After an investigation as to proper status has been initiated, and upon request by the Federation and to the satisfaction of the Federation, an Amateur shall submit verifiable proof of Amateur status, including but not limited to a bill of sale for any horse(s) the Amateur is competing in classes restricted to Amateur Owners. If the Federation deems such proof insufficient, then the Federation may initiate proceedings under Chapter 6.
 - a. Any individual found to have knowingly assisted in the violation of the Amateur rule may also be subject to proceedings in accordance with Chapter 6. See GR1307.
 7. Questions about whether you are an Amateur or Professional. For specific inquiries, email amateurinquiry@usef.org.

GR1307 Amateur Status

1. Only active Federation members may obtain amateur status. Every person who has reached his/her 18th birthday and competes in classes for amateurs under Federation rules must possess current amateur status issued by the Federation. (Exception: This is not required for Opportunity classes except for the Dressage Division. If Opportunity classes are offered at Dressage Competitions or Regular/Local Competitions with "Open" Dressage classes and are restricted to amateurs, riders are required to have amateur status with the Federation). This status must be available for inspection or the competitor must have lodged with the competition secretary, at least one hour prior to such class, an application for such status provided by the Federation. Amateur status will be issued only on

GR13 - COMPETITION PARTICIPANTS

- receipt of the application properly signed and is revocable at any time for cause. Foreign riders requesting Federation Amateur status, must be a Junior, Senior or Life Competing Member of the Federation (Exception: Equestrian Canada members in possession of current EC membership may sign for USEF Amateur status on a show by show basis at no cost). Any person who has not reached his/her 18th birthday is an amateur and does not require amateur status.
2. An amateur continues to be such until he/she has received a change in status from the Federation. Any amateur who wishes to be re-classified on the grounds that he/she has engaged or is planning on engaging in activities which would prevent him/her from continuing to remain an amateur must notify the Federation in writing.
 3. There is no fee for amateur status for Senior Active or Life Members. *BOD 11/7/16 Effective 12/1/16*
 4. If a person violates or does not comply with the above, he/she will not be eligible to compete in amateur classes and will not be entitled to an award in such classes and will be deemed guilty of a violation within the meaning of Chapter 7 in the event he/she does compete.
 5. In the event a person is found to be a professional as a result of a protest or charge made in connection with a competition, all awards won by such person in amateur classes at such competition and subsequent competitions shall be forfeited and returned to the competition and the person shall be subject to further disciplinary action. The holding of an amateur card does not preclude the question of amateur standing being raised by a protest or charge.
 6. The trainer may be subject to disciplinary action if an exhibitor who shows as an amateur is protested, and that protest is sustained by the Hearing Committee, and it is determined that the trainer had knowledge of their professional activities.
 - a. Any changes of status from professional to amateur, or vice versa, will be published on the Federation's web site.
 7. An exhibitor who engages a person to ride, drive or show in halter in any amateur class and then remunerates such person beyond the extent to which such amateur is entitled as provided above in GR1306 will be subject to disciplinary action under Chapter 7.
 8. Any person who under these rules is a professional and knowingly and falsely represents himself/herself to be an amateur by declaring or maintaining current amateur status issued by the Federation, and any person who violates any of the provisions of this rule will be subject to disciplinary action under Chapter 7.
 9. A professional continues to be such until he/she has received amateur status by a vote of the Hearing Committee. Any professional who wishes to be reclassified as an amateur on the grounds that he/she has not engaged in the activities which made him/her a professional within the last twelve months must notify the Federation in writing.
 - a. Such person shall submit to the Hearing Committee an amateur reclassification request which is supported by:
 1. A notarized letter signed by him/her outlining the horse related activities (using specific dates) which made said person a professional and outlining the activities performed within the twelve month period (or longer) since professional activities have ceased,
 2. Two or more notarized letters from any Senior Active Federation members stating the relationship with the applicant and outlining the applicants activities for the one year period preceding such written notification advising and testifying that the applicant has not engaged in any activities which would make him/her a professional as outlined in GR1306 during that period,
 3. A processing fee of \$50,
 4. Sign and declare amateur status on a current USEF membership application. The burden of proof of proving amateur status is on the applicant. The Hearing Committee may call for and/or consider any and all further evidence and facts which it deems pertinent. The decision of the Hearing Committee on the reclassification request shall be final.
 - b. Any changes of status from professional to amateur, or vice versa, will be published on the Federation's website.
 10. Please contact the Federation office for information regarding international/professional licenses.

SUBCHAPTER 13-D COMPETITION DISPENSATIONS

GR1310 Dispensations

1. Dispensation Certificate. Any individual with a diagnosed permanent physical disability wishing to compete in a Federation licensed competition with a compensatory aid and/or adaptive equipment must obtain a Dispensation Certificate from the Adaptive Sports Committee, including those individuals with a current Federation or FEI Classification. Upon the Committee's approval, a Dispensation Certificate will be issued by the Federation. The Dispensation Certificate will list all compensatory aids and adaptive equipment allowed the individual while competing. Other compensatory aids or special equipment not specifically listed on the Dispensation Certificate are not allowed. A copy of the Dispensation Certificate must be included with the individual's entry. The competition manager or secretary shall include a copy attached to all applicable scoring sheets for the judge's reference. For instructions on how to apply for the Dispensation Certificate, please refer to GR1312. Also see GR1315 for definitions of terms used in this section. (Exception: Dispensation certificates are not required for Breed or Multi-breed restricted or Hunter competitions or classes; Equitation Division classes, Carriage Pleasure Driving Division, or the Open Western Division).
2. In circumstances that fall outside of the dispensation program, a Presidential Modification may be considered. Please refer to GR152 and Bylaw 332.1.f.

GR1311 Para-Equestrian Eligibility/Classification

In order for an individual to compete in USEF licensed Para-Equestrian Competitions in Para-Equestrian classes, he/she must have a diagnosed, permanent physical disability. The individual will need to possess a USEF or FEI Classification and a USEF Dispensation Certificate. See GR142 for the definition of Para-Equestrian and GR1315 for additional definitions).

GR1312 Applying for a Dispensation Certificate

1. Applications for a Dispensation Certificate can be obtained from the Federation (via the USEF website or the USEF office) and are reviewed on a continuing basis throughout the year by the Adaptive Sports Committee. Only applications submitted along with supporting medical documentation will be considered. The Adaptive Sports Committee may request additional supporting evidence from the individual regarding his/her medical status or regarding the aid/equipment which he/she requests dispensation for. The Adaptive Sports Committee will render an opinion (approval of all or some of the aids requested or denial of the dispensation) and the individual will be notified by the USEF in a timely manner.
 - a. The Dispensation Certificate will be issued annually upon re-application, and remains in effect until the end of the competition year or until he/she receives a change in status from the Federation, whichever is earlier. Any individual who wishes to make changes to his/her Dispensation Certificate must notify the Federation in writing and obtain written approval. Certification is revocable at any time for cause.
 - b. Applications should be submitted in order to allow 30 days for the Adaptive Sports Committee to render a decision regarding the dispensation status.
 - c. There is no fee for a Dispensation Certificate.
 - d. The individual must be a member in good standing with the USEF.

GR1313 Applying for Para-Equestrian (PE) Classification

1. The individual will request classification from the USEF. Application paperwork (Consent for Classification and Certificate of Diagnosis) may be found on the USEF website or from the USEF Director of Para-Equestrian. Once the USEF Director of Para-Equestrian receives the completed paperwork, the office will contact the USEF Classification Coordinator.
2. The USEF classification coordinator will assist in scheduling a classification with one of the USEF/FEI Classifiers. There is a non-refundable administrative fee for the classification payable to the USEF. If the individual requests a classification to be scheduled at their convenience, all expenses for the classifier will be paid for by the individual. The individual must be a member in good standing with the USEF.
3. If the individual is deemed eligible for Para-Equestrian, the classification will result in a Profile and a Grade based on the FEI Profile system. The Profile will remain with the individual for as long as their physical disability remains constant with no need for re-classification. This is considered a Confirmed Status. If the individual has a fluctuating medical condition or if his/her function changes, the profile may change with future re-classifications. This is considered a Review Status. The Grade will be based on the specific discipline.
4. Upon classification, the USEF will issue a USEF Dispensation Certificate. This Certificate will outline the individual's profile, grade, status, Classification expiration, and indicate any compensating aids/adaptive equipment that may be used in USEF licensed competition in accordance with USEF rules.
5. For USEF licensed competitions, the individual will send in a copy of their Dispensation Certificate with their competition entry. The individual will also be responsible for making the Certificate available as requested by the competition officials (See also GR1310).
6. When change in status occurs (i.e. change of compensating aids/adaptive equipment), written request for a change will be submitted to the USEF office.
7. The USEF/FEI Classifier will determine the Grade, status and review period for classification. For those with

GR13 - COMPETITION PARTICIPANTS

disabilities with no expected change in functional status, the classification will have a status of Confirmed and have no expiration. For those with fluctuating conditions or conditions expected to change, either by deterioration or improvement there will be a status of Review indicated on the Certificate with an expiration and expected date for re-classification. It is the individual's responsibility to apply for re-classification through the USEF with time allowed prior to any upcoming competitions. It is also the individual's responsibility to apply for re-classification if a major change in function, either improvement or deterioration occurs. The individual will be required to submit objective medical information with the request for re-classification.

8. Upon receipt of an FEI Classification, necessary for Qualifying and FEI licensed competition. The individual's information will be posted on the FEI website at www.fei.org, on the FEI Classification Master List for Dressage or Driving. The list will indicate the individual's profile, grade, status and compensatory aids. The FEI Classification Master List may be found at <http://www.fei.org/fei/org/fei/disc/dressage/about-para-equestrian>. The individual may request a USEF Dispensation Certificate with the FEI Classification status and any approved compensating aids listed. The Dispensation Certificate may be used at any USEF licensed competition.
9. Classification status can be challenged by a USEF competition official with a written request to USEF. Medals will be suspended until such time that the Classification status is resolved.

GR1314 Hearings/Protests

1. Any individual whose application for a Dispensation Certificate or a Para-Equestrian Classification has been denied may request a hearing by the Hearing Committee or by such individual or committee as it may designate to review said decision. The request must be in writing and mailed to the Hearing Committee within ten (10) days from receipt of the decision sought to be reviewed.
 - a. The hearing shall be after ten (10) days notice to all parties concerned. The notice shall contain a brief statement of the facts reporting the position of the Federation and shall specify the time and place at which the hearing is to be held. The person requesting said hearing may attend and bring witnesses, sworn statements or other evidence on his or her behalf. Upon the written request of a representative of the Federation or of the person requesting the hearing, there shall be furnished before said hearing any evidence to be introduced, the names of witnesses and the substance of their testimony.
 - b. The decision of the Hearing Committee or the person or committee designated to preside at said hearing shall be final.
 - c. Protests or charges brought in connection with an individual's Dispensation Certificate status or Para Equestrian Classification status shall be handled in accordance with the provisions of Chapter 6.

GR1315 Definition of Terms

1. Diagnosed permanent physical disability - An individual with a medical condition resulting in functional limitations affecting their ability to participate in equestrian sport and diagnosed by a medical doctor. The condition is not reasonably expected to improve and may, in fact, be one that worsens over time. The condition should be easily objectively measurable in scope, either by physical examination by a medical professional or with medical testing. An example may include a limb amputation, paralysis, weakness due to a neuromuscular condition loss of vision.
2. Compensating aid and/or adaptive equipment - Allowance for an alteration in performance, an alteration of dress or alternate piece of equipment which allows the individual with functional limitation(s) to perform the requirements of the competition. The aid or equipment assists in equalizing the functional ability of the individual and should not give the individual an undue advantage. The aid/equipment must be deemed safe for the competitor and the horse and is subject to review by the TD and/or judge at each event. Examples:
 - a. Saluting with the nod of the head only when taking a hand off of the reins would be unsafe.
 - b. Use of paddock boots and smooth leather half chaps rather than tall boots if wearing tall boots is unsafe for a

rider with leg dysfunction.

- c. Allowance to not wear gloves for the individual with impaired sensation in the hands.
- d. Use of 1 or 2 whips to cue the horse for an individual with impaired use of his/her legs.
- e. Use of a golf cart to survey a course prior to driving for the individual who is unable to walk.
- f. Use of quick release equipment for carriage driving.

For additional examples, please see FEI Compensating Aids booklet at www.fei.org.

3. Dispensation

- a. Dispensation Program - The Federation encourages competition amongst all individuals, including those with a diagnosed permanent physical disability. For those individuals wishing to compete in a Federation licensed competition and who require compensating aids and/or adaptive equipment to do so, a Dispensation Certificate may be granted. The purpose of the dispensation is to aid those with limited function by allowing the use of aids/equipment which will result in more equal function. These aids/equipment should not give the individual with a disability an advantage over his/her competitors.
- b. Adaptive Sports Committee: An interdisciplinary group representing the equestrian disciplines, the medical field, competitors, and the USEF who is charged with the review and/or approval of dispensation applications.

4. Para-Equestrian (PE)

- a. USEF Para-Equestrian (PE) Classification - The USEF has chosen to adopt the FEI Profile System for classification of individuals with disabilities. This system provides a means to assess an individual's functional abilities and impairments to determine which Grade they will compete in amongst individuals with similar levels of function. There is a minimal level of impairment required in order to qualify for the FEI Profile System. In the system, an individual with a permanent measurable physical disability is assessed by a USEF or FEI approved classifier. As a result of the assessment, the classifier will determine eligibility and then assign the individual a Profile. The Profiles are grouped into Grades based on the discipline in which the individual will be competing. For example, an individual who has minor impairment of the Left arm and leg after a stroke would likely be given a Profile 15. If they compete in dressage, they would compete in Grade III. If they choose to compete in Carriage Driving, they would compete as a Grade II.
- b. FEI Profile System - Amongst individuals with disabilities, there are many different types of impairments. To provide meaningful competition for these individuals it is necessary that those of similar levels of impairment compete together. The FEI "Profile System" fulfils this criterion. It is a System of tests administered by trained and certified Physical Therapists or Physicians. It is based on the classification systems used in other sports for individuals with disabilities and has been tested for reliability and validity in its application in equestrian sport.

5. Profile - an individual is given one of 42 profiles based on their level of function as assessed by a USEF or FEI Classifier. The Profiles are versatile but tight, easy to use and understand. The locomotor Profiles are not disability (diagnosis) specific, but are based on the ability of the functioning part(s) of the body. The Profile is considered permanent except in the case of a diagnosis that has a reasonable expectation of change, such as with progressive Multiple Sclerosis.

6. Grade - the grouping of profiles within a discipline. In Dressage, there are 5 grades (Ia, Ib, II, III, and IV). In Carriage Driving there are 2 Grades (I and II). A Grade is made up of several profiles, grouping Para-Equestrians of similar level of function. The lower number Grades (i.e. Grade I) is made up of Para-Equestrians with a more significant level of impairment, whereas the higher number Grades (i.e. IV) identify those Para-Equestrians with a lesser impairment. The Grade determines which tests a rider competes and against whom the Para-Equestrian will be competing. In National and International competition, medals/placement is awarded in each Grade.

7. An individual who has been classified by a USEF or FEI Classifier and who has been given a Profile, Grade, status and the use of compensatory aids/adaptive equipment. These individuals may compete up to the National level of

GR13 - COMPETITION PARTICIPANTS

USEF licensed PE competitions.

8. FEI Para-Equestrian (FEI PE) - a Para-Equestrian with an FEI Classification and listed on the FEI Classification Master List for Dressage or Driving on the FEI website at www.FEI.org. The FEI Master List indicating the individual's Profile, Grade, Status and compensating aids/adaptive equipment. This individual may compete Nationally and in Qualifying trials. To achieve this classification, the individual will need a classification by two FEI Classifiers, at least one from outside of their home country. There is a fee to the FEI for application and renewal for the FEI PE Classification Card. Individuals must request renewals through the National Federation.
9. USEF Classifier - a Physical Therapist or Physician who has been trained and approved by the USEF to classify individuals using the FEI Profile System. A USEF Classifier may classify Para Equestrians up through a National level competition.
10. FEI Classifier - a Physical Therapist or Physician who has been trained and licensed by the FEI to classify Para-Equestrians using the FEI Profile System. An FEI classifier may classify Para-Equestrians through to the International level (i.e. Paralympics and World Games). FEI Classifiers are designated as Trainee, Level 1 or Level 2.
11. USEF Classification Coordinator - the lead USEF Classifier responsible for assisting individuals through the classification process.
12. Dispensation Certificate - The Dispensation Certificate issued by USEF to an individual with a diagnosed permanent physical disability, indicating Compensating Aids/Adaptive equipment approved for use by the individual in USEF licensed competitions. The Certificate will list an individual's Para-Equestrian USEF or FEI Classification Profile, Grade and Status, if these have been assigned. The FEI will indicate FEI approved compensating aids on the FEI Classification Master List for Dressage or Driving on the FEI website at www.fei.org for those individuals who hold an FEI classification. This information is referenced for all FEI qualifying and FEI Para-Equestrian competitions.
