course rather than a Table III course.)
3. Time first jump-off
 - a. Table II, Sec. 2 (a)—The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In the event of equality of faults after the first round, there will be one jump-off for first place only in which time will decide in the event of equality of faults.
 - b. Table II, Sec. 2 (b)—The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. If a competitor has gone clean in the first round, the competitor will, without leaving the ring, upon an audible signal, commence the designated jump-off course. A competitor with a clear round may dismount, and with assistance if necessary, adjust tack and/or equipment; however, upon the audible signal to begin his/her round, the competitor is responsible to adhering to the 45 seconds rule as per JP136.3. A competitor who leaves the arena after a clear round (before or after the tone) will be considered to have retired from the jump-off. If there are no clean rounds and a tie exists for first place, there will be one jump-off in which time will decide in the event of equality of faults. It is recommended that no more than ten numbered obstacles be included in the first round when the class is scored under this table.
 - c. Table II, Sec. 2 (a/b)—Each exhibitor has the option of taking part in the jump-off at the completion of their round as in 2(b), or after all exhibitors have completed the first round as in 2(a).
 - d. Table II, Sec. 2 (c)—Two Phase Competitions - The first phase to consist of 8 to 10 jumping efforts and the second phase (immediate jump-off) of 5 to 7 jumping efforts. Scores are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed if any. If a competitor has gone clean in the first round, he will, upon crossing the finish line, commence the designated jump-off course. Time starts as the horse crosses the finish line for the initial course. If there are no clean rounds and a tie exists for first place, there will be one jump-off, in which time will decide in the event of equality of faults. The use of a Time Allowed is optional in the first round. The Time Allowed in the first round may be taken by electronic or manual means.
 - e. Table II, Sec. 2 (d)—Two Phase Competitions - The first phase to consist of 8 to 10 jumping efforts and the second phase (immediate jump-off) of 5 to 7 jumping efforts. Scores are decided by adding together the faults incurred over both rounds and any penalties for exceeding the Time Allowed if any. Whether or not a competitor has gone clean in the first round, he will, upon crossing the finish line, commence the designated jump-off course. Time starts as the horse crosses the finish line for the initial course. The use of a Time Allowed is optional in the first round. The Time Allowed in the first round may be taken by electronic or manual means.
 - f. Table II Sec.2(e)—Time first jump-off with designated number of competitors to jump-off. The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed, if any. Following the first round a pre-determined number of competitors based on faults and time (from 6 to 16 but in no case more than the number of places to be awarded, the exact number to be indicated in the prize list), will compete in one timed jump-off round in which time will decide in the event of equality of total faults from both rounds. The order of go for the jump-off round will be reverse order of scores (faults and time) from the first round. Adjustment of this order, in the case of one rider qualifying multiple horses, may be allowed at management's discretion.
 - g. Table II Sec.2(f)—Time first jump-off with designated number of competitors to jump-off. The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed,

if any. Following the first round a pre-determined number of competitors based on faults and time (from 6 to 16 but in no case more than the number of places to be awarded, the exact number to be indicated in the prize list), will compete in one timed jump-off round in which time will decide in the event of equality of total faults from both rounds. However in this jump-off the clear rounds will be competing against other clear rounds, 4 faults will be competing against other 4 faults, 8 faults against other 8 faults, etc. A competitor in the jump-off cannot be beaten by another competitor who returns for the jump-off with a greater number of faults. The order of go for the jump-off round will be reverse order of scores (faults and time) from the first round. Adjustment of this order, in the case of one rider qualifying multiple horses, may be allowed at management's discretion.

4. Time Second Jump-off (Table II, Sec. 3)—The first round, first jump-off and second jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In the event of equality of faults after the first round and first jump-off, if any, there will be a second jump-off for first place only in which time will decide in the event of equality of faults.
5. Fault and Out (Table II, Sec. 4)—These competitions are timed and take place over medium sized single obstacles (combinations are not permitted). The competitor's round finishes with the first fault incurred under Table II. Points are awarded instead of faults, two points being awarded for each obstacle jumped cleanly and one point for the obstacle knocked down. The winner is the competitor who scores the greatest number of points. Time will decide in the event of equality of points.
 - a. If the fixed time is reached at the moment when the horse is already taking off, this obstacle counts whether it is knocked down or not. If a fall or disobedience occurs after landing, the horse is scored as though the fault had occurred at the next obstacle. When the penalty of elimination is incurred, the rider is credited with obstacles cleared.
 - b. When an obstacle is knocked down or the Time Allowed, if there is one, has been reached, a signal is sounded. The competitor must then jump the next obstacle and the clock is stopped at the moment the horse's forefeet touch the ground. No points are scored for obstacles jumped after the signal has been sounded.
 - c. When a fault constitutes a disobedience or fall, or when the rider is eliminated or does not jump the obstacle at which the clock should have been stopped, the signal is sounded, and the competitor is placed last of those gaining an equal number of points.
 - d. Fault and Out classes can be conducted in one of two ways; which must be designated on the course plan as either:
 1. Once Around, in which case the maximum number of obstacles to be jumped is fixed, and the clock is stopped when the competitor crosses the finish line, or
 2. With a Fixed Time Allowed which must not be set at less than 50 seconds, nor more than 60 seconds. If the competitor has jumped all the obstacles before the expiration of the Time Allowed, he starts around the course again but is not required to go back through the start markers.

JP146 TABLE II—Classes scored on Faults Only

Time does not apply for any purpose except as provided for in JP144.7 through JP144.9 of the Table of Faults.

1. Knock Down and Out (Table II, Sec. 5) The winner to be the competitor clearing the most obstacles without a fault.
2. Puissance (Table II, Sec. 6). The initial round will comprise from 4 to 6 single obstacles of which at least one must be a vertical obstacle. The first obstacle must be at least 1.40 m (4' 7") in height, two obstacles from 1.60 m (5' 3") to 1.70 m (5' 6") and one wall or vertical obstacle, which may vary from 1.70 m (5' 6") to 1.80 m (5' 9") in height. All combination obstacles, water jumps, ditches and natural obstacles are forbidden. It is permissible to use a wall with a sloping face on the take-off side (maximum slope of 30 cm (12") offset at the base).
 - a. A vertical obstacle instead of a wall may be used, in which case, planks with a pole on top may be used as a substitute.

JP - JUMPER DIVISION

- b. In the event of equality for first place, there must be successive jump-offs over two obstacles, which must be a wall or a vertical obstacle and a spread obstacle.
 - c. In the jump-offs, both obstacles must be increased regularly in height and the spread obstacle also in spread. The vertical obstacle or wall may be increased in height only if competitors equal for first place have not been penalized in the preceding round.
 - d. If, at the end of the third jump-off, there is no single winner, the Ground Jury may stop the competition at its discretion. After the fourth jump-off, the Ground Jury **MUST** stop the competition. The competitors left in the competition will be placed equal first.
3. Six Bars (Table II, Sec. 7) This is a test of power and skill outside the category of doubles, trebles or multiples. Six obstacles are placed in a straight line with a distance of approximately 11 m (36') between each of them.
- a. If the size of the arena or other conditions warrant it, the number of obstacles may be reduced to five.
 - b. The obstacles are of identical construction and type.
 - c. At the choice of management, the obstacles may be either: a) all the same height, such as 1.20m (4'0") or b) at progressive heights.
 - d. If the competitor knocks down any of the obstacles, he does not stop but must continue the course. If the horse refuses or runs out, the rider must resume the course at the obstacle at which the fault occurred and is permitted to make his approach from outside the space between the two obstacles, thus jumping the fence at an angle.
 - e. Only those without fault in the preceding round are entitled to take part in the next round. If there are not sufficient clean rounds for the placement, ties are broken as provided in JP142.6.
 - f. If, at the end of the third jump-off, there is no single winner, the Ground Jury may stop the competition at its discretion. After the fourth jump-off, the Ground Jury **MUST** stop the competition. The competitors left in the competition will be placed equal first.

JP147 TABLE III—Faults Converted Into Seconds

1. Faults incurred when jumping an obstacle, for knocking down a boundary flag, for putting one or more feet in the water or on the marking lath are penalized by adding four seconds for each occurrence.
2. A Time Limit of 120 seconds will be automatically applied. (180 seconds for courses over 600m.) Seconds added due to jumping faults do not count towards the 120 or 180 second time limit determination.
3. The first disobedience is penalized automatically by the extra time taken. Causes of elimination in Table of Jumping Faults JP144.4 through .19 apply.

JP148 TABLE IV—Optimum Time Classes

Classes are scored on Faults under Table II, however, all ties are broken on the basis of Optimum Time.

1. Optimum Time in First Round (Table IV Sec. 1)—The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In the case of equality of faults, ties will be broken on the following basis: an "Optimum Time" (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc.
2. Optimum Time in First Jump-Off
 - a. Table IV Sec. 2 (a)—The first round and first jump-off are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In case of equality of faults, ties will be broken on the following basis: an "Optimum Time" (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc.
 - b. Table IV Sec. 2 (b)—The first round and first jump-off are decided by adding together the faults incurred over the

- course and any penalties for exceeding the Time Allowed. If a competitor has gone clean in the first round, the competitor will, without leaving the ring, upon an audible signal, commence the designated jump-off course. In the case of equality of faults in the jump-off, ties will be broken on the following basis: an “Optimum Time” (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc. If there are no clear rounds, a jump-off, scored as described above, will take place among those tied for first place.
- c. Table IV Sec. 2 (c)—The first round and first jump-off are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed if any [Note: The use of a time allowed is optional in the initial round.]. If a competitor has gone clean in the first round, he will, upon crossing the finish line, commence the designated jump-off, with time starting as the horse crosses the finish line for the initial course. In the case of equality of faults in the jump-off, ties will be broken on the following basis: an “Optimum Time” (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc. If there are no clear rounds, a jump-off, scored as described above, will take place among those tied for first place.

JP149 Special Classes

1. Top Score/Gambler’s Choice Competition (FEI Rules for Jumping Art. 270)
 - a. In this competition, a certain number of obstacles are set up in the arena. Each obstacle carries from 10 to 120 points according to its difficulty. Combination obstacles are not allowed. The obstacles must be built so that they can be jumped in both directions.
 - b. The points allocated to the obstacles may be repeated at the discretion of the Course Designer. If it is not possible to place 12 obstacles in the arena, it is up to him to delete the obstacles he wishes.
 - c. The competitor is credited with the number of points carried by each obstacle that he has jumped correctly. No points are awarded for an obstacle knocked down.
 - d. Each competitor has 45 (minimum) to 90 seconds (maximum). During this time, he may jump all the obstacles he wishes in any order and in any direction. He may cross the starting line in either direction. The starting line must be provided with four flags; a red and a white flag at each end of the line.
 - e. Ringing the bell declares the end of the round. The competitor must then cross the finishing line in one direction or the other to allow his time to be recorded. If he does not cross the finishing line, he is placed last of the competitors with the same number of points. The finishing line must be provided with four flags; a red and a white flag at each end of the line.
 - f. If the fixed time is reached at the moment when the horse is already taking off (front hooves off the ground), this obstacle counts if it is correctly jumped.
 - g. Any obstacle knocked down during a round will not be rebuilt; if it is jumped again, no points will be credited to the competitor. The same applies for knocking down an obstacle in disobedience or for displacing a lower part positioned in the same vertical plane. In the case of a disobedience without a knock-down, the competitor may jump that obstacle or continue to the next obstacle.
 - h. Each obstacle may be jumped twice. The act, voluntarily or not, of jumping an obstacle for the third time or of passing between the flags of an obstacle for the third time or of passing between the flags of an obstacle already knocked down does not incur elimination. However, the competitor does not score the points allotted to this obstacle.
 - i. All disobediences are penalized by the time lost by the competitor. The competitor must stop after a fall. Nevertheless he is placed according to the points obtained up to the moment of his fall disregarding the time.
 - j. The competitor who has obtained the highest number of points will be declared the winner. In the event of equality of points, the fastest time taken between the starting line and the finishing line will decide. In the event of

JP - JUMPER DIVISION

equality of points and time for first place, there will be a jump-off according to the same formula with a fixed time of 40 seconds.

- k. There are two options for using a Joker:
 1. An obstacle may be provided in the course duly marked by flags and titled "Joker". The Joker may be jumped twice; 200 points are awarded each time this obstacle is jumped correctly, but if it is knocked down, 200 points must be deducted from the total points obtained so far by the competitor.
 2. The Joker is not part of the main course. After the fixed time has expired, the bell is rung to end the competitor's round. The competitor must cross the finishing line to have his time recorded he then has 20 seconds in which to attempt the Joker. Only one attempt at the Joker is allowed. 200 points are awarded if this obstacle is jumped correctly, but if it is knocked down 200 points must be deducted from the total points obtained by the competitor.
2. Take Your Own Line. This competition takes place over a course of about ten obstacles scored under Table 2 or 3 as stated in the prize list. After crossing the start line, the competitor must jump each obstacle in either direction, in any order and cross the finish line.
 - a. If a competitor incurs a refusal, he may proceed to another obstacle. However, if the standard or flag is knocked down or displaced, the judge gives an audible signal, the clock is stopped and six seconds added to the time taken by the competitor to complete his round. The time is restarted at the moment when the horse leaves the ground at its next obstacle. Upon signal to proceed, the competitor may continue his round, re-attempting the obstacle refused or any other obstacle on the course not previously jumped.
 - b. A first refusal is penalized only by time. The second refusal incurs elimination. (Exception, see JP144.4 and .5)
3. High Jump. Conducted over a single obstacle, starting at approximately 4'6" or 5'. A double set of wings or their equivalent must be used.
 - a. Each competitor is allowed three attempts to clear a particular height and receives three points for clearing it at the first attempt, two for the second and one for the third. Points are cumulative from start to finish of class. Failure on the third attempt eliminates.
 - b. Winner is the competitor clearing the greatest height, or an equal height with a greater number of points.
 - c. A practice obstacle, which is not scored, may be jumped before each attempt. If all competitors are brought into the ring before the start of the class and held there during class, a start mark must be established at an appropriate distance from the obstacle.
4. Match Race. This class is run under Table III, faults converted into seconds, with each knockdown and the first refusal penalized by the addition of three (3) seconds. A competitor may ride only one horse. See JP Appendix B for Order of Starting in Qualifying Rounds. The following conditions apply:
 - a. Two competitors will compete against each other simultaneously over two identical courses, with each competitor timed separately. Combinations are not allowed. If a particular competitor finds that his opponent has withdrawn from any round, the competitor remaining in the class must complete the round in question alone. If one competitor enters the other competitor's course and as a result interferes with that competitor, the competitor responsible for the interference will be eliminated.
 - b. In each round in the case of a first refusal with or without a knock-down the competitor will continue his round without jumping that obstacle or waiting until it has been rebuilt, however 3 seconds will be added to his time. The second refusal will eliminate a competitor. A competitor passing an obstacle without attempting to jump it will be eliminated.
 - c. The competitor who has the fastest time will be qualified for the next round and so on until the two finalists meet to decide the winner. Losing competitors in corresponding rounds will be placed equal.
 - d. A member of the judge's panel must be stationed at the starting line to give the starting signal.
 - e. If there is a dead heat between two competitors, the round must be started again.

5. Rotating Pair Relay. This competition is for teams of two. A horse can only compete once in this class, but a rider may compete on more than one horse. The entire course must be jumped twice in the correct order by either competitor. The competitor who crosses the start line must jump the first obstacle and the competitor who jumps the last obstacle must cross the finish line.
 - a. One change is mandatory. Competitors may change over as often as they wish. A change is obligatory whenever a fault is incurred. A fault is indicated by an audible signal at which time the other competitor continues the course from the next obstacle. In the event of a disobedience, the other competitor must first jump the obstacle which has not been jumped by his partner and then continue the course.
 - b. Faults incurred are penalized by adding four seconds for each occurrence to the time of the round. The first two disobediences are penalized only by time, the third disobedience incurs elimination. Should a competitor jump an obstacle before his partner has landed over preceding obstacle, the pair will be eliminated.
 - c. The fastest overall time wins. In case of a tie for first place only, there will be a compulsory jump-off over a shortened course.
6. Other Relays—See the FEI Rules for Jumper Events.

JP150 Classes Offering \$25,000 or more in prize money

1. Specifications. Once the specifications for a class have been printed in the prize list, the class conditions may not be changed. The Standard may only be changed in the case of inclement weather or unsafe conditions. In exceptional circumstances, permission for a change in specifications may be granted upon the approval of the Jumper Committee Chairman, or his designee, and two additional Jumper Committee members. Any changes must be noted in the Steward's Report.
2. Officials.
 - a. Course Designer. A Federation Registered ('R') Course Designer must be used. (See Chapter GR10, Subchapter 10-F and GR1205)
 - b. Judges. For classes offering \$25,000 or more in prize money a total of two Federation licensed "R" judges are required, one of whom will act as official timer. The third judge is necessary if an open water jump is used; this can be a "r" judge. In addition, two back up timers with stop watches are required. (Note: A timer technician may also be utilized as per JP106.2; however one of the two 'R' judges must be responsible for the official time recorded for each entry.) For all classes of \$25,000 or more, the Senior Judge must physically inspect the course to ensure that the obstacles are set at the correct dimensions (Standard) as stated in the prize list. *BOD 8/29/16 Effective 12/1/16*
 - c. Schooling Supervision. See JP103.
3. Qualifying Class. If a qualifying class is held for a class offering \$25,000 or more, it must be held under the same schooling and equipment rules.
4. Cross Entries. Management may restrict cross entries if it is so stated in the prize list.
5. Prize Money. Prize money must be distributed as follows: 30% for 1st, 22% for 2nd, 13% for 3rd, 8% for 4th, 6% for 5th, 5% for 6th, 4% for 7th, 3% for 8th and 9th, 2% for 10th, 11th, and 12th place.
6. Entry Fees. Entry fee may not exceed 2% of the prize money. Further, when a Class Nominating Fee or a Starting or Declaration Fee is charged for entry into the class (excluding a Nominating fee for the Jumper Division, a Jumper Section, or for multiple Jumper Classes) the Total amount assessed including all Entry and Nominating fees (for any entry received by the closing date(s) and time(s) designated in the prize list) may not exceed 2% of the prize money.
7. Tack and Equipment. Only running martingales, used in the conventional manner, are permitted. Standing martingales, draw reins or restricted running martingales are prohibited.
8. Attire. (See GR801.2, JP111.9)

9. Schooling.

- a. All horses competing must be **presented for check-in to the Competition Steward or their designee and must be present** on the grounds for the twenty-four hour period prior to the scheduled start of the class. Any horse that has been removed from the grounds for any reason without permission of competition management is ineligible to compete in that class. Competition management will determine who the person(s) responsible is (i.e. rider, trainer, etc.) for removing that horse. All of the responsible person's horses will be eliminated from that class and entry fees for that class will be forfeited. *BOD 1/16/16 Effective 12/1/16*
- b. In order to compete, horse may not be schooled over off-sets for a twenty-four hour period prior to the scheduled start of the class, or while schooling during the class.

10. Open Classes of \$25,000 or more.

- a. The prize list and the official results must clearly indicate the Standard for any such class. Should a prize list fail to indicate at what Standard the class is to be conducted, the correct information must be posted prominently at the competition office prior to the closing of declarations, and both the Steward's Report and the Official Results must clearly indicate Regional, National or High Performance Standard. Should this requirement not have been met, the competition results shall be recorded as though the class had been conducted at the Regional Standard.
- b. The posted course plan must include the height and spread of each obstacle.
- c. Riders competing in open jumper classes held at the High Performance Standard offering \$25,000 or more in prize money are not eligible to compete in the highest money class, in the lowest height section of Junior or Amateur Owner Jumpers offered at the same competition where more than one height section is offered for Junior or Amateur Owner Jumpers.

11. Junior, Amateur/Owner, Amateur, or Young Rider Classes offering \$25,000 or more must be held at a minimum of the Regional Standard.

12. Starting Order (see also JP112 for Starting Order)

- a. A steward must be present to witness the draw. A rider, trainer or owner of a horse in that class is welcome to witness the draw.
- b. The previous year's winning rider may be seeded last if it is so stated in the prize list. If that rider has more than one horse in the class, a draw will be conducted to determine which of his/her horses will be seeded last.
- c. If a rider with multiple horses in a class scratches one or more of his horses, his/her remaining horses must be moved up to occupy the highest position for that rider.

JP151 FEI Classes and Classes not Covered Under these Rules

1. Other variations of the classes outlined in Subchapter JP-4 may be offered upon application to and approval of the Jumper Committee. (See JP150 for requirements for all classes offering \$25,000 or more in prize money.)
2. Two or More Phase Competitions. In Two or More Phase Competitions, cumulative scores must be used to determine the winners.
3. FEI Classes. Classes not included in Subchapter JP-7 may be offered such as those specified in the FEI Rules for Jumper Events (Relay, Accumulator, etc.). Any jumper class may also be run in accordance with FEI rules if management so specifies in the prize list. In either case, management must clearly state in the prize list what FEI Jumper Article applies, whether FEI or Federation equipment and/or schooling rules will be in effect and the starting time of enforcement.

SUBCHAPTER JP-8 NATIONAL/INTERNATIONAL CHAMPIONSHIPS**JP152 Championship Qualification**

1. All qualifying criteria must be objective and strive to ensure a fair and level playing field and must be publicly available prior to the start of qualifying period. The goal of the criteria will be to ensure that all riders who qualify under the criteria are capable of competing at the level of difficulty required by the specific championship. All qualifying criteria must be approved by the USEF Board of Directors.
 - a. If qualifying is based on a time period, the resulting standings of competitors must be made publicly available throughout the qualifying time period.
 - b. If the Championship will be comprised of teams based geographically by Zone, in addition to the above, the criteria for each Zone must be comparable in level of difficulty and if trials are used, must be evenly dispersed throughout the zone. Zones with an insufficient number of competitors to constitute a team may combine individuals to form a team.
2. FEI North American Junior and Young Rider Championships (NAJYRC) Qualifying criteria must be submitted by USHJA sixty (60) days prior to the start of each zone's qualifying period. If no changes are submitted, the following specifications will apply:
 - a. NAJC - qualifying criteria will automatically be based on Junior Jumper classes held at 1.35 m (4'5") or above as well as Open Jumper Classes offering \$25,000 or more in prize money between November 1 and June 15. Points will be awarded per GR1133.3
 - b. NAYRC - qualifying criteria will automatically be based on Junior and Amateur Owner Jumper classes held at 1.35 m (4'5") and above as well as Open Jumper Classes offering \$25,000 or more in prize money between November 1 and June 15. Points will be awarded per GR1133.3.
3. National Junior Jumper Championships. Qualifying criteria for the National Junior Jumper Championships must be submitted in writing by the USHJA to the Federation no later than July 15 of the year prior. If no changes are submitted, the qualifying criteria will automatically be based on Junior Jumper classes held at 1.40 m (4'7") or above between September 1 and August 31. Points will be awarded per GR1133.3.
4. US Pony Jumper Championships. Selection Procedures are approved by the Federation and published annually prior to the qualifying period.

APPENDIX A

USEF JUMPER SCHOOLING RULES

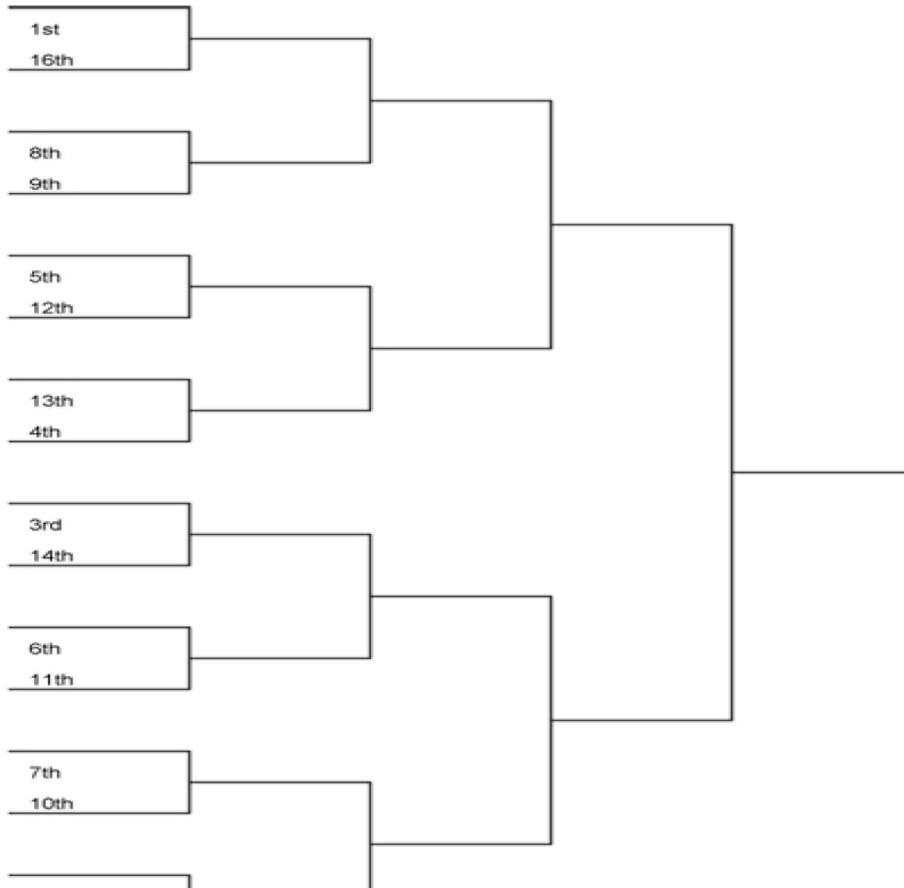

1. It is important to remember that all exercise areas are different in size, type of footing, and jump material provided. Furthermore, the ability of the horse and rider must always be taken into consideration as well when deciding what is permitted and not permitted during preparation.
2. In the schooling/exercise areas during the preparation before competition, a minimum of one vertical and one oxer must be provided. The ground must be in good condition. Management must provide sufficient obstacle material. The jumping area should be large enough to provide sufficient room for the training.
3. Obstacles may be flagged, in which case they must be jumped in the proper direction. The Steward, and/or Schooling Supervisor should decide if the flags may be interchanged.
4. No one may hold a rail or touch a standard while it is being jumped.
5. All rails must be either in cups or totally on the ground (exception: one end of a cross rail may rest on the ground). Rails must be able to fall easily when hit.
6. If a rail is placed on the edge of a cup it must be placed on the far side of the cup, and is only allowed at an oxer if it does not cause the front rail to be higher than the back rail (i.e. offset).
7. Horses are not permitted to walk over cross or slant rails. Walk rails may not exceed 30cm (12"), and may be built with one end of the rail resting on the ground. Ground lines are not permitted. While using a walk jump, the competitor must approach and depart in a direct line. At no time may they turn the horse while walking over the rail.
8. Jumps in the schooling area may not exceed 1.60 m (5'3") in height, 1.80 m (5'11") in width.
9. Any jump 1.30 m (4'3") or higher must have a minimum of 2 rails, in cups, on the take off side of the jump, regardless of whether a ground line is used. The lower rail must always be below 1.30 m (4'3").
10. There may never be more than two (2) rails on the back of an oxer, with the lower rail equal in height to the lowest

JP - JUMPER DIVISION

- rail on the front of the oxer. If the oxer is flagged so that it may only be jumped in one direction, there may only be one (1) rail on the back.
11. Ground lines are not mandatory, however if they are used they must be placed either directly below the front of the jump or up to 1 m (3'3") out. If a ground line is used on the landing side of a jump, there must be one on the take off side, and it may not be any further out than the one on the take off side. If an oxer is flagged so it may only be jumped in one direction, the ground line is only permitted on the front of the oxer.
 12. If a trot/canter/placement rail is used **it may only be used at a vertical which** may not exceed 1.30 m (4'3") in height. If a rail is used on the take off side of a jump, it may be no closer than 2.50m (8'2"). If a rail is used on the landing side of a jump it may be no closer than 3 m (9'10").
 13. If guide rails are used on the landing side of a jump, the closest part of the rail must be a minimum of 3 m (9'10") from the jump.
 14. A cross rail may be made either
 - a. by itself, in which case the height at which the cups are set may not exceed 1.30 m (4'3") in height, or
 - b. below a rail at a vertical, or the front rail of an oxer.
 15. No Swedish Oxers!
 16. If a liverpool is supplied and used at a vertical or oxer, the front of the liverpool may not be behind the front plane of the jump. Also, the back of the liverpool may not be placed beyond the front plane of the jump. If used at an oxer, the front of the liverpool may not be more than 1 m (3'3") in front of the jump. The total depth (front to back) may never exceed 1.80m (5' 11").
 17. If an item (blanket, cooler, etc.) is laid over the rail of an oxer, it must only be laid over the front rail. If there is more than one rail on the front of the oxer, the item may be laid over any of those rails.
 18. The use of materials which proves hazardous is forbidden.
 19. If space and available fence material allows and safety conditions permit, combinations may be built using correct distances. Bounce jumps may only be used with verticals and may **consist of a maximum of three (3) obstacles not exceeding 29.5" (75cm) in height.**
 20. Manual poling and the use of offsets are not permitted.
 21. Riders are fully responsible for any jump taken by their horse.
 22. Any action deemed not in the best interest of the horse will not be allowed.

TAPING/MARKING SCHOOLING FENCES

Fences should be taped at two points. 1) At the 4'3" (1.30 m) mark, so when a rail is placed above the tape the competitor knows that he/she needs a second rail. 2) At the 5'3" (1.60 m) mark, so competitors know that they are not permitted to build higher than that point. **BOD 8/29/16 Effective 12/1/16**

Horses shown in this division must be registered with the American Morgan Horse Association, Inc., or an organization having registry reciprocity, (Canadian Morgan Horse Association, British Morgan Horse Society, Swedish Morgan Horse Society.) Horses must be entered under their full registered name or if under one year of age be eligible for registration. Horses must be entered under the names of the owner(s) or lessee of record. A copy of the registration papers showing recorded ownership or proof of lease must be submitted with entry form at the time of making entry. Competition management is responsible for notifying exhibitors of this requirement.
2. Canadian horses born after January 1, 1985, can be shown with Canadian registration papers as long as the papers do not state "not eligible for U.S. reciprocity."
3. Owners (lessees), **riders, drivers, handlers, coaches**, and trainers of horses participating at Federation licensed competitions in all Morgan sections must be current members in good standing with the American Morgan Horse Association, Inc., or an organization having registry reciprocity (or pay a non-member fee. Set fees shall be payable to AMHA.) An original or a copy of the membership card must be provided to the competition unless the competition, at their discretion, confirms membership electronically with one of these organizations. Lessees are considered owners in connection with this membership requirement. In the event of an entry under multiple ownerships, only one owner need be a member. Exceptions: Exhibitors in Leadline and/or Walk-Trot classes are exempt from this membership requirement. Additionally, a parent/guardian when only signing an entry blank for a minor is not required to be a member or pay a non-member fee. *BOD 11/7/16 Effective 12/1/16*
4. In classes for Maiden, Novice or Limit horses, ribbons won as a driving horse within a section do not count when reckoning the status of the horse as a driving horse in another Section. In classes for Maiden, Novice or Limit horses, ribbons won as a saddle horse within a section do not count when reckoning the status of the horse as a saddle horse in another Section. Ribbons won as a driving horse do not count when reckoning the status of a saddle horse and visa versa.
5. In classes for Maiden, Novice or Limit riders, ribbons won in any saddle class of any Division or Section shall count in reckoning the status as a rider. In classes for Maiden, Novice or Limit drivers, ribbons won in any driving class of any Division or Section shall count in reckoning the status as a driver.

MO102 Type and Conformation

1. The Morgan's form and movement in its distinctive gaits is the result of selective breeding and good training. A Morgan is distinctive for its stamina and vigor, personality and eagerness and strong natural way of moving. The head is made up of a straight or slightly dished face; large prominent eyes set wide apart; short and shapely ears set rather wide apart and carried alertly; small muzzle with firm lips and large nostrils; well-rounded jowls. In body conformation the Morgan gives the appearance of a very strong powerful horse with great shoulder angulation and depth, short back, broad loins, croup long and well-muscled and with tail attached high and carried gracefully and straight. Head is carried proudly and neck slightly arched meeting the head at a well defined throttle. Legs are straight and sound with short cannons, flat bone, medium length pasterns and an appearance of overall substance with refinement. The Morgan ranges from 14.1 to 15.2 with occasional entries over and under.
2. The Morgan horse is judged against the criteria set forth in The Morgan Horse Judging Standards. The Standards supplement the Federation Morgan Division rules. Federation rules take precedence. It is the responsibility of judges, stewards, exhibitors and officials to be familiar with the criteria and intent of The Morgan Horse Judging Standards. The Morgan Horse Judging Standards contain no protestable rules.
3. Entries shall be serviceably sound and in good condition. Animals with complete loss of sight in one eye may be

found serviceably sound at the judge's discretion, except in a class over fences where a judge may ask a rider to change horses.

4. Morgan horses shall exhibit natural tail carriage. See MO114.2.
5. The specific kind of class being judged determines the importance of each criterion in the final judging outcome. The order in which each is listed in the class specifications determines where the emphasis should be placed.
6. Morgan division classes which are judged without consideration for type and conformation shall include Reining, Trail, Jumper, Carriage Driving, Eventing, Sport Horse, Fitting & Showmanship, Dressage and Equitation.

MO103 Shoeing Regulations

1. Except for weanlings and yearlings which must be shown barefoot, horses may be shod or barefoot. If shod, the shoe may be of any type and configuration. Exception: In the case of the bar shoe, the bar may not extend below the ground surface of the shoe. Borium or standard screw-in caulks are allowed.
2. There are different length restrictions according to the section or class within the Morgan Division.
3. If the limit for length of toe and/or width of pad is exceeded, the horse must be disqualified from the entire competition and forfeit all entry fees and all winnings including but not limited to all prize money, sweepstakes, trophies, scholarships, ribbons, points, etc. from the entire competition.
4. In Classic Pleasure classes, horses may be shown with or without rim pad(s). Rim pads must follow the inner and outer edge of the shoe and the connection at the heel must not be wider than any aspect of the shoe. The entire sole and frog of the foot must be visible with the exception of that connection at the heel and the length of toe including shoe and pad(s) must not exceed 4 1/2".
5. In English Pleasure, Western Pleasure, Hunter Pleasure, Pleasure Driving, and Natural Park classes the length of toe must not exceed 5" including pad and shoe.
6. In all In-Hand classes, Parade, Park Saddle, Park Harness, Hunter, Jumper, Eventing, Cutting, Reining, Carriage, Morgan Heritage, Equitation and all other Morgan Classes (exception: English Pleasure, Pleasure Driving, Western Pleasure, Hunter Pleasure, Natural Park, and Classic Pleasure Sections) the length of toe must not exceed 5 3/4" including pads and shoe.
7. At an all Morgan competition and any competition designated as an AMHA Regional Championship Competition, all Champions and Reserve Champions in classes restricted to Morgans must have one foot measured immediately upon leaving the ring except in classes where points are accumulated to determine Championships (i.e., Dressage and Hunter) (See GR510).
8. In Morgan Division classes which are judged without consideration for type and conformation where the Federation has specific shoeing regulations in the discipline rules, those Federation rules govern all Morgan classes, except the length of toe must not exceed 5 3/4" including pads and shoe. In Saddle Seat Classic Equitation, the Classic Pleasure shoeing will prevail (MO127.3).
9. See GR804, GR507.1, GR510 and GR512, GR513.

MO104 Special Requirements

1. Stallions are prohibited in Ladies, Junior Exhibitor, **Equitation**, Walk/Trot, and Leadline Classes. **BOD 11/7/16 Effective 12/1/16**
2. It is the responsibility of all exhibitors to officially scratch entries in any event in which they do not plan to participate.
3. An exhibitor is allowed only one time-out per class including Hunter Seat Equitation on the Flat. (See GR833.1)
4. Side saddle riders, in appropriate tack and attire, are allowed in all classes except equitation.
5. Electronic communication devices used for purposes of coaching exhibitors during a competition are prohibited in all classes in the Morgan Division. Exhibitors with a permanent hearing impairment are permitted to use an

MO - MORGAN DIVISION

electronic communication device upon submission of a written certification from a treating medical professional's office certifying the permanent hearing impairment and certifying the requirement of an electronic communication device. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report. An exhibitor with a disability (other than hearing) will be provided reasonable accommodation upon submission of a written certification from a treating medical professional's office certifying the disability and identifying the accommodation necessary for the exhibitor to compete safely. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.

6. All headers in the Morgan division must be a minimum of sixteen (16) years of age (Federation competition age, see GR103).
7. Model classes are prohibited.
8. When the terms "prohibited", "not permitted", "mandatory", or "required" are used in these rules, any competitor who fails to comply MUST BE ELIMINATED by the judge, unless another penalty is stipulated. When the terms "must" or "shall" are used in these rules, and no penalty is prescribed, any competitor who fails to comply must be penalized by the judge. When the term "should" is used in these rules, any competitor who fails to comply may be penalized at the judge's discretion.
9. Horses entered in Amateur Owner and Junior Owner classes must be registered in the name of the competitor or a member of the competitor's family, as defined by GR123. (Horses registered in a farm/ranch/syndicate/partnership/corporation name may be shown in Amateur Owner classes provided the family is the sole owner of the farm or entity as defined by GR123. The sale of a horse does not eliminate this registration requirement. (Contracts of Sale or Bill of Sale will not be accepted.) In the case of a junior exhibitor, the parent or guardian must sign.
10. In the Morgan Division, classes that are judged without consideration for type and conformation (See MO102.6), the judging of these disciplines and classes will be conducted under the Federation rules of the applicable chapters and the Morgan Subchapters (Morgan Dressage and Fitting & Showmanship).

MO105 Appointments

1. The Morgan is shown in all its natural beauty with a full mane, forelock and tail. Braiding is permitted only in Hunter, Jumper, Dressage, Sport Horse, and Carriage Pleasure Driving. Braiding is also permitted in performance and equitation classes when shown under proper hunter, dressage, sport horse, or carriage driving tack and attire.
2. The use of any device in the ring to alter the natural carriage of the tail or ears shall result in disqualification. The steward may check for appliances to alter the ear carriage when measuring feet for championships. Rubber bands, an inconspicuous braid or tape in the forelock are permitted. In harness classes, an inconspicuous braid in the end of the tail is permitted to allow it to be fastened to the driving vehicle.
3. The use of supplemental hair on the horse is prohibited in any class restricted to Morgans and shall result in disqualification from the competition, and all entry fees and winnings of the entry for the entire competition will be forfeited.
4. Boots and other artificial appliances are forbidden in the Morgan division during competition in a class. Exception: boots are permitted in all Reining, Roadster, Jumper, Hunter on the Flat Equitation, and Hunter Seat over Fences.
5. In case of inclement weather competition management may permit the use of polo boots or bandages and may allow tails to be tied up provided this is publicly announced before a class or session.
6. Rubber or elastic (except on boots) attached in any way to the legs or hooves must not be used on the competition grounds at any time.
7. Vertical half-cup blinkers are acceptable on the competition grounds and in the warm-up ring. Blinders of any kind are not allowed.
8. A rein (or driving line) is defined as a length of leather, or other material, which remains flexible at the point of

contact with the bit and which does not create an extension of leverage of the bit.

9. An inconspicuous tongue tie is permitted in all Morgan sections with the exception of Carriage Driving, Dressage, Working Hunter over Fences, Hunter Seat Equitation Over Fences, Reining Seat Equitation, Western Seat Equitation, Trail, Reining and Western Pleasure.
10. Nasal strips are allowed with the exception of the competition arenas during scheduled performances.

MO106 Attire

1. Rider's attire must be suitable to the saddle being ridden. Protective headgear (See GR801) may be worn without penalty.
2. Protective headgear (See GR801) must be worn by riders in lead line classes at all times while mounted.

MO107 Division of Classes

1. All Harness classes must be divided if there are over 25 entries or in which safety appears to be a factor in the judgment of the show committee and/or judge.
2. In a divided class, separate ribbons and trophies will be awarded. Management, at its discretion, may divide or duplicate the prize money. Exception: In Championship classes or in classes in which a Challenge or Perpetual Trophy is offered, eliminations followed by a work off will determine the final placings.

MO108 Championship Classes

1. At All-Morgan competitions and any competition designated as an AMHA Regional Championship Competition, stripping of horses is mandatory in open and junior horse championship classes under saddle (Park Saddle, English Pleasure, Hunter Pleasure, Western Pleasure Sections) when type and conformation are part of the specifications. (Exception: One horse classes, Parade classes and Classic Pleasure Saddle classes.) All judges must walk the line at Regional and National Championships in classes restricted to Morgans. At other than All-Morgan competitions, stripping of horses is mandatory in open and junior horse championship classes under saddle (Park Saddle, English Pleasure, Hunter Pleasure, Western Pleasure Sections) when type and conformation are part of the specification unless the prize list states that it is not required. Stripping of these horses will be accomplished by not more than two attendants assisting the rider. Refer to GR808, GR809, GR810.2.
2. To be eligible to show in a Performance Championship class a horse must have been properly entered, shown and judged in one qualifying class in the same section. An entry which while performing in a qualifying class fails to qualify by reasons of equipment repair, shoeing time, illness (certified by the official veterinarian) or failure of a class to fill shall be permitted to pay double fee and make a post entry in another qualifying class in the section or if no subsequent qualifying class is available for such post entry, the horse shall be considered qualified for the Performance Championship class, provided the horse has previously been entered in the Championship or Stake. MO109 Stakes

At an all Morgan competition and any competition designated as an AMHA Regional Championship Competition, all classes that require a qualifying class must be called a championship. (Refer to MO103.7 and MO108.1) At all other competitions, a stake class may either be a qualifying class for the championship or the final competition for that particular division. Stake classes must be judged by the same specifications as qualifying classes.

SUBCHAPTER MO-2 ALL IN-HAND CLASSES

MO110 Appointments

2. Curb bits are prohibited for weanlings and yearlings in In-Hand classes.

MO111 Shoeing

In all In-Hand classes the length of toe must not exceed 5 3/4" including pads and shoe.

MO112 Class Specifications

1. Entries are to be judged individually, standing then at a walk and trot on the line and must be serviceably sound.
Horses should stand with front legs perpendicular to the ground. Rear legs may be placed slightly back. The horse is also judged at some time during the class not stretched.
3. Emphasis is placed on type and conformation with consideration given to horse's ability to move correctly on the lead. Unnatural tail carriage should be penalized. See MO102.4 and MO114.2.
4. Not more than two handlers shall be allowed in the ring to show each horse in In-Hand classes. No item may be used inside or outside the ring while showing the horse except one whip per handler. (See General Rules, GR803.)

MO113 Classes

1. There is only one standard for type and conformation of the Morgan horse. If In-Hand classes are offered for horses in specific disciplines or specific classes or suitable to become classes (Classic Pleasure In-Hand, Western In-Hand, etc.) horses are judged against the criteria stated in MO102.
If such classes are offered competition management must print the above in the prize list to assure there is no misunderstanding and that no horse will be judged against any standard for another breed, discipline, or division.
2. In-Hand classes may include: Weanling colts, Yearling colts, Two-year-old colts, Three-year-old stallions, Four-year-old stallions, Five-year-old and over stallions, Sire and Get Class (stallions to be shown with two to four of Get), Get of Sire (two to four of Get to be shown), Weanling fillies, Yearling fillies, Two-year-old fillies, Three-year-old mares, Four-year-old mares, Five-year-old and over mares (may be divided into mares that have had foals and mares that have not produced foals), Broodmare and foal, Dam and Produce (mares to be shown with two or more of Produce), Produce of Dam (two to four of Produce to be shown), Weanling geldings, Yearling geldings, Two-year-old geldings, Three-year-old geldings, Four-year-old geldings and Five-year-old and over geldings; Champions and Reserve Champions are selected as outlined in GR810.1, GR810.2 and GR810.4.
3. In Classic Pleasure In-Hand classes, all handlers/tailers must not be professionals as defined in GR1306.
4. If specialty in-hand classes are held, they do not qualify for In-Hand Championships and are held according to local specifications.

SUBCHAPTER MO-3 SHOWING AND JUDGING REGULATIONS

IN PERFORMANCE CLASSES

MO114 Judging

1. Suitability of the horse and its motion for the type of job at hand is essential. Natural animated motion is desired in Park Horse classes. Easy ground-covering motion is desired in Pleasure and Working events. Judges must severely penalize any horse with laboring motion at any gait whether or not such motion indicates excessive weight or use of artificial training devices.
2. Judges must penalize unnatural tail carriage, which includes evidence of tail-setting and/or vertical break-over, dead tail and wry tail (wry tail is defined as askew, deformed, distorted or twisted). Judges must severely penalize tails carried vertically with an abrupt break-over (double-vertical).
3. Unless class specifications state otherwise entries are judged 40% on type and conformation and 60% on other qualifications appropriate to the class. Stakes are judged as qualifying classes. In Championship performance classes type and conformation shall count 50%. Judges must strictly apply these percentages.
4. Youth classes are to be judged in accordance with Open class specifications, open to exhibitors 21 years of age

and under. A youth rider or driver may exhibit stallions, mares and geldings.

5. Cross entering between Youth and Junior Exhibitor classes is permitted unless prohibited in the prize list.
6. Horses are to be shown at all required gaits both ways of the ring.
7. All horses chosen for a workout must be worked both ways of the ring at any gait requested.
8. In Pleasure Classes Under Saddle, horses must not be tested on obstacles.
9. Masters Classes are restricted to amateur riders/drivers age 50 years and older.

MO115 Qualifying Gaits

1. Walk: Flat-footed, steady, elastic.
2. Park Walk: Snappy, collected, animated, elastic and on a straight line.
3. Trot: Square, collected and balanced.
4. Park Trot: Animated, square, collected and balanced.
5. Pleasure Trot: Easy going trot with elasticity and freedom of movement.
6. Extended Trot: The extended trot should be bold, energetic, balanced and ground covering with a definite lengthening of stride resulting in an increase of speed without a sense of racing or straining. The mouth should remain light and the horse should demonstrate a complete acceptance of control without resistance at all times. A horse that does not remain light in the mouth and does not demonstrate a complete acceptance of control without resistance should be penalized.
7. Road Trot: Balanced, ground covering. Form should not be sacrificed for speed. Excessive speed should be penalized.
8. Slow Trot: (Formerly "Collected") The neck is raised, thus enabling the shoulders to move with greater ease in all directions, the hocks being well engaged and maintaining energetic impulsion, not withstanding the slower movement. The horse's steps are shorter but they are lighter and more mobile.
9. Working Trot: This is a pace between the strong and the slow trot and more round than the strong trot. The horses go forward freely and straight, engaging the hind legs with good hock action, on a taut but light rein, the position being balanced and unconstrained. The steps should be as even as possible. The hind feet touch the ground in the foot prints of the fore feet. The degree of energy and impulsion displayed at the working trot denotes clearly the degree of suppleness and balance of the horses.
10. Strong Trot: ("Trot On") Clear but not excessive increase in pace and lengthening of stride while remaining well balanced and showing appropriate lateral flexion on turns; light contact to be maintained. Excessive speed will be penalized. The term used for calling this gait is "Trot on."
11. Jog-Trot: A free, easy, two beat diagonal gait without a tendency to mix gaits.
12. Extended Jog-Trot: A lengthening of stride while maintaining a free and easy two beat diagonal gait.
13. Canter: Smooth, collected and straight on both leads.
14. Lope: Smooth, slow, straight and a three beat cadence.
15. Extended Lope: A lengthening of stride while maintaining a smooth, straight, three beat cadence.
16. Extended Canter: The extended canter should be ground covering, free moving and smooth. The extended canter should show a definite lengthening of stride, while still being controlled and mannerly. Extreme speed SHALL be penalized.
17. Hand Gallop: Long, free ground covering stride under control. Not a fast collected canter, but a true lengthening of stride, correct and straight on both leads. Extreme speed penalized.

Slip or gag bits, rigid donut mouthpieces and flat polo mouthpieces are prohibited. Roping bits with both reins connected to a single ring at center of cross bar must not be used. Reins must be attached to each shank. Any rein design or other device which increases the effective length and thereby the leverage of the shank of a standard western bit is prohibited. Attached reins must be of hair, rope, leather or leather-like materials. Other material of any kind must not be used in conjunction with a bosal, i.e., steel, metal or chains (Exception: Smooth plastic electrical tape is acceptable).
5. Artificial appliances that tend to alter performance are prohibited. Use of tongue ties or materials of any kind placed in the horse's mouth other than a standard Western bit or snaffle bit as defined in MO132.2 and MO132.3 is prohibited. Curb chains and leather chin straps may be used but must be flat and at least 1/2" in width and lie flat against the jaws of the horse. Wire, rawhide, metal or other substance must not be used in conjunction with or as part of the leather chin strap, or curb chains. Rounded, rolled, braided or rawhide curb straps are prohibited. A light lip strap is permissible. Hackamore bits, pencil bosals, cavesson type nosebands, martingales and tie downs are prohibited. SUBCHAPTER MO-9 MORGAN ROADSTER SECTION

MO140 General

1. Gait requirements. The principal assignment for Roadsters is the trot. They shall be asked to trot at three distinctive speeds; the slow jog trot, the faster road gait and at full speed. Judges may ask Roadsters to walk. At all speeds they shall work in form with their heads set and their legs working beneath them. The trot should be balanced. Long sprawling action in front, dragging or trailing hind legs and spraddle gaited behind makes a balanced trot impossible. Animation, action, brilliance and competition ring presence should characterize Roadsters in working at a jog trot or road gait. When asked to show at speed, they must show speed and go in form. Although speed is of great importance, horses that pace, break or run on the turns must be severely penalized.
2. Judging Procedure. Roadsters enter the ring clockwise at a jog trot, show at a road gait; turn counter-clockwise at the jog trot, show at a road gait and then trot at speed. Horses should be shown on the rail at all times, except when passing and should go to the far end of every corner without side reining, should be light mouthed, capable of being taken up at any time, willing to walk and stand while being judged in the line-up. When horses are lined-up, no header is permitted and driver shall not leave his vehicle when left in the center of the ring while part of the class is on the rail for a workout. During the line-up, headers are permitted in Amateur, Master, Ladies and Juvenile Roadster classes. The header must not touch the entry except for safety reasons. During a workout the header may uncheck and hold the entry. However, when the workout is over the horse must be rechecked and the header must move away from the horse. The header must take no action that would affect the performance of any animal.

MO141 Appointments

1. Appropriate harness includes blinkers of square pattern, snaffle bit, overhead check and running martingale. Horses are to be shown to a road bike with stirrups but without boot or basket. Quarter Boots or Bell Boots are allowed.
2. Under Saddle. Horses are to be shown under English Saddle with full martingale, and open bridle with snaffle bit, single or double reins. Quarter Boots or Bell Boots are allowed.

MO142 Attire

Except as may otherwise be mandated by local law, exhibitors in Bike or Under Saddle classes shall wear stable colors, cap and jacket to match; protective headgear of any color is acceptable and encouraged. See GR801. Except as may otherwise be mandated by local law, while riding or driving a Roadster anywhere on the competition grounds, all juniors riding or driving a Roadster in Morgan, Bike or Under Saddle classes must wear properly fitting protective headgear which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag as specified in GR801. Harness must be secured and properly fitted. A matching cover may be worn over the protective headgear or the protective headgear may be painted in matching stable colors.

MO143 Shoeing

In Roadster classes the length of toe must not exceed 5 3/4" including pads and shoe.

MO144 Morgan Roadster Class Specifications

1. The prize list must specify the fence heights of classes offered which must never exceed the stated height. Course diagrams must be posted at least one hour prior to the class and fences must be numbered and the direction taken noted. If courtesy circles are to be restricted by a mandatory line, the line must be clearly marked on the course diagram and a marker must be on the course.
2. Solid, sturdy obstacles are necessary and care must always be used in the placement, design and the flow of the course. Ground lines are crucial and the obstacles should simulate those found in the hunting field-post and rails, brush, stone and brick walls, white board fences, and gates, coops, oxers, etc. Targets and striped rails are not appropriate, but can often be redecorated or camouflaged to achieve a hunter style course. Handy class obstacles should simulate those found in hunt country. There should be at least two changes of direction and a combination. For In and Outs, refer to HU121.
3. Horses must execute at least eight jumping attempts. Any number of fences, jumped multiple times, will suffice. A change of direction is required in all classes.

Horses should not be eliminated for slight errors.

MO152 Championship Points

1. A championship may not be offered in a section unless a minimum of two over fences classes and one Under Saddle class are held (exception: Ladies Side Saddle does not count). If a competition offers more than one Under Saddle class, only one may count towards the Championship. The prize list must specify the class to count.
2. When a Championship is offered, a poster must be kept in a prominent place with cumulative points charted. Only the first six places count toward Championship regardless of the number of ribbons offered.

MO168 AMHA Saddle Seat Medal Class

Exhibitors must be AMHA youth members in good standing and must not have reached their 22nd birthday as of December 1 of the competition year.

1. SEAT AND HANDS

- a. **GENERAL**-Judges should note that the required equitation seat should in no way be exaggerated, but be thoroughly efficient and most comfortable for riding the type of horse called for at any gait and for any length of time. Riders should convey the impression of effective and easy control. To show a horse well, the rider should show himself/herself to the best advantage. Ring generalship shall be taken into consideration by the judge. A complete picture of the whole is of major importance.
- b. **HANDS**-Hands should be held in an easy position, neither perpendicular nor horizontal to the saddle, and should show sympathy, adaptability, and control. The height the hands are held above the horse's withers is a matter of how and where the horse carries his head. The method of holding the reins is optional, except that both hands shall be used and all reins must be picked up at one time. Bight of rein should be on the off side.
- c. **BASIC POSITION**-To obtain proper position, the rider should place himself comfortably in the saddle and find his center of gravity by sitting with a slight bend at the knees, without the use of irons. While in this position, adjust leathers to fit. Irons should be placed under the ball of the foot (not toe nor home), with even pressure on entire width of sole and center of the iron. Foot position should be natural (neither extremely in nor out).
- d. **POSITION IN MOTION**-Walk: slight motion in saddle. Trot: slight elevation in saddle while posting; hips under body, not mechanical up and down nor swinging forward and backward. Canter: close seat, going with horse.

2. APPOINTMENTS

- a. **PERSONAL**-Exhibitors and judges should bear in mind that, at all times, entries are being judged on ability. However, neatness should be the first consideration of attire. The following requirements are based on tradition and general present-day customs. Judges must eliminate those contestants who do not conform. Adjustments to tack and attire for valid medical reasons are permitted providing the steward is notified prior to the class. Protective headgear with harness is acceptable.

Solid colors include black, blue, gray, dark green, beige, brown, or dark burgundy. Jacket with MATCHING JODHPURS, derby or soft hat, or protective headgear, and jodhpur boots must be worn.

The most formal evening outfit would include a tuxedo-style Saddle Suit, top hat (ladies), homburg (men), patent leather boots, wing collar shirt, white pique tie, white vest, cummerbund and white gloves. A dark riding habit with accessories and jodhpur boots is also acceptable. Formal riding habits must not be worn before 6 p.m. and are not mandatory after 6 p.m.
- d. Miscellaneous: Spurs of the unrowelled type and whip or crop are optional.
- e. TACK-Bridle: Entries must be shown in full bridles (curb and bridoon). Martingales or similar tiedowns are prohibited. Saddle must be of the flat, English style. Forward seat, Dressage seat, or Western saddles are prohibited.

3. CLASS ROUTINE

- a. Entries are to enter the ring at a trot and are to be judged both ways of the ring at the walk, trot, and canter. At the canter, entries should always be on the correct lead. The reverse may be executed by turning either toward or away from the rail. At least the top four riders must perform two or more individual tests. When individual tests are called for, the judge's decision is a 50-50 analysis of the rail work and the individual tests. If there are more than 20 entries in the class, the judge must work contestants in groups of 20 or less. Division of the class must be publicly announced and posted at least two hours prior to the start of the class.

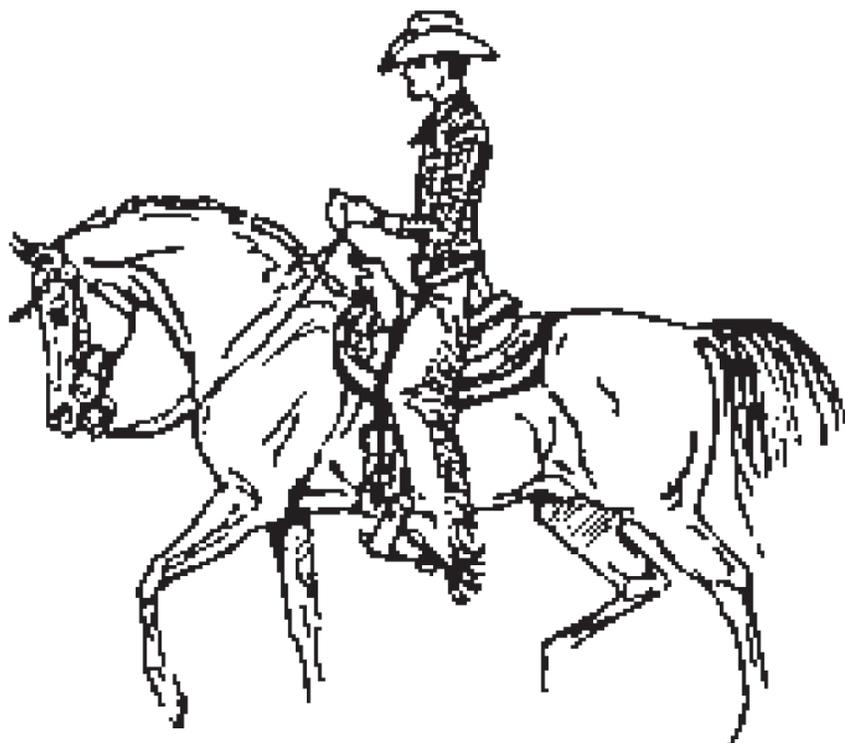

4. TESTS FROM WHICH JUDGES MUST CHOOSE

Tests may be performed either individually or collectively but only the tests below may be used. Instructions must be publicly announced. Individual workout instructions may be posted for all competitors to study, at least one hour before the session containing the class, and, if so, announced to the exhibitors.

- a. Address reins-the process of laying down reins and picking up reins (only in line up).
- b. Back for not more than eight steps.
- c. Performance on rail.
- d. Performance around ring.
- e. Feet disengaged from stirrups, then reengaged, in the lineup only.
- f. Change of diagonals down center of ring or on the rail.
- g. Execute serpentine at a trot. A series of left and right half circles off center of imaginary line where correct diagonal must be shown.
- h. Circle at a trot.
- i. Figure eight at trot demonstrating change of diagonals. Unless specified, it may be started either facing the center or away from the center. If started facing the center, it must be commenced from a halt. At left diagonal rider should be sitting the saddle when left front leg is on the ground; at right diagonal rider should be sitting saddle when right front leg is on the ground. When circling clockwise, rider should be on left diagonal; when circling counterclockwise, rider should be on right diagonal.
- j. Execute serpentine at a canter on correct lead demonstrating simple change of lead.(This is a change whereby the horse is brought back to a halt/walk and restarted into a canter on the opposite lead.)
- k. Circle at the canter on the correct lead.
- l. Figure eight at canter on a correct lead demonstrating simple change of lead. Unless specified, it can be started either facing the center, or away from the center. If started facing the center, it must be commenced from a halt. Figures are commenced in center of two circles so that one lead change is shown.
- m. Change leads down center of ring or on the rail demonstrating simple change of lead. The judge must specify exact lead changes to be executed and the beginning lead. In a simple change of lead, the horse is brought

back to a halt/walk and restarted into a canter on the opposite lead from the halt or walk.

- n. Demonstration ride of approximately one minute on own mount. Movements must be selected from Tests .a-.m above. Rider must advise judge beforehand what ride they plan to demonstrate. Riders must have with them two copies (one for judge and one for announcer) of a written, one-minute work-out in case the judge asks for this test. The test must be stopped at the end of one minute, but the rider will not be penalized for not completing it.
- o. Exchange horses, no more than three pairs of riders and horses to exchange. Saddle may be exchanged. The attendant for each horse being exchanged must be allowed in the ring only to facilitate the change.
This test is used only to break a tie within the pairs of riders. In other words, if two pairs are called to exchange horses, one pair will receive 1st and 2nd place, and the other pair will receive 3rd and 4th place.
- p. Ride without stirrups for a brief period of time, no more than one minute at the trotting phase. Riders may be asked to engage stirrups at a halt or walk

MO169 AMHA Western Seat Medal Class

Exhibitors must be AMHA youth members in good standing and must not have reached their 22nd birthday as of December 1 of the competition year.

1. SEAT AND HANDS

- a. GENERAL-Riders will be judged on seat, hands, performance of horse, appointments of horse and rider, and suitability of horse to rider. Results as shown by the performance of the horse are NOT to be considered more important than the method used in obtaining them.
- b. HANDS-In repose, arms are in a straight line with body, and the one holding the reins is bent at the elbow. Only one hand is to be used for reining and hands shall not be changed. Hand to be around reins. When ends of split reins fall on near side, one finger between the reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger is allowed between the reins. The position of the hand not being used for reining is optional, but it should be kept free of the horse and equipment and held in a relaxed manner with the rider's body straight at all times. Rider may hold romal or end of split reins to keep from swinging

MO - MORGAN DIVISION

and to adjust the position of reins, provided there are at least 16 inches of rein between the hands. If a romal is used, hands are to be above the horn and as near to it as possible. Bracing against horn or coiled riata will be penalized.

- c. BASIC POSITION-The stirrup should be just short enough to allow heels to be lower than toes. Body should appear comfortable, relaxed, and flexible. Feet should be placed in the stirrups with the weight on the ball of the foot. Consideration, however, should be given to the width of the stirrups, which vary on Western saddles. If stirrups are wide, the foot may have the appearance of being home when, in reality, the weight is being properly carried on the ball of the foot.
- d. POSITION IN MOTION-Rider should sit to jog and not post. At the lope, he should be close to saddle. All movements of horse should be governed by the use of imperceptible aids and the shifting of rider's weight is not desirable.

2. APPOINTMENTS

- a. PERSONAL-Riders must wear suitable hat; long-sleeved shirt with collar; a necktie, kerchief or bolo tie or pin; trousers or pants (a one-piece equitation suit is acceptable provided it includes a collar). Chaps, shotgun chaps or chinks and boots are required. A vest, jacket, coat and/or sweater may also be worn. Protective headgear is acceptable; it is not required to be of Western type. Spurs are optional. Hair must be neat and fastened so as not to cover rider's number.
- b. TACK-The saddle should fit the rider. It may be a slick or swelled fork, have a high or low cantle, but must definitely be sized to the rider. Nothing which would prevent the stirrups from hanging freely shall be added to or deleted from a standard western saddle. Exhibitors must not ride side-saddle. There shall be no discrimination against any legal western bit. Curb chains and leather chin straps may be used, but must be flat, at least 1/2" in width and lie flat against the jaws of the horse. Wire, rawhide, metal or other substance must not be used in conjunction with or as part of the leather chin strap or curb chains. A light lip strap is permissible. Hackamores, bosals, or snaffle bits may not be used and rider must show with one hand. Silver equipment may be used, but should not be given preference over good working equipment. Shin, bell or skid boots are prohibited. Bridles may be checked at the discretion of the judge(s). The judge(s) may designate the steward to check bridles. If checking is done in the class lineup, one attendant must be invited in, and if requested by the judge(s), may assist in the checking of bridles. The attendant may assist with re-bridling and remounting.
- c. Competitors must be penalized for incomplete appointments and attire but not necessarily disqualified.

3. CLASS ROUTINE

- a. Entries are to enter the ring at a walk or jog, and are to be judged at a flatfooted, four-beat walk; diagonal, two-beat jog; and three-beat lope. They are worked both ways of the ring. At the lope, entries should be on the correct lead. The reverse may be executed by turning either toward or away from the rail. All contestants are required to back in a straight line during the line up in all classes. At least the top four riders must perform two or more individual tests. When individual tests are called for, the judge's decision should be a 50-50 analysis of the rail work and the individual tests. If there are more than 20 entries in the class, the judge must work contestants in groups of 20 or less. Division of the class must be publicly announced and posted at least two hours prior to the start of the class. Due to the difficulty of properly fitting tack, riders shall not be asked to change horses.

4. TESTS FROM WHICH JUDGES MUST CHOOSE

Tests may be performed either collectively or individually, but only the tests below may be used. Instructions must be publicly announced. Individual workout instructions may be posted for all competitors to study, at least one hour before the session containing the class, and, if so, announced to the exhibitors.

- a. Back.
- b. Individual performance.
- c. Figure eight at the jog.

- d. Lope and stop.
- e. Figure eight at lope on correct lead, demonstrating simple change of lead. This is a change whereby the horse is brought back into walk or jog and restarted into a lope on the opposite lead. One figure eight demonstrates two changes of lead and is completed by closing up the last circle and stopping in the center of the eight.
- f. Turn on the haunches or on the forehand (from the walk).
- g. Extended jog on or off the rail.
- h. Lope on the counter lead.
- i. Demonstration ride of approximately one minute. Rider must advise judge beforehand what ride he plans to demonstrate.

MO170 AMHA Reining Seat Medal Class

Exhibitors must be AMHA youth members in good standing and must not have reached their 22nd birthday as of December 1 of the competition year.

1. SEAT AND HANDS-See Western Seat Medal Class #1.

2. APPOINTMENTS

- a. PERSONAL-Riders must wear suitable hat, long-sleeved shirt with collar, a necktie, kerchief or bolo tie or pin, trousers or pants (a one-piece equitation suit is acceptable provided it includes a collar). Chaps, shotgun chaps or chinks and boots are required. A vest, jacket, coat and/or sweater may also be worn. Protective headgear is acceptable; it is not required to be of Western type. Spurs are optional. Hair must be neat and securely fastened if long so as not to cover rider's number.
- b. TACK-The saddle must fit the rider. It may be a slick or swelled fork, have a high or low cantle, but must definitely be sized to the rider. Nothing which would prevent the stirrups from hanging freely shall be added to or deleted from a standard Western saddle. Exhibitors may not ride side-saddle. There shall be no discrimination against any legal Western bit. Curb chains and leather chin straps may be used, but must be flat, at least 1/2" in width and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance may be used in conjunction with or as part of the leather chin strap or curb chain. A light lip strap is permissible. Hackamores, bosals and snaffle bits may not be used. Rider must show with one hand. Silver equipment may be used, but should not be given preference over good working equipment. Shin, bell or skid boots are permitted. Judge must ask to have bits dropped with rider dismounted.
- c. Competitors must be penalized for incomplete appointments and attire but not necessarily disqualified.

3. CLASS ROUTINE

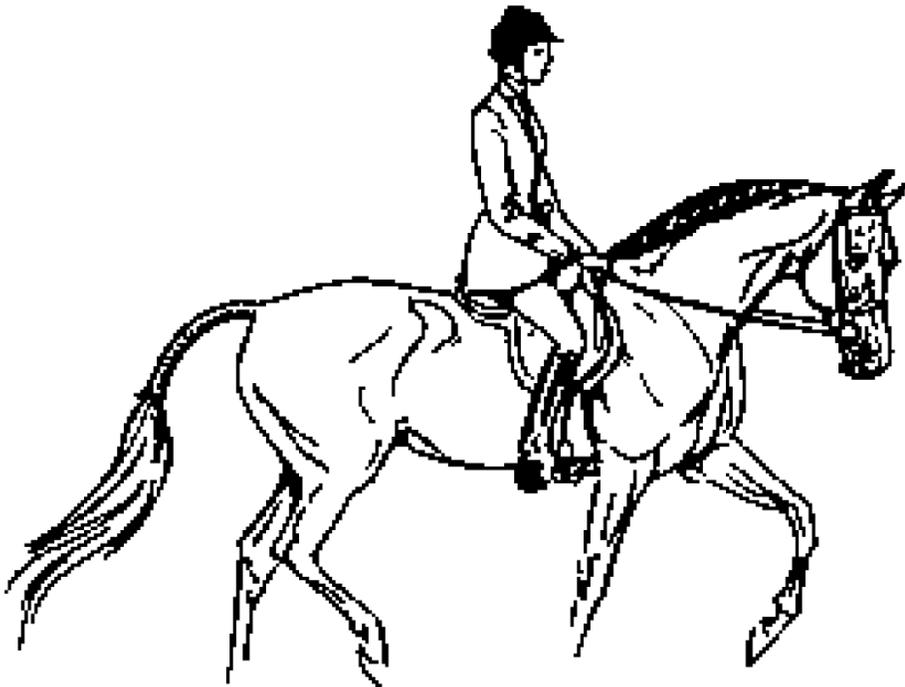

- a. Each entry must perform one of the Federation Reining patterns outlined in RN106.
- b. The Reining Seat Medal Class is an equitation class where position, hands and seat are paramount. The class will be judged 50% on equitation and 50% on the reining pattern. A contestant who is off pattern will be disqualified and will not receive any award except in a ride-off where the contestant shall be placed last of those chosen for the ride-off. The horse should be in perfect balance at all times, working entirely off his haunches. Neck and head should be in a direct line with body, mouth closed and head at normal height. If the horse works off his hindquarters at all times and in a straight line, all possibility of draw-reining will be avoided. It must be remembered that, above all, a reining horse is one that responds instantly and smoothly to all aids. To be consistent with Reining rules, if a judge believes a major penalty is unclear, he may request a review of an official video and hold his score pending review. If the judge determines the penalty was incurred, it must be applied; if not, the score will be announced as originally submitted. Additionally, per RN103.14, an exhibitor or owner may request a review of a major fault penalty applied to a run and if granted by the judge, he must believe the entire class

MO - MORGAN DIVISION

has been videotaped by the official videographer. The request must be made no later than 30 minutes after the last run of the day and before the judge has left the grounds.

4. REINING SEAT PATTERN

- a. INSTRUCTIONS-The pattern MUST be posted one hour prior to the class.
- b. The judge will select which pattern will be used. The pattern MUST be publicly announced and the judge MUST give riders the opportunity to ask questions at the start of the class.
- c. THE PATTERNS-The rider must perform one of the patterns in the Reining Horse Division of the current Federation Rule Book. A reining pattern must be used.

Conservative colored protective headgear with harness in accordance with GR801 is mandatory. Spurs of the unrowelled type, crop, or bat optional. Judges must eliminate contestants who do not conform. All juniors riding in Hunter, Jumper, and Hunter Seat Equitation sections must not ride anywhere on the competition grounds without wearing protective headgear passing testing standards. Any rider violating this rule at anytime must immediately be prohibited from further riding until his headgear is properly in place.
- b. TACK-Regulation snaffles, pelhams, kimberwickes and full bridles, all with Hunter cavesson nosebands are permitted. MO173 AMHA Dressage Seat Medal Class

Exhibitors must be AMHA Youth Members in good standing and must not have reached their 22nd birthday as of December 1 of the competition year.

1. Position and Aids of the Rider. The rider's position, seat, and use and effect of the aids will be judged as follows:
 - a. All the movements should be obtained without apparent effort of the rider. He should be well balanced with his loins and hips supple, thighs and legs steady and well stretched downward. The upper part of the body easy, free and erect with the hands low and close together without, however, touching either each other or the horse and with the thumb as the highest point; the elbows and arms close to the body enabling the rider to follow the movements of the horse smoothly and freely and to apply his aids imperceptibly. This is the only position making it possible for the rider to school his horse progressively and correctly.
 - b. Not only the aids of the hands and the legs but also of the seat are of great importance in dressage. Only the rider who understands how to contract and relax his loin muscles at the right moment is able to influence his horse correctly.
 - c. Riding with both hands is required.

If the shank is curved, the spurs must be worn only with the shank directed downwards. However, swan necked spurs are allowed. The inside arm of the spur must be smooth. If rowels are used, they must be blunt/smooth and free to rotate. Metal spurs with round hard plastic knobs on the shank are allowed ("Impuls" spur). "Dummy" spurs with no shank are also allowed. This restriction also applies to warm-up

and training areas, as well as during competition. Back numbers must be displayed.

3. Saddlery and Equipment.

- a. An English type saddle with stirrups is compulsory. An English type saddle may be constructed with or without a tree but cannot have a horn, swell, gallerie, or open gullet.  2. Leg yield
 3. Changes of lead through trot
 4. Serpentine at the trot
 5. Shallow loop serpentine with counter canter
 6. Trot lengthening and/or canter lengthening
 7. Riding without stirrups
- d. No change of horses may be asked for by the judge.

5. Eliminating penalties:

- a. Illegal saddlery
- b. Improper attire
- c. Unauthorized assistance
- d. Tongue ties
- e. Cruelty

The official scoresheet is available from the Federation.

SUBCHAPTER MO-15 SPORT HORSE SECTION

To evaluate Morgan horses suitable for Dressage, Eventing, Working Hunter, Jumper, Combined Driving, Competitive Trail and Endurance. Form to function will be emphasized. These classes must be judged by a Federation judge licensed in the Morgan, Dressage, Driving, Hunter or Jumper divisions.

MO178 SPORT HORSE IN-HAND GENERAL

In-hand Classes may be held in any age groups deemed appropriate by competition management and published in the prize list with the exception that horses of one sex shall not be judged against those of the opposite sex. Specified group classes or specified championship classes are exempted. Judge must excuse from the ring any unruly horse or one whose actions threaten to endanger other exhibitors. Horses to be shown on the triangle with one handler and one whip permitted. A horse must be severely penalized for the lack of cadence and balance or evidence of broken wind.

MO179 TRIANGLE

The corners of the triangle should be well defined. A marker will be used at the apex and at each corner to define placement of the turn for the exhibitor. Use of plants or flowers is allowed. The triangle may be adjusted to fit local

conditions but ideally should be 30X30X40M.

MO180 APPOINTMENTS

Bridles are forbidden on foals and weanlings. Horses under the age of two may be shown in halters. Horses two and older must be shown in a snaffle-type bit and bridle with a headstall and throatlatch. Reins must be attached only to bits. A split or single chain with a lead may be used instead of or in addition to reins; however a lead shank is required if reins are placed over the horse's neck and the handler must hold the shank. Bandages are forbidden. Braiding is optional.

MO181 ATTIRE

Conservative casual attire is recommended for the handler. This would include casual pants and shirt. Also acceptable would be Dressage or Hunter attire including breeches, boots, shirt with tie, stock tie or choker collar. Jackets, hats, vests, and gloves are optional.

MO182 CONDUCT IN-HAND CLASSES

1. Sport Horse In-Hand Classes. An Individual Score Sheet shall be used. Each judge will be assigned a scribe who will record scores and comments as dictated by the judge. Horses will be shown individually on the triangle.
 - a. Following a posted or announced order, or on request from the judge, entries in each class will approach the judging area one at a time and walk to the apex of the triangle. Conformation judging may take place before or after performance on the triangle, so entry is required to wait for the judge's instructions. The handler will lead the horse on the perimeter of the triangle at the walk and trot, returning to the apex and wait for further instructions. At the completion of the judging, the handler will lead the horse away from the judging area. When presented to the judge, the horse is to be shown in an "open position," for conformation judging. The traditional way of showing open position would be with the right front leg slightly back and the right hind leg slightly forward; as long as all four legs of the horse are visible to the judge when standing on either side of the horse, would be acceptable. The horse's head and neck should be allowed to show in a natural and comfortable carriage, and the handler should stand away from the horse with a loose lead line.

MO183 SCORING PROCEDURES

The judge shall use the approved Morgan individual scoresheets. These will be downloadable from www.usef.org and found under the Morgan link, Forms and Guidelines. Decimals will be used in scoring. Tied scores shall be broken first by referring to the totals of the movement scores. If still tied, the tie may be broken at the judge's discretion, by the use of decimals, or the horses may be examined again (movement only). If a mathematical error is discovered, it must be brought to the attention of competition management within one hour of the official posting from the last class of the competition day. Competition management must announce said posting and must make score sheets available to competitors immediately.

NS107 Conduct

An exhibitor is entitled to request only one time out per class. See GR833.

NS108 Judging Criteria

The specific type of class being judged determines the importance of each criterion in the final judging outcome. The order in which each is listed in the class specifications determines where the emphasis should be placed. For example: A horse placed first in a class judged on performance, quality, manners and conformation could justifiably be unplaced against the same horses if the class were judged on manners, quality, performance and conformation. The criteria considered are: performance, manners, quality and conformation.

NS109 Qualifying Classes and Specifications

1. OPEN, JUNIOR, THREE-YEAR-OLD, TWO-YEAR-OLD, MAIDEN, NOVICE AND LIMIT. Classes are judged on performance, quality, manners and conformation (Exceptions: NS127). The OPEN horse should be the ultimate representative of the breed. It should be as nearly perfect as possible; performing all gaits with animation, brilliance and extreme action at both ends. Performance is paramount in these classes; next is quality, manners and conformation.
2. LADIES. Classes are judged on manners, quality, performance, and conformation. A Lady's horse should be outstanding in refinement and elegance with suitability of horse to rider taken into consideration. Expression is paramount and quality is of prime consideration. The execution of gaits should be performed with brilliance on command. The horse should walk and stand quietly.
3. JUNIOR EXHIBITORS, AMATEUR and OWNERS. Classes are judged on manners, performance, quality and conformation (Exception: Show Hack). Manners are paramount in these classes but there is a difference in the way in which horses are judged in each. Suitability of horse to rider shall be given consideration.
4. The JUNIOR EXHIBITOR horse should be mannerly, willing and expressive with balanced action. The execution of gaits should be performed with brilliance on command. The horse should walk and stand quietly.
5. AMATEUR, GENTLEMEN, and OWNERS horses can be a bit stronger and perform in a bolder manner. More action and animation are desired and less emphasis can be put on manners than in Ladies and Junior Exhibitor classes.

NS110 Division of Classes

1. It is recommended that classes of 25 or more entries be divided into separate sections by sex, size of horse or selecting every other number on the list of entries. The division of entries must be posted in the competition office and announced over the public address system, or listed in the program.
2. In Ladies, Junior Exhibitor, Amateur, Owner, Fine Harness, Pleasure Driving and Country Pleasure Driving classes it is recommended that classes of more than 15 entries be divided in the same manner.

SUBCHAPTER NS-2 DESCRIPTION OF GAITS

NS111 General

1. The standard of excellence of the National Show Horse, is beauty, symmetry and balance. Balance features coordinated motion, with straight true folding action of the front legs with flexing hocks carried close together, producing a clean, rhythmic and fluid way of going. In addition, the National Show Horse possesses animation, brilliance and extreme grace of movement.
2. UNDESIRABLE: Winging, interfering, traveling wide behind, mixing of gaits, shackled look and loss of form.

NS112 Walk

Judging at the walk is based on manners, quality and natural action; it is not used as a rest period.

1. WALK: The walk should be an elastic, ground covering and collected four-beat gait maintaining proper form and consistency in stride. It should be executed in a brisk manner that is compatible with the type of class. It should display the horse's good manners, type of stride and attitude. The walk is relaxed.
2. ANIMATED WALK: The animated walk is a highly collected gait, exhibiting much "primp" at a slow, regulated speed, with good action and animation. It should have snap and easy control. It can be either a two-beat or four-beat gait. It is performed with great style, elegance and airiness of motion. A flat-footed walk is not to be penalized.
3. The walk is required as a transition between gaits in English Pleasure, Three-Gaited and Five-Gaited, except between the trot and strong trot and slow gait and rack.

NS113 Trot

NS - NATIONAL SHOW HORSE DIVISION

1. The trot is a natural, two-beat diagonal gait in which the front foot and the opposite hind foot take off from the ground in unison and land simultaneously. A balanced trot features coordinated motion with straight, true, shoulder motion of front legs, with flexing hocks carried close together. To be performed at a moderate speed and collection. The trot must be mannerly, balanced, cadenced and free moving. Posting is required.
2. Strong trot: A two-beat gait. At the strong trot the horse exhibits more power and motion than at the trot. It is performed with a lengthened stride but no decrease of collection. The speed is determined by each horse's own natural ability to increase stride, to maintain collection and not to lose form. Horses that string out behind are to be penalized. Extreme knee flexion or extreme extension are encouraged if combined with a bright and willing attitude and an unlabored, pleasurable appearance. The strong trot must be mannered, balanced, cadenced and free moving.
3. Park trot: A two-beat gait that requires extreme knee flexion and use of the shoulder for balanced, graceful extension. Speed to be penalized. The most desirable park trot gives a balanced appearance from front and rear. It should be executed in a highly collected manner. Posting is optional.
4. Roadster Jog-trot: The jog-trot is called to display the purity of the horse's gait. It is executed in a highly collected manner. The horse's energy should be directed toward animation rather than speed.
5. Gaited trot: The trot of the Five-Gaited horse should show speed in form. The desired speed is the maximum rate at which the horse can trot while still maintaining proper form, control and balance. Posting is optional.
6. "Show Your Horse": At this command the driver has the privilege of showing the Fine Harness horse to its best advantage at the trot but excessive speed shall be penalized.
7. Road Gait: The road gait trot is executed in a highly collected manner. It is faster, stronger and bolder than the jog-trot; with a fuller extension of stride to obtain desired speed.
8. Drive On: When asked to drive on in Roadster classes, the horse must show speed in form. The desired speed is the maximum rate at which a horse can trot while still maintaining proper form, control and balance.

NS114 Canter

1. Criteria.
 - a. A three-beat gait. Smooth, unhurried, with moderate collection, correct and straight on both leads. The horse must appear bright but relaxed.
 - b. It is acceptable, although not encouraged, for the horse to have a bolder, stronger canter in those classes where manners are not paramount or where speed at a qualifying gait is desired. Ease of control, rate of speed and collection may vary according to the class specifications.
 - c. Where manners are paramount, a slow, consistent rate of speed must be maintained with little obvious effort from the rider.

NS115 Slow Gait

1. The slow gait was developed from the pace to be a four-beat gait with each of the four feet contacting the ground separately. In the takeoff, the lateral front and hind feet start almost together but the hind foot contacts the ground slightly before its lateral forefoot.
2. The slow gait is a highly collected gait with most of the propulsion coming from the hindquarters, while the forequarters assist in the pull of the final beats. The slow gait is not a medium rack.
3. The slow gait is a restrained four beat gait, executed with hesitation and slight elevation with true and distinct precision. Speed is to be penalized. It is high, lofty, brilliant and restrained, denoting style, grace and polish of the horse.

NS116 Rack

1. The rack is a four-beat gait in which each foot meets the ground at equal, separate intervals. It is smooth and highly animated, performed with great action and speed, in a slightly unrestrained manner. Desired speed and collection

are determined by the maximum rate at which a horse can rack in form. Racking in form should include the horse remaining with a good set head. It should be performed by the horse in an effortless manner from the slow gait, at which point all strides become equally rapid and regular.

2. TO BE PENALIZED: Any tendency to become “trotty”, “pacey” or “hitchy gaited”.
3. In Pleasure classes, there is more emphasis on the way of going as a pleasure gait with only moderate speed required. Where manners are paramount, there is more emphasis on the ease by which it is performed by the rider.

NS117 Hand Gallop

HAND GALLOP: The hand gallop is performed with a long, free, ground-covering stride. The amount of ground covered may vary between and among horses due to difference in natural length of stride. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads. The hand gallop is not a fast collected canter.

SUBCHAPTER NS-3 HALTER CLASSES

NS118 General

1. Halter classes may be divided by sex and age groups at the discretion of competition management.
2. Horses to be shown standing, at a walk and at the trot. Halter horses are not to be stretched or “parked out”. A horse is considered not stretched if all four feet are flat on the ground and at least one front and one rear cannon bone are perpendicular to the ground. Horse’s weight evenly distributed on all four legs. Emphasis shall be placed upon adherence to breed standards, conformation and quality, with close attention placed upon animated motion, flexion of the joints and correct movement of the horse. Transmissible weakness to be counted strongly against breeding stock. Horses must be serviceably sound.
3. A suitable headstall equipped with throatlatch is mandatory. Curb bits are optional on horses one year and older. Only one handler is permitted in the ring per horse. Showmanship is important in any competition class including halter. However, when showmanship of one handler is at the expense of another, then that handler’s entry shall be penalized at the discretion of the judge. Excessive use of the whip which would harm the horse, cause negative reaction of the spectators or interfere with another entry is forbidden. Halter handlers shall dress neatly. It is recommended that both men and women wear a vest and/or a dress jacket. Gloves, hats and ties are recommended. English riding suits are preferred but only with pants and coats specifically tailored in length for standing. Rolled up pants are not permitted. Denim jeans, hunt seat attire or western suits of any kind are not permitted.
4. The use of shackles, elastic stretchers or blindfolds on weanlings and yearlings is prohibited on the grounds before or during a competition.

NS119 Get of Sire and Produce of Dam

Get of Sire and Produce of Dam classes shall have at least two entries entered under the name of the sire or dam, one handler per entry. They shall be shown and judged under the same provisions as in NS118.2 and .3 above, except a walk or trot is optional and emphasis shall be placed upon reproductive likeness, uniformity and quality of, and adherence to, breed characteristics and conformation. More than one set of entries per sire or dam may be entered in the same class.

Therefore any horse will be considered to be one year older on the first day of January following the actual date of foaling and the same for each subsequent year. For example, a horse born in 1996 would be a yearling during the September 1996–August 1997 show year, a two year old during the September 1997–August 1998 show year, etc. However, when a horse's age requirement is stated in months, as for saddle or driving classes, a horse is considered to be twenty-four (24) or thirty (30) to sixty (60) months old as counted from its actual foaling date.
2. Ring Conduct. The ring conduct of any exhibitor shall not be such as to affect adversely the exhibition of any other exhibitor's horse in the ring. Horses should be spirited, display refinement and beauty, but must be obedient. - b. Excusing the horse and exhibitor from the class.
- c. Prohibiting the horse and exhibitor from participating in the class.

No exhibitor may withdraw a horse from a sanctioned competition after it has commenced, or remove the horse from the competition grounds, without the permission of the competition secretary. An exhibitor who has entered the ring may request permission of the judge to exit the ring before judging is completed. If an exhibitor voluntarily removes a horse from the ring without the permission of the judge, except in deference to safety, the Show Committee will disqualify the exhibitor and all his or her entries from all future classes at that competition and all prizes and entry fees for the entire competition shall be forfeited.

10. Same Rider on Two Horses/Two Different Riders on Same Horse Prohibited. In saddle classes, a rider may only ride one (1) horse in a class. Even in classes with individual work, for example, the Paso Trail class, one (1) rider cannot show two (2) different horses. In addition, in any saddle class, riders cannot be changed in the middle of the class.

11. An exhibitor may not use any type of electronic, mechanical or similar communication or mechanical device in the show ring while being judged, except for an exhibitor who is hearing impaired and who normally uses a sound enhancing device to achieve normal hearing.
12. Showing a horse with raw or bleeding sores or raw or bleeding abrasions around the muzzle, nose, chin groove, or jaw is considered an act of abuse. Horses showing signs of undue stress or inhumane treatment must be disqualified from the competition.
13. Soundness. All horses must be serviceably sound for competition purposes. A horse must not show evidence of lameness, or broken wind. Animals with complete loss of sight in either eye may be found serviceably sound at the Judge's discretion.
14. Extremes of temperature or climate conditions, may modify the requirements for attire as specified in various sections of these rules. Competition management will determine the modification and need thereof.

PF103 Shoeing Regulations

If a horse is shown unshod, hooves will be neatly trimmed to a short natural length, not to exceed four (4) inches. If a horse is shown shod, the length of the hooves is not to exceed four and one half (4 1/2) inches, including shoes. All four (4) feet must be shod with the same type of shoe of the same material, weight, and thickness although front and back hooves may be shod in different sizes. Each shoe cannot exceed ten (10) ounces. Weighted shoes, trailers, heel caulks, and any style of pads are prohibited. Toe and/or side clips drawn from the shoe are allowed as long as the clips are an integral part of the plate shoe.

PF104 Type and Conformation

The Paso Fino horse reflects its Spanish heritage through its proud carriage, grace and elegance. Modern care and selective breeding have enhanced its beauty, refinement and well-proportioned conformation that conveys strength and power without extreme muscling.

1. Head: The head should be refined and in good proportion to the body of the horse, neither extremely small nor large with the preferred profile being straight. Eyes are large and well-spaced, very expressive and alert, and should not show excessive white around the edges. Ears are comparatively short, set close and curved inward at the tips. The lips should be firm and the nostrils large and dilatable. Jaws are defined but not extreme. The impression should be of a well-shaped, alert, and intelligent face.
2. Neck: The neck is gracefully arched, medium in length and set on at an angle to allow high carriage, breaking at the poll. The throat latch should be refined and well-defined.
3. Forehand: Shoulders are sloping into the withers with great depth through the heart. Chest is moderate in width. Withers are defined but not pronounced and slope smoothly into the back.
4. Midsection: The midsection is moderate in length with a well-sprung rib cage. The top line should be proportionately shorter than the underline. The back should be strong and muscled. The midsection should join the forehand and the hindquarters so as to give the horse a pleasing, proportioned appearance.
5. Hindquarters: The croup is slightly sloping with rounded hips, broad loins, and strong hocks. The tail is carried gracefully when the horse is in motion.
6. Legs: The legs are straight with refined bones and strong, well defined tendons and broad, long forearms with shorter cannons. The thigh and gaskin are strong and muscled but not exaggerated. Standing slightly under in the rear is acceptable. Pasterns are sloping and medium in length. Bones are straight, sound, and flat, and joints are strong and well defined. Hooves are well rounded, proportionate in size and do not show excessive heel.
7. Mane, Tail and Forelock: Mane, tail, and forelock are as long, full, and luxurious as nature can provide. No artificial additions or alterations are allowed. A bridle path not exceeding 4" is acceptable. Horses under one (1) year of age will not be penalized for having clipped manes or tails.

8. Size: Paso Fino horses are 13 to 15.2 hands with 13.3 to 14.2 being the most typical size with weight ranging from 700 to 1100 pounds. Full size may not be attained until the fifth year.
9. Color: Every equine color can be found, with or without white markings.
10. Disposition: The Paso Fino is an extremely willing horse that truly seems to enjoy human companionship and strives to please. It is spirited and responsive under tack while sensible and gentle at hand.

PF105 Gaits

1. The Paso Fino is born with a gait unique to the breed, and its attitude seems to transmit to the observer that this horse knows its gait is a very special gift that must be executed with style and pride! The gait, being totally natural, does not exhibit the catapulting or exaggerated leg action of man-made gaits; rather the movements are smooth, rhythmic, purposeful, straight, balanced in flexion and synchronous front to rear, resulting in unequaled comfort and smoothness for the rider. The Paso Fino is a graceful, agile and supple equine athlete that uses all four legs with precision and harmony. With its definite but controlled spirit, natural gait and presence, and responsive attitude, the Paso Fino is, indeed, a rare and desirable equine partner.
2. The gait of the Paso Fino horse is an evenly-spaced four-beat lateral gait with each foot contacting the ground independently in a regular sequence at precise intervals creating a rapid, unbroken rhythm. Executed perfectly, the four hoof beats are absolutely even in both cadence and impact. Footfall is in the same sequence as a natural equine walk, i.e., left rear, left fore, right rear, right fore. Propulsion is primarily from the hind limbs and the horse's motion is absorbed in its back and loins, resulting in unequaled smoothness and comfort for the rider.
3. In all classes, special attention shall be afforded to the rhythmic consistency and smoothness of the Paso gait. While style of execution may vary with horses, any style of execution that reduces smoothness and consistency shall be penalized. In addition, a horse shall be excused for failure to perform any gait prescribed in a class. Any tendency to mix gaits, the loss of even cadence or lack of smoothness, as evidenced by an up and down or side to side movement of the horse's croup or of the rider, shall be penalized. Horses who fight the bit, flatten their ears or swish their tails shall be penalized.
4. In all qualifying gaits, light contact on the reins is required. Horses requiring undue restraint or "holding" in gait or collection shall be penalized. While the degree of collection required varies from class to class, in no gait should the horse go "strung-out" behind, squat down in the rear, jut out his nose, lug, or work behind the headgear. Exaggerated leg action (excessive fold, over-reaching, unnaturally high front leg action, etc.) is not desirable. The ideal Paso Fino should track straight; however, some slight winging or paddling is acceptable and should be penalized only if it is severe or a result of conformation faults. In all classes and all gaits, the Paso Fino should give the appearance of naturalness and ease combined with a degree of the pride and elegance that is characteristic of the Paso Fino breed.
5. The Paso Fino gait is performed at three forward speeds (Classic Fino, Paso Corto, Paso Largo) and with varying degrees of collection. In all speeds of the gait, the rider should appear virtually motionless in the saddle, and there should be no perceptible up and down motion of the horse's croup.
6. Qualifying Gaits
 - a. Walk—Smooth, steady, evenly-spaced four-beat gait.
 1. Collected Walk - Evenly-spaced four-beat gait, cadenced, straight, brisk, animated and rhythmic. This gait is executed with collection, style and brilliance. This gait is called for in Paso Performance and Paso Versatility classes.
 2. Flat Walk - True, evenly-spaced four-beat, flat-footed, smooth gait executed with mild collection. The horse's head carriage is natural and relaxed. This gait is called for in Paso Pleasure, Paso Trail, and Paso Western Pleasure classes.
 - b. Classic Fino— Smooth, steady, evenly-spaced four-beat gait. Extension is absolutely minimum, forward speed is very slow and footfall is extremely rapid. It should be animated, exciting and executed with brilliance and style.

PF - PASO FINO DIVISION

Horse must be fully collected and balanced, putting its complete dynamic energy into its carriage and quickness of its footfall. Flexion and extension should be harmonious in all four legs, and the horse must present a picture of symmetry and fluidness of motion. The horse must perform naturally and willingly and any indication that the horse is being excessively restrained or held in gait shall be penalized.

- c. Paso Corto— Evenly spaced four-beat gait executed with moderate forward speed and extension. Horse should be smooth, balanced and exhibit symmetry in flexion and stride. Forward speed is ground-covering but unhurried. Movements should be fluid, willing, relaxed, balanced and free-moving. The horse's head carriage is natural and relaxed.
 1. Collected Paso Corto - an evenly-spaced four-beat lateral gait with moderate forward speed and extension. This gait is smooth, supple, cadenced, animated and brilliant, with the horse well- collected, fully balanced, and exhibiting symmetry in flexion and extension. The horse should demonstrate pride, style, elegance and enthusiasm, along with good manners and ready response.
 2. In the Paso Performance and Paso Versatility classes the horse is well-collected, animated, proud and brilliant.
 3. In the Paso Pleasure, Paso Trail and Paso Western Pleasure classes collection and carriage are natural and relaxed with slightly more collection required in the Paso Pleasure class.
- d. Paso Largo— Forward speed is rapid and the gait is executed with longer extension and faster cadence than the Paso Corto. Extension and flexion must be harmonious with no tendency to become light on the front or strung out behind. A definite change of speed from the Paso Corto must be observed. A significant difference will be rewarded. The even four-beat cadence must be retained. Forward speed varies with the individual horse, since each horse should attain its top speed in harmony with its own natural stride and cadence.
 1. Collected Paso Largo, which is an evenly-spaced four-beat lateral gait. This gait is smooth, balanced, collected, bold and animated, with rapid forward motion. Extension and flexion must be harmonious with no tendency to become "light" on the front or "strung out" behind. The horse should appear eager and willing to move out, and a definite change of speed from the Paso Corto to the Paso Largo must be observed, yet a willingness to reduce speed on command must be demonstrated. All transitions between gaits should be performed evenly and smoothly. An even, four-beat cadence must be maintained, together with style, presence, boldness, and brilliance. Loss of form, cadence, or smoothness due to excessive speed shall be penalized. In this class, the horse should combine style and spirit along with obedience and good manners. The horse should move out willingly, and stand quietly when requested.
 2. In Paso Performance and Paso Versatility, the gait is collected, bold and animated.
 3. In the Paso Pleasure class, collection is mild and carriage is natural and relaxed.
- e. Lope—True, three-beat gait, slow, cadenced, smooth, straight on both leads, with no tendency to mix gaits. Horse should be balanced going with mild collection.
- f. Canter—True, three-beat gait, cadenced, straight on both leads, smooth and unhurried with no tendency to mix gaits. The canter should be executed with collection; the head well-elevated and set.

SUBCHAPTER PF-2 PASO FINO YOUTH SECTION

PF106 General

1. An exhibitor's age for Youth classes shall be determined by the exhibitor's age on September 1 of the current competition year, and this age shall remain the same throughout the competition year.
 - a. If a competition is in progress on September 1, an individual's age at the start of the competition will be maintained throughout the competition.
2. Junior. Junior riders shall be 13-17 years of age.

3. Sub-Junior. Sub-Junior riders shall be 7-12 years of age.
4. Walk-Corto Leadline. Walk-Corto Leadline riders shall be 3-9 years of age.
5. Safety Headgear. All exhibitors 12 years of age and under as determined by the current competition year, including walk-corto leadline riders, are required to wear Safety Headgear at all times while on horseback or driving or while in the driving cart. (GR801)
6. Handling Stallions. A child under thirteen years of age as determined by the current competition year shall not at any time ride, handle or exhibit a colt or stallion on the show grounds during an Association sanctioned show. This rule applies to all classes, point or non-point, specifically including leadline classes. The adult responsible for such a child who violates this rule will be subject to dismissal from the show grounds and forfeiture of any remaining fees.
7. Ineligible for Championship. Riders in the youth classes are not eligible for the championship classes because of riding in the Youth division classes.
8. Youth Championship Classes. Championship classes may be offered for youth riders in any division in which two or more qualifying classes are offered at a given competition. Youth Championship classes may be divided into Junior Youth (13-17 years of age) and Sub-Junior Youth (7-12 years of age) or held as Youth (7-17 years of age). To be eligible for entry into a championship class, a horse/rider combination must have been properly entered, shown, and judged in one of the qualifying classes. To be considered shown and judged, a horse must perform all required gaits both ways of the ring in the original class and must remain in the ring until either placed or excused by the judge(s).
9. A Junior Youth rider may be excused from a class if the rider's horse does not meet the requirements of the class.
10. Suitability. In all youth classes, special attention should be paid to the suitability of the horse for its rider. Horses should not appear unmanageable or too excitable for their riders, nor should they be unwilling to work for their riders. Good disposition is paramount for a youth horse.

PF107 Class Separations

1. Any youth class, with the exception of Gold or Silver Medal Advanced Equitation, may be offered as open to all youth or may be divided into age groups as follows:
 - a. Divided into Junior Youth (13-17) and into Sub-junior Youth (7-12)
 - b. Divided into Junior Youth Level I (13-15), Junior Youth Level II (16-17), Sub-junior Youth Level I (7-9) and Sub-junior Youth Level II (10-12)
2. Gold and Silver Medal Advanced Equitation: The Gold and Silver Medal Equitation may be offered as follows:
 - a. Open to all Youth riders who have not reached their 18th birthday. A Youth rider who places first or second in an Association Silver Medal Class (held at Regional Group show) is qualified to participate in the Gold Medal Finals at the Grand National Championship Show.
 - b. Once a Youth rider has placed first in a Silver Medal Class, that youth rider is not eligible to exhibit in another Silver Medal Class for the remainder of the current competition year. The Youth rider may, but is not required to, ride the same horse at Gold Medal Final Class that the rider rode when he or she qualified to participate in the Gold Medal Final Class.
 - c. To hold a Silver Medal class at a Regional Group show, the show management must request class when asking for approval for show.
 - d. The name of the winner of the Gold Finals at the Grand National Show is engraved upon a Perpetual Trophy which remains in the possession of the Association. The winner will receive a Gold Medallion at the Grand National Championship Show.
 - e. The winner of a Gold Medal class is no longer eligible to compete in Medal classes after having won twice.

PF108 Walk-Corto Leadline

This class is open to children three (3) to nine (9) years of age and to physically or mentally disabled adults or children who are unable to show in other classes. Exhibitors in the Walk-Corto Leadline class shall not cross enter into other classes with exception of the Costume class. Tack and attire will be the same as that for the Paso Pleasure class except riders are required to wear Safety Headgear. See GR801 for the definition of Safety Headgear. No belt or other type implement shall be used to hold a child in the saddle. The horses must enter the ring with the child mounted and an adult holding a leadline attached to a leather or nylon halter worn over the bridle or holding the pisador attached to the bridle. The leadline is for control only if necessary and should remain slack during the class if possible. The child should control the horse. This class is to be judged the same as the Equitation class except that no dismount/mount or tests will be asked for and the horses will be requested only to perform at a Paso Corto gait and at a walk. All exhibitors shall receive participant ribbons for this class and there shall be no points awarded for riders or horses. In addition, there shall be no point requirement to enter this class in the National Show.

PF109 Paso Equitation

1. The class is to be judged 100% on equitation. Results as shown by the performance of the horse are not to be considered more important than the method used in obtaining them.
2. Basic Position. The rider shall convey the impression of effective and complete control at all times, showing both the horses and the rider to the rider's best advantage. A complete picture of the whole is of major importance.
3. Arm and Hand Position. The arm should hang naturally with the elbows not extending outward beyond a perpendicular line even with the rider's shoulders. The reins shall be held in one of the following manners:
 - a. The reins should be held one (1) rein in each hand entering at the bottom below the little finger and extending upward with the bight (excess) of the rein hanging on the off (right) side of the horse.
 - b. The rein must pass directly from the bit, between the little and third fingers, the thumb being placed on top. It is important that the third finger holds the edges of the rein in the joints nearest the palm and that the fingers are closed securely but without tension. Bight (excess) of the rein should be on the off (right) side.

The rider's hands should be held in an easy position, neither perpendicular nor horizontal to the saddle and should show sympathy, adaptability and control. The height the rider's hands are held above the horse's withers is determined by the head carriage of the individual horse. However, extremely high or low hand positions are improper. The rider's hands should not pass over or behind the pommel of saddle. The rider shall make every effort to achieve as straight a line as possible from the elbow through the forearm, hand and rein to the bit. Hands and wrists should be flexible and not held extremely separated.

4. Head Position. The rider's head should be held erect with the chin up. The rider's eyes should look straight forward.
5. Back Position. The rider's back should be straight, but not stiff. The rider's shoulders should be square.
6. Feet and Leg Position. The rider's leg should hang naturally with a slight bend at the knee. The rider's lower leg should be under the rider's body and not flared outward. Flaring of lower leg shall be penalized. The rider's feet should be parallel with the horse's body with the heels slightly lowered (approximately 1 inch). The ball of the rider's foot should rest directly over the stirrup iron with even pressure on the entire iron with heel, hip and point of shoulder in line. The rider's foot position should be natural (neither extremely in nor out).
7. Position in Motion. The rider's position in motion should be natural, coordinated and graceful. The rider should remain almost motionless at all gaits. From the side a straight line should be able to be drawn perpendicular to the ground through the rider's head, shoulder, hip and ankle. The rider's toe should never be more forward than his knee, thereby keeping his center of balance directly above his feet and ankles. The rider's upper arms should fall naturally from the shoulders toward the hip bones and should be flexible, never clutched to the body, extended forward, or spread away from the body. The rider should appear to have a natural flow downward into the saddle and show no side to side movement of upper body. At all gaits the rider should remain in the center of the saddle

and not slip back on the cantle.

PF110 Tests

The rider may be required to perform the following tests:

1. Ride without stirrups at a Paso Corto, maintaining the proper position. The stirrups may be crossed over the pommel of the saddle if so desired.
2. Back his or her horse smoothly and under control. The horse's mouth should remain closed and horse should not throw his or her head.
3. Dismount and mount. To dismount, the rider may either step down or slide down. The size of the rider must be taken into consideration. To remount, the rider shall check the curb chain and girth and adjust them if necessary. The rider shall gather the reins in his or her left hand with gentle pressure. The rider shall stand diagonally facing the front of the horse. The rider shall place his or her left hand in front of the horse's withers without holding the mane, turn the stirrup toward the rider with his or her right hand and place his or her left foot in the stirrup. The rider shall place his or her right hand either on the far side of the saddle at the waist or on the front arch (pommel), and spring lightly up, straightening both knees. The rider shall ease into the saddle and place his or her right foot in stirrup without looking down.
4. Perform a figure eight at Paso Corto (see diagram for pattern). The rider shall always turn and face the Judge unless otherwise instructed. The Judge may tell exhibitors whether he or she prefers large or small diameter circles.
5. Move his or her horse from Paso Largo to walk on a quiet rein.
6. Answer questions on parts of the horse and tack. See line drawings. Judge must refer to these drawings in asking questions.

PF111 Procedures

1. The exhibitors will enter the ring to the right at a Paso Corto and circle the arena in a counterclockwise manner until asked to reverse or change gait. Entries will space themselves, maintain the same relative position and avoid bunching up. Entries will be penalized for bunching up or for not working on the rail.

The sequence of the gait will be Paso Corto, Paso Largo, walk, reverse, and repeat. The reverse will be executed toward the center of the ring. A halt will be called at least once during the Paso Corto. Entries will execute the above class requirements and, in addition, Judges are encouraged to call for at least two (2) of the tests provided above, of the top contestants. Each of the tests is to be performed individually.

- a. Judges must select only from test numbers 2, 5 and/or 6 for Sub-Junior riders. Junior riders may be asked to perform any of the tests.
- b. For the safety of the other entries, Judges are required to excuse any rider who is unable to control his or her mount.

PF112 Appointments

The tack shall be English type. Schooling tack is not acceptable. The attire shall be the official Paso Fino show costume.

PF113 Classic Fino Youth

Qualifying gaits, procedures and appointments, except for Safety Headgear (GR801), if applicable, are the same as described under the Classic Fino Division.

PF114 Paso Performance Youth

Qualifying gaits, procedures and appointments, except for Safety Headgear (GR801), if applicable, are the same as described under the Paso Performance Division.

PF115 Paso Pleasure Youth

Qualifying gaits, procedures and appointments, except for Safety Headgear (GR801), if applicable, are the same as described under the Paso Pleasure Division.

PF116 Youth Horsemanship

Regional Group shows may offer this class at their discretion. This class shall be judged: 50% on horsemanship of rider, 10% on the suitability of the horse to the rider, and 40% on the performance of the horse.

PF117 Procedures

Exhibitors will enter the ring to the right at a Paso Corto and circle the arena in a counterclockwise manner until asked to reverse or change gait. The entries will space themselves, maintain the same relative position and avoid bunching up. Entries will be penalized for bunching up or for not working on the rail. The sequence of the gait will be Paso Corto, Paso Largo, walk, reverse, and repeat. The reverse will be executed toward the center of the ring. A halt will be called at least once during the Paso Corto. Entries will execute the above class requirements. Horses that do not perform the paso gait will be eliminated after lining up. Judges will line up exhibitors and require exhibitors to perform the chosen tests individually.

Gaits:

Walk: slightly collected and maintained at an even pace with no hesitations

Corto: collected, with sustained cadence and rhythm

Largo: collected, with good transitions to and from corto, sustained cadence and rhythm.

PF118 Tests

1. Stop: The rider should quietly stop the horse and keep the horse still and parallel to the rail.
2. Serpentine: At a corto, the rider will serpentine through cones without touching cones while maintaining gait, cadence, and rhythm.
3. Circles: At a corto, the rider will perform two (2) circles through cones while maintaining gait, cadence, and rhythm.
4. Figure Eights: In a distance of nine (9) feet between two (2) cones with the horse at a corto, the rider will perform the number of figure eights as described in the designated pattern while maintaining gait, cadence and rhythm without touching the cones.
5. Back: The horse shall back four (4) to six (6) steps in a straight line.
6. Sounding Board: At a corto, the rider shall put horse over the sounding board while maintaining gait, cadence and rhythm. The horse should move straight down the center of the board, tracking straight. The rider shall circle at the end of the board and return over the sounding board.

The course shall be posted approximately two (2) hours before the class. Off pattern: a rider will not be disqualified for failure to complete the pattern in the correct sequence but must be placed accordingly.

PF119 Gold and Silver Medal Equitation

1. All requirements, including appointments, for this class shall be the same as for Paso Equitation (see PF109 and PF112). However, the Gold and Silver Medal Equitation classes are intended to be conducted and judged as advanced level Paso Equitation classes. As in the Equitation class, all entries will enter the ring, counterclockwise, at a Paso Corto and continue at a Paso Corto until otherwise instructed. The sequence of gait will be Paso Corto, Paso Largo, Collected Walk, reverse and repeat in the opposite direction. After the sequence of gaits is requested, the horses will be lined up. Any horse that did not perform the proper Paso gait will be disqualified at this line up.
2. Tests. The judge will prepare, in writing, the number and sequence of tests that each exhibitor will be required to perform after the horses are lined up. The tests from which the judge will choose will be the same as those described at paragraph PF110, above, with the addition of the tests described below in letters a through f. The

number and sequence of tests should be designed so the majority of exhibitors can complete the tests in under sixty (60) seconds. The number and sequence of tests will be posted at the show office no less than approximately one hour before the commencement of the class. As directed by the judge, each exhibitor will individually perform the tests in the sequence posted and will return to the line up.

- a. Dismount and mount from either side of the horse. The procedure described in PF110 above for the dismount and mount will be modified as appropriate for the side of the horse from which the rider will dismount and mount.
- b. Properly execute a serpentine at the walk or Paso Corto. The horse should smoothly perform the serpentine without missing or breaking gait throughout.
- c. Perform circles at a Paso Corto. The horse should smoothly perform the circles without missing or breaking gait throughout.
- d. Stop the horse from a Paso Corto. The horse should quickly stop on the rider's command, without throwing its head or otherwise expressing discontent about being stopped.
- e. Traverse the sounding board at a Paso Corto.
- f. Side Pass, left and right, for as many steps as the judge directs. The horse should move evenly left and right at the side pass

SUBCHAPTER PF-3 BELLAS FORMAS (CONFORMATION) CLASSES

PF120 Class Specifications & Qualifying Gait

The choice of gait is optional, either Classic Fino or Paso Corto, and one form of the gait shall not be given preference over the other.

Both conformation and gait shall be judged in this class. Transmissible faults, such as buck-kneed, calf-kneed, base wide, base narrow, cow hocks, sickle hocks, toe-in, toe-out, offset knees, standing under, camped out in front, too straight behind, etc., shall be counted heavily against breeding stock. A horse with a swayback or fallen crest will be heavily penalized. A horse must be serviceably sound to be considered for placement. Any horse that fails to demonstrate the Paso gait so that the Judge can evaluate shall be disqualified from placement. This class shall be judged: 60% on conformation, 30% on quality and naturalness of gait, and 10% on appearance, grooming, and manners.

PF121 Procedures

1. Entries of any age may be shown with a halter and single or double lead line. If two lines are used, they shall be long and shall be one on either side of the halter; if two lines are used, the horse may be handled by one attendant holding both lines or by two (2) attendants- one holding each line. If one line is used, only one (1) attendant is allowed. No attendants other than those actually holding the lines are allowed. Lines may end in a smooth link chain (minimum width 3/8") which may be crossed over the nose and/or under the jaw. The horse must demonstrate the Classic Fino or the Paso Corto gait whenever moving. In the lineup, the horse must stand square, not stretched, and remain quiet without undue restraint.
2. Horses shall enter the ring one at a time in the order that show management designates. The horses shall proceed to the right and circle the arena in a counter-clockwise direction on the rail.
3. Quality of gait, that is, smoothness, symmetry of action, harmony of cadence, and naturalness, that is, consistency, absence of undue restraint, will be judged during rail work. After completing one circle, or when instructed by the Ringmaster, the horse will line up in the center of the ring for conformation inspection. The Judge shall penalize a horse if the handler uses his or her hands on the horse's leg below the knee to position the hoof in the lineup.
4. Additional work-offs may be required at the Judge's discretion including the use of the sounding board to exhibit horse's cadence of gait. During work-offs, the horses must remain on the rail except to pass.

PF122 Appointments

1. A horse will be shown in a leather show halter without a bit, nameplate or inscription thereon. The halter will be English or Colombian type leather, flat, rolled, or braided (3/8, 1/2, or 5/8 inch) with a matching stitched or plain nose piece with optional browband not to exceed one (1) inch in width. A matching lead line, or long lines, as described in Section A above is required. A riding crop or whip not exceeding 30" in length including the lash may be carried. No other devices may be used.
2. Attendants will be attired in the official Paso Fino show costume.

PF123 Classes within this Division

Classes within this Division may be separated into one of the following categories:

1. Open Bellas Formas (all ages and all sexes);
2. Yearlings Bellas Formas (may be open or, if divided, must be divided into Colts, Geldings, and Fillies), and/or Bellas Formas Two Year Olds (may be open or, if divided, must be divided into Colts, Geldings, and Fillies), and/or Bellas Formas Three Year Olds (may be open or, if divided, must be divided into Colts, Geldings and Fillies); and/or Bellas Formas Four Year Olds and Older (may be open or, if divided, must be divided into Mares, Geldings and Stallions); or
3. Bellas Formas Four-Year-Olds and Older (may be open or, if divided, must be divided into Mares, Geldings, and Stallions); and/or Bellas Formas Three-Year-Olds and Under (may be open or, if divided, must be divided into Colts, Geldings, and Fillies) or further divided as described above.

In a show where Bellas Formas classes are offered by age groups, e.g., three-year-old colts, a younger horse must be shown in the class corresponding to its age group and cannot be shown in a mares, geldings, or stallions class.

SUBCHAPTER PF-4 PERFORMANCE CLASSES (UNDER SADDLE)

PF124 Showing

1. Horses shall be shown at all required gaits both ways of the ring. In all classes except Classic Fino and Costume all horses shall enter the ring at paso corto. Exception: see PF102.5
2. Only one hand may be used on reins when the horse is shown under Western tack and hands must not change except in Trail Classes. Rider may hold romal or end of split reins to keep from swinging.

PF125 Schooling Classes

1. Horse Must be 30 Months. Notwithstanding the fact that a horse may be considered three years old under GR102.1a, no horse may be ridden in a saddle class, whether a Schooling class or regular class, until it is at least thirty (30) months old, based on the actual date of foaling.
2. Schooling Class Sections. Schooling classes may be offered in the Fino, Performance and Pleasure Divisions, including the Amateur Owner Classes, as follows. Rider's style of dismount and mount is not to be emphasized; rather, emphasis is placed on the horse's willingness to back in a calm controlled manner and to stand quietly. When western style tack is used, the rider may use either one or two hands.

1. Class Specifications.
 - a. In this class, the horse will be asked to demonstrate balance, flexibility, coordination and manners while performing the various gaits, tests, and maneuvers. Manners and willingness are very important. The back must be controlled and smooth. Failure to properly execute the Paso Corto and Paso Largo, demonstrating an evenly-spaced four-beat lateral gait, will automatically disqualify the horse, and it will not be asked to do the individual work out, executing a figure eight maneuver at a Paso Corto and taking the jump from the canter. Failure to take the correct lead in the canter shall be penalized. One refusal to take the jump will cause a lowering of the horses placing within the class. Two refusals to take the jump will automatically disqualify an entry from the class. The figure eight is to be performed at the Paso Corto and should be smooth, consistent in gait, and supple. A jump that is a minimum of eighteen (18) inches and a maximum of two (2) feet will be taken from the canter.
 - b. The class shall be judged: 20% on the Paso Corto; 20% on the Paso Largo; 10% on the walk; 10% on the canter; and 40% on back, jump, manners, and figure eight.
2. Procedures. The exhibitors will enter the ring to the right on the rail at a Paso Corto and circle the arena in a counterclockwise manner. Riders shall be asked individually to back, execute a figure eight maneuver at a Paso Corto, and take a jump from the canter.
3. Appointments. The tack and headgear are to be English type, with a bridle and cavesson. No schooling headgear allowed. Forward seat saddles are also allowed. Attire is to be English-style as described in the Paso Pleasure Division (PF139). Safety Headgear is required. (GR801)

In all gaits, the horse must be smooth and responsive, and both horse and rider should appear comfortable and relaxed. The horse must work on a very light rein, but some contact should be maintained. Gait transitions should be taken on the first stride, and the horse should maintain his speed and cadence without restraint by the rider. Failure to take the correct lead in the lope shall be penalized.
 - b. This class shall be judged: 35% on Paso Corto; 30% on lope; 10% on flat walk; and 25% on manners, attitude, and way of going.
2. Procedures. The exhibitors will enter the ring to the right on the rail at a Paso Corto and circle the arena in a

counterclockwise manner. Only one hand may be used on the reins when using a curb bit and hands must not be changed. If hands are changed or if two hands are used with a curb bit, the exhibitor shall be penalized. If the left hand is used with reins, the bight must drape to the left side of the withers. The only exception to this is if long reins or a romal are used. In that case, one hand may be used to carry the excess rein, but the hands must be at least twelve (12) inches apart. All horses being considered for an award are required to back in a straight line. Refusal to back disqualifies a horse from placement.

The sequence of the gaits shall be: Paso Corto, flat walk, lope, flat walk, reverse, and repeat.

Riders should space themselves while executing the flat walk to avoid bunching up and maintain their relative positions on the rail. In the Paso Corto and lope, entries shall remain on the rail except to pass.

The judge may require each rider to dismount and remount in the line-up from the left side. The rider's style of dismount and mount is not to be emphasized; rather, emphasis is placed on the horse's willingness to stand quietly.

The judge also may require any of the following tests to any or all entries:

- a. Demonstrate a straight back for up to 15 feet.
 - b. Lope and stop either on the rail or on the center.
 - c. Perform the figure eight at the lope on the correct lead demonstrating a simple change of lead. One or two figure eights may be required. In a simple change of lead, the horse is brought back to the halt and restarted into the lope on the opposite lead from the halt or walk.

Every exhibitor must circle the ring once in a counter-clockwise manner and line up head to tail in the center of the ring. An attendant/handler is allowed. Such attendant/handler must be appropriately attired and in keeping with the costume of the rider. The rider's attire will not be offensive or detract from the main purpose of the Class.

SUBCHAPTER PF-11 CHAMPIONSHIP CLASSES

PF152 Championship Classes

To be considered shown and judged, a horse must perform all required gaits both ways of the ring in the original class and must remain in the ring until either excused or placed by the judge. An entry disqualified by the judge for any reason may not use that class as a qualifier for the championship class. Entries qualified for Championship classes in Amateur classes must compete in the Amateur Championship classes in that Division, if offered. If Amateur Championship classes are not offered, an entry that qualifies for the Championship class in the Amateur class may compete in the regular Championship class in the Division for which they are qualified. However, in the Bellas Formas division, all Championship classes shall be composed of the entries who placed first and second in their qualifying classes. From these entries a Champion, Reserve Champion, Third Champion and Fourth Champion shall be chosen. A fifth place, also called honorable mention, may be awarded in case of disqualification of any of the top four placing champions.
2. Procedures. The championship classes will be conducted in the same manner as the qualifying class. Horses will remain in the ring until excused by the Judge.

SUBCHAPTER PF-12 SHOW CONDUCT

PF153 Concurrent Classes

The sponsoring Regional Group's show secretary shall record the points earned during sponsored shows and forward the same together with the Judge's Cards, roster and show summary by First Class mail to the PFHA Office, postmarked within fifteen (15) calendar days of the completion of such show. Failure to do so will subject the Regional Group to an appropriate fine and forfeiture of the remainder of the approved shows until compliance with the rule is met. The PFHA shall maintain a record of points awarded for all horses and riders.
- c. Fees Due the PFHA. The Regional Group sponsoring the show shall collect all fees and proceeds of each respective "AP" show and maintain a record thereof. SUBCHAPTER RN-2 PATTERNS

RN106

CHAPTER RN REINING HORSE DIVISION**SUBCHAPTER RN-1 JUDGING**

USA Reining Rules and Regulations can be found at www.USA-Reining.com

RN101 General

1. The ideal Reining horse is guided through every movement of every maneuver. The best Reining horses should exude a willing disposition with no indication of resistance. The overall impression of a superior horse and rider team in the sport of Reining is one of complete harmony in communication and effort, showing a forward expression, and exciting bursts of power and speed tempered by quiet moments of peacefulness and above all, an obvious demonstration of athleticism in honor of the ranching origins of the sport. A movement on the horse's own is considered a rider's lack of control. A deviation from the pattern will be considered a lack of control or temporary loss of control and therefore must be marked down according to established scoring system. After deducting all faults, set in the included scoring system, and considering the horse and rider's overall performance, credit will be given for smoothness, finesse, attitude, quickness and authority of performing various maneuvers, while using controlled speed. This raises the difficulty level and makes the sport more exciting and pleasing to watch to an audience. The scoring system shall be specified in the Judges Guide.
2. When copying is available, posting judges scores sheets is mandatory. Score sheets should be posted within one hour of class completion. In the event copies are not an option, judges score sheets must be available for supervised inspection. Original judges score sheets must be retained by Competition Management for five years from the date of the competition and made available to USA Reining upon request.
3. A Reining competition will be complete and the posted scores will be considered "official" one hour following the completion of the competition.
4. All entries in a class must be drawn for position and must run as drawn. All entries must have a correct exhibitor number displayed. If a rider starts more than one horse, there should be a spread of at least eight horses between his starts. In the event that fewer than eight horses are available for the spread, the maximum number of horses possible shall be inserted between his starts. If an entrant misses his turn as determined by the draw, he will be disqualified from that go round (except for cases where extraordinary and unavoidable conditions exist). Each case will be judged on its own merit by the Competition Management and/or Ground Jury, especially at competitions with multiple competition arenas.
5. Substitution of riders will be permitted by agreement of Competition Management and/or Ground Jury.
6. A rider may not show more than three (3) horses in a class. (Exception: Arabian, see AR201; Morgan, see MO176.4) A horse may be entered only once per class. In the instance where classes are run concurrently a rider may show three horses per class and any shown horse may only start once.
7. All horses must be ridden astride.
8. It is mandatory for all riders to use appropriate western tack and western attire while showing: this would include a long sleeve shirt, western hat or protective headgear, boots, western saddle and western bridle. (Freestyle Reining being exempt based on conditions). Failure to use appropriate attire will result in a score of zero.
9. For purposes of competition in the Reining Division: An individual is eligible to compete as a Junior from January 1 until the end of the calendar year in which they reach the age of 18.

RN102 Equipment

1. All bits must be free of mechanical device.
2. References to hackamore mean the use of a flexible, braided, rawhide, leather, or rope bosal, the core of which may be either rawhide or flexible cable with a maximum diameter of 3/4" at the cheek. Absolutely no rigid material

will be permitted under the jaws, or on the noseband in connection with the bosal, regardless of how padded or covered. Horsehair bosals are prohibited. This rule does not refer to the equipment termed “mechanical hackamore” which is illegal.

3. References to snaffle bits mean conventional O-ring, egg-butt, or D-ring with a ring no larger than 4” and no smaller than 2”. The inside circumference of the ring must be free of rein, curb or headstall attachments which would provide leverage. The mouthpiece should be round, oval or egg-shaped, smooth and free of wire. It may be inlaid, but smooth and/or latex wrapped. The bars must be a minimum of 5/16” in diameter, measured 1” in from the cheek with a gradual decrease to center of the snaffle. Optional curb strap is acceptable however curb chains are not acceptable. These requirements remain the same for all classes in which a rider may use a snaffle bit.
4. References to a bit means the use of a curb bit that has a solid or broken mouthpiece, has shanks and acts with leverage. All curb bits must be free of mechanical device and should be considered a standard Western bit. A standard Western bit includes:
 - a. 8 1/2” maximum length shank to be measured as indicated in the USA Reining Rules and Regulations. Shanks may be fixed or loose.
 - b. Concerning mouthpieces, bars must be round, oval or egg-shaped, smooth and unwrapped metal (or other hard rubber or plastic) of 5/16” to 3/4” in diameter, measured 1” from the cheek. They may be inlaid, but must be smooth or latex wrapped. Nothing may protrude more than 1/8 inch below the mouthpiece (bar).
 - c. The port must be no higher than 3 1/2” maximum, with rollers and covers acceptable. Broken mouthpieces, half-breeds, and spades are standard.
 - d. Slip or gag bits, donuts or flat polo mouthpieces are not acceptable.
5. Except for Snaffle Bit and Freestyle Classes, only one hand may be used on the reins, and the hand must not be changed. The hand is to be around the reins; index finger only between split reins is permitted. Violation of this rule results in a penalty score of zero (0).
6. When a curb bit is used, a curb strap or curb chain is required and must be at least 1/2” in width, lie flat against the jaw, and be free of bars, wire, and/or twists.

RN103 Scoring

1. The scoring will be on a basis of 0-Infinity, with 70 denoting an average performance. The individual maneuvers are scored in 1/2 point increments from a low of -1 1/2 to a high of +1 1/2 with a score of 0 denoting a maneuver that is correct with no degree of difficulty. Scores will be announced after each horse works.
2. All ties for 1st place will be worked off if the tied exhibitors agree to participate in a run-off. Tied exhibitors have the alternate option of agreeing not to run-off and to be named co-champions but must determine the winner of the awards by a flip of a coin. If they do not agree, the exhibitor(s) who does not want to run-off will forfeit first place to the other. (Exceptions: Freestyle Reining - see Freestyle Reining conditions to determine winner or co-champions.
 - a. If a tie occurs after the run-off, the entrants will be named co-champions; will evenly split 1st and 2nd prize money, but must determine the winner of the awards by a flip of a coin. A horse not returning for a run-off without such an agreement will forfeit 1st place prize money regardless of the prize money. In the case of a run-off, the contestant(s) not winning the run-off cannot be placed lower than the lowest position for which he/she was tied, i.e., 2nd/3rd. All other ties are not worked off and will involve as many places as there are horses tied, i.e., 4th, 5th, 6th, 7th. The prize money in the previously mentioned example is added together and split equally-four ways.
 - b. Ties for first at USA Reining National Championships and USEF National Championships (if concurrent with USA Reining National Championships) will be worked off. If one or more of the riders with an equality of scores chooses not to run off, a coin toss (or similar) for prizes will be conducted at the prize giving ceremony and any money earned will be combined and split between the rankings with an equality of scores. However, the national

RN - REINING DIVISION

championship title will always go to the entrant who did not concede the title, or to the winner of the run-off if that is the choice of the tied entrants.

3. The following will result in result in no score:

- a. abuse of animal in competition arena and/or evidence that an act of abuse has occurred prior to or during the exhibition of a horse in competition;

- j. The judge(s) may excuse a horse at any time while in the arena for unsafe conditions or improper exhibition pertaining to either the horse and/or rider.
- k. closed reins are not allowed except as standard romal reins and mecates on snaffle bits and bosals in classes where the use of two hands is allowed.

4. Excess rein may be straightened at any place a horse is allowed to be completely stopped during a pattern. When using a romal the rider's hand shall be around the reins with the wrist kept straight and relaxed, the thumb on top and the hand closed around the reins; no fingers between the reins are allowed. The free hand may be used to hold the romal, provided it is held in a relaxed position and there is at least 16" from free hand to the the Reining hand. Use of the free hand while holding the romal, to alter the tension or length of the reins from the bridle to the Reining hand, is considered to be use of two hands, and a score of 0 will be applied, with the exception of any place a horse is allowed to be completely stopped during a pattern.

5. The following will result in a score of 0:

- a. use of more than index or first finger between reins;
- b. use of two hands (exception: snaffle bit or hackamore classes designated for two hands) or changing hands;
- c. use of romal other than as outlined in #4;
- d. failure to complete pattern as written;

 - n. failure to wear appropriate western attire as outlined in the USA Reining Rules and Regulations. Western attire may include protective headgear (ASTM/SEI). See GR801.4 and RN101.8;
 - o. neither a "no score" nor a 0 is eligible to place in a go round or single go round class;
 - p. neither a no score nor a 0 may advance in a multi-go event. In multi go events, finals qualifying horses that get a 0 or a scratch will still be eligible for payouts, with a 0 placing higher than a scratch;
 - q. in the event not enough horses qualify for total purse distribution, the undistributed portion of the purse will be retained by competition management.
6. The following will result in a \$25 fine, payable to the show organizer.
- a. Failure to have correct exhibitor number displayed
7. The following will result in a five-point penalty:
- a. spurring in front of cinch;
 - b. use of either hand to instill fear at any time in the arena or praise during the pattern;
 - c. holding saddle with either hand;
 - d. blatant disobedience including kicking, biting, bucking, rearing and striking.
8. The following will result in a two-point penalty:
- a. Break of gait.
 - b. Freezing up in spins or rollbacks.
 - c. On walk-in patterns, cantering prior to reaching the center of the arena and/or failure to stop or walk before executing a canter departure.
 - d. On run-in patterns, failure to be in a canter prior to reaching the first marker or break of gait prior to the first marker.
 - e. If a horse does not completely pass the specified marker before initiating a stop position.
9. Starting or performing circles or eights out of lead will be judged as follows:
- a. Each time a horse is out of lead, a judge is required to penalize by 1 point. The penalty for being out of lead is accumulative, and the judge will add 1 penalty point for each 1/4 of the circumference of a circle or any part thereof that a horse is out of lead. A delayed change of lead is a one (1) point penalty from one stride to 1/4 of circumference of a circle and is also cumulative beyond that point.
 - b. A judge is required to penalize a horse 1/2 of a point for a delayed change of lead by 1 stride where the lead change is required by the pattern description.
10. Deduct 1/2 point for starting circle at a jog or exiting rollbacks at a jog up to 2 strides. Jogging beyond 2 strides but less than 1/2 circle or 1/2 the length of the arena, deduct 2 points.
11. Deduct one-half (1/2) point for over or under spinning up to one-eighth (1/8) of a turn; deduct one (1) point for over or under spinning up to one-quarter (1/4) of a turn.
12. In patterns requiring a run-around, failure to be on the correct lead when rounding the end of the arena will be penalized as follows: For 1/2 the turn or less, 1 point; for more than 1/2 the turn, 2 points.
13. There will be a half point penalty for failure to remain a minimum of 20 feet from the side of the arena when approaching a stop and/or rollback.
14. Judges may not confer as to any penalty or maneuver score prior to submitting a score. If a major penalty (a penalty which results in a no score, a 0, or a 5 point penalty) is unclear, a judge will submit his/her score and ask that the score be held, pending a conference and/or review of the official video at the earliest appropriate time. Should the judges determine via conference or official video replay that a penalty was incurred, it should be applied. If, however, no penalty occurred, the score will be announced as originally submitted. No judge shall be required to change his/her score following a conference or official video replay. Each judge's decision is an individual call and based on individual decision from a conference or official video replay. The use of official video equipment by the

RN - REINING DIVISION

- judges is only permissible if the judge has reason to believe that all entries have been videotaped. All competitions are required to have video instant replay available to the jury of judges for this reason.
15. The judge shall have the authority to remove any contestant from a competition he is judging, should said contestant show any disrespect or misconduct as to render himself or the competition in an unprofessional manner.
 16. All riders must dismount. The horse must be presented and the bridle dropped by the rider or a designated representative. The horse and equipment must be checked by the designated judge or steward in close proximity to the arena during a pre-check or only in the case a sitting jury member is checking equipment in the arena, a post-check. Should the equipment judge detect cause for a no score, the exhibitor or his/her representative, trainer, or guardian may at that time accept the no score and allow the equipment judge to cause the appropriate changes to all score cards or request the other judges confer on the appropriate call. In the case of a youth exhibitor, should a parent, trainer, or guardian not be present, it will be assumed that all parties are aware of this rule and agree to abide by the exhibitor's decision. If requested, the equipment judge will confer with the other judges as soon as practical. Failure to comply with this rule will result in a no score. Competitions are encouraged to establish check stations in advance of each individual run and give the competitor appropriate time to correct the equipment change to comply with legal equipment, should there be a question on equipment.
 17. Judges shall be the sole person responsible to determine if a rider has correctly completed the pattern as written.
 18. The judge has the option of awarding a re-ride to any contestant who, in the judge's opinion, is unable to complete a pattern for reasons that are out of the rider's control. In the instance where a re-ride is warranted in the judge's opinion, he should advise Competition Management as soon as is possible.
 19. An exhibitor or owner in the respective class may request a review of a major penalty applied to a run (penalty score of 0 and 5 point penalty). The judge(s) has the right to deny or honor the request. If honored by the judge(s) he/she must believe the entire class was videotaped by an official videographer. The request must be made no later than 30 minutes after the last run of the day, and before the judge(s) has left the grounds for the day. In cases where a class is run in sections over multiple days, each day's scores will be official thirty minutes after the last run of each section. Exhibitors or owners may not have direct contact with the judge(s) during the entire process of requesting a review. The request must be submitted to the Competition Steward, Competition Representative, or if need be Competition Management who will take the request to the judge(s).
 20. For regulations concerning showing under judges, refer to GR1304.

RN104 Categories of Competition and Class Eligibility

Class eligibility is based on the rider's and/or the horse's earnings as of January 1 of the current competition year. It is the responsibility of the owner and/or rider to be aware of the eligibility of the horse and/or rider as recorded by USA Reining. When limits of eligibility are surpassed during the competition year, the exhibitor can complete the year in that specific class or division.

- a. OPEN—USA Reining approved classes; Subject to the general conditions, any rider with a current USA Reining and USEF membership may show any horse in the class regardless of ownership.
- b. AMATEUR - USA Reining approved class open to any rider holding a current USA Reining and USEF membership with Amateur Designation may show any horse, regardless of ownership. Refer to USEF Rule GR1306 for the definition of an Amateur Competitor.
- c. YOUTH. USA Reining approved classes open to any rider holding a current USA Reining and USEF membership with a Junior or Youth Designation may show any horse regardless of ownership. Age divisions in the Youth class include:
 1. YOUTH (13 & UNDER)
 2. YOUTH (14-18)
 3. YOUTH (19-21)

d. BREED CLASSES

1. Dually sanctioned classes that are conducted at breed association shows and dually sanctioned by the breed association and USA Reining. Mostly commonly correspond with a concurrent FEI class (CRI-Breed) but may also stand alone to count for USA Reining points at partner breed association events.

e. REGIONAL CLASSES

1. USA Reining recognizes the need for diversity in classes held at different levels of competition and in different geographical areas, as well as to generate promotional activity for affiliate groups. This diversity allows for growth and development of affiliates and uniqueness in Competition Management.
2. Among these types of classes are: Geldings, Green as Grass, Green Reiner, Ladies, Men's, and many additional classes with a variety of individual conditions written by the affiliate or Competition Management. These classes often use USA Reining Rules and Regulations with a noted variation in show conditions to accommodate the specific class.
3. USA Reining does not sanction these classes for national competition, but does recognize and encourage their use for the growth and development of the affiliates, the interest of the exhibitors, and the overall management of the Reining competition.

f. FREESTYLE

1. FREESTYLE OPEN. Any current member of USA Reining and USEF may show in this class. See rules for Freestyle in USA Reining's Rules and Regulations;
2. FREESTYLE AMATEUR. Any current member of USA Reining and USEF which is also designated as Amateur may show in this class. See rules for Freestyle in USA Reining's Rules and Regulations;
3. FREESTYLE YOUTH. Any current member of USA Reining and USEF which is also designated as Junior or Youth may show in this class. See rules for Freestyle in USA Reining's Rules and Regulations.

RN105 Freestyle Reining

1. Reining maneuvers originated from moves that a cowhorse must use in performing its duties and have been refined to the high level of competition existing today. Freestyle Reining not only provides an opportunity to use these maneuvers creatively, but also to expand them to music by means of choreography. Riders are encouraged to use musical scores which permit them to show the athletic ability of the horse in a crowd appealing way.
2. USA Reining Rules and Regulations will apply except where the following rules pre-empt same.
3. Required maneuvers will be defined as follows:
 - a. A minimum of 4 consecutive spins to the right.
 - b. A minimum of 4 consecutive spins to the left.
 - c. A minimum of 3 stops.
 - d. A minimum of 1 lead change at the canter from right to left.
 - e. A minimum of 1 lead change at the canter from left to right.
4. Exhibitors will only be judged astride. Exhibitors are allowed to use two hands (as well as one or no hands) and any bit approved by USA Reining Rules and Regulations, including snaffle bits and bosals.
5. Failure to perform all the required maneuvers or failure to complete the performance within the time limit will result in a 0.
6. Additional maneuvers such as rollbacks, backups, speed variations, and non classical reining maneuvers such as half pass and side pass are appropriate in Freestyle and shall be given appropriate credit.
7. Additional repetitions of required maneuvers are appropriate, but will only add or subtract from the existing scores already given for the required maneuvers, not as additional scores.
8. Program Time Limit is a maximum of 4 minutes including any introductions. The time limit will be from the beginning of the music or from the beginning of the introduction (whichever is first) and will end with the music.

RN - REINING DIVISION

9. Costumes are permitted but not required. Emphasis is placed on performing the Reining maneuvers to music.
10. Props are permitted but at no time may hinder the judges' view of the horse. The use of props will not add to the score.
11. Judging of the Freestyle Reining.
 - a. Required maneuvers in Freestyle will receive a score based on technical merit from the technical judges utilizing judges score sheets specifically designed for the Freestyle.
 - b. Transitional maneuvers and other maneuvers not specified as Reining maneuvers will be evaluated and scored accordingly in a specified box and counted as a single maneuver score.
 - c. If an artistic impression judge is used, they must use the score sheet provided by USA Reining and are encouraged to include remarks regarding performance. In the event an artistic judge is not used, the technical judges will assess an artistic impression score in the box specified using a -2 to a +2 evaluation.
12. Two or more licensed Reining judges must be used in any Freestyle class that offers \$2000 or more in added money. As part of the overall score, each judge would weigh the artistic impression of the ride as 10% of the overall ride.
13. One judge (not to be an artistic impression judge) shall be designated as the tie breaker prior to the Freestyle class. In the event a tie still occurs (or the tie occurs with one judge), the technical merit scores will be tallied to break the tie. In the event a tie remains, the exhibitors tied will be declared co-champions.
14. Validating required maneuvers will be the responsibility of the judges. At least one scribe will be used to assist in verifying the required maneuvers for each horse as they are completed in the pattern.
15. Elimination rounds are to be used at the discretion of competition management and should use USA Reining patterns, USA Reining judging rules (found in the USA Reining Rules and Regulations) as applied to all classes, and USA Reining approved judges shall be used in any elimination round, just as they are in finals and single go-rounds. Elimination rounds may be held without music or costuming, but must allow the use of either one or two hands. The emphasis in the design of any eliminations should be on quality of competition.
16. Applause meters or Artistic impression judges should not represent more than 20% of the combined score and should only be used in conjunction with (minimum) two USA Reining approved judges. When used in scoring, the following formulas should be applied to properly weigh the scores according to the above percentage and still produce a comparable numerical score as when three judges are used.
 - a. Score for Judge 1 should be multiplied by 1.2
 - b. Score for Judge 2 should be multiplied by 1.2
 - c. Score for the Applause Meter should be multiplied by .6. All three scores should then be added to determine the final score for placing.
17. If an open Freestyle Reining class is offered a Youth and or Amateur Freestyle class may also be held. Competition Management shall reserve the right to run them concurrently or separately.
18. Competition Management shall reserve the right to rule on music or dress which may be inappropriate or offensive to the spirit and nature of the competition. Competition management may also determine the use of special lighting.
19. Equipment used in freestyle must adhere to the following standards:
 - a. All equipment must be non-abusive and humane based on Federation and USA Reining Rules and Regulations.
 - b. Any equipment not specifically covered by or in conflict with standard equipment guidelines must be non-abusive to the horse.

In the event that an arena has only one gate and it be in the exact middle of the side, that side shall represent the right side of the page the pattern is drawn on.

CHAPTER RD ROADSTER DIVISION

SUBCHAPTER RD-1 GENERAL QUALIFICATIONS

RD101 Eligibility

1. Roadster Horses: In order to compete all horses must be a Standardbred or Standardbred type. Roadster Ponies are not permitted to compete in Roadster Horse classes.
 - a. All horses competing in Federation licensed competitions must be properly identified and must obtain a Roadster Horse Identification number from the American Road Horse and Pony Association (ARHPA). An ARHPA Roadster Horse ID number for each horse must be entered on all entry forms for licensed competitions.
 - b. Only one unique ARHPA Roadster Horse ID Number will be issued per horse. This unique ID number must subsequently remain with the horse throughout its career. Anyone knowingly applying for a duplicate ID Number for an individual horse may be subject to disciplinary action.
 - c. The Federation and/or ARHPA as applicable must be notified of any change of ownership and/or competition name of the horse. Owners are requested to notify the Federation and/or ARHPA as applicable of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.
 - d. The ARHPA Roadster Horse ID application is available from the ARHPA or Federation office, or it can be downloaded from the ARHPA or Federation website or completed in the competition office. Competition management is responsible for notifying exhibitors of this requirement in their prize list. *BOD 1/16/16 Effective 12/1/16*
2. Roadster Ponies: Registration is not required for ponies competing in the Roadster division. Ponies may not be shown in a performance class unless the owner possesses a current Measurement Card or valid Measurement Form issued by the Federation (see GR502). All Roadster Ponies must be re-measured and issued new measurement cards prior to competing in licensed competitions for the year 2004 and beyond.
3. Membership Requirements.
 - e. Owners and trainers of roadster ponies participating at Federation licensed competitions in the Roadster Division must be current members in good standing with either the American Road Horse and Pony Association or the American Hackney Horse Society.
 - f. Owners, riders, drivers, and trainers of horses participating at Federation licensed competitions in the Roadster Division must be current members in good standing with the American Road Horse and Pony Association.
 - g. Originals or copies of the above listed membership cards must be provided to the competition unless at its discretion the membership can be confirmed electronically with either the AHHS or the ARHPA office.
 - h. Lessees are considered owners in connection with these membership requirements. In the event of an entry under multiple ownership, only one owner need be a member of the required organization.

RD102 Type and Conformation

1. The Roadster should be attractive in appearance, balanced in conformation and must have manners which make a safe risk in the ring.
2. The Roadster should have a well chiseled head, smart ears, be fine in the throat latch, with a fine neck; should show depth through his chest, a good shoulder and good withers; well coupled, with short back and well proportioned hindquarters; should be a good full-made horse over hips; should stand well on legs and have good flat bone. The Roadster should have a full mane and tail; may be of any color. The tail should be carried outright.
3. There are three types of Roadsters for competition—those suitable for bike, under saddle and road wagon. Occasionally there are horses or ponies that are suitable for all purposes.
 - a. Bike: Roadsters in the Bike sections are able to strongly perform three distinct speeds at the trot while maintaining their form and have the look of a refined race horse or pony.
 - b. Under Saddle: Horses competing under saddle should be pretty and have the natural ability to carry their head

- c. Wagon: Usually the Wagon Roadster will have more scale and height than the Bike Roadster. Roadsters in the Wagon sections must have the strength to comfortably pull a wagon without losing form. Typical Roadsters in the Wagon sections are good looking horses or ponies that compliment the appointments of the wagons.

RD103 Gait Requirements

The principal gait assignment for Roadsters is the trot. They shall be asked to trot at three different speeds; the jog-trot, the Road Gait and then at full speed. At all speeds they should work in form; that is their chins set and their legs working beneath them, going collectedly. At the trot a horse whose action features folding of the knees, flexing of hocks, with straight true action of front legs and with hocks carried close together and with motions coordinated, is executing a balanced trot. Long sprawling action in front, dragging or trailing hind legs and straddle gaited action behind makes a balanced trot impossible. Animation, brilliance and competition ring presence should characterize the Roadster in working at a jog-trot or Road Gait. When asked to drive on, the horse must show speed and go in form. Pacey gaited or mixey gaited horses that pace and rack the turns or break and run on the turns shall be penalized. Judges must emphasize that Roadsters are to be shown at three distinct speeds. Exhibitors executing gaits not called for must be penalized.

SUBCHAPTER RD-2 SHOWING PROCEDURES

RD104 General

1. Roadsters must enter the ring clockwise at a jog-trot then show at the Road Gait; turn counter clockwise at the jog-trot, show at the Road Gait and then trot at speed. Judges must emphasize that Roadsters are to be shown at three distinct speeds.
2. It is very important to emphasize that Roadster horses must trot solidly down the straight away as well as around the turns. Horses should be shown on the rail at all times except when passing and should go to the far end of every corner without side reining; should be light mouthed, capable of being taken up at any time, and stand well when being judged in the center of the ring.
3. Any driver, rider, horse or pony in the Roadster division exhibiting inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any other exhibitor, their entries or the safety of class officials will be ordered from the ring. (See GR1033.11 and .12)
4. Performance at all three gaits must be judged. In the event of a workout, entries chosen must be worked both ways of the ring, as in the original routine.
5. When horses are lined up, no attendant is permitted and driver shall not leave his vehicle except for necessary adjustments. He may, however, uncheck and stand at horse's head when left in the center of the ring while a part of the class is on the rail for a workout. During the line-up, headers are permitted in Amateur, Ladies Amateur, and Juvenile Road Horse classes. The header must not touch the entry except for safety reasons. During a workout the header may uncheck and hold the entry. However, when the workout is over the horse must be rechecked and the attendant must move away from the horse. The attendant must take no action that would affect the performance of any animal.
6. An exhibitor is entitled to request only one time-out per class. (See GR833).
7. Championships. Championship classes are judged in the same manner as the qualifying classes. Saddle classes do not qualify a horse for Bike or Wagon Championships. Wagon classes will qualify for a Bike Stake if a Wagon Stake is not offered. In Amateur Championships, to bike or wagon, if qualifying classes are offered the horse must have been qualified by an Amateur in one other Amateur Bike or Wagon Class. Exception: Lady Amateurs may qualify for the Amateur Championship if they enter and show in a Ladies bike or wagon class.
8. In the Roadster Division a class is considered completed when the class has been judged according to the rules

and the judges have turned in their cards. In qualifying classes the judge's cards must be turned in before an entry is qualified to show in the Championship class.

RD105 Appointments Classes

1. Entries shall be shown to a Road Wagon. They shall be well mannered with extreme brilliance, style and ring presence. Outstanding conformation and quality are required. A bold and classy trot with action is to be shown at all gaits when requested. Entries should be well broken and mannered when lined up for judging.
2. Required appointments will include the following items: rasp, scrapper, hoof pick, screwdriver, farrier's knife, farrier's hammer, knife, goggles, matches, washers, spool wire, wrench, wire pliers, nippers, punch, oil can, horse shoes, horse shoe nails, blanket pins, whisk broom, flask, cooler, halter, rain coat/cover, curry comb, brush, lead strap, clock, and light. Protective headgear may be worn without penalty. (See GR801.4)

RD106 Appointments

1. Harness.
 - a. Blinkers of square pattern, snaffle bit and attached overcheck-rein; breast collar with straight-flaps, with traces made round with flat ends; (for pairs, collars of the English pattern are used); martingale are required. Breechings must be used in all Wagon classes. Reins to be leather and made round up to the hand pieces. Protective boots on front feet are allowed.
 - b. In Roadster Horse to Bike and Roadster Horse to Wagon classes (not Roadster Pony classes) the overcheck must remain attached to the water hook until class is tied. In the event that the check breaks or comes off, the entry must use a timeout in accordance with GR833 to reattach the check. If the check breaks or comes off a second time the horse must not be allowed to continue performing unchecked and must be excused from the ring by the judge(s). If a horse is excused under these circumstances they will be qualified for the championship in accordance with GR809.3.
2. Vehicles. Roadsters shall be shown to a Bike, Road Wagon or Buggy of Caffrey style. All vehicles should be of good appearance and stability. Horse Bikes must be of standard size of at least 48" width with a double seat.
3. Attire.
 - a. In Bike or Under Saddle classes, exhibitor shall wear stable colors, cap (or protective headgear, see RD106.4) and jacket to match.
 - b. In Road Wagon classes exhibitors shall wear a business suit with a hat of choice. The exhibitor's number must be worn on the back of the driver.
 - c. Electronic communication devices used for purposes of coaching, etc., between competitors and individuals outside the ring shall be prohibited in all classes in the Roadster Division.
 1. Exhibitors with a permanent hearing impairment are permitted to use an electronic communication device upon submission of a written certification from a treating medical professional's office certifying the permanent hearing impairment and certifying the requirement of an electronic communication device. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.
 2. An exhibitor with a disability (other than hearing) will be provided reasonable accommodation upon submission of a written certification from a treating medical professional's office certifying the disability and identifying the accommodation necessary for the exhibitor to compete safely. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report. .
4. Except as may otherwise be mandated by local law, protective headgear is strongly recommended for everyone showing in any class in the Roadster Division as outlined in GR801.4, .7 and .8. Except as may otherwise be

RD - ROADSTER DIVISION

mandated by local law, while riding or driving anywhere on the competition grounds, all juniors riding or driving in Roadster to Bike or Roadster Under Saddle classes must wear properly fitting protective headgear which passes or surpasses ASTM (American Society for Testing and Materials)/ SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag as specified in GR801. Harness must be secured and properly fitted. A matching cover may be worn over the protective headgear or the protective headgear may be painted in matching stable colors.

5. Horses and ponies must be serviceably sound and shown without artificial appliances (e.g., wired ears, chains, shackles, draw reins, kicking strap, conspicuous wire cavessons) except boots and inconspicuously applied tail switch or brace.

RD107 Division of Classes

1. If there are more than 12 entries in any Road Horse class it must be split. (Exception: The Road Horse USTA Classic class and all Youth Road Horse classes must be split if there are more than 10 entries.) If the Road Horse USTA Class requires a split, the split must be posted no later than 2 hours following the deadline for declaring intent to show.
2. If there are more than 15 entries in any Road Pony class, it must be split. It is recommended that the class be divided into separate sections by selecting every other number on the list of entries with separate prize money.
3. It is recommended that classes for junior exhibitors be divided by age of driver and a Junior Exhibitor Championship be offered.
4. Exhibitors who fail to officially scratch an entry from a class two hours prior to the start of a session that is subsequently divided will be fined an amount not to exceed \$100 per horse per class payable to the competition. Notification of intent to divide must be made to exhibitors one hour prior to the start of the session. The division of entries must be posted in the competition office and announced over the public address system or listed in the program.
5. Total prize money may be divided and the notification of the division must be publicly announced at least one hour prior to the start of the session.

SUBCHAPTER RD-3 CLASS SPECIFICATIONS

RD108 General

1. Stallions are prohibited in Ladies, Youth and Junior Exhibitor classes. Classes may be divided according to sex.
2. In Roadster Horse classes, if no Youth Amateur qualifying classes are offered, then youth amateurs 15 years of age or older may enter Amateur, Open, Ladies, or Gentlemen's qualifying classes. If no Youth Amateur championship class is offered, then youth amateurs 15 years of age or older may enter the Amateur Championship. Youth Amateurs 15 years of age or older may only compete in Open Championship classes if no other championship is offered at that particular competition. The use of protective headgear is required of Youth Amateurs in these classes. (See GR801.4, .7, and .8 regarding protective headgear.)
3. In Roadster Pony classes, if no Junior Exhibitor Championship is offered at the competition, ponies shown in Junior Exhibitor classes are eligible for the Amateur Championship. The use of protective head gear is required by Junior Exhibitors in these classes.
3. A maiden/novice/limit Roadster is a horse or pony that has not won one/three/six first place ribbons respectively. (See GR135 .8 and .9) Ribbons won within one section of the Roadster division do not count in the reckoning of Maiden, Novice or Limit status if the animal competes in a different section (e.g. Bike to Wagon, Saddle to Bike, etc.).

RD113 Roadster Ponies.

1. Classes for Roadster ponies to Bike are restricted to ponies 13 hands (52" and under). If entries warrant two sections may be offered: a) Roadster Ponies to Bike 50" and under; b) Roadster Ponies to Bike over 50" but not to exceed 52". If two sections are offered, competition management may offer a championship/stake for each section. In Under Saddle classes and Roadster Pony to Wagon classes entries may not exceed 54". Ponies may not be shown in a performance class unless the owner possesses a current Measurement Card or valid Measurement Form issued by the Federation (see GR502).
2. All Roadster Ponies must be re-measured and issued new measurement cards prior to competing in licensed competitions for the year 2004 and beyond. In all Roadster pony championship/stake classes (except Junior Pony sections) at selected USEF competitions which will be notified in writing by USEF, the first place and fourth place ponies must allow a heel measurement to be taken immediately following the class to verify the heel measurement is at or below what is indicated on the current measurement card. The heel measurement will be taken by the competition steward at a location determined by the measuring official and competition management. The heel measurement must be taken from the left bulb of the left front heel, from the skin line on the lower side of the coronary band with the ruler perpendicular to the flat surface. It is the trainer's or driver's decision and responsibility to determine if the pony will be hitched or unhitched for this measurement. If the heel measurement is higher than the measurement on the pony's USEF measurement card, an overall height measurement must be performed by two measuring officials (See GR502.4) no later than one hour following the end of the session at the designated location. Any entry that exceeds the legal height limit will forfeit winnings in that class. In the event there are fewer than four ponies in a class, the pony occupying the final placing will be measured. In the event of an emergency and the steward is unavailable to take the heel measurement immediately, competition management must appoint a representative to remain with the pony until the heel measurement can occur.
3. During the line up in classes restricted to Junior Exhibitors and Amateurs, one attendant is permitted to head the pony. The attendant must not touch the entry except for safety reasons. During a workout the attendant may

uncheck and hold the entry. However, when the workout is over the pony must be rechecked and the attendant must move away from the pony. The attendant must take no action that would affect the performance of any animal.

4. Roadster Pony classes may be judged by judges licensed in the Hackney Pony Division. In all Ladies, Amateur, and Junior Exhibitor roadster pony classes, the judge(s) must walk the line up. If a judging panel is being used to officiate these classes, all judges must comply with this rule.
5. If no Junior Exhibitor qualifying or championship classes are offered at a competition, then junior exhibitors may enter the Amateur or Ladies qualifying or championship classes but protective headgear is required (See GR801.4, .7 and .8). If an amateur championship is not offered, ponies shown in junior exhibitor classes are eligible for the open championship. Junior Exhibitors are allowed to show in Open Roadster Pony to Wagon classes and amateur or open Roaster Pony to Bike classes if Junior Exhibitor or Amateur classes are not offered. The use of protective headgear is required by Junior Exhibitors in these classes.
6. Roadster ponies shall enter the ring in a clockwise manner and be shown first at a jog-trot and road gait, then reversed and shown at a jog-trot, road gait, and then at speed.

If an amateur ladies class is not offered, amateur ladies showing in the open ladies class will be qualified for the amateur championship. To be judged on suitability, manners, performance, speed and quality.
10. SINGLE ROADSTER PONY CHAMPIONSHIP TO BIKE. To be eligible ponies must be entered, shown and judged in another class in harness in this division. To be shown to a bike. To be judged on performance, speed, presence, quality, conformation and manners.
11. JUNIOR EXHIBITOR ROADSTER PONY UNDER SADDLE (54 inches and under). To be shown under English saddle, full martingale, open bridle with snaffle bit, single or double rein and protective boots. Rider to wear stable colors, jacket and protective headgear to match. To be judged on manners, performance, speed, quality and suitability of rider to pony. Saddle classes do not qualify a pony for harness championships.
12. SINGLE ROADSTER PONY TO WAGON (54 inches and under). To be judged on performance, speed, quality and manners. Exhibitors shall wear a business suit with a hat of choice. Breeching is required in all wagon classes. If no championship is offered for this class it shall be considered as a qualifying class for the Single Roadster Pony to Bike Championship as long as the pony qualifies under the Roadster to Bike height restrictions (See RD114.1).
13. ROADSTER PONY COMBINATION. Open to Junior Exhibitors. Ponies first to be shown both directions of the ring as a Roadster pony to bike. Competitors will be called to the line up, ponies unhooked and saddled, then returned to the rail to be shown under saddle at the required gaits. Two attendants per entry are allowed to assist the changing of tack. If bridle is changed, harness bridle must not be removed prior to the pony being completely unhooked from the bike. Ponies must be shown by the same rider and driver. In both segments of the class, ponies to be shown first at a jog-trot and road gait, then reversed and shown at a jog-trot, road gait, and then at speed. To be judged on manners, performance, speed, and quality.

CHAPTER SB AMERICAN SADDLEBRED HORSE DIVISION**SUBCHAPTER SB-1 GENERAL QUALIFICATIONS****SB101 Eligibility**

1. In order to compete, all horses must be registered with the American Saddlebred Registry or the Canadian Livestock Records Corporation. They must be entered in their full registered names with registration numbers and under the names of the owner(s) of record with the A.S.R. or the C.L.R.C.
2. A copy of the registration papers showing recorded ownership, or a copy of the registration papers with a Certificate of Eligibility to Show issued by the American Saddlebred Registry must be submitted with entry form at the time of making entry or presented to competition office before competition number will be released unless the competition, at their discretion, confirms registration electronically with the American Saddlebred Registry or the Canadian Livestock Records Corporation; competition management is responsible for notifying exhibitors of this requirement. See GR1308.2a(5). Exception: Horses shown in any USEF Regular Competition prior to December 31, 1979, and American Saddlebred-type ponies. A copy of the registration papers will be returned when exhibitors pick up their numbers, if requested.
3. Owners, riders, drivers, handlers and trainers of horses competing at Federation licensed competitions in all American Saddlebred sections must be current competing members in good standing with the American Saddlebred Horse Association, Inc. or the American Saddlebred Horse Association of Canada and provide an original or copy of the ASHA or ASHA of Canada membership card unless the competition, at their discretion, confirms membership electronically with the ASHA or the ASHA of Canada office. Lessees are considered owners in connection with this membership requirement. In the event of an entry under multiple ownership, only one owner need be a member. Exception: Owners, riders and trainers of horses competing in American Saddlebred restricted walk/trot classes are exempt from ASHA and ASHA of Canada membership.

If the ASHA competing membership card is not available, the exhibitor, or his or her agent, must sign the ASHA membership affidavit giving his or her name, address, the fact that he or she is in possession of the proper credentials and the reason the information is not available.

SB102 Type and Conformation

1. The American Saddlebred is the epitome of the show horse. He carries himself with an attitude that is elusive of description—some call it “class”, presence, quality, style, or charm. This superior air distinguishes his every movement.
2. The ideal American Saddlebred is well-proportioned and presents a beautiful overall picture. The animal should be in good flesh, with good muscle tone and a smooth, glossy coat. Masculinity in stallions and femininity in mares are important and should be taken into consideration. The average height is 15 to 16 hands and the weight 1,000-1,200 pounds. Any color is acceptable; the most prominent are chestnut, bay, brown and black with some gray, roan, Palomino and Pinto. **HEAD**—well-shaped with large, wide-set expressive eyes, gracefully shaped ears set close together on top of the head and carried alertly; a straight face line with a relatively fine muzzle and large nostrils and a clean and smooth jaw line. **NECK**—long, arched and well-flexed at the poll with a fine, clean throat-latch. **WITHERS** - well defined and prominent. **SHOULDERS**—deep and sloping. **BACK**—strong and level with well sprung ribs. **CROUP**—level with a well carried tail coming out high. **LEGS**—The front leg should set well forward under the shoulder. The line of the hind leg, in a natural stance, should be vertical from the point of the buttock to the back edge of the cannon bone. The forearms and hindquarters are well muscled to the knees and hocks. Legs are straight with broad flat bones, sharply defined tendons and sloping pasterns. **HOOVES**—good and sound, open at the heel, neither toed in or toed out. **TO BE PENALIZED:** lack of American Saddlebred type, coarse or plain head, roman nose, round jaws, lop ears, wide ears, small eyes (pig eyes), short neck, straight neck,

ewe neck, thick throatlatch, flat withers, sway-back, roached back, hollow chest, straight shoulders, crooked legs, calved knees, over at the knee, bow legs, rough joints, round bones, straight pasterns, splay feet or pigeon toes, contracted heels, base stance too wide or too narrow, sickle hocks, cow hocks, dished feet, lack of muscle tone, thinness, obesity, rough coat or overall lack of conditioning. These and any other defects attributable to heredity must be penalized. With the natural variations of type within the breed, some horses do not conform to the ideal but are perfectly suitable for various kinds of competition. If they meet all other requirements for a particular event, they should not be penalized too severely, except in stripped classes, Harness classes and In-Hand classes where extremely low backed horses must be severely penalized. Horses with crooked tails must be penalized and horses with extremely crooked tails must be severely penalized.

SB103 General

1. The American Saddlebred has clean, rhythmic and fluid action which is straight and true. Winging, interfering, traveling wide behind, mixing of gaits and loss of form are undesirable.
2. All horses must be serviceably sound. In In-Hand classes for sires and dams or prospective sires and dams, transmissible unsoundness only shall be considered. Horses must not show evidence of lameness, broken wind or complete loss of sight in both eyes.
3. Horses may be shown with unset tails in any class without penalty.
4. All horses must be worked both ways of the ring at all required gaits as directed by the judge(s). Workouts will be judged as a separate class and horses must be tied for placings being considered in that workout. Workouts may be called for by the judge(s) for any or all placings. All horses chosen for a workout must be worked both ways of the ring at any or all gaits listed in the class specifications that are requested by the judge(s). An exhibitor choosing to not complete the workout for any reason has the option of lining up and receiving the last ribbon awarded in the workout. An exhibitor is entitled to request only one five minute time out per class including workout. (See GR833).

Maiden/Novice/Limit classes are open to riders/drivers who have not won one/three/six first place ribbons respectively, at Regular and Local Competitions of this Federation in any under saddle/driving class of any Breed and/or Discipline. First place ribbons won by a rider in any under saddle class do not affect the status of a driver in any driving class. First place ribbons won by a driver in any driving class do not affect the status of a rider in any under saddle class. Ribbons won in leadline classes and in classes where entries are not required to canter will not affect Maiden, Novice and Limit Status.
9. Attention getting devices &/or other noisemakers (including but not limited to tape measures, blow horns, bamboo poles, explosives, fire extinguishers, baby powder, whips longer than 6', etc.) are not allowed in and around the make up and competition rings during scheduled competition sessions. All such items will be confiscated and offenders will be reported to the USEF. (See also GR839.4i)
10. Master classes are restricted to amateur rider/drivers age 50 years and older. Classes are to be judged according to amateur class specifications. Master classes are never to be stripped for conformation judging.

SB104 Appointments

1. Horses shall be shown without artificial appliances (e.g., wired ears) and nontraditional tack. Anything that alters the intended use of equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance. All artificial appliances other than those permitted are prohibited. Bandages, tail sets, chains or other training devices are prohibited in the competition ring.
2. Inconspicuously applied hair in mane or tail, a tail brace and mouth controls are permitted. Exceptions: See Pleasure sections.

6. Any artificial change of color or markings (other than mane or tail) is prohibited.
7. Electronic communication devices used for purposes of coaching, etc., between competitors and individuals outside the ring shall be prohibited in all classes in the American Saddlebred Division.
 - a. Exhibitors with a permanent hearing impairment are permitted to use an electronic communication device upon submission of a written certification from a treating medical professional's office certifying the permanent hearing impairment and certifying the requirement of an electronic communication device. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.
 - b. An exhibitor with a disability (other than hearing) will be provided reasonable accommodation upon submission of a written certification from a treating medical professional's office certifying the disability and identifying the accommodation necessary for the exhibitor to compete safely. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.
8. A competitor may carry or use a whip not exceeding 6' including lash; the lash shall not have been altered in any way. It must be a standard whip of suitable style. Failure to comply will result in disqualification from further competition. (Exception: In-Hand. Refer to SB174.)
9. Whips longer than 6', including snapper or lash, are not allowed in the warm-up area.

SB105 Stripping

The stripping of horses for conformation judging is mandatory in Under Saddle Championship Classes in all sections at the Kentucky State Fair World's Championship Horse Show and The UPHA/American Royal National Championship Horse Show (Exception: Park Horse, Pleasure Horse, Three Gaited Junior Exhibitor, and Five Gaited Junior Exhibitor sections and all Kentucky County Fair Championship classes) and in all American Saddlebred Registry signature classes for horses three years old and under (i.e. ASR Futurities, ASR Sweepstakes). Stripping is also mandatory in all Three Gaited and Five Gaited Open Championship classes except one horse classes. The above excepted classes and other classes may not be stripped unless it is so stated in the prize list. In any stripped class, horses may be presented individually for conformation judging. Horses with extremely low backs must be severely penalized in all stripped performance classes. Only two attendants, suitably attired, per animal are permitted in the ring. In classes where manners are paramount (i.e. Ladies, Junior Exhibitors, Amateurs, and Owners), riders must remount and return to the line up before the judges will be allowed to turn in their cards.

SB106 Judging Criteria

The specific type of class being judged determines the importance of each criterion in the final judging outcome. The order in which each is listed in the class specifications determines where the emphasis should be placed. For example: A horse placed first in a class judged on performance, presence, quality, manners and conformation could justifiably be unplaced against the same horses if the class were judged on manners, presence, quality, performance and conformation. The criteria considered are: performance, manners, presence, quality and conformation.

SB107 Line Up

1. In American Saddlebred performance classes when the judge calls for the line up exhibitors must continue in a clockwise direction to bring their entries to the line up. Judge(s) to penalize entries that do not comply.
2. In American Saddlebred performance classes requiring entries to back, the judge(s) must walk the line up (exception: judge(s), at their discretion, may instruct the ringmaster to walk the line up during the back).

SB108 Qualifying Classes and Specifications

1. OPEN, JUNIOR, THREE-YEAR-OLD, TWO-YEAR-OLD, MAIDEN, NOVICE AND LIMIT. The OPEN horse should be the ultimate representative of the breed. It should be as nearly perfect as possible; performing all gaits with animation, brilliance and extreme action at both ends. Performance is paramount in these classes. Classes are judged on performance, presence, quality, manners, and conformation.
2. LADIES, JUNIOR EXHIBITORS, AMATEURS, MASTERS AND OWNERS. Manners are paramount in these classes but there is a difference in the way in which horses are judged in each.
 - c. LADIES. A Lady's horse should be outstanding in refinement and elegance with suitability of horse to rider taken into consideration. Expression is important and quality is a prime consideration. The execution of gaits should be performed with brilliance on command. The horse should walk and stand quietly. Classes are judged on manners, quality, presence, performance, and conformation.
 - d. JUNIOR EXHIBITORS. The Junior Exhibitor's horse should be mannerly, willing, and expressive with balanced action. The execution of gaits should be performed with brilliance on command. The horse should walk and stand quietly. Classes are judged on manners, performance, presence, quality, and conformation.
 - e. AMATEURS, MASTERS AND OWNERS. The Amateur's, Master's and Owner's horses can be a bit stronger and perform in a bolder manner. More action and animation are desired and less emphasis can be put on manners than in Ladies or Junior Exhibitor classes. Classes are judged on manners, performance, presence, quality, and conformation.

SB109 Championships

1. Management must designate all qualifying classes for championships in the prize list per GR809.1. Management may state in the prize list that only certain classes qualify for the Championships, i.e., Amateur Classes qualify for Amateur Championships, Ladies Classes qualify for Ladies Championship, etc. Horses to be stripped and judged on conformation in accordance with SB105. In stripped classes, Harness classes and In-Hand classes extremely low backed horses must be severely penalized.
2. Eligibility for all Championships must be uniform with all sections offered within each competition. Exception: competition management may limit the number of entries returning in the championships from the qualifying classes.
3. Nominations to be made on entry blank; or horses need not be nominated until ___ hours (time to be determined by competition management) before scheduled time for class. Names and descriptions of entries must be made in writing, signed by the exhibitor or his agent and given to the competition secretary.

SB110 Stakes

A stake class may either be a qualifying class for the championship or the final competition for a particular section. If

SB - SADDLEBRED DIVISION

run as the final competition for a particular section, competition management must indicate in the prize list if exhibitors are required to “qualify” in order to compete by listing all eligible qualifying classes.

SB111 Division of Classes

1. It is required that under saddle classes of 25 or more entries and harness classes of 16 or more entries be divided into separate sections. It is recommended that under saddle classes of 21 or more entries be divided into separate sections. Classes should be divided by selecting every other number on the list of entries, sex, size of horse, or age of rider. If the class is divided by any other method than those listed above, such method must have been previously stated in the prize list. Both the method used to divide classes and the division of entries must be posted in the horse show office and announced over the PA system, or printed in the program.
2. If Junior Exhibitor classes are not offered, then junior exhibitors may enter Amateur or Ladies classes unless specifically prohibited in the prize list.
3. In a divided class, the prize money must be doubled and separate trophies and ribbons awarded. Notification of intent to divide must be made to exhibitors one hour prior to the start of the session.
4. ASR Kentucky Futurity and Kentucky Amateur Futurity In-Hand classes with 41 or more declared entries shall be divided as equally as possible into two sections. The division of entries must be posted in the competition office and announced over the public address system. No more than 12 entries from the sections shall be selected by the judges to return for a final class to be held at a morning, afternoon or evening performance, at least two days following the preliminary sections. All prize money will be awarded in the final class.
5. ASR National Three-Year-Old Futurity Five Gaited, Three Gaited and Three Gaited Park Pleasure classes with 25 or more declared entries shall be divided as equally as possible into two sections. The division of entries must be posted in the competition office and announced over the public address system. No more than 20 entries from the sections shall be selected by the judges to return for a final class to be held at a morning, afternoon or evening performance, at least two days following the preliminary sections. All prize money will be awarded in the final class.
6. ASR National Three-Year-Old Futurity and ASR Kentucky Futurity Fine Harness classes with 12 or more declared entries shall be divided as equally as possible into two sections. The division of entries must be posted in the competition office and announced over the public address system. No more than 12 entries from the sections shall be selected by the judges to return for a final class to be held at a morning, afternoon or evening performance, at least two days following the preliminary sections. All prize money will be awarded in the final class.

SB112 Scratches

It is the responsibility of each exhibitor to officially scratch entries in any event in which they do not participate. Exhibitors who fail to officially scratch an entry two hours prior to the start of the session from a class that is subsequently divided shall be fined up to \$100 per horse per class, payable to the competition.

SUBCHAPTER SB-2 DESCRIPTION OF GAITS

SB113 General

1. The standard of excellence of the American Saddlebred is beauty, symmetry and balance. Balance features coordinated motion, with straight true folding action of the front legs with flexing hocks carried close together, producing a clean, rhythmic and fluid way of going. In addition, the American Saddlebred possesses animation, brilliance and extreme grace of movement.
2. UNDESIRABLE: Winging, interfering, traveling wide behind, mixing of gaits, shackled look and loss of form.

SB114 Walk

Judging at the walk is based on manners, quality and natural action; it is not used as a rest period.

1. **FLAT WALK:** The flat walk should be an elastic, ground covering and collected four beat gait maintaining proper form and consistency in stride. It should be executed in a brisk manner that is compatible with the type of class. It should display the horse's good manners, type of stride and attitude. The flat walk is relaxed.
2. **ANIMATED WALK:** The animated walk is a highly collected gait, exhibiting much "primp" at a slow, regulated speed, with good action and animation. It should have snap and easy control. It can be either a two beat or four beat gait. It is performed with great style, elegance and airiness of motion.
3. **WALK (FOR HUNTERS):** A four beat gait, straight, true and flat-footed. Regular and unconstrained with good reach.

SB115 Trot

1. The trot is a natural, two beat diagonal gait in which the front foot and the opposite hind foot take off from the ground in unison and land simultaneously. A balanced trot features coordinated motion with straight, true, shoulder motion of front legs, with flexing hocks carried close together. It is executed in a highly collected manner and should display the horse's athletic ability.
2. **PARK TROT:** The park trot in Three-Gaited and Fine Harness classes is executed in a highly collected manner, speed to be penalized. The horse's energy should be directed toward animation rather than speed.
3. **PARADE GAIT:** The parade gait is a collected trot at a maximum speed of five miles per hour. It displays the horse's athletic ability and animation.
4. **ROADSTER JOG-TROT:** The jog-trot is called to display the purity of the horse's gait. It is executed in a highly collected manner. The horse's energy should be directed toward animation rather than speed.
5. **WESTERN JOG-TROT:** The jog is primarily a Western Pleasure gait used for long distance riding. It should generate very little motion in the saddle with a minimum of control from the rider. A free, easy, two beat diagonal gait without a tendency to mix gaits.
6. **TROT (FOR HUNTERS):** A two beat gait, straight and regular. The trot should be mannerly, cadenced and balanced. It is to be performed at a medium speed with a free-moving, ground-covering stride, with the rider posting.
7. **GAITED TROT:** The trot of the Five-Gaited horse should show speed in form. The desired speed is the maximum rate at which the horse can trot while still maintaining proper form, control and balance.
8. **EXTENDED TROT:** The extended trot is faster, stronger and bolder; with a fuller extension of stride to obtain desired speed. It is executed in a highly collected manner.
9. **EXTENDED TROT (FOR HUNTERS):** A two beat gait that is bold, energetic, balanced and ground covering with definite lengthening of stride. This should result in an increase in speed without a sense of racing or scurrying. The mouth must remain light and the horse must demonstrate complete acceptance of control without resistance at all times.
10. **"SHOW YOUR HORSE":** At this command the driver has the privilege of showing the Fine Harness horse to its best advantage at the trot but speed will be penalized.
11. **ROAD GAIT:** The road gait trot is executed in a highly collected manner. It is faster, stronger and bolder than the jog-trot; with a fuller extension of stride to obtain desired speed.
12. **DRIVE ON:** When asked to drive on in Roadster classes the horse must show speed in form. The desired speed is the maximum rate at which a horse can trot while still maintaining proper form, control and balance.

SB116 Canter

1. **Criteria.**
 - a. Canter is relatively slow, lofty and fluid with a definite three beat cadence. High action, a good way of going and proper collection are paramount. It is a restrained gallop in which two diagonal legs are paired, the single beat falls between the successive beats of the other two unpaired legs. The unpaired legs act independently—the foreleg with which the horse leads and its diagonal hind. The propulsion is in the hindquarters with the leading foreleg sustaining the concussion of the final third beat. There is a brief interval when all four feet are off the

SB - SADDLEBRED DIVISION

ground. It is an ambidextrous gait, executed on the lead which is toward the center of the ring to relieve stress and aid in balance (A lead is determined by which foreleg—right or left—sustains the concussion of the final third beat, after its diagonal hind leg started the propulsion of the first beat).

- b. It is acceptable, although not encouraged, for the horse to have a bolder, strong canter in those classes where manners are not paramount or where speed at a qualifying gait is desired. Ease of control, rate of speed and collection may vary according to the class specifications.
 - c. Where manners are paramount, a slow, consistent rate of speed must be maintained with little obvious effort from the rider.
 - d. **CANTER (FOR HUNTERS):** A three beat gait, even, smooth, unhurried, correct and straight on both leads.
 - e. **HAND GALLOP:** The hand gallop is performed with a long, free, ground-covering stride. The amount of ground covered may vary between and among horses due to difference in natural length of stride. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads. The hand gallop is not a fast collected canter.
2. **LOPE:** The lope is the western version of the canter. It should be easy riding with good motion that is consistent and steady; neither too slow nor too fast and performed equally well on either lead. It should give the appearance of being a comfortable gait with a definite three beat cadence that avoids trotting behind.

SB117 Slow Gait

1. The slow gait was developed from the pace to be a four beat gait with each of the four feet contacting the ground separately. In the takeoff, the lateral front and hind feet start almost together but the hind foot contacts the ground slightly before its lateral forefoot.
2. The slow gait is a highly collected gait with most of the propulsion coming from the hindquarters, while the forequarters assist in the pull of the final beats. The slow gait is not a medium rack.
3. The slow gait is a restrained four beat gait, executed slowly but with true and distinct precision. Speed is to be penalized. It is high, lofty, brilliant and restrained denoting the style, grace and polish of the horse.

SB118 Rack

1. The rack is a four beat gait in which each foot meets the ground at equal, separate intervals. It is smooth and highly animated, performed with great action and speed, in a slightly unrestrained manner. Desired speed and collection are determined by the maximum rate at which a horse can rack in form. Racking in form should include the horse remaining with a good set head. It should be performed by the horse in an effortless manner from the slow gait, at which point all strides become equally rapid and regular.
2. **TO BE PENALIZED:** Any tendency to become “trotty”, “pacey” or “hitchy gaited”.
3. In Pleasure classes, there is more emphasis on the way of going as a pleasure gait with only moderate speed required. Where manners are paramount, there is more emphasis on the ease by which it is performed by the rider.

SUBCHAPTER SB-3 PERFORMANCE, FINE HARNESS

- a. A side saddle rider must wear an apron of closed or button type with belt under loops. It is suggested that an apron with waistband cut the same as chaps and double thickness is used in classes where chaps are required.
- b. Entries shall be shown with stock saddle but silver equipment will not count over a good working outfit. A side saddle shall be considered legal equipment. Tapaderos are prohibited. Hobbles and riata are not required.
- c. There shall be no discrimination against any standard Western bit. A standard Western bit is defined as having a shank with a maximum length overall of 8 1/2". The mouthpiece will consist of a metal bar 5/16" to 3/4" in diameter as measured one inch in from the shank. The bars may be inlaid but must be smooth or latex wrapped. Nothing may protrude below the mouthpiece (bar) such as extensions, prongs or rivets designed to intimidate the horse. Rollers attached to the center of the bit are acceptable, and may extend below the bar. Jointed mouthpieces are acceptable and may consist of two or three pieces and may have one or two joints. A three-piece mouthpiece may include a connecting ring of 1 1/4" or less in diameter or a connecting flat bar of 3/8" to 3/4" (measured top to bottom with a maximum length of 2"), which lies flat in the mouth, or a roller or port as described herein. Reins must be attached to each shank. Any rein design or other device which increases the effective length and thereby the leverage of the shank of a standard western bit is prohibited. Anything that alters the intended use of the equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance.
- d. Standard snaffle bits are permitted in any class on horses four years old and under that have never been shown in any Western event in a curb bit bridle. A standard snaffle bit is defined as a center jointed single, rounded, unwrapped smooth mouthpiece of 5/16" to 3/4" diameter metal as measured from ring to 1" in from the ring with a gradual decreased to the center of the snaffle. The rings may be from 2" to 4" outside diameter of either the loose type, eggbutt, dee or center mounted without cheeks. If a curb strap is used it must be attached below the reins.
- e. Hackamores are permitted in any class on horses four years old and under that have never been shown in any Western event in a curb bit bridle. A hackamore includes a bosal rounded in shape and constructed of braided rawhide or leather and must have a flexible nonmetallic core attached to a suitable headstall. Attached reins may be of hair, rope or leather. No other material of any kind is to be used in conjunction with a bosal, i.e., steel, metal or chains (Exception: smooth plastic electrical tape is acceptable)
- f. Curb chains and leather chinstraps may be used but must be flat and at least 1/2" in width and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the leather chinstrap, or curb chains. Rounded, rolled, braided or rawhide curb straps are prohibited. A light lip strap is permissible. Hackamore bits, bosals, cavesson type nosebands, martingales and tiedowns are prohibited. A judge does not have the authority to add or to remove any of the standard equipment as specified above.
- g. A snaffle or hackamore horse is not more than four years old and must never have been shown in any western event in a bridle. Rider may use both hands. Both hands must be visible to the Judge. Horses may not switch from a curb bit to a snaffle or hackamore.

Entries must be asked both ways of the ring to halt and stand quietly on the rail. Horses must stand quietly and back readily in the line-up. TO BE PENALIZED: Pulling, head tossing, laboring action, going sideways and tail-switching.

Half chaps, gaiters and/or leggings are not permitted.
5. One whip no longer than 47.2 inches (120cm), including lash may be carried in all classes.

SB201 Gait Requirements

1. Innate quality movement is a priority in Dressage Suitability classes. All gaits should be pure in rhythm, and should be without tension or resistance.
2. Walk. (also normal walk) the rhythm of the walk is four-beats with equal intervals between each beat. The walk is regular, free and unconstrained.
3. Trot. (also normal trot) the rhythm of the trot is two-beats. The trot is free, active and regular. The steps should be balanced and elastic with the horse demonstrating a supple back, suspension, and well engaged hindquarters.
4. Canter. (also normal canter) the rhythm of the canter is three-beats. The canter should be light, cadenced (rhythm with a suitable tempo combined with springy impulsion) and regular. Transitions should be without hesitation and balanced. The canter should always be on straight lines
5. Rein-back. The rhythm is two-beats. The feet are raised and set down by diagonal pairs. The horse should remain calm and obedient, lifting and setting down feet, without shuffling.
6. Lengthening Stride. When a lengthening of stride is requested at walk, trot, or canter, the horse should maintain rhythm, regularity and balance, while reaching with the frame and stride. The rider should maintain contact with the

SB - SADDLEBRED DIVISION

bit, while allowing the lengthening. The strides should be more ground covering and the horse should remain calm and supple.

7. Extended walk. The rhythm is four-beats. The horse covers as much ground as possible, without haste and without losing the regularity of the steps. The hind feet touching the ground clearly in front of the footprints of the forefeet. The rider allows the horse to stretch forward and downwards with the head and neck, but does not release contact with the mouth.
8. Extended trot. The rhythm is two-beats. The horse covers as much ground as possible, while maintaining regularity and balance. The stride lengthens as a result of great impulsion. The rider allows the horse, while remaining on or slightly in front of the bit, to reach with its frame. The forefeet should touch the ground where they point. The transitions to and from should be balanced and smoothly executed.
9. Extended Canter. The rhythm is three-beats. The horse covers as much ground as possible while maintaining regularity and balance. The stride lengthens as a result of great impulsion from the hindquarters and the rider allows the horse to extend the neck, without losing contact with the bit or leaning.

SB202 Classes Offered and Specifications

1. Open, Amateur, Junior Exhibitor, Junior Horse, Stallions, Geldings, and Mares. To be shown at the walk, trot, and canter both directions of the ring. Horses may be asked to lengthen stride at any gait. Transitions into and out of the canter will be called for through the trot. Horses will be asked to reverse direction at the trot. Free walk on long rein with horse stretching forward and down to be performed in at least one direction. Horse to stand quietly in line up and may be asked to back at the judge's discretion. To be judged 70% on performance of gaits and transitions, with attention to impulsion and submission, and using the objectives above as reference; and 30% on the rider's position, seat, and effective use of aids.

Unruly Cobs must be excused from the ring. Judges must severely penalize any Cob that shows any indication of instability or weakness or any evidence of laboring action due to faulty conformation, training, long toes, heavy shoes, or improper shoeing. When a Championship is offered, management shall keep a score card of winnings throughout the competition which shall be prominently displayed. The Champion and Reserve titles shall be awarded to the two of the four Cobs which have acquired the most points in Open Performance classes. In addition to these points, only these four Cobs shall receive half points for ribbons won in Model classes. CHAPTER WS WESTERN DIVISION

SUBCHAPTER WS-1 GENERAL

WS101 Eligibility

Horses may be of any breed or combination of breeds 14.1 hands and over. Junior exhibitor classes are open to horses and ponies. Stallions are prohibited in junior exhibitor classes. Horses must be serviceably sound, in good condition and of stock horse type. A full mane is not required. Entries may be judged for soundness and conformation before entering the arena. Any horse showing evidence of altered tail carriage may be penalized.

WS102 Instructions to Riders

1. Only one hand may be used on reins and hands must not be changed except to negotiate an obstacle in a Trail Horse Class. Hand to be around reins. When ends of split reins fall on side of reining hand, one finger between reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger between reins is allowed. Rider may hold romal or end of split reins to keep them from swinging and to adjust the position of the reins provided it is held with at least 16 inches of rein between the hands.
2. Two hands may be used on hackamore (Bosal) and Western snaffle reins. Hands should be held at approximately the elbow height when elbows are held at rider's side. The acceptable distance of the rider's hands from the pommel of the saddle should be a minimum of six (6) inches with a maximum of twelve (12) inches vertically. Hands should be held no more than riders shoulder width apart. Rider's hands should be steady with very limited movement. Both hands must be visible to the judge. Judges will penalize hand position that does not conform with the description above.

WS103 Conduct

1. If bridles are to be checked it is the sole responsibility of the judge(s) to do so. The judge may designate the steward to check bridles at the out gate. Riders must dismount.
2. Any class with 50 or more entries must be divided. Awards and prize money must be given in each section; add-back money to be awarded according to number of horses in each section.
3. Classes which require individual performances shall have a draw performed by the competition management to determine the horses' order to perform. A systematic rotation of the starting list must be employed so that a complete cycle is made during the competition. This draw to be posted at the back gate, not less than one hour prior to that class. The draw must be adhered to except in the following cases:
 - a. If exhibitor is showing more than one horse, his horses shall be staggered to allow for changing horses.
 - b. No horse shall perform as the first horse in more than one class per competition unless there are more classes than horses.
 - c. An accident.
 - d. Multiple rings showing.
4. Courses or patterns for classes which require individual performance will be posted a minimum of one hour prior to the class. The posted pattern is to be followed unless a change becomes necessary due to safety considerations. In this case, the judge will meet with all exhibitors and explain the change. If a pattern or course is posted and publicly announced, the announcement shall be for the benefit of the audience and if there is any discrepancy between the posted pattern and the announced pattern, the posted pattern is the pattern to be followed. If there is a discrepancy between the written pattern and the drawn pattern, the written pattern will take precedence.
5. All horses must leave the ring in a forward motion, no backing out of ring. A disqualified or eliminated competitor who continues to school excessively will be asked to leave the arena. Any delay or refusal will subject the competitor to further disciplinary action. No horse or exhibitor will be allowed to enter or show in any class in which

WS - WESTERN DIVISION

he is not eligible. In individual performance classes, an off course will receive no score and no award (Exception: WS114). In classes where horses perform individually, they shall enter the ring one at a time, rather than work out of a lineup in the arena.

6. In the case of a first place tie in the Trail horse and Western Riding classes, tied horses must repeat part of the course or pattern.

WS104 Personal Appointments

1. Competitors must be penalized for incomplete appointments but not necessarily disqualified.
2. Riders must wear Western hat; long-sleeved shirt any type of collar, (exhibitors in National Show Horse, and Saddlebred divisions must wear a necktie, kerchief or bolo tie) trousers or pants and boots; (a one-piece long-sleeved equitation suit is acceptable provided it includes any type of collar). Chaps, shotgun chaps and spurs are optional unless riders are showing in trail or pleasure class (riders showing at an Arabian, Half Arabian, Morgan, National Show Horse, or competition must wear chaps). A vest, jacket, coat and/or sweater may also be worn. Whips are not allowed except with side saddle. (See GR1310.2 Dispensations). Protective headgear may be worn without penalty; not required to be of Western style. Refer to GR801.
3. A side saddle rider must wear an apron of closed or button type with belt under loops. It is suggested that an apron with waist band cut the same as chaps and double thickness, be used in classes where chaps are required.

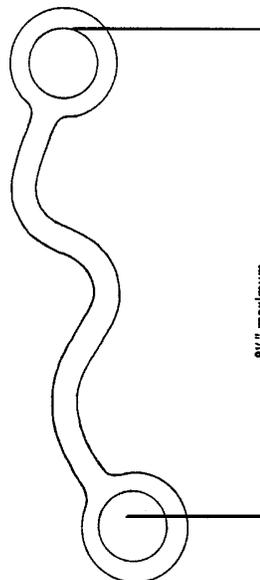

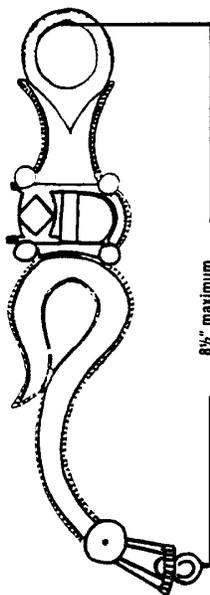

WS105 Tack

1. Competitors must be penalized for incomplete appointments but not necessarily disqualified. Entries shall be shown with stock saddle but silver equipment will not count over a good working outfit. A side saddle shall be considered legal equipment. Breast collars are acceptable. Tapaderos are prohibited.
2. There shall be no discrimination against any standard Western bit. A standard Western bit is defined as having a shank with a maximum length overall of 8 1/2". The mouthpiece will consist of a metal bar 5/16" to 3/4" in diameter as measured one inch in from the shank. The bars may be inlaid but must be smooth or latex wrapped. (The bars may be encased in smooth 5/16" to 3/4" in diameter tubular barrels that rotate around the bars). Nothing may protrude above or below the mouthpiece (bar) such as extensions, prongs or rivets designed to intimidate the horse. Rollers attached to the center of the bit are acceptable, and may extend below the bar. Jointed mouthpieces are acceptable and may consist of two or three pieces and may have one or two joints. A three-piece mouthpiece may include a connecting ring of 1 1/4" or less in diameter or a connecting flat bar of 3/8" to 3/4" (measured top to bottom with a maximum length of 2"), which lies flat in the mouth, or a roller or port as described herein. The port must be no higher than 3 1/2" maximum with roller(s) and covers acceptable. Jointed mouthpieces, half-breeds and spade bits are standard. Slip or gag bits, rigid donut mouthpieces and flat polo mouthpieces are prohibited. Roping bits with both reins connected to a single ring at center of cross bar shall not be used. Reins must be attached to each shank. Any rein design or other device which increases the effective length and thereby the leverage of the shank of a standard western bit is prohibited. Anything that alters the intended use of equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance.
3. Standard snaffle bits are permitted in any class on a junior horse five years old and under. A standard snaffle bit is defined as a center jointed single rounded, unwrapped smooth mouthpiece of 5/16" to 3/4" diameter metal as measured from ring to 1" in from the ring with a gradual decrease to the center of the snaffle. The rings may be from 2" to 4" outside diameter of either the loose type, eggbutt, dee or center mounted without cheeks. The inside circumference of the ring must be free of rein, curb or headstall attachment hooks. If a curb strap is used it must be attached below the reins. Closed reins (example mecate) on a snaffle bit are prohibited.
4. Hackamores are permitted in any class on a junior horse five years old and under. A hackamore includes a bosal rounded in shape and constructed of braided rawhide or leather and must have a flexible nonmetallic core attached

to a suitable headstall. No other material of any kind is to be used in conjunction with a bosal, i.e., plastic, resin, glue, steel, metal or chains (Exception: smooth plastic electrical tape is acceptable if applied in a smooth, untwisted manner). There must be approximately 3/4" between the nose and the bosal. The bosal will be no larger than 3/4" in diameter at the cheek and will flex easily. Attached reins may be of hair, rope, or leather.

5. Horses shall not be shown with artificial appliances that would tend to alter their performance. When a curb bit is used, a curb strap or curb chain is required and must be at least 1/2" in width, lie flat against the jaw, and be free of bars, wire, and/or twists. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the leather chin strap, or curb chains. Rounded, rolled, braided or rawhide curb straps are prohibited. A light lip strap is permissible. Hackamore bits, bosals, cavesson type nosebands, martingales and tie-downs are prohibited. A judge does not have the authority to add or to remove any of the standard equipment as specified above.
6. Bandages and boots of any type are prohibited. In the event of injury, the Judge may permit a protective bandage. In Working Cow Horse classes, the use of shin, bell boots and/or protective bandages on the front legs and standard sliding or rundown boots on the rear fetlocks are permitted.

SOME ACCEPTABLE CURB CHAINS

**CORRECT METHOD OF MEASURING
OVERALL BIT LENGTH. A VERTICAL LINE

WS106 Amateur

Refer to General Rules, GR1306 regarding amateur status. When dividing by age of rider, no horse may compete in more than one age section of the same class (Exception: Arabian and Morgan Divisions).

WS107 Amateur Owners

To be ridden by Amateur Owners or an amateur member of the owner's family. In either case classes are restricted to riders who are no longer eligible to compete as a Junior Exhibitor. Leased horses are not eligible and multiple ownership is not permitted unless all owners are members of the same family. An Amateur who rides for a person outside of his family may not ride in a class restricted to Amateur Owners in the same competition. If a class is divided by age, the age split must be stated in the prize list.

WS108 Maiden, Novice, Limit

Ribbons won in classes at Federation Recognized Competitions and in classes at competitions recognized by any breed organization count in reckoning a horse's Maiden, Novice or Limit status (See GR135.)

WS109 Snaffle or Hackamore Horse

A snaffle or hackamore horse is a junior horse and may be shown in a ring snaffle or hackamore with two hands (both hands must be visible to the judge) and may also be shown in a bridle (one handed). A junior horse may be switched back and forth from a bridle to snaffle or hackamore (Arabians, Half Arabians, National Show Horses, and may not switch back and forth from a bridle to snaffle or hackamore).

WS110 Falls

A fall of a horse and/or rider in a working cow, trail, or western riding class will result in a score of zero. A fall in a Western Pleasure class will be cause for elimination (GR118). For definition of a fall in working cow classes see WS114, for pleasure, trail and western riding see GR122.

SUBCHAPTER WS-2 WORKING COW HORSE SECTION

It is the intent of the USEF Western Committee to comply with the National Reined Cow Horse Association (NRCHA) rules and refer to Chapter 6 Broken Equipment, Chapter 17 Scoring, Chapter 19 Judging, Chapter 20 Patterns, Chapter 21 Pattern Description (Maneuvers) and Chapter 22 Judges Score Sheet regarding working cow classes held at licensed competitions. For further information regarding the conduct of Working Cow competitions, contact the NRCHA.

WS111 Working Cow Horse

The working cow horse class consists of two mandatory phases, the reined work and the cow work. (Exception: In the Arabian and Half/Anglo Arabian Division, only cow work is required in Working Cow classes but both phases are required in Reined Cow Horse classes.) Each phase will have equal bearing and the final placings will be determined by the total of both scores. In cases of ties for first place the entry with the highest cow work score will prevail. If the cow work scores are identical, the tied entries for first place will work off with an additional cow work. All ties for other than first place will remain tied for points and prize money purposes and riders will flip for ribbons. Horses receiving a zero score in one phase and a score in the other are eligible for placing. Horses receiving a zero in both phases or a no score in either or both phases are ineligible for placing.

1. Trail horses are required to work over and through obstacles. No horse may enter the trail course area until the course and the judge are ready. Riders will be permitted to inspect the course on foot during the Judge's instructions prior to the start of the class. Tests which may be required are negotiating gate, carrying objects from one part of arena to another, riding through water, over logs or simulated brush, riding down into and up out of ditch without lunging or jumping, crossing a bridge, backing through obstacles, sidepassing, and performing over any reasonable conditions encountered along the trail. However, unnatural obstacles, such as fire extinguishers, perforated plywood in water boxes, animals, haybales or unsafe elements shall not be used. Course to include a minimum of six obstacles. Care in preparing the course should be exercised to prevent a direct advantage to either a small or large horse. Rider's hands shall be clear of horse to avoid cueing. Horses to be penalized for any unnecessary delay while approaching obstacle. Judges are encouraged to advance on to next obstacle any horse taking excessive time at an obstacle. Two or more horses may be entered by the same exhibitor and the same rider may elect to show more than one horse. Obvious unsoundness must be disqualified with no prize awarded. Rail work shall not be required.

WS121 Green Trail Horse

A Green Trail Horse is a horse of any age that has not been shown in Trail Horse classes prior to December 1 of the previous year.

WS122 Conduct

1. Management may select a particular scoring system or allow the judge to use a system of his or her choice. (See WS124 for optional systems.)
2. This class will be judged on the performance of the horse over obstacles, with emphasis on manners, response to the rider, and quality of movement. Credit will be given to horses negotiating the obstacles with style and efficiency, providing correctness is not sacrificed. Horses should receive credit for showing attentiveness to the obstacles and the capability of picking their own way through the course when obstacles warrant it, and willingly responding to the rider's cues on more difficult obstacles.
3. Horses shall be penalized for any unnecessary delay while approaching or negotiating the obstacles. Horses with artificial appearance over obstacles should be penalized.
4. Horses must not be required to work on the rail. The course must be designed, however, to require each horse to show the three gaits (walk, jog at least 30 feet, lope right and left lead) somewhere between and or over obstacles as a part of its work, and quality of movement and cadence should be considered as part of the maneuver score.
5. The course to be used must be posted at least one hour before scheduled starting time of the class.
6. Refer to WS126 for mandatory obstacle dimensions.
7. The judge may alter the course prior to the course walk.
8. If at any time the trail obstacle is found to be unsafe, it shall be repaired or removed from the course. If it cannot be repaired and horses have completed the course, the score for that obstacle shall be deducted. No horse shall be asked to repeat the course, except in the case of a tie.
9. All entered exhibitors will be allowed to walk and inspect the course with the judge and the course designer, if present, prior to the start of the class. In amateur and junior exhibitor classes, exhibitors may be accompanied by their trainer.
10. Recommended that a course should be no longer than 2 minutes per horse.
11. Recommended to have at least 30 feet between obstacles, when arena is big enough to permit it. Not recommended for walkovers/bridge/back through combinations.
12. No Time Outs will be allowed.

WS123 Definitions

1. **KNOCKDOWN:** When any component, element, or portion of an obstacle is displaced from its original position by horse and rider.
2. **REFUSAL:** Any action taken by the horse to avoid performing an obstacle, part of a combination of obstacles or portion of a trail course. These actions may include, but are not limited to the following:
 - a. **Balking:** Any action that results in a horse blatantly and continuously refusing a riders command.
 - b. Evading or running past an obstacle.
 - c. Each complete loss of the gate.
 - d. Any blatant action by the horse that demonstrates any unwillingness to approach, negotiate and/or complete an obstacle. Negotiating an obstacle in a manner that does not constitute elimination, but is not in accordance with course directions.
3. **OFF COURSE:**
 - a. Taking an obstacle in the wrong direction.
 - b. Negotiating an obstacle from the wrong side
 - c. .Skipping an obstacle unless directed by the Judge.
 - d. Negotiating obstacles in the wrong sequence.
 - e. Not following the correct line of travel. (i.e. The drawn pattern and Judge's instructions)

WS124 Scoring Procedures (This scoring system is optional)

1. The prescribed Score Sheet may be used. Obstacle scores and any penalties will be totaled to arrive at a final score.
2. Scores to be announced following the conclusion of each work and before the next horse begins the course.
3. Score Sheets may be posted.
4. For method of breaking ties, see AR206.4. In the event of a further tie, refer to the order of the judges cards (i.e. #1, #2, #3)
5. All horses enter the arena with a score of 70. With each obstacle, the judge will instruct a scribe to assign a score as well as any appropriate penalties if one or more occurs. At the end of the work, obstacle scores will be totaled. Any penalties will then be subtracted to arrive at a final score. All horses are judged from the time they enter the arena until the completion of the last obstacle.
6. Judge(s) may review official video on No Score, Zero, and 5 point penalties only. (Video Review is solely the judge(s) decision.)
7. In the case of a displaced obstacle not being corrected the judge may grant a re-ride.
8. Scoring will be on the basis of 0-infinity, with 70 denoting an average performance. Each obstacle will receive an obstacle score that should be added or subtracted from 70 and is subject to a penalty that should be subtracted. Each obstacle will be scored on the following basis, ranging from plus 1 1/2 to minus 1 1/2: -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good, + 1 1/2 excellent. Obstacle scores are to be determined and assessed independently of penalty points. Penalties should be assessed per occurrence as follows:
9. The following deductions will result:
 - a. 0-SCORE
 1. Use of more than one finger between the reins
 2. Use of two hands (exception in Snaffle Bit or Hackamore classes designated for two hands) or changing hands on reins; except for junior horses shown with hackamore or snaffle bit, only one hand may be used on the reins, except that it is permissible to change hands to work an obstacle.
 3. Performing the obstacles other than in specified order
 4. No attempt to perform an obstacle
 5. Equipment failure that delays completion of pattern

SUBCHAPTER WS-5 WESTERN RIDING HORSE SECTION

WS130 Working

Western Riding is an event where the horse is judged on quality of gaits, lead changes at the lope, response to the rider, manners and disposition. The horse should perform with reasonable speed, and be sensible, well-mannered,

free and easy moving.

WS131 Credit

Credit shall be given for and emphasis placed on smoothness, even cadence of gaits, and the horse's ability to change leads precisely and easily rear and front at the center point between markers. The horse should have a relaxed head carriage showing response to the rider's hands, with a moderate flexion at the poll. Horses may be ridden with light contact or on a reasonably loose rein. The horse should cross the log at both the jog-trot and lope without breaking gait or radically changing stride.

WS132 Patterns

1. The judge will select one of the four patterns to be performed. The judge is responsible for the pattern being correctly set.
2. On the pattern:
 - a. The eight small circles represent pylon markers which are recommended. These should be separated by a uniform measured distance of not less than 30 feet nor more than 50 feet on the sides with 5 markers. In pattern one, the three markers on the opposite side should be set adjacent to the appropriate markers. It is recommended that markers be set a minimum of 15 feet from the fence and with 50 to 80 foot width in the pattern, as the arena permits.
 - b. A solid log or pole should be used and be a minimum of 8 feet in length.
 - c. The long serpentine line indicates the direction of travel and gaits at which the horse is to move. The shaded area represents the lead changing area between the markers. The dotted line (...) indicates walk, the dash line (—) jog, and the solid line (___) lope.

WS133 Scoring

Scoring will be on a basis of 0-100 with 70 denoting an average performance. Scoring guidelines to be considered: points will be added or subtracted from the maneuvers on the following basis, ranging from plus 1.5 to minus 1.5; -1.5 extremely poor, -.5 poor, 0 average, +.5 good, +1 very good, +1.5 excellent. Maneuver scores are to be determined independently of penalty points.

WS134 Penalties

CHAPTER WD WESTERN DRESSAGE

When a subject is not addressed in these rules, it must be addressed by the committee and that committee's interpretation will stand as the rule until the next year when an appropriate rule change will be submitted.

SUBCHAPTER WD-1 WESTERN DRESSAGE HORSE GOALS AND OBJECTIVES

WD101 Goals and Objectives

The goal of Western Dressage is to develop a partnership between a happy equine athlete working in harmony with his rider. A system of progressive training produces a horse that is physically strong, balanced, supple, and flexible; this equine athlete also demonstrates a calm, confident, attentive attitude and is happy to do his job.

1. A Western Dressage horse achieves this goal by using the principles of classical dressage training while emphasizing the lightness and harmony with the rider which is a hallmark of a Western Dressage horse.
2. The Western Dressage horse demonstrates free flowing, comfortable strides. The gaits are free, regular in cadence and rhythm, consistent in speed and tempo. The horse presents a balanced appearance.
3. The Western Dressage horse's head and neck are carried in a relaxed, natural manner; head and neck carriage are dictated by conformation and serve as a balance arm to facilitate proper movement.
4. The Western Dressage horse engages his hindquarters; uses his back freely; and lifts his forehand. These characteristics of framing and movement are more pronounced as the horse advances in his training and development.
5. The Western Dressage horse carries his body in a straight line when required by the maneuvers of the test; the Western Dressage horse carries himself in a consistent curve whose degree of bend is consistent throughout a movement that calls for a curve. The straightness or bend is consistent throughout the horse's body and is dictated by the requirements of the maneuver being performed.
6. Lightness and harmony are the hallmarks of the Western Dressage horse; he willingly accepts a light contact on the bit without tension or resistance. He gives the appearance of performing the requested gaits and maneuvers of his own accord. The horse and rider appear as one.

WD102 Participation in Western Dressage Competitions

1. Western Dressage classes are open to riders on horses, mules and/or ponies of any origin. Classes may be restricted to one or more breeds at a licensed breed restricted competition.
2. **Horses may enter no more than two consecutive levels, Freestyle levels included, at any one competition. Suitability, Hack and Equitation are excluded from the maximum limit of rides per day and horses in these classes may compete at any level for which they are otherwise eligible during the same competition. No horse may be ridden more than once in any Western Dressage class (including separate divisions or sections of the same class number). Horses cannot be ridden by more than two riders.** Shows may further limit number of rides per horse and level if stated in their prize list. If there is a conflict with breed division rules regarding WD102.2, the breed division rules will govern. *BOD 1/16/16 Effective 12/1/16*
3. For purposes of competition in Western Dressage classes:
 - a. Individuals are eligible as Junior Exhibitors until the end of the competition year in which they reach the age of 18.
 - b. From the beginning of the competition year in which they reach 18, individuals must possess a current Amateur Certification to be eligible to compete as Amateurs at a USEF licensed competition. At non-USEF licensed competitions, organizers should consult the appropriate breed rules for eligibility to compete as an Amateur.
4. To be eligible to participate as a rider, owner, lessee, coach, or trainer at Federation competitions persons must be members of WDAA; or pay a non-member fee of \$25 for each competition. A USEF non-member, who wishes to participate as a rider, handler, owner, lessee, agent, coach or trainer at Regular USEF Competitions, Reining Competitions or Federation Open Western competitions that hold Western Dressage classes, must pay a non-member fee for each competition in which an individual competes. Lessees are considered owners in connection with this

WD - WESTERN DRESSAGE DIVISION

membership requirement. In the event of an entry under multiple ownership, only one owner need be a Member or pay a non-member fee. The competition is responsible for listing either the active member or the owner that paid the non-member fee in the results. The competitions will be responsible for forwarding a list of the names of individuals who pay non-member fees at the competition to WDAA with the post competition report. Payment of non-member fees for the purpose of competing does not entitle the individual to any privileges of the WDAA membership.

Exception: Local Competitions, competitions restricted to a particular breed, and breed restricted competitions that offer an open Western Dressage section. Additionally, participants in the following classes are exempted from the Requirements of this rule: 1) leadline; 2) exhibitions; 3) games and races; 4) classes for 4-H members; 5) walk trot and academy classes (academy classes are classes limited to horses used regularly in a lesson program); 6) Opportunity classes.

5. Membership: In order to compete in any Western Dressage class at a Federation licensed competition, as an exhibitor, rider, trainer, or his/her agent(s), a person must be an Active member of the Western Dressage Association of America or pay a nonmember fee to the Western Dressage Association of America. Exception: Local competitions, competitions restricted to a particular breed and exceptions listed in GR901.9.

6. **WDAA membership is a requirement for participation at the WDAA World Championship Show.**

7. An exhibitor is not allowed to request a Time-Out in Western Dressage.

8. If it becomes necessary to interrupt a Western Dressage competition, and/or as to cause suspension of judging, the unfinished portion may be recommenced and rescheduled for the same or following day at the option of the Show Committee with the officials' consent. All scores recorded before the interruption will stand. When classes are re-commenced after a delay on the same day, competitors must be given at least 30 minutes notice of the starting time. Exhibitors whose ride times are changed to a subsequent day as a result of the interrupted competition or inclement weather condition, must be individually notified at least two hours prior to a rescheduled ride time.

9. Competitions may limit the number of rides and/or the number of levels in which horses may compete if printed in the prize list.

10. Electronic communication devices used for purposes of coaching exhibitors during a competition are prohibited in all classes in the Western Dressage Division. Exhibitors with a permanent hearing impairment are permitted to use an electronic communication device upon submission of a written certification from a treating medical professional's office certifying the permanent hearing impairment and certifying the requirement of an electronic communication device. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.

11. An exhibitor with a disability (other than hearing) will be provided reasonable accommodation upon submission of a written certification from a treating medical professional's office certifying the disability and identifying the accommodation necessary for the exhibitor to compete safely. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report. **BOD**

11/7/16 Effective 12/1/16

SUBCHAPTER WD-2 GAITS

The horse's three gaits, walk, jog and lope will be enhanced and amplified through correct training. Development of his strength and balance as a result of correct training will let him carry his rider with ease and confidence while maintaining correct rhythm and a steady tempo at all times.

WD 103 The Walk

1. The walk is a well-marked four time beat marching gait in a regular cadence with equal intervals between each beat. This regularity combined with complete relaxation must be maintained throughout all walk movements.
2. When the foreleg and the hind leg on the same side swing forward almost at the same time, the walk has a lateral

rhythm. This irregularity is a serious fault of the gait.

3. The following walks are recognized: Collected walk, Working walk and Free walk. There should always be a clear difference in the attitude and tracking in these variations.
 - a. Collected Walk. The horse, remaining “on the bit”, moves resolutely forward with his neck raised and showing a clear self-carriage. The head approaches the vertical position and a light contact is maintained with the mouth. The hind legs are engaged with good flexion of the joints. The gait should remain marching and vigorous, the feet being placed in regular sequence. The steps cover less ground and are higher than at the Working walk, because all the joints bend more markedly. The step at the Collected walk is shorter than the Working walk, and shows greater activity.
 - b. Working Walk. Four-beat, active, energetic walk with resolutely forward-reaching steps and confident stretch to the bit. Head and neck should swing naturally as a result of a relaxed back and free shoulders. The nose shall be on or slightly in front of the vertical. The hind feet should touch the ground into or beyond the prints of the forefeet.
 - c. Free Walk. A relaxed walk with unconstrained, forward reaching steps where hind feet touch the ground clearly in front of the footprints of the forefeet. The horse must be relaxed and be allowed complete freedom to lower his head and neck to stretch forward and down and out. The length of stride, rhythm, the relaxation and swing through his back are of great importance.

WD 104 The Jog

1. The jog is a two-beat gait of alternate diagonal legs (left fore and right hind leg and vice versa) separated by a moment of suspension.
2. The jog should show free, active and regular steps.
3. Excessive speed or slowness will be penalized.
4. The quality of the jog is judged by general impression, i.e. the regularity and elasticity of the steps, the cadence and impulsion in extension at all three paces. This quality originates from a supple back and well-engaged hindquarters, and by the ability to maintain the same rhythm and natural balance in all variations of the jog.
5. The following jogs are recognized: Collected jog, Working jog and Lengthening of Strides and Free Jog.
 - a. Collected Jog. The horse, remaining “on the bit”, moves forward in a two-beat gait with the neck raised and arched and showing clear self-carriage. The head approaches the vertical position and a light contact is maintained with the mouth. The hocks are well-engaged and flexed and must maintain an energetic impulsion, enabling the shoulders to move more freely. Although the horse’s steps are shorter than in the other jogs, elasticity and cadence are not lessened. The Collected jog must be ridden seated.
 - b. Working Jog. An energetic, regular, two-beat jog; the horse must go forward with even and elastic steps. The back must be relaxed and the shoulders free, while there is an obvious push from the hindquarters. The hind legs step actively up under the horse. The horse must show proper balance and maintain light contact with the bit. The horse’s nose shall be on or slightly in front of the vertical. In the Introductory and Basic tests, the Working jog may be ridden either posting or sitting. In more advanced tests from Level 1 up, the Working jog should be ridden seated.
 - c. Lengthening of Strides. This is a variation of the Working jog; the horse covers more ground through lengthening its frame while maintaining the same tempo as in the Working jog. Excessive speed will be penalized. Lengthening of stride may be ridden either posting or sitting.
 - d. Free Jog. This is a pace of moderate lengthening of stride and frame compared to the Working jog. Without hurrying, the horse goes forward in a two-beat gait with clearly lengthened steps, with impulsion from the hindquarters and uphill balance. The rider allows the horse to carry the head a little more in front of the vertical than at the Collected and the Working jog. The horse’s neck is “out”, down and forward, with the nose slightly in front

of the vertical, with a loose rein and the poll at approximately the same height as the wither (the neck is level).

The steps should be even, and the whole movement balanced and unconstrained. The Free jog may be ridden posting or sitting.

WD105 The Lope

1. The lope is a gait with three equal, regular beats with time of suspension after the third beat. One stride equals 3 beats, or three footfalls. This gait may be demonstrated on right or left lead. Footfall sequence in right lead is: left hind, right hind and left fore together, right fore, then suspension. Footfall sequence in left lead: right hind, left hind and right fore together, left fore, then suspension.
2. The lope has a typically slower tempo than a canter and must keep the three beat rhythm or the regularity is lost. Excessive speed or slowness must be penalized.
3. The correct lope must be balanced, rhythmic, and with three beats with a clear time of suspension; it must be straight, adjustable and supple, showing willingness to move forward in self-carriage with engaged hindquarters.
4. The quality of the lope is judged by the general impression, i.e. the regularity and lightness of the steps. The uphill tendency of the forehand and the steady cadence, originating from engagement of the hindquarters transmit the energy from back to front and connect into a willing acceptance of the bridle. The horse's mouth is quiet and his poll is soft. The horse should always remain straight on straight lines and correctly bent on curved lines.
5. The following lopes are recognized: Collected lope, Working lope, and Lengthening of Strides and Counter Lope.
 - a. Collected Lope. The horse, remaining "on the bit", moves forward in a three-beat cadence with the neck raised and arched. The hocks are well-engaged and maintain an energetic impulsion, enabling the shoulders to move more freely, demonstrating self-carriage and an uphill tendency. The horse's strides are shorter than in the other lopes, without losing elasticity and cadence.
 - b. Working Lope. While maintaining the three beat cadence, the horse must go forward with even and elastic steps. The back must be relaxed and the shoulders free; there is an obvious push from the hindquarters and the hind legs step actively up under the horse. The horse must maintain light contact with the bit and his nose shall be on or slightly in front of the vertical.
 - c. Lengthening of Strides. This is a variation of the Working lope; the horse covers more ground through lengthening its frame while maintaining the same tempo as in the Working lope. Excessive speed will be penalized.
 - d. Counter-lope. The counter lope is a balancing and straightening movement. The horse appears to be cantering on the incorrect lead to the direction of travel. The horse lopes in a correct sequence to the left on the right lead; the horse lopes to the right in a correct sequence on the left lead.
6. Change of lead through the Jog. This is a change of lead where the horse is brought back into the jog and after 3-5 strides, strikes off into a lope with the other leg leading.
7. Change of lead through the Walk. This is a movement in which, after a direct transition out of the lope into a walk, with 3-5 clearly defined steps at the walk, an immediate transition is made into the other lead. This is considered a Simple Lead Change when done through the walk.
8. Flying change of lead. The flying change of lead will ideally begin with the sequence of the new outside hind leg, the diagonal pair and followed by the new leading front leg. The change of lead of the hind and front leg take place immediately after the moment of suspension without a break of gait. The aids should be precise and unobtrusive. Flying changes of lead can also be executed in series. For example, flying changes can be performed at every 4th, 3rd, 2nd or at every stride. The horse, even in the series, remains light, calm and straight with lively impulsion, maintaining the same rhythm and balance. In order to not restrict or restrain the lightness, fluency and groundcover of the flying changes in series, enough impulsion and forwardness must be maintained. The flying lead changes show the reaction, sensitivity and obedience of the horse to the aids.

WD106 Saddle Gait

The saddle gait has a noticeable increase in cadence from the working walk. Excessive speed or slowness will be penalized.

1. In lieu of a jog, gaited horses perform gaits of various rhythms and footfalls. The gaited horse will perform a saddle gait in place of the jog.
2. The saddle gait may be either a lateral or diagonal gait, timely and consistently performed. The tempo, rhythm and foot falls of the gait the rider chooses to perform must not change throughout the test. The gait the horse performs, should be able to be ridden in a working, lengthened, free and collected manner as the Western Dressage test specifies.
3. The quality of the saddle gait is judged by general impression, i.e. the regularity and rhythm of the steps, the cadence and impulsion. This quality originates from the horse having a supple back and well engaged hind quarters, and the ability to maintain the same rhythm and natural balance in all variations of the saddle gait.
 - a. Collected Saddle Gait. The horse, remaining “on the bit”, moves forward with the neck raised and arched and showing clear self-carriage. The head approaches the vertical position and a light contact is maintained with the mouth. The hocks are well-engaged and must maintain an energetic gliding impulsion, enabling the shoulders to move more freely. Although the horse’s steps are shorter than in the other saddle gaits, elasticity and cadence are not lessened.
 - b. Working Saddle Gait. With an energetic, regular consistent rhythm; the horse must go forward with consistent and elastic steps. The back must be relaxed and the shoulders free, while there is an obvious push from the hindquarters. The hind legs actively glide under the horse. The horse must show proper balance and maintain light contact with the bit. The horse’s nose must be on or slightly in front of the vertical.
 - c. Lengthening of Stride. This is a variation of the Working saddle gait; the horse covers more ground while maintaining the same tempo, consistent rhythm as in the Working saddle gait. Speeding up is a fault.
 - d. Free Saddle Gait. The Free saddle gait will show moderate lengthening of stride and frame compared to the Working saddle gait. Without hurrying, the horse goes forward with clearly lengthened steps, with impulsion from the hindquarters and uphill balance. The rider allows the horse to carry the head a little more in front of the vertical than at the Collected and the Working saddle gait. The horse’s neck is “out”, down and forward, with the nose slightly in front of the vertical, with a loose rein and the poll at approximately the same height as the wither (the neck is level). The steps should be consistent, the whole movement balanced and unconstrained, while maintaining a consistent rhythm.

WD107 The Back

1. Back is a rearward diagonal movement with a two-beat rhythm but without a moment of suspension. Each diagonal pair of legs is raised and returned to the ground alternately, with the forelegs aligned on the same track as the hind legs.
2. During the entire exercise, the horse should remain “on the bit”, maintaining his desire to move forward at the slightest indication of the rider.
3. Serious faults are: Anticipation of the movement, resistance to or evasion of the contact of the bit either by raising the neck or going behind the bit, deviation of the hindquarters from the straight line, spreading or inactive hind legs and dragging forefeet.
4. Steps are counted as each foreleg moves back. After completing the required number of steps backward, the horse should show a square stop or move forward in the required gait immediately. In tests where a back of one horse’s length is required, it should be executed with three or four steps.
5. A back series is a combination of two backs with walk steps in between. It should be executed with fluent transitions and the required number of steps.

WD108 Faults

Faults of gaits include crookedness, loss of rhythm; tight and tense back with short stiff neck; horse on forehand and/or leaning on the bit; nose consistently behind the vertical; raising of the head to avoid collection; changing tempo; and evasion of contact which can come from improper training, too harsh a bit, or bad hands. In all cases faults will be penalized.

SUBCHAPTER WD-3 ADDITIONAL MOVEMENTS AND METHODS

WD109 The Halt

1. At the halt the horse should stand attentive, engaged motionless, straight and square with the weight evenly distributed over all four legs. The neck should be raised with the poll as the highest point and the head slightly in front of the vertical. While remaining "on the bit" and maintaining a light and soft contact with the rider's hand, the horse may quietly mouth the bit and should be ready to move off at the slightest indication of the rider.
2. The halt is obtained by the displacement of the horse's weight to the hindquarters by a properly increased action of the seat and legs of the rider, driving the horse towards a soft hand, causing an almost instantaneous but not abrupt stop at a previously fixed place.
3. The quality of the gaits before and after the stop is an important part of the assessment.

WD110 Transitions

1. The changes of gait and pace should be clearly shown when the rider's leg is at the prescribed marker; they should be quickly made yet must be smooth and not abrupt. The cadence of a gait or pace should be maintained up to the moment when the gait or pace is changed or the horse halts. The horse should remain light in hand, calm and maintain a correct position.
2. On a diagonal, the transition is made when the rider's leg is at the letter at the end of the diagonal.
3. When riding the long diagonal, the rider should wait to change rein and post at the end of the line, instead of making the change of diagonal at X.

WD111 Changes of Direction

1. At changes of direction, the horse should adjust the bend of his body to the curvature of the line he follows, remaining supple and following the aids of the rider, without any resistance or change of gait, rhythm or speed. Corners should be ridden as one-quarter of a circle appropriate to the level of the test.
2. Changes of directions can be executed in the following ways:
 - a. Right-angled turn including riding through the corner (one quarter of a small circle of approximately 6 meters).
 - b. Short and long diagonal.
 - c. Half small circles and half small circles with change of rein.
 - d. Turn on the forehand and turn on the haunches.
 - e. Serpentine loops.
 - f. Counter-changes of hand (in zig-zag).* The horse should be straight for a moment before changing direction.

WD112 Figures and Exercises

1. The figures asked for in Western Dressage tests are: the circles, the serpentines and the figure eights.
 - a. Circle. The circle is a round figure which varies in size according to the requirements of each test. The diameter of a circle is specified in each test.
 - b. Serpentine. There are three variations:
 1. The serpentine with several loops touching the long side of the arena consists of equal connected half circles. Depending on the size of the half circles, the straight connection varies in length.

2. The serpentine with one loop on the long side of the arena is executed with 5-meter or 10-meter distance from the track.
 3. The Serpentine around the centerline is executed between the quarter lines. The loops must show bend in both directions and change their bend as they cross the quarter line (or mid-way, depending on its prescribed size).
 - c. Figure eight. This figure consists of two circles of equal size as specified in the test, joined at the center of the eight. The rider should make his horse straight an instant before changing direction at the center of the figure.
2. The Exercises.
- a. Stretching Through the Frame. The horse gradually takes the reins, stretching forward and downward with light contact, while maintaining balance, rhythm and tempo and quality of the gait. Important: The horse must point his nose clearly forward. This is a clear release of contact while the horse maintains self- carriage, rhythm, tempo, straightness, and quality of gait.
 - b. Release of Rein. This is a clear release of contact while the horse maintains self-carriage, rhythm, tempo, straightness, and quality of gait. The rider lets his hand(s) move forward from the elbow.

WD113 Work on Two Tracks and the Lateral Movements

1. The aim of movements on Two Tracks is:
 - a. To improve the obedience of the horse to the aids of the rider;
 - b. To supple all parts of the horse thereby increasing the freedom of his shoulders and the suppleness of his quarters as well as the elasticity of the bond connecting the mouth, the poll, the neck, the back and the haunches;
 - c. To improve the balance, cadence and straightness and bring the gaits into harmony.
2. In all lateral movements - shoulder in, counter shoulder in, haunches in, haunches out, half-pass - the horse is slightly bent and moves with the forehand and the hindquarters on different tracks.
 - a. Lateral movements are the beginning of collection
 - b. The bend or flexion must never be exaggerated so that it impairs the balance and fluency of the movement concerned.
 - c. At the lateral movements the gait should remain free and regular, maintained by a constant impulsion and forwardness, yet it must be supple, cadenced and balanced. The impulsion should not be lost because of the rider's preoccupation mainly in bending the horse and pushing him sideways. The horse should maintain rhythm and not lose impulsion.
 - d. Shoulder-In. **The exercise is performed in collected jog.** The horse is ridden with a slight but uniform bend around the inside leg of the rider maintaining cadence at a constant angle of approximately 30 degrees. The horse's inside foreleg passes in front of the outside foreleg; the inside hind leg steps forward under the horse's body weight following the same track of the outside foreleg, while lowering the inside hip. The horse's footfall creates three tracks. The horse is bent away from the direction in which he is moving.
 - e. Haunches-In. The horse is slightly bent round the inside leg of the rider. The forehand remains on the track and the quarters are moved inwards. The horse is bent in the direction in which he is moving. To start the haunches-in, the hindquarters should leave the track or, after a corner or circle, are not brought back onto the track. At the end of the haunches-in, the hindquarters are brought back on the track as one would finish a circle, without any counter-flexion of the poll/ neck. The horse's footfall creates four tracks. **BOD 1/16/16 Effective 12/1/16**
 - f. Renvers (Haunches-Out). This is the inverse movement in relation to haunches-in. The hindquarters remain on the track while the forehand is moved inward. To finish the haunches-out, the forehand is aligned with the hindquarters on the track. Otherwise, the same principles and conditions that apply to the haunches-in are applicable to the haunches-out. The horse is slightly bent around the rider's inside leg. The horse is bent in the direction in which he is moving. The forehand is displaced to the inside. Balance and cadence are maintained.
 - g. Half-pass. This movement is a variation of haunches-in, executed on a diagonal line instead of along the wall.

WD - WESTERN DRESSAGE DIVISION

The horse should be slightly bent around the inside leg of the rider and into the direction in which he is moving. The horse should maintain the same cadence and balance throughout the whole movement. In order to give more freedom and mobility to the shoulders, it is of great importance that the impulsion be maintained, especially the engagement of the inside hind leg. The horse's body is nearly parallel to the long side of the arena with the forehand slightly in advance of the hindquarters. The bend in the half-pass should increase with the steepness of the diagonal.

- a. In the jog and the lope, the movement is performed in a series of forward/sideways strides. Aims of the half-pass in the jog and the lope: Show a fluent collected movement on a diagonal line with a greater degree of bend than in shoulder-in. Fore and hind legs cross, balance and cadence are maintained.
- b. The aims of the half-pass: to both demonstrate and develop the collection and suppleness by moving fluently forwards and sideways without any loss of rhythm, balance or softness and submission to the bend.
- h. Leg yield. Leg yielding is not a lateral movement. The horse is almost straight, except for a slight flexion at the poll away from the direction in which he moves, so that the rider is just able to see the corner of the eye and nostril on the inside. The inside legs pass and cross in front of the outside legs. Leg-yielding can be performed on the diagonal in which case the horse should be as close as possible parallel to the long sides of the arena although the forehand should be slightly in advance of the hindquarters. The leg yield can also be ridden along the wall with approximately a 35 degree angle.

WD114 Turn on the Haunches; Turn on the Forehand

1. Turn on the Haunches **and Pivot**.
 - a. **The turn on the haunches is executed out of a working walk prepared by half halts to shorten the steps. During the movement the forefeet and the outside hind foot move around the inside hind foot. The turn on the haunches can be performed on a larger diameter than the pivot. This movement is executed at Level 1 and Level 2.**
 - b. In keeping with traditional Western Stock horse movements, to pivot the **forefeet and the outside hind foot must move round the inside hind foot**. The horse pushes off with the outside hind leg. **This movement is executed at Level 3 and above**. Both methods must be judged equally. It is not allowed to switch off from one method to the other **in that movement**. It is not allowed to switch off from one method to the other, if done 3 points will be deducted from the movement. If the horse takes a backward step with one or both of the hind legs, it will be a .5 deduction for each backward step.

For younger horses that are still not able to perform a collected walk, the 'turn on the haunches' is an exercise to prepare the horse for collection. The 'turn on the haunches' is executed out of working walk prepared by half-halts to shorten the steps a little and to improve the ability to bend the joints of the hindquarters. The horse must bend a little in his ribcage around the rider's inside leg. The 'turn on the haunches' can be executed on a larger diameter (approximately one meter) than the pivot in walk, but the demands of the training scale concerning rhythm, contact, activity and bend are the same. The horse will not be penalized for pivot, step, pivot, step on the inside rear hind leg.

2. Turn on the Forehand. It is executed out of a halt or a working walk prepared by half-halts to shorten the steps. **The inside of the horse is the side from which the horse yields, example, when the haunches move to the right, the horse's body is in straight alignment while flexed at the poll to the left which is the inside. The horse moves around the inside front leg.** The horse must maintain the same rhythm, contact and activity and show willingness to be on the outside rein. Stepping back is a fault. *BOD 1/16/16 Effective 12/1/16*

SUBCHAPTER WD-4 COLLECTION, SUBMISSION, IMPULSION, AIDS

WD115 Collection

1. Collection is achieved by increased weight bearing of the horse's haunches, thereby lowering the croup and

lightening the forehand to allow the shoulders more freedom.

2. The aim of the collection of the horse is to add to the ease and carriage of the horse, to increase the strength and athleticism, and to make him more pleasurable to ride.
3. Horses ridden with the face behind the vertical plane must be penalized.
4. The position of the head and neck of a horse at the collected gaits is naturally dependent on the stage of training and on his conformation. It should, however, be distinguished by the neck being raised and unrestrained, forming a harmonious curve from the withers to the poll which is the highest point. The head is slightly in front of the vertical. However, when the rider applies his aids in order to obtain a momentary and passing collecting effect, the head may momentarily become more or less vertical.
5. The lightness of contact, which is the hallmark of Western Dressage, shall be demonstrated in collection.
6. A marked lowering of the horse's pelvis and an increased flexion of the hocks should be demonstrated. This is also called "coiling of the loins".

WD116 Impulsion

1. Impulsion is the term used to describe the transmission of an eager and energetic, yet controlled, positive forward energy generated from the hindquarters into the athletic movement of the horse. Its ultimate expression can be shown only through the horse's soft, relaxed, swinging back guided by a light, elastic contact with the rider's hand.
2. Speed, of itself, has nothing to do with impulsion; the result is more often a flattening of the gaits. A visible characteristic of impulsion is a more pronounced articulation of the hind leg, in a continuous rather than staccato action. The hock, as the hind foot leaves the ground, should first move forward rather than being pulled upwards and certainly not backwards. A prime ingredient of impulsion is the time the horse spends in the air rather than on the ground. Impulsion is, therefore, seen only in those gaits that have a period of suspension.
3. Impulsion is required for a good collection in the jog and lope. If there is no impulsion, then there is nothing to collect.

WD117 Submission

1. Submission of the horse does not mean subordination, but an obedience revealing its presence by a constant attention, willingness and confidence in the whole behavior of the horse as well as by the harmony, lightness and ease he is displaying in the execution of the different movements. Submission is also demonstrated by the way the horse accepts the bit, with light contact and a supple poll. Resistance to or evasion of the contact, by being either "above the bit" or "behind the bit" demonstrate lack of submission.
 - a. Putting out the tongue, keeping it above the bit or drawing it up altogether, as well as grinding the teeth or agitation of the tail, are mostly signs of nervousness, tension or resistance on the part of the horse and must be taken into account by the judges in their marks for every movement concerned, as well as in the collective mark for submission.
 - b. Willingness is the most important consideration of submission. The horse understands what is being asked of him and is confident in the rider by reacting to the aids without fear or tension.
 - c. The horse's straightness, uphill tendency and balance enable him to stay in front of the rider's legs and go forward into an accepting, light and self-carrying contact with the bit. This is what really produces the picture of harmony and lightness.
 - d. Harmony between the horse and rider is demonstrated by the horse and rider moving as "one". The rider uses tactful cues; the horse performs without resistance, agitation or wariness. The horse shows attention and confidence in his ease of movements and acceptance of the bit while staying up in the poll and keeping his nose in front of the vertical. The degree of lightness increases as the horse advances in his training.

WD118 Position and Aids of the Rider

1. All the Western Dressage movements should be obtained with imperceptible aids and without apparent effort of the

WD - WESTERN DRESSAGE DIVISION

- rider. The rider should be well-balanced, elastic, sitting deep in the center of the saddle, smoothly absorbing the movement of the horse with his core muscles, supple thighs with the legs steady and stretched well down. The heels should be the lowest point with the ankles relatively relaxed. The upper part of the body should be tall and supple demonstrating a vertical alignment of shoulder to hip to heel. The light contact of the rider's hands should be independent from the rider's seat. The hands should be carried steadily in a style appropriate to the style of rein and bit being used with a straight line from the supple elbow through the hand to the horse's mouth. The elbows should be close to the body. All of these criteria enable the rider to follow the movements of the horse smoothly and freely.
- The rider may use one or two hands with a curb bit but may not go from one handed to two handed during an individual test. **The rider may use one or two hands with a curb bit and split reins, but with a Romel, the rider is to only use one hand. BOD 1/16/16 Effective 12/1/16**
 - Not only the aids of the rider's hands and the legs, but also of the seat are of great importance in Western Dressage. The rider who understands how to properly engage the core muscles at the right moment is able to influence the horse correctly.
 - The effectiveness of the rider's aids determines the accurate fulfillment of the required movements of the tests. There should always be the impression of a harmonious cooperation between horse and rider.
 - Quiet use of the voice and clicking of the tongue is permitted.

SUBCHAPTER WD-5 APPOINTMENTS

WD119 General

- At Federation licensed competitions, the C2 Steward or the person who is under the direction of the Steward and appointed by the competition management will be responsible for overseeing the checking of the horse, tack, and attire. A horse must be eliminated from the test just completed if the horse or any tack and/or attire are in violation of the rules and/or the tongue has been tied. C2 Stewards or Equipment Inspectors are only required to inspect bits and other appointments on a minimum of one-third of the horses in a class. (See WD123)

WD120 Tack

1. Bridles:

- Any Western type headstall must be used.
- A Western cavesson (braided or plain), or pencil bosal with space for two fingers placed between the cavesson and the jowl of the horse is allowed. No metal, studs of any kind, or other harsh substances can be used in conjunction with or part of a Western cavesson.
- A Hackamore (Bosal) is permitted on a horse of any age at any level. A hackamore includes a bosal rounded in shape and constructed of braided rawhide or leather and must have a flexible non-metallic core, attached to a suitable headstall. No other material of any kind is to be used in conjunction with the bosal, i.e. steel, metal or chains. Bosals may be wrapped with smooth electrical tape to prevent rubbing.
- A bitless bridle is permitted on a horse of any age at any level. It must be of Western style made of leather or leather like materials.
- The Western Two Rein bridle is permitted. This is a bridle and bit, snaffle or curb ridden over a full or pencil bosal with a romal; hence a bit rein and a mecate rein is held in each hand, or the mecate rein can be tied to the saddle horn.

2. Snaffle Bit:

- A snaffle bit may be used on a horse of any age being ridden at any level.
- A snaffle offers no leverage or curb action.
- A Western Dee bit.
- A standard snaffle is a conventional O-Ring, Egg Butt or D-Ring, all with rings having an outside diameter no

smaller than 2 inches (50.8 mm), nor larger than 4 inches (101.6 mm). The inside of the circumference of the ring must be free of rein, curb or headstall attachments that would provide leverage.

1. Bars: Bars of the mouthpiece must be round, oval or egg shaped, smooth and unwrapped, except with latex; and no less than 5/16 inch (7.9 mm) to ¾ inch (19.05 mm) in diameter measured one inch (25 mm) from the cheek and may be inlaid, if smooth.
 2. Three-Piece Mouthpiece: If a mouthpiece is three pieces, a connecting ring must be no larger than 1 ¼ inches (31.75 mm) in diameter, or a connecting piece must be no longer than 2 inches (50.8 mm) and 3/8 inch (9.5 mm) to ¾ inch (19.05 mm), measured top-to-bottom.
- e. A Mullen Mouth (solid mouthpiece), barrel mouthpiece, or Naptha bits (plastic or rubber) may be used.
- f. If a bit hobble is used on a ring snaffle it must be attached below the reins.
- g. No flat, sharp, slow twist, twisted or pointed edges on mouthpieces are allowed.
3. Curb Bit: There is no discrimination against any standard Western bit.
- a. A standard Western bit is defined as having a shank with a maximum length overall of 8 1/2" (215.9 mm). The mouthpiece will consist of a metal bar 5/16" (7.9 mm) to 3/4" (19.05 mm) in diameter as measured one inch in from the shank. The bars may be inlaid but must be smooth or latex wrapped. (The bars may be encased in smooth 5/16" (7.9 mm) to 3/4" (19.05 mm) in diameter tubular barrels that rotate around the bars). Nothing may protrude above or below the mouthpiece (bar) such as extensions, prongs or rivets designed to intimidate the horse. Rollers attached to the center of the bit are acceptable, and may extend below the bar. Jointed mouthpieces are acceptable and may consist of two or three pieces and may have one or two joints. A three-piece mouthpiece may include a connecting ring of 1 ¼ inch (31.75 mm) or less in diameter or a connecting flat bar of 3/8 to ¾ inch (9.5mm – 19.05 mm) measured top to bottom with a maximum length of 2" (50 mm), which lies flat in the mouth, or a roller or port as described herein. The port must be no higher than 3 ½ inches (88.9 mm) maximum with roller(s) and covers acceptable. Jointed mouthpieces, half-breeds and spade bits are standard. Wire on the braces (above the bars and attaching to the spade) of a traditional spade bit is acceptable.
 - b. Reins must be attached to each shank.
 - c. Curb chains, if used, and flat leather chin straps must be at least 1/2 inch (12.7 mm) in width and lie flat against the jaw of the horse. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the flat leather chin strap or curb chain. Round, rolled, braided or rawhide curb straps are prohibited.
 - d. A slobber guard on a curb bit is permitted.
 - e. Rein chains with a spade bit are allowed.
4. Reins:
- a. When the rider uses a snaffle bit, the following reins may be used: loop/connected reins, split reins, buckled reins, mecate reins, or Romal reins without a popper; two hands must be used with any of these combinations. Horshair, rope reins and mecate reins are allowed for bosals and snaffles. The mecate can be tied to the saddle horn or held by the rider.
 - b. When the rider uses a curb, the following reins may be used: Romal reins or Split reins. When using a curb with Romal reins, only one hand is allowed; when using split reins, one or two hands are allowed.
 - c. Hand position on reins:
 1. In the case of Romal reins, the Romal is held in one hand with no fingers between the individual reins. The end of the Romal may be held in the hand not used for reining to keep the Romal from swinging and to adjust the position of the rein. The reins must be held so that there is at least 16" of rein between the hands.
 2. In the case of when split reins are held in one or two hands, the rider may not switch back and forth during a test. When the split reins are held in one hand, there are two ways that the rider may use them. The rider may put one finger between the split reins; the ends of the reins fall on the side of the reining hand. The rider may hold both reins in one hand without a finger between the reins; the hand must be around the reins. The

WD - WESTERN DRESSAGE DIVISION

ends of the Split reins may be held in the hand not used for reining to keep them from swinging and to adjust the position of the reins. No finger is allowed between the reins. The reins must be held so that there is at least 16" of rein between the hands.

3. At the end of the Free Walk or Free Jog, riders using split reins held in one hand may use the free or offhand to pull the reins back to the desired length. Riders using Romal reins may use the hand using the Romal to alter the tension or length of the reins from the bridle to the reining hand.

d. A breastplate and/or crupper may be used.

e. Whips: One whip no longer than 47.2 inches (120 cm) including lash, is permitted in all Classes/Tests.

5. Saddle:

A standard stock saddle is customary. A working saddle, Aussie, and Western side saddle are also acceptable. Silver equipment will not count over a good working outfit.

a. A horn is optional but western style fenders are required.

b. Tapaderos are permitted except in Western Dressage Equitation.

c. Padding or pads on the seat of the saddle are permitted.

d. Rolls are allowed only on Aussie Western style saddles.

6. Protective "polo" style leg wraps are permitted.

WD121 Illegal Equipment

1. Prohibited Bits:

All curb bits must be free of mechanical devices. Nothing such as extensions, rivets or prongs, may protrude below the mouthpiece (bars). Illegal bits may include but are not limited to:

a. Slip or gag bits, full cheeks, half cheeks, bits with hooks and slots, donut or flat polo mouthpieces and kimberwicks.

b. Roping bits with reins attached to a single ring at the center of a cross bar.

c. Any rein design or other devices which increase the effective length and thereby the leverage of the shank of a standard western bit.

d. Round, rolled, braided or rawhide curb straps are prohibited.

2. Anything that alters the intended use of equipment as provided for in the description of appointments for a given class/test.

3. Use of martingales, bit guards, any kind of gadgets (such as bearing, side, running, balancing reins, nasal strips, tongue tied down, etc.), any kind of boots (including "easy-boots" splint boots, hock boots, bell boots, etc.), tail bandages, any form of blinkers, earmuffs or plugs, and nose covers are cause for elimination. Protective "polo" style leg wraps are permitted, with color matching natural color of the horse as much as possible.

4. Fly hoods (ear covers) will only be permitted in order to protect horses from insects. The fly hoods should be discreet and should not cover the horse's eyes, and will only be permitted in extreme cases at the discretion of the judge. Permission must be granted prior to the class and applies to all competitors in the class. After completion of the test, the exhibitor or his representative is responsible for removing the fly hood to present to the designated ring steward for inspection to ensure that nothing prohibited has been added.

5. Rein additions or attachments which create additional leverage are not allowed.

6. Any decoration of the horse with extravagant items, such as ribbons or flowers, etc. in the mane, tail, etc. Exception: freestyle.

7. Flash, figure eight or dropped nose bands.

8. Mechanical Hackamores.

 - e. Protective headgear is acceptable; not required to be of Western style.

SUBCHAPTER WD-6 OFFICIALS**WD123 Judges and Stewards**

1. Western Dressage classes offered at Federation licensed competitions must be judged by a Federation licensed Dressage judge or licensed Western Dressage judge in good standing. Any judge officiating Western Dressage classes at a Federation licensed competition must be a current member in good standing with the Western Dressage Association of America. (Exception: for Western Dressage Suitability, Western Dressage Hack and Western Dressage Seat Equitation, judged as a group on the rail with the option of individual work rather than as an individual performance only, a judge must be a Federation licensed judge in the appropriate breed or breeds.)
2. For additional restrictions see GR1007 - GR1009.
3. C2 Stewards. A USEF licensed competition that offers Western Dressage tests/classes may use either a USEF licensed Category 2 Steward or an inspector designated by show management and under the direction of the C2 Steward. Tack and bits on both sides of the horse of a minimum of one-third (1/3) of the horses in each class/test must be inspected.
 - a. Once the exhibitor leaves the arena, the exhibitor must remain mounted until they reach the C2 Steward or equipment inspector. At that time, the exhibitor will dismount for the equipment inspection. Competitors will be asked to drop the bridle of the horse, removing the bit to below the mouth of the horse. A metal detector and/or magnet may be used to detect the presence of the metal in nosebands. Random pulling of leg wraps will also occur at this time. See also WD119.
 - b. Any evidence of blood on the horse's mouth or sides or the addition of substances or devices behind wraps or boots will result in elimination of the entry for that class/test.
 - c. The checking of the bridle must be done with the greatest caution, as some horses are very touchy and sensitive about their mouths.
 - d. New disposable gloves must be available for and used by bit inspectors if a mouth piece must be handled by the inspector.
 - e. The responsibility for the correct attire and equipment rests with the competitor.

SUBCHAPTER WD-7 COMPETITION REQUIREMENTS**WD124 Warm Up Ring and Training Area**

1. The restrictions regarding Illegal Equipment (see WD120) apply to warm-up and other training areas; however, training martingales (only with snaffle rein or plain snaffle bridle), boots, bandages (without magnets) and earmuffs

WD - WESTERN DRESSAGE DIVISION

- are permitted. A training martingale consists of a divided strap attached to the girth that does not provide downward pull; the extension of each strap must be connected from the point of division only to the rein on the same side and must be free to slide. The rings through which the reins slide must be connected to a neck strap.
2. Fly hoods (ear covers) that do not cover the horse's eyes are permitted in warm-up and other training areas.
 3. Single direct side reins or double sliding reins (triangle reins) are permitted only when longeing (mounted or unmounted). A single direct side rein is defined as an auxiliary rein affixed to the bit and to the girth, saddle or surcingle on the side of the horse (not between the legs).
 4. Only one longe line is permitted while longeing. A longe line must attach only to the halter, cavesson or snaffle bit of a bridle and go directly to the hand of the longeur.
 5. The following whips are permitted for schooling only:
 - a. One whip no longer than 47.2 inches (120 cm), including lash, may be carried by the rider when mounted.
 - b. One longeing whip is permitted only when longeing. There is no restriction on the length of whip permitted for working a horse in hand.

WD125 Execution and Judging of Tests

1. Calling Tests. All Western Dressage Tests may be called during the competition. If test is announced, it is the responsibility of the competitor to arrange for a person to announce the test. Unless an exception is made by the judge, the announcing of the test must start with the first movement. Lateness and errors in announcing the ride will not relieve the rider from "error penalties". Announcing the tests is limited to reading the movement as it is written once only. However, the repetition of reading of a movement is acceptable if there is reason to doubt that the rider heard the original call. All Freestyle Rides must be ridden from memory.
2. Salute. At the salute riders must take the reins in one hand. A lady rider shall let one arm drop loosely along her body and then incline her head in a slight bow; a gentleman rider shall remove his hat and let his arm drop loosely along his body or may render the salute as does a lady rider.
3. Voice. The quiet use of the voice or clicking the tongue once or repeatedly is permitted.
4. Touch. Petting the horse is allowed during the test as a gentle reward.
5. Corners of the Dressage Arena: A rider should ride their horse as deeply as possible into the corners of the Dressage Arena while maintaining impulsion, balance, bend and rhythm.
6. Errors.
 - a. When a competitor makes an "error of the course" (takes the wrong turn, omits a movement, etc.) the Judge warns him by sounding the bell. The Judge shows him if necessary the point at which he must take up the test again and the next movement to be executed then leaves him to continue by himself.
 - b. Every "error of the course" whether the bell is sounded or not, must be penalized, as noted above:
 1. The first time by 2 points
 2. The second time by 4 points;
 3. The third time the competitor is eliminated. However, at the discretion of the judge, the rider may continue to finish the test. If the competitor's continued presence in the ring is about to interfere with the start of the next scheduled ride, then the judge must excuse him/her from the ring.
 4. For Freestyle tests, two points will be deducted for forbidden movements, however they are not cumulative and will not result in elimination.
 5. When the competitor makes an "error of the test" (at the salute does not take the reins in one hand, etc.) he must be penalized as for an "error of the course".
 6. If the judge has not noted an error the competitor has the benefit of the doubt.
 7. The penalty points are deducted on each judge's sheet from the total earned by the competitor.
7. Other Errors.

- a. Entering the arena before the sound of the bell.
 - b. Switching from one hand to two hands or vice versa during a test (with exception of Freestyle tests where changing is acceptable.) If the rider performs the collected jog rising when a sitting jog is required, the bell must be sounded and the rider warned that this is an error that accumulates if repeated, leading to elimination at the third occurrence.
8. Lameness. In the case of marked lameness the judge informs the competitor that he is eliminated. There is no appeal against his decision.
9. Judging a Test.
- a. The mark for each movement should first establish the fact of whether the movement is marginal (5 or below) or higher. The judge should state the reason for his judgment, at least when giving marks of 6 and below.
 - b. If a problem appears once it may be treated lightly by the judge; if it appears successively he will score it more harshly each time, i.e., nodding, stumbling, shying, etc.
 - c. Grinding of the teeth and excessive wringing of the tail are signs of tenseness or resistance on the part of the horse and should be considered in the marks for each movement where they appear, as well as in the Collective Marks. Horses demonstrating relaxed and free carriage of the tail shall be rewarded. Horses that get their tongues over the bit or perform with an open mouth shall be marked down.
 - d. The levels of Western Dressage are offered as a means of evaluating a horse that is changing and developing. The purpose of each test is printed on the cover. The horse shall be considered in light of the degree of training he should have achieved to be shown at that level.
 - e. In the case of a fall of horse and/or rider the competitor will be eliminated.
 - f. If the horse leaves the arena with or without the rider (all four feet outside the fence or line marking the arena perimeter) between the beginning and end of the test, the competitor is eliminated.
 - g. A test begins with the entry at "A" and ends after the final salute, as soon as the horse moves forward; except in Freestyle, where the test begins in the first stride after the salute and ends at the final salute. The competitor should leave the arena at "A" at a walk, on long or loose rein.
 - h. Horses, that enter the arena with their tongues tied down, shall be eliminated.
 - i. The judge may stop a test and/or allow a competitor to restart a test from the beginning or from any appropriate point in the test if, in his discretion, some unusual circumstance has occurred to interrupt a test. Time-outs are not permitted in the Western Dressage division.
 - j. After the sound of the bell, the competitor should enter the arena at "A" as soon as possible. Exceeding 45 seconds before entering the arena after the bell has sounded will entail elimination. No competitor can be required to ride prior to his scheduled time without his written consent.
 - k. Any continuing resistance, which prevents the continuation of the test for longer than 20 seconds, is cause for elimination. However, resistance that may endanger the rider, horse, judge or the public will result in elimination for safety reasons earlier than within twenty (20) seconds.
 - l. All movements and certain transitions from one to another, which have to be marked by the judge, are numbered on the judge's sheets. They are marked 0 to 10, 0 being the lowest mark and 10 being the highest. Half marks from 0.5-9.5 may also be used both for movements and collective marks, at the discretion of the judge, and all scores given must be recorded with a decimal (i.e., as 6.0 instead of 6)

10. The scale of marks is as follows:

10 Excellent	4 Insufficient
9 Very Good	3 Fairly Bad
8 Good	2 Bad
7 Fairly Good	1 Very Bad
6 Satisfactory	0 Not Executed*
5 Marginal	

* "Not executed" means practically none of the movement has been performed

11. Collective marks are awarded (from 0 to 10, including half marks) after the competitor has finished his performance for:

- a. Gaits.
- b. Impulsion.
- c. Submission.
- d. The rider's position, seat and hand(s).
- e. Correctness and effect use of the aids.
- f. Accuracy.
- g. Harmony.

12. Unauthorized Assistance is forbidden under penalty of elimination. Any intervention by a third party with the object of facilitating the task of the competitor, including voice, signals, etc., is illegal assistance. Except in the case of an error, any outside assistance provided by or NOT authorized by the Judge will result in elimination. A Judge may not discuss a ride with a competitor before the bell.

13. The execution of the tests is not timed, except for the Freestyle Test. The time shown on the Judge's sheet is for scheduling purposes only.

14. Time-Out: An exhibitor is not allowed to have a time-out in Western Dressage. .

WD126 Scoring, Classification and Prize-Giving

1. After each performance and after the judge has given his Collective Marks which must be done with due consideration, the judge's sheets pass into the hands of the scorers. Having two scorers is recommended. Scores and comments must be written in ink. It is recommended that adding machine tape is initialed and attached to the test. Any corrected score must be initialed by the judge having made the correction. The marks are multiplied by the corresponding co-efficient where applicable and then totaled. Penalty points incurred for errors in the execution of the test are then deducted on each judge's sheet.
2. The total score for the classification is obtained by adding the total points. Total final results must be published in marks as well as in percentages with numbers to three places after the decimal point. Scores must be posted on a public scoreboard as soon as possible after each ride or within one hour. The public scoreboard may be in either paper or electronic format. The name of the judge must be posted, as well as the time of the posting.
3. Individual Classification. In all competitions the winner is the competitor having the highest total points, the second placed competitor is the one with the next highest total points and so on. In case of equality of points the competitor with the highest marks received under General Impressions shall be declared the winner. When the scores for General Impressions are equal the horses must remain tied. Errors on a test may not be used to break ties.
4. Final results for each class must be posted as soon as possible after the class is completed and all results must include total points and percentages with numbers to three places after the decimal point, eliminated horses, and the placing of each horse that receives an award. If a competitor withdraws (scratches) prior to a class or is excused, eliminated or a "no show" prior to or during the performance of a test, the words "scratched", "excused", "eliminated", or "no show" or abbreviations of each, must appear after the competitor's name in the result sheet.

The published final results may be in paper or electronic format and must remain posted through-out the entire competition.

5. Video tape may not be used to dispute a judge's decision.
6. When the total of the scores for General Impressions is equal, ties in classes, which involve prize money, shall remain tied for the purpose of dividing prize money.
7. A judge is free to leave when all scores from his/her class/tests are totaled.
8. If a mathematical error on the score sheet is discovered, it must be brought to the attention of competition management within 1 hour of the official posting of the scores from the last class of that competition day. Competition Management must announce said posting, and must make test sheets available to competitors immediately.
9. After the awards for a class have been presented, the judge's score sheet should be given to the competitor. The score sheet must be handed directly to the competitor or his representative. Privacy must be maintained.
10. It is recommended that scorers and scribes may not be a competitor, or an owner, coach, trainer or family member of a competitor/horse in the class(es) in which they are scoring or scribing.

WD127 Elimination

1. Horse and rider combinations shall be eliminated from the competition for "a, f and i" below; horse and rider combination shall be eliminated from the current or next class depending on which is closest to the time the incident occurred for all others, under the following circumstances:
 - a. Misrepresentation of entry or inappropriate entry.
 - b. Bucking while riding a test.
 - c. Use of illegal equipment.
 - d. Unauthorized assistance.
 - e. Three errors of the course or test.
 - f. Horse's tongue tied down.
 - g. Late entry into the arena.
 - h. All four feet of the horse leave the arena with or without rider.
 - i. Cruelty including excessive spurring.
 - j. Resistance of longer than 20 seconds.
 - k. Concern for the safety of rider, other exhibitors or their entries
 - l. Evidence of blood on a horse in the competition arena shall be cause for elimination from the class by the judge at "C". Evidence of blood on a horse outside the competition arena shall be cause for elimination by competition management, after consultation with the steward, from either the last class in which the horse competed or next class in which he is scheduled to compete, depending on which is closest to the time the incident occurred. Environmental causes such as insect bites shall normally not be cause for elimination.
 - m. Failure of the competitor to wear their number.
 - n. Fall of a horse and/or rider.
 - o. Any situation where a direct rule violation can be cited. Where a violation cannot be cited, a competitor is not eliminated.

WD128 Requirements for Competition Management

1. All classes must be listed in the prize list.
2. When permitted by the rules or special criteria, classes may be divided into separate divisions or sections based on qualifications, age or other eligibility of horses or riders.
3. Divisions or sections of a class are considered to be a separate "class" only if listed as such in the prize list. Divisions or sections of a class may be held in different rings and judged by different judges. When divisions or

WD - WESTERN DRESSAGE DIVISION

sections are held under different conditions (i.e., different ring or judges), separate awards must be given.

4. When entries warrant, competitions are encouraged to split classes into separate divisions, and to provide separate awards for Open riders, Amateurs and Junior/ Young Riders. Horses may be ridden only once in any class, including separate divisions or sections of the same class and not by multiple riders.
5. Competition Schedule.
 - a. A tentative class schedule must be included in the prize list.
 - b. Organizers must prepare a time schedule including all rides. If possible, competitors should be notified of their riding times prior to arrival at the competition.
 - c. The time schedule must be posted in a conspicuous place by noon the day before the competition. Ride times may not be changed after noon the day before the start of the entire competition without the written consent of the competitor affected. Competitions may reserve the right to fill a competitor's subsequent ride times if that competitor fails to notify the competition secretary of his/her intention to scratch (i.e. is a "no show").
 - d. Western Dressage classes must be run in their entirety and rides may only be scheduled out of sequence to allow a reasonable interval between two or more horses entered by the same rider in the same class. Also, when preparing a time schedule consideration must be given to riders entered in more than one class or riding more than one horse.
 - e. At least 50 minutes must be scheduled between start times for a rider's tests on different horses unless they have agreed, in writing, to a shorter interval between tests. Time intervals should be allowed between rides for judge's breaks and awards presentations.
 - f. If a competitor cannot show due to the management's change of scheduling on the day a competitor must ride, their entry fees must be refunded.
 - g. Suspension of Judging: If it becomes necessary to interrupt a Western Dressage competition for any reason, the unfinished portion may be recommenced and rescheduled for the same or following day at the option of the Show Committee with the official's consent. All scores recorded before the interruption will stand. When classes are re-commenced after a delay on the same day, competitors must be given at least 30 minutes notice of the starting time. Exhibitors whose ride times are changed to or on a subsequent day as a result of an interrupted competition or inclement weather conditions, must be individually notified at least two hours prior to a rescheduled ride time.
6. Schooling and Longeing.
 - a. One or more schooling areas must be provided far enough away from the arena(s) so as not to disturb the competitors during their tests. Schooling areas must be of sufficient size for several competitors to prepare their horses at the same time.
 - b. Competitors will not be allowed in or around the arena while a class is in progress or inside the arena at other times except under the following conditions:
 1. Management must post and announce, in advance, designated times that competitors may school inside the arena(s);
 2. Competitors should be permitted by management or the Judge to enter the arena prior to their ride if arena conditions do not permit riding around the perimeter of the arena prior to entry. Such permission must be announced prior to the start of the class.
 - c. Competitions are permitted to charge warm-up or schooling fees prior to a competition for horses entered in the competition.
7. Judges.
 - a. Judges must be given at least a 45-minute lunch break and at least a 10 minute break every 2 hours.
 - b. Judges are not to be housed in private homes unless the judge has agreed to it prior to the competition.
 - c. Judge's comments, while judging, may not be audio-recorded without prior written permission of the judge, the

specific competitor(s) and management.

8. Scribes.

- a. Scribes should have knowledge of the tests being ridden.
- b. Scribes must not be an owner, coach, trainer or family member of a competitor/horse in the class(es) in which they are scribing.
- c. Scribe changes should not be made more than once per day for each judge.

9. Specifications.

- a. The arena should be on as flat and as level ground as possible.
- b. The Standard Arena is 60 meters long and 20 meters wide. The Small Arena is 40 meters long and 20 meters wide. Arena measurements are for the interior of the enclosure. The Small Arena is recommended for Western Dressage classes for the Introductory and Basic Levels.
- c. The Large Arena is required for Level 1 and above.
- d. The enclosure itself must consist of a low fence about 0.3 meters high and must be completely enclosed, except for the entrance at "A". The width of the entrance must be at least two meters.
- e. The fence should be such to prevent the horse's hooves from becoming entangled and arena stakes, if used, must be covered with a ball or similar object so as to prevent injury. Rope, concrete or unbreakable chain fencing is not allowed.

10. Location of Judges. The Judge should be placed at the letter "C", an elevated platform or place that ensures safe and good viewing. Additional judges are similarly placed at "E" and/or "B".

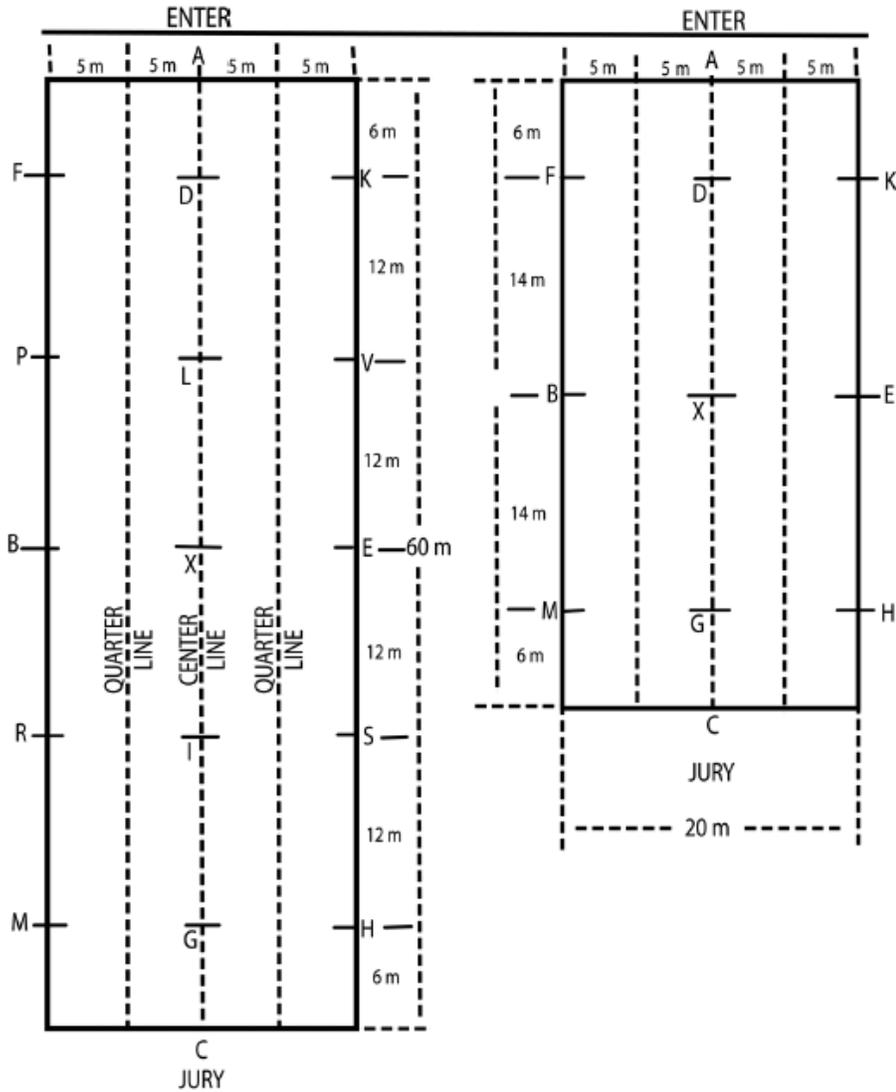

11. Footing Maintenance. Competition management must make every effort to provide the best possible footing in competition and schooling areas. The footing in all areas must be as uniform as possible.

12. Schooling/Warm-up Area Supervisor.

- a. The management must appoint a designated person to check saddlery, inspect bits and protective leg wraps in each class under the direction of the C2 Steward.
- b. Schooling and warm-up areas must be monitored by the designated ring stewards starting at least 30 minutes before the first scheduled ride.
- c. The designated ring stewards must use new disposable gloves should it be necessary to physically touch the bits.

13. Miscellaneous.

A separate number must be issued for each horse/rider combination. This number must be worn when the horse is in the designated schooling area and during the competition.

SUBCHAPTER WD-8 TESTS

WD129 General

The WDAA approves and issues tests for use at Federation licensed and WDAA recognized competitions in the United States. Tests cannot be modified without approval of the WDAA with the exception that saddle gait may be substituted for the jog in gaited horse Western Dressage tests, Equitation Medal and Rail classes which include but are not limited to Suitability, Hack, and Equitation On the Rail.

Tests are located on the USEF website at www.usef.org. Competitions are permitted to hold gaited classes but they are to be held as separate classes. The gaits required in lieu of the jog are defined in Subchapter WD-2.

1. Introductory Level. Tests provide an introduction to the discipline of Western Dressage; the horse performs only at the gaits of walk and jog. The rider should demonstrate correct basic position, use of basic aids, and understanding of figures. The horse should show relaxation; harmony of horse and rider are important. The jog should be a natural gait within the horse's scope and should demonstrate a swinging back.
2. Basic. Tests confirm that the horse is supple and moves freely forward in a clear and steady rhythm, accepting light contact with the bit. The horse demonstrates a greater understanding of the aids and calm acceptance of the bridle; greater emphasis is placed on relaxation submission, harmony, rideability and pure gaits. The horse is beginning to develop more power and balance.

3. Level 1. Tests confirm that the horse is building on the elements from lower levels and has developed the impulsion to achieve improved balance while beginning to develop the self-carriage and engagement required by the “lengthen” jog and lope. The horse demonstrates a more consistent light contact with the bit. Tests introduce collection and engagement as well as lateral and longitudinal balance while emphasizing rideability.
4. Level 2. To confirm that the horse, having achieved the impulsion required in Level 1, now accepts more weight on the hindquarters (collection); moves with an uphill tendency; especially in the lengthened paces; and is reliably and lightly on the bit. A greater degree of straightness, bending, suppleness, balance and self carriage is required than at Level 1.
5. Level 3. To confirm that the horse has achieved the impulsion required in Level 2, now accepts more weight on the hindquarters (collection); moves with a greater degree of an uphill tendency as required in the collected gaits especially in the collected lope. The horse must maintain a light contact on the bit showing balance, self-carriage and energy that result from improved engagement and weight-carrying by the hind quarters as performed in the halts. The movements should be performed with greater bending, suppleness, balance and self-carriage than in Level 2.

SUBCHAPTER WD-9 FREESTYLE

WD130 Western Musical Freestyle

1. A Western Dressage Freestyle is a performance utilizing the gaits and movements of the discipline ridden to music. Each test includes the required movements, gaits and paces of the standard Western Dressage Tests for that level. The competitor is absolutely free in the form and manner of the presentation she or he chooses within a fixed time provided. The performance should clearly show the unity between rider and horse as well as harmony in all the movements and transitions. The horse and rider should appear as one; lightness of contact is the hallmark of Western Dressage Freestyle.
 - a. The competitor must declare to the management (and consequently the judge) at what level she or he will be riding.
 - b. The competitor must provide two (2) recordings of the music to which the Freestyle will be performed. Management must provide time for a sound check.
 - c. The Freestyle ride must not exceed the time limit listed on the test. Time begins when the horse moves forward out of the initial halt and ends with the final halt and salute. Both halts are mandatory.
 - d. The judge will provide two (2) sets of scores; one for the technical correctness of the movements performed and one for the artistic merit.
 1. The artistic score is comprised of several elements:
 - a. Harmony between horse and rider.
 - b. Choreography: use of arena, design and creativity. Not “test-like”.
 - c. Degree of difficulty: points are only awarded when the attempts are performed well.
 - d. Music: suitability to the horse. Cuts in music are smooth/flowing.
 - e. Interpretation: music must express gaits and paces.
 2. Technical correctness:
 - a. Judged on the execution of required technical movements in the test i.e. figures, gaits/paces and transitions.
 - b. Certain movements (leg yield, half-pass etc.) should be performed in both directions.
2. Errors:
 - a. **Under Penalty of elimination at the discretion of the judge, a rider must enter the arena within 20 seconds of the music starting. The music must cease at the final salute. BOD 1/16/16 Effective 12/1/16**
 - b. If the Freestyle test is longer than the stipulated time on the test sheet, 10% will be deducted from the combined technical and artistic score.

SUBCHAPTER WD-10 DRESSAGE SUITABILITY

WD131 General

1. To be eligible for a Western Dressage Suitability class, a horse must not have shown in a Western Dressage competition/Test at First Level or above and/or shown in a Western Dressage Hack class.
2. Refer to WD101 for Goals and Objectives, WD110 for Transitions, WD115-117 for Collection, Impulsion and Submission and WD118 for Position and Aids of Rider.

WD132 Appointments

Refer to Subchapter WD-5

WD133 Qualifying Gaits, refer to WD103-105.

WD134 Western Dressage Suitability Objectives.

To confirm that the horse's muscles are supple and loose, and that it moves freely forward in a clear and steady rhythm with a look of forward impulsion with purity of gaits, and accepting light contact with the bit. The horse should show lightness of the forehand and engagement of the hindquarters. Resistance and tension of the horse is to be penalized. The horse's potential as a Western Dressage mount is to be considered.

WD135 Class Specifications.

1. Horses to enter at a working jog, in a counter clockwise direction. Horse must perform all gaits both ways of the ring. Gaits shall be the working walk, working jog, and working lope. Free walk on a loose rein with horse stretching forward and down to be performed in at least one direction. Transitions into and out of the lope will be called for through the working jog. Horses will be asked to reverse direction at the working jog or working walk at the judge's discretion. Jog work may be ridden sitting or posting. In the lineup, horses must stand quietly and may be asked to back individually or as a group.

SUBCHAPTER WD-11 DRESSAGE HACK

WD136 General

1. The Western Dressage Hack class is open to any horse, pony, or mule; however, once a horse has been entered and shown in a Western Dressage Hack class, that horse may not subsequently be shown in a Western Dressage Suitability class.
2. Refer to WD101 for Goals and Objectives, WD110 for Transitions, WD115-117 for Collection, Impulsion and Submission and WD118 for Position and Aids of the Rider.

WD137 Appointments

Refer to Subchapter WD-5

WD138 Qualifying Gaits

Refer to WD103-105.

WD139 Dressage Hack Objectives

In addition to the objectives as defined in WD134 Dressage Suitability Objectives, horses should begin to show more pushing power and show progression towards a degree of balance and throughness. The horse should be light on the bit. A greater degree of straightness, bending, suppleness and throughness is required. There should be a clear distinction between the gaits (working and lengthening). The horse's ability as a Western Dressage mount is to be highly considered.

WD140 Class Specifications

1. Horses to enter at the working jog, sitting or rising, in a counter clockwise direction. Horses must perform a working walk, working jog, working lope, and a lengthening of strides at the jog and lope both ways of the arena. Free walk on a long rein with the horse stretching forward and down to be performed in at least one direction. A back of four (4) steps may be asked for as a group on the rail or individually in the line up. Transitions into and out of the lope will be asked for through the working jog. Horses will be asked to reverse directions at the working jog. Jog work to be ridden sitting or rising.
2. To be judged 70% on performance of gaits and transitions, with attention to impulsion, submission, and using the objectives as referenced above (WD139); 30% on the rider's position, seat and effective use of aids.
3. Classes may be divided for Open, Amateur, Junior Exhibitor, Stallions, Gelding and Mares. If classes are divided, a Championship class is recommended. A separate Junior Exhibitor Championship class may be offered.

WD141 General

1. Equitation classes may be held either as Western Dressage Medal classes or as Western Dressage Seat On the Rail classes.

4. A rider who is off-course will be eliminated and will not be eligible for an award.
5. The dropping of bits, inspection of protective leg equipment is mandatory. The C2 Steward or designated person will perform the inspection immediately following the test. WD144 Performance Directives for Western Dressage Seat on the Rail classes

1. The riders are to be judged on the rail both ways of the ring at the Working Walk, Working Jog (sitting), and Working Lope. To be judged on:
 - a. Rider's Position: The rider's position shall be balanced with the horse; the rider's shoulders, hips and heels should be aligned at all gaits. When observed from behind, the rider is straight in the back and symmetrically balanced with the shoulders, hips and feet parallel in the stirrups.
 - b. Rider's Correct and Effective use of aids: The rider demonstrates preparedness for performing the movements. The rider is subtle and effective with aids to perform transitions; is effective with bending in the turns and on the circles and moves straight on straight lines. The rider is capable of keeping the horse moving forward and keeping the tempo in each gait performed. The transitions are performed effortlessly, willingly and smoothly. There is a clear picture of "action causes reaction."
 - c. Harmony between the Rider and Horse: The horse and rider appear as one. They are confident, focused and calm. They perform competently at the level. They are a pleasure to watch.
2. Judges may choose to have the exhibitors perform a short pattern. If a pattern is used the pattern must be posted one hour prior to the class. No markers/cones are allowed. If a pattern is part of the class judging is based 50% on railwork, 50% on individual workout. Patterns must be selected from Appendix A.
 - a. Accuracy of the figures: The rider demonstrates the ability to maintain the geometry of the movements. The movements are correct in their size, shape and placement in the arena.
 - b. The circles and half circles diameter are correct and round. There is a clear picture of where the circles originate and terminate.
3. Patterns: See Appendix A.

WD145 Western Dressage Seat Medal classes

1. A rider who is off course must be eliminated and will not be eligible for an award.
2. The dropping of bits, inspection of protective leg equipment and the horse is mandatory. The C2 Steward or designated person will perform the inspection immediately following the test. The rider shall dismount; if necessary, they may have assistance. Failure to comply with this rule must result in elimination.
3. Callers are allowed in Medal classes.

WD146 Appointments

Refer to Subchapter WD-5

WD147 Movement Scores for Western Dressage Seat Medal classes

1. Each test has a set of movements. It is the judge's responsibility to evaluate each movement and score both as a Dressage movement score and equitation score. Half points are allowed.

2. The scale is as follows:

10 Excellent	4 Insufficient
9 Very Good	3 Fairly Bad
8 Good	2 Bad
7 Fairly Good	1 Very Bad
6 Satisfactory	0 Not Executed*
5 Marginal	* "Not executed" means practically none of the movement has been performed

3. The judge should consider the performance of the horse and rider on the following:

- On Pattern: The judge must make certain that the movement being performed by the horse and rider is the correct movement as dictated by the test.
- Correctness and Rider Position: Having determined that the horse and rider are performing the movement required by the test, the judge must then determine whether the movement is being executed correctly. The judge must evaluate the performance of the movement against the requirements of the movement description listed Subchapters WD-2, WD-3, and WD-4 and in WD118 Position and Aids of the Rider.

WD148 Deductions:

1. Zero Score:

- Use of more than one finger between the reins when one hand is used
- The changing of hands on the reins (1 or 2 handed method)
- A horse or rider fails to complete the tests as written.
- Performs a movement in other than specified order.
- Includes a movement not specified
- A horse that balks or freezes during a test
- The fall of a horse or rider
- Leaving the arena with all four feet

2. 5 Point Deductions:

- Spurring in front of the cinch
- Use of a hand to instill fear
- Holding the Saddle with either hand (except for the Introductory Tests)
Note: The holding of the saddle does not include incidental, brief contact. The rider is allowed to straighten the latigo any place the horse is completely stopped during the test. A rider may untangle the horse's mane from the reins at an appropriate place without incurring a holding the saddle penalty.
- Blatant disobedience includes kicking, bucking, rearing, striking, or biting.

3. 2 Point Deductions:

- A horse breaks gaits during the execution of the test.
- Missing the letters

4. 1 Point Deductions:

Out of lead during the test

- Circles: 1 penalty point for each $\frac{1}{4}$ circle
- Serpentine: 1 penalty point for each $\frac{1}{2}$ loop
- Lines:

- From the turn to the halfway position to the next marker is a 1 point penalty
- Beyond the halfway point to the next marker, an additional 1 penalty point.

NOTE: In tests that require a simple lead change in a movement, the ideal change is to be performed. Any deviation

WD - WESTERN DRESSAGE DIVISION

from the ideal change as described by the Subchapters WD-2 and WD-3 would not incur a penalty but deserves less credit.

5. Jog Deductions:

- a. When the movement requires a lope and a horse breaks gait into a jog up to 2 strides = ½ point penalty.
- b. Jogging beyond 2 strides = 2 point penalty

Note: A judge counts the steps of the rear legs. Four steps and under would represent two or less strides and require a ½ point penalty. Five steps or more, requires a 2 point penalty.
